Total Appropriation . . . . .	\$	<del>((627,392,000))</del>
		<u>622,066,000</u>

The appropriations in this section are subject to the following conditions and limitations:

(1) \$20,000,000 is provided solely for implementation of the consolidated emergency assistance program to provide specifically directed cash or in-kind benefits to meet the specific emergent need(s) of the applicant. Aid may be provided for up to two months in any consecutive twelve-month period to low-income families with children who are ineligible for other state or federal assistance. It is the intent of the legislature that eligibility requirements shall be stricter than AFDC requirements. The department of social and health services shall immediately apply for waivers under Title XI, section 1115 of the federal social security act to allow federal matching funds to be used for the consolidated emergency assistance program as provided for in this section and in chapter 74.04 RCW (Senate Bill No. 4299).

(2) \$45,282,000 of the general fund—state appropriation is provided solely for income maintenance grants for the general assistance—unemployable program.

(3) The department of social and health services shall immediately evaluate federal proposals which are presently legal options to the states and implement those which are found to be cost-effective. In addition, the department shall seek waivers for any specific federal proposals which are cost-effective and are not now authorized. When waivers are obtained,

changes shall be implemented. The department of social and health services shall provide proper notification, in accordance with state and federal laws and regulations, of any changes that are implemented. Furthermore, the department of social and health services shall draft rules to implement enacted changes to Title IV-A of the federal social security act prior to the issuance of federal regulations in order to avoid overexpenditure of state funds.

(4) The department of social and health services shall submit a report no later than November 2, 1981, to the committees on ways and means, social and health services, and human services of the senate and house of representatives detailing the implementation schedule and fiscal and program impact of these changes.

(5) It is the assumption of the legislature that the appropriations in this section initially provide:

- (a) \$44,220,000 from federal funds for energy assistance;
- (b) \$61,220,000 from federal funds for Indochinese refugees;
- (c) \$20,000,000 from the state general fund for the consolidated emergency assistance program;
- (d) \$453,334,000 (including \$219,086,000 from the state general fund) for aid to families with dependent children, with a caseload assumption for fiscal year 1982 of 59,890 cases and a caseload assumption for fiscal year 1983 of 61,797 cases;
- (e) \$31,103,000 from the state general fund for the supplemental security income state supplement;
- (f) \$53,428,000 from the state general fund for general assistance, with a caseload assumption for fiscal year 1982 of 9,075 cases and a caseload assumption for fiscal year 1983 of 9,692 cases;
- (g) \$2,034,000 from the state general fund for supplemental security income—additional requirements;
- (h) \$2,116,000 from the state general fund for burial assistance;
- (i) \$2,361,000 (including \$1,475,000 from the state general fund) for employment and training day-care; and
- (j) \$2,468,000 (including \$247,000 from the state general fund) for work incentive payments.

Sec. 37. Section 54, chapter 340, Laws of 1981 as last amended by section 44, chapter 50, Laws of 1982 1st ex. sess. (uncodified) is amended to read as follows:

(3) ~~\$(13,840,000))~~ 13,714,000 of the general fund—state appropriation is provided solely for implementation of the senior citizens services act. At least 7.0% of these funds shall be used to develop and implement programs which utilize volunteer workers for the provision of chore services to persons whose need for chore services is not being met by the state chore service program.

(4) ~~\$(1,148,000))~~ 1,098,000 of the general fund—state appropriation is provided solely for the victims of domestic violence program.

(5) ~~\$(833,000))~~ 783,000 of the general fund—state appropriation, or so much thereof as may be necessary, is provided solely for the migrant day-care program.

(6) \$40,000 of the general fund—state appropriation in this subsection is provided solely to complete the child abuse demonstration project directed by RCW 74.13.200.

(7) \$600,000 is provided solely for a cost-shared day care program which serves low-income employed parents throughout the remainder of the biennium within the funds provided in this subsection.

