Subject: COLA for TRS Plan 1 Retirees

Dear SCPP Member,

My name is Virginia Sarver and I retired from Olympia High school in 2001 after 28 years as a school counselor. Since retirement I have received only three cost of living adjustments while my expenses have risen substantially due to inflation. I appreciate what the legislature has done in the past few years to give those of us in Plan 1 a COLA, but it is not enough to stay ahead of the rising cost of living, especially now. Please do all you can to get the Legislature on board in 2023 to help us keep from struggling to maintain our living standard.

Sincerely,

Virginia Sarver
