I. Grounds for disciplinary action

Rule 1.1 Grounds. An attorney at law may be subjected to the disciplinary sanctions or actions set forth in Rule 1.2 for any of the following causes, hereinafter sometimes referred to as violations of the rules of professional conduct:

(a) The commission of any act involving moral turpitude, dishonesty, or corruption, whether the same be committed in the course of his or her conduct as an attorney, or otherwise, and whether the same constitutes a felony or misdemeanor or not; and if the act constitutes a felony or misdemeanor, conviction thereof in a criminal proceeding shall not be a condition precedent to disciplinary action. Upon such conviction, however, the judgment and sentence shall be conclusive evidence at

the ensuing disciplinary hearing of the guilt of the respondent attorney of the crime described in the indictment or information, and of his or her violation of the statute upon which it is based. A disciplinary hearing as provided in Rule 3.2 of these rules shall be had to determine, (1) whether moral turpitude was in fact an element of the crime committed by the respondent attorney and, (2) the disciplinary action recommended to result therefrom.

(b) Wilful disobedience or violation of a court order directing him or her to do or cease doing an act which he or she ought in good faith to do or forbear.

(c) Violation of his or her oath or duties as an attorney.

(d) Wilfully appearing without authority as an attorney for a party to an action or proceeding.

(e) Permitting his or her name to be used as an attorney by another person who is not an attorney authorized to practice law in the state of Washington.

(f) Misrepresentation or concealment of a material fact made in his or her application for admission to the bar or admission to the bar examination or reinstatement or in support thereof.

(g) Suspension, disbarment or other disciplinary sanction by competent authority in any state, federal or foreign jurisdiction.

(h) Practicing law with or in cooperation with a disbarred or suspended attorney, or maintaining an office for the practice of law in a room or office occupied or used in whole or in part by a disbarred or suspended attorney, or permitting a disbarred or suspended attorney to use his or her name for the practice of law, or practicing law for or on behalf of a disbarred or suspended attorney, or practicing law under any arrangement or understanding for division of fees or compensation of any kind with a disbarred or suspended attorney, or with any person not authorized to practice law.

(i) Violation of the Code of Professional Responsibility of the profession adopted by the Supreme Court of the State of Washington.

(j) Wilful violation of Rule 2.6, Rule 3.2(k), wilful disregard of the subpoena or notice of a Local Administrative Committee, Hearing Panel, State Bar Counsel, Disciplinary Board, or Board of Governors of the Association, wilful disregard of a restraining order issued pursuant to Rule 2.5(b)(3), wilful disregard of a stipulation approved pursuant to Rule 3.3, wilful failure to cooperate with an attorney appointed pursuant to Rule 4.4, or the making of a false statement under oath in any document filed with the Association.

(k) Conduct demonstrating unfitness to practice law.

(l) Engaging in the practice of law while on inactive status. [Adopted January 21, 1975, effective February 3, 1975.]

Rule 1.2 Sanctions. The disciplinary sanctions or actions affecting the status of an attorney are censure, reprimand, suspension or disbarment or transfer to inactive status. [Adopted January 21, 1975, effective February 3, 1975.]

Order of Supreme Court adopting rules for discipline of attorneys and superseding prior rules:

The Board of Governors of the Washington State Bar Association having recommended a complete revision of the DRA to update and provide the Association with the organization and procedures to efficiently discharge its functions; and

The proposed DRA having been distributed to the members of the Bench and Bar for comment; and

The court having reviewed the proposal and the comments received from the Bench and Bar and having made such changes as were considered desirable; Now, therefore,

IT IS HEREBY ORDERED:

a. The existing DRA is superseded by the DRA attached hereto except as to pending matters heard by a trial committee. Such pending matters shall be completed under the DRA in effect at the time of the hearing by the trial committee, and

b. The revised DRA shall be published expeditiously in the Washington Reports and shall become effective on February 3, 1975.

DATED at Olympia, Washington this 21st day of January, 1975.

II. Procedure

Rule 2.1 Local administrative committee.

(a) **Appointment.** The board of Governors shall appoint a Local Administrative Committee consisting of three or more members in each county or district as herein defined. The Board of Governors may create districts consisting of two or more counties, a portion of one or more counties, or one or more counties and a portion of one or more counties. These Committees shall be known as "Local Administrative Committee of ----- County (or ----- District)." All members of the Local Administrative Committees shall be chosen by the Board of Governors from the active members of the Association whose residences are in the county or district for which they are appointed and who have been admitted to practice not less than 5 years.