(8) It is the assumption of the legislature that the appropriations in this section initially provide:

(a) \$15,851,000 (including \$11,559,000 from the state general fund) for alcoholism grants;

(b) \$5,475,000 (including \$4,590,000 from the state general fund) for detoxification;

(c) \$9,558,000 (including \$3,545,000 from the state general fund) for substance abuse grants;

(d) \$2,500,000 from federal funds for Indochinese refugees;

(e) \$17,642,000 from federal funds for aging services under Title III of the federal older Americans act;

(f) \$14,960,000 from the state general fund for the senior citizens services act;

(g) \$4,482,000 (including \$2,275,000 from the state general fund) for crisis residential centers;

(h) \$28,887,000 from the state general fund for congregate care facilities;

(i) \$45,072,000 (including \$38,120,000 from the state general fund) for foster care payments, with a caseload assumption of 5,433 for fiscal year 1982 and a caseload assumption of 5,327 for fiscal year 1983;

(j) \$8,931,000 (including \$1,758,000 from the state general fund) for child care payments;

(k) \$4,816,000 (including \$4,372,000 from the state general fund) for adoption support;

(l) \$43,698,000 (including \$24,132,000 from the state general fund) for chore services;

(m) \$1,148,000 from the state general fund for victims of domestic violence;

(n) \$831,000 (including \$150,000 from the state general fund) for adult day care;

(o) \$2,537,000 (including \$634,000 from the state general fund) for crisis intervention services;

(p) \$1,200,000 from the state general fund for adult family homes; and

Total Appropriation . . . . .	\$	((465,300,000))
		<u>450,490,000</u>

The appropriations in this section are subject to the following conditions or limitations:

(1) \$43,999,000 of the general fund—state appropriation is provided solely for the medical care of individuals not eligible for categorical assistance. Eligibility standards and scope of service shall be determined by the department of social and health services.

(2) \$34,146,000 of the general fund—state appropriation is provided solely for the medical component of the general assistance—unemployable program.

(3) The legislature supports efforts to maximize the cost benefits of pre-paid risk-sharing contracts in the provision of medical services through health maintenance organizations (HMOs) and individual practice associations (IPAs). The department is directed to seek increased participation of recipients enrolled in these programs. The legislature further supports the use of a hospital reimbursement system based on prospectively established rates. The department shall cooperate with the hospital commission in determining the possible savings to the state of using such a system.

(4) The department of social and health services shall establish by rule a system to insure that these funds are not expended to cover persons who are already covered by private or public programs.

(5) \$7,700,000 of the general fund—state appropriation is provided solely to lower the deductible for medically indigent persons from \$1,500 per year to \$500 per year, effective April 1, 1982.

		<u>97,807,000</u>

The appropriations in this section are subject to the following conditions and limitations:

(1) \$3,187,000 of the general fund—state appropriation is provided solely for the integrated systems development project. This project shall include among its top priorities the development of a method for the identification of common client information and the tracking of clients through all human service programs provided by the department of social and health services. This project is subject to the following conditions:

(a) By October 1, 1982, the department of social and health services shall make reports available to the legislature that analyze client, service delivery, and service cost data across systems containing common client identifier information, including but not limited to Social Service Payment Systems, Medicaid Management Information Systems, and the Interactive Terminal Input Systems/Client Financial Systems.

(b) \$686,000 of this sum shall be used to: (i) Establish a centralized data administration function; (ii) enhance and establish centralized data security and privacy controls; and (iii) implement a comprehensive data system methodology. By October 1, 1982, the department shall submit a report to the legislature that includes: (i) Plans for including each client, service cost, and service delivery information system in the department's data dictionary; (ii) an approach for unique identifications of individual service recipients, service recipient households, and service recipient families, and for the incorporation of such in each client, service cost, and service delivery information system; and (iii) plans for extracting data from those systems which include unduplicated recipient counts and service histories.

(c) These systems shall meet the following criteria: (i) Contain client, service cost, service delivery, or financial data; and (ii) lend themselves to rapid, flexible, and efficient data extraction and report generation. Those systems containing client information should include unique identifiers of individual recipients, recipient families, and recipient households with confidentiality of patient information and records as provided by state and federal law.

(d) A high priority of projects funded with this appropriation is the mental health information system for institutions and community mental health. This project shall be developed and completed during the 1981-83 biennium.

(2) In addition to any other reporting requirements, the department of social and health services shall report in writing to the committees on ways and means of the senate and house of representatives not later than January 15, 1982, and January 14, 1983, on actions taken to implement the conditions and limitations provided in sections 47 through 60 of this act and on the funds expended in support of each condition or limitation. If a department of corrections is created, it shall provide any reports required under this subsection for the conditions and limitations established in sections 47 and 48 of this act.

