To the Select Committee on Pension Policy

My name is Melodie Toy Muller
I am a Pers 1 retiree who worked
for Washington State Ferries from
1977 to 2007... exhibiting an
honorable work ethic. yet now
the state of Washington isn't
recognizing my contribution by
refusing to honor my earned
COLA. This is unacceptable and
needs to be reversed. The ever
increasing inflation within the
economy creates great hardship on
individuals trying to keep pace and
live with dignity.

Sincerely

Melodie Toy Muller