(b) **Term of Office.** The members of the Local Administrative Committees shall serve at the pleasure of the Board of Governors. The Board of Governors shall designate each year one member of each Local Administrative Committee to serve as chairperson thereof for 1 year or until his or her successor is appointed. Members heretofore appointed by the Board of Governors shall continue to serve until replaced.

(c) **Duties.** It shall be the duty of a Local Administrative Committee to:

(1) Take cognizance of any alleged or apparent violation of the rules of professional conduct coming to its attention, whether by complaint or otherwise, to investigate the same promptly and to submit a report to the Board within 30 days from the date the matter first came to the attention of such committee, unless the time is extended by said Board.

(2) **Initiate Reports.**

(i) Reports shall be in such form and pursuant to such procedures as may from time to time be prescribed by the Board.

(ii) Reports made by Local Administrative Committees shall form a part of the permanent records of the Association and may be used as a basis for the commencement of disciplinary proceedings.

(d) **Perpetuation of Testimony.** Where, in the discretion of a Local Administrative Committee or State Bar Counsel, there is reasonable cause to believe that testimony should be perpetuated, the Committee may, upon reasonable notice to the attorney investigated, cause the deposition of any witness to be taken under oath before a notary public or before any other officer authorized by the law of the jurisdiction where the deposition is taken to administer an oath, and have the same transcribed for use in any further proceedings under these rules to which the said attorney may be a party. Save as in this paragraph specifically provided, proceedings before a Local Administrative Committee shall be informal and witnesses need not be sworn.

(e) **Authority.**

(1) **Trivial Matters.** The committee shall have power conditionally to settle and dispose of complaints of a trivial nature; provided, that a complete report of the disposition of each such complaint shall be made to the Board; upon filing of such written report with the Board such conditional disposition shall be deemed conclusive unless the Board acts otherwise within 60 days from receipt of such report.

(2) **Settlement, Compromise or Restitution.** Settlement of, compromise of, or restitution in a matter shall not justify the committee in failing to undertake or complete its investigation and report thereon to the Board.

(f) **Special Circumstances.** The Board, in lieu of referring a matter to a Local Administrative Committee for investigation, in its discretion may:

(1) Appoint a special committee composed of Local Administrative Committee members from more than one county or district to conduct an investigation; or

(2) Refer a complaint to bar counsel or bar staff for investigation; or

(3) Direct the filing of a formal complaint without investigation.

(g) **Matters Involving Related Pending Civil or Criminal Litigation.**

(1) Processing of complaints involving material allegations which are substantially similar to the material allegations of pending criminal or civil litigation may be deferred when authorized by the board. In such event, the respondent attorney shall make all reasonable efforts to obtain the prompt trial and disposition of such pending litigation.

(2) The acquittal of the respondent attorney on criminal charges or a verdict or judgment in his or her favor in a civil litigation involving substantially similar material allegations shall not in and of itself justify abatement of a disciplinary investigation predicated upon the same material allegations. [Adopted January 21, 1975, effective February 3, 1975.]

Rule 2.2 Trial committee.

(a) **Appointment.** The Board of Governors shall appoint a Trial Committee consisting of three or more members in each county or special district as herein defined. The Board of Governors may create special

Rules of Court

districts consisting of two or more counties, a portion of one or more counties, or one or more counties and a portion of one or more counties. Those committees shall be known as "Local Trial Committee of _____ County (or _____ Special District)." All members of Local Trial Committees shall be chosen by the Board of Governors from the active members of the Association whose residences are in the county or special district for which they are appointed, and who have been active members of the Association for at least 5 years.

(b) Term of Office. The members of the Local Trial Committees shall serve at the pleasure of the Board of Governors; provided, however, that any member designated to serve on a Hearing Panel shall continue as a member of the Local Trial Committee until the completion of his or her duties as a member of such Hearing Panel. [Adopted January 21, 1975, effective February 3, 1975.]

Rule 2.3 Hearing panel.

