SECOND SUBSTITUTE HOUSE BILL NO. 1052, having received the necessary constitutional majority, was declared passed.

HOUSE BILL NO. 1311, by Representatives Kirby, Bailey, Morrell, Sullivan, Kenney, Simpson and Nelson

Regulating reverse mortgage lending practices.

The bill was read the second time.

Representative Kirby moved the adoption of amendment (046):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "FHA-approved reverse mortgage" means a "home equity conversion mortgage" or other reverse mortgage product guaranteed or insured by the federal department of housing and urban development.

(2) "Owner-occupied residence" is the borrower's residence and includes a life estate property the legal title for which is held in the name of the borrower in a reverse mortgage transaction or in the name of a trust, provided the occupant of the property is the beneficiary of that trust.

(3) "Proprietary reverse mortgage loan" is any reverse mortgage loan product that is not a home equity conversion mortgage loan or other federally guaranteed or insured loan.

(4) "Reverse mortgage broker or lender" means a licensee under the Washington state consumer loan act, chapter 31.04 RCW, or a person exempt from licensing pursuant to federal law.

(5) "Reverse mortgage loan" means a nonrecourse consumer credit obligation in which:

(a) A mortgage, deed of trust, or equivalent consensual security interest securing one or more advances is created in the borrower's dwelling;

(b) Any principal, interest, or shared appreciation or equity is due and payable, other than in the case of default, only after:

(i) The consumer dies;

(ii) The dwelling is transferred; or

(iii) The consumer ceases to occupy the dwelling as a dwelling; and

(c) The broker or lender is licensed under Washington state law or exempt from licensing under federal law.

NEW SECTION. Sec. 2. (1) For purposes of sections 1 through 9 of this act, in addition to any other requirements, licensees must comply with the following requirements before offering proprietary reverse mortgage loans:

(a) Maintain an irrevocable standby letter of credit approved by the director from a financial institution approved by the director in favor of the licensee in an amount necessary to fund all reverse mortgage loan requirements anticipated over the next twelve months for loans then on the licensee's books and those expected to be made over the next twelve months or three million dollars, whichever is greater. The initial term of the letter of credit must be at least two years.

(b) The financial institution that provides the letter of credit as required in (a) of this subsection may not be affiliated with the licensee.

(c) A licensee with a rating of either 4A1 or 5A1 from Dun & Bradstreet credit services for three consecutive years is exempt from the requirements set forth in (a) of this subsection.

(2) The licensee shall maintain a minimum capital of ten million dollars.

(3) A licensee may rely on the capital of its parent to satisfy the requirement of subsection (2) of this section. However, for any year in which a licensee seeks to so rely, it shall provide to the director a certified financial statement of the parent showing a net worth of at least one hundred million dollars as of the close of its most recent fiscal year and a binding written commitment from the parent to the licensee to make a minimum of ten million dollars available to the licensee as a capital contribution in connection with its reverse mortgage lending program.

(4) Subsections (2) and (3) of this section do not apply to a licensee that:

(a) Only originates proprietary reverse mortgage loans the proceeds of which are fully disbursed at the loan closing; or

(b) Only originates proprietary reverse mortgage loans that are sold into the secondary market to an investor with either a 4A1 or 5A1 rating from Dun & Bradstreet credit services. A licensee that makes such a sale shall obtain a written commitment to purchase the loans from the investor prior to closing and shall arrange for the delivery of the loans to the investor within ten days of the loan closing.

NEW SECTION. Sec. 3. The department of financial institutions has specific authority to develop rules regarding the interpretation and implementation of this section. A proprietary

reverse mortgage loan must comply with all of the following requirements:

(1) For the purposes of this section prepayment, in whole or in part, or the refinancing of a reverse mortgage loan, is permitted without penalty at any time during the term of the reverse mortgage loan. For the purposes of this section, penalty does not include any fees, payments, or other charges, not including interest, that would have otherwise been due upon the reverse mortgage being due and payable. However, when a reverse mortgage lender has paid or waived all of the usual fees or costs associated with a reverse mortgage loan, a prepayment penalty may be imposed, provided the penalty does not exceed the total amount of the usual fees or costs that were initially absorbed or waived by the reverse mortgage lender. A mortgagee may not impose a prepayment penalty under this subsection if the prepayment is caused by the occurrence of the death of the borrowers. A borrower must be provided prior written notice of any permissible prepayment penalty under this section;

