SUBSTITUTE HOUSE BILL NO. 145, by House Committee on Revenue (originally sponsored by Representatives Rosbach, Fancher, Nisbet, Chamberlain, Fiske, Lundquist, Owen, North, Scott and Wilson):

Providing an alternate tax on small harvesters of timber.

REPORT OF STANDING COMMITTEE

April 10, 1981.

SUBSTITUTE HOUSE BILL NO. 145, providing an alternate tax on small harvesters of timber (reported by Committee on Ways and Means):

MAJORITY recommendation: Do pass with the following amendments:

On page 2, after line 31, insert the following:

"Sec. 3. Section 1, chapter 347, Laws of 1977 ex. sess. as amended by section 1, chapter 6, Laws of 1979 and RCW 84.33.071 are each amended to read as follows:

(1) Upon every person engaging within this state in business as a harvester of timber; as to such persons the amount of tax with respect to such business shall be equal to the stumpage value of timber harvested for sale or for commercial or industrial use multiplied by ((the appropriate rate as follows:

(a) ~~For timber harvested between October 1, 1972 and September 30, 1973 inclusive, the rate shall be one and three-tenths percent;~~

(b) ~~For timber harvested between October 1, 1973 and September 30, 1974 inclusive, the rate shall be two and nine-tenths percent and between October 1, 1974 and June 30, 1981, inclusive;)) six and one-half percent.~~

(2) For purposes of this section:

(a) "Harvester" means every person who from his own privately owned land or from the privately owned land of another under a right or license granted by lease or contract, either directly or by contracting with others for the necessary labor or mechanical services fells, cuts or takes timber for sale or for commercial or industrial use. It does not include persons performing under contract the necessary labor or mechanical services for a harvester.

(b) "Timber" means forest trees, standing or down on privately owned land, and except as provided in RCW 84.33.170 includes Christmas trees.

(c) "Stumpage value of timber" means the appropriate stumpage value shown on tables to be prepared by the department of revenue pursuant to subsection (3) of this section.

(d) Timber shall be considered harvested at the time when in the ordinary course of business the quantity thereof by species is first definitely determined. The amount harvested shall be determined by the Scribner Decimal C Scale or other prevalent measuring practice adjusted to arrive at substantially equivalent measurements, as approved by the department of revenue.

(3) The department of revenue shall designate areas containing timber having similar growing, harvesting and marketing conditions to be used as units for the preparation and application of stumpage values. Each year on or before December 31 for use the following January through June 30, and on or before June 30 for use the following July through December 31, the department shall prepare tables of stumpage values of each species or subclassification of timber within such units, which values shall be the amount that each such species or subclassification would sell for at a voluntary sale made in the ordinary course of business for purposes of immediate harvest. Such stumpage values, expressed in terms of a dollar amount per thousand board feet or other unit measure, shall be determined from (a) gross proceeds from sales on the stump of similar timber of like quality and character at similar locations, and in similar quantities, or from (b) gross proceeds from sales of logs adjusted to reflect only the portion of such proceeds attributable to value on the stump immediately prior to harvest, or from a combination of (a) and (b), and shall be determined in a manner which makes reasonable and adequate allowances for age, size, quality, costs of removal, accessibility to point of conversion, market conditions and all other relevant factors. Upon application from any person who plans to harvest damaged timber, the stumpage values for which have been materially reduced from the values shown in the applicable tables due to damage resulting from fire, blow down, ice storm, flood or other sudden unforeseen cause, the department

shall revise such tables for any area in which such timber is located and shall specify any additional accounting or other requirements to be complied with in reporting and paying such tax. The preliminary area designations and stumpage value tables and any revisions thereof shall be subject to review by the ways and means committees of the house and senate prior to finalization. Tables of stumpage values shall be signed by the director or his designee and authenticated by the official seal of the department. A copy thereof shall be mailed to anyone who has submitted to the department a written request therefor.

(4) On or before the sixtieth day after the date of final adoption of any stumpage value tables, any harvester may appeal to the board of tax appeals for a revision of stumpage values for an area determined pursuant to subsection (3) of this section.

(5) There are hereby created in the state treasury a state timber tax account A and a state timber tax reserve account in the state general fund and any interest earned on the investment of cash balances shall be deposited in these accounts. The revenues from the tax imposed by subsection (1) of this section shall be deposited in state timber tax account A and state timber tax reserve account as follows:

| YEAR OF COLLECTION | ACCOUNT A | RESERVE ACCOUNT |
|---------------------|-----------|-----------------|
| 1973 through 1982 | 100% | 0% |
| 1983 and thereafter | 0% | 100% |

(6) In addition to the rates specified in subsection (1) of this section, there shall be imposed upon such persons a surtax at a rate of .5% of the stumpage value of timber as specified in such subsection (1) upon timber harvested between October 1, 1972 and September 30, 1974 inclusive. The revenues from such surtax shall be deposited in the state timber tax reserve account. Such surtax shall be reimposed for one year upon timber harvested in any calendar year following any fourth quarter during which transfers from such reserve account pursuant to subsection (3) of RCW 84.33.080 reduce the balance in such account to less than five hundred thousand dollars, but in no event shall such surtax be imposed in any year after 1980.

(7) The tax imposed under this section shall be computed with respect to timber harvested each calendar quarter and shall be due and payable in quarterly installments and remittance therefor shall be made on or before the last day of the month next succeeding the end of the quarterly period in which the tax accrued. The taxpayer on or before such date shall make out a return, upon such forms and setting forth such information as the department of revenue may require, showing the amount of the tax for which he is liable for the preceding quarterly period, and shall sign and transmit the same to the department of revenue, together with a remittance for such amount.

(8) The taxes imposed by this section shall be in addition to any taxes imposed upon the same persons pursuant to one or more of sections RCW 82.04.230 to 82.04.290, inclusive, and RCW 82.04.440, and none of such sections shall be construed to modify or interact with this section in any way, except RCW 82.04.450 and 82.04.490 shall not apply to the taxes imposed by this section.

(9) Any harvester incurring less than ten dollars tax liability under this section in any calendar quarter shall be excused from the payment of such tax, but may be required by the department of revenue to file a return even though no tax may be due.

NEW SECTION. Sec. 4. Section 3 of this act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

STATEMENT FOR THE JOURNAL PROCEDURAL MOTION ON ESHB-149

Certain Republicans are claiming their "NO" on a motion by Senator Bottiger to consider as a special order of business ESHB-149, was a procedural vote. This bill was at the bottom of the calendar with time running out.

The bill would provide the same emergency medical care for a child born alive after an abortion as is provided an infant born prematurely of the same gestational age.

Senator Clarke, Republican Flood Leader, as well as Senators Benitz, Bluechel, and Pullen, all Republicans, are recorded as voting "YES" on the motion. This unequivocally negates the "procedural" excuse. By their "NO" vote the remainder

of the Republican majority denied to helpless, innocent babies the immediate comfort and medical assistance needed to sustain life. This vote effectively sentenced them to death!

Signed:
 Senator Margaret Hurley
 Senator R. Ted Bottiger.

There is hereby levied, and there shall be collected by each commission, upon each and every unit of any agricultural commodity specified in any marketing order an annual assessment which shall be paid by the producer thereof upon each and every such unit sold, processed, stored or delivered for sale, processing or storage by him. Such assessments shall be expressed as a stated amount of money per unit or as a percentage of the net unit price at the time of sale. The total amount of such annual assessment to be paid by all affected producers of such commodity shall not exceed three percent of the total market value of all affected units sold, processed, stored or delivered for sale, processing or storage by all affected producers of such units during the year to which the assessment applies.

Every marketing order shall prescribe the per unit or percentage rate of such assessment. Such rate may be at the full amount of, or at any lesser amount than the amount hereinabove limited and may be altered from time to time by amendment of such order. In every such marketing order and amendment the determination of such rate shall be based upon the volume and price of sales of affected units during a period which the director determines to be a representative period. The per unit or percentage rate of assessment prescribed in any such order or amendment shall for all purposes and times be deemed to be within the limits of assessment above provided until such time as such order is amended as to such rate. However, at the end of any year, any affected producer may obtain a refund from the commission of any assessment payments made which exceed three percent of the total market value of all of the affected commodity sold, processed, stored or delivered for sale, processing or storage by such producer during the year. Such refund shall be made only upon satisfactory proof given by such producer in accordance with reasonable rules and regulations prescribed by the director. Such market value shall be based upon the average sales price received by such producer during the year from all his bona fide sales or, if such producer did not sell twenty-five percent or more of all of the affected commodity produced by him during the year, such market value shall be determined by the director upon other sales of the affected commodity determined by the director to be representative and comparable. ~~((No assessment or rate or amendment thereof shall apply in any order unless and until confirmed by a majority of affected producers participating in a vote taken in the manner by this chapter providing for the election of commission members.))~~

To collect such assessment each order may require:

(1) Stamps to be purchased from the affected commodity commission or other authority stated in such order and attached to the containers, invoices, shipping documents, inspection certificates, releases, or receiving receipts or tickets (said stamps to be canceled immediately upon being attached and the date of cancellation placed thereon).

(2) Payment of producer assessments before the affected units are shipped off the farm or payment of assessments at different or later times, and in such event the order may require any person subject to the assessment to give adequate assurance or security for its payment.

(3) Every affected producer subject to assessment under such order to deposit with the commission in advance an amount based on the estimated number of affected units upon which such person will be subject to such assessment in any one year during which such marketing order is in force, or upon any other basis which the director determines to be reasonable and equitable and specifies in such order, but in no event shall such deposit exceed twenty-five percent of the estimated total annual assessment payable by such person. At the close of such marketing year the

sums so deposited shall be adjusted to the total of such assessments payable by such person.

(4) Handlers receiving the affected commodity from the producer, including warehousemen and processors, to collect producer assessments from producers whose production they handle and remit the same to the affected commission. The lending agency for a commodity credit corporation loan to producers shall be deemed a handler for the purpose of this subsection. No affected units shall be transported, carried, shipped, sold, stored or otherwise handled or disposed of until every due and payable assessment herein provided for has been paid and the receipt issued, but no liability hereunder shall attach to common carriers in the regular course of their business."

Renumber the sections consecutively.

SECOND READING

SENATE BILL NO. 3993, by Senator Guess:
Relating to the international registration plan.

MOTIONS

On motion of Senator Guess, Substitute Senate Bill No. 3993 was substituted for Senate Bill No. 3993 and the substitute bill was placed on second reading and read the second time in full.

On motion of Senator Guess, the rules were suspended, Substitute Senate Bill No. 3993 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Rasmussen: "Senator Guess, I haven't had time to completely go through this bill. It is a big bill, but on page 14 you indicate that the failure of a registered owner to properly license a vehicle is a traffic infraction subject to a fine not to exceed one hundred dollars and so forth. Now is this requirement that you license a vehicle even if it is not being used, because it would be a traffic violation anyway if it was on the highway without a license, but this would indicate they would have to register it even if they were not using it?"

Senator Guess: "No, Senator, I don't think that—they wouldn't have to register it if they were not using it. There are other provisions of the bill that excuse them for the number of months that they don't register it in other sections of the law."

Senator Rasmussen: "That is only on certain size trucks. Anyway, another one over here, you have struck out the farm vehicles—used to be exempt from, and you have made them subject to special licenses where under the old law they were exempt from. I don't know what that means as far as the farmers are concerned. That is on page 17, on line 30. The old language was that they were exempt from and now you have made them subject to special licensing requirements."

Senator Guess: "Yes, sir. There is a new decal or licensing device that they will put on their vehicles that they won't pay any additional money. They buy that, Senator, for identification purposes and this is in here so that we can keep track of them. That special identification decal will help us keep up and identify vehicles so we can find them in case of theft."

Senator Rasmussen: "Thank you, Senator. I would have them check that in the House on page 14 on that register."

POINT OF INQUIRY

Senator Wilson: "Senator Guess, could you tell me just briefly what effect, if any, this bill will have on typical farm trucks and on typical logging trucks?"

Senator Guess: "Senator, the logging trucks were the most difficult thing we had to get over. We had to agree and we had to work it out so that the logging truck was not hurt. There was a great deal of concern that in changing the licensing from the trailer and putting it only on the power unit that we were going to hurt the small fleet owner that only had one or two trailers, and it was thoroughly worked out and there are adjustments in there to make sure that they do not get hurt."

Senator Wilson: "And the same would apply to farm trucks?"

Senator Guess: "The same thing applies to the farm truck. They will still be identified and I think that the bill, with that special decal, will help keep down the theft of farm vehicles because it now gives us a way of identifying them, and so they will not suffer any more cost as a result of the bill except the cost of the value. The excise tax on that vehicle has gone up and the last time we changed the law was 1975 and they recognize that and they were willing to accept the increased valuation on it."