(a) Hearing Panel. Each disciplinary matter referred for hearing shall be heard by a Hearing Panel appointed by the chairperson of the Board. A Hearing Panel shall consist of either one or three members, as determined by said chairperson. The Panel may be composed of not more than one attorney member from the Board, not more than one member from the Local Trial Committee of the county or special district where the respondent attorney had his or her residence at the time of the alleged violation of the rules of professional conduct, and one or more members from trial committees elsewhere in the state. In the event the Panel consists of more than one member, the chairperson of the Board shall designate a chairperson of that Panel to conduct the hearing. The Board may direct a hearing which has been assigned to a Panel in one county or special district to be transferred to another county or special district or to a special Panel appointed by the chairperson of the Board.

(b) Authority and Duties of Hearing Panel. It shall be the duty of the Panel to whom a cause has been referred for hearing to conduct the hearing in the manner hereinafter provided. The Panel chairperson shall pass on all questions of procedure and admission of evidence. The Panel shall make its findings of fact, conclusions of law and recommendation, submitting them to the Board together with all pleadings, documents and exhibits in accordance with Rule 3.2(1).

(c) Disagreement. In the event of disagreement the dissenting member shall file independent findings, conclusions and recommendation within 15 days after the time provided for in Rule 3.2(1). [Adopted January 21, 1975, effective February 3, 1975.]

Rule 2.4 Disciplinary board.

(a) Membership.

(1) *Composition.* The Board shall be comprised of two lay members appointed by the Supreme Court and one attorney member from each congressional district

in the state of Washington. Attorney members shall be appointed by the Board of Governors. Each member, whether lay or attorney, shall have one vote.

(3) *Quorum.* Five or more members shall constitute a quorum. Given a quorum, the concurrence of a majority of those present shall constitute the action of the Board.

(b) Term of Office. The term of office for all members of the Board shall be three years or until his or her successor is appointed or takes office. One of the initial lay members shall be appointed for a two year term. All terms of office shall expire on September 30 of the appropriate year. Members may not serve consecutive terms.

(c) Continuity. Notwithstanding the expiration of the term of office of a member of the Board, he or she shall have the authority to act in any matter assigned to him or her prior to the expiration of his or her term.

(d) Chairperson. The Board of Governors shall designate one member of the Board to act as its chairperson and another as its vice chairperson. The chairperson shall have duties and powers as are specified in the Discipline Rules for Attorneys, and shall preside at Board meetings. The vice chairperson shall serve in the absence or at the request of the chairperson.

(e) Vacancies. Vacancies in attorney membership on the Board and in the office of the chairperson and vice chairperson shall be filled by the Board of Governors. Vacancies in lay membership shall be filled by the Supreme Court.

(f) Responsibilities.

(1) *General.* The Board shall have the powers and duties provided in these Discipline Rules for Attorneys, together with those delegated to it in writing by the Board of Governors.

(2) *Specific.* The Board shall review all reports or allegations of violations of the rules of professional conduct or matters within the purview of Rules 4.1-4 and take such action pursuant to these Discipline Rules for Attorneys as it deems appropriate.

(3) *Letter of Admonition.* Where it appears to the Board that, even if the findings of the Local Administrative Committee or bar staff were true, the misconduct charged is not of sufficient magnitude to warrant a trial, the Board, in its discretion, may dismiss the complaint and send the attorney a letter of admonition warning against such conduct in the future. Such a letter shall not constitute a finding of misconduct.

(4) *Division of Authority.* The Board of Governors shall have no right or responsibility to review decisions or recommendations of Hearing Panels or of the Board in specific disciplinary matters. It shall, however, have the responsibility generally for the proper functioning of

the Local Administrative Committees, Trial Committees, the Disciplinary Board, the bar staff, and bar counsel. Any publicity with reference to pending disciplinary proceedings shall be released only through the Board of Governors.

(5) *Meetings.* The Board shall hold at least eight meetings a year at such times and places as it may determine. [Adopted January 21, 1975, effective February 3, 1975; subd. (a)(2) amended, adopted December 20, 1974, effective December 20, 1974; subd. (b) amended, adopted May 2, 1975, effective July 1, 1975.]

Rule 2.5 State bar counsel.

He shall not participate in post-hearing deliberations of either the hearing panel or of the Board.

(b) **Discovery Prior to Formal Complaint.** Where bar counsel deems it advisable to utilize discovery procedures with regard to the attorney being investigated or a witness, prior to the filing of a formal complaint, he or she may do so.

(1) *Procedure.* All such proceedings shall be in conformity with the Superior Court Civil Rules.

