(2) Agencies shall use their information technology portfolios in making decisions on matters related to the following:

- (a) System refurbishment, acquisitions, and development efforts;
- (b) Setting goals and objectives for using information technology in meeting legislatively-mandated missions and business needs;

(2) Promise scholarships are not intended to supplant any grant, scholarship, or tax program related to postsecondary education. (a) Participation of eligible employees or retired employees and retired school employees in any long-term care insurance plan made available by the public employees' benefits board is voluntary and shall not be subject to binding arbitration under chapter 41.56 RCW. Participation is subject to reasonable underwriting guidelines and eligibility rules established by the public employees' benefits board and the health care authority.

(b) The employee, retired employee, and retired school employee are solely responsible for the payment of the premium rates developed by the health care authority. The health care authority is authorized to charge a reasonable administrative fee in addition to the premium charged by the long-term care insurer, which shall include the health care authority's cost of administration, marketing, and consumer education materials prepared by the health care authority and the office of the insurance commissioner.

(g) The health care authority, with the cooperation of the office of the insurance commissioner, shall develop a consumer education program for the eligible employees, retired employees, and retired school employees designed to provide education on the potential need for long-term care, methods of financing long-term care, and the availability of long-term care insurance products including the products offered by the board.

Sec. 930. RCW 43.135.045 and 2003 1st sp.s. c 25 s 920 are each amended to read as follows:

(1) The emergency reserve fund is established in the state treasury. During each fiscal year, the state treasurer shall deposit in the emergency reserve fund all general fund--state revenues in excess of the state expenditure limit for that fiscal year. Deposits shall be made at the end of each fiscal quarter based on projections of state revenues and the state expenditure limit. The treasurer shall make transfers between these accounts as necessary to reconcile actual annual revenues and the expenditure limit for fiscal year 2000 and thereafter.

(2) The legislature may appropriate moneys from the emergency reserve fund only with approval of at least two-thirds of the members of each house of the legislature, and then only if the appropriation does not cause total expenditures to exceed the state expenditure limit under this chapter.

(3) The emergency reserve fund balance shall not exceed five percent of annual general fund--state revenues as projected by the official state revenue forecast. Any balance in excess of five percent shall be transferred on a quarterly basis by the state treasurer as follows: Seventy-five percent to the student achievement fund hereby created in the state treasury and twenty-five percent to the general fund balance. The treasurer shall make transfers between these accounts as necessary to reconcile actual annual revenues for fiscal year 2000 and thereafter. When per-student state funding for the maintenance and operation of K-12 education meets a level of no less than ninety percent of the national average of total funding from all sources per student as determined by the most recent published data from the national center for education statistics of the United States department of education, as calculated by the office of financial management, further deposits to the student achievement fund shall be required only to the extent necessary to maintain the ninety-percent level. Remaining funds are part of the general fund balance and these funds are subject to the expenditure limits of this chapter.

(4) The education construction fund is hereby created in the state treasury.

(a) Funds may be appropriated from the education construction fund exclusively for common school construction or higher education construction.

(b) Funds may be appropriated for any other purpose only if approved by a two-thirds vote of each house of the legislature and if approved by a vote of the people at the next general election. An appropriation approved by the people under this subsection shall result in an adjustment to the state expenditure limit only for the fiscal period for which the appropriation is made and shall not affect any subsequent fiscal period.

(5) Funds from the student achievement fund shall be appropriated to the superintendent of public instruction strictly for distribution to school districts to meet the provisions set out in the student achievement act. Allocations shall be made on an equal per full-time equivalent student basis to each school district.

(6) Earnings of the emergency reserve fund under RCW 43.84.092(4)(a) shall be transferred quarterly to the multimodal transportation account, except for those earnings that are in excess of thirty-five million dollars each fiscal year. Within thirty days following any fiscal year in which earnings transferred to the multimodal transportation account under this subsection did not total thirty-five million dollars, the state treasurer shall transfer from the emergency reserve fund an amount necessary to bring the total deposited in the multimodal transportation account under this subsection to thirty-five million dollars. The revenues to the multimodal transportation account reflected in this subsection provide ongoing support for the transportation programs of the state. However, it is the intent of the legislature that any new long-term financial support that may

be subsequently provided for transportation programs will be used to replace and supplant the revenues reflected in this subsection, thereby allowing those revenues to be returned to the purposes to which they were previously dedicated. No transfers from the emergency reserve fund to the multimodal fund shall be made during the ((2003-05)) 2005-2007 fiscal biennium.

In order to maintain an effective expenditure and revenue control, the fund shall be subject in all respects to chapter 43.88 RCW, but no appropriation is required to permit expenditures and payment of obligations from the fund.

During the 2005-2007 fiscal biennium, the legislature may transfer from the financial services regulation fund to the state general fund such amounts as reflect the excess fund balance of the fund.

Representative Dickerson moved the adoption of amendment (416):

Strike everything after the enacting clause and insert the following:

" **Sec. 1.** RCW 26.44.100 and 1998 c 314 s 8 are each amended to read as follows:

(1) The legislature finds parents and children often are not aware of their due process rights when agencies are investigating allegations of child abuse and neglect. The legislature reaffirms that all citizens, including parents, shall be afforded due process, that protection of children remains the priority of the legislature, and that this protection includes protecting the family unit from unnecessary disruption. To facilitate this goal, the legislature wishes to ensure that parents and children be advised in writing and orally, if feasible, of their basic rights and other specific information as set forth in this chapter, provided that nothing contained in this chapter shall cause any delay in protective custody action.

(2) The department shall notify the alleged perpetrator of ~~(the allegations of child abuse ((and)) or neglect ((at the earliest possible point in the investigation that will not jeopardize the safety and protection of the child or the investigation process))~~at the initial point of contact with the alleged perpetrator, in a manner consistent with the laws maintaining the confidentiality of the persons making the complaints or allegations. Investigations of child abuse and neglect should be conducted so that relevant evidence of offenses is not concealed or destroyed, child victims are not subjected to undue influence, and actions are not taken that would jeopardize the safety or protection of the child.

Whenever the department completes an investigation of a child abuse or neglect report under chapter 26.44 RCW, the department shall notify the alleged perpetrator of the report and the department's investigative findings. The notice shall also advise the alleged perpetrator that:

(a) A written response to the report may be provided to the department and that such response will be filed in the record following receipt by the department;

(b) Information in the department's record may be considered in subsequent investigations or proceedings related to child protection or child custody;

(c) Founded reports of child abuse and neglect may be considered in determining whether the person is disqualified from being licensed to provide child care, employed by a licensed child care agency, or authorized by the department to care for children; and

(d) An alleged perpetrator named in a founded report of child abuse or neglect has the right to seek review of the finding as provided in this chapter.

(3) The notification required by this section shall be made by certified mail, return receipt requested, to the person's last known address.

(4) The duty of notification created by this section is subject to the ability of the department to ascertain the location of the person to be notified. The department shall exercise reasonable, good-faith efforts to ascertain the location of persons entitled to notification under this section.

(5) The department shall provide training to all persons who conduct investigations under this section that shall include, but is not limited to, training regarding the legal duties of the department from the initial time of contact during investigation through treatment in order to protect children and families.

NEW SECTION. **Sec. 2.** The legislature finds that whenever possible, children should remain in the home of their parents. It is only when the safety of the child is a concern that the child should be removed from the home.

The legislature finds that the safety of a child is put in jeopardy when a child is subject to chronic neglect. The legislature recognizes that chronic neglect may be more dangerous to a child than physical or sexual abuse, and must be treated as such by those charged with the protection of children in this state.

It is the intent of the legislature that the department of social and health services be permitted to intervene in cases of chronic neglect where the well-being of the child is at risk. One incident of neglect may not rise to the level requiring state intervention; however, a pattern of neglect has been shown to cause damage to the health and well-being of the child subject to the neglect.

It is the intent of the legislature that when chronic neglect has been found to exist in a family, the legal system reinforce the need for the parent to engage in services that will decrease the likelihood of future neglect. However, if the parents fail to comply with the necessary services, the state must intervene to protect the children who are at risk.

Sec. 3. RCW 13.34.138 and 2003 c 227 s 5 are each amended to read as follows:

(1) Except for children whose cases are reviewed by a citizen review board under chapter 13.70 RCW, the status of all children found to be dependent shall be reviewed by the court at least every six months from the beginning date of the placement episode or the date dependency is established, whichever is first, at a hearing in which it shall be determined whether court supervision should continue. The initial review hearing shall be an in-court review and shall be set six months from the beginning date of the placement episode or no more than ninety days from the entry of the disposition order, whichever comes first. The initial review hearing may be a permanency planning hearing when necessary to meet the time frames set forth in RCW 13.34.145(3) or 13.34.134. The review shall include findings regarding the agency and parental completion of disposition plan requirements, and if necessary, revised permanency time limits. This review shall consider both the agency's and parent's efforts that demonstrate consistent measurable progress over time in meeting the disposition plan requirements. The requirements for the initial review hearing, including the in-court requirement, shall be accomplished within existing resources. The supervising agency shall provide a foster parent, preadoptive parent, or relative with notice of, and their right to an opportunity to be heard in, a review hearing pertaining to the child, but only if that person is currently providing care to that child at the time of the hearing. This section shall not be construed to grant party status to any person who has been provided an opportunity to be heard.

(a) A child shall not be returned home at the review hearing unless the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists. The parents, guardian, or legal custodian shall report to the court the efforts they have made to correct the conditions which led to removal. If a child is returned, casework supervision shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) If the child is not returned home, the court shall establish in writing:

(i) Whether reasonable services have been provided to or offered to the parties to facilitate reunion, specifying the services provided or offered;

(ii) Whether the child has been placed in the least-restrictive setting appropriate to the child's needs, including whether consideration and preference has been given to placement with the child's relatives;

(iii) Whether there is a continuing need for placement and whether the placement is appropriate;

(iv) Whether there has been compliance with the case plan by the child, the child's parents, and the agency supervising the placement;

(v) Whether progress has been made toward correcting the problems that necessitated the child's placement in out-of-home care;

(vi) Whether the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;

(vii) Whether additional services, including housing assistance, are needed to facilitate the return of the child to the child's parents; if so, the court shall order that reasonable services be offered specifying such services; and

(viii) The projected date by which the child will be returned home or other permanent plan of care will be implemented.

(c) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed.

(2)(a) In any case in which the court orders that a dependent child may be returned to or remain in the child's home, the in-home placement shall be contingent upon the following:

(i) The cooperation by the parents with the agency case plan;

(ii) The compliance of the parents with court orders related to the care and supervision of the child; and

(iii) The continued participation of the parents in remedial services.

(b) The following may be grounds for removal of the child from the home, subject to review by the court:

(i) Noncompliance by the parents with the case plan or court order;

(ii) The parent's inability, unwillingness, or failure to participate in services or treatment for themselves or the child; or

(iii) The failure of the parents to successfully and substantially complete services or treatment for themselves or the child.

(3) The court's ability to order housing assistance under RCW 13.34.130 and this section is: (a) Limited to cases in which homelessness or the lack of adequate and safe housing is the primary reason for an out-of-home placement; and (b) subject to the availability of funds appropriated for this specific purpose.

~~((3))~~ (4) The court shall consider the child's relationship with siblings in accordance with RCW 13.34.130(3).

Sec. 4. RCW 26.44.015 and 1999 c 176 s 28 are each amended to read as follows:

(1) This chapter shall not be construed to authorize interference with child-raising practices, including reasonable parental discipline, which are not injurious to the child's health, welfare, ~~((and))~~ or safety.

(2) Nothing in this chapter may be used to prohibit the reasonable use of corporal punishment as a means of discipline.

(3) No parent or guardian may be deemed abusive or neglectful solely by reason of the parent's or child's blindness, deafness, developmental disability, or other handicap.

Sec. 5. RCW 26.44.020 and 2000 c 162 s 19 are each amended to read as follows:

NEW SECTION. Sec. 6. A new section is added to chapter 26.44 RCW to read as follows:

(1) If the department, upon investigation of a report that a child has been abused or neglected as defined in this chapter, determines that the child has been subject to or is at risk of negligent treatment or maltreatment, the department may offer services to the child's parents, guardians, or legal custodians (a) to ameliorate the conditions that endangered the welfare of the child or that place the child at risk of future abuse or neglect, or (b) to address or treat the effects of mistreatment or neglect upon the child. If the child's parents, guardians, or legal custodians are available and willing to participate on a voluntary basis in in-home services, and the department determines that in-home services on a voluntary basis are appropriate for the family, the department may offer such services.

(2) In cases where the department has offered appropriate and reasonable services under subsection (1) of this section, and the parents, guardians, or legal custodians refuse to accept or fail to obtain appropriate treatment or services, or are unable or unwilling to participate in or successfully and substantially complete the treatment or services identified by the department, the department may initiate a dependency proceeding under chapter 13.34 RCW on the basis that the negligent treatment or maltreatment by the parent, guardian, or legal custodian constitutes neglect.

(3) Nothing in this section precludes the department from filing a dependency petition as provided in chapter 13.34 RCW if it determines that such action is necessary to protect the child from abuse or neglect or safeguard the child from future abuse or neglect.

(4) Nothing in this section shall be construed to create in any person an entitlement to services or financial assistance in paying for services or to create judicial authority to order the provision of services to any person or family if the services are unavailable or unsuitable or if the child or family is not eligible for such services.

Sec. 7. RCW 74.13.031 and 2004 c 183 s 3 are each amended to read as follows:

The department shall have the duty to provide child welfare services and shall:

(1) Develop, administer, supervise, and monitor a coordinated and comprehensive plan that establishes, aids, and strengthens services for the protection and care of runaway, dependent, or neglected children.

(2) Within available resources, recruit an adequate number of prospective adoptive and foster homes, both regular and specialized, i.e. homes for children of ethnic minority, including Indian homes for Indian children, sibling groups, handicapped and emotionally disturbed, teens, pregnant and parenting teens, and annually report to the governor and the legislature concerning the department's success in: (a) Meeting the need for adoptive and foster home placements; (b) reducing the foster parent turnover rate; (c) completing home studies for legally free children; and (d) implementing and operating the passport program required by RCW 74.13.285. The report shall include a section entitled "Foster Home Turn-Over, Causes and Recommendations."

(3) Investigate ~~((complaints of any recent act or failure to act))~~ reports of child abuse or neglect as defined in chapter 26.44 RCW on the part of a parent, guardian, or legal custodian of the child, member of the household of such persons, agency as defined in chapter 74.15 RCW providing care to the child, or other caretaker ~~((that results in death, serious physical or emotional harm, or sexual abuse or exploitation, or that presents an imminent risk of serious harm))~~ of the child who is serving in place of the parent, and on the basis of the findings of such investigation, offer child welfare services in relation to the problem to such ~~((parents, legal custodians, or))~~ persons ~~((serving in loco parentis))~~, and/or bring the situation to the attention of an appropriate court, or another community agency: PROVIDED, That an investigation is not required of nonaccidental injuries which are clearly not the result of a lack of care or supervision by the child's parents, guardians, legal custodians, or persons serving in ~~((loco parentis))~~ place of a parent. If the investigation reveals that a crime against a child may have been committed, the department shall notify the appropriate law enforcement agency.

(4) Offer, on a voluntary basis, family reconciliation services to families who are in conflict.

(5) Monitor out-of-home placements, on a timely and routine basis, to assure the safety, well-being, and quality of care being provided is within the scope of the intent of the legislature as defined in RCW 74.13.010 and 74.15.010, and annually submit a report measuring the extent to which the department achieved the specified goals to the governor and the legislature.

(6) Have authority to accept custody of children from parents and to accept custody of children from juvenile courts, where authorized to do so under law, to provide child welfare services including placement for adoption, and to provide for the physical care of such children and make payment of maintenance costs if needed. Except where required by Public Law 95-608 (25 U.S.C. Sec. 1915), no private adoption agency which receives children for adoption from the department shall discriminate on the basis of race, creed, or color when considering applications in their placement for adoption.

(7) Have authority to provide temporary shelter to children who have run away from home and who are admitted to crisis residential centers.

(8) Have authority to purchase care for children; and shall follow in general the policy of using properly approved private agency services for the actual care and supervision of such children insofar as they are available, paying for care of such children as are accepted by the department as eligible for support at reasonable rates established by the department.

(9) Establish a children's services advisory committee which shall assist the secretary in the development of a partnership plan for utilizing resources of the public and private sectors, and advise on all matters pertaining to child welfare, licensing of child care agencies, adoption, and services related thereto. At least one member shall represent the adoption community.

(10) Have authority to provide continued foster care or group care for individuals from eighteen through twenty years of age to enable them to complete their high school or vocational school program.

(11) Refer cases to the division of child support whenever state or federal funds are expended for the care and maintenance of a child, including a child with a developmental disability who is placed as a result of an action under chapter 13.34 RCW, unless the department finds that there is good cause not to pursue collection of child support against the parent or parents of the child.

(12) Have authority within funds appropriated for foster care services to purchase care for Indian children who are in the custody of a federally recognized Indian tribe or tribally licensed child-placing agency pursuant to parental consent, tribal court order, or state juvenile court order; and the purchase of such care shall be subject to the same eligibility standards and rates of support applicable to other children for whom the department purchases care.

Notwithstanding any other provision of RCW 13.32A.170 through 13.32A.200 and 74.13.032 through 74.13.036, or of this section all services to be provided by the department of social and health services under subsections (4), (6), and (7) of this section, subject to the limitations of these subsections, may be provided by any program offering such services funded pursuant to Titles II and III of the federal juvenile justice and delinquency prevention act of 1974.

(13) Within amounts appropriated for this specific purpose, provide preventive services to families with children that prevent or shorten the duration of an out-of-home placement.

(14) Have authority to provide independent living services to youths, including individuals eighteen through twenty years of age, who are or have been in foster care.

NEW SECTION. Sec. 8. The legislature recognizes that the fiscal and workload impact of this act may not be fully determined until after it is implemented and that such impact may further be affected by the funding or availability of community-based prevention and remedial services. For that reason, the department of social and health services shall report on the implementation of this act to the appropriate legislative committees and the governor by December 1, 2006. The report shall include information regarding any change over previous years in the number and type of child abuse and neglect referrals received and investigations conducted, any change in in-home and out-of-home dependency placements and/or filings, any increased service costs, barriers to implementation, and an assessment of the fiscal and workload impact on the department. Such information shall be reviewed by the legislature for possible amendment of this act or additional allocation of resources to the department for implementation purposes.

NEW SECTION. Sec. 9. This act takes effect January 1, 2006.

NEW SECTION. Sec. 10. This act may be known and cited as the Justice and Raiden Act."

(3) The board shall design benefits and determine the terms and conditions of employee participation and coverage, including establishment of eligibility criteria. The same terms and conditions of participation and coverage, including eligibility criteria, shall apply to state employees and to school district employees and educational service district employees.

(4) The board may authorize premium contributions for an employee and the employee's dependents in a manner that encourages the use of cost-efficient managed health care systems. (a) Participation of eligible employees or retired employees and retired school employees in any long-term care insurance plan made available by the public employees' benefits board is voluntary and shall not be subject to binding arbitration under chapter 41.56 RCW. Participation is subject to reasonable underwriting guidelines and eligibility rules established by the public employees' benefits board and the health care authority.

(b) The employee, retired employee, and retired school employee are solely responsible for the payment of the premium rates developed by the health care authority. The health care authority is authorized to charge a reasonable administrative fee in addition to the premium charged by the long-term care insurer, which shall include the health care authority's cost of administration, marketing, and consumer education materials prepared by the health care authority and the office of the insurance commissioner.

(c) To the extent administratively possible, the state shall establish an automatic payroll or pension deduction system for the payment of the long-term care insurance premiums.

The authority, in consultation with the public employees' benefits board, shall establish marketing procedures and may consider all premium components as a part of the contract negotiations with the long-term care insurer.

(f) In developing the long-term care insurance benefit designs, the public employees' benefits board shall include an alternative plan of care benefit, including adult day services, as approved by the office of the insurance commissioner.

(g) The health care authority, with the cooperation of the office of the insurance commissioner, shall develop a consumer education program for the eligible employees, retired employees, and retired school employees designed to provide

education on the potential need for long-term care, methods of financing long-term care, and the availability of long-term care insurance products including the products offered by the board.

Representative Talcott moved the adoption of amendment (463) to the committee amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 28A.150 RCW to read as follows:

The legislature finds that digital learning courses and programs can provide students with opportunities to study subjects that may not otherwise be available within the students' schools, school districts, or communities. These courses can also meet the instructional needs of students who have scheduling conflicts, students who learn best from technology-based instructional methods, and students who have a need to enroll in schools on a part-time basis. Digital learning courses can also meet the needs of students and families seeking nontraditional learning environments. The legislature further finds that the state rules used by school districts to support some digital learning courses were adopted before these types of courses were created, so the rules are not well-suited to the funding and delivery of digital instruction. It is the intent of the legislature to clarify the funding and delivery requirements for digital learning courses.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.150 RCW to read as follows:

Under RCW 28A.150.260, the superintendent of public instruction shall revise the definition of a full-time equivalent student to include students who receive instruction through digital programs. "Digital programs" means electronically delivered learning that occurs primarily away from the classroom. The superintendent of public instruction has the authority to adopt rules to implement the revised definition beginning with the 2005-2007 biennium for school districts claiming state funding for the programs. The rules shall include but not be limited to the following:

(1) Defining a full-time equivalent student under RCW 28A.150.260 or part-time student under RCW 28A.150.350 based upon the district's estimated average weekly hours of learning activity as identified in the student's learning plan, as long as the student is found, through monthly evaluation, to be making satisfactory progress; the rules shall require districts providing programs under this section to nonresident students to establish procedures that address, at a minimum, the coordination of student counting for state funding so that no student is counted for more than one full-time equivalent in the aggregate;

(2) Requiring the board of directors of a school district offering, or contracting under RCW 28A.150.305 to offer, a digital program to adopt and annually review written policies for each program and program provider and to receive an annual report on its digital learning programs from its staff;

(3) Requiring each school district offering or contracting to offer a digital program to report annually to the superintendent of public instruction on the types of programs and course offerings, and number of students participating;

(4) Requiring completion of a program self-evaluation;

(5) Requiring documentation of the district of the student's physical residence;

(6) Requiring that supervision, monitoring, assessment, and evaluation of the digital program be provided by certificated instructional staff;

(7) Requiring each school district offering courses or programs to identify the ratio of certificated instructional staff to full-time equivalent students enrolled in such courses or programs, and to include a description of their ratio as part of the reports required under subsections (2) and (3) of this section;

(8) Requiring reliable methods to verify a student is doing his or her own work; the methods may include proctored examinations or projects, including the use of web cams or other technologies. "Proctored" means directly monitored by an adult authorized by the school district;

(9) Requiring, for each student receiving instruction in a digital program, a learning plan that includes a description of course objectives and information on the requirements a student must meet to successfully complete the program or courses. The rules shall allow course syllabi and other additional information to be used to meet the requirement for a learning plan;

(10) Requiring that the district assess the educational progress of enrolled students at least annually, using, for full-time students, the state assessment for the student's grade level and using any other annual assessments required by the school district. Part-time students shall also be assessed at least annually. However, part-time students who are either receiving home-based instruction under chapter 28A.200 RCW or who are enrolled in an approved private school under chapter 28A.195 RCW are not

required to participate in the assessments required under chapter 28A.655 RCW. The rules shall address how students who reside outside the geographic service area of the school district are to be assessed;

(11) Requiring that each student enrolled in the program have direct personal contact with certificated instructional staff at least weekly until the student completes the course objectives or the requirements in the learning plan. Direct personal contact is for the purposes of instruction, review of assignments, testing, evaluation of student progress, or other learning activities. Direct personal contact may include the use of telephone, e-mail, instant messaging, interactive video communication, or other means of digital communication;

(12) Requiring state-funded public schools or public school programs whose primary purpose is to provide digital learning programs to receive accreditation through the state accreditation program or through the regional accreditation program;

(13) Requiring state-funded public schools or public school programs whose primary purpose is to provide digital learning to provide information to students and parents on whether or not the courses or programs: Cover one or more of the school district's learning goals or of the state's essential academic learning requirements or whether they permit the student to meet one or more of the state's or district's graduation requirements; and

(14) Requiring that a school district that provides one or more digital courses to a student provide the parent or guardian of the student, prior to the student's enrollment, with a description of any difference between home-based education as described in chapter 28A.200 RCW and the enrollment option selected by the student. The parent or guardian shall sign documentation attesting to his or her understanding of the difference and the documentation shall be retained by the district and made available for audit."

(1)(a) Revenues generated from the sale of special license plates for those sponsoring organizations who used the application process in RCW 46.16.745(3) must be deposited into the motor vehicle account until the department determines that the state's implementation costs have been fully reimbursed. The department shall apply the application fee required under RCW 46.16.745(3)(a) towards those costs.

(b) When it is determined that the state has been fully reimbursed the department must notify the house of representatives and senate transportation committees, the sponsoring organization, and the treasurer, and commence the distribution of the revenue as otherwise provided by law.

(2) If reimbursement does not occur within two years from the date the plate is first offered for sale to the public, the special license plate series must be placed in probationary status for a period of one year from that date. If the state is still not

fully reimbursed for its implementation costs after the one-year probation, the plate series must be discontinued immediately. Special plates issued before discontinuation are valid until replaced under RCW 46.16.233.

(3) The special license plate applicant trust account is created in the custody of the state treasurer. All receipts from special license plate applicants, except the application fee as provided in RCW 46.16.745(3), must be deposited into the account. Only the director of the department or the director's designee may authorize disbursements from the account. The account is not subject to the allotment procedures under chapter 43.88 RCW, nor is an appropriation required for disbursements.

(4) The department shall provide the special license plate applicant with a written receipt for the payment.

(5) The department shall maintain a record of each special license plate applicant trust account deposit, including, but not limited to, the name and address of each special license plate applicant whose funds are being deposited, the amount paid, and the date of the deposit.

(6) After the department receives written notice that the special license plate applicant's application has been:

(a) Approved by the legislature the director shall request that the money be transferred to the motor vehicle account;

(b) Denied by the ((special license plate review board)) department or the legislature the director shall provide a refund to the applicant within thirty days; or

(c) Withdrawn by the special license plate applicant the director shall provide a refund to the applicant within thirty days.

Sec. 11. RCW 46.16.775 and 2003 c 196 s 304 are each amended to read as follows:

(1) A special license plate series created by the legislature after January 1, 2004, that has not been reviewed and approved by the special license plate review board or the department is subject to the following requirements:

(a) The organization sponsoring the license plate series shall, within thirty days of enactment of the legislation creating the plate series, submit prepayment of all start-up costs associated with the creation and implementation of the special license plate in an amount determined by the department. The prepayment will be credited to the motor vehicle fund. The creation and implementation of the plate series may not commence until payment is received by the department.

(b) If the sponsoring organization is not able to meet the prepayment requirements in (a) of this subsection and can demonstrate this fact to the satisfaction of the department, the revenues generated from the sale of the special license plates must be deposited in the motor vehicle account until the department determines that the state's portion of the implementation costs have been fully reimbursed. When it is determined that the state has been fully reimbursed the department must notify the treasurer to commence distribution of the revenue according to statutory provisions.

(c) The sponsoring organization must provide a proposed license plate design to the department within thirty days of enactment of the legislation creating the plate series.

(2) The state must be reimbursed for its portion of the implementation costs within two years from the date the new plate series goes on sale to the public. If the reimbursement does not occur within the two-year time frame, the special license plate series must be placed in probationary status for a period of one year from that date. If the state is still not fully reimbursed for its implementation costs after the one-year probation, the plate series must be discontinued immediately. Those plates issued before discontinuation are valid until replaced under RCW 46.16.233.

(3) If the sponsoring organization ceases to exist or the purpose of the special plate series ceases to exist, revenues generated from the sale of the special license plates must be deposited into the motor vehicle account.

(4) A sponsoring organization may not seek to redesign their plate series until all of the existing inventory is sold or purchased by the organization itself. All cost for redesign of a plate series must be paid by the sponsoring organization.

(3) "Nonmotorized commuting" means commuting to and from the workplace by an employee by walking or running or by riding a bicycle or other device not powered by a motor.

(4) "Ride sharing" means the same as "flexible commuter ride sharing" as defined in RCW 46.74.010, including ride sharing on Washington state ferries.

(5) "Car sharing" means a membership program intended to offer an alternative to car ownership under which persons or entities that become members are permitted to use vehicles from a fleet on an hourly basis.

NEW SECTION. Sec. 2. A new section is added to chapter 82.70 RCW to read as follows:

(1) Application for tax credits under this chapter must be received by the department between the first day of January and the 31st day of January, following the calendar year in which the applicant made payments to or on behalf of employees for ride sharing in vehicles carrying two or more persons, for using public transportation, for using car sharing, or for using nonmotorized commuting. The application shall be made to the department in a form and manner prescribed by the department. The application shall contain information regarding the number of employees for which incentives are paid during the calendar year, the amounts paid to or on behalf of employees for ride sharing in vehicles carrying two or more persons, for using public transportation, for using car sharing, or for using nonmotorized commuting, the amount of credit deferred under RCW 82.70.040(2)(b)(i) to be used, and other information required by the department. (2) The department shall rule on the application within sixty days of the deadline provided in subsection (1) of this section.

(3) The department shall disapprove any application not received by the deadline provided in subsection (1) of this section regardless of the reason that the application was received after the deadline.

(4) After an application is approved and tax credit granted, no increase in the credit shall be allowed.

Sec. 3. RCW 82.70.020 and 2003 c 364 s 2 are each amended to read as follows:

(1) Employers in this state who are taxable under chapter 82.04 or 82.16 RCW and provide financial incentives to their own or other employees for ride sharing, for using public transportation, for using car sharing, or for using nonmotorized commuting before July 1, 2013, are allowed a credit against taxes payable under chapters 82.04 and 82.16 RCW for amounts paid to or on behalf of employees for ride sharing in vehicles carrying two or more persons, for using public transportation, for using car sharing, or for using nonmotorized commuting, not to exceed sixty dollars per employee per fiscal year.

(2) Property managers who are taxable under chapter 82.04 or 82.16 RCW and provide financial incentives to persons employed at a worksite in this state managed by the property manager for ride sharing, for using public transportation, for using car sharing, or for using nonmotorized commuting before July 1, 2013, are allowed a credit against taxes payable under chapters 82.04 and 82.16 RCW for amounts paid to or on behalf of these persons for ride sharing in vehicles carrying two or more persons, for using public transportation, for using car sharing, or for using nonmotorized commuting, not to exceed sixty dollars per person per fiscal year.

(3) The credit under this section is equal to the amount paid to or on behalf of each employee multiplied by fifty percent, but may not exceed sixty dollars per employee per fiscal year. ~~((The credit may not exceed the amount of tax that would otherwise be due under chapters 82.04 and 82.16 RCW.))~~ No refunds may be granted for credits under this section.

(4) A person may not receive credit under this section for amounts paid to or on behalf of the same employee under both chapters 82.04 and 82.16 RCW.

(5) A person may not take a credit under this section for amounts claimed for credit by other persons.

Sec. 4. RCW 82.70.030 and 2003 c 364 s 3 are each amended to read as follows:

~~((1) Application for tax credit under RCW 82.70.020 may only be made in the form and manner prescribed in rules adopted by the department.~~

~~((2) The credit under this section must be taken or deferred under RCW 82.70.040 against taxes due for the same fiscal year in which the amounts for which credit is claimed were paid to or on behalf of employees for ride sharing, for using public transportation, for using car sharing, or for using nonmotorized commuting and must be claimed by the due date of the last tax return for the fiscal year in which the payment is made.~~

~~((3))~~ Any person who knowingly makes a false statement of a material fact in the application required under section 2 of this act for a credit under RCW 82.70.020 is guilty of a gross misdemeanor.

Sec. 5. RCW 82.70.040 and 2003 c 364 s 4 are each amended to read as follows:

(1)~~(a)~~ The department shall keep a running total of all credits ~~((accrued))~~ allowed under RCW 82.70.020 during each fiscal year. ~~((No person is eligible for tax credits under RCW 82.70.020 if the credits would cause the tabulation for the total amount of credits taken in any fiscal year))~~ The department shall not allow any credits that would cause the total amount allowed to exceed two million ~~((two))~~ seven hundred fifty thousand dollars in any fiscal year. This limitation includes any deferred credits carried forward under subsection (2)(b)(i) of this section from prior years.

(b) If the total amount of credit applied for by all applicants in any year exceeds the limit in this subsection, the department shall ratably reduce the amount of credit allowed for all applicants so that the limit in this subsection is not exceeded. If a credit is reduced under this subsection, the amount of the reduction may not be carried forward and claimed in subsequent fiscal years.

(2)(a) ~~((No person is eligible for))~~ Tax credits under RCW 82.70.020 may not be claimed in excess of the amount of tax ~~((that would))~~ otherwise ~~((be))~~ due under chapter 82.04 or 82.16 RCW.

(b)(i) Through June 30, 2005, a person with taxes equal to or in excess of the credit under RCW 82.70.020, and therefore not subject to the limitation in (a) of this subsection, may elect to defer tax credits for a period of not more than three years after the year in which the credits accrue. No credits deferred under this subsection (2)(b)(i) may be used after June 30, 2008. A person deferring tax credits under this subsection (2)(b)(i) must submit an application as provided in section 2 of this act in the year in which the deferred tax credits will be ~~((applied))~~ used. This application is subject to ~~((eligibility under))~~ the provisions of subsection (1) of this section for the ~~((fiscal))~~ year in which the tax credits will be applied. If a deferred credit is reduced under subsection (1)(b) of this section, the amount of deferred credit disallowed because of the reduction may be carried forward as long as the period of deferral does not exceed three years after the year in which the credit was earned.

(ii) For credits approved by the department after June 30, 2005, the approved credit may be carried forward to subsequent years until used. Credits carried forward as authorized by this subsection are subject to the limitation in subsection (1)(a) of this section for the fiscal year for which the credits were originally approved.

(3) No person (~~is eligible~~) shall be approved for tax credits under RCW 82.70.020 in excess of two hundred thousand dollars in any fiscal year. This limitation does not apply to credits (~~deferred in~~) carried forward from prior years under subsection (2)(b) of this section.

(4) No person (~~is eligible for~~) may claim tax credits (~~, including deferred credits authorized under subsection (2)(b) of this section,~~) after June 30, 2013.

(5) Credits may not be carried forward (~~or carried backward~~) other than as authorized in subsection (2)(b) of this section.

(6) No person is eligible for tax credits under RCW 82.70.020 if the additional revenues for the multimodal transportation account created by Engrossed Substitute House Bill No. 2231 are terminated.

Trust Land Transfer (06-2-012)

The appropriation in this section is subject to the following conditions and limitations:

(1) The total appropriation is provided to the department solely to transfer from trust status or enter into thirty-year timber harvest restrictive easements/leases for certain trust lands of state-wide significance deemed appropriate for state park, fish and wildlife habitat, natural area preserve, natural resources conservation area, open space, or recreation purposes.

(2) Property transferred under this section shall be appraised and transferred at fair market value. The value of the timber transferred shall be deposited by the department to the common school construction account in the same manner as timber revenues from other common school trust lands. No deduction shall be made for the resource management cost account under RCW 79.64.040. The value of the land transferred shall be deposited in the natural resources real property replacement account. These funds shall be expended by the department for the exclusive purpose of acquiring nonagricultural real property of equal value to be managed as common school trust land.

(3) Property subject to easement/lease agreements under this section shall be appraised at fair market value both with and without the imposition of the easement/lease. The entire difference in appraised value shall be deposited by the department to the common school construction fund in the same manner as lease revenues from other common school trust lands. No deduction shall be made for the resource management cost account under RCW 79.64.040.

(4) All reasonable costs incurred by the department to implement this section are authorized to be paid out of this appropriation. Authorized costs include the actual cost of appraisals, staff time, environmental reviews, surveys, and other similar costs.

(5) Intergrant exchanges between common school and other trust lands of equal value may occur if the exchange is in the interest of each trust, as determined by the board of natural resources.

(6) Prior to or concurrent with conveyance of these properties, the department, with full cooperation of the receiving agencies, shall execute and record a real property instrument that dedicates the transferred properties to the purposes identified in subsection (1) of this section for a minimum period of thirty years. The department of natural resources, in consultation with the receiving state agencies, shall develop policy to address requests to replace transferred properties subject to the recorded property instrument that are no longer deemed appropriate for the purposes identified in subsection (1) of this section.

(7) The department and receiving agencies shall work in good faith to carry out the intent of this section. However, the department or receiving agencies may remove a property from the transfer list based on new, substantive information, if it is determined that transfer of the property is not in the statewide interest of either the common school trust or the receiving agency.

(8) Except as provided in subsection (11) of this section, the department shall execute trust land transfers and easements/leases such that, after the deduction of reasonable costs as provided in subsection (4) of this section, eighty percent of the appropriation in this section is deposited in the common school construction fund. To achieve the 80:20 ratio, the department may offset transfers of property with low timber-to-land ratios with easements/leases on other properties.

(9) On June 30, 2007, the state treasurer shall transfer all remaining uncommitted funds from this appropriation to the common school construction fund and the appropriation in this section shall be reduced by an equivalent amount.

(10) The appropriation in this section is provided for a list of projects in LEAP capital document No. 2005-11, as developed on April 4, 2005.

(11) The department shall execute trust land transfers, after the deduction of reasonable costs as provided in subsection (4) of this section, for Smugglers Cove, Cultus Bay, and Strawberry Point as described in LEAP capital document No. 2005-11, as developed on April 4, 2005.

Preventive Facility Maintenance and Building System Repairs (06-1-750)

The appropriation in this section is subject to the following conditions and limitations:

(1) Pursuant to definitions and provisions in section 925, chapter 26, Laws of 2003 1st sp. sess., the appropriation is provided solely to maintain facilities housing educational and general programs and to maintain its major building systems and campus infrastructure. Building maintenance, mechanical adjustments, repairs, and minor works for the facility or its major building systems and campus infrastructure must extend the remaining useful life of the facility or keep it safe and functioning normally.

(2) With this appropriation, the intent is to improve the average condition of state facilities as compared to the baseline conditions documented in report 03-1 of the joint legislative audit and review committee. Preventive facility maintenance project funds shall be allocated at the state board's discretion to achieve the above stated performance goal, with particular attention given to buildings currently rated in superior to adequate condition so as to maximize useful life given both the passage of time and intensity with which the space is used.

(3) Section 906 of this act does not apply to this appropriation.

(4) There is no intent to reappropriate amounts not expended by June 30, 2007.

The facility will provide integrated services to offer direct opportunities for skill improvement and to enhance employment outcomes of Washington state citizens.

(2) Prior to allotment for design, the state board for community and technical colleges shall submit a predesign document to the office of financial management and legislative fiscal committees identifying and outlining the project, scope, schedule, and preliminary cost estimates anticipated for the building, including identification of a revenue stream sufficient to pay future debt service costs on a certificate of participation.

**PART 6
MISCELLANEOUS AND SUPPLEMENTAL PROVISIONS**

MISCELLANEOUS PROVISIONS

NEW SECTION. Sec. 901. The estimated debt service costs impacting future general fund expenditures related solely to new capital appropriations within this act are \$19,503,912 during the 2005-2007 fiscal period; \$128,151,322 during the 2007-2009 fiscal period; \$200,451,220 during the 2009-2011 fiscal period; \$207,686,311 during the 2011-2013 fiscal period; and \$210,558,739 during the 2013-2015 period.

NEW SECTION. Sec. 902. (1) Allotments for appropriations in this act shall be provided in accordance with the capital project review requirements adopted by the office of financial management. The office of financial management shall notify the house of representatives capital budget committee and the senate ways and means committee of allotment releases based on review by the office of financial management. No expenditure may be incurred or obligation entered into for appropriations in this act until the office of financial management has given final approval to the allotment of the funds to be expended or encumbered. For allotments under this act, the allotment process includes, in addition to the statement of proposed expenditures for the current biennium, a category or categories for any reserve amounts and amounts expected to be expended in future biennia. Projects that will be employing alternative public works construction procedures under chapter 39.10 RCW are subject to the allotment procedures defined in this section and RCW 43.88.110. Contracts shall not be executed that call for expenditures in excess of the approved allotment, and the total amount shown in such contracts for the cost of future work that has not been appropriated shall not exceed the amount identified for such work in the level of funding approved by the office of financial management at the completion of predesign.

(2) The legislature intends that each project be defined as proposed to the legislature in the governor's budget document, unless it clearly appears from the legislative history that the legislature intended to define the scope of a project in a different way.

NEW SECTION. Sec. 903. To ensure that major construction projects are carried out in accordance with legislative and executive intent, appropriations in this act in excess of \$5,000,000 shall not be expended or encumbered until the office of financial management has reviewed and approved the agency's predesign and other documents, and approved an allotment for the project that includes specific authorization to enter into a contract to expend or encumber funds. The predesign document shall include but not be limited to program, site, and cost analysis in accordance with the predesign manual adopted by the office of financial management. To improve monitoring of major construction projects, progress reports shall be submitted by the agency administering the project to the office of financial management and to the fiscal committees of the house of representatives and senate. Reports will be submitted on July 1st and December 31st each year in a format to be developed by the office of financial management.

NEW SECTION. Sec. 904. Appropriations in this act for design and construction of facilities on higher education campuses shall be expended only after funds are allotted to institutions of higher education on the basis of: (1) Comparable unit cost standards, as determined by the office of financial management in consultation with the higher education coordinating board; (2) costs consistent with other higher education teaching facilities in the state; and (3) student full-time equivalent enrollment levels as established by the office of financial management in consultation with the higher education coordinating board.

NEW SECTION. Sec. 905. (1) To ensure that minor works appropriations are carried out in accordance with legislative intent, funds appropriated in this act shall not be allotted until project lists are on file at the office of financial management and the office of financial management has formally approved the lists. Proposed revisions to the lists must be filed with and approved by the office of financial management before funds may be expended on the revisions.

(2)(a) Minor works projects are single line appropriations that include multiple projects valued between \$25,000 and \$1,000,000 each that are of a similar nature and can generally be completed within two years of the appropriation with the funding provided. Minor works categories include (i) health, safety, and code requirements; (ii) facility preservation; (iii) infrastructure preservation; and (iv) program improvement or expansion. Improvements for accessibility in compliance with the Americans with disabilities act may be included in any of the above minor works categories.

(b) Minor works appropriations shall not be used for, among other things: Studies, except for technical or engineering reviews or designs that lead directly to and support a project on the same minor works list; planning; design outside the scope of work on a minor works list; moveable, temporary, and traditionally funded operating equipment not in compliance with the equipment criteria established by the office of financial management; software not dedicated to control of a specialized system; moving expenses; land or facility acquisition; or to supplement funding for projects with funding shortfalls unless expressly authorized elsewhere in this act. The office of financial management may make an exception to the limitations described in this subsection (2)(b) for exigent circumstances after notifying the legislative fiscal committees and waiting ten days for comments by the legislature regarding the proposed exception.

(3) The office of financial management shall forward copies of these project lists and revised lists to the house of representatives capital budget committee and the senate ways and means committee. No expenditure may be incurred or obligation entered into for minor works appropriations until the office of financial management has approved the allotment of the funds to be expended. The office of financial management shall encourage state agencies to incorporate accessibility planning and improvements into the normal and customary capital program.

(4) It is generally not intended to make future appropriations for capital expenditures or for maintenance and operating expenses for an acquisition project or a significant expansion project that is initiated through the minor works process and therefore does not receive a policy and fiscal analysis by the legislature. Minor works projects are intended to be one-time expenditures that do not require future state resources to complete.

NEW SECTION. Sec. 906. (1) The governor, through the office of financial management, may authorize a transfer of appropriation authority provided for a capital project that is in excess of the amount required for the completion of such project to another capital project for which the appropriation is insufficient. No such transfer may be used to expand the capacity of any facility beyond that intended by the legislature in making the appropriation. Such transfers may be effected only between capital appropriations to a specific department, commission, agency, or institution of higher education and only between capital projects that are funded from the same fund or account. No transfers may occur between projects to local government agencies except where the grants are provided within a single omnibus appropriation and where such transfers are specifically authorized by the implementing statutes that govern the grants.

(2) For purposes of this section, the governor may find that an amount is in excess of the amount required for the completion of a project only if: (a) The project as defined in the notes to the budget document is substantially complete and there are funds remaining; or (b) bids have been let on a project and it appears to a substantial certainty that the project as defined in the notes to the budget document can be completed within the biennium for less than the amount appropriated in this act.

(3) For the purposes of this section, the intent is that each project be defined as proposed to the legislature in the governor's budget document, unless it clearly appears from the legislative history that the legislature intended to define the scope of a project in a different way.

(4) Transfers of funds to an agency's infrastructure savings appropriation are subject to review and approval by the office of financial management. Expenditures from an infrastructure savings appropriation are limited to projects that have a primary purpose to correct infrastructure deficiencies or conditions that: (a) Adversely affect the ability to utilize the infrastructure for its current programmatic use; (b) reduce the life expectancy of the infrastructure; or (c) increase the operating costs of the infrastructure for its current programmatic use. Eligible infrastructure projects may include structures and surface improvements, site amenities, utility systems outside building footprints and natural environmental changes or requirements as part of an environmental regulation, a declaration of emergency for an infrastructure issue in conformance with RCW 43.88.250, or infrastructure planning as part of a facility master plan.

