Subject: COLA for Plan 1

CAUTION:External email.

Dear SCCP Member,

My name is Marcia Homer and I am a TRS 1 retiree. I've been retired for 21 years and only received three cost of living adjustments in all that time. Keeping up with inflation is increasingly difficult. I am asking you to please recommend a Plan 1 COLA to the 2023 Legislature. Many of my fellow retirees and I are struggling financially and we are counting on you to help us.

The fact that our COLAs have been so few and far between makes us think that legislators are just waiting for us to die off. Very sad feeling.

Thank you.

Sincerely,

Marcia Homer