(3) The department of social and health services shall perform ongoing random samplings of those individuals affected by the elimination and/or reduction of public assistance programs and chore services as required by this budget. This study shall include the detailing of the following impacts: (a) The extent to which individuals are institutionalized as the result of loss of assistance or service; (b) the number of individuals who were able to find assistance from private sources to meet basic needs; (c) the number of individuals who became enrolled in another state or locally funded program: PROVIDED, That the department shall make regular reports to the legislature detailing the progress of the projects done under the authority of this section.

(4) The secretary of social and health services may transfer up to seven million dollars of general fund—state appropriations into this program from sections 49, 50, 51, 52, 53, 54, 55, 56, 57, and 59 of chapter 340, Laws of 1981, as amended, as savings occur in those programs.

Sec. 42. Section 59, chapter 340, Laws of 1981 as last amended by section 48, chapter 50, Laws of 1982 1st ex. sess. (uncodified) is amended to read as follows:

The appropriations in this section are subject to the following conditions and limitations:

(1) \$40,000 of the general fund—state appropriation is provided solely for City Fair—Seattle.

(2) In anticipation of significant reductions in federal support, the agency shall prepare a contingency expenditure plan which adjusts the allotments to reflect the anticipated loss of federal funds and required state matching funds. This contingency plan shall include necessary program changes and a redefinition of services. As a result of any loss of federal funds, subsequent state matching funds shall be placed in reserve. The contingency plan shall be transmitted to the legislature upon completion.

(3) A maximum of \$1,132,000 of the general fund—state appropriation is provided for the Mt. St. Helens Zone Enforcement/Assistance Project to expedite a coordinated three-county response to an emergency generated by tourist and public response to Mt. St. Helens volcano activity and/or disaster.

(4) \$107,000 of the general fund—state appropriation is provided solely for additional state support to continue the federally funded Section 8 low-income housing program.

The appropriations in this section are subject to the following conditions and limitations:

(1) On or before October 1, 1981, the department of ecology shall file with the committees on ways and means of the senate and house of representatives a master compilation by project type of those projects proposed for funding during the 1981-83 biennium from the appropriations for waste disposal facilities and water supply facilities. A separate compilation shall be supplied for each referendum bond issue. The department shall submit updates for the master compilation to the committees on ways and means at six-month intervals during the 1981-83 biennium. The updates shall reflect project completions, deletions, substitutions, or additions made during the course of administering the projects. If the department proposes to change or modify any project list on the master compilation, it shall give the committees on ways and means thirty days' written notice of the change or modification prior to the expenditure or obligation of any funds appropriated by this section. The department shall immediately inform the committees of significant changes from historic federal funding levels for waste disposal facilities and water supply facilities.

(2) The appropriation from the state and local improvements revolving account—water supply facilities (Referendum 27) may be expended to pay up to 50% of the eligible cost of any project, as a grant or loan or combination thereof. Also, the department may lend up to 100% of the eligible costs of preconstruction activities and the department may provide up to 100% of the costs necessary to meet the conditions required to receive federal funds.

(3) The appropriation from the state and local improvements revolving account—waste disposal facilities (Referendum 26) may be expended by the department to pay for up to 50% of the eligible cost of any project, as a grant or up to 100% as a loan or combination thereof, for waste water treatment or disposal, agricultural pollution, lake rehabilitation, or solid waste management facilities. The department is authorized to provide up to 100% of the costs necessary to meet the conditions required to receive federal funds.

(4) The appropriation from the state and local improvements revolving account—waste disposal facilities 1980 (Referendum 39) may be expended by the department to pay up to 75% of the eligible cost of any project as a grant or up to 100% as a loan, or combination thereof, for waste water treatment or disposal, agricultural pollution, lake rehabilitation, or solid waste management facilities. The department is authorized to provide up to 100% of the costs necessary to meet the conditions required to receive federal funds.

(5) \$130,000 of the general fund—state appropriation is provided solely to augment current department planned expenditures for the assessment of sources of, and abatement programs for, toxic substances in Commencement Bay and its waterways. Of that amount:

(a) \$90,000 is for field and laboratory studies and activities needed for determining the source or sources of toxic substances in Commencement Bay and its waterways; and

(b) \$40,000 is for collecting and analyzing samples of sediments from any deep water portions of Commencement Bay that have been utilized for waste disposal sites, for the purpose of identifying the nature and extent of the wastes deposited.

