Dear Members of the Select Committee on Pension Policy,

My name is Ann Chenhall. I retired in 2012 from the North Thurston Public Schools. I was a classroom teacher for many years. and am a member of the Thurston County School Retirees Association.

As you prepare for the upcoming Legislative Session, I hope you will consider the dramatic increase in inflation during the time when our oldest members in their 80's and 90's have not seen a Cost Living Adjustment to their pensions. I know we are looking forward to the payment toward the unfunded liability of TRS 1, but that will not directly add to the monthly pension payments of retirees.

Please carefully consider all options to add a permanent COLA to both TRS 1 and PERS 1 Pensions. Living expenses are not going down.

Thank you for your consideration,
Ann Chenhall