(5) A report of any transfer effected under this section, except emergency projects or any transfer under \$250,000, shall be filed with the legislative fiscal committees of the senate and house of representatives by the office of financial management at least thirty days before the date the transfer is effected. The office of financial management shall report all emergency or smaller transfers within thirty days from the date of transfer.

NEW SECTION. Sec. 907. (1) It is expected that projects be ready to proceed in a timely manner depending on the type or phase of the project or program that is the subject of the appropriation in this act. Except for major projects that customarily may take more than two biennia to complete from predesign to the end of construction, or large infrastructure grant

or loan programs supporting projects that often take more than two biennia to complete, the legislature generally does not intend to reappropriate funds more than once, particularly for smaller grant programs, local/community projects, and minor works.

(2) Agencies shall expedite the expenditure of reappropriations and appropriations in this act in order to: (a) Rehabilitate infrastructure resources; (b) accelerate environmental rehabilitation and restoration projects for the improvement of the state's natural environment; (c) reduce additional costs associated with acquisition and construction inflationary pressures; and (d) provide additional employment opportunities associated with capital expenditures.

(3) To the extent feasible, agencies are directed to accelerate expenditure rates at their current level of permanent employees and shall use contracted design and construction services wherever necessary to meet the goals of this section.

(4) The office of financial management shall report the following to the appropriate fiscal committees of the legislature by January 30, 2007: (a) A listing of reappropriations in the governor's 2007-2009 capital budget recommendation that will be reappropriated more than once and have ten percent or more of the original appropriation unexpended; and (b) an explanation of why the appropriation remains unexpended.

NEW SECTION. Sec. 908. The legislature finds that the state's public four-year institutions and the higher education coordinating board have made substantial progress in developing a process to create a single prioritized list of capital project requests as required under RCW 28B.76.220. The legislature also recognizes that continuing work by the institutions and the board is needed to refine the methodology for determining the ranking of project requests, and that this work will benefit from additional legislative guidance. Therefore, the higher education coordinating board and the public four-year institutions, in developing and submitting the single prioritized project list of capital project requests under RCW 28B.76.220, shall use the following additional guidelines:

(1) Representatives of the board shall participate in the process of scoring projects using the criteria in the board's biennial budget guidelines. Representatives of the board shall also review the preliminary project list to verify the scoring and ranking of projects. As required under RCW 28B.76.210, institutions must submit the preliminary project list to the board by August 1st of each even-numbered year to enable this review. Any disagreements over project scorings or rankings shall be resolved as provided under RCW 28B.76.220(4).

(2) The board's biennial budget guidelines and the prioritization process shall place a greater emphasis on early critical review of project proposals at the pre-design phase, rather than deferring critical review and prioritization to the design or construction phases of a project.

(4) The scoring and ranking of projects shall not be based on assigning an equal number of overall points to each public four-year institution, but shall reflect an assignment of points to individual projects based on the priorities and criteria in this section and in the board's biennial budget guidelines.

(5) Projects shall not be ranked on the basis of a project funding source.

(6) In consultation with the appropriate fiscal and policy committees of the legislature, the board shall identify statewide priorities for higher education capital investments and incorporate those priorities into its biennial budget guidelines. The statewide priorities shall address the need for higher education capital projects to:

- (a) Implement a specific legislatively authorized program or planning priority;
- (b) Reduce the backlog of deferred building or system preservation, renewal, or replacement;
- (c) Provide additional capacity or adaptation of space for high demand instructional or research programs;
- (d) Provide additional instructional program capacity for under-served geographic regions or populations; and
- (e) Reflect institutional planning priorities and areas of emphasis.

(7) The board's biennial budget guidelines shall include a quantitative method for scoring projects on the identified priorities. The quantitative method shall include use of the facility condition index developed by the joint legislative audit and review committee for assessing building or system condition, and use of the board's space utilization and allocation standards for assessing the need for additional capacity.

NEW SECTION. Sec. 912. The amounts shown under the headings "Prior Biennia," "Future Biennia," and "Total" in this act are for informational purposes only and do not constitute legislative approval of these amounts. "Prior biennia" typically refers to the immediate prior biennium for reappropriations, but may refer to multiple biennia in the case of specific projects. A "future biennia" amount is an estimate of what may be appropriated for the project or program in the 2007-09 biennium and the following four biennia; an amount of zero does not necessarily constitute legislative intent to not provide funding for the project or program in the future.

NEW SECTION. Sec. 913. "Reappropriations" in this act are appropriations and, unless the context clearly provides otherwise, are subject to the relevant conditions and limitations applicable to appropriations. Reappropriations shall be limited to the unexpended balances remaining on June 30, 2005, from the 2003-2005 biennial appropriations for each project.

NEW SECTION. Sec. 914. To carry out the provisions of this act, the governor may assign responsibility for predesign, design, construction, and other related activities to any appropriate agency.

NEW SECTION. Sec. 915. If any federal moneys appropriated by this act for capital projects are not received by the state, the department or agency to which the moneys were appropriated may replace the federal moneys with funds available from private or local sources. No replacement may occur under this section without the prior approval of the director of financial management in consultation with the senate ways and means committee and the house of representatives capital budget committee.

NEW SECTION. Sec. 916. (1) Unless otherwise stated, for all appropriations under this act that require a match of nonstate money or in-kind contributions, the following requirement, consistent with RCW 43.88.150, shall apply: Expenditures of state money shall be timed so that the state share of project expenditures never exceeds the intended state share of total project costs.

(2) Provision of the full amount of required matching funds is not required to permit the expenditure of capital budget appropriations for phased projects if a proportional amount of the required matching funds is provided for each distinct, identifiable phase of the project.

NEW SECTION. Sec. 917. Any capital improvements or capital projects involving construction or major expansion of a state office facility, including, but not limited to, district headquarters, detachment offices, and off-campus faculty offices, must be reviewed by the department of general administration for possible consolidation, colocation, and compliance with state office standards before allotment of funds. The intent of the requirement imposed by this section is to eliminate duplication and reduce total office space requirements where feasible, while ensuring proper service to the public.

NEW SECTION. Sec. 918. The military department shall file quarterly progress reports in addition to the annual project progress reporting requirement of RCW 43.88.160(3). These reports must contain local, state, and federal funding reconciliation and balance sheets for all appropriated readiness center projects and detail any federal intentions on future readiness centers and other facilities.

NEW SECTION. Sec. 919. NONTAXABLE AND TAXABLE BOND PROCEEDS. Portions of the appropriation authority granted by this act from the state building construction account may be transferred to the state taxable building construction account as deemed necessary by the state finance committee to comply with the federal internal revenue service rules and regulations pertaining to the use of nontaxable bond proceeds. The state treasurer shall submit written notification to the director of financial management if it is determined that a shift of appropriation authority from the state building construction account to the state taxable building construction account is necessary.

NEW SECTION. Sec. 920. The office of financial management, in consultation with the department of general administration, shall identify capital projects that may benefit from an energy analysis to determine whether there are alternate, more economical, and energy efficient means of completing the work. The office of financial management shall hold appropriations in allotment reserve on the following types of capital projects until this analysis can be completed: Heating, ventilation, and air conditioning modifications, chiller plants, steam plants, boilers, chilled water or steam lines, building control systems, lighting improvements, or other major energy using systems that may warrant additional analysis. Agencies receiving appropriations for such projects are encouraged to utilize energy performance contracts or alternative financing for equipment in lieu of state appropriated funds. The office of financial management may transfer funds remaining in allotment reserve to infrastructure savings projects within the agency that has realized savings from energy efficiency alternatives.

Sec. 921. RCW 43.135.045 and 2003 1st sp.s. c 25 s 920 are each amended to read as follows:

(1) The emergency reserve fund is established in the state treasury. During each fiscal year, the state treasurer shall deposit in the emergency reserve fund all general fund--state revenues in excess of the state expenditure limit for that fiscal year. Deposits shall be made at the end of each fiscal quarter based on projections of state revenues and the state expenditure limit. The treasurer shall make transfers between these accounts as necessary to reconcile actual annual revenues and the expenditure limit for fiscal year 2000 and thereafter.

(2) The legislature may appropriate moneys from the emergency reserve fund only with approval of at least two-thirds of the members of each house of the legislature, and then only if the appropriation does not cause total expenditures to exceed the state expenditure limit under this chapter.

(3) The emergency reserve fund balance shall not exceed five percent of annual general fund--state revenues as projected by the official state revenue forecast. Any balance in excess of five percent shall be transferred on a quarterly basis by the state treasurer as follows: Seventy-five percent to the student achievement fund hereby created in the state treasury and

twenty-five percent to the general fund balance. The treasurer shall make transfers between these accounts as necessary to reconcile actual annual revenues for fiscal year 2000 and thereafter. When per-student state funding for the maintenance and operation of K-12 education meets a level of no less than ninety percent of the national average of total funding from all sources per student as determined by the most recent published data from the national center for education statistics of the United States department of education, as calculated by the office of financial management, further deposits to the student achievement fund shall be required only to the extent necessary to maintain the ninety-percent level. Remaining funds are part of the general fund balance and these funds are subject to the expenditure limits of this chapter.

(4) The education construction fund is hereby created in the state treasury.

(a) Funds may be appropriated from the education construction fund exclusively for common school construction or higher education construction. During the fiscal years beginning July 1, 2005, and ending June 30, 2007, funds may also be used for higher education facilities preservation and maintenance.

(b) Funds may be appropriated for any other purpose only if approved by a two-thirds vote of each house of the legislature and if approved by a vote of the people at the next general election. An appropriation approved by the people under this subsection shall result in an adjustment to the state expenditure limit only for the fiscal period for which the appropriation is made and shall not affect any subsequent fiscal period.

(5) Funds from the student achievement fund shall be appropriated to the superintendent of public instruction strictly for distribution to school districts to meet the provisions set out in the student achievement act. Allocations shall be made on an equal per full-time equivalent student basis to each school district.

(6) Earnings of the emergency reserve fund under RCW 43.84.092(4)(a) shall be transferred quarterly to the multimodal transportation account, except for those earnings that are in excess of thirty-five million dollars each fiscal year. Within thirty days following any fiscal year in which earnings transferred to the multimodal transportation account under this subsection did not total thirty-five million dollars, the state treasurer shall transfer from the emergency reserve fund an amount necessary to bring the total deposited in the multimodal transportation account under this subsection to thirty-five million dollars. The revenues to the multimodal transportation account reflected in this subsection provide ongoing support for the transportation programs of the state. However, it is the intent of the legislature that any new long-term financial support that may be subsequently provided for transportation programs will be used to replace and supplant the revenues reflected in this subsection, thereby allowing those revenues to be returned to the purposes to which they were previously dedicated. No transfers from the emergency reserve fund to the multimodal fund shall be made during the 2003-05 fiscal biennium.

Sec. 922. RCW 43.88.032 and 1997 c 96 s 5 are each amended to read as follows:

(2) All debt-financed pass-through money to local governments shall be programmed and separately identified in the budget document.

Sec. 923. RCW 28B.50.360 and 2004 c 277 s 910 are each amended to read as follows:

Within thirty-five days from the date of start of each quarter all collected building fees of each such community and technical college shall be paid into the state treasury, and shall be credited as follows:

(1) On or before June 30th of each year the college board if issuing bonds payable out of building fees shall certify to the state treasurer the amounts required in the ensuing twelve-month period to pay and secure the payment of the principal of and interest on such bonds. The state treasurer shall thereupon deposit the amounts so certified in the community and technical college capital projects account. Such amounts of the funds deposited in the community and technical college capital projects account as are necessary to pay and secure the payment of the principal of and interest on the building bonds issued by the college board as authorized by this chapter shall be exclusively devoted to that purpose. If in any twelve-month period it shall appear that the amount certified by the college board is insufficient to pay and secure the payment of the principal of and interest on the outstanding building bonds, the state treasurer shall notify the college board and such board shall adjust its certificate so that all requirements of moneys to pay and secure the payment of the principal and interest on all such bonds then outstanding shall be fully met at all times.

(2) The community and technical college capital projects account is hereby created in the state treasury. The sums deposited in the capital projects account shall be appropriated and expended exclusively to pay and secure the payment of the principal of and interest on bonds payable out of the building fees and for the construction, reconstruction, erection, equipping, maintenance, demolition and major alteration of buildings and other capital assets owned by the state board for community and technical colleges in the name of the state of Washington, and the acquisition of sites, rights-of-way, easements, improvements or

appurtenances in relation thereto, ~~((and, during the 2003-05 biennium,))~~ engineering and architectural services provided by the department of general administration, and for the payment of principal of and interest on any bonds issued for such purposes.

NEW SECTION. Sec. 924. In accordance with the recommendation of the joint legislative audit and review committee report "Performance Audit of Capital Budget Processes," the office of financial management shall develop a plan, in consultation with legislative fiscal committees, to address weaknesses identified in that report in the oversight of facility projects. The report shall address, but not be limited to:

- (1) Aligning resources to program workload;
- (2) Identifying and institutionalizing best practices;
- (3) Creating easily accessible and reliable information systems; and
- (4) Improving the review and evaluation of projects at the predesign stage prior to the authorization of design and construction.

The office of financial management shall report on its plan to the governor and the senate committee on ways and means and house of representatives capital budget committee no later than December 1, 2005.

Sec. 925. RCW 43.155.050 and 2001 c 131 s 2 are each amended to read as follows:

The public works assistance account is hereby established in the state treasury. Money may be placed in the public works assistance account from the proceeds of bonds when authorized by the legislature or from any other lawful source. Money in the public works assistance account shall be used to make loans and to give financial guarantees to local governments for public works projects. Moneys in the account may also be appropriated to provide for state match requirements under federal law for projects and activities conducted and financed by the board under the drinking water assistance account. Not more than fifteen percent of the biennial capital budget appropriation to the public works board from this account may be expended or obligated for preconstruction loans, emergency loans, or loans for capital facility planning under this chapter; of this amount, not more than ten percent of the biennial capital budget appropriation may be expended for emergency loans and not more than one percent of the biennial capital budget appropriation may be expended for capital facility planning loans. For the 2005-2007 biennium, moneys in the account may be used for grants for projects identified in section 137 of this act.

NEW SECTION. Sec. 926. If chapter ... (Engrossed Substitute House Bill No. 1903), Laws of 2005 does not become law by June 30, 2005, section 925 of this act is null and void.

NEW SECTION. Sec. 927. To provide additional financial assistance and relief to irrigation districts and farmers during the current drought, loan principal and interest payments due to the department of ecology from previous biennia loans and loans in the 2005-2007 biennium for drought assistance or agricultural water supply projects may be deferred for the 2005-2007 biennium. Deferrals are intended only for loan recipients that involve a significant number of farmers who are temporarily leasing or not using their water rights for the benefit of the drought response. The deferrals shall apply to loans from the state drought preparedness account, the state emergency water projects revolving account, and state and local improvement revolving account (water supply facilities). Such loan repayments will resume consistent with the original loan agreement at the beginning of the 2007-2009 biennium.

NEW SECTION. Sec. 928. (1) The house of representatives capital budget committee, with staff support provided by the office of program research, shall research and develop recommendations and findings comparing the stewardship costs to properly manage public lands compared to private lands and the fiscal impacts on counties of purchasing additional public lands under chapter 79A.15 RCW. The capital budget committee shall work with the interagency committee for outdoor recreation, the department of fish and wildlife, the department of natural resources, and counties to obtain necessary information to complete the report.

(a) The private versus public stewardship comparison component of the report shall include, but not be limited to, weed control, diking and drainage, fencing, signage, and other land management activities.

(b) The county fiscal impact component of the report shall include, but not be limited to, a financial analysis determining the difference by county of assessing property taxes on lands acquired under chapter 79A.15 RCW based on one hundred percent of a property's true and fair value compared to assessing property as open space under chapter 84.34 RCW. The analysis shall also compare the fiscal impacts of using these different property tax rates by county for existing game lands held by the department of fish and wildlife and natural areas managed by the department of natural resources.

(2) The capital budget committee shall prepare the report by December 1, 2005.

POINT OF ORDER

Representative Nixon requested a scope and object ruling on the committee amendment to ENGROSSED SUBSTITUTE SENATE BILL NO. 5034.

SPEAKER'S RULING

Mr. Speaker (Representative Lovick presiding): "ENGROSSED SUBSTITUTE SENATE BILL NO. 5034 is entitled an act relating to 'disclosure of and restrictions on campaign funding'.

The bill as passed by the Senate changes campaign funding laws by:

- (1) regulating electioneering communications, including delineating when such communications are subject to campaign contribution limits; and

(2) changing the campaign contribution limits in RCW 42.17.530.

The bill also includes a variety of technical amendments relating to standards for false political advertising, report requirements for continuing political committees, and clarification of the offices subject to campaign funding laws.

The committee amendment delineates how campaign contribution limits are applied to affiliated entities.

Given that the bill has a broad title and includes multiple changes to campaign funding laws, the Speaker finds that the committee amendment is within the scope and object of the bill.

Representative Nixon, your point of order is not well taken."

Representatives Hunt, Haigh and Williams spoke in favor of adoption of the committee amendment.

STATEMENT FOR THE JOURNAL

I intended to vote YEA on ENGROSSED SUBSTITUTE SENATE BILL NO. 5034.

SHIRLEY HANKINS, 8th District

SUBSTITUTE SENATE BILL NO. 6037, By Senate Committee on Government Operations & Elections (originally sponsored by Senators Sheldon and Rockefeller)

Changing provisions relating to limited development of rural areas.

The bill was read the second time.

Representative Simpson moved the adoption of the following amendment (489):

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 36.70A.070 and 2004 c 196 s 1 are each amended to read as follows:

The comprehensive plan of a county or city that is required or chooses to plan under RCW 36.70A.040 shall consist of a map or maps, and descriptive text covering objectives, principles, and standards used to develop the comprehensive plan. The plan shall be an internally consistent document and all elements shall be consistent with the future land use map. A comprehensive plan shall be adopted and amended with public participation as provided in RCW 36.70A.140.

Each comprehensive plan shall include a plan, scheme, or design for each of the following:

(1) A land use element designating the proposed general distribution and general location and extent of the uses of land, where appropriate, for agriculture, timber production, housing, commerce, industry, recreation, open spaces, general aviation airports, public utilities, public facilities, and other land uses. The land use element shall include population densities, building intensities, and estimates of future population growth. The land use element shall provide for protection of the quality and quantity of ground water used for public water supplies. Where applicable, the land use element shall review drainage, flooding, and storm water run-off in the area and nearby jurisdictions and provide guidance for corrective actions to mitigate or cleanse those discharges that pollute waters of the state, including Puget Sound or waters entering Puget Sound.

(2) A housing element ensuring the vitality and character of established residential neighborhoods that: (a) Includes an inventory and analysis of existing and projected housing needs that identifies the number of housing units necessary to manage projected growth; (b) includes a statement of goals, policies, objectives, and mandatory provisions for the preservation, improvement, and development of housing, including single-family residences; (c) identifies sufficient land for housing, including, but not limited to, government-assisted housing, housing for low-income families, manufactured housing, multifamily housing, and group homes and foster care facilities; and (d) makes adequate provisions for existing and projected needs of all economic segments of the community.

(3) A capital facilities plan element consisting of: (a) An inventory of existing capital facilities owned by public entities, showing the locations and capacities of the capital facilities; (b) a forecast of the future needs for such capital facilities; (c) the proposed locations and capacities of expanded or new capital facilities; (d) at least a six-year plan that will finance such capital facilities within projected funding capacities and clearly identifies sources of public money for such purposes; and (e) a requirement to reassess the land use element if probable funding falls short of meeting existing needs and to ensure that the land use element, capital facilities plan element, and financing plan within the capital facilities plan element are coordinated and consistent. Park and recreation facilities shall be included in the capital facilities plan element.

(4) A utilities element consisting of the general location, proposed location, and capacity of all existing and proposed utilities, including, but not limited to, electrical lines, telecommunication lines, and natural gas lines.

(5) Rural element. Counties shall include a rural element including lands that are not designated for urban growth, agriculture, forest, or mineral resources. The following provisions shall apply to the rural element:

(a) Growth management act goals and local circumstances. Because circumstances vary from county to county, in establishing patterns of rural densities and uses, a county may consider local circumstances, but shall develop a written record explaining how the rural element harmonizes the planning goals in RCW 36.70A.020 and meets the requirements of this chapter.

(b) Rural development. The rural element shall permit rural development, forestry, and agriculture in rural areas. The rural element shall provide for a variety of rural densities, uses, essential public facilities, and rural governmental services needed to serve the permitted densities and uses. To achieve a variety of rural densities and uses, counties may provide for clustering, density transfer, design guidelines, conservation easements, and other innovative techniques that will accommodate appropriate rural densities and uses that are not characterized by urban growth and that are consistent with rural character.

(c) Measures governing rural development. The rural element shall include measures that apply to rural development and protect the rural character of the area, as established by the county, by:

(i) Containing or otherwise controlling rural development;

(ii) Assuring visual compatibility of rural development with the surrounding rural area;

(iii) Reducing the inappropriate conversion of undeveloped land into sprawling, low-density development in the rural area;

(iv) Protecting critical areas, as provided in RCW 36.70A.060, and surface water and ground water resources; and

(v) Protecting against conflicts with the use of agricultural, forest, and mineral resource lands designated under RCW 36.70A.170.

(d) Limited areas of more intensive rural development. Subject to the requirements of this subsection and except as otherwise specifically provided in this subsection (5)(d), the rural element may allow for limited areas of more intensive rural development, including necessary public facilities and public services to serve the limited area as follows:

(i) Rural development consisting of the infill, development, or redevelopment of existing commercial, industrial, residential, or mixed-use areas, whether characterized as shoreline development, villages, hamlets, rural activity centers, or crossroads developments.

(A) A commercial, industrial, residential, shoreline, or mixed-use area shall be subject to the requirements of (d)(iv) of this subsection, but shall not be subject to the requirements of (c)(ii) and (iii) of this subsection.

(B) Any development or redevelopment other than an industrial area or an industrial use within a mixed-use area or an industrial area under this subsection (5)(d)(i) must be principally designed to serve the existing and projected rural population.

(C) Any development or redevelopment in terms of building size, scale, use, or intensity shall be consistent with the character of the existing areas. Development and redevelopment may include changes in use from vacant land or a previously existing use so long as the new use conforms to the requirements of this subsection (5);

(ii) The intensification of development on lots containing, or new development of, small-scale recreational or tourist uses, including commercial facilities to serve those recreational or tourist uses, that rely on a rural location and setting, but that do not include new residential development. A small-scale recreation or tourist use is not required to be principally designed to serve the existing and projected rural population. Public services and public facilities shall be limited to those necessary to serve the recreation or tourist use and shall be provided in a manner that does not permit low-density sprawl, such as a connection to an existing sewer line where such connection serves only the recreational or tourist use and is not available to adjacent nonrecreational or nontourist use parcels;

(iii) The intensification of development on lots containing isolated nonresidential uses or new development of isolated cottage industries and isolated small-scale businesses that are not principally designed to serve the existing and projected rural population and nonresidential uses, but do provide job opportunities for rural residents. Rural counties may allow the expansion of small-scale businesses as long as those small-scale businesses conform with the rural character of the area as defined by the local government according to RCW 36.70A.030(14). Rural counties may also allow new small-scale businesses to utilize a site previously occupied by an existing business as long as the new small-scale business conforms to the rural character of the area as defined by the local government according to RCW 36.70A.030(14). Public services and public facilities shall be limited to those necessary to serve the isolated nonresidential use and shall be provided in a manner that does not permit low-density sprawl;

(iv) A county shall adopt measures to minimize and contain the existing areas or uses of more intensive rural development, as appropriate, authorized under this subsection. Lands included in such existing areas or uses shall not extend beyond the logical outer boundary of the existing area or use, thereby allowing a new pattern of low-density sprawl. Existing areas are those that are clearly identifiable and contained and where there is a logical boundary delineated predominately by the

built environment, but that may also include undeveloped lands if limited as provided in this subsection. The county shall establish the logical outer boundary of an area of more intensive rural development. In establishing the logical outer boundary the county shall address (A) the need to preserve the character of existing natural neighborhoods and communities, (B) physical boundaries such as bodies of water, streets and highways, and land forms and contours, (C) the prevention of abnormally irregular boundaries, and (D) the ability to provide public facilities and public services in a manner that does not permit low-density sprawl;

(v) For purposes of (d) of this subsection, an existing area or existing use is one that was in existence:

(A) On July 1, 1990, in a county that was initially required to plan under all of the provisions of this chapter;

(B) On the date the county adopted a resolution under RCW 36.70A.040(2), in a county that is planning under all of the provisions of this chapter under RCW 36.70A.040(2); or

(C) On the date the office of financial management certifies the county's population as provided in RCW 36.70A.040(5), in a county that is planning under all of the provisions of this chapter pursuant to RCW 36.70A.040(5).

(e) Exception. This subsection shall not be interpreted to permit in the rural area a major industrial development or a master planned resort unless otherwise specifically permitted under RCW 36.70A.360 and 36.70A.365.

(6) A transportation element that implements, and is consistent with, the land use element.

(a) The transportation element shall include the following subelements:

(i) Land use assumptions used in estimating travel;

(ii) Estimated traffic impacts to state-owned transportation facilities resulting from land use assumptions to assist the department of transportation in monitoring the performance of state facilities, to plan improvements for the facilities, and to assess the impact of land-use decisions on state-owned transportation facilities;

(iii) Facilities and services needs, including:

(A) An inventory of air, water, and ground transportation facilities and services, including transit alignments and general aviation airport facilities, to define existing capital facilities and travel levels as a basis for future planning. This inventory must include state-owned transportation facilities within the city or county's jurisdictional boundaries;

(B) Level of service standards for all locally owned arterials and transit routes to serve as a gauge to judge performance of the system. These standards should be regionally coordinated;

(C) For state-owned transportation facilities, level of service standards for highways, as prescribed in chapters 47.06 and 47.80 RCW, to gauge the performance of the system. The purposes of reflecting level of service standards for state highways in the local comprehensive plan are to monitor the performance of the system, to evaluate improvement strategies, and to facilitate coordination between the county's or city's six-year street, road, or transit program and the department of transportation's six-year investment program. The concurrency requirements of (b) of this subsection do not apply to transportation facilities and services of statewide significance except for counties consisting of islands whose only connection to the mainland are state highways or ferry routes. In these island counties, state highways and ferry route capacity must be a factor in meeting the concurrency requirements in (b) of this subsection;

(D) Specific actions and requirements for bringing into compliance locally owned transportation facilities or services that are below an established level of service standard;

(E) Forecasts of traffic for at least ten years based on the adopted land use plan to provide information on the location, timing, and capacity needs of future growth;

(F) Identification of state and local system needs to meet current and future demands. Identified needs on state-owned transportation facilities must be consistent with the statewide multimodal transportation plan required under chapter 47.06 RCW;

(iv) Finance, including:

(A) An analysis of funding capability to judge needs against probable funding resources;

(B) A multiyear financing plan based on the needs identified in the comprehensive plan, the appropriate parts of which shall serve as the basis for the six-year street, road, or transit program required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, and RCW 35.58.2795 for public transportation systems. The multiyear financing plan should be coordinated with the six-year improvement program developed by the department of transportation as required by RCW 47.05.030;

(C) If probable funding falls short of meeting identified needs, a discussion of how additional funding will be raised, or how land use assumptions will be reassessed to ensure that level of service standards will be met;

(v) Intergovernmental coordination efforts, including an assessment of the impacts of the transportation plan and land use assumptions on the transportation systems of adjacent jurisdictions;

(vi) Demand-management strategies.

(b) After adoption of the comprehensive plan by jurisdictions required to plan or who choose to plan under RCW 36.70A.040, local jurisdictions must adopt and enforce ordinances which prohibit development approval if the development causes the level of service on a locally owned transportation facility to decline below the standards adopted in the transportation

element of the comprehensive plan, unless transportation improvements or strategies to accommodate the impacts of development are made concurrent with the development. These strategies may include increased public transportation service, ride sharing programs, demand management, and other transportation systems management strategies. For the purposes of this subsection (6) "concurrent with the development" shall mean that improvements or strategies are in place at the time of development, or that a financial commitment is in place to complete the improvements or strategies within six years.

(c) The transportation element described in this subsection (6), and the six-year plans required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, RCW 35.58.2795 for public transportation systems, and RCW 47.05.030 for the state, must be consistent.

(7) An economic development element establishing local goals, policies, objectives, and provisions for economic growth and vitality and a high quality of life. The element shall include: (a) A summary of the local economy such as population, employment, payroll, sectors, businesses, sales, and other information as appropriate; (b) a summary of the strengths and weaknesses of the local economy defined as the commercial and industrial sectors and supporting factors such as land use, transportation, utilities, education, work force, housing, and natural/cultural resources; and (c) an identification of policies, programs, and projects to foster economic growth and development and to address future needs. A city that has chosen to be a residential community is exempt from the economic development element requirement of this subsection.

(8) A park and recreation element that implements, and is consistent with, the capital facilities plan element as it relates to park and recreation facilities. The element shall include: (a) Estimates of park and recreation demand for at least a ten-year period; (b) an evaluation of facilities and service needs; and (c) an evaluation of intergovernmental coordination opportunities to provide regional approaches for meeting park and recreational demand.

(9) It is the intent that new or amended elements required after January 1, 2002, be adopted concurrent with the scheduled update provided in RCW 36.70A.130. Requirements to incorporate any such new or amended elements shall be null and void until funds sufficient to cover applicable local government costs are appropriated and distributed by the state at least two years before local government must update comprehensive plans as required in RCW 36.70A.130.

NEW SECTION. **Sec. 2.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.

NEW SECTION. **Sec. 3.** Section 1 of this act expires August 31, 2005."

(1) Conviction records may be disseminated without restriction.

(2) Any criminal history record information which pertains to an incident that occurred within the last twelve months for which a person is currently being processed by the criminal justice system, including the entire period of correctional supervision extending through final discharge from parole, when applicable, may be disseminated without restriction with the exception of a record being disseminated in response to a request for a conviction record under RCW 43.43.832. A request for a conviction record under RCW 43.43.832 shall not contain information for a person who, within the last twelve months, is currently being processed by the criminal justice system unless it pertains to information relating to a crime against a person as defined in RCW 9.94A.411.

(3) Criminal history record information which includes nonconviction data may be disseminated by a criminal justice agency to another criminal justice agency for any purpose associated with the administration of criminal justice, or in connection with the employment of the subject of the record by a criminal justice or juvenile justice agency. A criminal justice agency may respond to any inquiry from another criminal justice agency without any obligation to ascertain the purpose for which the information is to be used by the agency making the inquiry.

(4) Criminal history record information which includes nonconviction data may be disseminated by a criminal justice agency to implement a statute, ordinance, executive order, or a court rule, decision, or order which expressly refers to records of arrest, charges, or allegations of criminal conduct or other nonconviction data and authorizes or directs that it be available or accessible for a specific purpose.

(5) Criminal history record information which includes nonconviction data may be disseminated to individuals and agencies pursuant to a contract with a criminal justice agency to provide services related to the administration of criminal justice. Such contract must specifically authorize access to criminal history record information, but need not specifically state that access to nonconviction data is included. The agreement must limit the use of the criminal history record information to stated purposes and insure the confidentiality and security of the information consistent with state law and any applicable federal statutes and regulations.

(6) Criminal history record information which includes nonconviction data may be disseminated to individuals and agencies for the express purpose of research, evaluative, or statistical activities pursuant to an agreement with a criminal justice agency. Such agreement must authorize the access to nonconviction data, limit the use of that information which identifies specific individuals to research, evaluative, or statistical purposes, and contain provisions giving notice to the person or organization to which the records are disseminated that the use of information obtained therefrom and further dissemination of such information are subject to the provisions of this chapter and applicable federal statutes and regulations, which shall be cited with express reference to the penalties provided for a violation thereof.

(7) Every criminal justice agency that maintains and disseminates criminal history record information must maintain information pertaining to every dissemination of criminal history record information except a dissemination to the effect that the agency has no record concerning an individual. Information pertaining to disseminations shall include:

- (a) An indication of to whom (agency or person) criminal history record information was disseminated;
- (b) The date on which the information was disseminated;
- (c) The individual to whom the information relates; and
- (d) A brief description of the information disseminated.

The information pertaining to dissemination required to be maintained shall be retained for a period of not less than one year.

(8) In addition to the other provisions in this section allowing dissemination of criminal history record information, RCW 4.24.550 governs dissemination of information concerning offenders who commit sex offenses as defined by RCW 9.94A.030. Criminal justice agencies, their employees, and officials shall be immune from civil liability for dissemination on criminal history record information concerning sex offenders as provided in RCW 4.24.550.

NEW SECTION. Sec. 10. A new section is added to chapter 43.43 RCW to read as follows:

When the Washington state patrol disseminates conviction record information in response to a request under RCW 43.43.832, it shall clearly state that: (1) The conviction record data does not include information on civil adjudications, administrative findings, or disciplinary board final decisions and that all such information must be obtained from the courts and licensing agencies; (2) the conviction record that is being disseminated includes information for which a person is currently being processed by the criminal justice system relating to only crimes against a person as defined in RCW 9.94A.411 and that it does not include any other current or pending charge information for which a person could be in the current process of being processed by the criminal justice system; and (3) an arrest is not a conviction or a finding of guilt."

(1) An agency may be denied a license, or any license issued pursuant to chapter 74.15 RCW and RCW 74.13.031 may be suspended, revoked, modified, or not renewed by the secretary upon proof (a) that the agency has failed or refused to comply

with the provisions of chapter 74.15 RCW and RCW 74.13.031 or the requirements promulgated pursuant to the provisions of chapter 74.15 RCW and RCW 74.13.031; or (b) that the conditions required for the issuance of a license under chapter 74.15 RCW and RCW 74.13.031 have ceased to exist with respect to such licenses. RCW 43.20A.205 governs notice of a license denial, revocation, suspension, or modification and provides the right to an adjudicative proceeding.

(2) In any adjudicative proceeding regarding the denial, modification, suspension, or revocation of a foster family home license, the department's decision shall be upheld if there is reasonable cause to believe that:

(a) The applicant or licensee lacks the character, suitability, or competence to care for children placed in out-of-home care, however, no unfounded report of child abuse or neglect may be used to deny employment or a license;

(b) The applicant or licensee has failed or refused to comply with any provision of chapter 74.15 RCW, RCW 74.13.031, or the requirements adopted pursuant to such provisions; or

(c) The conditions required for issuance of a license under chapter 74.15 RCW and RCW 74.13.031 have ceased to exist with respect to such licenses.

(3) In any adjudicative proceeding regarding the denial, modification, suspension, or revocation of any license under this chapter, other than a foster family home license, the department's decision shall be upheld if it is supported by a preponderance of the evidence.

(4) The department may assess civil monetary penalties upon proof that an agency has failed or refused to comply with the rules adopted under the provisions of this chapter and RCW 74.13.031 or that an agency subject to licensing under this chapter and RCW 74.13.031 is operating without a license except that civil monetary penalties shall not be levied against a licensed foster home. Monetary penalties levied against unlicensed agencies that submit an application for licensure within thirty days of notification and subsequently become licensed will be forgiven. These penalties may be assessed in addition to or in lieu of other disciplinary actions. Civil monetary penalties, if imposed, may be assessed and collected, with interest, for each day an agency is or was out of compliance. Civil monetary penalties shall not exceed seventy-five dollars per violation for a family day-care home and two hundred fifty dollars per violation for group homes, child day-care centers, and child-placing agencies. Each day upon which the same or substantially similar action occurs is a separate violation subject to the assessment of a separate penalty. The department shall provide a notification period before a monetary penalty is effective and may forgive the penalty levied if the agency comes into compliance during this period. The department may suspend, revoke, or not renew a license for failure to pay a civil monetary penalty it has assessed pursuant to this chapter within ten days after such assessment becomes final. Chapter 43.20A RCW governs notice of a civil monetary penalty and provides the right of an adjudicative proceeding. The preponderance of evidence standard shall apply in adjudicative proceedings related to assessment of civil monetary penalties.

(5)(a) In addition to or in lieu of an enforcement action being taken, the department may place a child day-care center or family day-care provider on nonreferral status if the center or provider has failed or refused to comply with this chapter or rules adopted under this chapter or an enforcement action has been taken. The nonreferral status may continue until the department determines that: (i) No enforcement action is appropriate; or (ii) a corrective action plan has been successfully concluded.

(b) Whenever a child day-care center or family day-care provider is placed on nonreferral status, the department shall provide written notification to the child day-care center or family day-care provider.

(6) The department shall notify appropriate public and private child care resource and referral agencies of the department's decision to: (a) Take an enforcement action against a child day-care center or family day-care provider; or (b) place or remove a child day-care center or family day-care provider on nonreferral status."

As used in this chapter: "Information required for voter registration" means the minimum information provided on a voter registration application that is required by the county auditor in order to place a voter registration applicant on the voter registration rolls. This information includes ~~((the applicant's))~~:

- ~~(1) Name(~~(, complete residence))~~;~~
- ~~(2) Residential address(~~(,))~~;~~
- ~~(3) Date of birth(~~(,))~~;~~
- ~~(4) Washington state driver's license number(~~(,))~~ or Washington state identification card number, or the last four digits of the applicant's Social Security number(~~(,))~~ if the applicant does not have a Washington state driver's license or Washington state identification card~~;
- ~~(5) A signature attesting to the truth of the information provided on the application(~~(,))~~; and~~
- ~~(6) A check or indication in the box confirming the individual is a United States citizen.~~

If the individual does not have a driver's license, state identification card, or Social Security number, the registrant must be issued a unique voter registration number ~~((and))~~ in order to be placed on the voter registration rolls. All other information supplied is ancillary and not to be used as grounds for not registering an applicant to vote. Modification of the language of the official Washington state voter registration form by the voter will not be accepted and will cause the rejection of the registrant's application.

Sec. 3. RCW 29A.08.030 and 2004 c 267 s 104 are each amended to read as follows:

The definitions set forth in this section apply throughout this chapter, unless the context clearly requires otherwise.

(1) "Verification notice" means a notice sent by the county auditor or secretary of state to a voter registration applicant and is used to verify or collect information about the applicant in order to complete the registration. The verification notice must be designed to include a postage prepaid, preaddressed return form by which the applicant may verify or send information.

(2) "Acknowledgement notice" means a notice sent by nonforwardable mail by the county auditor or secretary of state to a registered voter to acknowledge a voter registration transaction, which can include initial registration, transfer, or reactivation of an inactive registration. An acknowledgement notice may be a voter registration card.

(3) "Confirmation notice" means a notice sent to a registered voter by first class forwardable mail at the address indicated on the voter's permanent registration record and to any other address at which the county auditor or secretary of state could reasonably expect mail to be received by the voter in order to confirm the voter's residence address. The confirmation notice must be designed ~~((so that the voter may update his or her current residence address))~~ to include a postage prepaid, preaddressed return form by which the registrant may verify the address information.

Sec. 4. RCW 29A.08.107 and 2004 c 267 s 106 are each amended to read as follows:

(1) The secretary of state must review the information provided by each voter registration applicant to ensure that ~~((either))~~ the provided driver's license number, state identification card number, or ~~((the))~~ last four digits of the Social Security number match the information maintained by the Washington department of licensing or the Social Security administration. If a match cannot be made, the secretary of state or county auditor must correspond with the applicant to resolve the discrepancy.

(2) If the applicant fails to respond to any correspondence required in this section to confirm information provided on a voter registration application~~(s)~~ within ~~((thirty))~~ forty-five days, the applicant will not be registered to vote. The secretary of state shall forward the application to the appropriate county auditor for document storage.

(3) Only after the secretary of state has confirmed that ~~((an applicant's))~~ the provided driver's license number, state identification card number, or ~~((the))~~ last four digits of the applicant's Social Security number match existing records with the Washington department of licensing or the Social Security administration, or determined that the applicant does not have ~~((either))~~ a driver's license number, state identification card number, or Social Security number may the applicant be placed on the official list of registered voters.

(4) In order to prevent duplicate registration records, all complete voter registration applications must be screened against existing voter registration records in the official statewide voter registration list. If a match of an existing record is found in the official list, the record must be updated with the new information provided on the application. If the new information indicates that the voter has changed his or her county of residence, the application must be forwarded to the voter's new county of residence for processing.

Sec. 5. RCW 29A.08.110 and 2004 c 267 s 107 are each amended to read as follows:

(1) ~~((On receipt of an application for voter registration, the county auditor shall review the application to determine whether the information supplied is complete.))~~ An application is considered complete only if it contains the applicant's name, complete valid residence address, date of birth, ~~((and))~~ signature attesting to the truth of the information provided, a mark in the check-off box confirming United States citizenship, and an indication ~~((the license information))~~ that the provided driver's license number, state identification card number, or Social Security number has been confirmed by the secretary of state. If it is not complete, the auditor shall promptly mail a verification notice of the deficiency to the applicant. This verification notice shall require the applicant to provide the missing information. If the verification notice is not returned by the applicant within forty-five days or is returned as undeliverable ~~((the auditor shall not place)),~~ the name of the applicant shall not be placed on the ~~((county voter))~~ official list of registered voters. If the applicant provides the required verified information, the applicant shall be registered to vote as of the original date of mailing or date of delivery, whichever is applicable ~~((of the original voter registration application)).~~

(2) ~~((In order to prevent duplicate registration records, all complete voter registration applications must be screened against existing voter registration records in the official statewide voter registration list. If a match of an existing record is found in the official list the record must be updated with the new information provided on the application. If the new information indicates that the voter has changed his or her county of residence, the application must be forwarded to the voter's new county of residence for processing. If the new information indicates that the voter remains in the same county of residence or if the applicant is a new voter the application must be processed by the county of residence.~~

~~((3))~~ If the information required in subsection (1) of this section is complete, the applicant is considered to be registered to vote as of the original date of mailing or date of delivery, whichever is applicable. The auditor shall record the appropriate precinct identification, taxing district identification, and date of registration on the voter's record in the state voter registration list. Within forty-five days after the receipt of an application but no later than seven days before the next primary, special election, or

general election, the auditor shall send to the applicant, by first class mail, an acknowledgement notice identifying the registrant's precinct and containing such other information as may be required by the secretary of state. The postal service shall be instructed not to forward a voter registration card to any other address and to return to the auditor any card which is not deliverable. ~~((If the registrant has indicated on the form that he or she is registered to vote within the county but has provided a new address within the county that is for voter registration purposes, the auditor shall transfer the voter's registration.~~

(4)) (3) If an acknowledgement notice card is properly mailed as required by this section to the address listed by the voter as being the voter's mailing address and the notice is subsequently returned to the auditor by the postal service as being undeliverable to the voter at that address, the auditor shall promptly send the voter a confirmation notice. The auditor shall place the voter's registration on inactive status pending a response from the voter to the confirmation notice.

NEW SECTION. Sec. 6. A new section is added to chapter 29A.08 RCW to read as follows:

No person registering to vote, who meets all the qualifications of a registered voter in the state of Washington, shall be disqualified because of a nontraditional address being used as a residence address. Voters using such an address will be registered and assigned to a precinct based on the location provided. Voters without a traditional address will be registered at the county courthouse, city hall, or other public building near the area that the voter considers his or her residence. Registering at a nontraditional address will not disqualify a voter from requesting ongoing absentee voter status if the voter designates a valid mailing address.

For the purposes of this section, "nontraditional address" includes shelters, parks, or other identifiable locations that the voter deems to be his or her residence.

NEW SECTION. Sec. 7. A new section is added to chapter 29A.08 RCW to read as follows:

(1) If a voter who registered by mail indicates on the voter registration form that he or she does not have a Washington state driver's license, Washington state identification card, or Social Security number, he or she must provide one of the following forms of identification the first time he or she votes after registering:

- (a) Valid photo identification;
- (b) A valid enrollment card of a federally recognized Indian tribe in Washington state;
- (c) A copy of a current utility bill;
- (d) A current bank statement;
- (e) A copy of a current government check;
- (f) A copy of a current paycheck; or
- (g) A government document that shows both the name and address of the voter.

(2) If the voter fails to provide one of the above forms of identification prior to or at the time of voting, the ballot must be treated as a provisional ballot regardless of whether the voter is voting at a poll site or by mail. The ballot may only be counted if the voter's signature on the outside envelope matches the signature in the voter registration records.

(3) The requirements of this section do not apply to an out-of-state, overseas, or service voter who registers to vote by signing the return envelope of the absentee ballot.

Sec. 8. RCW 29A.08.115 and 2004 c 267 s 108 are each amended to read as follows:

A person or organization collecting voter registration application forms must transmit the forms to the secretary of state or a ~~((designee))~~ county auditor at least once weekly. The registration date on such forms will be the date they are received by the secretary of state or county auditor.