POINT OF INQUIRY

Senator Patterson: "Senator Guess, would you yield to one question? In putting together the statistics on the total fee collections and registration fees, the total package, did you find that there is an increase in the revenues that will come to the state through this or a decrease?"

Senator Guess: "Senator, there will be an increase in the fees, primarily from the standpoint that there have not been increases in the assessments in the past since 1975. The first biennium this will yield an additional eight million dollars. Within the entire six year period it is estimated that the yield to the state will be something on the order of fifty million dollars."

As long as you asked that question, those states that have gone into the IRP, for instance Illinois when they passed the bill in 1971, thought that they would lose about two million a biennium because they were going into the IRP. Actually, they found out that there were many, many trucks running on the state highways that were not paying anything, and so instead of losing two million dollars the first biennium, they gained a million dollars. And I think we will find in this state that people will be more apt to license under these regulations than they were under the existing regulations."

POINT OF INQUIRY

Senator Rasmussen: ". . . would indicate that for every motorcycle, motor driven cycle and passenger car the additional fee in the sum of twenty dollars. That is quite an increase in license fees."

Senator Guess: "They haven't been increased since 1975, Senator."

Senator Rasmussen: "In fact, that is more than doubling the license fee."

Senator Guess: "They were very low and the study showed that they were very low at that time and this will bring them up to equity in carrying the burden."

Senator Rasmussen: "And a motorcycle twenty dollars?"

Senator Guess: "Yes, sir."

Senator Rasmussen: "Okay, thank you. You have made up my mind, Senator Guess."

SECOND SUBSTITUTE HOUSE BILL NO. 257, by House Committee on Appropriations-General Government and Compensation (originally sponsored by Representatives Van Dyken, Becker, Fiske, Lundquist, Fancher, Barr, Thompson and Greengo):

Providing for supplemental police protection in border areas.

REPORT OF STANDING COMMITTEE

April 16, 1981.

SECOND SUBSTITUTE HOUSE BILL NO. 257, providing for supplemental police protection in border areas (reported by Committee on Ways and Means):

MAJORITY recommendation: Do pass with the following amendments:

On page 1, after line 14, strike the remainder of the bill and insert the following:

NEW SECTION. Sec. 2. Funds appropriated by the legislature as supplemental resources for border areas shall be distributed pursuant to a formula developed by the planning and community affairs agency under chapter 34.04 RCW based on border traffic and historical public impacts of law enforcement problems caused by the border on local budgets. All funds received by Whatcom County under this section shall be spent within the Point Roberts area.

As used in this section, "border area" means any incorporated city or town located within seven miles of the Washington-Canadian border and any point of land surrounded on three sides by water and adjacent to the Canadian border.

NEW SECTION. Sec. 3. There is appropriated to the planning and community affairs agency from the general fund for the biennium ending June 30, 1983, the sum of two hundred fifty thousand dollars to carryout the purposes of this act. The planning and community affairs agency shall use no more than one percent of the appropriated funds to administer the program."

On page 1, on line 1, after "towns;" strike the remainder of the title and insert "creating new sections; and making an appropriation."

Signed by: Senators Craswell, Vice Chairman; Deccio, Gaspard, Haley, Hayner, Lee, McDermott, Ridder, Zimmerman.

The bill was read the second time by sections.

Senator Scott moved adoption of the committee amendment.

POINT OF INQUIRY

Senator Goltz: "Would Senator Scott yield to a question? Senator Scott, it is my impression that the funding for this is in the compromise version of the budget. Is that correct?"

Senator Scott: "That is my understanding too, Senator."

Senator Goltz: Then I guess I would ask you, is there any useful purpose in passing his bill at all? Could you tell me what the useful purpose is?"

Senator Scott: "I don't want to ruin my reputation for being up front on everything. Right now I don't know which way we arranged it mechanically and I want to be covered."

Senator Goltz: "Senator Scott, if we were to defeat this amendment and pass the bill, we would then have in place another plan for handling the border law enforcement funding mechanism through the liquor tax. Is that correct?"

Senator Scott: "If I get the drift of your logic, we had best not do it that way."

Senator Goltz: "I didn't say it was best but I was saying what the result would be."

POINT OF INQUIRY

Senator Charnley: "Would Senator Goltz yield to a question? This is a question that has been before the Local Government Committee in the past. Senator Zimmerman and I when chairmen in the House tried to deal with it. I came in a little late on your discussion with Senator Scott but could you tell me why in Whatcom County that is only being used in Point Roberts? You have other areas. You have Blaine, you have Sumas."

Senator Goltz: "I think you will notice that the amendment is written in such a way that it includes, it really adds Point Roberts for the first time as a part of Whatcom county because Point Roberts may have as much of a problem as does Sumas, for example, but this bill covers all of the ports of entry towns all the way from Point Roberts, which is not a town, to Eastern Washington and all of the towns which are within seven miles of the border have these really horrendous problems of law enforcement. It is traffic. They have a lot of criminals which flee from other parts of the country and try to get into Canada come to these ports of entry and sometimes stay in these towns for several days before they get across the border or are turned back at the border. We had a border patrolman killed at the Lynden crossing during the last year or so. They have captured a number of very hard criminals up along that border so the law enforcement officers and departments at Blaine, Sumas, Lynden, Oroville, and so on are all affected by this and it is a very good . . ."

Senator Charnley: "Senator Goltz, I understand all that and I totally support it, but why does this amendment say all the funds gathered by Whatcom County shall be spent within Point Roberts? That excludes Lynden and Blaine and the other areas of Whatcom County. Whatcom County, as you know well, has a long border."

Senator Goltz: "I will have to read that language, but the intent of the bill is not to have all the funds but the funds that go to the county government are . . ."

Senator Charnley: "I will ask Senator Scott."

POINT OF INQUIRY

Senator Charnley: "Senator Scott, would you yield to that question?"

Senator Scott: "Senator Charnley, I can read two excerpts from Section 2 of the amendment which I think will provide you with your answer. First, on line 11, more money is to be distributed on a formula developed by the Planning and Community Affairs Agency. Further down, on line 21, 'As used in this section, border area means any incorporated city or town located within seven miles of the Washington-Canadian border and any point of land on three sides of water adjacent to the Canadian border,' and you are speaking of Point Roberts there, I presume; and in Section 3 on line 32, the appropriation is made, so that there is a formula worked out there on the basis of need."

Senator Charnley: "Are you saying then, Senator Scott, that this is providing for a particular fund or funding to Point Roberts but that the other communities of Whatcom County which border the Canadian border also receive the benefit of this legislation? That is what I am concerned about."

REMARKS BY SENATOR GOLTZ

Senator Goltz: "I do know the answer now that I read the bill. The answer is that the moneys received by Whatcom County as a governmental entity will all be expended to provide the service at Point Roberts. That is under the jurisdiction of

Whatcom County. All the other moneys that are received by the border towns, including those in Whatcom County, will be under the jurisdiction of the towns and not the county.

Senator Charnley: "Thank you very much."

POINT OF INQUIRY

Senator Wilson: "Will Senator Scott yield? There has been a lot of talk here about Whatcom County and I just want to make sure that towns such as Oroville and Northport and others in the more civilized areas of the state will also qualify for these funds."

Senator Scott: "Amen."

The motion by Senator Scott carried and the committee amendment was adopted.

On motion of Senator Scott, the committee amendment to the title was adopted.

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the Point of Order raised by Senator Pullen, the President finds that Second Substitute House Bill 246 is a measure which has as its sole purpose the increasing of revenue available for the operation of the criminal justice commission.

"The amendment proposed by Senator Bottiger and others increases the license fee for concealed weapons and imposes a fee on the purchase of a pistol which additional revenues are designated for general fund use.

"The President therefore finds that the proposed amendment does expand the scope and object of the bill and that the Point of Order is well taken."

The amendment by Senator Bottiger and others was ruled out of order.

On motion of Senator Scott, the rules were suspended, Second Substitute House Bill No. 246 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

SPECIAL ORDER OF BUSINESS
SECOND READING

SUBSTITUTE HOUSE BILL NO. 116, by House Committee on Natural Resources and Environmental Affairs (originally sponsored by Representatives Schmitt, Thompson, Rosbach, Owen and Mitchell) (by Department of Game request):

Revising game fees.

On page 7, line 14, after "display," strike "deal commercially in steelhead trout;"

Reletter remaining subsection accordingly.

On page 15, line 27, strike all of subsection (5). Renumber remaining subsection.

The fee for this tag is ((eleven)) one hundred fifty dollars for residents and ((forty-two)) three hundred dollars for non-residents, and shall be paid at the time of application. Applicants who are not granted a mountain sheep tax shall receive a refund of this fee, less five dollars. These tags are not transferable."

MOTION FOR RECONSIDERATION

Having voted on the prevailing side, Senator Metcalf moved the Senate reconsider the vote by which the amendment by Senator Goltz was adopted.

POINT OF INQUIRY

Senator Metcalf: "Senator Goltz, would you yield to a question? What is the effect of your amendment in changing the fees?"

Senator Goltz: "This is the same amendment that was in Senate Bill 3884, and what this does, it substantially raises the fee for a very small game animal number. That is the mountain sheep. There are only about 32 of these tags issued. They are very highly prized trophy animals. These are the trophy sheep, not food animals, and what this does, it substantially raises this and in some respects provides revenue for the department. About four thousand dollars is raised in this form because they spend quite a bit of money trying to keep these sheep on the mountains."

Senator Metcalf: "And what are the fees now and what are you raising them to, Senator?"

Senator Goltz: "The fees now are eleven dollars and this would raise them to one hundred and fifty for a resident and forty-two dollars now for a nonresident, it

would go to three hundred. And these fees are very, very low compared to the hunting licenses for these similar animals in other jurisdictions."

Senator Metcalf: "Thank you, Senator Goltz."

The motion for reconsideration by Senator Metcalf failed.

Senator Rasmussen moved adoption of the following amendment:

On page 11, line 2, strike new section 16.

MOTION

Senator McDermott moved the rules be suspended and Substitute House Bill No. 116, as amended by the Senate, be returned to second reading.

PARLIAMENTARY INQUIRY

Senator Clarke: "The suspension of the rules would require a two-thirds vote?"

REPLY BY THE PRESIDENT

President Cherberg: "Not at this time, Senator. We are in the last ten days. It would require a majority vote."

Senator Clarke: "To return from third reading to second?"

President Cherberg: "The President believes that that ruling is correct, Senator, inasmuch as a bill may be advanced by a simple majority. The President believes that that also applies to returning it to second reading."

Senator McDermott demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on the motion by Senator McDermott that the rules be suspended and Substitute House Bill No. 116, as amended by the Senate, be returned to second reading.

Debate ensued.

Senator Clarke moved the motion by Senator McDermott be laid upon the table.

POINT OF INQUIRY

Senator Ridder: "Point of information, I was wondering if this is going to be the general procedure then with tax bills. If the House okays them, we are to catch them on the fly and not have public hearings?"

Senator Scott: "Senator, it will depend on how bad the public needs the bill."

Senator Ridder: "Depend on how badly they need a general tax that you said we would not have."

Senator Scott: "This bill calls for a referendum and I guess they will make up their minds as to whether they want it or not."

Debate ensued.

POINT OF INQUIRY

Senator Bottiger: "Would Senator Patterson yield to a question please? Senator Patterson, in the 'bare bones' budget that we already passed there was fifty-one million dollars in state subsidy to the ferry system. What I am after is a, as best you can because I have been having trouble from others getting an answer to this question, the fifty-one million was in the bare bones budget. The original version in the State Patrol funding thing was an additional thirty-one million. Where are we now? How much more, without this amendment, are we putting into ferry subsidy?"

Senator Patterson: "Without this amendment you would be reducing the addendum budget that will be coming behind by eight point three million dollars. The variable gas tax, if you take the sixteen cent lid, there will be a ferry subsidy of the magnitude of seven point one million."

Senator Bottiger: "So over the fifty-one, if we adopt this amendment there is still an additional seven and if we don't adopt the amendment there is an additional fifteen?"

Senator Patterson: "Right. In other words, there are two portions of this bill. The first portion is the variable gas tax update which generates, as I recall, around seven million dollars. This, on the registration fee, that share of the registration fee increase will provide an eight point three million dollar subsidy to the ferries for a total of roughly fifteen plus million dollars."

Further debate ensued.

