In arriving at this amount current taxes only may be counted for the purpose of offsetting outstanding warrants, unless the use of delinquent taxes is approved by the reviewing committee. No district of any class shall be permitted to increase its yearly budget during the biennium from July 1, 1933, to June 30, 1935, over the amount of its budget for the school year ending June 30, 1932, excepting in an amount sufficient to care for increased attendance, and/or to pay off any warrant indebtedness outstanding at the close of the previous school year. The pupil miles credited to the district each day shall equal the actual number of pupils transported times the mileage of one regular round trip of the conveyance: *Provided*, That no reimbursement shall be given for pupils living within two miles of the school building by the ordinary traveled route: *Provided, further*, That the total reimbursement to any school district shall be limited to fifty per cent of that district's total transportation costs on approved routes.