Sec. 9. RCW 29A.08.145 and 2004 c 267 s 113 are each amended to read as follows:

This section establishes a special procedure which an elector may use to register to vote or transfer a voter registration by changing his or her address during the period beginning after the closing of registration for voting at the polls under RCW 29A.08.140 and ending on the fifteenth day before a primary, special election, or general election. A qualified elector in the state may register to vote or change his or her registration address in person in the office of the county auditor of the county in which the applicant resides, or at a voter registration location specifically designated for this purpose by the county auditor ~~((of the county in which the applicant resides))~~ or secretary of state, and apply for an absentee ballot for that primary or election. The auditor or registration assistant shall register that individual in the manner provided in this chapter. The application for an absentee ballot executed by the newly registered or transferred voter for the primary or election that follows the execution of the registration shall be promptly transmitted to the auditor with the completed voter registration form.

Sec. 10. RCW 29A.08.210 and 2003 c 111 s 216 are each amended to read as follows:

An applicant for voter registration shall complete an application providing the following information concerning his or her qualifications as a voter in this state:

- (1) The address of the last former registration of the applicant as a voter in the state;
- (2) The applicant's full name;
- (3) The applicant's date of birth;
- (4) The address of the applicant's residence for voting purposes;
- (5) The mailing address of the applicant if that address is not the same as the address in subsection (4) of this section;
- (6) The sex of the applicant;
- (7) The applicant's Washington state driver's license number or Washington state identification card number, or the last four digits of the applicant's Social Security number if he or she does not have a Washington state driver's license or Washington state identification card;
- (8) A check box for the applicant to indicate that he or she does not have a Washington state driver's license, Washington state identification card, or social security number;
- (9) A check box allowing the applicant to indicate that he or she is a member of the armed forces, national guard, or reserves, or that he or she is an overseas voter;
- (10) A check box allowing the applicant to confirm that he or she is at least eighteen years of age;
- (11) Clear and conspicuous language, designed to draw the applicant's attention, stating that the applicant must be a United States citizen in order to register to vote;
- (12) A check box and declaration confirming that the applicant is a citizen of the United States;
- (13) The following warning:
"If you knowingly provide false information on this voter registration form or knowingly make a false declaration about your qualifications for voter registration you will have committed a class C felony that is punishable by imprisonment for up to five years, a fine of up to ten thousand dollars, or both."

~~((8))~~ (14) The oath required by RCW 29A.08.230 and a space for the applicant's signature; and

~~((9))~~ (15) Any other information that the secretary of state determines is necessary to establish the identity of the applicant and prevent duplicate or fraudulent voter registrations.

This information shall be recorded on a single registration form to be prescribed by the secretary of state.

If the applicant fails to provide the information required for voter registration, the auditor shall send the applicant a verification notice. The ~~((auditor shall not register the))~~ applicant may not be registered until the required information is provided. If a verification notice is returned as undeliverable or the applicant fails to respond to the notice within forty-five days, the ~~((auditor shall not register the))~~ applicant shall not be registered to vote.

~~((The following warning shall appear in a conspicuous place on the voter registration form:~~

~~"If you knowingly provide false information on this voter registration form or knowingly make a false declaration about your qualifications for voter registration you will have committed a class C felony that is punishable by imprisonment for up to five years, or by a fine of up to ten thousand dollars, or both imprisonment and fine."))~~

NEW SECTION. Sec. 11. A new section is added to chapter 29A.08 RCW to read as follows:

(1) When a felony offender has completed all the requirements of his or her sentence, the county clerk shall immediately transmit this information to the secretary of state along with information about the county where the conviction occurred and the county that is the last known residence of the offender. The secretary of state shall maintain such records as part of the elections data base.

(2) If the offender has completed all the requirements of all of his or her sentences for all of his or her felony convictions, the secretary of state shall transmit information about the restoration of the former felon's voting rights to the county auditor where the conviction took place and, if different, the county where the felon was last known to reside.

Sec. 12. RCW 29A.08.250 and 2004 c 267 s 117 are each amended to read as follows:

The secretary of state shall furnish registration forms necessary to carry out the registration of voters as provided by this chapter without cost to the respective counties. ~~((All voter registration forms must include clear and conspicuous language, designed to draw an applicant's attention, stating that the applicant must be a United States citizen in order to register to vote. Voter registration application forms must also contain a space for the applicant to provide his or her driver's license number or the last four digits of his or her social security number as well as check boxes intended to allow the voter to indicate age and United States citizenship eligibility under the Help America Vote Act of 2002 (P.L. 107-252).))~~

Sec. 13. RCW 29A.08.330 and 2003 c 111 s 224 are each amended to read as follows:

(1) The secretary of state shall prescribe the method of voter registration for each designated agency. The agency shall use either the state voter registration by mail form with a separate declination form for the applicant to indicate that he or she declines to register at this time, or the agency may use a separate form approved for use by the secretary of state.

(2) The person providing service at the agency shall offer voter registration services to every client whenever he or she applies for service or assistance and with each renewal, recertification, or change of address. The person providing service shall give the applicant the same level of assistance with the voter registration application as is offered to fill out the agency's forms and documents, including information about age and citizenship requirements for voter registration.

(3) The person providing service at the agency shall determine if the prospective applicant wants to register to vote or transfer his or her voter registration by asking the following question:

"Do you want to register to vote or transfer your voter registration?"

If the applicant chooses to register or transfer a registration, the service agent shall ask the following:

(a) "Are you a United States citizen?"

(b) "Are you or will you be eighteen years of age on or before the next election?"

If the applicant answers in the affirmative to both questions, the agent shall then provide the applicant with a voter registration form and instructions and shall record that the applicant has requested to register to vote or transfer a voter registration. If the applicant answers in the negative to either question, the agent shall not provide the applicant with a voter registration form.

(4) If an agency uses a computerized application process, it may, in consultation with the secretary of state, develop methods to capture simultaneously the information required for voter registration during a person's computerized application process.

~~((4))~~ (5) Each designated agency shall provide for the voter registration application forms to be collected from each agency office at least once each week. The agency shall then forward the application forms to the secretary of state each week. The secretary of state shall forward the forms to the county in which the applicant has registered to vote no later than ten days after the date on which the forms were received by the secretary of state.

Sec. 14. RCW 29A.08.520 and 2004 c 267 s 126 are each amended to read as follows:

(1) Upon receiving official notice of a person's conviction of a felony in either state or federal court, if the convicted person is a registered voter in the county, the county auditor shall cancel the defendant's voter registration. Additionally, the secretary of state in conjunction with the department of corrections, the Washington state patrol, the office of the administrator for the courts, and other appropriate state agencies shall arrange for a ~~((periodic))~~ quarterly comparison of a list of known felons with the statewide voter registration list. If a person is found on ~~((the department of corrections))~~ a felon list and the statewide voter registration list, the secretary of state or county auditor shall confirm the match through a date of birth comparison and ~~((cancel))~~ suspend the voter registration from the official state voter registration list. The canceling authority shall send ~~((notice of the proposed cancellation))~~ to the person at his or her last known voter registration address a notice of the proposed cancellation and an explanation of the requirements for restoring the right to vote once all terms of sentencing have been completed. If the person does not respond within thirty days, the registration must be canceled.

(2) The right to vote may be restored by, for each felony conviction, one of the following:

(a) A certificate of discharge issued by the sentencing court, as provided in RCW 9.94A.637;

(b) A court order restoring the right, as provided in RCW 9.92.066;

(c) A final order of discharge issued by the indeterminate sentence review board, as provided in RCW 9.96.050; or

(d) A certificate of restoration issued by the governor, as provided in RCW 9.96.020.

Sec. 15. RCW 29A.08.651 and 2004 c 267 s 101 are each amended to read as follows:

(1) The office of the secretary of state shall create and maintain a statewide voter registration data base. This data base must be a single, uniform, official, centralized, interactive computerized statewide voter registration list defined, maintained, and administered at the state level that contains the name and registration information of every legally registered voter in the state and assigns a unique identifier to each legally registered voter in the state.

(2) The computerized list must serve as the single system for storing and maintaining the official list of registered voters throughout the state.

(3) The computerized list must contain the name and registration information of every legally registered voter in the state.

(4) Under the computerized list, a unique identifier is assigned to each legally registered voter in the state.

(5) The computerized list must be coordinated with other agency data bases within the state, including but not limited to the department of corrections, the department of licensing, ~~((and))~~ the department of health, the Washington state patrol, and the office of the administrator for the courts.

(6) Any election officer in the state, including any local election officer, may obtain immediate electronic access to the information contained in the computerized list.

(7) All voter registration information obtained by any local election officer in the state must be electronically entered into the computerized list on an expedited basis at the time the information is provided to the local officer.

(8) The chief state election officer shall provide support, as may be required, so that local election officers are able to enter information as described in subsection (3) of this section.

(9) The computerized list serves as the official voter registration list for the conduct of all elections.

(10) The secretary of state has data authority on all voter registration data.

(11) The voter registration data base must be designed to accomplish at a minimum, the following:

(a) Comply with the Help America Vote Act of 2002 (P.L. 107-252);

(b) Identify duplicate voter registrations;

(c) Identify suspected duplicate voters;

(d) Screen against the department of corrections, the Washington state patrol, and other appropriate state agency data bases to aid in the cancellation of voter registration of felons;

(e) Provide up-to-date signatures of voters for the purposes of initiative signature checking;

(f) Provide for a comparison between the voter registration data base and the department of licensing change of address data base;

(g) Provide online access for county auditors with the goal of real time duplicate checking and update capabilities; and

(h) Provide for the cancellation of voter registration for persons who have moved to other states and surrendered their Washington state drivers' licenses.

(12) The secretary of state must review and update the records of all registered voters on the computerized list on a quarterly basis to make additions and corrections.

Sec. 16. RCW 29A.08.710 and 2004 c 267 s 133 are each amended to read as follows:

(1) The county auditor shall have custody of the original voter registration records for each county. The original voter registration form must be filed without regard to precinct and is considered confidential and unavailable for public inspection and copying. An automated file of all registered voters must be maintained pursuant to RCW 29A.08.125. An auditor may maintain the automated file in lieu of filing or maintaining the original voter registration forms if the automated file includes all of the information from the original voter registration forms including, but not limited to, a retrievable facsimile of each voter's signature.

(2) The following information contained in voter registration records or files regarding a voter or a group of voters is available for public inspection and copying, except as provided in RCW 40.24.060: The voter's name, address, political jurisdiction, gender, date of birth, voting record, date of registration, and registration number. ~~((The address and political jurisdiction of a registered voter are available for public inspection and copying except as provided by chapter 40.24 RCW.))~~ No other information from voter registration records or files is available for public inspection or copying.

Sec. 17. RCW 29A.08.720 and 2004 c 266 s 9 are each amended to read as follows:

(1) In the case of voter registration records received through the department of licensing, the identity of the office at which any particular individual registered to vote is not available for public inspection and shall not be disclosed to the public. In the case of voter registration records received through an agency designated under RCW 29A.08.310, the identity of the agency at which any particular individual registered to vote is not available for public inspection and shall not be disclosed to the public. Any record of a particular individual's choice not to register to vote at an office of the department of licensing or a state agency designated under RCW 29A.08.310 is not available for public inspection and any information regarding such a choice by a particular individual shall not be disclosed to the public.

(2) ~~((All))~~ Subject to the restrictions of RCW 29A.08.710, poll books, precinct lists, and ~~((or))~~ current lists of registered voters, ~~((except original voter registration forms or their images, shall be))~~ are public records and must be made available for public inspection and copying under such reasonable rules and regulations as the county auditor or secretary of state may prescribe. The county auditor or secretary of state shall promptly furnish current lists ~~((or mailing labels))~~ of registered voters in his or her possession, at actual reproduction cost, to any person requesting such information. The lists ~~((and labels))~~ shall not be used for the purpose of mailing or delivering any advertisement or offer for any property, establishment, organization, product, or service or for the purpose of mailing or delivering any solicitation for money, services, or anything of value. However, the lists

~~((and labels))~~ may be used for any political purpose. The county auditor or secretary of state must provide a copy of RCW 29A.08.740 to the person requesting the material that is released pursuant to this section.

Sec. 18. RCW 29A.08.740 and 2003 c 111 s 249 and 2003 c 53 s 176 are each amended to read as follows:

(1) Any person who uses registered voter data furnished under RCW 29A.08.720 (~~or 29A.08.730~~) for the purpose of mailing or delivering any advertisement or offer for any property, establishment, organization, product, or service or for the purpose of mailing or delivering any solicitation for money, services, or anything of value is guilty of a class C felony punishable by imprisonment in a state correctional facility for a period of not more than five years or a fine of not more than ten thousand dollars or both such fine and imprisonment, and is liable to each person provided such advertisement or solicitation, without the person's consent, for the nuisance value of such person having to dispose of it, which value is herein established at five dollars for each item mailed or delivered to the person's residence. However, a person who mails or delivers any advertisement, offer, or solicitation for a political purpose is not liable under this section unless the person is liable under subsection (2) of this section. For purposes of this subsection, two or more attached papers or sheets or two or more papers that are enclosed in the same envelope or container or are folded together are one item. Merely having a mailbox or other receptacle for mail on or near the person's residence is not an indication that the person consented to receive the advertisement or solicitation. A class action may be brought to recover damages under this section, and the court may award a reasonable attorney's fee to any party recovering damages under this section.

(2) Each person furnished data under RCW 29A.08.720 (~~or 29A.08.730~~) shall take reasonable precautions designed to assure that the data is not used for the purpose of mailing or delivering any advertisement or offer for any property, establishment, organization, product, or service or for the purpose of mailing or delivering any solicitation for money, services, or anything of value. However, the data may be used for any political purpose. Where failure to exercise due care in carrying out this responsibility results in the data being used for such purposes, then such person is jointly and severally liable for damages under subsection (1) of this section along with any other person liable under subsection (1) of this section for the misuse of such data.

Sec. 19. RCW 29A.08.775 and 2004 c 267 s 136 are each amended to read as follows:

Only voters who appear on the official statewide voter registration list are eligible to participate in elections. Each county shall maintain a copy of that county's portion of the state list. The county must ensure that data used for the production of poll lists and other lists and mailings done in the administration of each election are (~~drawn from~~) the same as the official statewide voter registration list.

Sec. 20. RCW 29A.40.091 and 2004 c 271 s 135 are each amended to read as follows:

The county auditor shall send each absentee voter a ballot, a security envelope in which to seal the ballot after voting, a larger envelope in which to return the security envelope, and instructions on how to mark the ballot and how to return it to the county auditor. The instructions that accompany an absentee ballot for a partisan primary must include instructions for voting the applicable ballot style, as provided in chapter 29A.36 RCW. The larger return envelope must contain a declaration by the absentee voter reciting his or her qualifications and stating that he or she has not voted in any other jurisdiction at this election, together with a summary of the penalties for any violation of any of the provisions of this chapter. The return envelope must provide a box the voter may check to indicate that he or she is a member of the armed forces or that he or she is an overseas voter. The return envelope must provide space for the voter to indicate the date on which the ballot was voted and for the voter to sign the oath. A summary of the applicable penalty provisions of this chapter must be printed on the return envelope immediately adjacent to the space for the voter's signature. The signature of the voter on the return envelope must affirm and attest to the statements regarding the qualifications of that voter and to the validity of the ballot. For out-of-state voters, overseas voters, and service voters, the signed declaration on the return envelope constitutes the equivalent of a voter registration for the election or primary for which the ballot has been issued. The voter must be instructed to either return the ballot to the county auditor by whom it was issued or attach sufficient first class postage, if applicable, and mail the ballot to the appropriate county auditor no later than the day of the election or primary for which the ballot was issued.

If the county auditor chooses to forward absentee ballots, he or she must include with the ballot a clear explanation of the qualifications necessary to vote in that election and must also advise a voter with questions about his or her eligibility to contact the county auditor. This explanation may be provided on the ballot envelope, on an enclosed insert, or printed directly on the ballot itself. If the information is not included, the envelope must clearly indicate that the ballot is not to be forwarded and that return postage is guaranteed.

Sec. 21. RCW 46.20.155 and 2004 c 249 s 7 are each amended to read as follows:

(1) Before issuing an original license or identicard or renewing a license or identicard under this chapter, the licensing agent shall determine if the applicant wants to register to vote or transfer his or her voter registration by asking the following question:

"Do you want to register to vote or transfer your voter registration?"

If the applicant chooses to register or transfer a registration, the agent shall ~~((state))~~ ask the following:

~~("I would like to remind you that you must be a United States citizen and at least eighteen years of age in order to vote.")~~

(1) "Are you a United States citizen?"

(2) "Are you or will you be eighteen years of age on or before the next election?"

If the applicant answers in the affirmative to both questions, the agent shall then provide the applicant with a voter registration form and instructions and shall record that the applicant has requested to register to vote or transfer a voter registration. If the applicant answers in the negative to either question, the agent shall not provide the applicant with a voter registration form.

(2) The department shall establish a procedure that substantially meets the requirements of subsection (1) of this section when permitting an applicant to renew a license or identicard by mail or by electronic commerce.

NEW SECTION. Sec. 22. The following acts or parts of acts are each repealed:

- (8) Identify an expedited professional certification process for out-of-state teachers who have five years or more of successful teaching experience to demonstrate skills and impact on student learning commensurate with Washington requirements for professional certification.  - (b) A less intensive evaluation cycle every three years once a program receives full approval unless the responsible agency has reason to intensify the evaluation;
 - (c) A method for investigating programs that have received numerous complaints from students enrolled in the program and from those recently completing the program;
 - (d) A method for investigating programs at the reasonable discretion of the agency; and

"**Sec. 1.** RCW 51.44.040 and 1982 c 63 s 14 are each amended to read as follows:

(1) There shall be in the office of the state treasurer, a fund to be known and designated as the "second injury fund", which shall be used only for the purpose of defraying charges against it as provided in RCW 51.16.120 and 51.32.250(~~as now or hereafter amended. Said~~). The fund shall be administered by the director. The state treasurer shall be the custodian of the second injury fund and shall be authorized to disburse moneys from it only upon written order of the director.

(2) Payments to the second injury fund from the accident fund shall be made pursuant to rules (~~and regulations promulgated~~) adopted by the director.

(3)(a) Assessments for the second injury fund shall be imposed on self-insurers pursuant to rules (~~and regulations promulgated by the director to ensure that self-insurers shall pay to such fund~~) adopted by the director. Such rules shall provide for at least the following:

(i) Except as provided in (a)(ii) of this subsection, the amount assessed each self-insurer must be in the proportion that the payments made from ((such)) the fund on account of claims made against self-insurers bears to the total sum of payments from ((such)) the fund.

(ii) Except as provided in section 2 of this act, beginning with assessments imposed on or after July 1, 2009, the department shall experience rate the amount assessed each self-insurer as long as the aggregate amount assessed is in the proportion that the payments made from the fund on account of claims made against self-insurers bears to the total sum of payments from the fund. The experience rating factor must provide equal weight to the ratio between expenditures made by the second injury fund for claims of the self-insurer to the total expenditures made by the second injury fund for claims of all self-insurers for the prior three fiscal years and the ratio of workers' compensation claim payments under this title made by the self-insurer to the total worker's compensation claim payments made by all self-insurers under this title for the prior three fiscal years. The weighted average of these two ratios must be divided by the latter ratio to arrive at the experience factor.

(b) For purposes of this subsection, "expenditures made by the second injury fund" mean the costs and charges described under RCW 51.32.250 and 51.16.120 (3) and (4), and the amounts assessed to the second injury fund as described under RCW 51.16.120(1). Under no circumstances does "expenditures made by the second injury fund" include any subsequent payments, assessments, or adjustments for pensions, where the applicable second injury fund entitlement was established outside of the three fiscal years.

NEW SECTION. Sec. 2. (1) If the outcome study conducted by the department of labor and industries under subsection (2)(a)(i) or (ii) of this section shows a negative impact of fifteen percent or more to workers following claim closure among nonpension self-insured claimants, 2005 c . . . s 1 (section 1 of this act) expires June 30, 2013.

(2) The department shall conduct an outcome study of the experience rating system established in 2005 c . . . s 1 (section 1 of this act). In conducting the study, the department must:

(a) Compare the outcomes for workers of self-insured employers whose industrial insurance claims with temporary total disability benefits for more than thirty days are closed between July 1, 2002, and June 30, 2004, with similar claims of workers of self-insured employers closed between July 1, 2009, and June 30, 2011. For the purposes of subsection (1) of this section, the department must provide two separate comparisons of such workers as follows: (i) The first comparison includes the aggregate preinjury wages for all nonpension injured workers compared with their aggregate wages at claim closure in each of

the two study groups; and (ii) the second comparison includes the proportion of all nonpension injured workers who are found able to work but have not returned to work, as reported by self-insurers in the eligibility assessment reports submitted to the department on the claims in the first study group, compared with the proportion of such workers who are found able to work but have not returned to work, as reported in the eligibility assessment reports submitted on claims in the second study group;

(b) Study whether the workers potentially impacted by the experience rating program have improved return-to-work outcomes, whether the number of impacted workers found to be employable increases, whether there is a change in long-term disability outcomes among the impacted workers, and whether the number of permanent total disability pensions among impacted workers is affected and, if so, the nature of the impact; and

(c) Develop, in consultation with representatives of the impacted workers and the self-insured community, a study methodology that must be provided to the workers' compensation advisory committee for review and comment. The study methodology must include appropriate controls to account for economic fluctuation, wage inflation, and other independent variables.

(3) The department must report to the appropriate committees of the legislature by December 1, 2012, on the results of the study."

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) This chapter applies to all operations that meet the definition of an animal feeding operation.

(2)(a) This chapter creates specific permit requirements consistent with state and federal water quality laws for concentrated animal feeding operations.

(b) All dairies are required to implement nutrient management plans and perform certain reporting.

(c) AFOs that are not CAFOs or dairies are not required to have a plan under this chapter and are only required to obtain a permit if it has been determined by the department that they are discharging to the waters of the state. However, no AFO is allowed to pollute waters of the state, and all AFOs may be inspected by the department under this chapter.

Sec. 2. RCW 90.64.005 and 1998 c 262 s 1 are each amended to read as follows:

~~The legislature finds that there is a need ((to establish a clear and understandable process that provides for the proper and effective management of dairy nutrients that affect the quality of surface or ground waters in the state of Washington. The legislature finds that there is a need for a program that will provide a stable and predictable business climate upon which dairy farms may base future investment decisions.~~

~~The legislature finds that federal regulations require a permit program for dairies with over seven hundred head of mature cows and, other specified dairy farms that directly discharge into waters or are otherwise significant contributors of pollution. The legislature finds that significant work has been ongoing over a period of time and that the intent of this chapter is to take the consensus that has been developed and place it into statutory form.~~

~~It is also the intent of this chapter to establish an inspection and technical assistance program for dairy farms to address the discharge of pollution to surface and ground waters of the state that will lead to water quality compliance by the industry. A further purpose is to create a balanced program involving technical assistance, regulation, and enforcement with coordination and oversight of the program by a committee composed of industry, agency, and other representatives. Furthermore, it is the objective of this chapter to maintain the administration of the water quality program as it relates to dairy operations at the state level.~~

~~It is also the intent of this chapter to recognize the existing working relationships between conservation districts, the conservation commission, and the department of ecology in protecting water quality of the state. A further purpose of this chapter is to provide statutory recognition of the coordination of the functions of conservation districts, the conservation commission, and the department of ecology pertaining to development of dairy waste management plans for the protection of water quality)) for an effective livestock nutrient management program for all AFOs that meets federal and state water quality rules. The goals of the program are to provide clear guidance to animal feeding operations about their responsibilities under state and federal water quality laws and to implement the necessary program requirements in a consistent manner that will maintain a healthy and productive livestock industry in Washington state while preventing degradation of water quality. It is the intent of the legislature that the department of agriculture continues the existing program for all licensed dairies, implements the revised program for CAFOs and AFOs, and carries out effective, fair, and equitable enforcement.~~

~~(5) The department may conduct follow-up inspections to ensure that corrective actions identified in the course of an inspection are being carried out. The department may conduct such additional inspections as are necessary to ensure compliance with administrative orders issued by the department and compliance with permit conditions and state and federal water quality laws and rules.~~

NEW SECTION. Sec. 6. (1) All CAFOs required to apply for a permit and all dairies are required to develop a livestock nutrient management plan. These plans must be approved by the department and certified as fully implemented by the department and the livestock producer. If at any time compliance with a livestock nutrient management plan fails to prevent the discharge of pollutants or if complying with the plan would still pose a significant potential to discharge pollutants to waters of the state, the livestock producer must revise the plan as directed by the department.

(2) Plans must be developed using natural resource conservation service (NRCS) practice standards. Equivalent practices and standards may be used if the department determines they meet or exceed NRCS standards and there is a substantial likelihood that, once implemented, the alternative practices and standards would meet state and federal water quality standards. The department shall establish by rule a technical review process to make determinations on proposed equivalent practices and standards.

(3) Prior to approval and certification, a nutrient management plan must be verified by a conservation district as meeting the NRCS standards except that, at the request of the producer, verification may be by a technical review team convened by the director. The team must include a representative of a conservation district.

NEW SECTION. Sec. 7. The following requirements apply to all CAFOs required to apply for a permit.

Sec. 412.4 (April 14, 2003), and procedures necessary to implement applicable effluent limitations including those set out in 40 C.F.R. Part 412 (April 14, 2003), and standards. The plan must, to the extent applicable:

(a) Ensure adequate storage of livestock nutrients, including procedures to ensure proper operation and maintenance of the storage facilities;

(b) Ensure proper management of dead animals to ensure that they are not disposed of in a liquid manure, storm water, or process wastewater storage or treatment system that is not specifically designed to treat animal mortalities;

(c) Ensure that clean water is diverted, as appropriate, from the production area;

- (d) Prevent direct contact of confined animals with waters of the state;
 - (e) Ensure that chemicals and other contaminants handled on-site are not disposed of in any livestock nutrients or storm water storage or treatment system unless specifically designed to treat such chemicals and other contaminants;
 - (f) Identify appropriate site-specific conservation practices to be implemented, including as appropriate buffers or equivalent practices, to control runoff of pollutants to waters of the state;
 - (g) Identify protocols for appropriate testing of livestock nutrients and soil;
 - (h) Establish protocols to apply livestock nutrients in accordance with site-specific nutrient management practices that ensure appropriate agricultural utilization of the nutrients in the livestock nutrients; and
 - (i) Identify specific records that will be maintained to document the implementation and management of the minimum elements described in (a) through (h) of this subsection.
- (3) Review and approval of a plan by the department is part of the permit application and issuance process. The department shall determine whether a plan contains the elements identified in subsection (2) of this section, meets the permit requirements, and is adequate to meet applicable state and federal water quality laws, including chapter 90.48 RCW.
- (4)(a) An approved plan shall be certified by the department and the livestock producer when the plan is fully implemented and is being used as designed and intended.

If the department finds the plan is not fully implemented, the department shall deny certification. The department shall notify the livestock producer in writing of the reasons for the denial of certification.

NEW SECTION. Sec. 8. The following requirements apply to all dairies not required to apply for a permit.

- (1) A dairy that is not a CAFO required to apply for a permit has six months from the date of obtaining a license under chapter 15.36 RCW to submit its livestock nutrient management plan to the department and eighteen months from the date of plan approval to submit the plan to the department for certification.
- (2) The plan for a dairy that is not a CAFO required to apply for a permit shall include the minimum elements as defined by the department by rule.
- (3) The department shall review and determine whether a plan contains the minimum elements. The department shall approve or deny approval of the plan no later than ninety days after receiving the plan. If the department denies approval, the department shall notify the livestock producer in writing of the denial and of modifications needed for plan compliance no later than ninety days after receiving the plan. The livestock producer must provide a revised plan that includes the needed modifications within ninety days of the date of the department's notification.

If the department finds the plan is not fully implemented, the department shall deny certification. The department shall notify the livestock producer in writing of the reasons for the denial of certification and set a date by which full implementation must occur.
- (5) A dairy that is not a CAFO required to apply for a permit that fails to have an approved or a certified livestock nutrient management plan in place by the timelines specified in this section is in violation of this chapter. Each month beyond these deadlines that the dairy is out of compliance with the requirement for either plan approval or plan certification is considered a separate violation that may subject the dairy to penalties. The penalties are one hundred dollars per month for each violation up to a combined total of one thousand two hundred dollars and then the penalty is two hundred dollars per month for each violation up to a combined maximum of five thousand dollars.

NEW SECTION. Sec. 9. AFOs that are not dairies may voluntarily develop and implement livestock nutrient management plans. If an AFO requests that the department approve and certify the plan, then the plan must meet the minimum elements required in section 8 of this act. Plan approval and certification shall follow the same process as identified in section 8 of this act.

~~(3) If the conservation commission reverses the decision of the conservation district, the conservation district may appeal this reversal to the pollution control hearings board according to the procedure in chapter 43.21B RCW within thirty days of receipt of the commission's decision.~~

~~(4))~~ (c) When an appeals process is initiated under this section, the length of time extending from the start of the appeals process to its conclusion shall be added onto the timelines provided in this chapter for plan development, approval, and certification ~~((only if an appeal is heard by the pollution control hearings board))~~.

(2) For facilities applying for a permit, department decisions pertaining to those elements of a livestock nutrient management plan that are conditions of a permit are made as part of the permit application and issuance process and are appealable by any person to the pollution control hearings board under RCW 43.21B.110.

Sec. 11. RCW 90.64.030 and 2003 c 325 s 3 are each amended to read as follows:

In addition, a ~~((dairy))~~ livestock producer shall not be held liable for violations of this chapter ~~((, chapter 90.48 RCW, chapter 173-201A WAC, or the federal clean water act))~~ due to the discharge of ~~((dairy))~~ livestock nutrients to waters of the state resulting from spreading these materials on lands other than where the nutrients were generated, when the nutrients are spread by persons other than the ~~((dairy))~~ livestock producer or the ~~((dairy))~~ producer's agent.

~~((10))~~ (7) As provided under RCW 7.48.305, agricultural activities associated with the management of ~~((dairy))~~ livestock nutrients are presumed to be reasonable and shall not be found to constitute a nuisance unless the activity has a substantial adverse effect on public health and safety.

~~((11))~~ (8) This section specifically acknowledges that if a holder of a general or individual national pollutant discharge elimination system permit complies with the permit and the ~~((dairy))~~ livestock nutrient management plan conditions for appropriate land application practices, the permit provides compliance with the federal clean water act and acts as a shield against citizen or agency enforcement for any additions of pollutants to waters ~~((of the state or))~~ of the United States as authorized by the permit.

~~((12))~~ ~~A dairy producer who fails to have an approved dairy nutrient management plan by July 1, 2002, or a certified dairy nutrient management plan by December 31, 2003, and for which no appeals have been filed with the pollution control hearings board, is in violation of this chapter. Each month beyond these deadlines that a dairy producer is out of compliance with the requirement for either plan approval or plan certification shall be considered separate violations of chapter 90.64 RCW that may be subject to penalties. Such penalties may not exceed one hundred dollars per month for each violation up to a combined total of five thousand dollars. The department has discretion in imposing penalties for failure to meet deadlines for plan approval or plan certification if the failure to comply is due to lack of state funding for implementation of the program. Failure to register as required in RCW 90.64.017 shall subject a dairy producer to a maximum penalty of one hundred dollars. Penalties shall be levied by the department.)~~

Sec. 12. RCW 90.64.040 and 1993 c 221 s 5 are each amended to read as follows:

Enforcement actions and administrative orders issued by the department ~~((of ecology))~~ may be appealed to the pollution control hearings board in accordance with the provisions of chapter 43.21B RCW.

Sec. 13. RCW 90.64.050 and 1998 c 262 s 12 are each amended to read as follows:

(1) The department has the ~~((following duties))~~ duty to implement and administer a livestock nutrient management program including the duty to:

(a) Enforce this chapter including carrying out inspections and enforcement actions, and assessing penalties;

(b) Identify existing or potential water quality problems resulting from a dairy farm~~((s))~~ or CAFO through implementation of the inspection program in ~~((RCW 90.64.023))~~ this chapter;

~~((b) Inspect a dairy farm upon the request of a dairy producer;)~~

(c) Receive, process, and verify complaints concerning discharge of pollutants from ~~((all dairy farms))~~ any AFO, CAFO, or dairy;

(d) ~~((Determine if a dairy related water quality problem requires immediate corrective action under the Washington state water pollution control laws, chapter 90.48 RCW, or the Washington state water quality standards adopted under chapter 90.48 RCW. The department shall maintain the lead enforcement responsibility;~~

~~(e))~~ Upon delegation, administer and enforce ((national pollutant discharge elimination system)) permits for ((operators of)) concentrated ((dairy)) animal feeding operations, where required by federal regulations and state laws or upon request of a ((dairy)) livestock producer;

~~((f) Participate on the advisory and oversight committee;~~

~~(g) Encourage communication and cooperation between local department personnel and the appropriate conservation district personnel;~~

~~(h))~~ (e) Require the ((use of dairy)) development of livestock nutrient management plans as required under this chapter ((for entities required to plan under this chapter)); and

~~((i) Provide to the commission and the advisory and oversight committee an annual report of dairy farm inspection and enforcement activities))~~ (f) Approve and certify livestock nutrient management plans that meet the minimum standards developed under this chapter.

(2) The department ((may not delegate its responsibilities in enforcement)) has the authority to:

(a) Inspect a facility upon the request of the livestock producer;

(b) Provide technical assistance to AFOs, CAFOs, and dairies in gaining compliance with this chapter and in implementing livestock nutrient management plans to protect water quality;

(c) Maintain and manage data necessary to administer the program effectively and to track compliance activity;

(d) Provide communication and outreach to representatives of agricultural and environmental organizations; and

(e) Coordinate with conservation districts or other agencies and organizations that provide education and technical or financial assistance programs for AFOs, CAFOs, and dairies.

Sec. 14. RCW 90.64.110 and 1993 c 221 s 12 are each amended to read as follows:

(1) In addition to the specific grants of rule-making authority in this chapter, the department may adopt rules as necessary to implement this chapter, including rules concerning the administration of permit programs.

(2) The department has the authority to adopt in rule any provisions in the following federal regulations: 40 C.F.R. parts 9, 122, 123, 124, and 412 (April 14, 2003). The department is authorized to adopt rules to accommodate changes to federal regulations that are subsequently adopted by the United States environmental protection agency.

Sec. 15. RCW 90.64.150 and 2003 c 325 s 5 are each amended to read as follows:

~~((The livestock nutrient management account is created in the custody of the state treasurer.))~~ All receipts from monetary penalties levied pursuant to violations of this chapter must be deposited into the livestock nutrient management grant account hereby created within the agricultural local fund. Expenditures from the account may be used only to provide grants for research or education proposals that assist livestock operations to achieve compliance with state and federal water quality laws. The director ~~((of agriculture))~~ shall accept and prioritize research proposals and education proposals. Only the director or the director's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

NEW SECTION. Sec. 16. Any residual balance of funds remaining in the livestock nutrient management account on the effective date of this section shall be transferred to the livestock nutrient management grant account within the agricultural local fund.

NEW SECTION. Sec. 17. (1) Permitted CAFOs shall maintain and make available to the department the records and annual reports as described in 40 C.F.R. Sec. 122.42(e) (2), (3), and (4) (April 14, 2003). The department shall develop a standard annual reporting form and a submittal date by rule for the annual report from CAFOs.

(2) Dairies that are not a CAFO required to apply for a permit shall maintain and make available to the department all records required by their livestock nutrient management plans. These dairies must also submit a completed summary report to the department every two years beginning in 2006. The department shall develop and send out a standard reporting form and designate a submittal date by rule for the report. If the producer fails to submit a completed summary report by the submittal date, the department shall levy a penalty of one hundred dollars.

NEW SECTION. Sec. 18. The department may coordinate with Washington State University, the conservation commission, conservation districts, the department of ecology, other federal, state, and local agencies, and private organizations and individuals in implementing an education program for improvement of nutrient management by dairies, AFOs, and CAFOs and to prevent livestock nutrients from degrading the quality of waters of the state. The department may refer livestock

producers to conservation districts, Washington State University, and other entities for educational programs, technical assistance, or financial assistance.

NEW SECTION. Sec. 19. (1) Conservation districts may, at the request of a livestock producer, provide technical or financial assistance in developing or revising and implementing the producer's livestock nutrient management plan.

(2) The conservation commission and conservation districts shall, to the extent practical and to the extent that funding allows, provide technical and financial assistance to livestock producers to assist them in complying with this chapter.

NEW SECTION. Sec. 20. When the environmental protection agency delegates authority under the federal clean water act to the department and the department of ecology relinquishes its authority under RCW 90.48.260 to administer its national pollutant discharge elimination permit system authority and other duties regarding animal feeding operations and concentrated animal feeding operations, the department is hereby authorized to participate fully in the programs of the federal clean water act as well as to take all action necessary to secure to the state the benefits and to meet the requirements of that act for AFOs and CAFOs. Implementation shall be accomplished so that compliance with AFO and CAFO rules, permits, programs, and directives will achieve compliance with all federal and state water pollution control laws. The powers granted in this section include, among others, and notwithstanding any provisions of chapter 90.48 RCW or otherwise, the following:

(1) Complete authority to establish and administer a livestock nutrient management program, including a pollution discharge elimination permit program which will allow the department to be the sole agency issuing permits required by such national system operating in the state of Washington. Program elements authorized may include, but are not limited to: (a) Issuance of permits; (b) termination and modification of permits for cause; (c) requirements for public notices and opportunities for public hearings; (d) requirements for inspection, monitoring, entry, and reporting; (e) enforcement of the program through penalties, emergency powers, and criminal sanctions; (f) a continuing planning process; and (g) user charges.

(2) The power to establish and administer a state program in a manner which will ensure the procurement of moneys, whether in the form of grants, loans, or otherwise, to assist in the construction, operation, and maintenance of various water pollution control facilities and works.

(3) The power to develop and implement appropriate programs pertaining to continuing planning processes.

NEW SECTION. Sec. 21. Until the department receives federal delegation for the NPDES CAFO program, the department of ecology shall remain responsible for NPDES permit administration as described under a memorandum of understanding between the department and the department of ecology. Sections 22 through 26 of this act are not effective until federal delegation occurs.

NEW SECTION. Sec. 22. (1) Any person who owns or operates a dairy or CAFO that is required to apply for a permit under RCW 90.64.020 (as recodified by this act) or under the federal CAFO rule shall obtain a permit from the department. Any AFO that is determined by the department to be discharging into the waters of the state is required to obtain a state waste discharge permit from the department.

(2) The permit issued by the department shall meet the requirements of either the NPDES or the state waste discharge permit system, or both.

(3) A livestock operation meeting the definition of large CAFO may seek a determination from the department that the large CAFO has no potential to discharge to the waters of the state. Within sixty days of such a request, the director will make a determination using the process and criteria of 40 C.F.R. Sec. 122.23(f) (April 14, 2003). A livestock operation that receives a determination that it has no potential to discharge is not required to apply for permit coverage. Such a livestock operation is not relieved from liability under this chapter for actual discharges.

NEW SECTION. Sec. 23. (1) Applications for permits or modifications of a permit must be made on forms prescribed by the department, which shall be consistent with the federal CAFO permit application form. A copy of the nutrient management plan must be submitted with the application. An application for a permit shall be made:

(a) At least one hundred eighty days prior to commencement of operation of any new source CAFO required to apply for a permit;

(b) At least one hundred eighty days prior to the permit expiration date;

(c) Within ninety days of designation as a newly designated CAFO; or

(d) Within ninety days of the change in circumstance that causes a facility not covered by a permit to become defined as a CAFO required to apply for a permit.

(2) The department shall establish by rule public notice and public hearing requirements pertaining to department decisions on applications and permits in conformance with the requirements of 40 C.F.R. Secs. 124.10, 124.11, and 124.12 (April 14, 2003) and any other applicable federal regulation. At a minimum, the department's rules shall include providing notice of permit application. These rules shall also define the methods of public notice including, but not limited to, electronic means.

(3) When an application has been filed with the department that complies with this chapter and its rules, the department shall determine whether the management of livestock nutrients as proposed will pollute waters of the state in violation of the public policy of the state.

NEW SECTION. Sec. 24. The department shall issue a permit under section 22 of this act unless it finds that the disposal of livestock nutrients as proposed in the application will pollute or present a substantial potential to pollute the waters of the state in violation of state or federal law. The department shall have authority to specify conditions necessary to avoid such pollution in each permit under which livestock nutrients may be disposed of by the permittee. Permits, whether individual or general, shall not be valid for more than five years from the date of issuance.

NEW SECTION. Sec. 25. A permit under section 22 of this act shall be subject to termination upon thirty days' notice in writing if the department finds:

- (1) That it was procured by misrepresentation of any material fact or by lack of full disclosure in the application;
- (2) That there has been a violation of the conditions thereof;
- (3) That a material change in quantity or type of livestock nutrient disposal exists.

NEW SECTION. Sec. 26. In the event that a material change in the condition of the waters occurs, the department may, by appropriate order, modify permit conditions or specify additional conditions in permits previously issued. The department may modify or revoke and reissue permits in accordance with 40 C.F.R. Sec. 122.62 and 63 (April 14, 2003). Reissued permits or permits with major modifications shall be issued in accordance with section 23 of this act and subject to appeal in accordance with RCW 43.21B.110. Modification of the terms and conditions of the nutrient management plan included in a permit constitutes a modification of the permit.

NEW SECTION. Sec. 27. It is unlawful for any person regulated by this chapter to throw, drain, run, or otherwise discharge into any of the waters of this state, or to cause, permit, or suffer to be thrown, run, drained, allowed to seep, or otherwise discharged into such waters any organic or inorganic matter, including livestock nutrients, that shall cause or tend to cause pollution of such waters according to the determination of the department, as provided for in this chapter.

NEW SECTION. Sec. 28. If any discharge to waters of the state occurs, a permitted CAFO shall notify the department as specified in the permit. A dairy or CAFO that is not a permitted CAFO shall notify the department within twenty-four hours and submit a written report within five days describing at a minimum: The discharge, receiving water, cause, dates, estimated quantities, corrective steps taken to repair impacts, and how it will prevent any future discharge.

NEW SECTION. Sec. 29. (1) The director has the authority to enter any AFO, CAFO, or dairy at any reasonable time and inspect property or facilities and records required under this chapter. Upon arrival at an AFO, CAFO, or dairy, the department shall present identification and give verbal notification of the purpose of the inspection, which may include sampling and testing, to the livestock producer or his or her agent.

(2) If the director is denied access to property, facility, or records, the director may apply to a court of competent jurisdiction for a search warrant authorizing access to property, facilities, or records for purposes of inspections, sampling, or testing as authorized in this chapter. The court may upon the application issue a search warrant for the purposes requested.

NEW SECTION. Sec. 30. The department, with the assistance of the attorney general, is authorized to bring any appropriate action at law or in equity, including action for injunctive relief, in the name of the people of the state of Washington as may be necessary to carry out this chapter.

NEW SECTION. Sec. 31. (1) Whenever, in the opinion of the department, any person violates or creates a substantial potential to violate this chapter, or fails to control the polluting content of waste discharged or to be discharged into any waters of the state, the department shall notify the person of its determination by registered or certified mail. Such determination shall not constitute an order or directive under chapter 43.21B or 34.05 RCW. Within thirty days from the receipt of notice of the determination, the person must file with the department a full report stating what steps have been and are being taken to control

the waste or pollution or to otherwise comply with the determination of the department. The department then shall issue such order or directive as it deems appropriate under the circumstances, and shall notify the person by registered or certified mail.

(2) Whenever the department deems immediate action is necessary to accomplish the purposes of this chapter, it may issue such order or directive, as appropriate under the circumstances, without first issuing a notice or determination pursuant to subsection (1) of this section. An order or directive issued pursuant to this subsection shall be served by registered or certified mail or personally upon any person to whom it is directed.

NEW SECTION. Sec. 32. Any person found guilty of willfully violating this chapter, or any final written orders or directive of the department or a court in pursuance thereof, is guilty of a gross misdemeanor, and upon conviction thereof shall be punished by a fine of up to ten thousand dollars and costs of prosecution, or by imprisonment in the county jail for not more than one year, or by both such fine and imprisonment in the discretion of the court. Each day upon which a willful violation of this chapter occurs may be deemed a separate and additional violation.

NEW SECTION. Sec. 33. (1) Any person who:

- (a)(i) Violates this chapter;
 - (ii) Fails to perform any duty imposed by this chapter;
 - (iii) Violates an order or other determination of the department or the director made under this chapter;
 - (iv) Violates the conditions of a permit issued under this chapter; or
 - (v) Otherwise causes a reduction in the quality of the state's waters below the standards set under chapter 90.48 RCW or, if no standards have been set, causes significant degradation of water quality, thereby damaging the state's waters; and
- (b) Causes the death of, or injury to, fish, animals, vegetation, or other resources of the state;
- shall be liable to pay the state and affected counties and cities damages in an amount determined under RCW 90.48.367.

(2) An action is not authorized under this section against any person operating in compliance with the conditions of a permit issued under this chapter.