On page 12, after line 20, insert:

Sec. 10. Section 46.68.120, chapter 12, Laws of 1961 as last amended by section 44, chapter 87, Laws of 1980 and RCW 46.68.120 are each amended to read as follows:

Funds to be paid to the counties of the state shall be subject to deduction and distribution as follows:

(1) One and one-half percent of such sums shall be deducted monthly as such sums accrue and set aside for the use of the department of transportation and the county road administration board for the supervision of work and expenditures of such counties on the county roads thereof, including the supervision and administration of federal-aid programs for which the transportation commission has responsibility: PROVIDED, That any moneys so retained and not expended shall be credited in the succeeding biennium to the counties in proportion to deductions herein made;

(2) All sums required to be repaid to counties composed entirely of islands shall be deducted;

(3) The balance remaining to the credit of counties after such deductions shall be paid to the several counties monthly, as such funds accrue, upon the basis of the following formula:

(a) Ten percent of such ((sum)) balance shall be divided equally among the several counties.

~~(b) ((Thirty percent shall be paid to each county in direct proportion that the sum of the total number of private automobiles and trucks licensed by registered owners residing in unincorporated areas and seven percent of the number of private automobiles and trucks licensed by registered owners residing in incorporated areas within each county bears to the total of such sums for all counties. The number of registered vehicles so used shall be as certified by the director of licensing for the year next preceding the date of calculation of the allocation amounts. The director of licensing shall first supply such information not later than the fifteenth day of February, 1956, and on the fifteenth of February each two years thereafter.~~

~~(c) Thirty percent shall be paid to each county in direct proportion that the product of the county's trunk highway mileage and its prorated estimated annual cost per trunk mile as provided in subsection (c) is to the sum of such products for all counties. County trunk highways are defined as county roads regularly used by school buses and/or rural free delivery mail carriers of the United States post office department, but not foot carriers. Determination of the number of miles of county roads used in each county by school buses shall be based solely upon information supplied by the superintendent of public instruction who shall on October 1, 1955, and on October 1st of each odd-numbered year thereafter furnish the transportation commission with a map of each county upon which is indicated the county roads used by school buses at the close of the preceding school year, together with a detailed statement showing the total number of miles of county highway over which school buses operated in each county during such year. Determination of the number of miles of county roads used in each county by rural mail carriers on routes serviced by vehicles during the year shall be based solely upon information supplied by the United States postal department as of January 1st of the even-numbered years.~~

~~(d) Thirty percent of such sum shall be paid to each of the several counties in the direct proportion that the product of the trunk highway mileage of the county and its "money need factor" as defined in subsection (f) is to the total of such products for all counties.~~

~~(e) Every four years, beginning with the 1958 allocation, the transportation commission and the legislative transportation committee shall reexamine or cause to be reexamined all the factors on which the estimated annual costs per trunk mile for the several counties have been based and shall make such adjustments as may be necessary. The following formula shall be used. One twenty-fifth of the estimated total county road replacement cost, plus the total annual maintenance cost, divided by the total miles of county road in such county, and multiplied by the result obtained from dividing the total miles of county road in said county by the total trunk road mileage in said county. For the purpose of allocating funds from the motor vehicle fund, a county road shall be defined as one established as such by resolution or order of establishment of the county legislative authority.~~

~~(f) The "money need factor" for each of the several counties shall be the difference between the prorated estimated annual costs as provided for in subsection (e) of this subsection and the sum of the following three amounts divided by the county trunk highway mileage:~~

~~(1) The equivalent of a two dollar and twenty-five cents per thousand dollars of assessed value tax levy on the valuation, as equalized by the state department of revenue for state purposes, of all taxable property in the county road districts;~~

~~(2) One-fourth the sum of all funds received by the county from the federal forest reserve fund during the two calendar years next preceding the date of the adjustment of the allocation amounts as certified by the state treasurer; and~~

~~(3) One-half the sum of motor vehicle license fees and motor vehicle fuel tax refunded to the county during the two calendar years next preceding the date of the adjustment of the allocation amounts as provided in RCW 46.68.080. These shall be as supplied to the transportation commission by the state treasurer for that purpose. The department of revenue and the state treasurer shall supply the information herein requested on or before January 1, 1956, and on said date each two years thereafter.~~

The following formula shall be used for the purpose of obtaining the "money need factor" of the several counties: The prorated estimated annual cost per trunk mile multiplied by the trunk miles will equal the total need of the individual county. The total need minus the sum of the three resources set forth in subsection (f) shall equal the net need. The net need of the individual county divided by the total net needs for all counties shall equal the "money need factor" for that county.

~~(g) The transportation commission shall adjust the allocations of the several counties on March 1st of every even-numbered year based solely upon the sources of information hereinbefore required. PROVIDED, That the total allocation factor composed of the sum of the four factors defined in subsections (a), (b), (c), and (d) shall be held to a level not more than five percent above or five percent below the total allocation factor in use during the previous two year period.~~

~~(h) The transportation commission and the legislative transportation committee shall relog or cause to be relogged the total road mileages upon which the prorated estimated annual costs per trunk mile are based and shall recalculate such costs on the basis of such relogging and shall report their findings and recommendations to the legislature at its next regular session during an odd-numbered year.~~

~~(i) The transportation commission and the legislative transportation committee shall study and report their findings and recommendations to the legislature concerning the following problems as they affect the allocation of "motor vehicle fund" funds to counties:~~

~~(1) Comparative costs per trunk mile based on federal aid contracts versus those herein advocated;~~

~~(2) Average costs per trunk mile;~~

~~(3) The advisability of using either "trunk mileage" or "county road" mileage exclusively as the criterion instead of both as in this plan adopted;~~

~~(4) Reassessment of bridge costs based on current information and relogging of bridges;~~

~~(5) The items in the list of resources used in determining the "need factor";~~

~~(6) The development of a uniform accounting system for counties with regard to road and bridge construction and maintenance costs;~~

~~(7) A redefinition of rural and urban vehicles which better reflects the use of said vehicles on county roads.)) Ten percent of such balance shall be divided among the several counties in direct proportion that the total land area of each county bears to the sum of the total land areas of all counties.~~

(c) Forty percent of such balance shall be divided among the several counties in direct proportion that the population of the unincorporated area of each county bears to the sum of the populations of the unincorporated areas of all counties. The population so used shall be as certified by the director of financial management as of April 11 of each even-numbered year. The director shall supply this information not later than August 1 of each even-numbered year.

(d) Forty percent of such balance shall be divided among the several counties in direct proportion that the total county road miles in each county bears to the sum of the total county road miles in all counties. The mileages so used shall be as shown in

the county road log as maintained by the department of transportation as of April 1 of each even-numbered year.

(4) The secretary of transportation shall compute the allocation percentage of the several counties no later than September 1 of every even-numbered year in accordance with subsections (3)(a) through (d) of this section. The secretary of transportation shall, as necessary, compute annually, on or before September 1st, adjusted allocation percentages so that each county's actual allocation percentage for the succeeding year does not vary by more than ten percent from its actual allocation percentage of the previous year. Immediately upon computation of the actual allocation percentages, the secretary of transportation shall inform each of the counties and the state treasurer of the actual allocation percentages to be used in the computation of the counties' fuel tax allocation for the succeeding calendar year.

(5) The state treasurer shall adjust the fuel tax allocation of each county on January 1st of every year based solely upon the information provided by the secretary of transportation under subsection (4) of this section."

POINT OF INQUIRY

Senator Patterson: "Mr. President and members, Senator Bottiger, momentarily I just wanted to double check. Is this your amendment that would change the distribution of the county gas tax revenues?"

Senator Bottiger: "Yes, Senator. Now it doesn't—I want to make sure that you and I are — it doesn't change how much the counties get in total. It doesn't change the cities' share or the state's share. It takes the counties' share as we currently have it in the formula and it applies to the distribution amongst counties of that amount of money. They should have talked to you or somebody on your committee."

Senator Patterson: "Unfortunately I have not had an opportunity to really take a look at this. It is a major change. I think you would recognize that."

Senator Bottiger: "I understand that, Senator, and I presume"

Senator Patterson: "I reluctantly, really reluctantly I have to object to it, not having had an opportunity to see what the impact would be statewide. We haven't had a hearing on it and"

Senator Bottiger: "Mr. President, if they haven't done their job I am not about to do it for them and, Senator Patterson, if you could arrange to have this included in the study resolution and make them do their own job, I am not going to do any more than offer the amendment."

Senator Patterson: "I would certainly be supportive of that and I think we will make a mental note to include this distribution formula in the study resolution."

Senator Bottiger: "Mr. President, with that assurance I withdraw the amendment."

There being no objection, on motion of Senator Bottiger, the amendment was withdrawn.

Senator Zimmerman moved adoption of the following amendment by Senators Zimmerman and Bottiger:

On page 12, line 20, after "fund" insert ": PROVIDED, That seven cents from each vehicle license fee and each renewal license fee shall be paid into the state general fund to be deposited by the state treasurer in an account in the state general fund to be known as the sheriffs and police chiefs account, hereby created, funds from which shall be appropriated exclusively for the Washington association of sheriffs and police chiefs as recognized under chapter 36.28A RCW, and audited as a unit of municipal government, to assure funds are expended only for improving law enforcement through professional training, loaned executives programs, upgrading standards. Such funds are not to be used for social, fraternal, public relations or lobbying activities."

POINT OF ORDER

Senator von Reichbauer: "I question the scope and object of the amendment that Senator Zimmerman has added to Substitute Senate Bill 4283.

"Mr. President and members of the Senate, Substitute Senate Bill 4283 is an act relating to transportation taxation whereas the amendment offered by Senators Zimmerman and Bottiger deals with the area of law enforcement and broadens the scope and object of the original intention of this bill."

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the Point of Order raised by Senator von Reichbauer, the President finds that Substitute Senate Bill No. 4283 is a measure which modifies the state's variable fuel tax and vehicle licensing fee and further deals with the allocation of such fee.

"The amendment proposed by Senators Zimmerman and Bottiger also deals with the allocation of the vehicle license fee.

"The President therefore finds that the proposed amendment does not expand the scope and object of the bill and that the Point of Order is not well taken."

The amendment by Senators Zimmerman and Bottiger was ruled in order.

Debate ensued.

Senator Scott moved adoption of the following amendment to the amendment by Senators Zimmerman and Bottiger:

On line 1 of the amendment strike "seven cents from" and insert "ten cents shall be added to"

Senator Ridder demanded a roll call and the demand was sustained.

REMARKS BY SENATOR PATTERSON

Senator Patterson: "Speaking to the oral amendment, I want a clear understanding. As I read the amendment, it would provide for ten cents on each license, that will be the annual license fee, and each renewal. So what we are talking about is ending up with a total of twenty cents, depending on the number of renewals. It is ten on each. Do I read that correctly? It is on page 12, line 20."

REMARKS BY SENATOR BOTTIGER

Senator Bottiger: "Mr. President, as I understand it, perhaps — Senator Zimmerman actually drafted the amendment, the effect of these bills is going to take the nine dollar and sixty cent basic fee to nineteen dollars and twenty cents. The amendment will add another ten cents so it will be nineteen dollars and thirty cents per year on each vehicle."

POINT OF INFORMATION

Senator Patterson: "Senator Bottiger, I read it this way. You see, you have each license fee and then you have a renewal. There are two different — one is your original license fee and then you have a renewal fee, so I see it as the total collection involved would be twenty cents when you put the two together.

POINT OF INQUIRY

Senator Patterson: "And then my next question would be, does anyone have any idea what the fiscal impact would be? How much money would be generated?"

Senator Zimmerman: "To Senator Patterson's request, that question, yes, that is the purpose of citing that figure and that is the fact that out of a fifty-three million dollar total gross figure that will be brought in by this proposal, as you have it

before you, this particular amendment will provide two hundred and forty thousand dollars for the purpose of this association. It seems to me that that is a small part of that big a package and consequently is, to my mind, a valid and reasonable proposal. Now the way it is written at the present time it will not impact the fifty-three million. It will be added on to it, but it would be that amount of money and that is a conservative figure. For that reason I hope that we can adopt this. As far as that matter of each and each, I would assume just the ten cents alone. If your supposition is correct, I am assuming then we would raise twice that much."

Senator Patterson: ". . . renewals and the number of originals, you have that."

Senator Zimmerman: "We checked with the Department of Licensing on the number. I asked for the numbers and also from the transportation . . ."

Senator Patterson: "The Department of Licensing did give you what—this kind of a fee. Did they tell you that it would be assessed ten cents on two different kinds, a renewal and then the original?"

Senator Zimmerman: "No, that part I am sorry I did not get. But I am of the nature that we got the figures from them as to how much would be raised. I was assuming that if you got a new one you did not get a renewal. I wasn't that clear on how you purchase this."

