Hello,

I am a resident of Chelan, WA, where I have owned a modest condo for two years since retiring from teaching school at Holden Village, Chelan, WA. I have done what I can to ensure that I can afford to live here, applying for the property tax reduction based on my income, etc. I have no problem living within my budget and feel some security in that for my future. But permanent COLA increase would be the sensible thing to see happen for people to continue to be able to live where they have made a home.

Please vote to make this increase a permanent one.

Sincerely,

Carolyn Giese