(2) *Subpoenas.* A member of the Board or State Bar Counsel shall have the power to issue subpoenas to compel the attendance of the attorney being investigated or of a witness, or the production of books or documents at the taking of such depositions. Subpoenas shall be served in the same manner as in civil cases in the Superior Court.

(3) *Show Cause—Restraining Proceedings.* In addition to and supplemental of the existing Superior Court Civil Rules, the Board or Hearing Panel may, by and through Bar Counsel, for good cause shown and supported by affidavit, require the respondent attorney to appear, together with such records or data as the Board or Hearing Panel may require, and to show cause why said respondent attorney should not be proceeded against as provided for in Rule 9.2 herein or be restrained, pendente lite, upon such terms and conditions as the Board or Hearing Panel may determine. No bond or other security or undertaking shall be required in such proceeding. Notice shall be by personal service; however, in the event that, and upon affidavit by Bar Counsel that said attorney cannot be then found, notice by mail, postage prepaid, to the last known address of said attorney on file with the Bar Association shall be deemed sufficient. The time for said notice shall be not less than 5 days. [Adopted January 21, 1975, effective February 3, 1975.]

Rule 2.6 Respondent Attorney.

Upon request, the person complaining shall furnish to the Local Administrative Committee, the bar staff, or State Bar Counsel documentary and other evidence in his or her possession and the names and addresses of witnesses, and assist in securing evidence in relation to the facts charged. [Adopted January 21, 1975, effective February 3, 1975.]

III. Disciplinary proceedings

Rule 3.1 Pleadings.

(a) **Pleadings.** The only pleadings permissible upon proceedings before a Panel are a formal complaint, a notice to answer, answer to complaint, and motions to make more definite and certain or in the alternative for a bill of particulars. Informality in the complaint or answer shall be disregarded.

(b) **Formal Complaint.** If the Board finds a hearing should be had to determine whether a violation of the rules of professional conduct has occurred, a formal complaint shall be prepared and filed in the office of the Association and proceedings shall be had thereon as hereinafter provided. The formal complaint, which need not be verified, shall set forth the particular acts or omissions of the respondent attorney in such detail as to enable him or her to know the charge against him or her and shall be signed by State Bar Counsel or the Executive Director of the Washington State Bar Association.

(1) *Prior Record a Separate Count.* Prior disciplinary proceedings and complaints against the respondent attorney, excluding dismissals after a hearing before a hearing panel, shall be made a separate count of the complaint if they indicate conduct demonstrating unfitness to practice law.

(2) *Prior Record as Professional History.* If a prior record of the respondent attorney is not made a separate count of the complaint, any prior record of censure, reprimand, suspension of further proceedings, suspension or disbarment, or any absence of such record, shall be made a part of the record prior to the recommendations of the Hearing Panel to the Board.

Rules of Court

(3) *Joinder of Charges.* The Board in its discretion may consolidate for hearing two or more charges as to the same attorney, or may join the charges as to two or more attorneys in one formal complaint.

(4) *Commencement of Proceedings.* A disciplinary proceeding shall be deemed commenced when the formal complaint has been filed in the office of the Association as provided by these rules.

The Panel chairperson shall have discretion to decide whether to permit such limited discovery and the terms or limitations thereon. In exercising such discretion the chairperson shall consider whether undue delay or expense in bringing the matter to hearing will result, and whether the interests of justice will be promoted. Any determinations or orders required under said Rules to be made by a Superior Court judge shall be made by the chairperson.

(k) **Cooperation.** It shall be the duty of an attorney who has been served with a formal complaint to respond to all lawful orders made by the chairperson of the Panel as provided in the preceding paragraph. Should such attorney fail so to do, the chairperson of the Panel shall report the same to the Board, and such failure may constitute a violation of the rules of professional conduct.

(l) **Findings, Conclusions and Recommendations.** Within 20 days after the hearing, the chairperson of the Panel shall cause findings, conclusions and recommendations to be filed with the Board. [Adopted January 21, 1975, effective February 3, 1975.]

The stipulation may be presented to the Board and the Supreme Court for approval without notice.