REMARKS BY SENATOR BOTTIGER

Senator Bottiger: "Mr. President, either I have been escaping the law and not paying my share of taxes or Senator Patterson has been paying too much. When I buy a car I get a new license and once a year I have to pay a renewal, so I think it is once a year unless somehow I have been beating the system."

Further debate ensued.

The President declared the question before the Senate to be the roll call on the amendment by Senator Scott to the amendment by Senators Zimmerman and Bottiger.

ROLL CALL

The Secretary called the roll and the amendment to the amendment was not adopted by the following vote: Yeas, 15; nays, 34.

In addition to any other authority now provided by law, and subject only to constitutional limitations, the governing body of any municipality shall be authorized to acquire, construct, operate, and maintain a public transportation system and additions and betterments thereto, and to issue general obligation bonds for public mass transportation capital purposes including but not limited to replacement of equipment: PROVIDED, That the general indebtedness incurred under this section

when considered together with all the other outstanding general indebtedness of the municipality shall not exceed the amounts of indebtedness authorized by chapter 39.36 RCW and chapter 35.58 RCW, as now or hereafter amended, to be incurred without and with the assent of the voters.

Upon July 1, 1975, any such municipality is authorized to pledge that the taxes authorized, levied and collected to pay or secure the payment of any bonds issued after July 1, 1975, for authorized public transportation purposes shall continue to be levied, collected and applied until such bonds shall have been paid or sufficient funds for such payment shall have been duly provided and irrevocably set aside by the issuer for such payment. Sec. 13. Section 14, chapter 255, Laws of 1969 ex. sess. as amended by section 3, chapter 175, Laws of 1979 ex. sess. and RCW 35.58.279 are each amended to read as follows:

All taxes levied and collected under RCW 35.58.273 shall be credited to a special fund in the treasury of the municipality imposing such tax. Such taxes shall be levied and used solely for the purpose of paying all or any part of the cost of acquiring, constructing, equipping or operating a publicly owned mass transportation system, or contracting for the services thereof, or to pay or secure the payment of all or part of the principal of or interest on any general obligation bonds or revenue bonds issued for public transportation capital purposes and until withdrawn for use, the moneys accumulated in such fund or funds may be invested by the treasurer of such municipality in the manner authorized by the legislative body of the municipality.

If any of the revenue from any such special excise tax shall have been pledged by any municipality to secure the payment of any bonds as herein authorized, then as long as that pledge shall be in effect the legislature shall not withdraw from the municipality the authority to levy and collect the tax. After August 11, 1969, any municipality is authorized to pledge that the tax authorized by RCW 35.58.273 shall be levied, collected and applied as provided by law to pay or secure the payment of any bonds issued by such municipality after such date ~~((but before May 14, 1979.))~~ for authorized public transportation purposes.

NEW SECTION. Sec. 14. There is added to chapter 35.58 RCW a new section to read as follows:

A metropolitan municipal corporation shall have the power to borrow money and issue short-term obligations as provided herein. "Short-term obligations" are warrants, notes, or other evidences of indebtedness except bonds and mature in not to exceed three years from the date thereof.

Short-term obligations may be issued for any lawful purpose of the metropolitan municipal corporation and may be repaid from taxes, special assessments, revenues, grants, or proceeds of general obligation bonds, revenue bonds, loans or other short-term obligations, or from any combination thereof of such sources. Short-term obligations may be issued with such terms, conditions, and covenants and may be

sold in such manner, at public or private sale, at such price or prices, and at such rate or rates of interest as the metropolitan council shall deem to be for the best interests of the metropolitan municipal corporation.

The metropolitan council may make contracts for the future sale from time to time of short-term obligations by which the purchasers shall be committed to purchase such short-term obligations from time to time on the terms and conditions stated in such contract, and shall have power to pay such consideration as it shall deem proper for such commitments. Short-term obligations issued pursuant to such contracts shall mature no later than three years after the date of the contract.

Short-term obligations issued to refund or pay other short-term obligations shall mature no later than three years after the date of issue of the first obligation to be so refunded or paid.

Sec. 15. Section 2, chapter 296, Laws of 1971 ex. sess. as last amended by section 1, chapter 163, Laws of 1980 and RCW 82.14.045 are each amended to read as follows:

(3) Any local sales and use tax revenue collected pursuant to this section by any city or by any county for transportation purposes pursuant to RCW 36.57.100 and 36.57.110 shall not be counted as locally generated tax revenues for the purposes of apportionment and distribution, in the manner prescribed by chapter 82.44 RCW, as now or hereafter amended, of the proceeds of the motor vehicle excise tax authorized pursuant to RCW 35.58.273, as now or hereafter amended."

Renumber the sections following consecutively, and correct internal references accordingly.

POINT OF ORDER

Senator Guess: "Mr. President, I reluctantly rise to raise the point of scope and object on the amendment and I would like to speak to that."

"Mr. President, the people from METRO came down here and they asked that we increase the amount of the excise tax from one percent to one and one-half percent so that they could get more money. They also have said that they want to use this money to buy capital equipment with. That is the reason they want to bond it. All right. What happens is that exactly in 1965 when I filibustered the METRO bill in the first place."

Debate ensued.

At 4:30 p.m., the Senate was declared to be at ease.

The President called the Senate to order at 4:37 p.m.

Senator Peterson moved adoption of the following amendment:

On page 11, line 21, after "facilities" insert "which shall be clearly identified."

POINT OF INQUIRY

Senator Talley: "Will Senator Gallagher yield please? Does the bill still require that if a man wants to take his boat out he has to pay five dollars if he is not going fishing?"

Senator Gallagher: "If he has a license to hunt and fish he doesn't have to pay that extra fee."

Senator Talley: "If he doesn't have the license to hunt and fish he can't take his boat down on a public ramp. Is that correct?"

Senator Gallagher: "Well, it is the Game Department property ramp. He would have to have that . . ."

Senator Talley: "What do you mean, the Game Department? It is a public ramp, isn't it?"

Senator Gallagher: "I don't know which one you are talking about, Senator. If it belongs to the Game Department he would have to have that. If he is hunting or fishing on a lake he would automatically have that if he is a licensed hunter or fisherman."

Senator Talley: "I thought the Game Department was part of the state of Washington. It is a department by itself now and they can charge whatever fee they want to to come on their land and use their land. Is that what you are telling me?"

Senator Gallagher: "If they are a hunter or a fisherman and have a license, they have automatic privileges on those lands."

Senator Talley: "If a man has a small sailboat and he wants to take it out on the river he can't use your ramp to put it in the water?"

Senator Gallagher: "If it is a Game Department ramp, no."

Senator Talley: "What is the Game Department? Isn't that part of the state of Washington?"

Senator Gallagher: "They have ramps for hunting and fishing. I think what you are probably referring to are many of the other ramps in the county and so forth that are used for other purposes and not particularly Game Department ramps."

The motion by Senator Peterson carried and the amendment was adopted.

On motion of Senator Clarke, the rules were suspended, Substitute House Bill No. 116, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

On motion of Senator Clarke, the rules were suspended, Engrossed Substitute House Bill No. 484, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Talmadge: "Would Senator Scott yield to a couple of questions? Senator, in the earlier remarks I made with respect to this bill, I guess I still have those concerns. I have been able to track down Second Substitute House Bill 1239 from the 1979 session and that permitted a six year imposition of an ad valorem property tax for emergency medical services which included related personnel costs, training for such personnel and related equipment, supplies, vehicles and structures needed for the provision of emergency care or emergency medical services. Could you please indicate why we need to go to this particular bill if we have already enacted Substitute House Bill 1239 from 1979?"

Senator Scott: "I think there are two reasons, Senator. The use of the number 911 and the number of emergencies that are called in beyond what was ever anticipated. It seems to me that the figure—well, there are over 20,000 calls a month coming in to the joint King County—City of Seattle police offices on the 911 service.

"The second reason is that there is new and more exotic ways of taking care of emergencies. For instance, the system that allows, when the individual calls he doesn't even have to identify his location. The equipment picks it up and zeros in on the direction. If the individual is on the verge of passing out or bleeding to death or

whatever the emergency is, so more than being the system that exists in a very limited and beginning way, this is an enhanced and inclusive electronic system that they are anticipating.

"And thirdly, I would have to say that this is to be done by local government. It is to be authorized only after referendum and it does not necessarily mean fifty cents."

Senator Talmadge: "Senator Scott, the ad valorem property taxes was provided for here would not be sufficient to fund the service that you are talking about?"

Senator Scott: "Not in the mind's eye of those that are conceiving the service and I guess it would be up to the county councils and the voters to decide whether they want an enhanced system or not."

Senator Talmadge: "One last question. You and I both represent districts in the city of Seattle. What would be the arrangement, for example, between King County and the City of Seattle with respect to the people in the city of Seattle who are already paying for 911 system, I think in the nature of the one you are describing?"

Senator Scott: "I can't answer that, Senator, because the county council hasn't suggested the referendum, but I am sure that they are as sensitive as you and I are to the possibility of an unequal imposition on the citizens of the city of Seattle proper as opposed to whatever levy might be asked of the citizens of King County and they are going to adjust accordingly."

Debate ensued.

POINT OF INQUIRY

Senator Woody: "Senator McDermott, I am explaining the passage of this bill through the House and I wanted to address a question to you since you are a member of the Senate Ways and Means Committee. It is my understanding that the House had no public hearing on this proposal in this form and my question to you, sir, is, to your knowledge was there ever a public hearing on this measure in the Senate?"

Senator McDermott: "There was no public hearing on House Bill 484 in the Senate."

Further debate ensued.

POINT OF INQUIRY

Senator Hurley: "Would Senator Craswell respond to a question please? Senator Craswell, you have mentioned how this will operate in King County and I don't think anybody has mentioned how it might operate in Spokane County, and I wonder if it relates only to King?"

Senator Craswell: "No, Senator Hurley, it doesn't relate only to King, but it would not relate to any other county unless that county decided to give their people a chance to vote for it and the people, by a sixty percent majority, approved it. Then they could also look at a 911 service through this type of taxation. I assume the same enhanced service is available in other cities, but it certainly would be up to the legislative authority and a sixty percent vote of the people."

Senator Hurley: "Just one further question, I guess. If our cities then implement a system such as this and the counties also by their vote approve of this type of system, would the cities not be taxed with this extra charge on the telephones and would that relate only to the telephones in the county?"

Senator Craswell: "I assume, Senator Hurley, that would have to be an arrangement worked out between the county and the city and spoken to before it even goes on the ballot."

POINT OF INQUIRY

Senator Ridder: "Will Senator Craswell yield? Your comments to Senator Hurley, and I believe I am quoting you correctly when you said that no, it would not apply to any other county than King County unless their county administration decided to have a vote on that. At that point the implication is that King County doesn't have to have a vote on it."

Senator Craswell: "I am sorry if I gave that implication. I certainly did not mean to, Senator Ridder. All I am saying is that any county, if this bill passes, any county can put it to a vote but they don't have to put it to a vote."

Senator Ridder: "And I appreciate your concern for those of us who live in King County. How do the people of Kitsap County feel about it?"

Senator Craswell: "I have never taken a poll in Kitsap County."

Senator Ridder: "But you have in King County?"

Senator Craswell: "I haven't, no. I just heard of a poll in King County."

Senator Ridder: "I see. Well, I haven't seen results of that and since we didn't have a public hearing on the bill in Ways and Means, I am a little bit at a loss. Other than those from the county administration saying it would be nice to have it, I have seen no polling or heard no public testimony on it."

Further debate ensued.

NEW SECTION. Sec. 133. Any portion of a state fund appropriation for the specific purpose of matching federal funds which is not required to qualify for federal funds shall lapse at the end of the respective fiscal year. This section does not apply to the department of social and health services.

NEW SECTION. Sec. 134. To obtain maximum interagency use of aircraft, the aeronautics division in the department of transportation, in accordance with chapter 39.34 RCW, is hereby authorized to lease, purchase, or otherwise acquire suitable aircraft which shall be utilized for the purposes of the department of transportation and also by other state agencies which have a need for an aircraft to carry out agency assigned responsibilities: **PROVIDED**, That the department of transportation is further authorized to enter into contractual agreements with other state agencies in order to acquire aircraft, establish rental rates for aircraft under their control, provide pilot services, aircraft maintenance, and make such other provisions as necessary to provide aircraft and related services for multi-agency use: **PROVIDED FURTHER**, That in order to achieve economy in the use of the appropriations contained within this act, no state agency may purchase or otherwise acquire an aircraft or enter into a flying service or aircraft rental contract without first

seeking such service from the department of transportation and without prior approval of the director of financial management.