NEW SECTION. Sec. 34. (1) Except as provided in chapter 43.05 RCW, every person who:

- (a) Violates the terms or conditions of a permit issued under this chapter or chapter 90.48 RCW for an AFO or a CAFO;
- (b) Operates a CAFO without a permit as required by this chapter or chapter 90.48 RCW; or
- (c) Discharges livestock nutrients in violation of this chapter, or rules or orders adopted or issued under this chapter or chapter 90.48 RCW,

shall incur, in addition to any other penalty as provided by law, a penalty in an amount of up to ten thousand dollars a day for every such violation. Each and every such violation shall be a separate and distinct offense, and in case of a continuing violation, every day's continuance shall be and be deemed to be a separate and distinct violation. Every act of commission or omission which procures, aids, or abets in the violation shall be considered a violation under this section and subject to the penalty provided for in this section. The penalty amount shall be set in consideration of the previous history of the violator and the severity of the violation's impact on public health or the environment in addition to other relevant factors. The department is authorized to set forth the procedures and the criteria for setting the penalty in rule.

(2) A discharge of pollutants into the waters of the state is a violation of this chapter, except those discharges that occur when a livestock producer has a current national pollutant discharge elimination system permit with a wastewater system designed, constructed, operated, and maintained for the current herd size and that contains all process-generated wastewater plus average annual precipitation minus evaporation plus contaminated storm water runoff from a rainfall event as specified for the type of facility in 40 C.F.R. Part 412 (April 14, 2003) for that specific location, the discharge is the result of a rainfall event as specified for the type of facility in 40 C.F.R. Part 412 (April 14, 2003), and the livestock producer has complied with all permit conditions, including livestock nutrient management plan conditions for appropriate land application practices.

(3) A livestock producer may assert upset as an affirmative defense to allegations of discharge in violation of a permit. "Upset" means an exceptional incident in which there is an unintentional and temporary noncompliance with technology-based permit effluent limitations because of factors beyond the reasonable control of the producer. An upset does not include noncompliance to the extent caused by operational error, improperly designed treatment facilities, inadequate treatment facilities, lack of preventive maintenance, or careless or improper operation. In any enforcement proceeding the permittee seeking to establish the occurrence of an upset has the burden of proof.

NEW SECTION. Sec. 35. (1) Notwithstanding any other provisions of this chapter, whenever it appears to the director that a person regulated by this chapter is causing water quality conditions to exist which require immediate action to

protect the public health or welfare, the director may issue a written temporary order to cease and desist to the person responsible without prior notice or hearing, directing the person to either: (a) Immediately discontinue or modify the discharge into the waters of the state; or (b) appear before the department at the time and place specified in the order to provide the department information pertaining to the violations and conditions alleged in the order. The temporary order to cease and desist is effective upon service on the responsible person and will remain in effect until ten days after the informational meeting. The responsible person shall be given not less than twenty-four hours' notice of the informational meeting.

(2) Following the informational meeting or if the responsible person fails to attend the informational meeting, if the department determines that water quality conditions exist which require immediate action to protect the public health or welfare, the department may issue a written permanent order to cease and desist requiring the person to immediately discontinue or modify the discharge into waters. The permanent order to cease and desist is effective upon service. If this order is not immediately complied with, the attorney general, upon request of the department, may seek enforcement of the order in the superior court of the county in which the violation took place. Permanent orders to cease and desist issued by the department are appealable under chapter 43.21B RCW.

NEW SECTION. Sec. 36. (1) The department shall establish by rule annual fees for administering permits issued under this chapter. Fees shall be used for costs incurred by the department in processing permit applications and modifications, monitoring and evaluating compliance with permits, conducting inspections, securing laboratory analysis of samples taken during inspections, reviewing plans and documents directly related to operations of permittees, overseeing performance of delegated pretreatment programs, and supporting the overhead expenses that are directly related to these activities.

(2) The initial fee schedule adopted after delegation of national pollutant discharge elimination system permit authority from the environmental protection agency shall be the same as the fee schedule established by the department of ecology except that fees may rise in accordance with the fiscal growth factor as provided in chapter 43.135 RCW. Until the initial fee schedule is adopted, the fees established by the department of ecology shall be in effect.

(3) All fees collected under this section shall be deposited in the livestock nutrient management permit account within the agricultural local fund and used only for purposes of administering permits under this chapter.

NEW SECTION. Sec. 37. (1) Prior to issuing an order related to discharges from agricultural activity on agricultural land, the department shall consider whether an enforcement action would contribute to the conversion of agricultural land to nonagricultural uses. Any enforcement action shall attempt to minimize the possibility of such conversion.

(2) As used in this section:

(a) "Agricultural activity" means the growing, raising, or production of horticultural or viticultural crops, berries, poultry, livestock, grain, mint, hay, and dairy products.

(b) "Agricultural land" means at least five acres of land devoted primarily to the commercial production of livestock or agricultural commodities.

NEW SECTION. Sec. 38. (1) The department of ecology shall develop and maintain a standard protocol for water quality monitoring of the waters of the state within the vicinity of dairies and CAFOs. The protocol shall include sampling methods and procedures and identify the water quality constituents to be monitored.

(2) The department of ecology shall submit the initial protocol developed according to this section to the appropriate committees of the legislature by December 1, 2005.

Sec. 39. RCW 43.21B.001 and 2004 c 204 s 1 are each amended to read as follows:

(1) "Business days" means Monday through Friday exclusive of any state or federal holiday.

(2) "Date of receipt" means:

(a) Five business days after the date of mailing; or

(b) The date of actual receipt, when the actual receipt date can be proven by a preponderance of the evidence. The recipient's sworn affidavit or declaration indicating the date of receipt, which is unchallenged by the agency, shall constitute sufficient evidence of actual receipt. The date of actual receipt, however, may not exceed forty-five days from the date of mailing.

(3) "Department" means the department of ecology, except for references pertaining to chapter 16.-- RCW (created by section 48 of this act), in which case "department" means the department of agriculture.

Within thirty days after the notice is received, the person incurring the penalty may apply in writing to the department, the department of agriculture, or the authority, as appropriate, for the remission or mitigation of the penalty. Upon receipt of the application, the department, the department of agriculture, or authority may remit or mitigate the penalty upon whatever terms the department, the department of agriculture, or the authority in its discretion deems proper. The department, the department of agriculture, or the authority may ascertain the facts regarding all such applications in such reasonable manner and under such rules as it may deem proper and shall remit or mitigate the penalty only upon a demonstration of extraordinary circumstances such as the presence of information or factors not considered in setting the original penalty.

(2) Any penalty imposed under this section may be appealed to the pollution control hearings board in accordance with this chapter if the appeal is filed with the hearings board and served on the department, the department of agriculture, or authority thirty days after the date of receipt by the person penalized of the notice imposing the penalty or thirty days after the date of receipt of the notice of disposition of the application for relief from penalty.

(3) A penalty shall become due and payable on the later of:

(a) Thirty days after receipt of the notice imposing the penalty;

(b) Thirty days after receipt of the notice of disposition on application for relief from penalty, if such an application is made; or

(c) Thirty days after receipt of the notice of decision of the hearings board if the penalty is appealed.

(4) If the amount of any penalty is not paid to the department or the department of agriculture, as appropriate, within thirty days after it becomes due and payable, the attorney general, upon request of the department or the department of agriculture, shall bring an action in the name of the state of Washington in the superior court of Thurston county, or of any county in which the violator does business, to recover the penalty. Regulating insurable interests and employer-owned life insurance.

The bill was read the second time.

Representative Schual-Berke moved the adoption of the following amendment (555):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that there is a long-standing principle that corporations have an insurable interest in the lives of key personnel. Nationally, some corporations have begun to insure the lives of personnel that have not met the insurable interest standard of Washington. Entry-level workers have been insured by their corporate employer for the benefit of the corporate employer. The legislature intends to clarify this subject and preclude corporations from insuring the lives of employees when the employees are not key personnel and the corporations have no insurable interest in the lives of those employees.

Sec. 2. RCW 48.18.010 and 1947 c 79 s .18.01 are each amended to read as follows:

~~((The applicable provisions of this chapter shall apply to insurances other than ocean marine and foreign trade insurances. This chapter shall not apply to life or disability insurance policies not issued for delivery in this state nor delivered in this state.))~~ This chapter applies to insurances other than ocean marine and foreign trade insurances.

Sec. 3. RCW 48.18.030 and 1992 c 51 s 1 are each amended to read as follows:

(2) If the beneficiary, assignee or other payee under any contract made in violation of this section receives from the insurer any benefits ~~((thereunder))~~ accruing upon the death, ~~((disablement))~~ disability, or injury of the individual insured, the individual insured or ~~((his))~~ the individual's executor or administrator~~((, as the case may be,))~~ may maintain an action to recover ~~((such))~~ any benefits from the person ~~((so))~~ receiving them.

(3)(a) "Insurable interest" as used in this section and in RCW 48.18.060 includes only the following interests ~~((as follows))~~:

~~((b))~~ (ii) In the case of other persons, a lawful and substantial economic interest in having the life, health, or bodily safety of the individual insured continue, as distinguished from an interest ~~((which))~~ that would arise only by, or would be enhanced in value by, the death, ~~((disablement))~~ disability, or injury of the individual insured.

~~((c))~~ (b) An individual ~~((heretofore or hereafter))~~ who is party to a contract or option for the purchase or sale of an interest in a business partnership or firm, or of shares of stock of a close corporation or of an interest in ~~((such))~~ those shares, has an insurable interest in the life of each individual party to ~~((such))~~ the contract and for the purposes of ~~((such))~~ that contract only, in addition to any insurable interest ~~((which))~~ that may otherwise exist as to the life of such individual.

~~((d))~~ (c) A guardian, trustee, or other fiduciary has an insurable interest in the life of any person for whose benefit the fiduciary holds property, and in the life of any other individual in whose life ~~((such))~~ the person has an insurable interest.

This subsection applies to all life insurance policies applied for by, or transferred to, an organization covered by subsection ~~(3)((e))~~ (d) of this section, regardless of the time of application or transfer and regardless of whether the organization would have been covered at the time of application or transfer.

"NEW SECTION. Sec. 1. A new section is added to chapter 10.64 RCW to read as follows:

When a person is convicted of a felony, the court shall require the defendant to sign a statement acknowledging that:

- (1) The defendant's right to vote has been lost due to the felony conviction;
- (2) If the defendant is registered to vote, the voter registration will be canceled;
- (3) The right to vote may be restored by:
 - (a) A certificate of discharge issued by the sentencing court, as provided in RCW 9.94A.637;
 - (b) A court order issued by the sentencing court restoring the right, as provided in RCW 9.92.066;
 - (c) A final order of discharge issued by the indeterminate sentence review board, as provided in RCW 9.96.050; or
 - (d) A certificate of restoration issued by the governor, as provided in RCW 9.96.020; and
- (4) Voting before the right is restored is a class C felony under RCW 29A.84.660.

Sec. 2. RCW 29A.08.010 and 2004 c 267 s 102 are each amended to read as follows:

As used in this chapter: "Information required for voter registration" means the minimum information provided on a voter registration application that is required by the county auditor in order to place a voter registration applicant on the voter registration rolls. This information includes ~~((the applicant's))~~:

- ~~(1) Name~~~~((, complete residence))~~;
- ~~(2) Residential~~ address~~((s))~~;
- ~~(3) Date of birth~~~~((s))~~;
- ~~(4) Washington state driver's license number~~~~((s))~~ or Washington state identification card number, or the last four digits of the applicant's Social Security number~~((s))~~ if the applicant does not have a Washington state driver's license or Washington state identification card;
- ~~(5) A signature attesting to the truth of the information provided on the application~~~~((s))~~; and
- ~~(6) A check or indication in the box confirming the individual is a United States citizen.~~

If the individual does not have a driver's license, state identification card, or Social Security number, the registrant must be issued a unique voter registration number ~~((and))~~ in order to be placed on the voter registration rolls. All other information supplied is ancillary and not to be used as grounds for not registering an applicant to vote. Modification of the language of the official Washington state voter registration form by the voter will not be accepted and will cause the rejection of the registrant's application.

Sec. 3. RCW 29A.08.030 and 2004 c 267 s 104 are each amended to read as follows:

The definitions set forth in this section apply throughout this chapter, unless the context clearly requires otherwise.

- (1) "Verification notice" means a notice sent by the county auditor or secretary of state to a voter registration applicant and is used to verify or collect information about the applicant in order to complete the registration. The verification notice must be designed to include a postage prepaid, preaddressed return form by which the applicant may verify or send information.
- (2) "Acknowledgement notice" means a notice sent by nonforwardable mail by the county auditor or secretary of state to a registered voter to acknowledge a voter registration transaction, which can include initial registration, transfer, or reactivation of an inactive registration. An acknowledgement notice may be a voter registration card.
- (3) "Confirmation notice" means a notice sent to a registered voter by first class forwardable mail at the address indicated on the voter's permanent registration record and to any other address at which the county auditor or secretary of state could reasonably expect mail to be received by the voter in order to confirm the voter's residence address. The confirmation notice must be designed ~~((so that the voter may update his or her current residence address))~~ to include a postage prepaid, preaddressed return form by which the registrant may verify the address information.

Sec. 4. RCW 29A.08.107 and 2004 c 267 s 106 are each amended to read as follows:

- (1) The secretary of state must review the information provided by each voter registration applicant to ensure that ~~((either))~~ the provided driver's license number, state identification card number, or ~~((the))~~ last four digits of the Social Security

number match the information maintained by the Washington department of licensing or the Social Security administration. If a match cannot be made, the secretary of state or county auditor must correspond with the applicant to resolve the discrepancy.

(2) If the applicant fails to respond to any correspondence required in this section to confirm information provided on a voter registration application~~(s)~~ within ~~((thirty))~~ forty-five days, the applicant will not be registered to vote. The secretary of state shall forward the application to the appropriate county auditor for document storage.

(3) Only after the secretary of state has confirmed that ~~((an applicant's))~~ the provided driver's license number, state identification card number, or ~~((the))~~ last four digits of the applicant's Social Security number match existing records with the Washington department of licensing or the Social Security administration, or determined that the applicant does not have ~~((either))~~ a driver's license number, state identification card number, or Social Security number may the applicant be placed on the official list of registered voters.

(4) In order to prevent duplicate registration records, all complete voter registration applications must be screened against existing voter registration records in the official statewide voter registration list. If a match of an existing record is found in the official list, the record must be updated with the new information provided on the application. If the new information indicates that the voter has changed his or her county of residence, the application must be forwarded to the voter's new county of residence for processing.

Sec. 5. RCW 29A.08.110 and 2004 c 267 s 107 are each amended to read as follows:

(1) ~~((On receipt of an application for voter registration, the county auditor shall review the application to determine whether the information supplied is complete.))~~ An application is considered complete only if it contains the applicant's name, complete valid residence address, date of birth, ~~((and))~~ signature attesting to the truth of the information provided, a mark in the check-off box confirming United States citizenship, and an indication ~~((the license information))~~ that the provided driver's license number, state identification card number, or Social Security number has been confirmed by the secretary of state. If it is not complete, the auditor shall promptly mail a verification notice of the deficiency to the applicant. This verification notice shall require the applicant to provide the missing information. If the verification notice is not returned by the applicant within forty-five days or is returned as undeliverable ~~((the auditor shall not place))~~, the name of the applicant shall not be placed on the ~~((county voter))~~ official list of registered voters. If the applicant provides the required verified information, the applicant shall be registered to vote as of the original date of mailing or date of delivery, whichever is applicable ~~((of the original voter registration application)).~~

~~(2) ((In order to prevent duplicate registration records, all complete voter registration applications must be screened against existing voter registration records in the official statewide voter registration list. If a match of an existing record is found in the official list the record must be updated with the new information provided on the application. If the new information indicates that the voter has changed his or her county of residence, the application must be forwarded to the voter's new county of residence for processing. If the new information indicates that the voter remains in the same county of residence or if the applicant is a new voter the application must be processed by the county of residence.~~

~~((3))~~ If the information required in subsection (1) of this section is complete, the applicant is considered to be registered to vote as of the original date of mailing or date of delivery, whichever is applicable. The auditor shall record the appropriate precinct identification, taxing district identification, and date of registration on the voter's record in the state voter registration list. Within forty-five days after the receipt of an application but no later than seven days before the next primary, special election, or general election, the auditor shall send to the applicant, by first class mail, an acknowledgement notice identifying the registrant's precinct and containing such other information as may be required by the secretary of state. The postal service shall be instructed not to forward a voter registration card to any other address and to return to the auditor any card which is not deliverable. ~~((If the registrant has indicated on the form that he or she is registered to vote within the county but has provided a new address within the county that is for voter registration purposes, the auditor shall transfer the voter's registration.~~

~~((4))~~ (3) If an acknowledgement notice card is properly mailed as required by this section to the address listed by the voter as being the voter's mailing address and the notice is subsequently returned to the auditor by the postal service as being undeliverable to the voter at that address, the auditor shall promptly send the voter a confirmation notice. The auditor shall place the voter's registration on inactive status pending a response from the voter to the confirmation notice.

NEW SECTION. Sec. 6. A new section is added to chapter 29A.08 RCW to read as follows:

No person registering to vote, who meets all the qualifications of a registered voter in the state of Washington, shall be disqualified because of a nontraditional address being used as a residence address. Voters using such an address will be registered and assigned to a precinct based on the location provided. Voters without a traditional address will be registered at the county courthouse, city hall, or other public building near the area that the voter considers his or her residence. Registering at a

nontraditional address will not disqualify a voter from requesting ongoing absentee voter status if the voter designates a valid mailing address.

For the purposes of this section, "nontraditional address" includes shelters, parks, or other identifiable locations that the voter deems to be his or her residence.

NEW SECTION. Sec. 7. A new section is added to chapter 29A.08 RCW to read as follows:

(1) If a voter who registered by mail indicates on the voter registration form that he or she does not have a Washington state driver's license, Washington state identification card, or Social Security number, he or she must provide one of the following forms of identification the first time he or she votes after registering:

- (a) Valid photo identification;
- (b) A valid enrollment card of a federally recognized Indian tribe in Washington state;
- (c) A copy of a current utility bill;
- (d) A current bank statement;
- (e) A copy of a current government check;
- (f) A copy of a current paycheck; or
- (g) A government document that shows both the name and address of the voter.

(2) If the voter fails to provide one of the above forms of identification prior to or at the time of voting, the ballot must be treated as a provisional ballot regardless of whether the voter is voting at a poll site or by mail. The ballot may only be counted if the voter's signature on the outside envelope matches the signature in the voter registration records.

(3) The requirements of this section do not apply to an out-of-state, overseas, or service voter who registers to vote by signing the return envelope of the absentee ballot.

Sec. 8. RCW 29A.08.115 and 2004 c 267 s 108 are each amended to read as follows:

A person or organization collecting voter registration application forms must transmit the forms to the secretary of state or a ~~((designee))~~ county auditor at least once weekly. The registration date on such forms will be the date they are received by the secretary of state or county auditor.

Sec. 9. RCW 29A.08.145 and 2004 c 267 s 113 are each amended to read as follows:

This section establishes a special procedure which an elector may use to register to vote or transfer a voter registration by changing his or her address during the period beginning after the closing of registration for voting at the polls under RCW 29A.08.140 and ending on the fifteenth day before a primary, special election, or general election. A qualified elector in the state may register to vote or change his or her registration address in person in the office of the county auditor of the county in which the applicant resides, or at a voter registration location specifically designated for this purpose by the county auditor ~~((of the county in which the applicant resides))~~ or secretary of state, and apply for an absentee ballot for that primary or election. The auditor or registration assistant shall register that individual in the manner provided in this chapter. The application for an absentee ballot executed by the newly registered or transferred voter for the primary or election that follows the execution of the registration shall be promptly transmitted to the auditor with the completed voter registration form.

Sec. 10. RCW 29A.08.210 and 2003 c 111 s 216 are each amended to read as follows:

An applicant for voter registration shall complete an application providing the following information concerning his or her qualifications as a voter in this state:

- (1) The address of the last former registration of the applicant as a voter in the state;
- (2) The applicant's full name;
- (3) The applicant's date of birth;
- (4) The address of the applicant's residence for voting purposes;
- (5) The mailing address of the applicant if that address is not the same as the address in subsection (4) of this section;
- (6) The sex of the applicant;
- (7) The applicant's Washington state driver's license number or Washington state identification card number, or the last four digits of the applicant's Social Security number if he or she does not have a Washington state driver's license or Washington state identification card;

(8) A check box for the applicant to indicate that he or she does not have a Washington state driver's license, Washington state identification card, or social security number;

(9) A check box allowing the applicant to indicate that he or she is a member of the armed forces, national guard, or reserves, or that he or she is an overseas voter;

(10) A check box allowing the applicant to confirm that he or she is at least eighteen years of age;

(11) Clear and conspicuous language, designed to draw the applicant's attention, stating that the applicant must be a United States citizen in order to register to vote;

(12) A check box and declaration confirming that the applicant is a citizen of the United States;

(13) The following warning:

"If you knowingly provide false information on this voter registration form or knowingly make a false declaration about your qualifications for voter registration you will have committed a class C felony that is punishable by imprisonment for up to five years, a fine of up to ten thousand dollars, or both."

~~((8))~~ (14) The oath required by RCW 29A.08.230 and a space for the applicant's signature; and

~~((9))~~ (15) Any other information that the secretary of state determines is necessary to establish the identity of the applicant and prevent duplicate or fraudulent voter registrations.

This information shall be recorded on a single registration form to be prescribed by the secretary of state.

If the applicant fails to provide the information required for voter registration, the auditor shall send the applicant a verification notice. The ~~((auditor shall not register the))~~ applicant may not be registered until the required information is provided. If a verification notice is returned as undeliverable or the applicant fails to respond to the notice within forty-five days, the ~~((auditor shall not register the))~~ applicant shall not be registered to vote.

~~((The following warning shall appear in a conspicuous place on the voter registration form:~~

~~"If you knowingly provide false information on this voter registration form or knowingly make a false declaration about your qualifications for voter registration you will have committed a class C felony that is punishable by imprisonment for up to five years, or by a fine of up to ten thousand dollars, or both imprisonment and fine.")~~

NEW SECTION. Sec. 11. A new section is added to chapter 29A.08 RCW to read as follows:

(1) When a felony offender has completed all the requirements of his or her sentence, the county clerk shall immediately transmit this information to the secretary of state along with information about the county where the conviction occurred and the county that is the last known residence of the offender. The secretary of state shall maintain such records as part of the elections data base.

(2) If the offender has completed all the requirements of all of his or her sentences for all of his or her felony convictions, the secretary of state shall transmit information about the restoration of the former felon's voting rights to the county auditor where the conviction took place and, if different, the county where the felon was last known to reside.

Sec. 12. RCW 29A.08.250 and 2004 c 267 s 117 are each amended to read as follows:

The secretary of state shall furnish registration forms necessary to carry out the registration of voters as provided by this chapter without cost to the respective counties. ~~((All voter registration forms must include clear and conspicuous language, designed to draw an applicant's attention, stating that the applicant must be a United States citizen in order to register to vote. Voter registration application forms must also contain a space for the applicant to provide his or her driver's license number or the last four digits of his or her social security number as well as check boxes intended to allow the voter to indicate age and United States citizenship eligibility under the Help America Vote Act of 2002 (P.L. 107-252).))~~

Sec. 13. RCW 29A.08.330 and 2003 c 111 s 224 are each amended to read as follows:

(1) The secretary of state shall prescribe the method of voter registration for each designated agency. The agency shall use either the state voter registration by mail form with a separate declination form for the applicant to indicate that he or she declines to register at this time, or the agency may use a separate form approved for use by the secretary of state.

(2) The person providing service at the agency shall offer voter registration services to every client whenever he or she applies for service or assistance and with each renewal, recertification, or change of address. The person providing service shall give the applicant the same level of assistance with the voter registration application as is offered to fill out the agency's forms and documents, including information about age and citizenship requirements for voter registration.

(3) The person providing service at the agency shall determine if the prospective applicant wants to register to vote or transfer his or her voter registration by asking the following question:

"Do you want to register to vote or transfer your voter registration?"

If the applicant chooses to register or transfer a registration, the service agent shall ask the following:

(a) "Are you a United States citizen?"

(b) "Are you or will you be eighteen years of age on or before the next election?"

If the applicant answers in the affirmative to both questions, the agent shall then provide the applicant with a voter registration form and instructions and shall record that the applicant has requested to register to vote or transfer a voter

registration. If the applicant answers in the negative to either question, the agent shall not provide the applicant with a voter registration form.

(4) If an agency uses a computerized application process, it may, in consultation with the secretary of state, develop methods to capture simultaneously the information required for voter registration during a person's computerized application process.

~~((4))~~ (5) Each designated agency shall provide for the voter registration application forms to be collected from each agency office at least once each week. The agency shall then forward the application forms to the secretary of state each week. The secretary of state shall forward the forms to the county in which the applicant has registered to vote no later than ten days after the date on which the forms were received by the secretary of state.

Sec. 14. RCW 29A.08.520 and 2004 c 267 s 126 are each amended to read as follows:

(1) Upon receiving official notice of a person's conviction of a felony in either state or federal court, if the convicted person is a registered voter in the county, the county auditor shall cancel the defendant's voter registration. Additionally, the secretary of state in conjunction with the department of corrections, the Washington state patrol, the office of the administrator for the courts, and other appropriate state agencies shall arrange for a ~~((periodic))~~ quarterly comparison of a list of known felons with the statewide voter registration list. If a person is found on ~~((the department of corrections))~~ a felon list and the statewide voter registration list, the secretary of state or county auditor shall confirm the match through a date of birth comparison and ~~((cancel))~~ suspend the voter registration from the official state voter registration list. The canceling authority shall send ~~((notice of the proposed cancellation))~~ a notice of the proposed cancellation and an explanation of the requirements for restoring the right to vote once all terms of sentencing have been completed. If the person does not respond within thirty days, the registration must be canceled.

(2) The right to vote may be restored by, for each felony conviction, one of the following:

(a) A certificate of discharge issued by the sentencing court, as provided in RCW 9.94A.637;

(b) A court order restoring the right, as provided in RCW 9.92.066;

(c) A final order of discharge issued by the indeterminate sentence review board, as provided in RCW 9.96.050; or

(d) A certificate of restoration issued by the governor, as provided in RCW 9.96.020.

Sec. 15. RCW 29A.08.651 and 2004 c 267 s 101 are each amended to read as follows:

(1) The office of the secretary of state shall create and maintain a statewide voter registration data base. This data base must be a single, uniform, official, centralized, interactive computerized statewide voter registration list defined, maintained, and administered at the state level that contains the name and registration information of every legally registered voter in the state and assigns a unique identifier to each legally registered voter in the state.

(2) The computerized list must serve as the single system for storing and maintaining the official list of registered voters throughout the state.

(3) The computerized list must contain the name and registration information of every legally registered voter in the state.

(4) Under the computerized list, a unique identifier is assigned to each legally registered voter in the state.

(5) The computerized list must be coordinated with other agency data bases within the state, including but not limited to the department of corrections, the department of licensing, ~~((and))~~ the department of health, the Washington state patrol, and the office of the administrator for the courts.

(6) Any election officer in the state, including any local election officer, may obtain immediate electronic access to the information contained in the computerized list.

(7) All voter registration information obtained by any local election officer in the state must be electronically entered into the computerized list on an expedited basis at the time the information is provided to the local officer.

(8) The chief state election officer shall provide support, as may be required, so that local election officers are able to enter information as described in subsection (3) of this section.

(9) The computerized list serves as the official voter registration list for the conduct of all elections.

(10) The secretary of state has data authority on all voter registration data.

(11) The voter registration data base must be designed to accomplish at a minimum, the following:

(a) Comply with the Help America Vote Act of 2002 (P.L. 107-252);

- (g) Provide online access for county auditors with the goal of real time duplicate checking and update capabilities; and
- (h) Provide for the cancellation of voter registration for persons who have moved to other states and surrendered their Washington state drivers' licenses.

(12) The secretary of state must review and update the records of all registered voters on the computerized list on a quarterly basis to make additions and corrections.

Sec. 16. RCW 29A.08.710 and 2004 c 267 s 133 are each amended to read as follows:

(1) The county auditor shall have custody of the original voter registration records for each county. The original voter registration form must be filed without regard to precinct and is considered confidential and unavailable for public inspection and copying. An automated file of all registered voters must be maintained pursuant to RCW 29A.08.125. An auditor may maintain the automated file in lieu of filing or maintaining the original voter registration forms if the automated file includes all of the information from the original voter registration forms including, but not limited to, a retrievable facsimile of each voter's signature.

(2) The following information contained in voter registration records or files regarding a voter or a group of voters is available for public inspection and copying, except as provided in RCW 40.24.060: The voter's name, address, political jurisdiction, gender, date of birth, voting record, date of registration, and registration number. ~~((The address and political jurisdiction of a registered voter are available for public inspection and copying except as provided by chapter 40.24 RCW.))~~ No other information from voter registration records or files is available for public inspection or copying.

Sec. 17. RCW 29A.08.720 and 2004 c 266 s 9 are each amended to read as follows:

(1) In the case of voter registration records received through the department of licensing, the identity of the office at which any particular individual registered to vote is not available for public inspection and shall not be disclosed to the public. In the case of voter registration records received through an agency designated under RCW 29A.08.310, the identity of the agency at which any particular individual registered to vote is not available for public inspection and shall not be disclosed to the public. Any record of a particular individual's choice not to register to vote at an office of the department of licensing or a state agency designated under RCW 29A.08.310 is not available for public inspection and any information regarding such a choice by a particular individual shall not be disclosed to the public.

(2) ~~((All))~~ Subject to the restrictions of RCW 29A.08.710, poll books, precinct lists, and ~~((or))~~ current lists of registered voters, ~~((except original voter registration forms or their images, shall be))~~ are public records and must be made available for public inspection and copying under such reasonable rules and regulations as the county auditor or secretary of state may prescribe. The county auditor or secretary of state shall promptly furnish current lists ~~((or mailing labels))~~ of registered voters in his or her possession, at actual reproduction cost, to any person requesting such information. The lists ~~((and labels))~~ shall not be used for the purpose of mailing or delivering any advertisement or offer for any property, establishment, organization, product, or service or for the purpose of mailing or delivering any solicitation for money, services, or anything of value. However, the lists ~~((and labels))~~ may be used for any political purpose. The county auditor or secretary of state must provide a copy of RCW 29A.08.740 to the person requesting the material that is released pursuant to this section.

Sec. 18. RCW 29A.08.740 and 2003 c 111 s 249 and 2003 c 53 s 176 are each amended to read as follows:

(1) Any person who uses registered voter data furnished under RCW 29A.08.720 ~~((or 29A.08.730))~~ for the purpose of mailing or delivering any advertisement or offer for any property, establishment, organization, product, or service or for the purpose of mailing or delivering any solicitation for money, services, or anything of value is guilty of a class C felony punishable by imprisonment in a state correctional facility for a period of not more than five years or a fine of not more than ten thousand dollars or both such fine and imprisonment, and is liable to each person provided such advertisement or solicitation, without the person's consent, for the nuisance value of such person having to dispose of it, which value is herein established at five dollars for each item mailed or delivered to the person's residence. However, a person who mails or delivers any advertisement, offer, or solicitation for a political purpose is not liable under this section unless the person is liable under subsection (2) of this section. For purposes of this subsection, two or more attached papers or sheets or two or more papers that are enclosed in the same envelope or container or are folded together are one item. Merely having a mailbox or other receptacle for mail on or near the person's residence is not an indication that the person consented to receive the advertisement or solicitation. A class action may be brought to recover damages under this section, and the court may award a reasonable attorney's fee to any party recovering damages under this section.

(2) Each person furnished data under RCW 29A.08.720 (~~or 29A.08.730~~) shall take reasonable precautions designed to assure that the data is not used for the purpose of mailing or delivering any advertisement or offer for any property, establishment, organization, product, or service or for the purpose of mailing or delivering any solicitation for money, services, or anything of value. However, the data may be used for any political purpose. Where failure to exercise due care in carrying out this responsibility results in the data being used for such purposes, then such person is jointly and severally liable for damages under subsection (1) of this section along with any other person liable under subsection (1) of this section for the misuse of such data.

Sec. 19. RCW 29A.08.775 and 2004 c 267 s 136 are each amended to read as follows:

Only voters who appear on the official statewide voter registration list are eligible to participate in elections. Each county shall maintain a copy of that county's portion of the state list. The county must ensure that data used for the production of poll lists and other lists and mailings done in the administration of each election are (~~drawn from~~) the same as the official statewide voter registration list.

Sec. 20. RCW 29A.40.091 and 2004 c 271 s 135 are each amended to read as follows:

The county auditor shall send each absentee voter a ballot, a security envelope in which to seal the ballot after voting, a larger envelope in which to return the security envelope, and instructions on how to mark the ballot and how to return it to the county auditor. The instructions that accompany an absentee ballot for a partisan primary must include instructions for voting the applicable ballot style, as provided in chapter 29A.36 RCW. The larger return envelope must contain a declaration by the absentee voter reciting his or her qualifications and stating that he or she has not voted in any other jurisdiction at this election, together with a summary of the penalties for any violation of any of the provisions of this chapter. The return envelope must provide a box the voter may check to indicate that he or she is a member of the armed forces or that he or she is an overseas voter. The return envelope must provide space for the voter to indicate the date on which the ballot was voted and for the voter to sign the oath. A summary of the applicable penalty provisions of this chapter must be printed on the return envelope immediately adjacent to the space for the voter's signature. The signature of the voter on the return envelope must affirm and attest to the statements regarding the qualifications of that voter and to the validity of the ballot. For out-of-state voters, overseas voters, and service voters, the signed declaration on the return envelope constitutes the equivalent of a voter registration for the election or primary for which the ballot has been issued. The voter must be instructed to either return the ballot to the county auditor by whom it was issued or attach sufficient first class postage, if applicable, and mail the ballot to the appropriate county auditor no later than the day of the election or primary for which the ballot was issued.

If the county auditor chooses to forward absentee ballots, he or she must include with the ballot a clear explanation of the qualifications necessary to vote in that election and must also advise a voter with questions about his or her eligibility to contact the county auditor. This explanation may be provided on the ballot envelope, on an enclosed insert, or printed directly on the ballot itself. If the information is not included, the envelope must clearly indicate that the ballot is not to be forwarded and that return postage is guaranteed.

Sec. 21. RCW 46.20.155 and 2004 c 249 s 7 are each amended to read as follows:

(1) Before issuing an original license or identicard or renewing a license or identicard under this chapter, the licensing agent shall determine if the applicant wants to register to vote or transfer his or her voter registration by asking the following question:

"Do you want to register to vote or transfer your voter registration?"

If the applicant chooses to register or transfer a registration, the agent shall (~~state~~) ask the following:

(~~"I would like to remind you that you must be a United States citizen and at least eighteen years of age in order to vote."~~)

(1) "Are you a United States citizen?"

(2) "Are you or will you be eighteen years of age on or before the next election?"

If the applicant answers in the affirmative to both questions, the agent shall then provide the applicant with a voter registration form and instructions and shall record that the applicant has requested to register to vote or transfer a voter registration. If the applicant answers in the negative to either question, the agent shall not provide the applicant with a voter registration form.

(2) The department shall establish a procedure that substantially meets the requirements of subsection (1) of this section when permitting an applicant to renew a license or identicard by mail or by electronic commerce.

"Sec. 20. RCW 29A.40.091 and 2004 c 271 s 135 are each amended to read as follows:

The county auditor shall send each absentee voter a ballot, a security envelope in which to seal the ballot after voting, a larger envelope in which to return the security envelope, and instructions on how to mark the ballot and how to return it to the county auditor. The instructions that accompany an absentee ballot for a partisan primary must include instructions for voting the applicable ballot style, as provided in chapter 29A.36 RCW. The absentee voter's name and address must be printed on the larger return envelope, which must also contain a declaration by the absentee voter reciting his or her qualifications and stating that he or she has not voted in any other jurisdiction at this election, together with a summary of the penalties for any violation of any of the provisions of this chapter. The declaration must clearly inform the voter that it is illegal to vote if he or she is not a United States citizen; it is illegal to vote if he or she has been convicted of a felony and has not had his or her voting rights restored; and, except as otherwise provided by law, it is illegal to cast a ballot or sign an absentee envelope on behalf of another voter. The return envelope must provide space for the voter to indicate the date on which the ballot was voted and for the voter to sign the oath. It must also contain a space that the voter may include a telephone number. A summary of the applicable penalty provisions of this chapter must be printed on the return envelope immediately adjacent to the space for the voter's signature. The signature of the voter on the return envelope must affirm and attest to the statements regarding the qualifications of that voter and to the validity of the ballot. The return envelope must also have a secrecy flap that the voter may seal that will cover the voter's signature and optional telephone number. For out-of-state voters, overseas voters, and service voters, the signed declaration on the return envelope constitutes the equivalent of a voter registration for the election or primary for which the ballot has been issued. The voter must be instructed to either return the ballot to the county auditor by whom it was issued or attach sufficient first class postage, if applicable, and mail the ballot to the appropriate county auditor no later than the day of the election or primary for which the ballot was issued.

If the county auditor chooses to forward absentee ballots, he or she must include with the ballot a clear explanation of the qualifications necessary to vote in that election and must also advise a voter with questions about his or her eligibility to contact the county auditor. This explanation may be provided on the ballot envelope, on an enclosed insert, or printed directly on the ballot itself. If the information is not included, the envelope must clearly indicate that the ballot is not to be forwarded and that return postage is guaranteed."

All provisional ballots must be visually distinguishable from the other ballots and must be either:

(1) Printed on colored paper; or

(2) Imprinted with a bar code for the purpose of identifying the ballot as a provisional ballot. The bar code must not identify the voter.

Provisional ballots must be incapable of being tabulated by poll-site counting devices.

Sec. 4. RCW 29A.40.091 and 2004 c 271 s 135 are each amended to read as follows:

The county auditor shall send each absentee voter a ballot, a security envelope in which to seal the ballot after voting, a larger envelope in which to return the security envelope, and instructions on how to mark the ballot and how to return it to the county auditor. The instructions that accompany an absentee ballot for a partisan primary must include instructions for voting the applicable ballot style, as provided in chapter 29A.36 RCW. The absentee voter's name and address must be printed on the larger return envelope, which must also contain a declaration by the absentee voter reciting his or her qualifications and stating that he or she has not voted in any other jurisdiction at this election, together with a summary of the penalties for any violation of any of the provisions of this chapter. The declaration must clearly inform the voter that it is illegal to vote if he or she is not a United States citizen; it is illegal to vote if he or she has been convicted of a felony and has not had his or her voting rights restored; and, except as otherwise provided by law, it is illegal to cast a ballot or sign an absentee envelope on behalf of another voter. The

return envelope must provide space for the voter to indicate the date on which the ballot was voted and for the voter to sign the oath. It must also contain a space that the voter may include a telephone number. A summary of the applicable penalty provisions of this chapter must be printed on the return envelope immediately adjacent to the space for the voter's signature. The signature of the voter on the return envelope must affirm and attest to the statements regarding the qualifications of that voter and to the validity of the ballot. The return envelope must also have a secrecy flap that the voter may seal that will cover the voter's signature and optional telephone number. For out-of-state voters, overseas voters, and service voters, the signed declaration on the return envelope constitutes the equivalent of a voter registration for the election or primary for which the ballot has been issued. The voter must be instructed to either return the ballot to the county auditor by whom it was issued or attach sufficient first class postage, if applicable, and mail the ballot to the appropriate county auditor no later than the day of the election or primary for which the ballot was issued.

If the county auditor chooses to forward absentee ballots, he or she must include with the ballot a clear explanation of the qualifications necessary to vote in that election and must also advise a voter with questions about his or her eligibility to contact the county auditor. This explanation may be provided on the ballot envelope, on an enclosed insert, or printed directly on the ballot itself. If the information is not included, the envelope must clearly indicate that the ballot is not to be forwarded and that return postage is guaranteed.

Sec. 5. RCW 29A.40.110 and 2003 c 111 s 1011 are each amended to read as follows:

(1) The opening and subsequent processing of return envelopes for any primary or election may begin ~~((on or after the tenth day before the primary or election))~~ upon receipt. The tabulation of absentee ballots must not commence until after 8:00 p.m. on the day of the primary or election.

(2) All received absentee return envelopes must be placed in secure locations from the time of delivery to the county auditor until their subsequent opening. After opening the return envelopes, the county canvassing board shall place all of the ballots in secure storage until after 8:00 p.m. of the day of the primary or election. Absentee ballots that are to be tabulated on an electronic vote tallying system may be taken from the inner envelopes and all the normal procedural steps may be performed to prepare these ballots for tabulation.

(3) Before opening a returned absentee ballot, the canvassing board, or its designated representatives, shall examine the postmark, statement, and signature on the return envelope that contains the security envelope and absentee ballot. They shall verify that the voter's signature on the return envelope is the same as the signature of that voter in the registration files of the county. For registered voters casting absentee ballots, the date on the return envelope to which the voter has attested determines the validity, as to the time of voting for that absentee ballot if the postmark is missing or is illegible. For out-of-state voters, overseas voters, and service voters stationed in the United States, the date on the return envelope to which the voter has attested determines the validity as to the time of voting for that absentee ballot. For any absentee ballot, a variation between the signature of the voter on the return envelope and the signature of that voter in the registration files due to the substitution of initials or the use of common nicknames is permitted so long as the surname and handwriting are clearly the same.

NEW SECTION. Sec. 6. A new section is added to chapter 29A.44 RCW to read as follows:

Provisional ballots must be issued, along with a provisional ballot outer envelope and a security envelope, to voters as appropriate under RCW 29A.04.008. The provisional ballot outer envelope must include a place for the voter's name; registered address, both present and former if applicable; date of birth; reason for the provisional ballot; the precinct number and the precinct polling location at which the voter has voted; and a space for the county auditor to list the disposition of the provisional ballot. The provisional ballot outer envelope must also contain a declaration as required for absentee ballot outer envelopes under RCW 29A.40.091; a place for the voter to sign the oath; and a summary of the applicable penalty provisions of this chapter. The voter shall vote the provisional ballot in secrecy and, when done, place the provisional ballot in the security envelope, then place the security envelope into the outer envelope, and return it to the precinct election official. The election official shall ensure that the required information is completed on the outer envelope, have the voter sign it in the appropriate space, and place the envelope in a secure container. The official shall then give the voter written information advising the voter how to ascertain whether the vote was counted and, if applicable, the reason why the vote was not counted.

NEW SECTION. Sec. 7.. A new section is added to chapter 29A.44 RCW to read as follows:

Any person desiring to vote at the polls at any primary or election must provide identification to the election officer before signing the poll book. The identification required in this section may be satisfied by providing the following forms of identification as chosen by the voter:

(1) A physical form of identification, which may be:

(a) An original or copy of a current and valid photo identification with or without an address. The address is not required to match the voter's voter identification card; or

(b) An original or copy of a utility bill, bank statement, government check, paycheck, student identification card, tribal identification card, or other government document that shows the name and address of the person. The address is not required to match the voter's voter identification card; or

(2) A verbal or written statement by the voter of the voter's name, year of birth, and unique identifier as determined by the secretary of state. The statement of the voter's name does not need to contain the voter's middle initial or suffix.

(3) If the voter does not have identification and does not know his or her unique identifier, he or she shall vote a provisional ballot.

NEW SECTION. Sec. 8. A new section is added to chapter 29A.60 RCW to read as follows:

(1) If the voter neglects to sign the outside envelope of an absentee or provisional ballot, the auditor shall notify the voter by telephone and advise the voter of the correct procedures for completing the unsigned affidavit. If the auditor is not able to provide the information personally to the voter by telephone, then the voter must be contacted by first class mail and advised of the correct procedures for completing the unsigned affidavit. Leaving a voice mail message for the voter is not to be considered as personally contacting the voter. In order for the ballot to be counted, the voter must either:

(a) Appear in person and sign the envelope no later than the day before the certification of the primary or election; or

(b) Sign a copy of the envelope provided by the auditor, and return it to the auditor no later than the day before the certification of the primary or election.

(2)(a) If the handwriting of the signature on an absentee or provisional ballot envelope is not the same as the handwriting of the signature on the registration file, the auditor shall notify the voter by telephone and advise the voter of the correct procedures for updating his or her signature on the voter registration file. If the auditor is not able to provide the information personally to the voter by telephone, then the voter must be contacted by first class mail and advised of the correct procedures for completing the unsigned affidavit. Leaving a voice mail message for the voter is not to be considered as personally contacting the voter. In order for the ballot to be counted, the voter must either:

(i) Appear in person and sign a new registration form no later than the day before the certification of the primary or election; or

(ii) Sign a copy of the affidavit provided by the auditor and return it to the auditor no later than the day before the certification of the primary or election. If the signature on the copy of the affidavit does not match the signature on file, the voter must appear in person and sign a new registration form no later than the day before the certification of the primary or election in order for the ballot to be counted.

(b) If the signature on an absentee or provisional ballot envelope is not the same as the signature on the registration file because the name is different, the ballot may be counted as long as the handwriting is clearly the same. The auditor shall send the voter a change-of-name form under RCW 29A.08.440 and direct the voter to complete the form.