(a) **Form.** A stipulation for discipline shall:

(1) Set forth the material facts relating to the particular acts or omissions of the respondent attorney in such detail as to enable the Board and the Supreme Court to form an opinion as to the propriety of the discipline being agreed upon, and, if approved, to make the stipulation useful in any subsequent disciplinary proceedings against the respondent attorney;

(2) Set forth the respondent attorney's prior record of censure, reprimand, suspension or disbarment, or any absence of such record;

(3) State that the stipulation is not binding on the Association as a statement of all existing facts relating to the professional conduct of the respondent attorney,

(c) **Stipulation not Approved.** If the stipulation is not approved by the Board or the Supreme Court, as the case may be, then the stipulation shall be of no force and effect and neither it nor the fact of its execution shall be admissible in evidence in the pending disciplinary proceeding, in any subsequent disciplinary proceeding, or in any civil or criminal action. The respondent attorney shall be forthwith notified of such action in writing, by the Association's mailing notice to him at the last address filed by the attorney with the Association. A certified copy of such judgment or order shall be filed forthwith with the Board, which shall transmit such record to the Supreme Court together with advice that such member has been transferred to inactive status. The

Upon service of such a notice, the Association shall file the record of the proceeding with the Supreme Court and the rules of procedure applicable to disciplinary proceedings before the Supreme Court shall apply. The order of the Board shall remain in effect, regardless of the pendency of such appeal, unless and until reversed by the Supreme Court.

Such hearing shall be held within 30 days of the date the petition is filed, unless continued for good cause.

(d) **Reinstatement.** The petition shall be approved by the Board upon an affirmative showing by the petitioner that he or she is again able to conduct the practice of law adequately; upon approval of the petition, the petitioner shall be reinstated to active membership upon compliance with any applicable requirement for transfer from inactive to active status.

(e) **Review by the Supreme Court.** If the petition is not granted, petitioner shall be entitled to request a review by the Supreme Court. Such request shall be filed with the Association within 30 days after service upon the petitioner of a copy of the order of the Board denying the petition. Upon receipt of such request, the Association shall file the record of the proceedings with the Supreme Court and the rules of procedure applicable to disciplinary proceedings before the Supreme Court shall apply. [Adopted January 21, 1975, effective February 3, 1975.]

(a) **Proceedings Held in Abeyance.** If the respondent attorney has been or is subject to being transferred to inactive status pursuant to the provisions of Rule 4.1, all proceedings based upon a formal complaint calling for disciplinary sanctions (as distinguished from transfer to inactive status) for alleged violation of the rules of professional conduct shall be held in abeyance until such time as it shall appear that the respondent attorney is mentally capable of conducting a proper defense thereto.

(b) **Panel Determination of Incompetency.** If it shall appear to the chairperson of the Hearing Panel that there is reasonable cause to believe that the respondent attorney is incapable of conducting a proper defense to the formal complaint against him, the chairperson of the Panel shall fix a time and place for a hearing before the Panel on the sole issue of the respondent attorney's mental capacity to defend the formal complaint against him or her. It shall be the duty of the chairperson of the Panel to appoint a member of the Association as guardian ad litem for the respondent attorney in the proceeding in this subsection provided, should the respondent attorney not have counsel of his or her own choosing.

When it shall appear to the Board, upon application made by or on behalf of the respondent attorney or by bar counsel, and pursuant to the procedures set out in Rule 4.2, that such attorney is now mentally capable of conducting a proper defense to the formal complaint in question, the Board shall appoint a Hearing Panel. Thereafter a hearing on the formal complaint and proceedings thereunder shall be had as is provided by these rules in other cases. If the Board concludes the charge or charges in the formal complaint have not been sustained or, having been sustained, do not warrant suspension or disbarment, the respondent attorney shall thereupon be restored to the roll of active members of the Association. If said attorney does not so stipulate, then the proposed stay shall be null and void and the record in the matter shall be transmitted to the Supreme Court for action by the court. As a condition to the suspension of further proceedings, said Board may order the respondent attorney to pay all costs and expenses of the proceedings pursuant to Rule 7.1, to make restitution to any person who may have suffered loss or damage by reason of the disciplinary violations in question, to report periodically to, or to permit periodic inspections of the attorney's trust account and the like by, a probation officer designated by said Board under conditions specified by said Board, may order respondent attorney to submit to specified treatment for alcoholism, drug addiction, or emotional disturbance, and may order such other conditions as said Board deems appropriate to assist in the rehabilitation of the respondent attorney. An attorney suspended for 60 days or less shall similarly notify all such clients, except that such clients shall be advised to seek legal advice elsewhere if they feel they need such advice during the period of such suspension.