NEW SECTION. Sec. 135. Unless prohibited by federal law, the receipt of federal or other funds which are not anticipated in the appropriation bill enacted by the legislature shall be used to support regular programs instead of using funds appropriated from state taxes or similar revenue sources. The portion of a state fund appropriation which is replaced by federal or other receipts shall lapse. This section does not apply to the department of social and health services.

Allotments may be revised as provided in RCW 43.88.110, but the portion of an appropriation which has been initially allotted for the first fiscal year shall lapse at the end of the first fiscal year.

(2) This section does not apply to allotments for agencies headed by elective officials.

(2) "Lapse" means the termination of authority to spend an appropriation or portion of an appropriation.

(3) "FTE" means full time equivalent. FTE staff years specified in this act shall not be exceeded except with the written authorization of the director of financial management. The director of financial management shall grant authority to exceed specified FTE staff years only in cases of severe unanticipated need and shall report each authorization to the legislative budget committee, the legislative evaluation and accountability program committee, and the committees on ways and means of the senate and house of representatives.

NEW SECTION. Sec. 139. Any rate increases proposed for the legal services revolving fund or the general administration facilities and services revolving fund, or any change in the method of calculating changes from those funds, shall be subject to approval by the director of financial management prior to implementation.

NEW SECTION. Sec. 140. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 141. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

VITO T. CHIECHI, Chief Clerk.

MOTION

Senator Scott moved the Senate concur in the House amendments to Engrossed Substitute Senate Bill No. 3636.

POINT OF INQUIRY

Senator Goltz: "I was referring, Senator Scott, to page 48 regarding the border town provision and it appears that the language that is in here is not consistent with the bill in that it does not include any reference to the Point Roberts problem so I would appreciate if it you could have the understanding that the bill will pass and this can be struck."

Senator Scott: "I certainly will, Senator Goltz. It is our intention to get the job done."

Further debate ensued.

POINT OF INQUIRY

Senator Lee: "I have a couple of questions and I wonder if Senator Scott would yield to a question. This budget is in excess of ten billion dollars and has a lot of pages, has one hundred pages in length, but with these many billions of dollars, what legislative intent would guide, that might not actually appear in this document itself, guide the Governor and agencies beyond the conditions and limitations that are set forth in this appropriations act?"

Senator Scott: "Senator Lee, the intent beyond that set forth in the appropriation act will be reflected in the budget notes set forth in the Legislative Report and the supplemental documentation principally found in the LEAP data bases. It should be noted that some very critical addenda are the LEAP documents cited in the K-12 salary section. This documentation is required to implement that salary increase."

Further debate ensued.

POINT OF INQUIRY

Senator Goltz: "Would Senator Scott yield to a question? I will indicate what the subject of the question is. On the floor during the passage of, I believe it was the tuition bill, you and Senator Patterson both made references to the way in which that tuition increase was tied to faculty salary increases and I am having some difficulty on page 8 deciphering exactly what the method of applying those increases is, and I want you to explain to me very briefly what those increases are and whether or not that pledge on the floor at the time of the tuition bill has been maintained by this budget."

Senator Scott: "I am delighted you asked, Senator Goltz, because it has. As we went into negotiations with the House, which went on for some fifteen hours, it proved that the most difficult portion was not K-12 or DSHS as one might expect but rather K-12 and specifically the additional money, some thirty million dollars raised by the higher tuition levels that was made available to higher education to maintain current quality level. What you see there is a change in language but not a change in significant dollar level. There is set aside a merit pool of twelve percent which can be given at any time, and I think schools will want to give it as soon as possible after the first of July, that is equivalent to the amounts that originally appeared in the Senate budget of an additional three point two percent increase each

year of the biennium for the faculty of all the educational institutions across the state.

"In addition to that, set aside in a separate subsection you will find two point seven million dollars to do the same thing for TAs and RAs who have traditionally gotten their money after faculty have gotten their raises and only gotten about two-thirds as much. And you will also find an additional seven million dollars for a new major state loan program for students which will improve our leverage with the federal government by, as the feds say, improving local effort and create a loan pool for students that is in excess of thirty million dollars. This will offset the tuition increases that were validated by the House earlier today."

Senator Goltz: "I would like to ask just for the page reference, section reference of the merit pool. Is that on page 8, section 2(a) or is that something else?"

Senator Scott: "I think, Senator Goltz, what the difficulty you are having is recognizing the pool. The language is spread through pages 8 and 9. The money appears, twenty point four million dollars, appears as part of the appropriation for the respective institutions rather than as a separate line item. It has less visibility but exactly the same amount."

Further debate ensued.

Senator Ridder demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the motion by Senator Scott that the Senate concur in the House amendments to Engrossed Substitute Senate Bill No. 3636.

"NEW SECTION. Sec. 1. There is added to chapter 70.58 RCW a new section to read as follows:

A county coroner, medical examiner, or the prosecuting attorney having jurisdiction may issue a certificate of presumed death when the official issuing the certificate determines to the best of the official's knowledge and belief that there is sufficient circumstantial evidence to indicate that a person has in fact died in the county or in waters contiguous to the county as a result of an accident or natural disaster, such as a drowning, flood, earthquake, volcanic eruption, or similar occurrence, and that it is unlikely that the body will be recovered. The certificate shall recite, to the extent possible, the date, circumstances, and place of the death, and shall be the legally accepted fact of death.

In the event that the county in which the death occurred cannot be determined with certainty, the county coroner, medical examiner, or prosecuting attorney in the county in which the events occurred and in which the decedent was last known to be alive may issue a certificate of presumed death under this section.

The official issuing the certificate of presumed death shall file the certificate with the state registrar of vital statistics, and thereafter all persons and parties acting in good faith may rely thereon with acquittance.

VITO T. CHIECHI, Chief Clerk.

MOTION

Senator Sellar moved the Senate concur in the House amendments to Engrossed Senate Bill No. 3018.

POINT OF INQUIRY

Senator Bottiger: "Will Senator Sellar yield to a question? Senator, when this bill was before us before, there was a concern that the language of the act would give the state credit unions the same powers that federal credit unions had on the effective date of the act but that if the federal credit union powers were restricted, and we are talking about interest rate charges, the language of the act would not back the state credit unions back down to the new federal regulation. Are you satisfied that that is not the case?"

Senator Sellar: "Yes, I think it is. The federal regulations are due to phase out in October. Is that what we are talking about? Well, they would be on parity with that until that happens."

Senator Bottiger: "And then when it happened, would the state credit unions go — hypothetically they are currently at, I believe, twenty-one percent."

Senator Sellar: "That is correct."

Senator Bottiger: "If in October they were reduced to fifteen percent, would the state credit unions then go down to fifteen percent with them?"

Senator Sellar: "To my knowledge they would."

The motion by Senator Sellar carried and the Senate concurred in the House amendments to Engrossed Senate Bill No. 3018.

All such fees, when received by the energy office, shall be transmitted to the state treasurer, who shall act as custodian. The treasurer shall place the money in a special account which may be designated the "perpetual maintenance account." (1) The governor may subject to the definitions and limitations provided in this chapter:

(a) Upon finding that an energy supply alert exists within this state or any part thereof, declare a condition of energy supply alert; or

(b) Upon finding that an energy emergency exists within this state or any part thereof, declare a condition of energy emergency. A condition of energy emergency shall terminate thirty consecutive days after the declaration of such condition if the legislature is not in session at the time of such declaration and if the governor fails to convene the legislature pursuant to Article III, section 7 of the Constitution of the state of Washington within thirty consecutive days of such declaration. If the legislature is in session or convened, in accordance with this subsection, the duration of the condition of energy emergency shall be limited in accordance with subsection (3) of this section.

Upon the declaration of a condition of energy supply alert or energy emergency, the governor shall present to the committee any proposed plans for programs, controls, standards, and priorities for the production, allocation, and consumption of energy during any current or anticipated condition of energy emergency, any proposed plans for the suspension or modification of existing rules of the Washington Administrative Code, and any other relevant matters the governor deems desirable. The governor shall review any recommendations of the committee concerning such plans and matters.

The governor shall review the status of such plans annually with the house of representatives and senate standing committees on energy and utilities.

Upon the declaration of a condition of energy supply alert or energy emergency, the emergency powers as set forth in this chapter shall become effective only within the area described in the declaration.

(2) A condition of energy supply alert shall terminate ninety consecutive days after the declaration of such condition unless:

(a) Extended by the governor upon issuing a finding that the energy supply alert continues to exist, and with prior approval of such an extension by the committee; or

(b) Extended by the governor based on a declaration by the president of the United States of a national state of emergency in regard to energy supply; or

(c) Upon the request of the governor, extended by declaration of the legislature by concurrent resolution of a continuing energy supply alert.

In the event any such initial extension is implemented, the condition shall terminate one hundred and fifty consecutive days after the declaration of such condition. One or more subsequent extensions may be implemented through the extension procedures set forth in this subsection. In the event any such subsequent extension is implemented, the condition shall terminate sixty consecutive days after the implementation of such extension.

(3) A condition of energy emergency shall terminate forty-five consecutive days after the declaration of such condition unless:

(b) Extended by the governor based on a declaration by the president of the United States of a national state of emergency in regard to energy supply; or

(c) Upon the request of the governor, extended by declaration of the legislature by concurrent resolution of a continuing energy emergency.

In the event any such initial extension is implemented, the condition shall terminate ninety consecutive days after the declaration of such condition. One or more subsequent extensions may be implemented through the extension procedures set forth in this subsection. In the event any such subsequent extension is implemented, the condition shall terminate forty-five consecutive days after the implementation of such extension.

(4) A condition of energy supply alert or energy emergency shall cease to exist upon a declaration to that effect by either of the following: (a) The governor; or (b) the legislature, by concurrent resolution, if in regular or special session: PROVIDED, That the governor shall terminate a condition of energy supply alert or energy emergency when the energy supply situation upon which the declaration of a condition of energy supply alert or energy emergency was based no longer exists.

(5) In a condition of energy supply alert, the governor may, as deemed necessary to preserve and protect the public health, safety, and general welfare, and to minimize, to the fullest extent possible, the injurious economic, social, and environmental consequences of such energy supply alert, issue orders to: (a) Suspend or modify existing rules of the Washington Administrative Code of any state agency relating to the consumption of energy by such agency or to the production of energy, and (b) direct any state or local governmental agency to implement programs relating to the consumption of energy by the agency which have been developed by the governor or the agency and reviewed by the committee.

MESSAGE FROM THE HOUSE

April 20, 1981.

Mr. President: The House has passed: SUBSTITUTE SENATE BILL NO. 4360, with the following amendments:

On page 5, line 12, after "superintendent" insert "or the superintendent of public instruction"

On page 11, section 12, line 12, after "repealed" strike "as of January 1, 1982" and insert ": PROVIDED, That such repeals shall not affect the purposes of section 3(1) of this amendatory act and the RCW sections referred to therein shall be deemed operative solely for the purposes of said subsection", and the same is herewith transmitted.

VITO T. CHIECHI, Chief Clerk.

MOTION

Senator Kiskaddon moved the Senate concur in the House amendments to Substitute Senate Bill No. 4360.

POINT OF INQUIRY

Senator McDermott: "Senator Kiskaddon, I see on page 5, line 12, after 'superintendent' we have inserted 'the superintendent of public instruction.' Now somehow we've got the superintendent of public instruction now deciding at the local level, something about the number of students here. I wonder if you could explain to us why we are giving away more local control.

"The subsection says 'The total of high school districts maintenance and operation excess levy has been authorized and determined by the superintendent of public instruction to be allowable.'

"But it goes on further and suddenly the superintendent of public instruction is deciding at the local level. He decides how many will be enrolled in the school district the next year."

Senator Hayner: "Senator McDermott, the SPI office is always involved in making a determination as to the amount involved in this case, by the nonhigh districts paying the high school districts, for amounts over and above what the high school district gets for those students. In other words, what the high school district is spending on its students which it also gets from special levies."

POINT OF INQUIRY

Senator McDermott: "Senator Hayner, who resolves the dispute, or how do they resolve the dispute if the superintendent of the district and the superintendent of public instruction disagree?"

Senator Hayner: "Are you talking about the nonhigh districts?"

Senator McDermott: "Yes."

Senator Hayner: "Well, I don't think there is usually any dispute but the superintendent of public instruction has the authority, as I understand, to make the final decision, if there is a dispute."

Senator McDermott: "Well, it says, 'which the high school district superintendent has certified,' he is certifying the number of students who will be there the next year and if he certifies one thing and then, the amendment says 'or the superintendent of public instruction,' it sounds like the SPI could come in and certify a different figure. I just wondered"

Senator Hayner: "No, I do not think that deals with that. The problem is the amount that the high school district is asking the nonhigh district to pay."