(c) If the signature on an absentee or provisional ballot envelope is not the same as the signature on the registration file because the voter used initials or a common nickname, the ballot may be counted as long as the surname and handwriting are clearly the same.

(3) A voter may not cure a missing or mismatched signature for purposes of counting the ballot in a recount.

(4) A record must be kept of all ballots with missing and mismatched signatures. The record must contain the date on which the voter was contacted or the notice was mailed, as well as the date on which the voter signed the envelope, a copy of the envelope, a new registration form, or a change-of-name form. That record is a public record under chapter 42.17 RCW and may be disclosed to interested parties on written request.

NEW SECTION. Sec. 9. A new section is added to chapter 29A.60 RCW to read as follows:

Before certification of the primary or election, the county auditor must examine and investigate all received provisional ballots to determine whether the ballot can be counted. The auditor shall provide the disposition of the provisional ballot and, if the ballot was not counted, the reason why it was not counted, on a free access system such as a toll-free telephone number, web site, mail, or other means. The auditor must notify the voter in accordance with section 7 of this act when the envelope is unsigned or when the signatures do not match.

NEW SECTION. Sec. 10. A new section is added to chapter 29A.60 RCW to read as follows:

(1) The county auditor shall prepare, make publicly available at the auditor's office or on the auditor's web site, and submit at the time of certification an election reconciliation report that discloses the following information:

(a) The number of registered voters;

- (b) The number of ballots counted;
- (c) The number of provisional ballots issued;
- (d) The number of provisional ballots counted;
- (e) The number of provisional ballots rejected;
- (f) The number of absentee ballots issued;
- (g) The number of absentee ballots counted;
- (h) The number of absentee ballots rejected;
- (i) The number of federal write-in ballots counted;
- (j) The number of out-of-state, overseas, and service ballots issued;
- (k) The number of out-of-state, overseas, and service ballots counted; and
- (l) The number of out-of-state, overseas, and service ballots rejected.

(2) The county auditor shall prepare and make publicly available at the auditor's office or on the auditor's web site within thirty days of certification a final election reconciliation report that discloses the following information:

- (a) The number of registered voters;
- (b) The total number of voters credited with voting;
- (c) The number of poll voters credited with voting;
- (d) The number of provisional voters credited with voting;
- (e) The number of absentee voters credited with voting;
- (f) The number of federal write-in voters credited with voting;
- (g) The number of out-of-state, overseas, and service voters credited with voting;
- (h) The total number of voters credited with voting even though their ballots were postmarked after election day and were not counted; and

(i) Any other information the auditor deems necessary to reconcile the number of ballots counted with the number of voters credited with voting.

(3) The county auditor may also prepare such reports for jurisdictions located, in whole or in part, in the county.

Sec. 11. RCW 29A.60.021 and 2004 c 271 s 147 are each amended to read as follows:

(1) For any office at any election or primary, any voter may write in on the ballot the name of any person for an office who has filed as a write-in candidate for the office in the manner provided by RCW 29A.24.311 and such vote shall be counted the same as if the name had been printed on the ballot and marked by the voter. ~~((For a partisan primary in a jurisdiction using the physically separate ballot format, a voter may write in on a party ballot only the names of write-in candidates who affiliate with that major political party.))~~ No write-in vote made for any person who has not filed a declaration of candidacy pursuant to RCW 29A.24.311 is valid if that person filed for the same office, either as a regular candidate or a write-in candidate, at the preceding primary. Any abbreviation used to designate office(,) or position(, or political party shall) will be accepted if the canvassing board can determine, to ~~((their))~~ its satisfaction, the voter's intent.

(2) The number of write-in votes cast for each office must be recorded and reported with the canvass for the election.

(3) A write-in vote for an individual candidate for an office whose name appears on the ballot for that same office is a valid vote for that candidate as long as the candidate's name is clearly discernible, even if other requirements of RCW 29A.24.311 are not satisfied and even if the voter also marked a vote for that candidate such as to register an over vote. These votes need not be tabulated unless: (a) The difference between the number of votes cast for the candidate apparently qualified to appear on the general election ballot or elected and the candidate receiving the next highest number of votes is less than the sum of the total number of write-in votes cast for the office plus the over votes and under votes recorded by the vote tabulating system; or (b) a manual recount is conducted for that office.

(4) Write-in votes cast for an individual candidate for an office whose name does not appear on the ballot need not be tallied ~~((if))~~ unless the total number of write-in votes and under votes recorded by the vote tabulation system for the office is ~~((not))~~ greater than the number of votes cast for the candidate apparently ~~((nominated))~~ qualified to appear on the general election ballot or elected ~~((, and the write-in votes could not have altered the outcome of the primary or election. In the case of write-in votes for statewide office or for any office whose jurisdiction encompasses more than one county, write-in votes for an individual candidate must be tallied whenever the county auditor is notified by either the office of the secretary of state or another auditor in a multicounty jurisdiction that it appears that the write-in votes could alter the outcome of the primary or election)).~~

~~((4))~~ (5) In the case of write-in votes for a statewide office(,) or any office whose jurisdiction(, that) encompasses more than one county, ~~((if the total number of write-in votes and under votes recorded by the vote tabulation system for an office within a county is greater than the number of votes cast for a candidate apparently nominated or elected in a primary or election, the auditor shall tally all write-in votes for individual candidates for that office and notify the office of the secretary of state and~~

~~the auditors of the other counties within the jurisdiction, that the write-in votes for individual candidates should be tallied))~~ write-in votes for an individual candidate must be tallied when the county auditor is notified by either the secretary of state or another county auditor in the multicounty jurisdiction that it appears that the write-in votes must be tabulated under the terms of this section. In all other cases, the county auditor determines when write-in votes must be tabulated. Any abstract of votes must be modified to reflect the tabulation and certified by the canvassing board. Tabulation of write-in votes may be performed simultaneously with a recount.

Sec. 12. RCW 29A.60.050 and 2003 c 111 s 1505 are each amended to read as follows:

Whenever the precinct election officers or the counting center personnel have a question about the validity of a ballot or the votes for an office or issue that they are unable to resolve, they shall prepare and sign a concise record of the facts in question or dispute. These ballots shall be delivered to the canvassing board for processing. A ballot is not considered rejected until the canvassing board has rejected the ballot individually, or the ballot was included in a batch or on a report of ballots that was rejected in its entirety by the canvassing board. All ballots shall be preserved in the same manner as valid ballots for that primary or election.

Sec. 13. RCW 29A.60.070 and 2003 c 111 s 1507 are each amended to read as follows:

The county auditor shall produce cumulative and precinct returns for each primary and election and deliver them to the canvassing board for verification and certification. The precinct and cumulative returns of any primary or election are public records under chapter 42.17 RCW.

Cumulative returns for state offices, judicial offices, the United States senate, and congress must be electronically transmitted to the secretary of state immediately.

Sec. 14. RCW 29A.60.160 and 2003 c 111 s 1516 are each amended to read as follows:

~~((At least every third day after a primary or election and before certification of the election results,))~~ Except Sundays and legal holidays, the county auditor, as delegated by the county canvassing board, shall process absentee ballots and canvass the votes cast at that primary or election on a daily basis in counties with a population of seventy-five thousand or more, or at least every third day for counties with a population of less than seventy-five thousand, if the county auditor is in possession of more than twenty-five ballots that have yet to be canvassed. The county auditor, as delegated by the county canvassing board, may use his or her discretion in determining when to process the remaining absentee ballots and canvass the votes during the final four days before the certification of election results in order to protect the secrecy of any ballot. In counties where this process has not been delegated to the county auditor, the county auditor shall convene the county canvassing board to process absentee ballots and canvass the votes cast at the primary or election as set forth in this section.

Each absentee ballot previously not canvassed that was received by the county auditor two days or more before processing absentee ballots and canvassing the votes as delegated by or processed by the county canvassing board, that either was received by the county auditor before the closing of the polls on the day of the primary or election for which it was issued, or that bears a postmark on or before the primary or election for which it was issued, must be processed at that time. The tabulation of votes that results from that day's canvass must be made available to the general public immediately upon completion of the canvass.

Sec. 15. RCW 29A.60.190 and 2004 c 266 s 18 are each amended to read as follows:

(1) ~~((On the tenth day after a special election or primary and on the fifteenth day))~~ Ten days after a primary or special election and twenty-one days after a general election, the county canvassing board shall complete the canvass and certify the results. Each absentee ballot that was returned before the closing of the polls on the date of the primary or election for which it was issued, and each absentee ballot with a postmark on or before the date of the primary or election for which it was issued and received on or before the date on which the primary or election is certified, must be included in the canvass report.

(2) At the request of a caucus of the state legislature, the county auditor shall transmit copies of all unofficial returns of state and legislative primaries or elections prepared by or for the county canvassing board to either the secretary of the senate or the chief clerk of the house of representatives.

Sec. 16. RCW 29A.60.210 and 2003 c 111 s 1521 are each amended to read as follows:

Whenever the canvassing board finds during the initial counting process, or during any subsequent recount thereof, that there is an apparent discrepancy or an inconsistency in the returns of a primary or election, or that election staff has made an error regarding the treatment or disposition of a ballot, the board may recanvass the ballots or voting devices in any precincts of the county. The canvassing board shall conduct any necessary recanvass activity on or before the last day to certify or recertify the

results of the primary ~~((or))~~, election, or subsequent recount and correct any error and document the correction of any error that it finds.

Sec. 17. RCW 29A.60.250 and 2003 c 111 s 1525 are each amended to read as follows:

As soon as the returns have been received from all the counties of the state, but not later than the thirtieth day after the election, the secretary of state shall ~~((make a))~~ canvass ~~((of such of the returns as are not required to be canvassed by the legislature and make out a statement thereof, file it in his or her office, and transmit a certified copy to the governor))~~ and certify the returns of the general election as to candidates for state offices, the United States senate, congress, and all other candidates whose districts extend beyond the limits of a single county. The secretary of state shall transmit a copy of the certification to the governor, president of the senate, and speaker of the house of representatives.

Sec. 18. RCW 29A.64.021 and 2004 c 271 s 178 are each amended to read as follows:

(1) If the official canvass of all of the returns for any office at any primary or election reveals that the difference in the number of votes cast for a candidate apparently nominated or elected to any office and the number of votes cast for the closest apparently defeated opponent is less than two thousand votes and also less than one-half of one percent of the total number of votes cast for both candidates, the county canvassing board shall conduct a recount of all votes cast on that position.

(a) Whenever such a difference occurs in the number of votes cast for candidates for a position the declaration of candidacy for which was filed with the secretary of state, the secretary of state shall, within three business days of the day that the returns of the primary or election are first certified by the canvassing boards of those counties, direct those boards to recount all votes cast on the position.

(b)(i) For statewide elections, if the difference in the number of votes cast for the apparent winner and the closest apparently defeated opponent is less than one ~~((hundred fifty))~~ thousand votes and also less than one-fourth of one percent of the total number of votes cast for both candidates, the votes shall be recounted manually or as provided in subsection (3) of this section.

(ii) For elections not included in (b)(i) of this subsection, if the difference in the number of votes cast for the apparent winner and the closest apparently defeated opponent is less than one hundred fifty votes and also less than one-fourth of one percent of the total number of votes cast for both candidates, the votes shall be recounted manually or as provided in subsection (3) of this section.

(2) A mandatory recount shall be conducted in the manner provided by RCW 29A.64.030, 29A.64.041, and 29A.64.061. No cost of a mandatory recount may be charged to any candidate.

(3) The apparent winner and closest apparently defeated opponent for an office for which a manual recount is required under subsection (1)(b) of this section may select an alternative method of conducting the recount. To select such an alternative, the two candidates shall agree to the alternative in a signed, written statement filed with the election official for the office. The recount shall be conducted using the alternative method if: It is suited to the balloting system that was used for casting the votes for the office; it involves the use of a vote tallying system that is approved for use in this state by the secretary of state; and the vote tallying system is readily available in each county required to conduct the recount. If more than one balloting system was used in casting votes for the office, an alternative to a manual recount may be selected for each system.

Sec. 19. RCW 29A.64.030 and 2003 c 111 s 1603 are each amended to read as follows:

An application for a recount shall state the office for which a recount is requested and whether the request is for all or only a portion of the votes cast in that jurisdiction of that office. The person filing an application for a manual recount shall, at the same time, deposit with the county canvassing board or secretary of state, in cash or by certified check, a sum equal to twenty-five cents for each ballot cast in the jurisdiction or portion of the jurisdiction for which the recount is requested as security for the payment of any costs of conducting the recount. If the application is for a machine recount, the deposit must be equal to fifteen cents for each ballot. These charges shall be determined by the county canvassing board or boards under RCW ~~((29A.64.080))~~ 29A.64.081.

The county canvassing board shall determine ~~((a))~~ the date, time, and ~~((a))~~ place or places at which the recount will be conducted. ~~((This time shall be less than three business days after the day upon which the application was filed with the board; the request for a recount or directive ordering a recount was received by the board from the secretary of state; or the returns are certified which indicate that a recount is required under RCW 29A.64.020 for an issue or office voted upon only within the county.))~~ Not less than two days before the date of the recount, the county auditor shall mail a notice of the time and place of the recount to the applicant or affected parties and, if the recount involves an office, to any person for whom votes were cast for that office. The county auditor shall also notify the affected parties by either telephone, fax, e-mail, or other electronic means at the time of mailing. At least three attempts must be made over a two-day period to notify the affected parties or until the affected

parties have received the notification. Each attempt to notify affected parties must request a return response indicating that the notice has been received. Each person entitled to receive notice of the recount may attend, witness the recount, and be accompanied by counsel.

Proceedings of the canvassing board are public under chapter 42.30 RCW. Subject to reasonable and equitable guidelines adopted by the canvassing board, all interested persons may attend and witness a recount.

Sec. 20. RCW 29A.64.061 and 2004 c 271 s 180 are each amended to read as follows:

Upon completion of the canvass of a recount, the canvassing board shall prepare and certify an amended abstract showing the votes cast in each precinct for which the recount was conducted. Copies of the amended abstracts must be transmitted to the same officers who received the abstract on which the recount was based.

If the nomination, election, or issue for which the recount was conducted was submitted only to the voters of a county, the canvassing board shall file the amended abstract with the original results of that election or primary.

If the nomination, election, or issue for which a recount was conducted was submitted to the voters of more than one county, the secretary of state shall canvass the amended abstracts and shall file an amended abstract with the original results of that election. The secretary of state may require that the amended abstracts be certified by each canvassing board on a uniform date. An amended abstract certified under this section supersedes any prior abstract of the results for the same offices or issues at the same primary or election.

Sec. 21. RCW 29A.68.011 and 2004 c 271 s 182 are each amended to read as follows:

Any justice of the supreme court, judge of the court of appeals, or judge of the superior court in the proper county shall, by order, require any person charged with error, wrongful act, or neglect to forthwith correct the error, desist from the wrongful act, or perform the duty and to do as the court orders or to show cause forthwith why the error should not be corrected, the wrongful act desisted from, or the duty or order not performed, whenever it is made to appear to such justice or judge by affidavit of an elector that:

An affidavit of an elector under subsections (1) and (3) ~~((above))~~ of this section when relating to a primary election must be filed with the appropriate court no later than the second Friday following the closing of the filing period for nominations for such office and shall be heard and finally disposed of by the court not later than five days after the filing thereof. An affidavit of an elector under subsections (1) and (3) of this section when relating to a general election must be filed with the appropriate court no later than three days following the official certification of the primary election returns and shall be heard and finally disposed of by the court not later than five days after the filing thereof. An affidavit of an elector under subsection (6) of this section shall be filed with the appropriate court no later than ten days following the ~~((issuance of a certificate of election))~~ official certification of the election as provided in RCW 29A.60.190, 29A.60.240, or 29A.60.250 or, in the case of a recount, ten days after the official certification of the amended abstract as provided in RCW 29A.64.061.

(1) When processing the outside envelope of an absentee or provisional ballot, the signature on the envelope and the birth date or date of voter registration, as it appears on the voter registration card, shall be matched against the signature and birth date or registration date on the voter's registration file. A signature match by itself is insufficient for proof of identification and the ballot will not be counted unless a birth date or date of voter registration match is also made.

(2) If the voter neglects to include his or her birth date or date of voter registration, the auditor shall notify the voter by telephone and advise the voter of the correct procedures for providing the necessary information. If the auditor is not able to provide the information personally to the voter by telephone, then the voter must be contacted by first class mail and advised of the correct procedures for providing the missing information. Leaving a voice mail message for the voter is not to be considered as personally contacting the voter. In order for the ballot to be counted, the voter must either:

(a) Appear in person and complete the missing information on the envelope no later than the day before the certification of the primary or election; or

(b) Return a copy of the envelope provided by the auditor, and return it with a birth date or voter registration date included to the auditor no later than the day before the certification of the primary or election.

(3) If the voter neglects to sign the outside envelope of an absentee or provisional ballot, the auditor shall notify the voter by telephone and advise the voter of the correct procedures for completing the unsigned affidavit. If the auditor is not able to provide the information personally to the voter by telephone, then the voter must be contacted by first class mail and advised of the correct procedures for completing the unsigned affidavit. Leaving a voice mail message for the voter is not to be considered as personally contacting the voter. In order for the ballot to be counted, the voter must either:

(a) Appear in person and sign the envelope no later than the day before the certification of the primary or election; or

(b) Sign a copy of the envelope provided by the auditor, and return it to the auditor no later than the day before the certification of the primary or election.

(4) (a) If the handwriting of the signature on an absentee or provisional ballot envelope is not the same as the handwriting of the signature on the registration file, the auditor shall notify the voter by telephone and advise the voter of the correct procedures for updating his or her signature on the voter registration file. If the auditor is not able to provide the information personally to the voter by telephone, then the voter must be contacted by first class mail and advised of the correct procedures for completing the unsigned affidavit. Leaving a voice mail message for the voter is not to be considered as personally contacting the voter. In order for the ballot to be counted, the voter must either:

(i) Appear in person and sign a new registration form no later than the day before the certification of the primary or election; or

(ii) Sign a copy of the affidavit provided by the auditor and return it to the auditor no later than the day before the certification of the primary or election. If the signature on the copy of the affidavit does not match the signature on file, the ballot will not be counted.

(b) If the signature on an absentee or provisional ballot envelope is not the same as the signature on the registration file because the name is different, the ballot may be counted as long as the handwriting is clearly the same. The auditor shall send the voter a change-of-name form under RCW 29A.08.440 and direct the voter to complete the form.

(c) If the signature on an absentee or provisional ballot envelope is not the same as the signature on the registration file because the voter used initials or a common nickname, the ballot may be counted as long as the surname and handwriting are clearly the same.

(5) A voter may not cure a missing or mismatched signature for purposes of counting the ballot in a recount.

(6) A record must be kept of the date on which the voter was contacted or the notice was mailed, as well as the date on which the voter signed the envelope or a copy of the envelope, or completed the missing birth date or registration date. That record is a public record under chapter 42.17 RCW and may be disclosed to interested parties on written request."

RESOLUTION

HOUSE RESOLUTION NO. 2005-4654, By Representatives Dunn, Ahern and McCune

WHEREAS, Mother Joseph of the Sacred Heart was born as Esther Pariseau on April 16, 1823, in St. Elzear, Canada, and entered the newly formed Sisters of Providence in Montreal at twenty years of age; and

WHEREAS, Her father made a prophetic remark upon her entry: "I bring to you my daughter, Esther, who wishes to dedicate herself to the religious life. She can read, write, figure accurately, sew, cook, and spin and do all manner of housework. She can do carpentry, handling a hammer and a saw as well as her father. She can also plan for others, and she succeeds in anything she undertakes. I assure you, Madam, she will make a good superior some day"; and

WHEREAS, The Sisters of Providence responded to the pleas for help that were coming from the new frontier settlements in the western United States, and Mother Joseph was chosen to lead the group of five sisters to the Washington Territory in 1856; and

WHEREAS, By February 1857, the young Sisters inherited their first convent, an old fur storage building abandoned by the Hudson Bay Company and later used as a barn, and Mother Joseph designed a chapel, built the altar herself, and fashioned a tabernacle out of an old candle box; and

WHEREAS, From this home base the Sisters began visiting the sick, soon opened the first permanent hospital in the territory, which is still operating today as Southwest Washington Medical Center, and also cared for Indian children displaced by the Yakima Indian wars; and

WHEREAS, By spring of the first year, preparations had been completed for a school; the first student, a three-year-old orphan, arrived early, and soon a tiny baby boy was also placed at the doorstep; and

WHEREAS, In 1859, Mother Joseph incorporated the Sisters' charitable works and became the President of the Sisters of Charity of the House of Providence in the Territory of Washington, one of Washington's first corporations; and

WHEREAS, From the 1850s to the 1890s, Mother Joseph established no less than eleven hospitals, seven academies, five Indian schools, and two orphanages throughout an area that today encompasses Northern Oregon, Idaho, Montana, British Columbia, and Washington, including hospitals that continue in operation in Vancouver, Walla Walla, Seattle, Spokane, Olympia, Port Townsend, Yakima, and Colfax; and

WHEREAS, Some of her most demanding work was raising funds to complete her buildings, and she found the people of Vancouver generally had modest incomes or were poor and began "begging tours" to the mining camps of Idaho, the Blue Mountains of Eastern Washington, Montana, and Western Canada; and

WHEREAS, From 1856 to 1873, while she worked on other facilities, Mother Joseph planned and built her home for the Sisters' various medical, spiritual, and educational ministries in Vancouver, Washington, the House of Providence, later called Providence Academy, which was three stories high, was considered to be the biggest brick building in the Washington Territory, and today has been declared an historic monument in the "National Register of Historic Places"; and

WHEREAS, After her death from a brain tumor in January 1902, her close friend, Mother Mary Antoinette, honored Mother Joseph in a letter to the community, "She had the characteristics of a genius: incessant works, immense sacrifices, great undertakings; and she never counted the cost to self. She exercised an extraordinary influence on the Church in the West"; and

WHEREAS, In 1953, Mother Joseph was recognized as one of the first architects in the Pacific Northwest, and because she was among the first to appreciate the use of Douglas Fir for both carving and building, she was recognized as the "first white artisan to work with wood in the Pacific Northwest," by the West Coast Lumberman's Association; and

WHEREAS, In 1980, Mother Joseph was honored as one of Washington State's two representatives in National Statuary Hall, Washington, D.C.; and

WHEREAS, A replica of that statue resides in the east wing of the entrance foyer of the Legislative Building in Olympia;

NOW, THEREFORE, BE IT RESOLVED, That the House of Representatives recognize and honor Mother Joseph on the occasion of the 182nd year of her birth.

HOUSE RESOLUTION NO. 4654 was adopted.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** This chapter may be known and cited as the tax refund anticipation loan act.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

- (1) "Borrower" means a taxpayer who receives the proceeds of a refund anticipation loan.
- (2) "Department" means the department of financial institutions.
- (3) "Director" means the director of the department of financial institutions.
- (4) "Facilitator" means a person who receives or accepts for delivery an application for a refund anticipation loan, delivers a check in payment of refund anticipation loan proceeds, or in any other manner acts to allow the making of a refund anticipation loan. "Facilitator" does not include a bank, thrift, savings association, industrial bank, or credit union, operating under the laws of the United States or this state, an affiliate that is a servicer for such an entity, or any person who acts solely as an intermediary and does not deal with a taxpayer in the making of the refund anticipation loan.
- (5) "Lender" means a person who extends credit to a borrower in the form of a refund anticipation loan.
- (6) "Person" means an individual, a firm, a partnership, an association, a corporation, or other entity.
- (7) "Refund anticipation loan" means a loan borrowed by a taxpayer from a lender based on the taxpayer's anticipated federal income tax refund.
- (8) "Refund anticipation loan fee" means the charges, fees, or other consideration imposed by the lender for a refund anticipation loan. This term does not include any charge, fee, or other consideration usually imposed by the facilitator in the ordinary course of business for nonloan services, such as fees for tax return preparation and fees for electronic filing of tax returns.
- (9) "Refund anticipation loan fee schedule" means a listing or table of refund anticipation loan fees charged by the facilitator or the lender for three or more representative refund anticipation loan amounts. The schedule shall list separately each fee or charge imposed, as well as a total of all fees imposed, related to the making of refund anticipation loans. The schedule shall also include, for each representative loan amount, the estimated annual percentage rate calculated under the guidelines established by the federal truth in lending act, 15 U.S.C. Sec. 1601 et seq.
- (10) "Taxpayer" means an individual who files a federal income tax return.

NEW SECTION. Sec. 3. (1) No person may individually, or in conjunction or cooperation with another person act as a facilitator unless that person is:

- (a) A tax preparer or works for a person that engages in the business of tax preparation;
 - (b) Accepted by the internal revenue service as an authorized IRS e-file provider; and
 - (c) Registered with the department as a facilitator. The director may prescribe the registration form.
- (2) A person is registered as a facilitator by providing the department, on or before December 31st of each year with:
- (a) A list of authorized IRS e-file providers in the state of Washington for the current tax filing year; and
 - (b) A thirty-five dollar processing fee for each authorized e-file provider on the list.
- (3) After the December 31st deadline, a facilitator may amend the registration required in subsection (2) of this section to reflect additions or deletions of office locations or e-file providers authorized by the internal revenue service.
- (4) The department shall make available to the public a list of all facilitators registered under this section.
- (5) This section does not apply to a person doing business as a bank, thrift, savings association, industrial bank, or credit union, operating under the laws of the United States or this state, an affiliate that is a servicer for such an entity, or any person who acts solely as an intermediary and does not deal with a taxpayer in the making of the refund anticipation loan.
- (6) This chapter shall preempt and be exclusive of all local acts, statutes, ordinances, and regulations relating to refund anticipation loans. This subsection shall be given retroactive and prospective effect.

NEW SECTION. Sec. 4. (1) For all refund anticipation loans, a facilitator must provide clear disclosure to the borrower prior to the borrower's completion of the application. The disclosure must contain the following:

- (a) The refund anticipation loan fee schedule; and
- (b) A written statement, in a minimum of ten-point type, containing the following elements:
 - (i) That a refund anticipation loan is a loan, and is not the borrower's actual income tax refund;
 - (ii) That the taxpayer can file an income tax return electronically without applying for a refund anticipation loan;
 - (iii) The average times according to the internal revenue service within which a taxpayer who does not obtain a refund anticipation loan can expect to receive a refund if the taxpayer's return is (A) filed electronically and the refund is directly deposited to the taxpayer's bank account or mailed to the taxpayer, and (B) mailed to the internal revenue service and the refund is directly deposited to the taxpayer's bank account or mailed to the taxpayer;

(iv) That the internal revenue service does not guarantee that it will pay the full amount of the anticipated refund and it does not guarantee a specific date that a refund will be deposited into a taxpayer's financial institution account or mailed to a taxpayer;

(v) That the borrower is responsible for repayment of the loan and related fees in the event that the tax refund is not paid or paid in full;

(vi) The estimated time within which the loan proceeds will be paid to the borrower if the loan is approved;

(vii) The fee that will be charged, if any, if the borrower's loan is not approved; and

(viii) The borrower's right to rescind the refund anticipation loan transaction as provided in section 5 of this act.

(2) The following additional information must be provided to the borrower of a refund anticipation loan before consummation of the loan transaction:

(a) The estimated total fees for obtaining the refund anticipation loan; and

(b) The estimated annual percentage rate for the borrower's refund anticipation loan, using the guidelines established under the federal truth in lending act (15 U.S.C. Sec. 1601 et seq.).

NEW SECTION. Sec. 5. A borrower may rescind a loan, on or before the close of business on the next day of business, by either returning the original check issued for the loan or providing the amount of the loan in cash to the lender or the facilitator. The facilitator may not charge the borrower a fee for rescinding the loan or a refund anticipation loan fee if the loan is rescinded but may charge the borrower the administrative cost of establishing a bank account to electronically receive the refund.

NEW SECTION. Sec. 6. It is unlawful for a facilitator of a refund anticipation loan to engage in any of the following activities:

(1) Misrepresent a material factor or condition of a refund anticipation loan;

(2) Fail to process the application for a refund anticipation loan promptly after the consumer applies for the loan;

(3) Engage in any dishonest, fraudulent, unfair, unconscionable, or unethical practice or conduct in connection with a refund anticipation loan;

(4) Arrange for a creditor to take a security interest in any property of the consumer other than the proceeds of the consumer's tax refund and the account into which that tax refund is deposited to secure payment of the loan; and

(5) Offer a refund anticipation loan that, including any refund anticipation loan fee or any other fee related to the loan or tax preparation, exceeds the amount of the anticipated tax refund.

NEW SECTION. Sec. 7. Any person who knowingly and willfully violates this chapter is guilty of a misdemeanor and shall be fined up to five hundred dollars for each offense.

NEW SECTION. Sec. 8. The legislature finds that the practices covered by this chapter are matters vitally affecting the public interest for the purpose of applying the consumer protection act, chapter 19.86 RCW. A violation of this chapter is not reasonable in relation to the development and preservation of business and is an unfair or deceptive act in trade or commerce and an unfair method of competition for the purpose of applying the consumer protection act, chapter 19.86 RCW.

NEW SECTION. Sec. 9. Sections 1 through 8 of this act constitute a new chapter in Title 19 RCW."

The report shall address the progress the boards have made and the obstacles they have encountered, individually and collectively, in the work of achieving the goals in RCW 28A.150.210.

The purpose of the state board of education is to adopt statewide policies that promote achievement of the goals of RCW 28A.150.210; implement a standards-based accountability system; and provide leadership in the creation of an education system that respects the diverse cultures, abilities, and learning styles of all students. In addition to any other powers and duties as provided by law, the state board of education shall:

(1) Until January 1, 2006, approve or disapprove the program of courses leading to teacher, school administrator, and school specialized personnel certification offered by all institutions of higher education within the state which may be accredited and whose graduates may become entitled to receive such certification.

(2) Until January 1, 2006, conduct every five years a review of the program approval standards, including the minimum standards for teachers, administrators, and educational staff associates, to reflect research findings and assure continued improvement of preparation programs for teachers, administrators, and educational staff associates.

(3) Until January 1, 2006, investigate the character of the work required to be performed as a condition of entrance to and graduation from any institution of higher education in this state relative to such certification as provided for in subsection (1) of this section, and prepare a list of accredited institutions of higher education of this and other states whose graduates may be awarded such certificates.

(4) Until January 1, 2006:

(a) ~~((The state board of education shall))~~ Adopt rules to allow a teacher certification candidate to fulfill, in part, teacher preparation program requirements through work experience as a classified teacher's aide in a public school or private school meeting the requirements of RCW 28A.195.010. The rules shall include, but are not limited to, limitations based upon the recency of the teacher preparation candidate's teacher aide work experience, and limitations based on the amount of work experience that may apply toward teacher preparation program requirements under this chapter~~((;-))~~; and

(b) ~~((The state board of education shall))~~ Require that at the time of the individual's enrollment in a teacher preparation program, the supervising teacher and the building principal shall jointly provide to the teacher preparation program of the higher education institution at which the teacher candidate is enrolled, a written assessment of the performance of the teacher candidate. The assessment shall contain such information as determined by the state board of education and shall include: Evidence that at least fifty percent of the candidate's work as a classified teacher's aide was involved in instructional activities with children under the supervision of a certificated teacher and that the candidate worked a minimum of six hundred thirty hours for one school year; the type of work performed by the candidate; and a recommendation of whether the candidate's work experience as a classified teacher's aide should be substituted for teacher preparation program requirements. In compliance with such rules as may be established by the state board of education under this section, the teacher preparation programs of the higher education institution where the candidate is enrolled shall make the final determination as to what teacher preparation program requirements may be fulfilled by teacher aide work experience.

(5) Until January 1, 2006, supervise the issuance of such certificates as provided for in subsection (1) of this section and specify the types and kinds of certificates necessary for the several departments of the common schools by rule or regulation in accordance with RCW 28A.410.010.

(6) Hold regularly scheduled meetings at such time and place within the state as the board shall determine and may hold such special meetings as may be deemed necessary for the transaction of public business.

(7) Form committees as necessary to effectively and efficiently conduct the work of the board.

(8) Seek advice from the public and interested parties regarding the work of the board.

(9) For purposes of statewide accountability, the board shall:

(a) Adopt and revise performance improvement goals in reading, writing, science, and mathematics, by subject and grade level, once assessments in these subjects are required statewide; academic and technical skills, as appropriate, in secondary career and technical education programs; and student attendance, as the board deems appropriate to improve student learning. The goals shall be consistent with student privacy protection provisions of RCW 28A.655.090(7) and shall not conflict with requirements contained in Title I of the federal elementary and secondary education act of 1965, or the requirements of the Carl D. Perkins vocational education act of 1998, each as amended. The goals may be established for all students, economically disadvantaged students, limited English proficient students, students with disabilities, and students from disproportionately academically underachieving racial and ethnic backgrounds. The board may establish school and school district goals addressing high school graduation rates and dropout reduction goals for students in grades seven through twelve. The board shall adopt the goals by rule. However, before each goal is implemented, the board shall present the goal to the education committees of the

house of representatives and the senate for the committees' review and comment in a time frame that will permit the legislature to take statutory action on the goal if such action is deemed warranted by the legislature:

(b) Identify the scores students must achieve in order to meet the standard on the Washington assessment of student learning and, for high school students, to obtain a certificate of academic achievement. The board shall also determine student scores that identify levels of student performance below and beyond the standard. The board shall consider the incorporation of the standard error of measurement into the decision regarding the award of the certificates. The board shall set such performance standards and levels in consultation with the superintendent of public instruction and after consideration of any recommendations that may be developed by any advisory committees that may be established for this purpose. The initial performance standards and any changes recommended by the board in the performance standards for the tenth grade assessment shall be presented to the education committees of the house of representatives and the senate by November 30th of the school year in which the changes will take place to permit the legislature to take statutory action before the changes are implemented if such action is deemed warranted by the legislature. The legislature shall be advised of the initial performance standards and any changes made to the elementary level performance standards and the middle school level performance standards;

(c) Adopt objective, systematic criteria to identify successful schools and school districts and recommend to the superintendent of public instruction schools and districts to be recognized for two types of accomplishments, student achievement and improvements in student achievement. Recognition for improvements in student achievement shall include consideration of one or more of the following accomplishments:

(i) An increase in the percent of students meeting standards. The level of achievement required for recognition may be based on the achievement goals established by the legislature and by the board under (a) of this subsection;

(ii) Positive progress on an improvement index that measures improvement in all levels of the assessment; and

(iii) Improvements despite challenges such as high levels of mobility, poverty, English as a second language learners, and large numbers of students in special populations as measured by either the percent of students meeting the standard, or the improvement index. When determining the baseline year or years for recognizing individual schools, the board may use the assessment results from the initial years the assessments were administered, if doing so with individual schools would be appropriate;

(d) Adopt objective, systematic criteria to identify schools and school districts in need of assistance and those in which significant numbers of students persistently fail to meet state standards. In its deliberations, the board shall consider the use of all statewide mandated criterion-referenced and norm-referenced standardized tests;

(e) Identify schools and school districts in which state intervention measures will be needed and a range of appropriate intervention strategies after the legislature has authorized a set of intervention strategies. After the legislature has authorized a set of intervention strategies, at the request of the board, the superintendent shall intervene in the school or school district and take corrective actions. This chapter does not provide additional authority for the board or the superintendent of public instruction to intervene in a school or school district;

(f) Identify performance incentive systems that have improved or have the potential to improve student achievement;

(g) Annually review the assessment reporting system to ensure fairness, accuracy, timeliness, and equity of opportunity, especially with regard to schools with special circumstances and unique populations of students, and a recommendation to the superintendent of public instruction of any improvements needed to the system;

(h) Include in the biennial report required under section 103 of this act, information on the progress that has been made in achieving goals adopted by the board.

(10) Accredite, subject to such accreditation standards and procedures as may be established by the state board of education, all schools that apply for accreditation, and approve, subject to the provisions of RCW 28A.195.010, private schools carrying out a program for any or all of the grades kindergarten through twelve: PROVIDED, That no private school may be approved that operates a kindergarten program only: PROVIDED FURTHER, That no public or private schools shall be placed upon the list of accredited schools so long as secret societies are knowingly allowed to exist among its students by school officials: PROVIDED FURTHER, That the state board may elect to require all or certain classifications of the public schools to conduct and participate in such preaccreditation examination and evaluation processes as may now or hereafter be established by the board.

((7)) (11) Make rules and regulations governing the establishment in any existing nonhigh school district of any secondary program or any new grades in grades nine through twelve. Before any such program or any new grades are established the district must obtain prior approval of the state board.

((8)) (12) Prepare such outline of study for the common schools as the board shall deem necessary, and in conformance with legislative requirements, and prescribe such rules for the general government of the common schools, as shall seek to secure regularity of attendance, prevent truancy, secure efficiency, and promote the true interest of the common schools.

(19) Adopt a seal that shall be kept in the office of the superintendent of public instruction.

School districts shall have the authority to decide the best use of student achievement funds to assist students in meeting and exceeding the new, higher academic standards in each district consistent with the provisions of chapter 3, Laws of 2001.

(1) Student achievement funds shall be allocated for the following uses:

Any person may appear or by written submission have the opportunity to comment on the proposed plan for the use of these funds. No later than August 31st, as a part of the process under RCW 28A.505.060, each school district shall adopt a plan for the use of these funds for the upcoming school year. Annually, each school district shall provide to the citizens of their district a public accounting of the funds made available to the district during the previous school year under chapter 3, Laws of 2001, how the funds were used, and the progress the district has made in increasing student achievement, as measured by required state assessments and other assessments deemed appropriate by the district. Copies of this report shall be provided to the superintendent of public instruction ~~((and to the academic achievement and accountability commission))~~.

Grade level content expectations shall be articulated over the grades as a sequence of expectations and performances that are logical, build with increasing depth after foundational knowledge and skills are acquired, and reflect, where appropriate, the sequential nature of the discipline. The office of the superintendent of public instruction, within seven working days, shall post on its web site any grade level content expectations provided to an assessment vendor for use in constructing the Washington assessment of student learning.

(3) In consultation with the (~~academic achievement and accountability commission~~) state board of education, the superintendent of public instruction shall maintain and continue to develop and revise a statewide academic assessment system in the content areas of reading, writing, mathematics, and science for use in the elementary, middle, and high school years designed to determine if each student has mastered the essential academic learning requirements identified in subsection (1) of this section. School districts shall administer the assessments under guidelines adopted by the superintendent of public instruction. The academic assessment system shall include a variety of assessment methods, including criterion-referenced and performance-based measures.

(4) If the superintendent proposes any modification to the essential academic learning requirements or the statewide assessments, then the superintendent shall, upon request, provide opportunities for the education committees of the house of representatives and the senate to review the assessments and proposed modifications to the essential academic learning requirements before the modifications are adopted.

(5)(a) The assessment system shall be designed so that the results under the assessment system are used by educators as tools to evaluate instructional practices, and to initiate appropriate educational support for students who have not mastered the essential academic learning requirements at the appropriate periods in the student's educational development.

(b) Assessments measuring the essential academic learning requirements in the content area of science shall be available for mandatory use in middle schools and high schools by the 2003-04 school year and for mandatory use in elementary schools by the 2004-05 school year unless the legislature takes action to delay or prevent implementation of the assessment.

(6) By September 2007, the results for reading and mathematics shall be reported in a format that will allow parents and teachers to determine the academic gain a student has acquired in those content areas from one school year to the next.

(7) To assist parents and teachers in their efforts to provide educational support to individual students, the superintendent of public instruction shall provide as much individual student performance information as possible within the constraints of the assessment system's item bank. The superintendent shall also provide to school districts:

(a) Information on classroom-based and other assessments that may provide additional achievement information for individual students; and

(b) A collection of diagnostic tools that educators may use to evaluate the academic status of individual students. The tools shall be designed to be inexpensive, easily administered, and quickly and easily scored, with results provided in a format that may be easily shared with parents and students.

No contract shall be offered by any board for the employment of any employee who has previously signed an employment contract for that same term in another school district of the state of Washington unless such employee shall have

been released from his or her obligations under such previous contract by the board of directors of the school district to which he or she was obligated. Any contract signed in violation of this provision shall be void.

In the event it is determined that there is probable cause or causes that the employment contract of an employee should not be renewed by the district for the next ensuing term such employee shall be notified in writing on or before May 15th preceding the commencement of such term of that determination, or if the omnibus appropriations act has not passed the legislature by May 15th, then notification shall be no later than June 1st, which notification shall specify the cause or causes for nonrenewal of contract. (1) The purpose of this chapter is to establish guidelines for the regulation of the real estate profession and other business professions which may seek legislation to substantially increase their scope of practice or the level of regulation of the profession, and for the regulation of business professions not licensed or regulated on July 26, 1987: PROVIDED, That the provisions of this chapter are not intended and shall not be construed to: (a) Apply to any regulatory entity created prior to July 26, 1987, except as provided in this chapter; (b) affect the powers and responsibilities of the superintendent of public instruction or (~~state board of education~~) Washington professional educator standards board under RCW (~~28A.305.130~~) 28A.410.210 and 28A.410.010; (c) apply to or interfere in any way with the practice of religion or to any kind of treatment by prayer; (d) apply to any remedial or technical amendments to any statutes which licensed or regulated activity before July 26, 1987; and (e) apply to proposals relating solely to continuing education. The legislature believes that all individuals should be permitted to enter into a business profession unless there is an overwhelming need for the state to protect the interests of the public by restricting entry into the profession. Where such a need is identified, the regulation adopted by the state should be set at the least restrictive level consistent with the public interest to be protected.

(2) It is the intent of this chapter that no regulation shall be imposed upon any business profession except for the exclusive purpose of protecting the public interest. All bills introduced in the legislature to regulate a business profession for the first time should be reviewed according to the following criteria. A business profession should be regulated by the state only when:

(a) Unregulated practice can clearly harm or endanger the health, safety, or welfare of the public, and the potential for the harm is easily recognizable and not remote or dependent upon tenuous argument;

(b) The public needs and can reasonably be expected to benefit from an assurance of initial and continuing professional ability; and

(c) The public cannot be effectively protected by other means in a more cost-beneficial manner.

(3) After evaluating the criteria in subsection (2) of this section and considering governmental and societal costs and benefits, if the legislature finds that it is necessary to regulate a business profession not previously regulated by law, the least restrictive alternative method of regulation should be implemented, consistent with the public interest and this section:

(a) Where existing common law and statutory civil actions and criminal prohibitions are not sufficient to eradicate existing harm, the regulation should provide for stricter civil actions and criminal prosecutions;

(b) Where a service is being performed for individuals involving a hazard to the public health, safety, or welfare, the regulation should impose inspection requirements and enable an appropriate state agency to enforce violations by injunctive relief in court, including, but not limited to, regulation of the business activity providing the service rather than the employees of the business;

(c) Where the threat to the public health, safety, or economic well-being is relatively small as a result of the operation of the business profession, the regulation should implement a system of registration;

(d) Where the consumer may have a substantial basis for relying on the services of a practitioner, the regulation should implement a system of certification; or

(e) Where apparent that adequate regulation cannot be achieved by means other than licensing, the regulation should implement a system of licensing.

(1) The purpose of this chapter is to establish guidelines for the regulation of health professions not licensed or regulated prior to July 24, 1983, and those licensed or regulated health professions which seek to substantially increase their scope of practice: PROVIDED, That the provisions of this chapter are not intended and shall not be construed to: (a) Apply to any regulatory entity created prior to July 24, 1983, except as provided in this chapter; (b) affect the powers and responsibilities of the superintendent of public instruction or ~~((state board of education))~~ Washington professional educator standards board under RCW ~~((28A.305.130))~~ 28A.410.210 and 28A.410.010; (c) apply to or interfere in any way with the practice of religion or to any kind of treatment by prayer; and (d) apply to any remedial or technical amendments to any statutes which licensed or regulated activity before July 24, 1983. The legislature believes that all individuals should be permitted to enter into a health profession unless there is an overwhelming need for the state to protect the interests of the public by restricting entry into the profession. Where such a need is identified, the regulation adopted by the state should be set at the least restrictive level consistent with the public interest to be protected.

(2) It is the intent of this chapter that no regulation shall, after July 24, 1983, be imposed upon any health profession except for the exclusive purpose of protecting the public interest. All bills introduced in the legislature to regulate a health profession for the first time should be reviewed according to the following criteria. A health profession should be regulated by the state only when:

(a) Unregulated practice can clearly harm or endanger the health, safety, or welfare of the public, and the potential for the harm is easily recognizable and not remote or dependent upon tenuous argument;

(b) The public needs and can reasonably be expected to benefit from an assurance of initial and continuing professional ability; and

(c) The public cannot be effectively protected by other means in a more cost-beneficial manner.