(2) A reverse mortgage loan may provide for a fixed or adjustable interest rate or combination thereof, including compound interest, and may also provide for interest that is contingent on the value of the property upon execution of the loan or at maturity, or on changes in value between closing and maturity;

(3) The lender shall pay a late charge to the borrower for any late advance. If the lender does not mail or electronically transfer a scheduled monthly advance to the borrower on the first business day of the month, or within five business days of the date the lender receives the request, or such other regularly scheduled contractual date, the late charge is ten percent of the entire amount that should have been paid to the borrower for that month or as a result of that request. For each additional day that the lender fails to make the advance, the lender shall pay interest on the late advance at the interest rate stated in the loan documents. If the loan documents provide for an adjustable interest rate, the rate in effect when the late charge first accrues is used. Any late charge is paid from the lender's funds and may not be added to the unpaid principal balance. Additionally, the lender forfeits the right to interest and a monthly servicing fee for any months in which the advance has not been timely made. This section does not affect the department of financial institution's ability to impose other sanctions to protect consumers of reverse mortgage loans;

(4) The reverse mortgage loan may become due and payable upon the occurrence of any one of the following events:

(a) The home securing the loan is sold or title to the home is otherwise transferred;

(b) All borrowers cease occupying the home as a principal residence, except as provided in subsection (5) of this section; or

(c) A defaulting event occurs which is specified in the loan documents;

(5) Repayment of the reverse mortgage loan is subject to the following additional conditions:

(a) Temporary absences from the home not exceeding one hundred eighty consecutive days do not cause the mortgage to become due and payable;

(b) Extended absences from the home exceeding one hundred eighty consecutive days, but less than one year, do not cause the mortgage to become due and payable if the borrower has taken prior action that secures and protects the home in a manner satisfactory to the lender, as specified in the loan documents;

(c) The lender's right to collect reverse mortgage loan proceeds is subject to the applicable statute of limitations for written loan contracts. Notwithstanding any other provision of law, the statute of

limitations shall commence on the date that the reverse mortgage loan becomes due and payable as provided in the loan agreement; and

(d) Using conspicuous, bold sixteen-point or larger type, the lender shall disclose in the loan agreement any interest rate or other fees to be charged during the period that commences on the date that the reverse mortgage loan becomes due and payable, and that ends when repayment in full is made;

(6) The first page of any deed of trust securing a reverse mortgage loan must contain the following statement in sixteen-point boldface type: "This deed of trust secures a reverse mortgage loan;"

(7) A lender or any other party that participates in the origination of a reverse mortgage loan shall not require an applicant for a reverse mortgage to purchase an annuity, insurance, or another product as a condition of obtaining a reverse mortgage loan. A reverse mortgage lender or a broker arranging a reverse mortgage loan shall not:

(a) Offer an annuity to the borrower prior to the closing of the reverse mortgage or before the expiration of the right of the borrower to rescind the reverse mortgage agreement;

(b) Refer the borrower to anyone for the purchase of an annuity prior to the closing of the reverse mortgage or before the expiration of the right of the borrower to rescind the reverse mortgage agreement; or

(c) Provide marketing information or annuity sales leads to anyone regarding the prospective borrower or borrower, or receive any compensation for such an annuity sale or referral;

(8)(a) A lender or any other party that participates in the origination of a reverse mortgage loan shall maintain safeguards, acceptable to the department of financial institutions, to ensure that individuals offering reverse mortgage loans do not provide reverse mortgage borrowers with any other financial or insurance products and that individuals participating in the origination of a reverse mortgage loan have no ability or incentive to provide the borrower with any other financial or insurance product;

(b) The borrower shall not be required, directly or indirectly, as a condition of obtaining a reverse mortgage under this section, to purchase any other financial or insurance products;

(9) Prior to accepting a final and complete application for a reverse mortgage loan or assessing any fees, a lender shall refer the prospective borrower to an independent housing counseling agency approved by the federal department of housing and urban development for counseling. The counseling must meet the standards and requirements established by the federal department of housing and urban development for reverse mortgage counseling. The lender shall provide the borrower with a list of at least five independent housing counseling agencies approved by the federal department of housing and urban development, including at least two agencies that can provide counseling by telephone. Telephone counseling is only available at the borrower's request;