Senator McDermott: "Well, you are satisfied, you have to live with this. I just wondered, it looks like you've got two people making a decision here."

Senator Hayner: "I do not think it is any problem."

REMARKS BY SENATOR HEMSTAD

Senator Hemstad: "Reading the act, the amendment is simply clarifying that which is spelled out in the prior section 4, Senator McDermott, and which, if there is a problem or dispute, the estimate shall be established by the superintendent of public instruction. It is merely making it, referring it back to the appropriate subsection 2 in section 4. It is entirely correct."

The motion by Senator Kiskaddon carried and the Senate concurred in the House amendments to Substitute Senate Bill No. 4360.

ROLL CALL

MESSAGE FROM THE HOUSE

Mr. President: The House has passed: SUBSTITUTE SENATE BILL NO. 3640, with the following amendment:

On page 2, after line 18 add a new section as follows:

"NEW SECTION. Sec. 5. This act shall terminate on June 30, 1985, unless extended by law. The legislative budget committee shall cause a performance audit to be conducted on the operation of this act. The final audit report shall be available to the legislature at least six months prior to the scheduled termination date. The audit shall include, but is not limited to, objective findings of fact, conclusions and recommendations as to continuation, modification, or termination of this act.", and the same is herewith transmitted.

MOTION

On motion of Senator Hemstad, the Senate concurred in the House amendments to Substitute Senate Bill No. 3640.

The President declared the question before the Senate to be the roll call on final passage of Substitute Senate Bill No. 3640, as amended by the House.

Debate ensued.

POINT OF INQUIRY

Senator Lysen: "Senator Hayner, this bill, I think it would be good to have some legislative history on it. And one question I would like to ask specifically, Senator Hayner, would this bill allow the attorney general to conduct criminal investigations with respect to the Washington Public Power Supply System, if information relating to improper behavior came to his attention?"

Senator Hayner: "I certainly believe that it would."

Senator Lysen: "Thank you. Also the ferry system or the ferry contract problems?"

Senator Hayner: "Yes, if any of these people would request or concur in the request to have him investigate."

Senator Lysen: "I am going to support this bill, based on that, those two concerns that I have been involved in for a number of years without any real response or any any ability to take responsibility and this is the reason I am supporting the bill."

POINT OF INQUIRY

Senator Rasmussen: "Senator Hayner, I am a little bit confused. You say that this bill would allow the attorney general to investigate graft and corruption only if they granted permission? I thought it gave him the powers to investigate graft and corruption wherever he found it without asking permission."

Senator Hayner: "No, that is not correct, Senator Rasmussen."

Senator Rasmussen: "Well then, Senator Lysen, if you have to ask the WPPSS for permission to . . ."

Senator Hayner: "Senator Rasmussen, you do not have to ask WPPSS. Either the prosecutor in the county has to request or concur with the fact that the attorney general should come in there and investigate the crime, or the governor may ask, or the advisory committee to the intelligence unit of the state patrol."

Senator Rasmussen: "Well now you, I have it straight. The people who he is going to investigate, he doesn't have to ask their permission. . . That is much better."

Further debate ensued.

POINT OF INQUIRY

Senator Goltz: "Senator Deccio, did you find that meeting of the police chiefs and sheriffs association a valuable meeting to attend where attorney general Eikenberry was speaking? Did it contribute?"

Senator Deccio: "My first reaction would be to say 'yes,' Senator Goltz, but I know you well enough if you've got something up your sleeve."

ROLL CALL

The Secretary called the roll on the final passage of Substitute Senate Bill No. 3640, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 27; nays, 20; absent or not voting, 1; excused, 1.

Voting yea: Senators Benitz, Bluechel, Clarke, Craswell, Deccio, Fuller, Gallagher, Gould, Guess, Haley, Hayner, Hemstad, Jones, Kiskaddon, Lee, Lysen, McCaslin, Metcalf, Newhouse, Patterson, Pullen, Quigg, Rasmussen, Scott, Sellar, von Reichbauer, Zimmerman—27.

Voting nay: Senators Bauer, Bottiger, Charnley, Conner, Fleming, Goltz, Hansen, Hughes, Hurley, McDermott, Moore, Peterson, Ridder, Shinpoch, Talmadge, Vognild, Williams, Wilson, Wojahn, Woody—20.

Absent or not voting: Senator Talley—1.

Excused: Senator Gaspard—1.

SUBSTITUTE SENATE BILL NO. 3640, as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MESSAGE FROM THE HOUSE

April 22, 1981

Mr. President: The House has passed REENGROSSED SUBSTITUTE SENATE BILL NO. 3797 with the following amendments:

Strike everything after the enacting clause and insert the following:

"Section 1. Section 43.52.370, chapter 8, Laws of 1965 as amended by section 7, chapter 184, Laws of 1977 ex. sess. and RCW 43.52.370 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, the management and control of an operating agency shall be vested in a board of directors, herein sometimes referred to as the board. The legislative body of each member of an operating agency shall appoint a representative who may, at the discretion of the member and regardless of any charter or other provision to the contrary, be an officer or employee of the member, to serve on the board of the operating agency. Each representative shall have one vote and shall have, in addition thereto, one vote for each block of electric energy equal to ten percent of the total energy generated by the agency during the preceding year purchased by the member represented by such representative. Each member may appoint an alternative representative to serve in the absence or disability of its representative. Each representative shall serve at the pleasure of the member. The board of an operating agency shall elect from its members a president, vice president and secretary, who shall serve at the pleasure of the board. The president and secretary shall perform the same duties with respect to the operating agency as are provided by law for the president and secretary, respectively, of public utility districts, and such other duties as may be provided by motion, rule or resolution of the board. The board of an operating agency shall adopt rules for the conduct of its meetings and the carrying out of its business, and adopt an official seal. All proceedings of an operating agency shall be by motion or resolution and shall be recorded in the minute book which shall be a public record. A majority of the board members shall constitute a quorum for the transaction of business. A

majority of the votes which the members present are entitled to cast shall be necessary and sufficient to pass any motion or resolution: PROVIDED, That such board members are entitled to cast a majority of the votes of all members of the board. The members of the board of an operating agency may be compensated by such agency as is provided in RCW 43.52.290: PROVIDED, That the per diem compensation to any member shall not exceed five thousand dollars in any year except for board members who are elected to serve on an executive board established under section 2 of this 1981 act, in which case per diem compensation to any member shall not exceed ten thousand dollars in any year.

(2) If an operating agency is constructing a nuclear power plant under a site certification agreement under chapter 80.50 RCW, the powers and duties of the board of directors are limited to the following:

(a) Final authority on any decision of the operating agency to purchase, acquire, construct, or sell any power plants, works, and facilities;

(b) Acceptance or rejection of bids or offers for bonds and the sale and issuance of bonds: PROVIDED, That the board may delegate this authority to the executive board;

(c) Appointment of a treasurer under RCW 43.52.375;

(d) Election of members to the executive board under section 2 of this 1981 act;

(e) Approve annual budgets submitted by the executive board; and

(f) Select, appoint, and establish the compensation of the outside directors as provided in section 2 of this 1981 act.

All other powers and duties of the operating agency are vested in the executive board established under section 2 of this 1981 act.

NEW SECTION. Sec. 2. There is added to chapter 43.52 RCW a new section to read as follows:

(1) With the exception of the powers and duties of the board of directors described in RCW 43.52.370(2), the management and control of an operating agency constructing a nuclear power plant under a site certification agreement under chapter 80.50 RCW is vested in an executive board established under this subsection and consisting of eleven members.

(a) Seven members of the executive board shall be elected to four-year terms by the board of directors from among the members of the board of directors. The board of directors may provide by rule for the composition of the seven members of the executive board elected from among the members of the board of directors so as to afford fair representation which reflects the member public utility districts' and cities' participation in the joint operating agency's projects. The board of directors may also provide by rule for the removal of a member of the executive board, including the outside directors. Members of the board of directors may be elected to serve successive terms on the executive board.

(b) Four members of the executive board shall be outside directors and shall be selected and appointed by the board of directors. The outside directors shall:

(i) Serve four-year terms on the executive board. However, of the initial members of the executive board, the board of directors shall choose by lot two outside directors to serve two-year terms and two to serve four-year terms. Thereafter, all outside directors shall be appointed for four-year terms. All outside directors are eligible for reappointment;

(ii) Receive per diem compensation and travel expenses on the same basis as the seven members elected from the board of directors. The outside directors may be paid additional compensation as established by the board of directors;

(iii) Not be an officer or employee of, or in any way affiliated with, the Bonneville power administration or any electric utility conducting business in the states of Washington, Oregon, Idaho, or Montana;

(iv) Not be involved in the financial affairs of the operating agency as an underwriter or financial adviser of the operating agency or any of its members or any of the participants in any of the operating agency's plants; and

(v) Be representative of policy makers in business, finance, or science or be recognized experts in the construction or management of such facilities as the operating agency is constructing or operating.

(c) The president of the board of directors shall be a nonvoting member of the executive board and shall serve as the presiding officer of the executive board.

(2) Nothing in this chapter shall be construed to mean that an operating agency is in any manner an agency of the state.

(3) The eleven members of the executive board shall be selected with the objective of establishing an executive board which has the resources to effectively carry out its responsibilities. To the extent reasonably possible, the membership and operation of the executive board should be patterned after boards of directors of large private corporations.

(4) The executive board shall adopt rules for the conduct of its meetings and the carrying out of its business. All proceedings shall be by motion or resolution and shall be recorded in the minute book, which shall be a public record.

(5) With respect to any operating agency existing on the effective date of this act to which the provisions of this section are applicable:

(a) The board of directors shall elect seven members to the executive board no later than sixty days after the effective date of this act; and

(b) The board of directors shall select and appoint the initial outside directors and the executive board shall hold its organizational meeting no later than ninety days after the effective date of this act and the powers and duties prescribed in RCW 43.52.375, 43.52.378, and this section shall devolve upon the executive board at that time.

(6) The executive board shall select and employ a managing director of the operating agency and may delegate to the managing director such authority for the management and control of the operating agency as the executive board deems appropriate. The managing director's employment is terminable at the will of the executive board.

(7) Any executive board created under this section shall cease to function upon the initiation of regular operations of the nuclear power plant over which it has exercised construction management powers and duties. If the operating agency is constructing two or more nuclear power plants simultaneously, the executive board shall cease exercising all powers as to each plant as it becomes operational.

Sec. 3. Section 43.52.375, chapter 8, Laws of 1965 and RCW 43.52.375 are each amended to read as follows:

The board of each joint operating agency shall by resolution appoint a treasurer. If the joint operating agency is constructing a nuclear power plant under a site certification agreement under chapter 80.50 RCW, the appointment of the treasurer shall be on the recommendation of the executive board established under section 2 of this 1981 act. Before entering upon his duties the treasurer shall give bond to the operating agency, with a surety company authorized to write such bonds in this state as surety, in an amount which the board finds by resolution will protect the operating agency against loss, conditioned that all funds which he receives as such treasurer will be faithfully kept and accounted for and for the faithful discharge of his duties. The amount of such bond may be decreased or increased from time to time as the board may by resolution direct. The board shall also appoint an auditor and may require him to give a bond with a surety company authorized to do business in the state of Washington in such amount as it shall by resolution prescribe, conditioned for the faithful discharge of his duties. If the joint operating agency is constructing a nuclear power plant under a site certification agreement under chapter

80.50 RCW, the auditor shall be appointed by the executive board. The premiums on the bonds of the auditor and the treasurer shall be paid by the operating agency. The board may provide for coverage of said officers and other persons on the same bond.

All funds of the joint operating agency shall be paid to the treasurer and shall be disbursed by him only on warrants issued by the auditor upon orders or vouchers approved by the board: **PROVIDED**, That the board by resolution may authorize the executive committee or executive board to approve or disapprove vouchers presented to defray salaries of employees and other expenses of the operating agency arising in the usual and ordinary course of its business and expenses incurred by the executive committee or executive board in the performance of such duties as the operating agency may authorize it to perform. All moneys of the operating agency shall be deposited forthwith by the treasurer in such depositories, and with such securities as are designated by rules of the board. The treasurer shall establish a general fund and such special funds as shall be created by the board, into which he shall place all money of the joint operating agency as the board by resolution or motion may direct.