(3) After evaluating the criteria in subsection (2) of this section and considering governmental and societal costs and benefits, if the legislature finds that it is necessary to regulate a health profession not previously regulated by law, the least restrictive alternative method of regulation should be implemented, consistent with the public interest and this section:

(a) Where existing common law and statutory civil actions and criminal prohibitions are not sufficient to eradicate existing harm, the regulation should provide for stricter civil actions and criminal prosecutions;

(b) Where a service is being performed for individuals involving a hazard to the public health, safety, or welfare, the regulation should impose inspection requirements and enable an appropriate state agency to enforce violations by injunctive relief in court, including, but not limited to, regulation of the business activity providing the service rather than the employees of the business;

(c) Where the threat to the public health, safety, or economic well-being is relatively small as a result of the operation of the health profession, the regulation should implement a system of registration;

(d) Where the consumer may have a substantial basis for relying on the services of a practitioner, the regulation should implement a system of certification; or

(e) Where apparent that adequate regulation cannot be achieved by means other than licensing, the regulation should implement a system of licensing.

Teachers of visually impaired students shall be qualified according to rules adopted by the ~~((state board of education))~~ professional educator standards board.

"Sec. 1. RCW 43.135.025 and 2000 2nd sp.s. c 2 s 1 are each amended to read as follows:

(1) The state shall not expend from the general fund during any fiscal year state moneys in excess of the state expenditure limit established under this chapter.

(2) Except pursuant to a declaration of emergency under RCW 43.135.035 or pursuant to an appropriation under RCW 43.135.045(4)(b), the state treasurer shall not issue or redeem any check, warrant, or voucher that will result in a state general

fund expenditure for any fiscal year in excess of the state expenditure limit established under this chapter. A violation of this subsection constitutes a violation of RCW 43.88.290 and shall subject the state treasurer to the penalties provided in RCW 43.88.300.

(3) The state expenditure limit for any fiscal year shall be the previous fiscal year's state expenditure limit increased by a percentage rate that equals the fiscal growth factor.

(4) For purposes of computing the state expenditure limit for the fiscal year beginning July 1, ~~((1995)) 2005~~, the phrase "the previous fiscal year's state expenditure limit" means the total state expenditures from the state general fund ~~((, not including federal funds,))~~ for the fiscal year beginning July 1, ~~((1989)) 2004~~, plus the fiscal growth factor. ~~((This calculation is then computed for the state expenditure limit for fiscal years 1992, 1993, 1994, and 1995, and as required under RCW 43.135.035(4).))~~

(5) A state expenditure limit committee is established for the purpose of determining and adjusting the state expenditure limit as provided in this chapter. The six members of the state expenditure limit committee are the director of financial management, the attorney general or the attorney general's designee, and the chairs and ranking minority members of the senate committee on ways and means and the house of representatives committee on appropriations. All actions of the state expenditure limit committee taken pursuant to this chapter require an affirmative vote of at least ~~((three))~~ four members.

(6) Each November, the state expenditure limit committee shall adjust the expenditure limit for the preceding fiscal year based on actual expenditures and known changes in the fiscal growth factor and then project an expenditure limit for the next two fiscal years. If, by November 30th, the state expenditure limit committee has not adopted the expenditure limit adjustment and projected expenditure limit as provided in subsection (5) of this section, the attorney general or his or her designee shall adjust or project the expenditure limit, as necessary.

(7) "Fiscal growth factor" means the average of the sum of inflation and population change for each of the ~~((prior))~~ three fiscal years prior to the year for which the state expenditure limit is being adopted.

(8) "Inflation" means the percentage change in the implicit price deflator for the United States for each fiscal year as published by the federal bureau of labor statistics.

(9) "Population change" means the percentage change in state population for each fiscal year as reported by the office of financial management.

Sec. 2. RCW 43.135.035 and 2001 c 3 s 8 and 2000 2nd sp.s. c 2 s 2 are each reenacted and amended to read as follows:

(1) After July 1, 1995, any action or combination of actions by the legislature that raises state revenue or requires revenue-neutral tax shifts may be taken only if approved by a two-thirds vote of each house, and then only if state expenditures in any fiscal year, including the new revenue, will not exceed the state expenditure limits established under this chapter.

(2)(a) If the legislative action under subsection (1) of this section will result in expenditures in excess of the state expenditure limit, then the action of the legislature shall not take effect until approved by a vote of the people at a November general election. The ~~((office of financial management))~~ state expenditure limit committee shall adjust the state expenditure limit by the amount of additional revenue approved by the voters under this section. This adjustment shall not exceed the amount of revenue generated by the legislative action during the first full fiscal year in which it is in effect. The state expenditure limit shall be adjusted downward upon expiration or repeal of the legislative action.

(b) The ballot title for any vote of the people required under this section shall be substantially as follows:

"Shall taxes be imposed on in order to allow a spending increase above last year's authorized spending adjusted for inflation and population increases?"

(3)(a) The state expenditure limit may be exceeded upon declaration of an emergency for a period not to exceed twenty-four months by a law approved by a two-thirds vote of each house of the legislature and signed by the governor. The law shall set forth the nature of the emergency, which is limited to natural disasters that require immediate government action to alleviate human suffering and provide humanitarian assistance. The state expenditure limit may be exceeded for no more than twenty-four months following the declaration of the emergency and only for the purposes contained in the emergency declaration.

(b) Additional taxes required for an emergency under this section may be imposed only until thirty days following the next general election, unless an extension is approved at that general election. The additional taxes shall expire upon expiration of the declaration of emergency. The legislature shall not impose additional taxes for emergency purposes under this subsection unless funds in the education construction fund have been exhausted.

(c) The state or any political subdivision of the state shall not impose any tax on intangible property listed in RCW 84.36.070 as that statute exists on January 1, 1993.

(4) If the cost of any state program or function is shifted from the state general fund (~~on or after January 1, 1993,~~) to another source of funding, or if moneys are transferred from the state general fund to another fund or account, the state expenditure limit committee, acting pursuant to RCW 43.135.025(5), shall lower the state expenditure limit to reflect the shift. For the purposes of this section, a transfer of money from the state general fund to another fund or account includes any state legislative action taken after July 1, 2000, that has the effect of reducing revenues from a particular source, where such revenues would otherwise be deposited into the state general fund, while increasing the revenues from that particular source to another state or local government account. For purposes of this section, a shift of program costs means the shift of any portion of the program cost, including the shift of any expenditure growth in the program. This subsection does not apply to the dedication or use of lottery revenues under RCW 67.70.240(3) or property taxes under RCW 84.52.068, in support of education or education expenditures.

(5) If the cost of any state program or function is shifted to the state general fund on or after January 1, (~~2000~~) 2005, from another source of funding, (~~or if moneys are transferred to the state general fund from another fund or account,~~) the state expenditure limit committee, acting pursuant to RCW 43.135.025(5), shall increase the state expenditure limit to reflect the shift. However, the limit may be increased for such a program cost shift only if:

(a) The legislature requires the deposit in the general fund of an ongoing revenue source that would otherwise be deposited in the fund or account that previously supported the program, in an amount equal to the cost of the program shifted; and

(b) The redirection of the ongoing revenue source takes effect on the same date that the cost of the program is shifted.

Sec. 3. RCW 43.135.045 and 2003 1st sp.s. c 26 s 919 and 2003 1st sp.s. c 25 s 920 are each reenacted and amended to read as follows:

(1) The emergency reserve fund is established in the state treasury. During each fiscal year, the state treasurer shall deposit in the emergency reserve fund all general fund--state revenues in excess of the state expenditure limit for that fiscal year. Deposits shall be made at the end of each fiscal quarter based on projections of state revenues and the state expenditure limit. The treasurer shall make transfers between these accounts as necessary to reconcile actual annual revenues and the expenditure limit for fiscal year 2000 and thereafter.

(2) The legislature may appropriate moneys from the emergency reserve fund only with approval of at least two-thirds of the members of each house of the legislature, and then only if the appropriation does not cause total expenditures to exceed the state expenditure limit under this chapter.

(3) The emergency reserve fund balance shall not exceed five percent of annual general fund--state revenues as projected by the official state revenue forecast. Any balance in excess of five percent shall be transferred on a quarterly basis by the state treasurer as follows: Seventy-five percent to the student achievement fund hereby created in the state treasury and twenty-five percent to the general fund balance. The treasurer shall make transfers between these accounts as necessary to reconcile actual annual revenues for fiscal year 2000 and thereafter. When per-student state funding for the maintenance and operation of K-12 education meets a level of no less than ninety percent of the national average of total funding from all sources per student as determined by the most recent published data from the national center for education statistics of the United States department of education, as calculated by the office of financial management, further deposits to the student achievement fund shall be required only to the extent necessary to maintain the ninety-percent level. Remaining funds are part of the general fund balance and these funds are subject to the expenditure limits of this chapter.

(4) The education construction fund is hereby created in the state treasury.

(a) Funds may be appropriated from the education construction fund exclusively for common school construction or higher education construction. During the fiscal years beginning July 1, 2003, and ending June 30, 2005, funds may also be used for higher education facilities preservation and maintenance.

(b) Funds may be appropriated for any other purpose only if approved by a two-thirds vote of each house of the legislature and if approved by a vote of the people at the next general election. An appropriation approved by the people under this subsection shall result in an adjustment to the state expenditure limit only for the fiscal period for which the appropriation is made and shall not affect any subsequent fiscal period.

(5) Funds from the student achievement fund shall be appropriated to the superintendent of public instruction strictly for distribution to school districts to meet the provisions set out in the student achievement act. Allocations shall be made on an equal per full-time equivalent student basis to each school district.

~~((6) Earnings of the emergency reserve fund under RCW 43.84.092(4)(a) shall be transferred quarterly to the multimodal transportation account, except for those earnings that are in excess of thirty five million dollars each fiscal year.~~

~~Within thirty days following any fiscal year in which earnings transferred to the multimodal transportation account under this subsection did not total thirty five million dollars, the state treasurer shall transfer from the emergency reserve fund an amount necessary to bring the total deposited in the multimodal transportation account under this subsection to thirty five million dollars. The revenues to the multimodal transportation account reflected in this subsection provide ongoing support for the transportation programs of the state. However, it is the intent of the legislature that any new long term financial support that may be subsequently provided for transportation programs will be used to replace and supplant the revenues reflected in this subsection, thereby allowing those revenues to be returned to the purposes to which they were previously dedicated. No transfers from the emergency reserve fund to the multimodal fund shall be made during the 2003-05 fiscal biennium.))~~

Sec. 4. RCW 43.135.045 and 2003 1st sp.s. c 25 s 920 are each amended to read as follows:

Any balance in excess of five percent shall be transferred on a quarterly basis by the state treasurer as follows: Seventy-five percent to the student achievement fund hereby created in the state treasury and twenty-five percent to the general fund balance. The treasurer shall make transfers between these accounts as necessary to reconcile actual annual revenues for fiscal year 2000 and thereafter. When per-student state funding for the maintenance and operation of K-12 education meets a level of no less than ninety percent of the national average of total funding from all sources per student as determined by the most recent published data from the national center for education statistics of the United States department of education, as calculated by the office of financial management, further deposits to the student achievement fund shall be required only to the extent necessary to maintain the ninety-percent level. Remaining funds are part of the general fund balance and these funds are subject to the expenditure limits of this chapter.

(4) The education construction fund is hereby created in the state treasury.

(a) Funds may be appropriated from the education construction fund exclusively for common school construction or higher education construction.

(b) Funds may be appropriated for any other purpose only if approved by a two-thirds vote of each house of the legislature and if approved by a vote of the people at the next general election. An appropriation approved by the people under this subsection shall result in an adjustment to the state expenditure limit only for the fiscal period for which the appropriation is made and shall not affect any subsequent fiscal period.

(5) Funds from the student achievement fund shall be appropriated to the superintendent of public instruction strictly for distribution to school districts to meet the provisions set out in the student achievement act. Allocations shall be made on an equal per full-time equivalent student basis to each school district.

~~((6) Earnings of the emergency reserve fund under RCW 43.84.092(4)(a) shall be transferred quarterly to the multimodal transportation account, except for those earnings that are in excess of thirty five million dollars each fiscal year. Within thirty days following any fiscal year in which earnings transferred to the multimodal transportation account under this subsection did not total thirty five million dollars, the state treasurer shall transfer from the emergency reserve fund an amount necessary to bring the total deposited in the multimodal transportation account under this subsection to thirty five million dollars. The revenues to the multimodal transportation account reflected in this subsection provide ongoing support for the transportation programs of the state. However, it is the intent of the legislature that any new long term financial support that may be subsequently provided for transportation programs will be used to replace and supplant the revenues reflected in this subsection, thereby allowing those revenues to be returned to the purposes to which they were previously dedicated. No transfers from the emergency reserve fund to the multimodal fund shall be made during the 2003-05 fiscal biennium.))~~

(1) ~~((After July 1, 1995, any action or combination of actions by the legislature that raises state revenue or requires revenue neutral tax shifts may be taken only if approved by a two-thirds vote of each house, and then only if state expenditures in any fiscal year, including the new revenue, will not exceed the state expenditure limits established under this chapter))~~ A tax increase may be imposed only by a favorable vote of three-fifths of the members of each house of the legislature, as provided in Article VII, section . . . of the state Constitution (HJR 4209).

(2)(a) If the legislative action under subsection (1) of this section will result in expenditures in excess of the state expenditure limit, then the action of the legislature shall not take effect until approved by a vote of the people at a November general election. The office of financial management shall adjust the state expenditure limit by the amount of additional revenue approved by the voters under this section. This adjustment shall not exceed the amount of revenue generated by the legislative action during the first full fiscal year in which it is in effect. The state expenditure limit shall be adjusted downward upon expiration or repeal of the legislative action.

(b) The ballot title for any vote of the people required under this section shall be substantially as follows:

(3)(a) The state expenditure limit may be exceeded upon declaration of an emergency for a period not to exceed twenty-four months by a law approved by a two-thirds vote of each house of the legislature and signed by the governor. The law shall set forth the nature of the emergency, which is limited to natural disasters that require immediate government action to alleviate human suffering and provide humanitarian assistance. The state expenditure limit may be exceeded for no more than

twenty-four months following the declaration of the emergency and only for the purposes contained in the emergency declaration.

(4) If the cost of any state program or function is shifted from the state general fund on or after January 1, 1993, to another source of funding, or if moneys are transferred from the state general fund to another fund or account, the state expenditure limit committee, acting pursuant to RCW 43.135.025(5), shall lower the state expenditure limit to reflect the shift. For the purposes of this section, a transfer of money from the state general fund to another fund or account includes any state legislative action taken after July 1, 2000, that has the effect of reducing revenues from a particular source, where such revenues would otherwise be deposited into the state general fund, while increasing the revenues from that particular source to another state or local government account. This subsection does not apply to the dedication or use of lottery revenues under RCW 67.70.240(3) or property taxes under RCW 84.52.068, in support of education or education expenditures.

(5) If the cost of any state program or function is shifted to the state general fund on or after January 1, 2000, from another source of funding, or if moneys are transferred to the state general fund from another fund or account, the state expenditure limit committee, acting pursuant to RCW 43.135.025(5), shall increase the state expenditure limit to reflect the shift.

NEW SECTION. **Sec. 2.** This act takes effect January 1, 2006, if an amendment to Article VII of the state Constitution, HJR 4209 (requiring supermajority legislative approval for tax increases), is validly submitted to and is approved and ratified by the voters at the next general election. STATEMENT FOR THE JOURNAL

I intended to vote YEA on amendment (475) to SUBSTITUTE SENATE HOUSE BILL NO. 6078.

Representative McIntire moved the adoption of amendment (462) to the committee amendment:

On page 1 of the amendment, after line 2, strike the remainder of the amendment and insert:

"NEW SECTION. Sec. 1. The legislature finds that the citizens of the state benefit from a state expenditure limit that ensures that the state budget operates with stability and predictability, while encouraging the establishment of budget priorities and a periodic review of state programs and the delivery of state services. A state expenditure limit can prevent budgeting crises that can occur because of increased spending levels during periods of revenue surplus followed by drastic reductions in state services in lean years. The citizens of the state are best served by an expenditure limit that keeps pace with the growth in the state's economy yet ensures budget discipline and taxpayer protection. For these reasons, the legislature finds that modifications to the state expenditure limit, after ten years of experience following the initial implementation of Initiative Measure No. 601, will recognize the economic productivity of the state's economy and better balance the needs of the citizens for essential government services with the obligation of the legislature for strict spending accountability and protection of its taxpayers.

Sec. 2. RCW 43.135.035 and 2001 c 3 s 8 and 2000 2nd sp.s. c 2 s 2 are each reenacted and amended to read as follows:

(1) After July 1, 1995, any action or combination of actions by the legislature that raises state revenue or requires revenue-neutral tax shifts may be taken only if approved by a two-thirds vote of each house, and then only if state expenditures in any fiscal year, including the new revenue, will not exceed the state expenditure limits established under this chapter. However, for legislation enacted between the effective date of this 2005 act and June 30, 2007, any action or combination of actions by the legislature that raises state revenue or requires revenue-neutral tax shifts may be taken with the approval of a majority of members elected to each house, so long as state expenditures in any fiscal year, including the new revenue, will not exceed the state expenditure limits established under this chapter.

(2)(a) If the legislative action under subsection (1) of this section will result in expenditures in excess of the state expenditure limit, then the action of the legislature shall not take effect until approved by a vote of the people at a November general election. The ~~((office of financial management))~~ state expenditure limit committee shall adjust the state expenditure limit by the amount of additional revenue approved by the voters under this section. This adjustment shall not exceed the amount of revenue generated by the legislative action during the first full fiscal year in which it is in effect. The state expenditure limit shall be adjusted downward upon expiration or repeal of the legislative action.

(b) The ballot title for any vote of the people required under this section shall be substantially as follows:

"Shall taxes be imposed on in order to allow a spending increase above last year's authorized spending adjusted for inflation and population increases?"

(3)(a) The state expenditure limit may be exceeded upon declaration of an emergency for a period not to exceed twenty-four months by a law approved by a two-thirds vote of each house of the legislature and signed by the governor. The law shall set forth the nature of the emergency, which is limited to natural disasters that require immediate government action to alleviate human suffering and provide humanitarian assistance. The state expenditure limit may be exceeded for no more than twenty-four months following the declaration of the emergency and only for the purposes contained in the emergency declaration.

(b) Additional taxes required for an emergency under this section may be imposed only until thirty days following the next general election, unless an extension is approved at that general election. The additional taxes shall expire upon expiration of the declaration of emergency. The legislature shall not impose additional taxes for emergency purposes under this subsection unless funds in the education construction fund have been exhausted.

(c) The state or any political subdivision of the state shall not impose any tax on intangible property listed in RCW 84.36.070 as that statute exists on January 1, 1993.

(4) If the cost of any state program or function is shifted from the state general fund on or after January 1, 1993, to another source of funding, or if moneys are transferred from the state general fund to another fund or account, the state expenditure limit committee, acting pursuant to RCW 43.135.025(5), shall lower the state expenditure limit to reflect the shift. For the purposes of this section, a transfer of money from the state general fund to another fund or account includes any state legislative action taken ~~((after July 1, 2000,))~~ that has the effect of reducing revenues from a particular source, where such revenues would otherwise be deposited into the state general fund, while increasing the revenues from that particular source to

another state or local government account. This subsection does not apply to the dedication or use of lottery revenues under RCW 67.70.240(3) or property taxes under RCW 84.52.068, in support of education or education expenditures.

(5) If the cost of any state program or function is shifted to the state general fund on or after January 1, 2000, from another source of funding, or if moneys are transferred to the state general fund from another fund or account, the state expenditure limit committee, acting pursuant to RCW 43.135.025(5), shall increase the state expenditure limit to reflect the shift.

Sec. 3. RCW 43.135.010 and 1994 c 2 s 1 are each amended to read as follows:

The people of the state of Washington hereby find and declare:

(1) The continuing increases in our state tax burden and the corresponding growth of state government is contrary to the interest of the people of the state of Washington.

(2) It is necessary to limit the rate of growth of state government while assuring adequate funding of essential services, including basic education as defined by the legislature.

(3) The current budgetary system in the state of Washington lacks stability. The system encourages crisis budgeting and results in cutbacks during lean years and overspending during surplus years.

(4) It is therefore the intent of this chapter to:

(a) Establish a limit on state expenditures that will assure that the growth rate of state expenditures does not exceed the growth rate ~~((of inflation and state population))~~ in Washington personal income;

(b) Assure that local governments are provided funds adequate to render those services deemed essential by their citizens;

(c) Assure that the state does not impose responsibility on local governments for new programs or increased levels of service under existing programs unless the costs thereof are paid by the state;

(d) Provide for adjustment of the limit when costs of a program are transferred between the state and another political entity;

(e) Establish a procedure for exceeding this limit in emergency situations;

(f) Provide for voter approval of tax increases; and

(g) Avoid overfunding and underfunding state programs by providing stability, consistency, and long-range planning.

Sec. 4. RCW 43.135.025 and 2000 2nd sp.s. c 2 s 1 are each amended to read as follows:

(1) The state shall not expend from the general fund and related funds during any fiscal year state moneys in excess of the state expenditure limit established under this chapter.

(2) Except pursuant to a declaration of emergency under RCW 43.135.035 or pursuant to an appropriation under RCW 43.135.045(4)(b), the state treasurer shall not issue or redeem any check, warrant, or voucher that will result in a state general fund or related fund expenditure for any fiscal year in excess of the state expenditure limit established under this chapter. A violation of this subsection constitutes a violation of RCW 43.88.290 and shall subject the state treasurer to the penalties provided in RCW 43.88.300.

(3) The state expenditure limit for any fiscal year shall be the previous fiscal year's state expenditure limit increased by a percentage rate that equals the fiscal growth factor.

(4) For purposes of computing the state expenditure limit for the fiscal year beginning July 1, ~~((1995))~~ 2007, the phrase "the previous fiscal year's state expenditure limit" means the total state expenditures from the state general fund and related funds, not including federal funds, for the fiscal year beginning July 1, ~~((1989))~~ 2006, plus the fiscal growth factor. ~~((This calculation is then computed for the state expenditure limit for fiscal years 1992, 1993, 1994, and 1995, and as required under RCW 43.135.035(4).))~~

(5) A state expenditure limit committee is established for the purpose of determining and adjusting the state expenditure limit as provided in this chapter. The members of the state expenditure limit committee are the director of financial management, the attorney general or the attorney general's designee, and the chairs and ranking minority members of the senate committee on ways and means and the house of representatives committee on appropriations. All actions of the state expenditure limit committee taken pursuant to this chapter require an affirmative vote of at least ~~((three))~~ four members.

(6) Each November, the state expenditure limit committee shall adjust the expenditure limit for the preceding fiscal year based on actual expenditures and known changes in the fiscal growth factor and then project an expenditure limit for the next two fiscal years. If, by November 30th, the state expenditure limit committee has not adopted the expenditure limit adjustment and projected expenditure limit as provided in subsection (5) of this section, the attorney general or his or her designee shall adjust or project the expenditure limit, as necessary.

(7) "Fiscal growth factor" means ~~((the average of the sum of inflation and population change for each of the prior three fiscal years))~~ the average growth in state personal income for the prior ten fiscal years.

~~(8) ("Inflation" means the percentage change in the implicit price deflator for the United States for each fiscal year as published by the federal bureau of labor statistics.~~

~~(9) "Population change" means the percentage change in state population for each fiscal year as reported by the office of financial management.)~~ "General fund" means the state general fund.

(9) "Related fund" means the health services account, violence reduction and drug enforcement account, public safety and education account, water quality account, or student achievement fund.

Sec. 5. RCW 43.135.035 and 2005 c . . . s 2 (section 2 of this act) are each amended to read as follows:

(1) After July 1, 1995, any action or combination of actions by the legislature that raises state revenue or requires revenue-neutral tax shifts may be taken only if approved by a two-thirds vote of each house, and then only if state expenditures in any fiscal year, including the new revenue, will not exceed the state expenditure limits established under this chapter. ~~((However, for legislation enacted between the effective date of this 2005 act and June 30, 2007, any action or combination of actions by the legislature that raises state revenue or requires revenue neutral tax shifts may be taken with the approval of a majority of members elected to each house, so long as state expenditures in any fiscal year, including the new revenue, will not exceed the state expenditure limits established under this chapter.))~~

(2)(a) If the legislative action under subsection (1) of this section will result in expenditures in excess of the state expenditure limit, then the action of the legislature shall not take effect until approved by a vote of the people at a November general election. The state expenditure limit committee shall adjust the state expenditure limit by the amount of additional revenue approved by the voters under this section. This adjustment shall not exceed the amount of revenue generated by the legislative action during the first full fiscal year in which it is in effect. The state expenditure limit shall be adjusted downward upon expiration or repeal of the legislative action.

(b) The ballot title for any vote of the people required under this section shall be substantially as follows:

"Shall taxes be imposed on in order to allow a spending increase above last year's authorized spending adjusted for ~~((inflation and population increases))~~ personal income growth?"

(3)(a) The state expenditure limit may be exceeded upon declaration of an emergency for a period not to exceed twenty-four months by a law approved by a two-thirds vote of each house of the legislature and signed by the governor. The law shall set forth the nature of the emergency, which is limited to natural disasters that require immediate government action to alleviate human suffering and provide humanitarian assistance. The state expenditure limit may be exceeded for no more than twenty-four months following the declaration of the emergency and only for the purposes contained in the emergency declaration.

(b) Additional taxes required for an emergency under this section may be imposed only until thirty days following the next general election, unless an extension is approved at that general election. The additional taxes shall expire upon expiration of the declaration of emergency. The legislature shall not impose additional taxes for emergency purposes under this subsection unless funds in the education construction fund have been exhausted.

(c) The state or any political subdivision of the state shall not impose any tax on intangible property listed in RCW 84.36.070 as that statute exists on January 1, 1993.

(4) If the cost of any state program or function is shifted from the state general fund ~~((on or after January 1, 1993,))~~ or a related fund to another source of funding, or if moneys are transferred from the state general fund or a related fund to another fund or account, the state expenditure limit committee, acting pursuant to RCW 43.135.025(5), shall lower the state expenditure limit to reflect the shift. For the purposes of this section, a transfer of money from the state general fund or a related fund to another fund or account includes any state legislative action taken that has the effect of reducing revenues from a particular source, where such revenues would otherwise be deposited into the state general fund or a related fund, while increasing the revenues from that particular source to another state or local government account. This subsection does not apply to the dedication or use of lottery revenues under RCW 67.70.240(3) or property taxes under RCW 84.52.068, in support of education or education expenditures.

(5) If the cost of any state program or function ~~((is))~~ and the ongoing revenue necessary to fund the program or function are shifted to the state general fund or a related fund on or after January 1, ~~((2000, from another source of funding, or if moneys are transferred to the state general fund from another fund or account))~~ 2007, the state expenditure limit committee, acting pursuant to RCW 43.135.025(5), shall increase the state expenditure limit to reflect the shift.

Sec. 6. RCW 43.135.045 and 2003 1st sp.s. c 25 s 920 are each amended to read as follows:

(1) The emergency reserve fund is established in the state treasury. During each fiscal year, the state treasurer shall ~~((deposit in the emergency reserve fund all general fund state revenues in excess of the state expenditure limit for that fiscal year. Deposits))~~ transfer an amount from the state general fund to the emergency reserve fund. The amount transferred shall equal the amount by which total state revenue for the general fund and related funds exceeds the state expenditure limit, multiplied by the percentage that general fund expenditures are of total expenditures from the general fund and related funds. Transfers shall be made at the end of each fiscal quarter based on projections of state revenues, expenditures, and the state expenditure limit. The treasurer shall make transfers between these accounts as necessary to reconcile actual annual revenues and the expenditure limit for fiscal year 2000 and thereafter.

(2) The legislature may appropriate moneys from the emergency reserve fund only with approval of at least two-thirds of the members of each house of the legislature, and then only if the appropriation does not cause total expenditures to exceed the state expenditure limit under this chapter.

Any balance in excess of five percent shall be transferred on a quarterly basis by the state treasurer as follows: Seventy-five percent to the student achievement fund hereby created in the state treasury and twenty-five percent to the general fund balance. The treasurer shall make transfers between these accounts as necessary to reconcile actual annual revenues for fiscal year 2000 and thereafter. When per-student state funding for the maintenance and operation of K-12 education meets a level of no less than ninety percent of the national average of total funding from all sources per student as determined by the most recent published data from the national center for education statistics of the United States department of education, as calculated by the office of financial management, further deposits to the student achievement fund shall be required only to the extent necessary to maintain the ninety-percent level. Remaining funds are part of the general fund balance and these funds are subject to the expenditure limits of this chapter.

(4) The education construction fund is hereby created in the state treasury.

(a) Funds may be appropriated from the education construction fund exclusively for common school construction or higher education construction.

(b) Funds may be appropriated for any other purpose only if approved by a two-thirds vote of each house of the legislature and if approved by a vote of the people at the next general election. An appropriation approved by the people under this subsection shall result in an adjustment to the state expenditure limit only for the fiscal period for which the appropriation is made and shall not affect any subsequent fiscal period.

(5) Funds from the student achievement fund shall be appropriated to the superintendent of public instruction strictly for distribution to school districts to meet the provisions set out in the student achievement act. Allocations shall be made on an equal per full-time equivalent student basis to each school district.

~~((6) Earnings of the emergency reserve fund under RCW 43.84.092(4)(a) shall be transferred quarterly to the multimodal transportation account, except for those earnings that are in excess of thirty five million dollars each fiscal year. The Senate has passed HOUSE BILL NO. 1008, with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 43.19.565 and 1998 c 111 s 3 are each amended to read as follows:

The department of general administration shall establish a motor vehicle transportation service which is hereby empowered to:

(1) Provide suitable motor vehicle transportation services to any state agency on either a temporary or permanent basis upon requisition from a state agency and upon such demonstration of need as the department may require;

(2) Provide motor pools for the use of state agencies located in the Olympia (~~and Seattle~~) area(s) and such additional motor pools at other locations in the state as may be necessary to provide economic, efficient, and effective motor vehicle transportation services to state agencies. Such additional motor pools may be under either the direct control of the department or under the supervision of another state agency by agreement with the department;

(3) Establish an equitable schedule of rental and mileage charges to agencies for motor vehicle transportation services furnished which shall be designed to provide funds to cover replacement of vehicles after one hundred twenty thousand miles of use, working capital reserves, and to recover the actual total costs of motor pool operations including but not limited to vehicle operation expense, depreciation expense, interest and other financing expenses, overhead, and nonrecoverable collision or other damage to vehicles(~~(-- Additions to capital such as the purchase of additional vehicles shall be budgeted and purchased from funds appropriated for such purposes under such procedures as may be provided by law; and))~~);

(4) Adopt a vehicle retention policy that retains vehicles until at least one hundred twenty thousand miles of use. The vehicle retention policy shall specify the extent of damage to a vehicle that would require disposal prior to one hundred twenty thousand miles of use. Disposal of vehicles without significant damage prior to one hundred twenty thousand miles of use shall occur only after the department can demonstrate in a report to the appropriate committees of the legislature that earlier disposal of

vehicles will reduce routine maintenance and repair costs and/or increase resale price sufficient to reduce the rates charged to state agencies. The reduced rates cited in this report shall be used in subsequent budget requests for the department; and

(5) Establish guidelines, procedures, and standards for fleet operations that other state agencies and institutions of higher education may adopt. The guidelines, procedures, and standards shall be consistent with and carry out the objectives of any general policies adopted by the office of financial management under RCW 43.41.130.

Sec. 2. RCW 43.19.615 and 1998 c 105 s 13 are each amended to read as follows:

(~~If it is necessary at any time for the department to request any appropriation from the general fund or various dedicated, revolving, or trust funds to purchase additional vehicles, any appropriation therefor may provide that such advance shall be repaid together with reasonable interest from surpluses of the general administration services account.~~)

NEW SECTION. **Sec. 3.** RCW 43.19.605 (Motor vehicle transportation service--Reimbursement for property transferred--Credits--Accounting-- Disputes) and 1998 c 105 s 11, 1989 c 57 s 6, & 1975 1st ex.s. c 167 s 11 are each repealed."

On page 1, line 2 of the title, after "administration;" strike the remainder of the title and insert "amending RCW 43.19.565 and 43.19.615; and repealing RCW 43.19.605."

and the same is herewith transmitted.

MESSAGE FROM THE SENATE

April 6, 2005

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1062, with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds that:

(1) According to estimates of the department of community, trade, and economic development, the efficiency standards set forth in this act will save nine hundred thousand megawatt-hours of electricity, thirteen million therms of natural gas, and one billion seven hundred million gallons of water in the year 2020, fourteen years after the standards have become effective, with a total net present value to buyers of four hundred ninety million dollars in 2020.

(2) Efficiency standards for certain products sold or installed in the state assure consumers and businesses that such products meet minimum efficiency performance levels thus saving money on utility bills.

(3) Efficiency standards save energy and reduce pollution and other environmental impacts associated with the production, distribution, and use of electricity and natural gas.

(4) Efficiency standards contribute to the economy of Washington by helping to better balance energy supply and demand, thus reducing pressure for higher natural gas and electricity prices. By saving consumers and businesses money on energy bills, efficiency standards help the state and local economy, since energy bill savings can be spent on local goods and services.

(5) Efficiency standards can make electricity systems more reliable by reducing the strain on the electricity grid during peak demand periods. Furthermore, improved energy efficiency can reduce or delay the need for new power plants, power transmission lines, and power distribution system upgrades.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Automatic commercial ice cube machine" means a factory-made assembly, not necessarily shipped in one package, consisting of a condensing unit and ice-making section operating as an integrated unit with means for making and harvesting ice cubes. Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 1187, with the following amendment:

Strike everything after the enacting clause and insert the following:

(1) The legislature finds that emerging research on brain development indicates that adolescent brains, and thus adolescent intellectual and emotional capabilities, differ significantly from those of mature adults. It is appropriate to take these differences into consideration when sentencing juveniles tried as adults. The legislature further finds that applying mandatory minimum sentences for juveniles tried as adults prevents trial court judges from taking these differences into consideration in appropriate circumstances.

(2) The legislature intends to eliminate the application of mandatory minimum sentences under RCW 9.94A.540 to juveniles tried as adults, and to continue to apply all other adult sentencing provisions to juveniles tried as adults.

Sec. 2. RCW 9.94A.540 and 2001 2nd sp.s. c 12 s 315 are each amended to read as follows:

(1) Except to the extent provided in subsection (3) of this section, the following minimum terms of total confinement are mandatory and shall not be varied or modified under RCW 9.94A.535:

(a) An offender convicted of the crime of murder in the first degree shall be sentenced to a term of total confinement not less than twenty years.

(b) An offender convicted of the crime of assault in the first degree or assault of a child in the first degree where the offender used force or means likely to result in death or intended to kill the victim shall be sentenced to a term of total confinement not less than five years.

(c) An offender convicted of the crime of rape in the first degree shall be sentenced to a term of total confinement not less than five years.

(d) An offender convicted of the crime of sexually violent predator escape shall be sentenced to a minimum term of total confinement not less than sixty months.

(2) During such minimum terms of total confinement, no offender subject to the provisions of this section is eligible for community custody, earned release time, furlough, home detention, partial confinement, work crew, work release, or any other form of early release authorized under RCW 9.94A.728, or any other form of authorized leave of absence from the correctional facility while not in the direct custody of a corrections officer. The provisions of this subsection shall not apply: (a) In the case of an offender in need of emergency medical treatment; (b) for the purpose of commitment to an inpatient treatment facility in the case of an offender convicted of the crime of rape in the first degree; or (c) for an extraordinary medical placement when authorized under RCW 9.94A.728(4).

(3)(a) Subsection (1) of this section shall not be applied in sentencing of juveniles tried as adults pursuant to RCW 13.04.030(1)(e)(i).

(b) This section applies only to crimes committed on or after the effective date of this act."

On page 1, line 2 of the title, after "adults;" strike the remainder of the title and insert "amending RCW 9.94A.540; and creating a new section."

and the same is herewith transmitted.

(2) Immediately upon receiving information of third-party damage to a hazardous liquid pipeline, the company that operates the pipeline shall terminate the flow of hazardous liquid in that pipeline until it has visually inspected the pipeline. After visual inspection, the operator of the hazardous liquid pipeline shall determine whether the damaged pipeline section should be replaced or repaired, or whether it is safe to resume pipeline operation. Immediately upon receiving information of third-party damage to a gas pipeline, the company that operates the pipeline shall conduct a visual inspection of the pipeline to determine whether the flow of gas through that pipeline should be terminated, and whether the damaged pipeline should be replaced or repaired. A record of the pipeline company's inspection report and test results shall be provided to the utilities and transportation commission consistent with reporting requirements under 49 C.F.R. 195 Subpart B.

MESSAGE FROM THE SENATE

April 11, 2005

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1758, with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. It is and has been the intent of the legislature that information regarding sex offenders be shared between state agencies and with local law enforcement, and that public disclosure of sex offender information that is accurate, relevant, and necessary to protect the public be managed by and controlled through the community notification statute, RCW 4.24.550. The legislature finds that law enforcement has been, and continues to be, the most reliable means of ensuring that the information released protects the public, protects the confidentiality of victims, protects ongoing criminal investigations, and complies with the confidentiality provisions of other federal and state laws. The legislature further finds that the criminal records privacy act and other statutes reference RCW 4.24.550 as the disclosure provision for sex offender information.

The legislature finds that to accomplish its penological duties, the department of corrections must receive and use protected information to appropriately confine, supervise, treat, and assess the risk of offenders. To further this intent, the legislature has authorized the end of sentence review committee to access and consider information that otherwise may be confidential for the specific reason of determining if the offender should be referred for civil commitment as a sexually violent predator under chapter 71.09 RCW. The legislature further finds that it is appropriate for the department to share information, beyond what is publicly disclosable, with law enforcement agencies for the appropriate supervision of offenders in the community or for the investigation of criminal acts. The legislature does not intend that law enforcement bulletins or notes, comments, and assessments of the end of sentence review committee to assess the risk, or plan the transition of sex offenders to the community, be available for public inspection through public disclosure due to the risk that providing the information in such a manner would pose to the state's community notification program and the risk that the information would unnecessarily traumatize the victims of the offenders' previous offenses.

Sec. 2. RCW 42.17.270 and 1987 c 403 s 4 are each amended to read as follows:

Public records shall be available for inspection and copying, and agencies shall, upon request for identifiable public records, make them promptly available to any person including, if applicable, on a partial or installment basis as records that are part of a larger set of requested records are assembled or made ready for inspection or disclosure. Agencies shall not deny a request for identifiable public records solely on the basis that the request is overbroad. Agencies shall not distinguish among persons requesting records, and such persons shall not be required to provide information as to the purpose for the request except to establish whether inspection and copying would violate RCW 42.17.260(~~(5)~~) (9) or other statute which exempts or prohibits disclosure of specific information or records to certain persons. Agency facilities shall be made available to any person for the copying of public records except when and to the extent that this would unreasonably disrupt the operations of the agency. Agencies shall honor requests received by mail for identifiable public records unless exempted by provisions of this chapter.

Sec. 3. RCW 42.17.300 and 1995 c 397 s 14 and 1995 c 341 s 2 are each reenacted and amended to read as follows:

No fee shall be charged for the inspection of public records. No fee shall be charged for locating public documents and making them available for copying. A reasonable charge may be imposed for providing copies of public records and for the use by any person of agency equipment or equipment of the office of the secretary of the senate or the office of the chief clerk of the house of representatives to copy public records, which charges shall not exceed the amount necessary to reimburse the agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives for its actual costs directly incident to such copying. Agency charges for photocopies shall be imposed in accordance with the actual per page cost or other costs established and published by the agency. In no event may an agency charge a per page cost greater than the actual per page cost as established and published by the agency. To the extent the agency has not determined the actual per page cost for photocopies of public records, the agency may not charge in excess of fifteen cents per page. An agency may require a deposit in

an amount not to exceed ten percent of the estimated cost of providing copies for a request. If an agency makes a request available on a partial or installment basis, the agency may charge for each part of the request as it is provided. If an installment of a records request is not claimed or reviewed, the agency is not obligated to fulfill the balance of the request.

Sec. 4. RCW 42.17.310 and 2003 1st sp.s. c 26 s 926, 2003 c 277 s 3, and 2003 c 124 s 1 are each reenacted and amended to read as follows:

 - (h) Valuable formulae, designs, drawings, computer source code or object code, and research data obtained by any agency within five years of the request for disclosure when disclosure would produce private gain and public loss.
 - (i) Preliminary drafts, notes, recommendations, and intra-agency memorandums in which opinions are expressed or policies formulated or recommended except that a specific record shall not be exempt when publicly cited by an agency in connection with any agency action.
 - (j) Records which are relevant to a controversy to which an agency is a party but which records would not be available to another party under the rules of pretrial discovery for causes pending in the superior courts.

MESSAGE FROM THE SENATE

April 12, 2005

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2171, with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature recognizes the importance of appropriate and meaningful land use measures and that such measures are critical to preserving and fostering the quality of life enjoyed by Washingtonians. The legislature recognizes also that the growth management act requires counties and cities to review and, if needed, revise their comprehensive plans and development regulations on a cyclical basis. These requirements, which often require significant compliance efforts by local governments are, in part, an acknowledgment of the continual changes that occur within the state, and the need to ensure that land use measures reflect the collective wishes of its citizenry.

The legislature acknowledges that only those jurisdictions in compliance with the review and revision schedules of the growth management act are eligible to receive funds from the public works assistance and water quality accounts in the state treasury. The legislature further recognizes that some jurisdictions that are not yet in compliance with these review and revision schedules have demonstrated substantial progress towards compliance.

The legislature, therefore, intends to grant jurisdictions that are not in compliance with requirements for development regulations that protect critical areas, but are demonstrating substantial progress towards compliance with these requirements, twelve months of additional eligibility to receive grants, loans, pledges, or financial guarantees from the public works assistance and water quality accounts in the state treasury. The legislature intends to specify, however, that only counties and cities in compliance with the review and revision schedules of the growth management act may receive preference for financial assistance from these accounts.

Sec. 2. RCW 36.70A.130 and 2002 c 320 s 1 are each amended to read as follows:

(1)(a) Each comprehensive land use plan and development regulations shall be subject to continuing review and evaluation by the county or city that adopted them. Except as otherwise provided, a county or city shall take legislative action to review and, if needed, revise its comprehensive land use plan and development regulations to ensure the plan and regulations comply with the requirements of this chapter according to the time periods specified in subsection (4) of this section.

(b) Except as otherwise provided, a county or city not planning under RCW 36.70A.040 shall take action to review and, if needed, revise its policies and development regulations regarding critical areas and natural resource lands adopted according to this chapter to ensure these policies and regulations comply with the requirements of this chapter according to the time periods specified in subsection (4) of this section. Legislative action means the adoption of a resolution or ordinance following notice and a public hearing indicating at a minimum, a finding that a review and evaluation has occurred and identifying the revisions made, or that a revision was not needed and the reasons ~~((therefore))~~ therefor.

(c) The review and evaluation required by this subsection may be combined with the review required by subsection (3) of this section. The review and evaluation required by this subsection shall include, but is not limited to, consideration of critical area ordinances and, if planning under RCW 36.70A.040, an analysis of the population allocated to a city or county from the most recent ten-year population forecast by the office of financial management.

~~((b))~~ (d) Any amendment of or revision to a comprehensive land use plan shall conform to this chapter. Any amendment of or revision to development regulations shall be consistent with and implement the comprehensive plan.

(2)(a) Each county and city shall establish and broadly disseminate to the public a public participation program consistent with RCW 36.70A.035 and 36.70A.140 that identifies procedures and schedules whereby updates, proposed amendments, or revisions of the comprehensive plan are considered by the governing body of the county or city no more frequently than once every year. "Updates" means to review and revise, if needed, according to subsection (1) of this section, and the time periods specified in subsection (4) of this section or in accordance with the provisions of subsection (8) of this section. Amendments may be considered more frequently than once per year under the following circumstances:

(i) The initial adoption of a subarea plan that does not modify the comprehensive plan policies and designations applicable to the subarea;

(ii) The adoption or amendment of a shoreline master program under the procedures set forth in chapter 90.58 RCW; and

(iii) The amendment of the capital facilities element of a comprehensive plan that occurs concurrently with the adoption or amendment of a county or city budget.

(b) Except as otherwise provided in (a) of this subsection, all proposals shall be considered by the governing body concurrently so the cumulative effect of the various proposals can be ascertained. However, after appropriate public participation a county or city may adopt amendments or revisions to its comprehensive plan that conform with this chapter whenever an emergency exists or to resolve an appeal of a comprehensive plan filed with a growth management hearings board or with the court.

(3)(a) Each county that designates urban growth areas under RCW 36.70A.110 shall review, at least every ten years, its designated urban growth area or areas, and the densities permitted within both the incorporated and unincorporated portions of each urban growth area. In conjunction with this review by the county, each city located within an urban growth area shall review the densities permitted within its boundaries, and the extent to which the urban growth occurring within the county has located within each city and the unincorporated portions of the urban growth areas.

(b) The county comprehensive plan designating urban growth areas, and the densities permitted in the urban growth areas by the comprehensive plans of the county and each city located within the urban growth areas, shall be revised to accommodate the urban growth projected to occur in the county for the succeeding twenty-year period. The review required by this subsection may be combined with the review and evaluation required by RCW 36.70A.215.

