Subject: PERS I Co la-- Select Committee on Pension Policy

CAUTION:External email.

I retired from the Washington Community College system in January of 2013. Since that time I have been affect by inflation and the lack of a regular COLA. Unlike other retirement plans, PERS I requires action every legislative system. I orderr you to consider instituting a regular COLA, perhaps the same level as SSI so that retirees from this system are treated fairly.

Thank you for your attention.