(b) A disbarred or suspended attorney shall promptly notify, or cause to be notified, by registered or certified mail, return receipt requested, each of his or her clients who is involved in pending litigation or administrative proceedings, and the attorney or attorneys for each adverse party (or directly to the adverse party, if not represented by counsel) in such matter or proceeding, or his or her disbarment or suspension and consequent inability to act as an attorney after the effective date of his or her disbarment or suspension. The notice to be given to the client shall advise the prompt substitution of another attorney or attorneys in his or her place. In the event the client does not obtain substitute counsel before the effective date of the disbarment or suspension, it shall be the responsibility of the disbarred or suspended attorney to move in the court or agency in which the proceeding is pending for leave to withdraw. The Presiding Judge may take such further action as he or she deems necessary.

VII. Costs

Rule 7.1 Costs and expenses. In all cases resulting in the administration of censure, reprimand, suspension or disbarment, or suspension of proceedings pursuant to Rule 5.6(i), counsel for the Association shall serve upon the respondent attorney and file in the office of the Association his or her verified statement of costs and expenses for the disciplinary proceedings to the time the Board makes its recommendation.

(a) **Costs and Expenses Defined.** The term "costs" is defined to be all sums so taxable in a civil proceeding. The term "expenses" is defined as all other obligations in money reasonably and necessarily incurred by the Association in the complete performance of its duties under these rules. Expenses shall include, by way of illustration and not of limitation, necessary expenses of Panel members, Bar Counsel, charges of expert witnesses, charges of court reporters, expenses incurred in carrying out the terms of an order suspending further proceedings pursuant to Rule 5.6(i), a reasonable attorney's fee, as well as all other direct provable expenses of the office of the Association. The Board shall recommend a reasonable attorney's fee, which fee shall not exceed the actual cost to the Association for its legal representation in the matter. The Board may waive payment of any or all costs and expenses if it deems such waiver to be in the interests of justice.

(b) **Statement of Costs and Expenses.** In all cases in which the Board determines that a censure or reprimand should be administered, the said statement of costs and expenses shall be served on the respondent attorney at the time he or she is notified of the proposed censure or reprimand, together with a statement by said Board as to the amount of said costs and expenses which it, in its discretion, deems just to assess against said respondent attorney, and if the respondent attorney accepts the censure or reprimand, the amount thereof as so determined by the Board shall be paid in accordance with Rule 7.1(e). If the respondent attorney refuses to accept the censure or reprimand, or excepts to the statement of costs and expenses, the statement of costs and expenses together with the Board's statement

Rules of Court

as to the amount thereof assessed by it against the respondent attorney, shall be made a part of the record sent to the Supreme Court, together with any exceptions thereto by the respondent attorney, which exceptions shall be filed within 10 days after the service of the statement of costs and expenses upon the respondent attorney. A verified statement of any additional costs and expenses to the Association occasioned by the proceeding in the Supreme Court shall be served upon the respondent attorney and filed with the Clerk of the Supreme Court within 10 days after the hearing in that court, and the respondent attorney shall have 10 days after such service within which to file exceptions thereto.

(c) Assessment by Supreme Court. If the Supreme Court directs such censure or reprimand, it shall, in its judgment, fix the amount of the costs and expenses to be paid by the respondent attorney as it shall deem just, together with the terms and conditions of the payment thereof.

(d) Assessment Upon Suspension or Disbarment. In all cases in which the Board recommends suspension or disbarment, the said statement of costs and expenses together with a statement by said board as to the amount of said costs and expenses which it, in its discretion, deems just to assess against said respondent attorney shall be served on the respondent attorney at the time he is notified of the recommendation of the Board, and it shall be made a part of the record sent to the Clerk of the Supreme Court, together with any exceptions thereto by the respondent attorney, which exceptions shall be filed within 10 days after the service of the statement of costs and expenses upon the respondent attorney.

(e) Payment of Costs and Expenses. In all cases of censure or reprimand, the respondent attorney shall pay the assessed costs and expenses within 30 days or such other longer period of time as is determined by the Board under Rule 7.1(b) or Rule 7.1(c). Should the respondent attorney fail to pay the costs and expenses as herein provided, such failure shall be grounds for suspension and the Association may move the Supreme Court for an order suspending said attorney from the practice of law until said costs and expenses are paid.