(10) A lender shall not accept a final and complete application for a reverse mortgage loan from a prospective applicant or assess any fees upon a prospective applicant without first receiving a certification from the applicant or the applicant's authorized representative that the applicant has received counseling from an agency as described in subsection (9) of this section. The certification must be signed by the borrower and the agency counselor, and must include the date of the counseling and the names, addresses, and telephone numbers of both the counselor and the borrower. Electronic facsimile copy of the housing counseling certification satisfies the requirements of this subsection. The lender shall maintain the certification in an accurate, reproducible, and accessible format for the term of the reverse mortgage;

(11) A reverse mortgage loan may not be made for a Washington state resident unless that resident is a minimum of sixty years of age as of the date of execution of the loan; and

(12) Except for the initial disbursement of moneys to the closing agent, advances by the lender to the borrower must be issued directly to the borrower, or his or her legal representative, and not to an intermediary or third party.

NEW SECTION. Sec. 4. The borrower in a proprietary reverse mortgage transaction has the same right to rescind the transaction as provided in the truth in lending act, Regulation Z, 12 C.F.R. Sec. 226.

NEW SECTION. Sec. 5. (1) This section does not apply to a home equity conversion mortgage or other federally administered reverse mortgage product. A proprietary reverse mortgage loan product may not be offered without preapproval by the department of financial institutions.

(2) The director may make rules regarding the preapproval process, and may require any documentation, information, standards, or data deemed necessary by the director. The director may disapprove any proprietary reverse mortgage loan products that contain or incorporate by reference any inconsistent, ambiguous, or misleading provisions or terms, or exceptions and conditions which unreasonably or deceptively affect the reverse mortgage contract. Additional grounds for disapproval may include, without limitation, the existence in the proprietary product of any benefits provided to the borrower that are contrary to public policy.

NEW SECTION. Sec. 6. (1) A proprietary reverse mortgage loan application may not be taken by a lender unless the loan applicant has received from the lender the following plain language statement in conspicuous bold sixteen-point type or larger, advising the prospective borrower about counseling prior to obtaining the reverse mortgage loan within three business days of receipt of the completed loan application:

"Important notice to reverse mortgage loan applicant
A reverse mortgage is a complex financial transaction that provides a means of using the equity you have built up in your home, or the value of your home, as a way to access home equity.

If you decide to obtain a reverse mortgage loan, you will sign binding legal documents that will have important legal, tax, and financial implications for you and your estate.

It is very important for you to understand the terms of the reverse mortgage and its effect. Before entering into this transaction, you are required by law to consult with an independent loan counselor. A list of approved counselors will be provided to you by the lender or broker. You may also want to discuss your decision with family members or others on whom you rely for financial advice."

(2) As part of the disclosure required under this section, the lender or servicer shall provide an annual, or more frequent, disclosure statement to the borrower, providing details of the loan advances, balance, other terms, and the name and telephone number of the lender's employee or agent who has been specifically designated to respond to inquiries concerning reverse mortgage loans.

(3) In addition to any other loan documentation or disclosure, prior to execution of the loan and at the end of the loan term, the lender may either obtain an independent appraisal of the property value or use the current year's tax assessment valuation of the property. Copies of these appraisals must be timely provided to the borrower within five days of the borrower's written request, provided the borrower has paid for the appraisal.

NEW SECTION. Sec. 7. (1) In addition to any other remedies, if a lender defaults on any of the reverse mortgage loan terms and fails to cure an actual default after notice as specified in the loan documents, the borrower, or the borrower's estate, is entitled to treble damages.

(2) An arrangement, transfer, or lien subject to this chapter is not invalidated solely because of the failure of a lender to comply with any provision of this chapter. However, this section does not preclude the application of any other existing civil remedies provided by law.

(3) A violation of federal legal requirements for an FHA-approved reverse mortgage as defined in section 1(1) of this act constitutes a violation of this chapter.

NEW SECTION. Sec. 8. (1) To the extent that implementation of this section does not conflict with federal law resulting in the loss of federal funding, proprietary reverse mortgage loan advances made to a borrower must be treated as proceeds from a loan and not as income for the purpose of determining eligibility and benefits under means-tested programs of aid to individuals.