(4) The department shall establish a schedule for counties and cities to take action to review and, if needed, revise their comprehensive plans and development regulations to ensure the plan and regulations comply with the requirements of this chapter. Except as provided in subsection (8) of this section, the schedule established by the department shall provide for the reviews and evaluations to be completed as follows:

(a) On or before December 1, 2004, and every seven years thereafter, for Clallam, Clark, Jefferson, King, Kitsap, Pierce, Snohomish, Thurston, and Whatcom counties and the cities within those counties;

(b) On or before December 1, 2005, and every seven years thereafter, for Cowlitz, Island, Lewis, Mason, San Juan, Skagit, and Skamania counties and the cities within those counties;

(c) On or before December 1, 2006, and every seven years thereafter, for Benton, Chelan, Douglas, Grant, Kittitas, Spokane, and Yakima counties and the cities within those counties; and

(5)(a) Nothing in this section precludes a county or city from conducting the review and evaluation required by this section before the time limits established in subsection (4) of this section. Counties and cities may begin this process early and may be eligible for grants from the department, subject to available funding, if they elect to do so.

(b) State agencies are encouraged to provide technical assistance to the counties and cities in the review of critical area ordinances, comprehensive plans, and development regulations.

(6) A county or city subject to the time periods in subsection (4)(a) of this section that, pursuant to an ordinance adopted by the county or city establishing a schedule for periodic review of its comprehensive plan and development regulations, has conducted a review and evaluation of its comprehensive plan and development regulations and, on or after January 1, 2001, has taken action in response to that review and evaluation shall be deemed to have conducted the first review required by subsection (4)(a) of this section. Subsequent review and evaluation by the county or city of its comprehensive plan and development regulations shall be conducted in accordance with the time periods established under subsection (4)(a) of this section.

(7) The requirements imposed on counties and cities under this section shall be considered "requirements of this chapter" under the terms of RCW 36.70A.040(1). Only those counties and cities in compliance with the schedules in this section (~~shall have the requisite authority to~~) and those counties and cities demonstrating substantial progress towards compliance with the schedules in this section for comprehensive land use plans and for development regulations that protect critical areas may receive grants, loans, pledges, or financial guarantees from those accounts established in RCW 43.155.050 and 70.146.030. MESSAGE FROM THE SENATE

April 13, 2005

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2124, with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the state needs to reestablish itself as a leader in public transportation.

The legislature also finds that increased demands on transportation resources require increased coordination among public transportation service providers.

The legislature also finds that the efficiency of transportation corridors would be enhanced by a more proactive and integrated approach to public transportation service delivery and planning.

The legislature also finds that the state department of transportation is in the unique position of being able to improve connectivity between service territories of transit agencies and modes of transportation.

The legislature also finds that the state should be a center of excellence in public transportation planning and research and providing technical assistance to transit agencies serving urban, suburban, and rural areas.

Therefore, it is the intent of the legislature that the state department of transportation be a leader in public transportation. The department shall play a guiding role in coordinating decentralized public transportation services, increasing connectivity between them, advocating for public transportation as a means to increase corridor efficiency, and increasing the integration of public transportation and the highway system.

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1791, with the following amendment:
Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature recognizes the importance of serving individuals with developmental disabilities in the communities in which they reside. The legislature finds that using these excess properties to provide services in the community will promote the integration and independence of individuals with developmental disabilities and will enable these individuals to avoid reliance on institutional services.

The legislature finds that the life of Dan Thompson is exemplary of the contributions that persons with developmental disabilities can make to their communities and the enrichment they bring to all our lives when suitably served in the communities in which they reside.

It is the intent of the legislature to allow use of the proceeds from these excess properties at residential habilitation centers to provide family support, employment, and day services to eligible persons with developmental disabilities not receiving these services prior to January 1, 2005.

NEW SECTION. Sec. 2. A new section is added to chapter 71A.20 RCW to read as follows:

(1) Excess property identified in the 2002 joint legislative audit and review committee capital study of the division of developmental disabilities residential habilitation centers must be managed to provide as much income as feasible and this income deposited into the developmental disabilities community trust account created in section 3 of this act. Income may come from lease or sale of the land, conservation easements, sale of timber, or other activities.

(2) The department shall report on its efforts and strategies to provide income to the developmental disabilities community trust account from the excess property identified in subsection (1) of this section from the lease or sale of the property, sale of timber, or other activity. The department shall report by June 30, 2006.

NEW SECTION. Sec. 3. A new section is added to chapter 71A.20 RCW to read as follows:

The developmental disabilities community trust account is created in the state treasury. All income from the use of excess property identified in the 2002 joint legislative audit and review committee capital study of the division of developmental disabilities residential habilitation centers, any building, facility, or tract of land not held in trust at any of the residential habilitation centers identified in this chapter, or sale of timber on these excess lands, must be deposited into this account. Only investment income from the principal of the proceeds deposited into the trust account may be spent from the account. Investment income from the account may be spent only after appropriation and must be used solely for eligible persons with developmental disabilities who can be served by family support, employment, and day services. Moneys in the account may not be used to supplant ongoing expenditures for services to persons with developmental disabilities.

(c) Residents of Washington have the opportunity to participate in a variety of legal gambling activities operated by the state, by federally recognized tribes, and by private businesses and nonprofit organizations; and

(d) A 1999 study found that five percent of adult Washington residents and eight percent of adolescents could be classified as problem gamblers during their lifetimes, and that more than one percent of adults have been afflicted with pathological gambling.

(2) The legislature intends to provide long-term, dedicated funding for public awareness and education regarding problem and pathological gambling, training in its identification and treatment, and treatment services for problem and pathological gamblers and, as clinically appropriate, members of their families.

Sec. 2. RCW 43.20A.890 and 2002 c 349 s 4 are each amended to read as follows:

(1) A program for (a) the prevention and treatment of ((pathological)) problem and pathological gambling; and (b) the training of professionals in the identification and treatment of problem and pathological gambling is established within the department of social and health services, to be administered by a qualified person who has training and experience in ((handling pathological)) problem gambling ((problems)) or the organization and administration of treatment services for persons suffering from ((pathological)) problem gambling ((problems)). The department may contract for any services provided under the program. The department shall track program participation and client outcomes.

(2) To receive treatment under subsection (1) of this section, a person must:

(a) Need treatment for ~~((pathological))~~ problem or pathological gambling, or because of the problem or pathological gambling of a family member, but be unable to afford treatment; and

(b) Be targeted by the department of social and health services as ~~((to be))~~ being most amenable to treatment.

(3) Treatment under this section is ~~((limited to))~~ available only to the extent of the funds appropriated or otherwise made available to the department of social and health services for this purpose. The department may solicit and accept for use any gift of money or property made by will or otherwise, and any grant of money, services, or property from the federal government, any tribal government, the state, or any political subdivision thereof or any private source, and do all things necessary to cooperate with the federal government or any of its agencies or any tribal government in making an application for any grant.

(4) The department of social and health services shall ~~((report to the legislature by September 1, 2002, with a plan for implementing this section))~~ establish an advisory committee to assist it in designing, managing, and evaluating the effectiveness of the program established in this section. The advisory committee shall give due consideration in the design and management of the program that persons who hold licenses or contracts issued by the gambling commission, horse racing commission, and lottery commission are not excluded from, or discouraged from, applying to participate in the program. The committee shall include, at a minimum, persons knowledgeable in the field of problem and pathological gambling and persons representing tribal gambling, privately owned nontribal gambling, and the state lottery.

(5) ~~((The department of social and health services shall report to the legislature by November 1, 2003, on program participation and client outcomes.))~~ For purposes of this section, "pathological gambling" is a mental disorder characterized by loss of control over gambling, progression in preoccupation with gambling and in obtaining money to gamble, and continuation of gambling despite adverse consequences. "Problem gambling" is an earlier stage of pathological gambling which compromises, disrupts, or damages family or personal relationships or vocational pursuits.

NEW SECTION. Sec. 3. A new section is added to chapter 43.20A RCW to read as follows:

The problem gambling account is created in the state treasury. Money in the account may be spent only after appropriation. Expenditures from the account may be used only for the purposes of the program established under RCW 43.20A.890.

Sec. 4. RCW 67.70.340 and 2002 c 349 s 3 are each amended to read as follows:

(1) The legislature recognizes that creating a shared game lottery could result in less revenue being raised by the existing state lottery ticket sales. The legislature further recognizes that the two funds most impacted by this potential event are the student achievement fund and the education construction account. Therefore, it is the intent of the legislature to use some of the proceeds from the shared game lottery to make up the difference that the potential state lottery revenue loss would have on the student achievement fund and the education construction account. The legislature further intends to use some of the proceeds from the shared game lottery to fund programs and services related to problem and pathological gambling.

(2) The student achievement fund and the education construction account are expected to collectively receive one hundred two million dollars annually from state lottery games other than the shared game lottery. For fiscal year 2003 and thereafter, if the amount of lottery revenues earmarked for the student achievement fund and the education construction account ~~((are))~~ is less than one hundred two million dollars, the commission, after making the transfer required under subsection (3) of this section, must transfer sufficient moneys from revenues derived from the shared game lottery into the student achievement fund and the education construction account to bring the total revenue up to one hundred two million dollars. The funds transferred from the shared game lottery account under this subsection must be divided between the student achievement fund and the education construction account in a manner consistent with RCW 67.70.240(3).

(3) ~~((For fiscal year 2003, the commission shall transfer from revenues derived from the shared game lottery to the violence reduction and drug enforcement account under RCW 69.50.520 five hundred thousand dollars exclusively for the treatment of pathological gambling as prescribed by RCW 67.70.350.))~~ (a) The commission shall transfer, from revenue derived from the shared game lottery, to the problem gambling account created in section 3 of this act, an amount equal to the percentage specified in (b) of this subsection of net receipts. For purposes of this subsection, "net receipts" means the difference between (i) revenue received from the sale of lottery tickets or shares and revenue received from the sale of shared game lottery tickets or shares; and (ii) the sum of payments made to winners.

(b) In fiscal year 2006, the percentage to be transferred to the problem gambling account is one-tenth of one percent. In fiscal year 2007 and subsequent fiscal years, the percentage to be transferred to the problem gambling account is thirteen one-hundredths of one percent.

(4) The remaining net revenues, if any, in the shared game lottery account after the transfers pursuant to this section shall be deposited into the general fund.

NEW SECTION. Sec. 5. A new section is added to chapter 82.04 RCW, to be codified between RCW 82.04.220 and 82.04.310, to read as follows:

(1) Upon every person engaging within this state in the business of operating contests of chance; as to such persons, the amount of tax with respect to the business of operating contests of chance is equal to the gross income of the business derived from contests of chance multiplied by the rate of 1.5 percent.

(2) An additional tax is imposed on those persons subject to tax in subsection (1) of this section. The amount of the additional tax with respect to the business of operating contests of chance is equal to the gross income of the business derived from contests of chance multiplied by the rate of 0.1 percent through June 30, 2006, and 0.13 percent thereafter. The money collected under this subsection (2) shall be deposited in the problem gambling account created in section 3 of this act. This subsection does not apply to businesses operating contests of chance when the gross income from the operation of contests of chance is less than fifty thousand dollars per year.

(3) For the purpose of this section, "contests of chance" means any contests, games, gaming schemes, or gaming devices, other than the state lottery as defined in RCW 67.70.010, in which the outcome depends in a material degree upon an element of chance, notwithstanding that skill of the contestants may also be a factor in the outcome. The term includes social card games, bingo, raffle, and punchboard games, and pull-tabs as defined in chapter 9.46 RCW. The term does not include race meets for the conduct of which a license must be secured from the Washington horse racing commission, or "amusement game" as defined in RCW 9.46.0201.

(4) "Gross income of the business" does not include the monetary value or actual cost of any prizes that are awarded, amounts paid to players for winning wagers, accrual of prizes for progressive jackpot contests, or repayment of amounts used to seed guaranteed progressive jackpot prizes.

NEW SECTION. Sec. 6. A new section is added to chapter 82.04 RCW to read as follows:

(1) Upon every person engaging within this state in the business of conducting race meets for the conduct of which a license must be secured from the Washington horse racing commission; as to such persons, the amount of tax with respect to the business of parimutuel wagering is equal to the gross income of the business derived from parimutuel wagering multiplied by the rate of 0.1 percent through June 30, 2006, and 0.13 percent thereafter. The money collected under this section shall be deposited in the problem gambling account created in section 3 of this act.

(2) For purposes of this section, "gross income of the business" does not include amounts paid to players for winning wagers, or taxes imposed or other distributions required under chapter 67.16 RCW.

(3) The tax imposed under this section is in addition to any tax imposed under chapter 67.16 RCW.

Sec. 7. RCW 82.04.350 and 1961 c 15 s 82.04.350 are each amended to read as follows:

Except as provided in section 6(1) of this act, this chapter shall not apply to any person in respect to the business of conducting race meets for the conduct of which a license must be secured from the horse racing commission.

Sec. 8. RCW 82.04.290 and 2004 c 174 s 2 are each amended to read as follows:

(1) Upon every person engaging within this state in the business of providing international investment management services, as to such persons, the amount of tax with respect to such business shall be equal to the gross income or gross proceeds of sales of the business multiplied by a rate of 0.275 percent.

(2) Upon every person engaging within this state in any business activity other than or in addition to ~~((those enumerated in RCW 82.04.230, 82.04.240, 82.04.250, 82.04.255, 82.04.260, 82.04.270, 82.04.298, 82.04.2905, 82.04.280, 82.04.2907, 82.04.272, 82.04.2906, and 82.04.2908, and))~~ an activity taxed explicitly under another section in this chapter or subsection (1) of this section; as to such persons the amount of tax on account of such activities shall be equal to the gross income of the business multiplied by the rate of 1.5 percent.

(3) Subsection (2) of this section includes, among others, and without limiting the scope hereof (whether or not title to materials used in the performance of such business passes to another by accession, confusion or other than by outright sale), persons engaged in the business of rendering any type of service which does not constitute a "sale at retail" or a "sale at wholesale." The value of advertising, demonstration, and promotional supplies and materials furnished to an agent by his principal or supplier to be used for informational, educational and promotional purposes shall not be considered a part of the agent's remuneration or commission and shall not be subject to taxation under this section.

Sec. 9. RCW 9.46.071 and 2003 c 75 s 1 are each amended to read as follows:

(1) The legislature recognizes that some individuals in this state are problem or ((compulsive)) pathological gamblers. Because the state promotes and regulates gambling through the activities of the state lottery commission, the Washington horse

racing commission, and the Washington state gambling commission, the state has the responsibility to continue to provide resources for the support of services for problem and ~~((compulsive))~~ pathological gamblers. Therefore, ~~((at a minimum,))~~ the Washington state gambling commission, the Washington horse racing commission, and the state lottery commission shall jointly develop informational signs concerning problem and ~~((compulsive))~~ pathological gambling which include a toll-free hot line number for problem and ~~((compulsive))~~ pathological gamblers. The signs shall be placed in the establishments of gambling licensees, horse racing licensees, and lottery retailers. In addition, the Washington state gambling commission, the Washington horse racing commission, and the state lottery commission may also contract with other qualified entities to provide public awareness, training, and other services to ensure the intent of this section is fulfilled.

(2)(a) During any period in which section 5(2) of this act is in effect, the commission may not increase fees payable by licensees under its jurisdiction for the purpose of funding services for problem and pathological gambling. Any fee imposed or increased by the commission, for the purpose of funding these services, before the effective date of this section shall have no force and effect after the effective date of this section.

(b) During any period in which section 5(2) of this act is not in effect:

(i) The commission, the Washington state horse racing commission, and the state lottery commission may contract for services, in addition to those authorized in subsection (1) of this section, to assist in providing for treatment of problem and pathological gambling; and

(ii) The commission may increase fees payable by licenses under its jurisdiction for the purpose of funding the services authorized in this section for problem and pathological gamblers.

NEW SECTION. Sec. 10. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 11. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect July 1, 2005."

On page 1, line 1 of the title, after "gambling;" strike the remainder of the title and insert "amending RCW 43.20A.890, 67.70.340, 82.04.350, 82.04.290, and 9.46.071; adding a new section to chapter 43.20A RCW; adding new sections to chapter 82.04 RCW; creating a new section; providing an effective date; and declaring an emergency."

and the same is herewith transmitted.

MESSAGE FROM THE SENATE

April 11, 2005

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1034, with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 48.31.020 and 1998 c 284 s 8 are each amended to read as follows:

(1) For the purposes of this chapter, other than as to RCW 48.31.010, and in addition to persons included under RCW 48.99.010, the term "insurer" shall be deemed to include an insurer authorized under chapter 48.05 RCW, an insurer or institution holding a certificate of exemption under RCW 48.38.010, a health care service contractor registered under chapter 48.44 RCW, and a health maintenance organization registered under chapter 48.46 RCW, as well as all persons engaged as, or purporting to be engaged as insurers, institutions issuing charitable gift annuities, health care service contractors, or health maintenance organizations in this state, and to persons in process of organization to become insurers, institutions issuing charitable gift annuities, health care service contractors, or health maintenance organizations.

(2) The definitions in this subsection apply throughout this chapter unless the context clearly requires otherwise.

(a) "Exceeded its powers" means the following conditions:

(i) The insurer has refused to permit examination of its books, papers, accounts, records, or affairs by the commissioner, his or her deputies, employees, or duly commissioned examiners as required by this title or any rules adopted by the commissioner;

(ii) A domestic insurer has unlawfully removed from this state books, papers, accounts, or records necessary for an examination of the insurer;

(iii) The insurer has failed to promptly comply with the filing of any applicable financial reports as required by this title or any rules adopted by the commissioner;

(iv) The insurer has neglected or refused to observe a lawful order of the commissioner to comply, within the time prescribed by law, with any prohibited deficiency in its applicable capital, capital stock, or surplus;

(v) The insurer is continuing to transact insurance or write business after its license has been revoked or suspended by the commissioner;

(vi) The insurer, by contract or otherwise, has unlawfully or has in violation of an order of the commissioner or with respect to a transaction to which the insurer has without first having obtained written approval of the commissioner if approval is required by law:

(A) Totally reinsured its entire outstanding business; or

(B) Merged or consolidated substantially its entire property or business with another insurer; or

(vii) The insurer engaged in any transaction in which it is not authorized to engage under this title or any rules adopted by the commissioner.

(b) "Consent" means agreement to administrative supervision by the insurer.

Sec. 2. RCW 48.31.115 and 1993 c 462 s 60 are each amended to read as follows:

(1) The persons entitled to protection under this section are:

(a) The commissioner and any other receiver or administrative supervisor responsible for conducting a delinquency proceeding under this chapter, including present and former commissioners, administrative supervisors, and receivers; and

(b) The commissioner's employees, meaning all present and former special deputies and assistant special deputies and special receivers and special administrative supervisors appointed by the commissioner and all persons whom the commissioner, special deputies, or assistant special deputies have employed to assist in a delinquency proceeding under this chapter. Attorneys, accountants, auditors, and other professional persons or firms who are retained as independent contractors, and their employees, are not considered employees of the commissioner for purposes of this section.

(2) The commissioner and the commissioner's employees are immune from suit and liability, both personally and in their official capacities, for a claim for damage to or loss of property or personal injury or other civil liability caused by or resulting from an alleged act or omission of the commissioner or an employee arising out of or by reason of his or her duties or employment. However, nothing in this subsection may be construed to hold the commissioner or an employee immune from suit or liability for any damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of the commissioner or an employee.

(3) If a legal action is commenced against the commissioner or an employee, whether against him or her personally or in his or her official capacity, alleging property damage, property loss, personal injury, or other civil liability caused by or resulting from an alleged act or omission of the commissioner or an employee arising out of or by reason of his or her duties or employment, the commissioner and any employee shall be indemnified from the assets of the insurer for all expenses, attorneys' fees, judgments, settlements, decrees, or amounts due and owing or paid in satisfaction of or incurred in the defense of the legal action unless it is determined upon a final adjudication on the merits that the alleged act or omission of the commissioner or employee giving rise to the claim did not arise out of or by reason of his or her duties or employment, or was caused by intentional or willful and wanton misconduct.

(a) Attorneys' fees and related expenses incurred in defending a legal action for which immunity or indemnity is available under this section shall be paid from the assets of the insurer, as they are incurred, in advance of the final disposition of such action upon receipt of an undertaking by or on behalf of the commissioner or employee to repay the attorneys' fees and expenses if it is ultimately determined upon a final adjudication on the merits and that the commissioner or employee is not entitled to immunity or indemnity under this section.

(b) Any indemnification under this section is an administrative expense of the insurer.

(c) In the event of an actual or threatened litigation against the commissioner or an employee for which immunity or indemnity may be available under this section, a reasonable amount of funds that in the judgment of the commissioner may be needed to provide immunity or indemnity shall be segregated and reserved from the assets of the insurer as security for the payment of indemnity until all applicable statutes of limitation have run or all actual or threatened actions against the commissioner or an employee have been completely and finally resolved, and all obligations of the insurer and the commissioner under this section have been satisfied.

(d) In lieu of segregation and reserving of funds, the commissioner may obtain a surety bond or make other arrangements that will enable the commissioner to secure fully the payment of all obligations under this section.

(4) If a legal action against an employee for which indemnity may be available under this section is settled before final adjudication on the merits, the insurer shall pay the settlement amount on behalf of the employee, or indemnify the employee for the settlement amount, unless the commissioner determines:

(a) That the claim did not arise out of or by reason of the employee's duties or employment; or

(b) That the claim was caused by the intentional or willful and wanton misconduct of the employee.

(5) In a legal action in which the commissioner is a defendant, that portion of a settlement relating to the alleged act or omission of the commissioner is subject to the approval of the court before which the delinquency proceeding is pending. The court may not approve that portion of the settlement if it determines:

(a) That the claim did not arise out of or by reason of the commissioner's duties or employment; or

(b) That the claim was caused by the intentional or willful and wanton misconduct of the commissioner.

(6) Nothing in this section removes or limits an immunity, indemnity, benefit of law, right, or defense otherwise available to the commissioner, an employee, or any other person, not an employee under subsection (1)(b) of this section, who is employed by or in the office of the commissioner or otherwise employed by the state.

(7)(a) Subsection (2) of this section applies to any suit based in whole or in part on an alleged act or omission that takes place on or after July 25, 1993.

(b) No legal action lies against the commissioner or an employee based in whole or in part on an alleged act or omission that took place before July 25, 1993, unless suit is filed and valid service of process is obtained within twelve months after July 25, 1993.

(c) Subsections (3), (4), and (5) of this section apply to a suit that is pending on or filed after July 25, 1993, without regard to when the alleged act or omission took place.

NEW SECTION. Sec. 3. (1) An insurer may be subject to administrative supervision by the commissioner if upon examination or at any other time the commissioner makes a finding that:

(a) The insurer's condition renders the continuance of its business financially hazardous to the public or to its insureds consistent with this title or any rules adopted by the commissioner;

(b) The insurer has or appears to have exceeded its powers granted under its certificate of authority and this title or any rules adopted by the commissioner;

(c) The insurer has failed to comply with the applicable provisions of Title 48 RCW or rules adopted by the commissioner such that its condition has or will render the continuance of its business financially hazardous to the public or to its insureds;

(d) The business of the insurer is being conducted fraudulently; or

(e) The insurer gives its consent.

(2) If the commissioner determines that the conditions set forth in subsection (1) of this section exist, the commissioner shall:

(a) Notify the insurer of his or her determination;

(b) Furnish to the insurer a written list of the requirements to abate this determination; and

(c) Notify the insurer that it is under the supervision of the commissioner and that the commissioner is applying and effectuating the provisions of this chapter. Action by the commissioner shall be subject to review pursuant to chapters 48.04 and 34.05 RCW.

(3) If placed under administrative supervision, the insurer has sixty days, or another period of time as designated by the commissioner, to comply with the requirements of the commissioner subject to the provisions of this chapter.

(4) If it is determined after notice and hearing that the conditions giving rise to the administrative supervision still exist at the end of the supervision period under subsection (3) of this section, the commissioner may extend the period.

(5) If it is determined that none of the conditions giving rise to the administrative supervision exist, or that the insurer has remedied the conditions that gave rise to the supervision, the commissioner shall release the insurer from supervision.

NEW SECTION. Sec. 4. (1) Except as set forth in this section, proceedings, hearings, notices, correspondence, reports, records, and other information in the possession of the commissioner relating to the supervision of any insurer under this chapter are confidential and are not subject to chapter 42.17 RCW, are not subject to subpoena, and are not subject to discovery or admissible in evidence in any private civil action, except as provided by this section. However, the commissioner is authorized to use the documents, materials, or other information in the furtherance of any regulatory or legal action brought as part of the commissioner's official duties.

(2) The employees of the commissioner have access to these proceedings, hearings, notices, correspondence, reports, records, or information as permitted by the commissioner. Neither the commissioner nor any person who received documents,

materials, or other information while acting under the authority of the commissioner is permitted or required to testify in any private civil action concerning any confidential documents, materials, or information subject to subsection (1) of this section.

(3) The commissioner may share the notices, correspondence, reports, records, or information with other state, federal, and international regulatory agencies, with the national association of insurance commissioners and its affiliates and subsidiaries, and with state, federal, and international law enforcement authorities, if the commissioner determines that the disclosure is necessary or proper for the enforcement of the laws of this or another state of the United States, and provided that the recipient agrees to maintain the confidentiality of the documents, material, or other information. No waiver of any applicable privilege or claim of confidentiality may occur as a result of the sharing of documents, materials, or other information under this subsection.

(4) The commissioner may open the proceedings or hearings or make public the notices, correspondence, reports, records, or other information if the commissioner deems that it is in the best interest of the public or in the best interest of the insurer or its insureds, creditors, or the general public. However, the determination of whether to disclose any confidential information at the public proceedings or hearings is subject to applicable law.

(5) This section does not apply to hearings, notices, correspondence, reports, records, or other information obtained upon the appointment of a receiver for the insurer by a court of competent jurisdiction.

NEW SECTION. Sec. 5. During the period of administrative supervision, the commissioner or the commissioner's designated appointee shall serve as the administrative supervisor. The commissioner shall establish standards and procedures that maintain reasonable and customary claims practices and otherwise provide for the orderly continuation of the insurer's operations and business. Considering these standards and procedures, the commissioner may provide that the insurer may not do any of the following things during the period of supervision, without the prior approval of the commissioner or the appointed administrative supervisor:

- (1) Dispose of, convey, or encumber any of its assets or its business in force;
- (2) Withdraw any of its bank accounts;
- (3) Lend any of its funds;
- (4) Invest any of its funds;
- (5) Transfer any of its property;
- (6) Incur any debt, obligation, or liability;
- (7) Merge or consolidate with another company;
- (8) Approve new premiums or renew any policies;
- (9) Enter into any new reinsurance contract or treaty;
- (10) Terminate, surrender, forfeit, convert, or lapse any insurance policy, certificate, or contract, except for nonpayment of premiums due;
- (11) Release, pay, or refund premium deposits; accrued cash or loan values; unearned premiums; or other reserves on any insurance policy, certificate, or contract;
- (12) Make any material change in management; or
- (13) Increase salaries and benefits of officers or directors or the preferential payment of bonuses, dividends, or other payments deemed preferential.

NEW SECTION. Sec. 6. During the period of administrative supervision the insurer may contest an action taken, proposed to be taken, or failed to be taken by the administrative supervisor specifying the manner wherein the action being complained of would not result in improving the condition of the insurer. Denial of the insurer's request upon reconsideration entitles the insurer to request a proceeding under chapters 48.04 and 34.05 RCW.

NEW SECTION. Sec. 7. RCW 48.31.020, 48.31.115, and sections 3 through 6, 8, and 10 of this act do not preclude the commissioner from initiating judicial proceedings to place an insurer in rehabilitation or liquidation proceedings or other delinquency proceedings, however designated under the laws of this state, regardless of whether the commissioner has previously initiated administrative supervision proceedings under this chapter against the insurer.

NEW SECTION. Sec. 8. The commissioner may meet with the administrative supervisor appointed under this chapter and with the attorney or other representative of the administrative supervisor, without the presence of any other person, at the time of any proceeding or during the pendency of any proceeding held under authority of this chapter to carry out the commissioner's duties under this chapter or for the supervisor to carry out his or her duties under this chapter.

NEW SECTION. **Sec. 9.** An action or the failure to act by the commissioner is subject to chapters 48.04 and 34.05 RCW.

NEW SECTION. **Sec. 10.** The commissioner may adopt rules to implement and administer RCW 48.31.020, 48.31.115, and sections 3 through 8 of this act.

NEW SECTION. **Sec. 11.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. **Sec. 12.** Sections 3 through 10 of this act are each added to chapter 48.31 RCW."

On page 1, line 2 of the title, after "insurers;" strike the remainder of the title and insert "amending RCW 48.31.020 and 48.31.115; and adding new sections to chapter 48.31 RCW."

and the same is herewith transmitted.

MESSAGE FROM THE SENATE

April 5, 2005

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1054, with the following amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. DEFINITIONS. The definitions set forth in this section apply throughout this chapter.

(1) "Arbitration organization" means a neutral association, agency, board, commission, or other entity that initiates, sponsors, or administers arbitration proceedings or is involved in the appointment of arbitrators.

(2) "Arbitrator" means an individual appointed to render an award in a controversy between persons who are parties to an agreement to arbitrate.

(3) "Authenticate" means:

(a) To sign; or

(b) To execute or adopt a record by attaching to or logically associating with the record, an electronic sound, symbol, or process with the intent to sign the record.

(4) "Court" means a court of competent jurisdiction in this state.

(5) "Knowledge" means actual knowledge.

(6) "Person" means an individual, corporation, business trust, estate, trust, partnership, limited liability company, association, joint venture, or government; governmental subdivision, agency, or instrumentality; public corporation; or any other legal or commercial entity.

(7) "Record" means information that is inscribed on a tangible medium or that is stored in an electronic or other medium and is retrievable in perceivable form.

NEW SECTION. Sec. 2. NOTICE. Unless the parties to an agreement to arbitrate otherwise agree or except as otherwise provided in this chapter, a person gives notice to another person by taking action that is reasonably necessary to inform the other person in ordinary course, whether or not the other person acquires knowledge of the notice. A person has notice if the person has knowledge of the notice or has received notice. A person receives notice when it comes to the person's attention or the notice is delivered at the person's place of residence or place of business, or at another location held out by the person as a place of delivery of such communications.

NEW SECTION. Sec. 3. WHEN CHAPTER APPLIES. (1) Before July 1, 2006, this chapter governs agreements to arbitrate entered into:

(a) On or after the effective date of this act; and

(b) Before the effective date of this act, if all parties to the agreement to arbitrate or to arbitration proceedings agree in a record to be governed by this chapter.

(2) On or after July 1, 2006, this chapter governs agreements to arbitrate even if the arbitration agreement was entered into before the effective date of this act.

(3) This chapter does not apply to any arbitration governed by chapter 7.06 RCW.

(4) This chapter does not apply to any arbitration agreement between employers and employees or between employers and associations of employees.

NEW SECTION. Sec. 4. EFFECT OF AGREEMENT TO ARBITRATE--NONWAIVABLE PROVISIONS. (1) Except as otherwise provided in subsections (2) and (3) of this section, the parties to an agreement to arbitrate or to an arbitration proceeding may waive or vary the requirements of this chapter to the extent permitted by law.

(2) Before a controversy arises that is subject to an agreement to arbitrate, the parties to the agreement may not:

(a) Waive or vary the requirements of section 5(1), 6(1), 8, 17 (1) or (2), 26, or 28 of this act;

(b) Unreasonably restrict the right under section 9 of this act to notice of the initiation of an arbitration proceeding;

(c) Unreasonably restrict the right under section 12 of this act to disclosure of any facts by a neutral arbitrator; or

(d) Waive the right under section 16 of this act of a party to an agreement to arbitrate to be represented by a lawyer at any proceeding or hearing under this chapter.

(3) The parties to an agreement to arbitrate may not waive or vary the requirements of this section or section 3 (1)(a) or (2), 7, 14, 18, 20 (3) or (4), 22, 23, 24, 25 (1) or (2), 29, 31, 50, or 51 of this act.

NEW SECTION. Sec. 5. APPLICATION TO COURT. (1) Except as otherwise provided in section 28 of this act, an application for judicial relief under this chapter must be made by motion to the court and heard in the manner and upon the notice provided by law or rule of court for making and hearing motions.

(2) Notice of an initial motion to the court under this chapter must be served in the manner provided by law for the service of a summons in a civil action unless a civil action is already pending involving the agreement to arbitrate.

NEW SECTION. Sec. 6. VALIDITY OF AGREEMENT TO ARBITRATE. (1) An agreement contained in a record to submit to arbitration any existing or subsequent controversy arising between the parties to the agreement is valid, enforceable, and irrevocable except upon a ground that exists at law or in equity for the revocation of contract.

(2) The court shall decide whether an agreement to arbitrate exists or a controversy is subject to an agreement to arbitrate.

(3) An arbitrator shall decide whether a condition precedent to arbitrability has been fulfilled and whether a contract containing a valid agreement to arbitrate is enforceable.

(4) If a party to a judicial proceeding challenges the existence of, or claims that a controversy is not subject to, an agreement to arbitrate, the arbitration proceeding may continue pending final resolution of the issue by the court, unless the court otherwise orders.

NEW SECTION. Sec. 7. MOTION TO COMPEL OR STAY ARBITRATION. (1) On motion of a person showing an agreement to arbitrate and alleging another person's refusal to arbitrate pursuant to the agreement, the court shall order the parties to arbitrate if the refusing party does not appear or does not oppose the motion. If the refusing party opposes the motion, the court shall proceed summarily to decide the issue. Unless the court finds that there is no enforceable agreement to arbitrate, it shall order the parties to arbitrate. If the court finds that there is no enforceable agreement, it may not order the parties to arbitrate.

(2) On motion of a person alleging that an arbitration proceeding has been initiated or threatened but that there is no agreement to arbitrate, the court shall proceed summarily to decide the issue. If the court finds that there is an enforceable agreement to arbitrate, it shall order the parties to arbitrate. If the court finds that there is no enforceable agreement, it may not order the parties to arbitrate.

(3) The court may not refuse to order arbitration because the claim subject to arbitration lacks merit or grounds for the claim have not been established.

(4) If a proceeding involving a claim referable to arbitration under an alleged agreement to arbitrate is pending in court, a motion under this section must be filed in that court. Otherwise a motion under this section may be filed in any court as required by section 27 of this act.

(5) If a party files a motion with the court to order arbitration under this section, the court shall on just terms stay any judicial proceeding that involves a claim alleged to be subject to the arbitration until the court renders a final decision under this section.

(6) If the court orders arbitration, the court shall on just terms stay any judicial proceeding that involves a claim subject to the arbitration. If a claim subject to the arbitration is severable, the court may sever it and limit the stay to that claim.

NEW SECTION. Sec. 8. PROVISIONAL REMEDIES. (1) Before an arbitrator is appointed and is authorized and able to act, the court, upon motion of a party to an arbitration proceeding and for good cause shown, may enter an order for provisional remedies to protect the effectiveness of the arbitration proceeding to the same extent and under the same conditions as if the controversy were the subject of a civil action.

(2) After an arbitrator is appointed and is authorized and able to act, the arbitrator may issue such orders for provisional remedies, including interim awards, as the arbitrator finds necessary to protect the effectiveness of the arbitration proceeding and to promote the fair and expeditious resolution of the controversy, to the same extent and under the same conditions as if the controversy were the subject of a civil action. After an arbitrator is appointed and is authorized and able to act, a party to an arbitration proceeding may move the court for a provisional remedy only if the matter is urgent and the arbitrator is not able to act timely or if the arbitrator cannot provide an adequate remedy.

(3) A motion to a court for a provisional remedy under subsection (1) or (2) of this section does not waive any right of arbitration.

NEW SECTION. Sec. 9. INITIATION OF ARBITRATION. (1) A person initiates an arbitration proceeding by giving notice in a record to the other parties to the agreement to arbitrate in the agreed manner between the parties or, in the absence of agreement, by mail certified or registered, return receipt requested and obtained, or by service as authorized for the initiation of a civil action. The notice must describe the nature of the controversy and the remedy sought.

(2) Unless a person interposes an objection as to lack or insufficiency of notice under section 15(3) of this act not later than the commencement of the arbitration hearing, the person's appearance at the hearing waives any objection to lack of or insufficiency of notice.

NEW SECTION. Sec. 10. CONSOLIDATION OF SEPARATE ARBITRATION PROCEEDINGS. (1) Except as otherwise provided in subsection (3) of this section, upon motion of a party to an agreement to arbitrate or to an arbitration proceeding, the court may order consolidation of separate arbitration proceedings as to all or some of the claims if:

(a) There are separate agreements to arbitrate or separate arbitration proceedings between the same persons or one of them is a party to a separate agreement to arbitrate or a separate arbitration proceeding with a third person;

(b) The claims subject to the agreements to arbitrate arise in substantial part from the same transaction or series of related transactions;

(c) The existence of a common issue of law or fact creates the possibility of conflicting decisions in the separate arbitration proceedings; and

(d) Prejudice resulting from a failure to consolidate is not outweighed by the risk of undue delay or prejudice to the rights of or hardship to parties opposing consolidation.

(2) The court may order consolidation of separate arbitration proceedings as to certain claims and allow other claims to be resolved in separate arbitration proceedings.

(3) The court may not order consolidation of the claims of a party to an agreement to arbitrate that prohibits consolidation.

NEW SECTION. Sec. 11. APPOINTMENT OF ARBITRATOR--SERVICE AS A NEUTRAL ARBITRATOR. (1) If the parties to an agreement to arbitrate agree on a method for appointing an arbitrator, that method must be followed, unless the method fails. If the parties have not agreed on a method, the agreed method fails, or an arbitrator appointed fails or is unable to act and a successor has not been appointed, the court, on motion of a party to the arbitration proceeding, shall appoint the arbitrator. The arbitrator so appointed has all the powers of an arbitrator designated in the agreement to arbitrate or appointed under the agreed method.

(2) An arbitrator who has a known, direct, and material interest in the outcome of the arbitration proceeding or a known, existing, and substantial relationship with a party may not serve as a neutral arbitrator.

NEW SECTION. Sec. 12. DISCLOSURE BY ARBITRATOR. (1) Before accepting appointment, an individual who is requested to serve as an arbitrator, after making a reasonable inquiry, shall disclose to all parties to the agreement to arbitrate and arbitration proceeding and to any other arbitrators any known facts that a reasonable person would consider likely to affect the impartiality of the arbitrator in the arbitration proceeding, including:

(a) A financial or personal interest in the outcome of the arbitration proceeding; and

(b) An existing or past relationship with any of the parties to the agreement to arbitrate or the arbitration proceeding, their counsel or representatives, witnesses, or the other arbitrators.

(2) An arbitrator has a continuing obligation to disclose to all parties to the agreement to arbitrate and arbitration proceedings and to any other arbitrators any facts that the arbitrator learns after accepting appointment that a reasonable person would consider likely to affect the impartiality of the arbitrator.

(3) If an arbitrator discloses a fact required by subsection (1) or (2) of this section to be disclosed and a party timely objects to the appointment or continued service of the arbitrator based upon the disclosure, the objection may be a ground to vacate the award under section 23(1)(b) of this act.

(4) If the arbitrator did not disclose a fact as required by subsection (1) or (2) of this section, upon timely objection of a party, an award may be vacated under section 23(1)(b) of this act.

(5) An arbitrator appointed as a neutral who does not disclose a known, direct, and material interest in the outcome of the arbitration proceeding or a known, existing, and substantial relationship with a party is presumed to act with evident partiality under section 23(1)(b) of this act.

(6) If the parties to an arbitration proceeding agree to the procedures of an arbitration organization or any other procedures for challenges to arbitrators before an award is made, substantial compliance with those procedures is a condition precedent to a motion to vacate an award on that ground under section 23(1)(b) of this act.

NEW SECTION. Sec. 13. ACTION BY MAJORITY. If there is more than one arbitrator, the powers of the arbitrators must be exercised by a majority of them.

NEW SECTION. Sec. 14. IMMUNITY OF ARBITRATOR--COMPETENCY TO TESTIFY--ATTORNEYS' FEES AND COSTS. (1) An arbitrator or an arbitration organization acting in that capacity is immune from civil liability to the same extent as a judge of a court of this state acting in a judicial capacity.

(2) The immunity afforded by this section supplements any other immunity.

(3) If an arbitrator does not make a disclosure required by section 12 of this act, the nondisclosure does not cause a loss of immunity under this section.

(4) In any judicial, administrative, or similar proceeding, an arbitrator or representative of an arbitration organization is not competent to testify or required to produce records as to any statement, conduct, decision, or ruling occurring during the arbitration proceeding to the same extent as a judge of a court of this state acting in a judicial capacity. This subsection does not apply:

(a) To the extent necessary to determine the claim of an arbitrator or an arbitration organization or a representative of the arbitration organization against a party to the arbitration proceeding; or

(b) If a party to the arbitration proceeding files a motion to vacate an award under section 23(1) (a) or (b) of this act and establishes prima facie that a ground for vacating the award exists.

(5) If a person commences a civil action against an arbitrator, an arbitration organization, or a representative of an arbitration organization arising from the services of the arbitrator, organization, or representative or if a person seeks to compel an arbitrator or a representative of an arbitration organization to testify in violation of subsection (4) of this section, and the court decides that the arbitrator, arbitration organization, or representative of an arbitration organization is immune from civil liability or that the arbitrator or representative of the organization is incompetent to testify, the court shall award to the arbitrator, organization, or representative reasonable attorneys' fees and other reasonable expenses of litigation.

NEW SECTION. Sec. 15. ARBITRATION PROCESS. (1) The arbitrator may conduct the arbitration in such manner as the arbitrator considers appropriate so as to aid in the fair and expeditious disposition of the proceeding. The authority conferred upon the arbitrator includes the power to hold conferences with the parties to the arbitration proceeding before the hearing and to determine the admissibility, relevance, materiality, and weight of any evidence.

(2) The arbitrator may decide a request for summary disposition of a claim or particular issue by agreement of all interested parties or upon request of one party to the arbitration proceeding if that party gives notice to all other parties to the arbitration proceeding and the other parties have a reasonable opportunity to respond.

(3) The arbitrator shall set a time and place for a hearing and give notice of the hearing not less than five days before the hearing. Unless a party to the arbitration proceeding interposes an objection to lack of or insufficiency of notice not later than the commencement of the hearing, the party's appearance at the hearing waives the objection. Upon request of a party to the arbitration proceeding and for good cause shown, or upon the arbitrator's own initiative, the arbitrator may adjourn the hearing from time to time as necessary but may not postpone the hearing to a time later than that fixed by the agreement to arbitrate for making the award unless the parties to the arbitration proceeding consent to a later date. The arbitrator may hear and decide the controversy upon the evidence produced although a party who was duly notified of the arbitration proceeding did not appear. The court, on request, may direct the arbitrator to promptly conduct the hearing and render a timely decision.

(4) If an arbitrator orders a hearing under subsection (3) of this section, the parties to the arbitration proceeding are entitled to be heard, to present evidence material to the controversy, and to cross-examine witnesses appearing at the hearing.

(5) If there is more than one arbitrator, all of them shall conduct the hearing under subsection (3) of this section; however, a majority shall decide any issue and make a final award.

(6) If an arbitrator ceases, or is unable, to act during the arbitration proceeding, a replacement arbitrator must be appointed in accordance with section 11 of this act to continue the hearing and to decide the controversy.

NEW SECTION. Sec. 16. REPRESENTATION BY LAWYER. A party to an arbitration proceeding may be represented by a lawyer.

NEW SECTION. Sec. 17. WITNESSES--SUBPOENAS--DEPOSITIONS--DISCOVERY. (1) An arbitrator may issue a subpoena for the attendance of a witness and for the production of records and other evidence at any hearing and may administer oaths. A subpoena must be served in the manner for service of subpoenas in a civil action and, upon motion to the court by a party to the arbitration proceeding or the arbitrator, enforced in the manner for enforcement of subpoenas in a civil action.

(2) On request of a party to or a witness in an arbitration proceeding, an arbitrator may permit a deposition of any witness, including a witness who cannot be subpoenaed for or is unable to attend a hearing, to be taken under conditions determined by the arbitrator for use as evidence in order to make the proceeding fair, expeditious, and cost-effective.

(3) An arbitrator may permit such discovery as the arbitrator decides is appropriate in the circumstances, taking into account the needs of the parties to the arbitration proceeding and other affected persons and the desirability of making the proceeding fair, expeditious, and cost-effective.

(4) If an arbitrator permits discovery under subsection (3) of this section, the arbitrator may order a party to the arbitration proceeding to comply with the arbitrator's discovery-related orders, including the issuance of a subpoena for the attendance of a witness and for the production of records and other evidence at a discovery proceeding, and may take action against a party to the arbitration proceeding who does not comply to the extent permitted by law as if the controversy were the subject of a civil action in this state.

(5) An arbitrator may issue a protective order to prevent the disclosure of privileged information, confidential information, trade secrets, and other information protected from disclosure as if the controversy were the subject of a civil action in this state.

