CAUTION:External email.

Please consider the WSSRA's request for funding the Plan 1 COLA at at least 7%. I retired in 1999 After having worked in WA starting in 1963. At that time my cola was based on a salary base times the years of service. There have been many changes over the years when the Cola was eliminated and recently a small flat percentage increase. As Plan 1 retirees age, it is important to maintain a quality of life in our later years. Thank you for your work on this issue.