(2) Undisbursed reverse mortgage funds must be treated as equity in the borrower's home and not as proceeds from a loan, resources, or assets for the purpose of determining eligibility and benefits under means-tested programs of aid to individuals.

(3) This section applies to any law or program relating to payments, allowances, benefits, or services provided on a means-tested basis by this state including, but not limited to, optional state supplements to the federal supplemental security income program, low-income energy assistance, property tax relief, general assistance, and medical assistance only to the extent this section does not conflict with Title 19 of the federal social security act.

NEW SECTION. Sec. 9. The director of the department of financial institutions may take the necessary steps to ensure that this act is implemented on its effective date.

NEW SECTION. Sec. 10. Sections 1 through 9 of this act may be known and cited as the Washington state reverse mortgage act.

NEW SECTION. Sec. 11. Sections 1 through 10 of this act are each added to chapter 31.04 RCW and codified with the subchapter heading of "reverse mortgage lending."

Sec. 12. RCW 31.04.015 and 2001 c 81 s 1 are each amended to read as follows:

The definitions set forth in this section apply throughout this chapter unless the context clearly requires a different meaning.

(1) "Person" includes individuals, partnerships, associations, limited liability companies, limited liability partnerships, trusts, corporations, and all other legal entities.

(2) "License" means a single license issued under the authority of this chapter with respect to a single place of business.

(3) "Licensee" means a person to whom one or more licenses have been issued.

(4) "Director" means the director of financial institutions.

(5) "Insurance" means life insurance, disability insurance, property insurance, involuntary unemployment insurance, and such other insurance as may be authorized by the insurance commissioner.

(6) "Add-on method" means the method of precomputing interest payable on a loan whereby the interest to be earned is added to the principal balance and the total plus any charges allowed under this chapter is stated as the loan amount, without further provision for the payment of interest except for failure to pay according to loan terms. The director may adopt by rule a more detailed explanation of the meaning and use of this method.

(7) "Simple interest method" means the method of computing interest payable on a loan by applying the annual percentage interest

rate or its periodic equivalent to the unpaid balances of the principal of the loan outstanding for the time outstanding with each payment applied first to any unpaid penalties, fees, or charges, then to accumulated interest, and the remainder of the payment applied to the unpaid balance of the principal until paid in full. In using such method, interest shall not be payable in advance nor compounded, except that on a loan secured by real estate, a licensee may collect at the time of the loan closing up to but not exceeding forty-five days of prepaid interest. The prohibition on compounding interest does not apply to reverse mortgage loans made in accordance with the Washington state reverse mortgage act. The director may adopt by rule a more detailed explanation of the meaning and use of this method.

(8) "Applicant" means a person applying for a license under this chapter.

(11) "Loan originator" means a person employed, either directly or indirectly, or retained as an independent contractor by a licensee, to make or assist a person in applying to obtain a loan.

(12) "Making a loan" means closing a loan in a person's name, or advancing, offering to advance, or making a commitment to advance funds to a borrower for a loan.

(13) "Mortgage broker" means the same as defined in RCW 19.146.010, except that for purposes of this chapter, a licensee or person subject to this chapter cannot receive compensation as both a consumer loan licensee making the loan and as a mortgage broker in the same loan transaction.

(14) "Officer" means an official appointed by the company for the purpose of making business decisions or corporate decisions.

(15) "Principal" means any person who controls, directly or indirectly through one or more intermediaries, alone or in concert with others, a ten percent or greater interest in a partnership; company; association or corporation; or a limited liability company, and the owner of a sole proprietorship.

(16) "Senior officer" means an officer of a licensee at the vice president level or above.

(17) "Third party service provider" means any person other than the licensee or a mortgage broker who provides goods or services to the licensee or borrower in connection with the preparation of the borrower's loan and includes, but is not limited to, credit reporting agencies, real estate brokers or salespersons, title insurance companies and agents, appraisers, structural and pest inspectors, or escrow companies.

