---

**CAUTION:** External email.

I want to tell you why I need to have a predictable COLA. With only 1 COLA and another coming my spending power has been reduced. Savings have grown at such a slow rate that I am not at the point I thought I would be. My husband is on plan 3 and it is frustrating to see his pension grow and mine not. It is not fair that Plan 1 is the only one with out a predictable COLA.