(6) \$1,306,000 of the general fund—state appropriation is provided solely for the vehicle emission inspection program.

General Fund Appropriation . . . . .	\$	((990,000))
		<u>978,000</u>

Sec. 66. Section 83, chapter 50, Laws of 1982 1st ex. sess. (uncodified) is amended to read as follows:

The superintendent of public instruction shall achieve a reduction of \$((15,674,000)) 55,060,000 in the total disbursements of state general fund moneys to local school districts for the 1982-1983 ((school)) state fiscal year for those programs under sections 72 (basic education), 74 (salary and compensation increase), 75 (pupil transportation), 76 (vocational-technical institutes), 77 (food service), 78 (handicapped costs), 80 (block grants), and 81 (institutional education) of ((this 1982 act)) chapter 50, Laws of 1982 1st ex. sess. This reduction approximates a ((0.5%)) 1.75% biennial reduction in the state general fund appropriation for disbursement to each local school district. It is the intent that such reductions shall be allocated on the

basis of the apportionment schedule as provided in RCW 28A.48.010. The legislature recognizes that local school districts are best prepared to identify their own individual local needs and priorities. Local school districts require maximum flexibility in prioritizing and providing for those programs that best meet their local needs. By December 1, 1982, each local school district shall inform the superintendent of public instruction of those programs for which entitled disbursements shall be reduced for that district, and the amount of the reductions. After December 1, 1982, for any local school district which fails to comply with this section, the superintendent shall reduce all disbursements as necessary to carry out the purposes of this section. By January 15, 1983, the superintendent of public instruction shall submit a report to the legislature describing the reductions achieved under this section.

Sec. 67. Section 4, chapter 33, Laws of 1982 1st ex. sess. (uncodified) is amended to read as follows:

There is hereby appropriated for the biennium ending June 30, 1983, the sum of (~~twenty-five~~) twenty-four thousand dollars, or so much thereof as may be necessary, from the state general fund: PROVIDED, That up to an additional (~~one hundred~~) ninety-eight thousand dollars from the state general fund may be expended if each dollar is matched by funds from private sources, to be used by the committee for the purpose of carrying out the provisions of sections 1 through 3 of this act. Upon completion of the study, any residual general fund state funds shall revert to the general fund.

Sec. 68. Section 107, chapter 340, Laws of 1981 as last amended by section 84, chapter 50, Laws of 1982 1st ex. sess. (uncodified) is amended to read as follows:

FOR THE STATE BOARD FOR COMMUNITY COLLEGE EDUCATION

		<u>363,351,000</u>
General Fund Appropriation—Federal . . . . .	\$	271,000
Total Appropriation . . . . .	\$	( <del>371,111,000</del> )
		<u>363,622,000</u>

The appropriations in this section are subject to the following conditions and limitations:

- (1) A maximum of \$2,608,000 may be spent for the small school adjustment to Whatcom, Olympia Technical, Big Bend, Peninsula, Grays Harbor, Wenatchee Valley, Centralia, Lower Columbia, and Walla Walla Community Colleges. The distribution of such funds shall be based on a percent of formula entitlement for faculty staffing which shall be increased at the rate of one percentage point above the 71.0% base level for each 100 full time equivalent students below the 2,500 full time equivalent student

enrollment level, except that no community college shall be funded in excess of 86.0% of formula.

(2) At least \$227,291 shall be expended for the purchase and maintenance of equipment to access the higher education personnel payroll system.

(3) In making reductions in funds, no reductions shall be made affecting tuition waivers for the parenting education program.

(4) It is the intent of the legislature that instructional and student services related allotments not be transferred to administrative programs. Therefore, a maximum of \$71,854,988 of the state general fund appropriation may be expended on the primary support (04) and institutional support (08) programs.

(5) (a) For purposes of the 1983-85 budget development, enrollments which are attributable to ungraded courses, excluding adult basic education, for which operating fees are waived in whole or part shall be reduced by a percentage calculated by dividing the waived operating fees by the total operating fees and multiplying by twenty-three percent.

(b) As used in this subsection (5):

(i) "Waived operating fees" means the operating fees waived for an enrollment under RCW 28B.15.502(4); and

(ii) "Total operating fees" means the operating fees which would have been paid for an enrollment if no waiver had been granted.