Sec. 13. RCW 31.04.115 and 1994 c 92 s 168 are each amended to read as follows:

(1) As used in this section, "open-end loan" means an agreement between a licensee and a borrower that expressly states that the loan is made in accordance with this chapter and that provides that:

(a) A licensee may permit the borrower to obtain advances of money from the licensee from time to time, or the licensee may advance money on behalf of the borrower from time to time as directed by the borrower;

(b) The amount of each advance and permitted charges and costs are debited to the borrower's account, and payments and other credits are credited to the same account;

(c) The charges are computed on the unpaid principal balance, or balances, of the account from time to time; and

(d) The borrower has the privilege of paying the account in full at any time without prepayment penalty or, if the account is not in default, in monthly installments of fixed or determinable amounts as provided in the agreement.

(2)(a) Interest charges on an open-end loan shall not exceed twenty-five percent per annum computed in each billing cycle by any of the following methods:

~~((a))~~ (i) By converting the annual rate to a daily rate, and multiplying the daily rate by the daily unpaid principal balance of the account, in which case each daily rate is determined by dividing the annual rate by three hundred sixty-five;

~~((b))~~ (ii) By multiplying a monthly rate by the average daily unpaid principal balance of the account in the billing cycle, in which case the monthly rate is one-twelfth of the annual rate, and the average daily unpaid principal balance is the sum of the amount unpaid each day during the cycle divided by the number of days in the cycle; or

~~((c))~~ (iii) By converting the annual rate to a daily rate, and multiplying the daily rate by the average daily unpaid principal balance of the account in the billing cycle, in which case the daily rate is determined by dividing the annual rate by three hundred sixty-five, and the average daily unpaid principal balance is the sum of the amount unpaid each day during the cycle divided by the number of days in the cycle.

For all of the methods of computation specified in this subsection (2)(a), the billing cycle shall be monthly, and the unpaid principal balance on any day shall be determined by adding to the balance unpaid, as of the beginning of that day, all advances and other permissible amounts charged to the borrower, and deducting all payments and other credits made or received that day. A billing cycle is considered monthly if the closing date of the cycle is on the same date each month, or does not vary by more than four days from that date.

(b) Reverse mortgage loans made in accordance with the Washington state reverse mortgage act are not subject to the interest charge computation restrictions or billing cycle requirements in this section.

(3) In addition to the charges permitted under subsection (2) of this section, the licensee may contract for and receive an annual fee, payable each year in advance, for the privilege of opening and maintaining an open-end loan account. Except as prohibited or limited by this section, the licensee may also contract for and receive on an open-end loan any additional charge permitted by this chapter on other loans, subject to the conditions and restrictions otherwise pertaining to those charges.

(4)(a) If credit life or credit disability insurance is provided, the additional charge for credit life insurance or credit disability insurance shall be calculated in each billing cycle by applying the current monthly premium rate for the insurance, at the rate approved by the insurance commissioner to the entire outstanding balances in the borrower's open-end loan account, or so much thereof as the insurance covers using any of the methods specified in subsection (2)(a) of this section for the calculation of interest charges; and

(b) The licensee shall not cancel credit life or disability insurance written in connection with an open-end loan because of delinquency of the borrower in the making of the required minimum payments on the loan, unless one or more of the payments is past due for a period of ninety days or more; and the licensee shall advance to the insurer the amounts required to keep the insurance in force during that period, which amounts may be debited to the borrower's account.

(5) A security interest in real or personal property may be taken to secure an open-end loan. Any such security interest may be retained until the open-end account is terminated. The security interest shall be promptly released if (a) there has been no outstanding balance in the account for twelve months and the borrower either does not have or surrenders the unilateral right to create a new outstanding balance; or (b) the account is terminated at the borrower's request and paid in full.

(6) The licensee may from time to time increase the rate of interest being charged on the unpaid principal balance of the borrower's open-end loans if the licensee mails or delivers written notice of the change to the borrower at least thirty days before the effective date of the increase unless the increase has been earlier agreed to by the borrower. However, the borrower may choose to terminate the open-end account and the licensee shall allow the borrower to repay the unpaid balance incurred before the effective date of the rate increase upon the existing open-end loan account terms and interest rate unless the borrower incurs additional debt on or after the effective date of the rate increase or otherwise agrees to the new rate.