(f) Assessment Upon Dismissal of Charges. In all cases in which the Board dismisses the charges against a respondent attorney following a hearing upon the charges, the Board shall fix the amount of said attorney's costs and expenses which the Board, in its discretion, deems just to assess against the Association, which sum shall be paid by the Association within 30 days of the entry of such order. [Adopted January 21, 1975, effective February 3, 1975.]

shall be served upon the adverse party and filed with the Clerk of the Supreme Court within 10 days after the hearing in that court.

(b) Exceptions. The parties shall have 10 days after such service within which to file exceptions thereto.

(c) Determination of Costs. The judgment of the Supreme Court, in any such disciplinary proceedings, shall fix the amount of the costs and expenses to be paid by the parties as it shall deem just. [Adopted January 21, 1975, effective February 3, 1975.]

If an attorney has been disbarred solely because of his conviction of a crime involving moral turpitude pursuant to Rule 1.1(a), and said conviction is later reversed and said charges are dismissed on their merits, the Supreme Court may in its discretion, upon application by said attorney, enter an order reinstating the attorney to active status.

(b) Costs. No disbarred attorney may file a petition for reinstatement until the amount of the costs and expenses fixed pursuant to these rules has been fully paid. [Adopted January 21, 1975, effective February 3, 1975.]

(b) **Disposition of Recommendation.** The recommendation of the Board of Governors shall be served upon the petitioner, and, together with the record in connection therewith, shall be transmitted to the Supreme Court for disposition. [Adopted January 21, 1975, effective February 3, 1975.]

(b) **Petition Denied.** If the petition for reinstatement is denied, the examination and admission fee shall be refunded to the petitioner. [Adopted January 21, 1975, effective February 3, 1975.]

IX. Suspension

Rule 9.1 Suspension for conviction of a felony.

(a) **Suspension Automatic.** An attorney shall be automatically suspended from the practice of law upon his conviction of a felony under either state or federal law, whether such conviction be after a plea of guilty, nolo contendere, not guilty, or otherwise, and regardless of the pendency of an appeal, and upon the filing of a certified copy of such conviction with the Supreme Court. Provided, however, that the Board may recommend to the Supreme Court for final disposition the prevention or termination of the suspension if such Board affirmatively finds that moral turpitude was not in fact an element of the crime of which the attorney was convicted, or if the Board affirmatively finds that there is other good cause for preventing or terminating such suspension. Suspension in this manner shall not be a substitute or alternative for disciplinary proceedings against said attorney, but such proceedings shall be commenced by the Board upon said conviction, or prior thereto if reasonable cause therefor exists, and shall proceed without regard to said suspension.

(b) **Duration of Suspension.** When an attorney is suspended upon conviction of a felony as provided in this rule the duration of such suspension shall not exceed final disposition of the disciplinary proceedings commenced against said attorney. (c) **Petition for Reinstatement.** A petition for reinstatement after automatic suspension for conviction of a felony pending completion of disciplinary proceedings shall be in writing and verified by the petitioner and filed with the Board. The petition shall set forth the age, residence and address of the petitioner, the date of the conviction, and a concise statement of facts claimed to justify reinstatement pending completion of the disciplinary proceedings. The petition shall be accompanied by the application for admission and the total fees required of an attorney applicant under the Admission to Practice Rules.

(d) **Investigation.** In its discretion the Board may refer the petition for reinstatement for investigation and report to the proper Local Administrative Committee, State Bar Counsel, or to such other person or persons as may be determined by the Board.

(e) **Notice of Hearing.** The Board shall fix a time and place for hearing of the petition by the Board and shall serve notice thereof 10 days prior to the hearing upon the petitioner and upon such persons as may be ordered by such Board.

(f) **Requirements and Procedures.** Such petition for reinstatement shall be recommended to the Supreme Court only upon affirmative showing to the satisfaction of the Board that the petitioner possesses the qualifications and meets the requirements as set forth in Rule 3B

Rules of Court

of the Admission to Practice Rules, excepting subsections 6, 7, 8 and 9 thereof, and that his or her reinstatement will not be detrimental to the integrity and standing of the Bar and the administration of justice, or be contrary to the public interest.

(g) **Granting or Denial of the Petition by the Supreme Court.** The Board shall keep a record of the hearing upon the petition for reinstatement and shall make and file its findings, conclusions and recommendation thereon with the Supreme Court for final disposition. Rule 9.2 Suspension during pendency of disciplinary proceedings.

