

A black and white photograph of the interior of the Washington State Capitol building. The image captures a grand, multi-level space with a prominent arched window at the top. Below the window is a balcony with a decorative railing. The architecture features classical elements like columns and arches. The floor is patterned, and there are stanchions with ropes in the foreground. The overall atmosphere is one of historical grandeur.

Legislative Hotline & ADA Information

Legislative Hotline

A toll-free "hotline" number is provided so that constituents across the state can leave a message for their legislator. Hotline hours are from 8 a.m. to 8 p.m., Monday through Friday (during session only). If either house is in session on Saturday or Sunday, the hotline office will be open for several hours during the time they are in session. Hotline operators respond to inquiries about the status of bills, bill requests and committee meetings. They also have access to common terminals. The messages which are taken by the hotline operators are delivered to the members' offices immediately by computer electronic mail.