(7) The licensee shall deliver a copy of the open-end loan agreement to the borrower at the time the open-end account is created. The agreement must contain the name and address of the licensee and of the principal borrower, and must contain such specific disclosures as may be required by rule of the director. In adopting the rules the director shall consider Regulation Z promulgated by the board of governors of the federal reserve system under the federal consumer credit protection act.

(8) Except in the case of an account that the licensee deems to be uncollectible, or with respect to which delinquency collection procedures have been instituted, the licensee shall deliver to the borrower at the end of each billing cycle in which there is an outstanding balance of more than one dollar in the account, or with respect to which interest is imposed, a periodic statement in the form required by the director. In specifying such form the director shall consider Regulation Z promulgated by the board of governors of the federal reserve system under the federal consumer credit protection act."

POINT OF PARLIAMENTARY INQUIRY

Representative Ericksen: "Mr. Speaker, I am considering having an amendment drafted to one of today's second reading calendar, House Bill No. 1504 but in order to draft the amendment I need to find out if a bill such as House Bill No. 1504 which removes a tax exemption will be considered to have raised taxes as that term is defined in Initiative Measure 960. I would point specifically, Mr. Speaker, to how the term "raises taxes" is defined in RCW 43.135.035 Section 6 as meaning 'any action or combination of actions by the Legislature that increases State tax revenue deposited in fund, budget or account regardless of whether revenues are deposited in the General Fund.'

As currently drafted, Mr. Speaker, does House Bill No. 1504 require a two-third vote of the full House to pass? Thank you for any guidance you can offer."

SPEAKER'S RULING

Mr. Speaker (Representative Morris presiding): "Thank you, Representative Ericksen for your point of parliamentary inquiry.

The Speaker would rule that because we do not have a final question before the body, which would be on third reading and final passage, the ruling would have to be speculative in nature. The Speaker does not issue advisory opinions or speculative options on bills before they have reached a final question before the body. Because your motion is not one that is timely with the final consideration of the bill, it is out of order.

Your point is not well taken."

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that there are many homeless persons in our state that are in need of shelter and other services that are not being provided by the state and local governments. The legislature also finds that in many communities churches play an important role in providing needed services to the homeless, including the provision of shelter upon church property. By providing such shelter, the religious institutions in our communities perform a valuable public service that, for many, offers a temporary, stop-gap solution to the larger social problem of increasing numbers of homeless persons.

NEW SECTION. Sec. 2. A new section is added to chapter 36.01 RCW to read as follows:

(1) A church may host temporary encampments for the homeless on property owned or controlled by the church whether within buildings located on the property or elsewhere on the property outside of buildings.

(2) A county may not enact an ordinance or regulation or take any other action that:

(a) Unreasonably interferes with the decisions or actions of a church regarding the location of housing or shelter for homeless persons on property the church owns or controls;

(b) Unreasonably prohibits or attempts to regulate the housing of homeless persons on church property based upon the property's proximity to a school or day care center; or

(d) Requires a church to obtain insurance pertaining to the liability of a municipality with respect to homeless persons housed on church property or otherwise requires the church to indemnify the municipality against such liability.

(3) For the purposes of this section, "church" means a building or buildings and adjacent real property that is used as a place of worship by a religious denomination and that is owned or controlled by the denomination.

NEW SECTION. Sec. 3. A new section is added to chapter 35.21 RCW to read as follows:

(1) A church may host temporary encampments for the homeless on property owned or controlled by the church whether within buildings located on the property or elsewhere on the property outside of buildings.

(2) A city or town may not enact an ordinance or regulation or take any other action that:

(a) Unreasonably interferes with the decisions or actions of a church regarding the location of housing or shelter for homeless persons on property the church owns or controls;

(b) Unreasonably prohibits or attempts to regulate the housing of homeless persons on church property based upon the property's proximity to a school or day care center; or

(d) Requires a church to obtain insurance pertaining to the liability of a municipality with respect to homeless persons housed on church property or otherwise requires the church to indemnify the municipality against such liability.

(3) For the purposes of this section, "church" means a building or buildings and adjacent real property that is used as a place of worship by a religious denomination and that is owned or controlled by the denomination.

NEW SECTION. Sec. 4. A new section is added to chapter 35A.21 RCW to read as follows:

(1) A church may host temporary encampments for the homeless on property owned or controlled by the church whether within buildings located on the property or elsewhere on the property outside of buildings.

