Members of the Select Committee on Pension Policy,

I'm urging your support for a permanent and ongoing COLA for PERS 1 Retirees. As a PERS 1 retiree, I was promised a COLA when I turned 66 years old. I received only one until COLAs were stopped due to the state's financial troubles. I appreciate the two COLAs received the past few years, but they fail to compensate for all the missed COLAs given the huge increases in medical premiums and property taxes.

Please reinstate COLAs for PERS 1 retirees on an ongoing basis.

Thank you,

Florence Gwen Rench
