CHAPTER 47  
[Senate Bill No. 203]  
FOREST LANDS--RECONVEYANCE  
FOR COUNTY PARK PURPOSES

AN ACT Relating to public use of forest lands owned and held by the state of Washington.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Section 1. Whenever the board of county commissioners of any county shall determine that forest lands, that were acquired from such county by the state pursuant to RCW 76.12.030 and that are under the administration of the department of natural resources, are needed by the county for public park use in accordance with the county and the state outdoor recreation plans, the board of county commissioners may file an application with the board of natural resources for the transfer of such forest lands.

Upon the filing of an application by the board of county commissioners, the department of natural resources shall cause notice of the impending transfer to be given in the manner provided by RCW 42.32-.010. If the department of natural resources determines that the proposed use is in accordance with the state outdoor recreation plan, it shall reconvey said forest lands to the requesting county to have and to hold for so long as the forest lands are developed, maintained, and used for the proposed public park purpose. This reconveyance may contain conditions to allow the department of natural resources to coordinate the management of any adjacent state owned lands with the proposed park activity to encourage maximum multiple use management and may reserve rights of way needed to manage other state owned lands in the area. The application shall be denied if the department of natural re-

sources finds that the proposed use is not in accord with the state outdoor recreation plan. If the land is not, or ceases to be, used for public park purposes the land shall be conveyed back to the department of natural resources upon request of the department.

NEW SECTION. Sec. 2. The timber resources on any such state forest land transferred to the counties under section 1 of this act shall be managed by the department of natural resources to the extent that this is consistent with park purposes and meets with the approval of the board of county commissioners. Whenever the department of natural resources does manage the timber resources of such lands, it will do so in accordance with the general statutes relative to the management of all other state forest lands.

NEW SECTION. Sec. 3. Under provisions mutually agreeable to the board of county commissioners and the board of natural resources, lands approved for transfer to a county for public park purposes under the provisions of section 1 of this act shall be transferred to the county by deed.

NEW SECTION. Sec. 4. The provisions of this act shall be cumulative and nonexclusive and shall not repeal any other related statutory procedure established by law.