(6) All laws compelling a person under subpoena to testify and all fees for attending a judicial proceeding, a deposition, or a discovery proceeding as a witness apply to an arbitration proceeding as if the controversy were the subject of a civil action in this state.

(7) The court may enforce a subpoena or discovery-related order for the attendance of a witness within this state and for the production of records and other evidence issued by an arbitrator in connection with an arbitration proceeding in another state upon conditions determined by the court in order to make the arbitration proceeding fair, expeditious, and cost-effective. A subpoena or discovery-related order issued by an arbitrator must be served in the manner provided by law for service of subpoenas in a civil action in this state and, upon motion to the court by a party to the arbitration proceeding or the arbitrator, enforced in the manner provided by law for enforcement of subpoenas in a civil action in this state.

NEW SECTION. Sec. 18. COURT ENFORCEMENT OF PREAWARD RULING BY ARBITRATOR. If an arbitrator makes a preaward ruling in favor of a party to the arbitration proceeding, the party may request the arbitrator to incorporate the ruling into an award under section 19 of this act. The successful party may file a motion to the court for an expedited order to confirm the award under section 22 of this act, in which case the court shall proceed summarily to decide the motion. The court shall issue an order to confirm the award unless the court vacates, modifies, or corrects the award of the arbitrator under sections 23 and 24 of this act.

NEW SECTION. Sec. 19. AWARD. (1) An arbitrator shall make a record of an award. The record must be authenticated by any arbitrator who concurs with the award. The arbitrator or the arbitration organization shall give notice of the award, including a copy of the award, to each party to the arbitration proceeding.

(2) An award must be made within the time specified by the agreement to arbitrate or, if not specified therein, within the time ordered by the court. The court may extend or the parties to the arbitration proceeding may agree in a record to extend the time. The court or the parties may do so within or after the time specified or ordered. A party waives any objection that an award was not timely made unless the party gives notice of the objection to the arbitrator before receiving notice of the award.

NEW SECTION. Sec. 20. CHANGE OF AWARD BY ARBITRATOR. (1) On motion to an arbitrator by a party to the arbitration proceeding, the arbitrator may modify or correct an award:

(a) Upon the grounds stated in section 24(1) (a) or (c) of this act;

(b) Because the arbitrator has not made a final and definite award upon a claim submitted by the parties to the arbitration proceeding; or

(c) To clarify the award.

(2) A motion under subsection (1) of this section must be made and served on all parties within twenty days after the movant receives notice of the award.

(3) A party to the arbitration proceeding must serve any objections to the motion within ten days after receipt of the notice.

(4) If a motion to the court is pending under section 22, 23, or 24 of this act, the court may submit the claim to the arbitrator to consider whether to modify or correct the award:

(a) Upon the grounds stated in section 24(1) (a) or (c) of this act;

(b) Because the arbitrator has not made a final and definite award upon a claim submitted by the parties to the arbitration proceeding; or

(c) To clarify the award.

(5) An award modified or corrected under this section is subject to sections 22, 23, and 24 of this act.

NEW SECTION. Sec. 21. REMEDIES--FEES AND EXPENSES OF ARBITRATION PROCEEDING. (1) An arbitrator may award punitive damages or other exemplary relief if such an award is authorized under the applicable law in a civil

action involving the same claim and the evidence produced at the hearing justifies the award under the legal standards otherwise applicable to the claim.

(2) An arbitrator may award attorneys' fees and other reasonable expenses of arbitration if such an award is authorized by law in a civil action involving the same claim or by the agreement of the parties to the arbitration proceeding.

(3) As to all remedies other than those authorized by subsections (1) and (2) of this section, an arbitrator may order such remedies as the arbitrator considers just and appropriate under the circumstances of the arbitration proceeding. The fact that such a remedy could not or would not be granted by the court is not a ground for refusing to confirm an award under section 22 of this act or for vacating an award under section 23 of this act.

(4) An arbitrator's expenses and fees, together with other expenses, must be paid as provided in the award.

(5) If an arbitrator awards punitive damages or other exemplary relief under subsection (1) of this section, the arbitrator shall specify in the award the basis in fact justifying and the basis in law authorizing the award and state separately the amount of the punitive damages or other exemplary relief.

NEW SECTION. Sec. 22. CONFIRMATION OF AWARD. After a party to the arbitration proceeding receives notice of an award, the party may file a motion with the court for an order confirming the award, at which time the court shall issue such an order unless the award is modified or corrected under section 20 or 24 of this act or is vacated under section 23 of this act.

NEW SECTION. Sec. 23. VACATING AWARD. (1) Upon motion of a party to the arbitration proceeding, the court shall vacate an award if:

(a) The award was procured by corruption, fraud, or other undue means;

(b) There was:

(i) Evident partiality by an arbitrator appointed as a neutral;

(ii) Corruption by an arbitrator; or

(iii) Misconduct by an arbitrator prejudicing the rights of a party to the arbitration proceeding;

(c) An arbitrator refused to postpone the hearing upon showing of sufficient cause for postponement, refused to consider evidence material to the controversy, or otherwise conducted the hearing contrary to section 15 of this act, so as to prejudice substantially the rights of a party to the arbitration proceeding;

(d) An arbitrator exceeded the arbitrator's powers;

(e) There was no agreement to arbitrate, unless the person participated in the arbitration proceeding without raising the objection under section 15(3) of this act not later than the commencement of the arbitration hearing; or

(f) The arbitration was conducted without proper notice of the initiation of an arbitration as required in section 9 of this act so as to prejudice substantially the rights of a party to the arbitration proceeding.

(2) A motion under this section must be filed within ninety days after the movant receives notice of the award in a record under section 19 of this act or within ninety days after the movant receives notice of an arbitrator's award in a record on a motion to modify or correct an award under section 20 of this act, unless the motion is predicated upon the ground that the award was procured by corruption, fraud, or other undue means, in which case it must be filed within ninety days after such a ground is known or by the exercise of reasonable care should have been known by the movant.

(3) In vacating an award on a ground other than that set forth in subsection (1)(e) of this section, the court may order a rehearing before a new arbitrator. If the award is vacated on a ground stated in subsection (1)(c), (d), or (f) of this section, the court may order a rehearing before the arbitrator who made the award or the arbitrator's successor. The arbitrator must render the decision in the rehearing within the same time as that provided in section 19(2) of this act for an award.

(4) If a motion to vacate an award is denied and a motion to modify or correct the award is not pending, the court shall confirm the award.

NEW SECTION. Sec. 24. MODIFICATION OR CORRECTION OF AWARD. (1) Upon motion filed within ninety days after the movant receives notice of the award in a record under section 19 of this act or within ninety days after the movant receives notice of an arbitrator's award in a record on a motion to modify or correct an award under section 20 of this act, the court shall modify or correct the award if:

(a) There was an evident mathematical miscalculation or an evident mistake in the description of a person, thing, or property referred to in the award;

(b) The arbitrator has made an award on a claim not submitted to the arbitrator and the award may be corrected without affecting the merits of the decision upon the claims submitted; or

(c) The award is imperfect in a matter of form not affecting the merits of the decision on the claims submitted.

(2) If a motion filed under subsection (1) of this section is granted, the court shall modify or correct and confirm the award as modified or corrected. Otherwise, the court shall confirm the award.

(3) A motion to modify or correct an award under this section may be joined with a motion to vacate the award.

NEW SECTION. Sec. 25. JUDGMENT ON AWARD--ATTORNEYS' FEES AND LITIGATION EXPENSES. (1) Upon granting an order confirming, vacating without directing a rehearing, modifying, or correcting an award, the court shall enter a judgment in conformity with the order. The judgment may be recorded, docketed, and enforced as any other judgment in a civil action.

(2) A court may allow reasonable costs of the motion and subsequent judicial proceedings.

(3) On application of a prevailing party to a contested judicial proceeding under section 22, 23, or 24 of this act, the court may add to a judgment confirming, vacating without directing a rehearing, modifying, or correcting an award, attorneys' fees and other reasonable expenses of litigation incurred in a judicial proceeding after the award is made.

NEW SECTION. Sec. 26. JURISDICTION. (1) A court of this state having jurisdiction over the dispute and the parties may enforce an agreement to arbitrate.

(2) An agreement to arbitrate providing for arbitration in this state confers exclusive jurisdiction on the court to enter judgment on an award under this chapter.

NEW SECTION. Sec. 27. VENUE. A motion under section 5 of this act must be filed in the court of the county in which the agreement to arbitrate specifies the arbitration hearing is to be held or, if the hearing has been held, in the court of the county in which it was held. Otherwise, the motion must be filed in any county in which an adverse party resides or has a place of business or, if no adverse party has a residence or place of business in this state, in the court of any county in this state. All subsequent motions must be filed in the court hearing the initial motion unless the court otherwise directs.

NEW SECTION. Sec. 28. APPEALS. (1) An appeal may be taken from:

- (a) An order denying a motion to compel arbitration;
- (b) An order granting a motion to stay arbitration;
- (c) An order confirming or denying confirmation of an award;
- (d) An order modifying or correcting an award;
- (e) An order vacating an award without directing a rehearing; or
- (f) A final judgment entered under this chapter.

(2) An appeal under this section must be taken as from an order or a judgment in a civil action.

NEW SECTION. Sec. 29. UNIFORMITY OF APPLICATION AND CONSTRUCTION. In applying and construing this uniform act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

NEW SECTION. Sec. 30. CAPTIONS. Captions used in this act are not part of the law.

NEW SECTION. Sec. 31. SAVINGS CLAUSE. This act does not affect an action or proceeding commenced or right accrued before the effective date of this act.

NEW SECTION. Sec. 32. RELATIONSHIP TO ELECTRONIC SIGNATURES IN GLOBAL AND NATIONAL COMMERCE ACT. The provisions of this chapter governing the legal effect, validity, and enforceability of electronic records or electronic signatures, and of contracts performed with the use of such records or signatures conform to the requirements of section 102 of the electronic signatures in global and national commerce act.

Sec. 33. RCW 3.46.150 and 2001 c 68 s 2 are each amended to read as follows:

(1) Any city, having established a municipal department as provided in this chapter may, by written notice to the county legislative authority not less than one year prior to February 1st of the year in which all district court judges are subject to election, require the termination of the municipal department created pursuant to this chapter. A city may terminate a municipal department only at the end of a four-year judicial term. However, the city may not give the written notice required by this section unless the city has reached an agreement with the county under chapter 39.34 RCW under which the county is to be paid a reasonable amount for costs associated with prosecution, adjudication, and sentencing in criminal cases filed in district court as a

result of the termination. The agreement shall provide for periodic review and renewal of the terms of the agreement. If the municipality and the county are unable to agree on the terms for renewal of the agreement, they shall be deemed to have entered into an agreement to submit the issue to arbitration under chapter ~~((7.04))~~ 7.-- RCW (sections 1 through 32 of this act). Pending conclusion of the arbitration proceeding, the terms of the agreement shall remain in effect. The municipality and the county have the same rights and are subject to the same duties as other parties who have agreed to submit to arbitration under chapter ~~((7.04))~~ 7.-- RCW (sections 1 through 32 of this act).

(2) A county that wishes to terminate a municipal department of the district court must provide written notice to the city legislative authority at least one year prior to the date of the intended termination.

Sec. 34. RCW 3.50.800 and 1984 c 258 s 202 are each amended to read as follows:

(1) If a municipality has, prior to July 1, 1984, repealed in its entirety that portion of its municipal code defining crimes but continues to hear and determine traffic infraction cases under chapter 46.63 RCW in a municipal court, the municipality and the appropriate county shall, prior to January 1, 1985, enter into an agreement under chapter 39.34 RCW under which the county is to be paid a reasonable amount for costs incurred after January 1, 1985, associated with prosecution, adjudication, and sentencing in criminal cases filed in district court as a result of the repeal. If the municipality and the county cannot come to an agreement within the time prescribed by this section, they shall be deemed to have entered into an agreement to submit the issue to arbitration pursuant to chapter ~~((7.04))~~ 7.-- RCW (sections 1 through 32 of this act). The municipality and the county have the same rights and are subject to the same duties as other parties who have agreed to submit to arbitration under chapter ~~((7.04))~~ 7.-- RCW (sections 1 through 32 of this act).

(2) The agreement between the municipality and the county shall include provisions for periodic review and renewal of the terms of the agreement. If the municipality and the county are unable to agree on the terms for renewal of the agreement, they shall be deemed to have entered into an agreement to submit the issue to arbitration under chapter ~~((7.04))~~ 7.-- RCW (sections 1 through 32 of this act). Pending conclusion of the arbitration proceeding, the terms of the agreement shall remain in effect. (1) A municipality operating a municipal court under this chapter shall not terminate that court unless the municipality has reached an agreement with the appropriate county or another municipality under chapter 39.34 RCW under which the county or municipality is to be paid a reasonable amount for costs associated with prosecution, adjudication, and sentencing in criminal cases filed in district or municipal court as a result of the termination. The agreement shall provide for periodic review and renewal of the terms of the agreement. If the municipality and the county or municipality are unable to agree on the terms for renewal of the agreement, they shall be deemed to have entered into an agreement to submit the issue to arbitration under chapter ~~((7.04))~~ 7.-- RCW (sections 1 through 32 of this act). A municipality that has entered into agreements with other municipalities that have terminated their municipal courts may not thereafter terminate its court unless each municipality has reached an agreement with the appropriate county in accordance with this section.

(2) A municipality operating a municipal court under this chapter may not repeal in its entirety that portion of its municipal code defining crimes while retaining the court's authority to hear and determine traffic infractions under chapter 46.63 RCW unless the municipality has reached an agreement with the county under chapter 39.34 RCW under which the county is to be paid a reasonable amount for costs associated with prosecution, adjudication, and sentencing in criminal cases filed in district court as a result of the repeal. The agreement shall provide for periodic review and renewal of the terms of the agreement. If the municipality and the county are unable to agree on the terms for renewal of the agreement, they shall be deemed to have entered into an agreement to submit the issue to arbitration under chapter ~~((7.04))~~ 7.-- RCW (sections 1 through 32 of this act). The agreement shall provide for periodic review and renewal of the terms of the agreement. If the municipality and the county are unable to agree on

the terms for renewal of the agreement, they shall be deemed to have entered into an agreement to submit the issue to arbitration under chapter ~~((7.04))~~ 7.-- RCW (sections 1 through 32 of this act). Pending conclusion of the arbitration proceeding, the terms of the agreement shall remain in effect. The municipality and the county have the same rights and are subject to the same duties as other parties who have agreed to submit to arbitration under chapter ~~((7.04))~~ 7.-- RCW (sections 1 through 32 of this act).

Sec. 36. RCW 15.49.071 and 1989 c 354 s 77 are each amended to read as follows:

(1) When a buyer is damaged by the failure of any seed covered by this chapter to produce or perform as represented by the required label, by warranty, or as a result of negligence, the buyer, as a prerequisite to maintaining a legal action against the dealer of such seed, shall have first provided for the arbitration of the claim. Any statutory period of limitations with respect to such claim shall be tolled from the date arbitration proceedings are instituted until ten days after the date on which the arbitration award becomes final.

(2) Similarly, no such claim may be asserted as a counterclaim or defense in any action brought by a dealer against a buyer until the buyer has first provided for arbitration of the claim. Upon the buyer's filing of a written notice of intention to assert such a claim as a counterclaim or defense in the action accompanied by a copy of the buyer's complaint in arbitration filed as provided in this chapter, the action shall be stayed, and any applicable statute of limitations shall be tolled with respect to such claim from the date arbitration proceedings are instituted until ten days after the arbitration award becomes final.

(3) Conspicuous language calling attention to the requirement for arbitration under this section shall be referenced or included on the analysis label required under RCW 15.49.011 through 15.49.101.

(4) If the parties agree to submit the claim to arbitration and to be bound by the arbitration award, then the arbitration shall be subject to chapter ~~((7.04))~~ 7.-- RCW (sections 1 through 32 of this act), and RCW 15.49.081 through 15.49.111 will not apply to the arbitration. If the parties do not so agree, then the buyer may provide for mandatory arbitration by the arbitration committee under RCW 15.49.081 through 15.49.111. An award rendered in such mandatory arbitration shall not be binding upon the parties and any trial on any claim so arbitrated shall be de novo.

(5) This section applies only to claims, or counterclaims, where the relief sought is, or includes, a monetary amount in excess of two thousand dollars. All claims for two thousand dollars or less shall be commenced in either district court or small claims court.

Sec. 37. RCW 35.20.010 and 2001 c 68 s 3 are each amended to read as follows:

(1) There is hereby created and established in each incorporated city of this state having a population of more than four hundred thousand inhabitants, as shown by the federal or state census, whichever is the later, a municipal court, which shall be styled "The Municipal Court of (name of city)," hereinafter designated and referred to as the municipal court, which court shall have jurisdiction and shall exercise all the powers by this chapter declared to be vested in such municipal court, together with such powers and jurisdiction as is generally conferred in this state either by common law or statute.

(2) A municipality operating a municipal court under this section may terminate that court if the municipality has reached an agreement with the county under chapter 39.34 RCW under which the county is to be paid a reasonable amount for costs associated with prosecution, adjudication, and sentencing in criminal cases filed in district court as a result of the termination. The agreement shall provide for periodic review and renewal of the terms of the agreement. If the municipality and the county are unable to agree on the terms for renewal of the agreement, they shall be deemed to have entered into an agreement to submit the issue to arbitration under chapter ~~((7.04))~~ 7.-- RCW (sections 1 through 32 of this act). Pending conclusion of the arbitration proceeding, the terms of the agreement shall remain in effect. The municipality and the county have the same rights and are subject to the same duties as other parties who have agreed to submit to arbitration under chapter ~~((7.04))~~ 7.-- RCW (sections 1 through 32 of this act).

(3) A city that has entered into an agreement for court services with the county must provide written notice of the intent to terminate the agreement to the county legislative authority not less than one year prior to February 1st of the year in which all district court judges are subject to election. A city that terminates an agreement for court services to be provided by a district court may terminate the agreement only at the end of a four-year district court judicial term.

(4) A county that wishes to terminate an agreement with a city for the provision of court services must provide written notice of the intent to terminate the agreement to the city legislative authority not less than one year prior to the expiration of the agreement.

Sec. 38. RCW 35.22.425 and 1984 c 258 s 204 are each amended to read as follows:

A city of the first class operating a municipal court may not repeal in its entirety that portion of its municipal code defining crimes or repeal a provision of its municipal code which defines a crime equivalent to an offense listed in RCW 46.63.020 unless the municipality has reached an agreement with the appropriate county under chapter 39.34 RCW under which

the county is to be paid a reasonable amount for costs associated with prosecution, adjudication, and sentencing in criminal cases filed in district court as a result of the repeal. The agreement shall include provisions for periodic review and renewal of the terms of the agreement. If the municipality and the county are unable to agree on the terms for renewal of the agreement, they shall be deemed to have entered into an agreement to submit the issue to arbitration under chapter ((7.04)) 7.-- RCW (sections 1 through 32 of this act). Pending conclusion of the arbitration proceeding, the terms of the agreement shall remain in effect. The municipality and the county have the same rights and are subject to the same duties as other parties who have agreed to submit to arbitration under chapter ((7.04)) 7.-- RCW (sections 1 through 32 of this act).

Sec. 39. RCW 35.23.555 and 1994 c 81 s 52 are each amended to read as follows:

The agreement shall include provisions for periodic review and renewal of the terms of the agreement. If the municipality and the county are unable to agree on the terms for renewal of the agreement, they shall be deemed to have entered into an agreement to submit the issue to arbitration under chapter ((7.04)) 7.-- RCW (sections 1 through 32 of this act). Pending conclusion of the arbitration proceeding, the terms of the agreement shall remain in effect. The municipality and the county have the same rights and are subject to the same duties as other parties who have agreed to submit to arbitration under chapter ((7.04)) 7.-- RCW (sections 1 through 32 of this act).

Sec. 40. RCW 35.27.515 and 1984 c 258 s 207 are each amended to read as follows:

A town operating a municipal court may not repeal in its entirety that portion of its municipal code defining crimes or repeal a provision of its municipal code which defines a crime equivalent to an offense listed in RCW 46.63.020 unless the municipality has reached an agreement with the appropriate county under chapter 39.34 RCW under which the county is to be paid a reasonable amount for costs associated with prosecution, adjudication, and sentencing in criminal cases filed in district court as a result of the repeal. The agreement shall include provisions for periodic review and renewal of the terms of the agreement. If the municipality and the county are unable to agree on the terms for renewal of the agreement, they shall be deemed to have entered into an agreement to submit the issue to arbitration under chapter ((7.04)) 7.-- RCW (sections 1 through 32 of this act). Pending conclusion of the arbitration proceeding, the terms of the agreement shall remain in effect. The municipality and the county have the same rights and are subject to the same duties as other parties who have agreed to submit to arbitration under chapter ((7.04)) 7.-- RCW (sections 1 through 32 of this act).

Sec. 41. RCW 35.30.100 and 1984 c 258 s 208 are each amended to read as follows:

A city operating a municipal court may not repeal in its entirety that portion of its municipal code defining crimes unless the municipality has reached an agreement with the appropriate county under chapter 39.34 RCW under which the county is to be paid a reasonable amount for costs associated with prosecution, adjudication, and sentencing in criminal cases filed in district court as a result of the repeal. The agreement shall include provisions for periodic review and renewal of the terms of the agreement. If the municipality and the county are unable to agree on the terms for renewal of the agreement, they shall be deemed to have entered into an agreement to submit the issue to arbitration under chapter ((7.04)) 7.-- RCW (sections 1 through 32 of this act). Pending conclusion of the arbitration proceeding, the terms of the agreement shall remain in effect. The municipality and the county have the same rights and are subject to the same duties as other parties who have agreed to submit to arbitration under chapter ((7.04)) 7.-- RCW (sections 1 through 32 of this act).

Sec. 42. RCW 35A.11.200 and 1984 c 258 s 209 are each amended to read as follows:

A code city operating a municipal court may not repeal in its entirety that portion of its municipal code defining crimes unless the municipality has reached an agreement with the appropriate county under chapter 39.34 RCW under which the county is to be paid a reasonable amount for costs associated with prosecution, adjudication, and sentencing in criminal cases filed in district court as a result of the repeal. The agreement shall include provisions for periodic review and renewal of the terms of the agreement. If the municipality and the county are unable to agree on the terms for renewal of the agreement, they shall be deemed to have entered into an agreement to submit the issue to arbitration under chapter ((7.04)) 7.-- RCW (sections 1 through 32 of this act). Pending conclusion of the arbitration proceeding, the terms of the agreement shall remain in effect. The municipality and the county have the same rights and are subject to the same duties as other parties who have agreed to submit to arbitration under chapter ((7.04)) 7.-- RCW (sections 1 through 32 of this act).

Sec. 43. RCW 46.96.150 and 1994 c 274 s 2 are each amended to read as follows:

(1) Within thirty days after receipt of the notice under RCW 46.96.140, or within thirty days after the end of an appeal procedure provided by the manufacturer, whichever is greater, a new motor vehicle dealer so notified or entitled to notice may file a petition with the department protesting the proposed establishment or relocation. The petition shall contain a short statement setting forth the reasons for the dealer's objection to the proposed establishment or relocation. Upon the filing of a protest and the receipt of the filing fee, the department shall promptly notify the manufacturer that a timely protest has been filed and shall request the appointment of an administrative law judge under chapter 34.12 RCW to conduct a hearing. The manufacturer shall not establish or relocate the new motor vehicle dealer until the administrative law judge has held a hearing and has determined that there is good cause for permitting the proposed establishment or relocation. When more than one protest is filed against the establishment or relocation of the same dealer, the administrative law judge shall consolidate the hearings to expedite disposition of the matter.

(2) If a manufacturer provides in the franchise agreement or by written statement distributed and provided to its dealers for arbitration under the ~~((Washington))~~ Uniform Arbitration Act, chapter ~~((7.04))~~ 7.-- RCW ~~(sections 1 through 32 of this act),~~ as a mechanism for resolving disputes relating to the establishment of an additional new motor vehicle dealer or the relocation of a new motor vehicle dealer, then the provisions of this section and RCW 46.96.170 relating to hearings by an administrative law judge do not apply, and a dispute regarding the establishment of an additional new motor vehicle dealer or the relocation of an existing new motor vehicle dealer shall be determined in an arbitration proceeding conducted in accordance with the ~~((Washington))~~ Uniform Arbitration Act, chapter ~~((7.04))~~ 7.-- RCW ~~(sections 1 through 32 of this act).~~ The thirty-day period for filing a protest under this section still applies except that the protesting dealer shall file his protest with the manufacturer within thirty days after receipt of the notice under RCW 46.96.140.

(3) The dispute shall be referred for arbitration to such arbitrator as may be agreed upon by the parties to the dispute. If the parties cannot agree upon a single arbitrator within thirty days from the date the protest is filed, the protesting dealer will select an arbitrator, the manufacturer will select an arbitrator, and the two arbitrators will then select a third. If a third arbitrator is not agreed upon within thirty days, any party may apply to the superior court, and the judge of the superior court having jurisdiction will appoint the third arbitrator. The protesting dealer will pay the arbitrator selected by him, and the manufacturer will pay the arbitrator it selected. The expense of the third arbitrator and all other expenses of arbitration will be shared equally by the parties. Attorneys' fees and fees paid to expert witnesses are not expenses of arbitration and will be paid by the person incurring them.

(4) Notwithstanding the terms of a franchise or written statement of the manufacturer and notwithstanding the terms of a waiver, the arbitration will take place in the state of Washington in the county where the protesting dealer has his principal place of business. RCW 46.96.160 applies to a determination made by the arbitrator or arbitrators in determining whether good cause exists for permitting the proposed establishment or relocation of a new motor vehicle dealer, and the manufacturer has the burden of proof to establish that good cause exists for permitting the proposed establishment or relocation. After a hearing has been held, the arbitrator or arbitrators shall render a decision as expeditiously as possible, but in any event not later than one hundred twenty days from the date the arbitrator or arbitrators are selected or appointed. The manufacturer shall not establish or relocate the new motor vehicle dealer until the arbitration hearing has been held and the arbitrator or arbitrators have determined that there is good cause for permitting the proposed establishment or relocation. The written decision of the arbitrator is binding upon the parties unless modified, corrected, or vacated under the Washington Arbitration Act. Any party may appeal the decision of the arbitrator under the ~~((Washington))~~ Uniform Arbitration Act, chapter ~~((7.04))~~ 7.-- RCW ~~(sections 1 through 32 of this act).~~

(5) If the franchise agreement or the manufacturer's written statement distributed and provided to its dealers does not provide for arbitration under the ~~((Washington))~~ Uniform Arbitration Act as a mechanism for resolving disputes relating to the establishment of an additional new motor vehicle dealer or the relocation of a new motor vehicle dealer, then the hearing provisions of this section and RCW 46.96.170 apply. Nothing in this section is intended to preclude a new motor vehicle dealer from electing to use any other dispute resolution mechanism offered by a manufacturer.

Sec. 44. RCW 49.66.090 and 1973 2nd ex.s. c 3 s 7 are each amended to read as follows:

In the event that a health care activity and an employees' bargaining unit shall reach an impasse, the matters in dispute shall be submitted to a board of arbitration composed of three arbitrators for final and binding resolution. The board shall be selected in the following manner: Within ten days, the employer shall appoint one arbitrator and the employees shall appoint one arbitrator. The two arbitrators so selected and named shall within ten days agree upon and select the name of a third arbitrator who shall act as chairman. If, upon the expiration of the period allowed therefor the arbitrators are unable to agree on the selection of a third arbitrator, such arbitrator shall be appointed at the request of either party in accordance with ~~((the provisions of RCW 7.04.050))~~ section 11 of this act, and ~~((he))~~ that person shall act as ~~((chairman))~~ chair of the arbitration board.

Sec. 45. RCW 59.18.320 and 1973 1st ex.s. c 207 s 32 are each amended to read as follows:

(i) Court action pursuant to subsections (2) and (3) of RCW 59.18.090 and subsections (1) and (2) of RCW 59.18.160; and

(ii) Any unlawful detainer action filed by the landlord pursuant to chapter 59.12 RCW.

(2) The party initiating arbitration under subsection (1) of this section shall give reasonable notice to the other party or parties.

(3) Except as otherwise provided in this section, the arbitration process shall be administered by any arbitrator agreed upon by the parties at the time the dispute arises: PROVIDED, That the procedures shall comply with the requirements of chapter ~~((7.04)) 7.--~~ RCW (sections 1 through 32 of this act) (relating to arbitration) and of this chapter.

Hearings shall be informal and the rules of evidence prevailing in judicial proceedings shall not be binding. A recording of the proceedings may be taken. Any oral or documentary evidence and other data deemed relevant by the arbitrator may be received in evidence. The arbitrator shall have the power to administer oaths, to issue subpoenas, to require the attendance of witnesses and the production of such books, papers, contracts, agreements, and documents as may be deemed by the arbitrator material to a just determination of the issues in dispute. If any person refuses to obey such subpoena or refuses to be sworn to testify, or any witness, party, or attorney is guilty of any contempt while in attendance at any hearing held hereunder, the arbitrator may invoke the jurisdiction of any superior court, and such court shall have jurisdiction to issue an appropriate order. A failure to obey such order may be punished by the court as a contempt thereof.

(4) Within five days after conclusion of the hearing, the arbitrator shall make a written decision upon the issues presented, a copy of which shall be mailed by certified mail or otherwise delivered to the parties or their designated representatives. The determination of the dispute made by the arbitrator shall be final and binding upon both parties.

(5) If a defective condition exists which affects more than one dwelling unit in a similar manner, the arbitrator may consolidate the issues of fact common to those dwelling units in a single proceeding.

(6) Decisions of the arbitrator shall be enforced or appealed according to the provisions of chapter ~~((7.04)) 7.--~~ RCW (sections 1 through 32 of this act).

Sec. 47. RCW 59.20.260 and 1984 c 58 s 13 are each amended to read as follows:

(2) The arbitration shall be administered under this chapter and chapter ~~((7.04)) 7.--~~ RCW (sections 1 through 32 of this act).

Sec. 48. RCW 59.20.270 and 1984 c 58 s 14 are each amended to read as follows:

(1) If the landlord and tenant agree to submit the matter to arbitration, the parties shall complete an application for arbitration and deliver it to the selected arbitrator.

(2) The arbitrator shall schedule a hearing to be held no later than ten days following receipt of the application.

(3) Reasonable notice of the hearings shall be given to the parties, who shall appear and be heard either in person, by counsel, or by other representative. Hearings shall be informal and the rules of evidence prevailing in judicial proceedings shall not be binding. Hearings may be public or private. The proceedings may be recorded. Any oral or documentary evidence and other data deemed relevant by the arbitrator may be received in evidence. The arbitrator may administer oaths, issue subpoenas,

and require the attendance of witnesses and the production of books, papers, contracts, agreements, and documents deemed by the arbitrator to be material to a just determination of the issues in dispute. If a person refuses to obey a subpoena or refuses to be sworn to testify, or any witness, party, or attorney is guilty of any contempt while in attendance at any hearing held under this section, the arbitrator may invoke the jurisdiction of any district or superior court, and the court shall have jurisdiction to issue an appropriate order. Failure to obey the order may be punished by the court as contempt.

(4) Within five days after the hearing, the arbitrator shall make a written decision upon the issues presented. A copy of the decision shall be mailed by certified mail or otherwise delivered to the parties or their designated representatives. The decision of the arbitrator shall be final and binding upon all parties.

(5) If a dispute exists affecting more than one tenant in a similar manner, the arbitrator may with the consent of the parties consolidate the cases into a single proceeding.

(6) Decisions of the arbitrator shall be enforced or appealed under chapter ~~((7.04))~~ 7-- RCW (sections 1 through 32 of this act).

(3) Armed forces special license plates may be used in lieu of regular or personalized license plates for vehicles required to display one and two vehicle license plates, excluding vehicles registered under chapter 46.87 RCW, upon terms and conditions established by the department.

(4) Upon request, the department must make available to the purchaser, at no additional cost, a decal indicating the purchaser's military status. The department must work with the department of veterans affairs to establish a list of the decals to be made available. The list of available decals must include, but is not limited to, "veteran," "disabled veteran," "reservist," "retiree," or "active duty." The department may specify where the decal may be placed on the license plate. Decals are required to be made available only for standard six-inch by twelve-inch license plates.

(5) Armed forces license plates and decals are available only to veterans as defined in RCW 41.04.007, active duty military personnel, reservists, members of the Washington national guard, and the spouses of deceased veterans. Upon initial application, any purchaser requesting an armed forces license plate and decal will be required to show proof of eligibility by providing: A DD-214 or discharge papers if a veteran; a military identification or retired military identification card; or a declaration of fact attesting to the purchaser's eligibility as required under this section.

(6) The department of veterans affairs must enter into an agreement with the department to reimburse the department for the costs associated with providing military status decals described in subsection (4) of this section.

MESSAGE FROM THE SENATE

April 11, 2005

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1136, with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature believes that electronic monitoring, as an alternative to incarceration, is a proper and cost-effective method of punishment and supervision for many criminal offenders. The legislature further finds that advancements in electronic monitoring technology have made the technology more common and acceptable to criminal justice system personnel, policymakers, and the general public.

In an effort to reduce prison and jail populations, many states are increasing their utilization of electronic monitoring. However, Washington state's use of electronic monitoring has been relatively stagnant.

The intent of this act is to determine what electronic monitoring policies and programs have been implemented in the other forty-nine states, in order that Washington state can learn from the other states' experiences.

NEW SECTION. Sec. 2. (1) The Washington association of sheriffs and police chiefs shall conduct a comprehensive study on electronic monitoring in every state. The study shall review and analyze each state's activity regarding electronic monitoring. Specifically, the study shall include:

- (a) How often electronic monitoring is used;
 - (b) A description of laws and circumstances of when an offender is placed on electronic monitoring;
 - (c) The discovery and analysis of specific programs used to promote electronic monitoring and how they are operated;
 - (d) The type of electronic monitoring technology used;
 - (e) Evaluation of offender pay programs and the amount of money recovered from these programs;
 - (f) Overall perceptions of electronic monitoring from the criminal justice community, and any real or perceived problems or concerns with electronic monitoring;
 - (g) Estimates on savings realized by utilizing electronic monitoring.
- (2) The findings and any recommendations from the study shall be placed into a final report and presented to the legislature no later than December 31, 2005.

Sec. 3. RCW 9.94A.737 and 2002 c 175 s 15 are each amended to read as follows:

(1) If an offender violates any condition or requirement of community custody, the department may transfer the offender to a more restrictive confinement status to serve up to the remaining portion of the sentence, less credit for any period actually spent in community custody or in detention awaiting disposition of an alleged violation and subject to the limitations of subsection (2) of this section.

(2)(a) For a sex offender sentenced to a term of community custody under RCW 9.94A.670 who violates any condition of community custody, the department may impose a sanction of up to sixty days' confinement in a local correctional facility for each violation. If the department imposes a sanction, the department shall submit within seventy-two hours a report to the court and the prosecuting attorney outlining the violation or violations and the sanctions imposed.

(b) For a sex offender sentenced to a term of community custody under RCW 9.94A.710 who violates any condition of community custody after having completed his or her maximum term of total confinement, including time served on community custody in lieu of earned release, the department may impose a sanction of up to sixty days in a local correctional facility for each violation.

(c) For an offender sentenced to a term of community custody under RCW 9.94A.505(2)(b), 9.94A.650, or 9.94A.715, or under RCW 9.94A.545, for a crime committed on or after July 1, 2000, who violates any condition of community custody after having completed his or her maximum term of total confinement, including time served on community custody in lieu of earned release, the department may impose a sanction of up to sixty days in total confinement for each violation. The department may impose sanctions such as work release, home detention with electronic monitoring, work crew, community restitution, inpatient treatment, daily reporting, curfew, educational or counseling sessions, supervision enhanced through electronic monitoring, or any other sanctions available in the community.

(d) For an offender sentenced to a term of community placement under RCW 9.94A.705 who violates any condition of community placement after having completed his or her maximum term of total confinement, including time served on community custody in lieu of earned release, the department may impose a sanction of up to sixty days in total confinement for each violation. The department may impose sanctions such as work release, home detention with electronic monitoring, work crew, community restitution, inpatient treatment, daily reporting, curfew, educational or counseling sessions, supervision enhanced through electronic monitoring, or any other sanctions available in the community.

(3) If an offender is accused of violating any condition or requirement of community custody, he or she is entitled to a hearing before the department prior to the imposition of sanctions. The hearing shall be considered as offender disciplinary proceedings and shall not be subject to chapter 34.05 RCW. The department shall develop hearing procedures and a structure of graduated sanctions.

(4) The hearing procedures required under subsection (3) of this section shall be developed by rule and include the following:

(a) Hearing officers shall report through a chain of command separate from that of community corrections officers;

(b) The department shall provide the offender with written notice of the violation, the evidence relied upon, and the reasons the particular sanction was imposed. The notice shall include a statement of the rights specified in this subsection, and the offender's right to file a personal restraint petition under court rules after the final decision of the department;

(c) The hearing shall be held unless waived by the offender, and shall be electronically recorded. For offenders not in total confinement, the hearing shall be held within fifteen working days, but not less than twenty-four hours, after notice of the violation. For offenders in total confinement, the hearing shall be held within five working days, but not less than twenty-four hours, after notice of the violation;

(d) The offender shall have the right to: (i) Be present at the hearing; (ii) have the assistance of a person qualified to assist the offender in the hearing, appointed by the hearing officer if the offender has a language or communications barrier; (iii) testify or remain silent; (iv) call witnesses and present documentary evidence; and (v) question witnesses who appear and testify; and

(e) The sanction shall take effect if affirmed by the hearing officer. Within seven days after the hearing officer's decision, the offender may appeal the decision to a panel of three reviewing officers designated by the secretary or by the secretary's designee. The sanction shall be reversed or modified if a majority of the panel finds that the sanction was not reasonably related to any of the following: (i) The crime of conviction; (ii) the violation committed; (iii) the offender's risk of reoffending; or (iv) the safety of the community.

(5) For purposes of this section, no finding of a violation of conditions may be based on unconfirmed or unconfirmable allegations.

(6) The department shall work with the Washington association of sheriffs and police chiefs to establish and operate an electronic monitoring program for low-risk offenders who violate the terms of their community custody. Between January 1, 2006, and December 31, 2006, the department shall endeavor to place at least one hundred low-risk community custody violators on the electronic monitoring program per day if there are at least that many low-risk offenders who qualify for the electronic monitoring program.

(7) Local governments, their subdivisions and employees, the department and its employees, and the Washington association of sheriffs and police chiefs and its employees shall be immune from civil liability for damages arising from incidents involving low-risk offenders who are placed on electronic monitoring unless it is shown that an employee acted with gross negligence or bad faith.

NEW SECTION. Sec. 4. This act expires December 31, 2005.

NEW SECTION. Sec. 5. If specific funding for the purposes of section 2 of this act, referencing this act and section 2 of this act by bill or chapter number and section number, is not provided by June 30, 2005, in the omnibus appropriations act, section 2 of this act is null and void."

On page 1, line 2 of the title, after "incarceration;" strike the remainder of the title and insert "amending RCW 9.94A.737; creating new sections; and providing an expiration date."

and the same is herewith transmitted.

MESSAGE FROM THE SENATE

April 12, 2005

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1147, with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 9.94A.030 and 2003 c 53 s 55 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Board" means the indeterminate sentence review board created under chapter 9.95 RCW.

(2) "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department, means that the department, either directly or through a collection agreement authorized by RCW 9.94A.760, is responsible for monitoring and enforcing the offender's sentence with regard to the legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

(3) "Commission" means the sentencing guidelines commission.

(4) "Community corrections officer" means an employee of the department who is responsible for carrying out specific duties in supervision of sentenced offenders and monitoring of sentence conditions.

(5) "Community custody" means that portion of an offender's sentence of confinement in lieu of earned release time or imposed pursuant to RCW 9.94A.505(2)(b), 9.94A.650 through 9.94A.670, 9.94A.690, 9.94A.700 through 9.94A.715, or

9.94A.545, served in the community subject to controls placed on the offender's movement and activities by the department. For offenders placed on community custody for crimes committed on or after July 1, 2000, the department shall assess the offender's risk of reoffense and may establish and modify conditions of community custody, in addition to those imposed by the court, based upon the risk to community safety.

(6) "Community custody range" means the minimum and maximum period of community custody included as part of a sentence under RCW 9.94A.715, as established by the commission or the legislature under RCW 9.94A.850, for crimes committed on or after July 1, 2000.

(7) "Community placement" means that period during which the offender is subject to the conditions of community custody and/or postrelease supervision, which begins either upon completion of the term of confinement (postrelease supervision) or at such time as the offender is transferred to community custody in lieu of earned release. Community placement may consist of entirely community custody, entirely postrelease supervision, or a combination of the two.

(8) "Community protection zone" means the area within eight hundred eighty feet of the facilities and grounds of a public or private school.

(9) "Community restitution" means compulsory service, without compensation, performed for the benefit of the community by the offender.

~~((9))~~ (10) "Community supervision" means a period of time during which a convicted offender is subject to crime-related prohibitions and other sentence conditions imposed by a court pursuant to this chapter or RCW 16.52.200(6) or 46.61.524. Where the court finds that any offender has a chemical dependency that has contributed to his or her offense, the conditions of supervision may, subject to available resources, include treatment. For purposes of the interstate compact for out-of-state supervision of parolees and probationers, RCW 9.95.270, community supervision is the functional equivalent of probation and should be considered the same as probation by other states.

~~((10))~~ (11) "Confinement" means total or partial confinement.

~~((11))~~ (12) "Conviction" means an adjudication of guilt pursuant to Titles 10 or 13 RCW and includes a verdict of guilty, a finding of guilty, and acceptance of a plea of guilty.

~~((12))~~ (13) "Crime-related prohibition" means an order of a court prohibiting conduct that directly relates to the circumstances of the crime for which the offender has been convicted, and shall not be construed to mean orders directing an offender affirmatively to participate in rehabilitative programs or to otherwise perform affirmative conduct. However, affirmative acts necessary to monitor compliance with the order of a court may be required by the department.

~~((13))~~ (14) "Criminal history" means the list of a defendant's prior convictions and juvenile adjudications, whether in this state, in federal court, or elsewhere.

(a) The history shall include, where known, for each conviction (i) whether the defendant has been placed on probation and the length and terms thereof; and (ii) whether the defendant has been incarcerated and the length of incarceration.

(b) A conviction may be removed from a defendant's criminal history only if it is vacated pursuant to RCW 9.96.060, 9.94A.640, 9.95.240, or a similar out-of-state statute, or if the conviction has been vacated pursuant to a governor's pardon.

(c) The determination of a defendant's criminal history is distinct from the determination of an offender score. A prior conviction that was not included in an offender score calculated pursuant to a former version of the sentencing reform act remains part of the defendant's criminal history.

~~((14))~~ (15) "Day fine" means a fine imposed by the sentencing court that equals the difference between the offender's net daily income and the reasonable obligations that the offender has for the support of the offender and any dependents.

~~((15))~~ (16) "Day reporting" means a program of enhanced supervision designed to monitor the offender's daily activities and compliance with sentence conditions, and in which the offender is required to report daily to a specific location designated by the department or the sentencing court.

~~((16))~~ (17) "Department" means the department of corrections.

~~((17))~~ (18) "Determinate sentence" means a sentence that states with exactitude the number of actual years, months, or days of total confinement, of partial confinement, of community supervision, the number of actual hours or days of community restitution work, or dollars or terms of a legal financial obligation. The fact that an offender through earned release can reduce the actual period of confinement shall not affect the classification of the sentence as a determinate sentence.

~~((18))~~ (19) "Disposable earnings" means that part of the earnings of an offender remaining after the deduction from those earnings of any amount required by law to be withheld. For the purposes of this definition, "earnings" means compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonuses, or otherwise, and, notwithstanding any other provision of law making the payments exempt from garnishment, attachment, or other process to satisfy a court-ordered legal financial obligation, specifically includes periodic payments pursuant to pension or retirement programs, or insurance policies of any type, but does not include payments made under Title 50 RCW, except as provided in RCW 50.40.020 and 50.40.050, or Title 74 RCW.

~~((19))~~ (20) "Drug offender sentencing alternative" is a sentencing option available to persons convicted of a felony offense other than a violent offense or a sex offense and who are eligible for the option under RCW 9.94A.660.

~~((20))~~ (21) "Drug offense" means:

(a) Any felony violation of chapter 69.50 RCW except possession of a controlled substance (RCW 69.50.4013) or forged prescription for a controlled substance (RCW 69.50.403);

(b) Any offense defined as a felony under federal law that relates to the possession, manufacture, distribution, or transportation of a controlled substance; or

(c) Any out-of-state conviction for an offense that under the laws of this state would be a felony classified as a drug offense under (a) of this subsection.

~~((21))~~ (22) "Earned release" means earned release from confinement as provided in RCW 9.94A.728.

~~((22))~~ (23) "Escape" means:
