Be it enacted by the Legislature of the State of Washington:

Section 1. Section 15, chapter 15, Laws of 1970 ex. sess. as last amended by section 1, chapter 282, Laws of 1981 and RCW 28A.48.010 are each amended to read as follows:

On or before the last business day of September 1969 and each month thereafter, the superintendent of public instruction shall apportion from the state general fund to the several educational service districts of the state the proportional share of the total annual amount due and apportionable to such educational service districts for the school districts thereof as follows:

September	9%
October	9%
November	5.5%
December	9%

January	9%
February	9%
March	9%
April	9%
May	5.5%
June	((7.0%)) 6.0%
July	((9.5%)) 10.0%
August	((9.5%)) 10.0%

The annual amount due and apportionable shall be the amount apportionable for all apportionment credits estimated to accrue to the schools during the apportionment year beginning September first and continuing through August thirty-first. Appropriations made for school districts for each year of a biennium shall be apportioned according to the schedule set forth in this section for the fiscal year starting September 1st of the then calendar year and ending August 31st of the next calendar year. The apportionment from the state general fund for each month shall be an amount which will equal the amount due and apportionable to the several educational service districts during such month: **PROVIDED**, That any school district may petition the superintendent of public instruction for an emergency advance of funds which may become apportionable to it but not to exceed ten percent of the total amount to become due and apportionable during the school districts apportionment year. The superintendent of public instruction shall determine if the emergency warrants such advance and if the funds are available therefor. If he determines in the affirmative, he may approve such advance and, at the same time, add such an amount to the apportionment for the educational service district in which the school district is located: **PROVIDED**, That the emergency advance of funds and the interest earned by school districts on the investment of temporary cash surpluses resulting from obtaining such advance of state funds shall be deducted by the superintendent of public instruction from the remaining amount apportionable to said districts during that apportionment year in which the funds are advanced.

NEW SECTION. Sec. 2. For the 1982-83 school year, one-half of the September, October, March, and April payments under RCW 28A.48.010 shall be made on the last business day of the respective month and the remainder on the fifteenth day of the following month. Interest shall be paid on the amounts deferred under this section at the rate for state interfund loans as established by the state finance committee.

NEW SECTION. Sec. 3. There is added to chapter 340, Laws of 1981 a new section to read as follows:

The superintendent of public instruction shall allow local school districts, upon request, to defer up to four percent of the funds provided by section 87, chapter 340, Laws of 1981, as now existing or hereafter amended, for the 1981-82 school year to the 1982-83 school year. For the purposes of the 1982 maximum qualification calculation under RCW 84.52.0531, the 1981-82 basic education allocation shall exclude such deferred funds. Any funds received in the 1982-83 school year pursuant to this section shall not be included in the calculation of the 1984 levy lid pursuant to RCW 84.52.0531. Local school districts shall receive the full amount deferred under this section with the June, 1983 apportionment.

NEW SECTION. Sec. 4. There is hereby appropriated from the general fund to the superintendent of public instruction for the biennium ending June 30, 1983, two million two hundred thousand dollars, or so much thereof as may be necessary, solely for the purposes of paying interest costs associated with section 2 of this act.

NEW SECTION. Sec. 5. Section 3 of this act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.
