

A black and white photograph of the Washington State Capitol building. The building's classical architecture, featuring a prominent pediment and columns, is the central focus. In the foreground, several evergreen trees are silhouetted against the lighter background of the building and sky. The overall composition is vertical, with the building's lines leading the eye upwards.

Legislative Hotline

A toll-free "hotline" number is provided so that constituents across the state can leave a message for their legislator.

Hotline hours are from 8 a.m. to 8 p.m., Monday through Friday (during session only). If either house is in session on Saturday or Sunday, the hotline office will be open for several hours during the time they are in session.

Hotline operators respond to inquiries about the status of bills, bill requests and committee meetings. They also have access to common terminals. The messages which are taken by the hotline operators are delivered to the members' offices immediately by computer electronic mail.