(a) **Court May Suspend.** At any time after institution of a disciplinary proceeding under Rule 3.1, where it appears that a continuation of the practice of law by the attorney during the pendency of the disciplinary proceedings will result in substantial risk of injury to the public, the Association, on recommendation of the Board (with no more than two members dissenting,) may petition the Supreme Court for an order suspending the respondent attorney during the pendency of the disciplinary proceedings. If the court, finds a continuation of practice by the attorney will result in substantial risk of injury to the public, it may enter an order suspending such attorney from the practice of law. Such suspension shall not continue beyond the conclusion of the disciplinary proceedings.

(b) **Petition and Notice to Answer.** The petition to the Supreme Court under this rule shall set forth the acts or omissions of the respondent attorney contained in the pending complaint, together with such other facts as may constitute grounds for suspension pending disciplinary proceedings. The petition may be supported by documents or affidavits. An order to show cause to be signed by the Chief Justice of the Supreme Court shall be issued thereon requiring the respondent attorney to be and appear before the Supreme Court on that court's first motion day following the expiration of 7 calendar days after the date on which such show cause order was signed, or on such other date as the Chief Justice may set, then and there to show cause why the prayer of the Petition for Suspension Pending Disciplinary Proceedings should not be granted.

(c) **Service.** Service of the petition and order to show cause shall be by service of a certified copy of such order to show cause and an uncertified copy of such petition served in the manner provided in Rule 3.1(f)(1) at least 5 calendar days before the scheduled show cause hearing.

(d) **Answer to Petition.** The answer may contain additional facts relating only to the issue of substantial risk of injury to the public, shall be verified by respondent or respondent's counsel, and may be supported by documents or affidavits. The answer shall be filed with the Clerk of the Supreme Court at least 3 days before the scheduled show cause hearing. For good cause shown, the Chief Justice may extend the time for answer.

The party upon whom the interrogatories have been served shall serve a copy of the answers, and objections if any, within 20 days after the service of the interrogatories, except that a defendant may serve answers or objections within 40 days after service of the summons and complaint upon that defendant. The parties may stipulate or the party submitting the interrogatories may move for an order under Rule 37(a) with respect to any objection to or other failure to answer an interrogatory.

(b) **Scope; Use at Trial.** Interrogatories may relate to any matters which can be inquired into under Rule 26(b), and the answers may be used to the extent permitted by the rules of evidence.

An interrogatory otherwise proper is not necessarily objectionable merely because an answer to the interrogatory involves an opinion or contention that relates to fact or the application of law to fact, but the court may order that such an interrogatory need not be answered until after designated discovery has been completed or until a pretrial conference or other later time.

(c) **Option to Produce Business Records.** Where the answer to an interrogatory may be derived or ascertained from the business records of the party upon whom the interrogatory has been served or from an examination, audit or inspection of such business records, or from a compilation, abstract or summary based thereon, and the burden of deriving or ascertaining the answer is substantially the same for the party serving the interrogatory as for the party served, it is sufficient answer to such interrogatory to specify the records from which the answer may be derived or ascertained and to afford to the party serving the interrogatory reasonable opportunity to examine, audit or inspect such records and to make copies, compilations, abstracts or summaries. [Adopted May 5, 1967, amended May 26, 1972, effective July 1, 1972. Prior: RPPP Rule 33.]

Amending Rule 82 Venue [Subd. (c) adopted March 4, 1975, effective July 1, 1975.]

(c) **Change of Venue—Fees.** Any fees or costs required to be paid by a party pursuant to RCW 4.12.090 shall be paid to the clerk of the county from which the case is being transferred by check or money order made payable to the clerk of the county to which the case is being transferred.

Reviser's note: 1975 1st ex.s. c 260 § 9A.92.010 (232) repeals "Section 4, chapter 241, Laws of 1955 and RCW 9.94.060". These citations do not match because section 4, chapter 241, Laws of 1955 is codified

as RCW 9.94.040 whereas RCW 9.94.060 derives from section 6 of the 1955 law. Since the repealer contained in earlier drafts of the Washington criminal code matched section 6 with RCW 9.94.060 and since the subject matter of RCW 9.94.060 appears to be comprehensively treated in chapter 9A.76 RCW of the new code, it would seem that the repeal of RCW 9.94.060 was intended, and that the correlative reference to section 4 of the 1955 law is erroneous.