(2) A code city may not enact an ordinance or regulation or take any other action that:

(a) Unreasonably interferes with the decisions or actions of a church regarding the location of housing or shelter for homeless persons on property the church owns or controls;

(b) Unreasonably prohibits or attempts to regulate the housing of homeless persons on church property based upon the property's proximity to a school or day care center; or

(d) Requires a church to obtain insurance pertaining to the liability of a municipality with respect to homeless persons housed on church property or otherwise requires the church to indemnify the municipality against such liability.

(3) For the purposes of this section, "church" means a building or buildings and adjacent real property that is used as a place of worship by a religious denomination and that is owned or controlled by the denomination.

NEW SECTION. Sec. 5. Nothing in this act is intended to change applicable law or be interpreted to prohibit a county, city, town, or code city from applying zoning and land use regulations allowable under established law to real property owned by a church,

regardless of whether the property owned by the church is used to provide shelter or housing to homeless persons."

(1) The board of each joint operating agency shall by resolution appoint a treasurer. The treasurer shall be the chief financial officer of the operating agency, who shall report at least annually to the board a detailed statement of the financial condition of the operating agency and of its financial operations for the preceding fiscal year. The treasurer shall advise the board on all matters affecting the financial condition of the operating agency. Before entering upon his or her duties the treasurer shall give bond to the operating agency, with a surety company authorized to write such bonds in this state as surety, in an amount which the board finds by resolution will protect the operating agency against loss, conditioned that all funds which he or she receives as such treasurer will be faithfully kept and accounted for and for the faithful discharge of his or her duties. The amount of such bond may be decreased or increased from time to time as the board may by resolution direct.

(2) The board shall also appoint an auditor and may require him or her to give a bond with a surety company authorized to do business in the state of Washington in such amount as it shall by resolution prescribe, conditioned for the faithful discharge of his or her duties. The auditor shall report directly to the board and be responsible to it for discharging his or her duties.

All moneys of the operating agency shall be deposited forthwith by the treasurer in such depositories, and with such securities as are designated by rules of the board. The treasurer shall establish a general fund and such special funds as shall be created by the board, into which he or she shall place all money of the joint operating agency as the board by resolution or motion may direct.

(5) The board may adopt a policy for the payment of claims or other obligations of the operating agency, which are payable out of solvent funds, and may elect to pay such obligations by check or warrant. However, if the applicable fund is not solvent at the time payment is ordered, then no check may be issued and payment shall be by warrant. When checks are to be used, the board shall designate the qualified public depository upon which the checks are to be drawn as well as the officers required or authorized to sign the checks. For the purposes of this chapter, "warrant" includes checks where authorized by this subsection.

(1) The treasurer of the county in which a utility district is located shall be ex officio treasurer of the district: PROVIDED, That the commission by resolution may designate some other person having experience in financial or fiscal matters as treasurer of the utility district. The commission may require a bond, with a surety company authorized to do business in the state of Washington, in an amount and under the terms and conditions which the commission by resolution from time to time finds will protect the district against loss. The premium on any such bond shall be paid by the district.

(2) All district funds shall be paid to the treasurer and shall be disbursed by him or her only on warrants issued by an auditor appointed by the commission, upon orders or vouchers approved by it. The treasurer shall establish a public utility district fund, into which shall be paid all district funds, and he or she shall maintain such special funds as may be created by the commission, into which he or she shall place all money as the commission may, by resolution, direct.

kind, no less in amount, as provided in RCW 36.48.020 for deposit of county funds.

(4) Such surety bond or securities in lieu thereof shall be filed or deposited with the treasurer of the district, and approved by resolution of the commission.

(5) All interest collected on district funds shall belong to the district and be deposited to its credit in the proper district funds.

(6) A district may provide and require a reasonable bond of any other person handling moneys or securities of the district: PROVIDED, That the district pays the premium thereon.

(7) If the treasurer of the district is some other person than the treasurer of the county, the commission may adopt a policy for the payment of claims or other obligations of the utility district, which are payable out of solvent funds, and may elect to pay such obligations by check or warrant. However, if the applicable fund is not solvent at the time payment is ordered, then no check may be issued and payment shall be by warrant.