Sec. 4. Section 1, chapter 220, Laws of 1979 ex. sess. and RCW 43.52.378 are each amended to read as follows:

The executive board (~~(of directors)~~) of any operating agency constructing (~~(or operating a thermal)~~) a nuclear power plant under a site certification agreement issued pursuant to chapter 80.50 RCW shall appoint an administrative auditor. The administrative auditor shall be deemed an officer under chapter 42.23 RCW. The appointment of the administrative auditor shall be in addition to the appointment of the auditor for the issuance of warrants and other purposes as provided in RCW 43.52.375. The executive board shall retain a qualified firm or firms to conduct performance audits, including such engineering expertise as the executive board deems necessary, which is in fact independent and does not have any interest, direct or indirect, in any contract with the operating agency other than its employment hereunder. No member or employee of any such firm shall be connected with the operating agency as an officer, employee, or contractor. The administrative auditor and the firm or firms shall be independently and directly responsible to the executive board (~~(of directors)~~) of the operating agency. The executive board shall require a firm to conduct continuing audits of the methods, procedures and organization used by the operating agency to control costs, schedules, productivity, contract amendments, project design and any other topics deemed desirable by the executive board. The executive board may also require a firm to analyze particular technical aspects of the operating agency's projects and contract amendments. The firm or firms shall provide advice to the executive board in its management and control of the operating agency. At least once each year, the firm or firms shall prepare and furnish a report of its actions and recommendations to the executive board for the purpose of enabling it to attain the highest degree of efficiency in the management and control of any thermal power project under construction or in operation. The administrative auditor shall assist the firm or firms in the performance of its duties. The administrative auditor and the firm or firms shall consult regularly with the executive board and furnish any information or data to the executive board which the administrative auditor, firm, or executive board deems helpful in accomplishing the purpose above stated. The administrative auditor shall perform such other duties as the executive board shall prescribe to accomplish the purposes of this section.

In addition to the powers and duties conferred by chapter 44.28 RCW, the legislative budget committee shall evaluate such management audits as to adequacy and effectiveness of procedure and shall consult with and make reports and recommendations to the executive board. The operating agency shall reimburse the legislative budget committee for all costs of furnishing such services.

The operating agency shall file a copy of each firm's reports, and the legislative budget committee shall file a copy of each of its reports or recommendations in a timely manner, prepared in accordance with this section, with the respective chairmen of the senate and house energy and utilities committees. Upon the concurrent request of the chairmen of the senate or house energy and utilities committees, the operating agency shall report to the committees on a quarterly basis.

NEW SECTION. Sec. 5. There is added to chapter 43.52 RCW a new section to read as follows:

Upon the concurrent request of the chairmen of the committees on energy and utilities of the senate and house of representatives, the executive board shall report to the committees on a semi-annual basis. The purpose will be to furnish reports on project schedules, budgets, progress, and other matters deemed relevant by the committees.

Sec. 6. Section 43.52.250, chapter 8, Laws of 1965 as amended by section 1, chapter 184, Laws of 1977 ex. sess. and RCW 43.52.250 are each amended to read as follows:

VITO T. CHIECHI, Chief Clerk.

MOTION

Senator Gould moved the Senate concur in sections 1, 2, 3, 4, 5, 9 and 10 to Reengrossed Substitute Senate Bill No. 3797 and ask the House to recede from that portion of the amendment by which Sections 6, 7 and 8 were inserted.

PARLIAMENTARY INQUIRY

Senator Williams: "There is a concern on the part of some of us as Senator Gould has indicated, that the House amendment to Reengrossed Substitute Senate Bill 3797, may be beyond the scope and object of the bill, as passed by the Senate.

"If Senator Gould's motion is approved and the House subsequently refuses to recede, will the issue of scope and object be lost or will the President still entertain the question of scope and object when the bill is returned from the House?"

REPLY BY THE PRESIDENT

President Cherberg: "The President believes that if the Senate declines to concur in sections 6, 7 and 8, and if the House declines to recede, the President believes that the point of order as to the expansion of scope and object of the bill would be in order."

PARLIAMENTARY INQUIRY

Senator Hayner: "Further, a point of parliamentary inquiry. Since there, in one motion Senator Gould has asked for some concurrences and some . . . nonconcurrences.

"If we vote 'no' on that, well then what is the status?"

On motion of Senator Clarke, the question was divided.

Debate ensued.

REPLY BY THE PRESIDENT

President Cherberg: "The President believes that if the Senate acts upon 1, 2, 3, 4, 5, 9 and 10, and approves those sections, that you lose the opportunity to raise the scope and object point of order on that part of the bill; but if you do not act favorably on 6, 7 and 8, the President firmly believes that 6, 7 and 8 would be eligible, would have to stand the test of a scope and object ruling."

Further debate ensued.

PERSONAL PRIVILEGE

Senator Talmadge: "Mr. President and members of the Senate. It is 10 to 1 in the morning. The whole thing we have just gone through with going through the sections, trying to figure out what we are doing, is the product of some very tired people. We have been working this late every single night this week. I think we are all just a little bit punchy at this point. I certainly hope that if we do go ahead and consider this bill, that this would be 'it,' because, now, people are just absolutely tired. And this constant working until the wee hours of the morning every single night, is just downright foolish.

"If we are going to give decent consideration to legislation, we shouldn't be all tired on our feet."

Further debate ensued.

PARLIAMENTARY INQUIRY

Senator Gould: "If we divide the question, does that change the ruling that you have made on whether or not Senator Williams can, waive his rights, will be wasting his rights for a scope and object?"

REPLY BY THE PRESIDENT

President Cherberg: "A division of the question would not affect the ruling in any way. The President believes it would be more explicit to divide the question."

REPLY BY THE PRESIDENT

President Cherberg: "The President has just received some excellent advice from the Secretary. If you put the motion 'do not concur' in sections 6, 7 and 8 and that motion were to fail, then you lose the right to scope and object because if it fails, then you have concurrence."

The President declared the question before the Senate to be the motion by Senator Gould that the Senate concur in the House amendments to section 1, 2, 3, 4, 5, 9 and 10.

Debate ensued.

REMARKS BY THE PRESIDENT

President Cherberg: "The President wants to make it clear, you want to divide the question? I would like to point out that in the second part, the Senate does not concur in sections 6, 7 and 8 and requests that the House recede therefrom. That will be a separate motion. If that motion fails, then you have concurred in 6, 7 and 8 and you have lost the right of scope and object."

"The Senate has concurred in sections 1, 2, 3, 4, 5, 9 and 10 of Reengrossed Substitute Senate Bill 3797 as amended by the House.

"The Senate does not concur in sections 6, 7 and 8 and requests of the House that it recede therefrom."

PARLIAMENTARY INQUIRY

Senator Sellar: "A vote 'aye' is to not concur, and a vote 'no' is to concur, is that correct?"

President Cherberg: "Yes, sir."

The motion by Senator Gould carried and the Senate concurred in the House amendments to Sections 1, 2, 3, 4, 5, 9 and 10.

The President declared the question before the Senate to be the motion by Senator Gould that the Senate do not concur in the House amendments to Section 6, 7 and 8 and request the House to recede therefrom.

Senator Gould demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on the motion by Senator Gould that the Senate do not concur in the House amendments to Sections 6, 7 and 8 and request the House to recede therefrom.

Senator Charnley demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on the demand for the previous question.

The Secretary called the roll and the demand for the previous question was sustained by the following vote: Yeas, 26; nays, 21; absent or not voting, 2.

Voting yea: Senators Benitz, Bluechel, Clarke, Craswell, Deccio, Fuller, Gallagher, Gould, Guess, Haley, Hayner, Hemstad, Jones, Kiskaddon, Lee, McCaslin, Metcalf, Newhouse, Patterson, Pullen, Quigg, Scott, Sellar, Talmadge, von Reichbauer, Zimmerman—26.

MOTION FOR RECONSIDERATION

Having voted on the prevailing side, Senator Talmadge moved the Senate reconsider the vote by which the previous question was sustained.

POINT OF ORDER

Senator Newhouse: "Mr. President, this is obviously a dilatory tactic. The majority has determined that we should have the previous question; such a motion is not in order."

Debate ensued.

RULING BY THE PRESIDENT

President Cherberg: "The President is ready to rule upon the Point of Order presented by Senator Newhouse.

"The President is positive that the previous question is open to reconsideration and the President can hardly rule that the motion by Senator Talmadge is a dilatory maneuver inasmuch as this is the first time in the President's experience, that this situation has ever arisen."

The President declared the question before the Senate to be the motion by Senator Talmadge that the Senate reconsider the vote by which the previous question was sustained.

MOTION

Senator Clarke moved that the motion by Senator Talmadge be laid upon the table.

Senator Moore demanded a roll call and the demand was sustained.

PARLIAMENTARY INQUIRY

Senator Rasmussen: "My question is, Senator Talmadge had made his motion, he was on his feet, he never yielded his position on the floor.

"How did Senator Clarke get his motion to table when Senator Talmadge was holding the floor? He was entirely out of order. He jumped up without being recognized other than for point of order, something like that. But Talmadge was holding the floor, Senator Talmadge was."

REPLY BY THE PRESIDENT

President Cherberg: "Senator Rasmussen, the President intends to compliment you, that you are the one person who follows rule 28, and in this instance Senator Clarke followed rule 28 in which he addressed the chair as 'Mr. President.' Senator Talmadge did not.

"The reason you are recognized so often is because you execute according to the rules."

The President declared the question before the Senate to be the roll call on the motion by Senator Clarke that the motion for reconsideration by Senator Talmadge be laid upon the table.

Excused: Senator Gaspard—1.

ENGROSSED HOUSE CONCURRENT RESOLUTION NO. 27, having received the constitutional majority, was declared passed.

PERSONAL PRIVILEGE

Senator Vognild: "Mr. President, I am personally aggrieved. I would like the record to show I had intended on the measure which just passed is not before us, so I believe I can refer briefly to it . . . to ask a simple point of inquiry to see if the statements from the majority leader as of April 21, 1981, still held on this bill.

"It is obvious to me that they do not; it is obvious to me that the majority intends to limit my opportunity to debate or to ask questions of clarifying future bills and I wish the record to show that I do not feel that that is a proper way to conduct business on this floor."

MOTION

On motion of Senator Clarke, the Senate returned to the fourth order of business.

MESSAGE FROM THE HOUSE

April 20, 1981.

Mr. President: The House has passed: ENGROSSED SUBSTITUTE SENATE BILL NO. 3249, with the following amendments:

On page 29, after line 22, insert the following:

"Sec. 18. Section 2, chapter 1, Laws of 1973 as last amended by section 1, chapter 50, Laws of 1979 ex. sess. and RCW 42.17.020 are each amended to read as follows:

The definitions set forth in this section apply throughout this chapter unless the context clearly requires otherwise.

(8) "Compensation" unless the context requires a narrower meaning, includes payment in any form for real or personal property or services of any kind: PROVIDED, That for the purpose of compliance with RCW 42.17.240, as now or hereafter amended, the term "compensation" shall not include per diem allowances or other payments made by a governmental entity to reimburse a public official for expenses incurred while such official is engaged in the official business of such governmental entity.

(9) "Continuing political committee" means a political committee which is an organization of continuing existence not established in anticipation of any particular election.

(10) "Contribution" includes a loan, gift, deposit, subscription, forgiveness of indebtedness, donation, advance, pledge, payment, transfer of funds between political committees, or transfer of anything of value, including personal and professional services for less than full consideration, but does not include interest on moneys deposited in a political committee's account, ordinary home hospitality and the rendering of "part time" personal services of the sort commonly performed by volunteer campaign workers or incidental expenses personally incurred by volunteer campaign workers not in excess of twenty-five dollars personally paid for by such worker. Sums paid for tickets to fund-raising events such as dinners and parties are

(11) "Elected official" means any person elected at a general or special election to any public office, and any person appointed to fill a vacancy in any such office.

The term "expenditure" also includes a promise to pay, a payment or a transfer of anything of value in exchange for goods, services, property, facilities, or anything of value for the purpose of assisting, benefiting, or honoring any public official or candidate, or assisting in furthering or opposing any election campaign. For the purposes of this chapter, agreements to make expenditures, contracts, and promises to pay may be reported as estimated obligations until actual payment is made. The term "expenditure" shall not include the partial or complete repayment by a candidate or political committee of the principal of a loan, the receipt of which loan has been properly reported, or payment of service charges against a political committee's campaign account.

A city or town or a school district having a "small local government" during a portion of a year shall continue to be classified as such during the remainder of the year, notwithstanding any change in the number of voters registered during an election held in that year or any change in school district enrollment during that year. MOTION

On motion of Senator Pullen, the Senate refused to concur in the House amendments to Engrossed Substitute Senate Bill No. 3249 and asks the House to recede therefrom.

MOTION

On motion of Senator Clarke, the Senate resumed consideration of the House Message on Engrossed Senate Bill No. 3009 as amended by the House, which was read in the Senate on April 24, 1981. At that time the Senate concurred in the House amendments.

Debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Senator Deccio, as I understand the House amendments, you will be allowed to bet on any race anywhere in the world as long as you do it at a recognized race track during the regular season. Is that correct?"

Senator Deccio: "The purpose of the bill deals, the amendment, the House amendment deals with the Kentucky Derby, and the triple crown; you have to go to the track; you have to buy a ticket just as though you were going to a live horse race and is treated the same way and it is under direct control and supervision of the horse racing commission."

Senator Rasmussen: "But they would set their machines so that you would be able to bet on, it does not specify just one race, or can you bet on any races?"

Senator Deccio: "The amendment is titled 'The Kentucky Derby,' Senator. I am not a horse racing devotee, I am not that familiar with it. But it is not considered off-track betting."

Senator Rasmussen: "Well, it is off-track betting on the track. Thank you."

Senator Deccio: "Whatever."

The President declared the question before the Senate to be the roll call on Engrossed Senate Bill No. 3009, as amended by the House.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Senate Bill No. 3009, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 34; nays, 14; excused, 1.

Voting yea: Senators Bauer, Benitz, Bluechel, Clarke, Conner, Craswell, Deccio, Fuller, Gallagher, Guess, Haley, Hansen, Hayner, Hemstad, Hurley, Jones, Kiskaddon, McCaslin, Metcalf, Moore, Newhouse, Patterson, Peterson, Pullen, Quigg, Scott, Sellar, Shinpoch, Talley, Talmadge, Vognild, von Reichbauer, Wojahn, Woody—34.

Voting nay: Senators Bottiger, Charnley, Fleming, Goltz, Gould, Hughes, Lee, Lysen, McDermott, Rasmussen, Ridder, Williams, Wilson, Zimmerman—14.

Excused: Senator Gaspard—1.

In case of substantive rules, opportunity for oral hearing must be granted if requested by twenty-five persons, by a governmental subdivision or agency, by the rules review committee, or by an association having not less than twenty-five members.

(2) The agency shall make every effort to insure that the information on the proposed rule circulated pursuant to subsection (1)(a) of this section accurately reflects the rule to be presented and discussed at any oral hearing on such rule. Where substantial changes in the draft of the proposed rule are made after publication of notice in the register which would render it difficult for interested persons to properly comment on the rule without further notice, new notice of the agency's intended action as provided in subsection (1)(a) of this section shall be required.

(3) The agency shall consider fully all written and oral submissions respecting the proposed rule including those addressing the question of whether the proposed rule is within the intent of the legislature as expressed by the statute which the rule implements, and may amend the proposed rule at the oral hearing or adopt the proposed rule, if there are no substantial changes, without refileing the notice required by this section. Upon adoption of a rule, the agency, if requested to do so by an interested person either prior to adoption or within thirty days thereafter, shall issue a concise statement of the principal reasons for and against its adoption, incorporating therein its reasons for overruling the considerations urged against its adoption.

~~((2))~~ (4) No proceeding ~~((shall))~~ may be held on any rule until twenty days have passed from the distribution date of the register in which notice thereof was contained. The code reviser shall make provisions for informing an agency giving notice under subsection (1) of this section of the distribution date of the register in which such notice will be published.

~~((3))~~ (5) No rule hereafter adopted is valid unless adopted in substantial compliance with this section, ~~((or, if))~~ unless it is an emergency rule designated as such ~~((:))~~ and is adopted in substantial compliance with RCW 34.04.030, as now or hereafter amended. In any proceeding a rule cannot be contested on the ground of

noncompliance with the procedural requirements of RCW 34.08.020(1), of this section, or of RCW 34.04.030, as now or hereafter amended, after two years have elapsed from the effective date of the rule.

Sec. 4. Section 3, chapter 234, Laws of 1959 as amended by section 8, chapter 240, Laws of 1977 ex. sess. and RCW 34.04.030 are each amended to read as follows:

((+)) If the agency finds that immediate adoption or amendment of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observance of the requirements of notice and opportunity to present views on the proposed action would be contrary to the public interest, the agency may dispense with such requirements and adopt the rule or amendment as an emergency rule or amendment. The agency's finding and a ((brief)) concise statement of the reasons for its finding shall be incorporated in the emergency rule or amendment as filed with the office of the code reviser under RCW 34.04.040 and with the rules review committee. An emergency rule or amendment ((shall)) may not remain in effect for longer than ninety days after filing. This section does not relieve any agency from compliance with any law requiring that its permanent rules be approved by designated persons or bodies before they become effective.

((2) ~~The emergency rule published in the register is solely to inform the public of its adoption, and nothing in this section shall be construed to prevent the implementation of the rule upon its filing with the code reviser in accordance with RCW 34.04.040(2).~~)

NEW SECTION. Sec. 5. There is added to chapter 34.04 RCW a new section to read as follows:

Not more than two members from each house may be from the same political party. All appointments to the committee are subject to approval by the caucuses to which the appointed members belong.

(3) The president of the senate shall appoint the chairperson in even-numbered years and the vice chairperson in odd-numbered years from among committee membership. Within thirty days of the receipt of the rules review committee's notice, the agency shall file notice of a hearing on the rule in question with the code reviser and mail notice to all persons who have made timely request of the agency for advance notice of its rule-making proceedings as provided in RCW 34.04.025, as now or hereafter amended. The agency's notice shall include the rules review committee's findings and reasons therefor, and shall be published in the Washington state register in accordance with the provisions of chapter 34.08 RCW.

However, an officer taking a child into custody under RCW 13.32A.050(4) may place the child in a juvenile detention facility as provided in section 4 of this 1981 act. An officer taking a ((juvenile)) child into custody under RCW 13.32A.050 may, at his or her discretion, transport the ((juvenile)) child to the home of a responsible adult who is other than the child's parent where the officer reasonably believes that the child will be provided with adequate care and supervision and that the child will remain in the custody of such adult until such time as the department can bring about the child's return home or an alternative residential placement can be agreed to or determined pursuant to this chapter. An officer placing a ((juvenile)) child with a responsible adult other than his or her parent shall immediately notify the department's local community service office of this fact and of the reason for taking the ((juvenile)) child into custody.

A law enforcement officer acting reasonably and in good faith pursuant to this chapter in releasing a ((juvenile)) child to a person other than a parent of such ((juvenile)) child is immune from civil or criminal liability for such action. A person other than a parent of such ((juvenile)) child who receives a child pursuant to this chapter and who acts reasonably and in good faith in doing so is immune from civil or criminal liability for the act of receiving such child. Such immunity does not release such person from liability under any other law including the laws regulating licensed child care and prohibiting child abuse.

Sec. 6. Section 22, chapter 155, Laws of 1979 and RCW 13.32A.080 are each amended to read as follows:

(iv) Assists the minor in avoiding or attempting to avoid the custody of the law enforcement officer.

(b) It is a defense to a prosecution under this section that the defendant had custody of the minor pursuant to a court order.

(2) Harboring a minor is punishable as a misdemeanor if the offender has not been previously convicted under this section and a gross misdemeanor if the offender has been previously convicted under this section.

(3) Any person who provides shelter to a child, absent from home, may notify the department's local community service office of the child's presence.

~~((3))~~ (4) An adult responsible for involving a ((juvenile)) child in the commission of an offense may be prosecuted under existing criminal statutes including, but not limited to:

(2) When any of the circumstances under subsection (1) of this section are present, the person in charge of a center shall perform the following duties:

(b) ~~((Notify and inform the parent of the child as to the parent's rights under this chapter including, but not limited to, the right to file an alternative residential placement petition))~~ Initially notify the parent that it is the paramount concern of the family reconciliation service personnel to achieve a reconciliation between the parent and child to reunify the family and inform the parent as to the procedures to be followed under this chapter;

(e) Arrange transportation for the child to an alternative residential placement which may include a licensed group care facility or foster family when agreed to by the child and parent at the latter's expense to the extent of his or her ability to pay, with any unmet transportation expenses assumed by the department.

Sec. 8. Section 24, chapter 155, Laws of 1979 and RCW 13.32A.100 are each amended to read as follows:

Where a child is placed in a residence other than that of his or her parent pursuant to RCW 13.32A.090(2)(e), the department shall make available (~~(crisis intervention)~~) family reconciliation services in order to facilitate the reunification of the family. Any such placement may continue as long as there is agreement by the child and parent.

Sec. 9. Section 27, chapter 155, Laws of 1979 and RCW 13.32A.130 are each amended to read as follows:

A child admitted to a crisis residential center under this chapter who is not returned to the home of his or her parent or who is not placed in an alternative residential placement under (~~(RCW 13.32A.090(2)(e))~~) an agreement between the parent and child, shall, except as provided for by RCW 13.32A.140 and 13.32A.160(2), reside in such placement under the rules and regulations established for the center for a period not to exceed seventy-two hours, excluding Saturdays, Sundays, and holidays, from the (~~(point))~~ time of intake, except as otherwise provided by this chapter. Crisis residential center staff shall make a concerted effort to achieve a reconciliation of the family. If a reconciliation and voluntary return of the child has not been achieved within forty-eight hours, excluding Saturdays, Sundays and holidays, from the time of intake, and if the person in charge of the center does not consider it likely that reconciliation will be achieved within the seventy-two hour period, then the person in charge shall inform the parent and child of (1) the availability of counseling services; (2) the right to file a petition for an alternative residential placement and to obtain assistance in filing the petition; and (3) the right to request a review of such a placement: PROVIDED, That at no time shall information regarding a parent's or child's rights be withheld if requested.

Sec. 10. Section 28, chapter 155, Laws of 1979 and RCW 13.32A.140 are each amended to read as follows:

The department shall file a petition to approve an alternative residential placement on behalf of a child under any of the following sets of circumstances:

(1) The child has been admitted to a crisis residential center or has been placed with a responsible person other than his or her parent, and:

(a) The parent has been notified that the child was so admitted or placed;

(b) Seventy-two hours, including Saturdays, Sundays, and holidays, have passed since such notification;

(c) No agreement between the parent and the child as to where the child shall live has been reached;

(d) No petition requesting approval of an alternative residential placement has been filed by either the child or parent or legal custodian; and

(e) The child has no suitable place to live other than the home of his or her parent.

(2) The child has been admitted to a crisis residential center (~~(or placed with a responsible adult other than his or her parent;)~~) and:

(a) Seventy-two hours, including Saturdays, Sundays, and holidays, have passed since such placement;

(b) The staff, after searching with due diligence, have been unable to contact the parent of such child; and

(c) The child has no suitable place to live other than the home of his or her parent.

(3) An agreement between parent and child made pursuant to RCW 13.32A.090(2)(e) or pursuant to RCW 13.32A.120(1) is no longer acceptable to parent or child, and:

(a) The party to whom the arrangement is no longer acceptable has so notified the department;

(b) Seventy-two hours, including Saturdays, Sundays, and holidays, have passed since such notification;

(c) No new agreement between parent and child as to where the child shall live has been reached;

(d) No petition requesting approval of an alternative residential placement has been filed by either the child or the parent; and

(e) The child has no suitable place to live other than the home of his or her parent.

Under the circumstances of subsections (1), (2), or (3) of this section, the child shall remain in a licensed child care facility, including but not limited to a crisis residential center, or in any other suitable residence to be determined by the department until an alternative residential placement petition filed by the department on behalf of the child is reviewed by the juvenile court and is resolved by such court. The department may authorize emergency medical or dental care for a child placed under this section. The state, when the department files a petition for alternative residential placement under this section, shall be represented as provided for in RCW 13.04.093.

Sec. 11. Section 29, chapter 155, Laws of 1979 and RCW 13.32A.150 are each amended to read as follows:

A child or a child's parent may file with the juvenile court a petition to approve an alternative residential placement for the child outside the parent's home. The department shall, when requested, assist either a parent or child in the filing of the petition. The petition shall only ask that the placement of a child outside the home of his or her parent be approved (~~(or disapproved)~~). The filing of a petition to approve (~~(or disapprove)~~) such placement is not dependent upon the court's having obtained any prior jurisdiction over the child or his or her parent, and confers upon the court a special jurisdiction to approve or disapprove an alternative residential placement (~~(or its continuation)~~).

Sec. 12. Section 31, chapter 155, Laws of 1979 and RCW 13.32A.170 are each amended to read as follows:

(1) The court shall hold a fact-finding hearing to consider a proper petition and may approve or (~~(disapprove)~~) deny alternative residential placement giving due weight to the intent of the legislature (~~(expressed in RCW 13.32A.010)~~) that families, absent compelling reasons to the contrary, shall remain together and that parents have the right to place reasonable rules and restrictions upon their children. The court may appoint legal counsel and/or a guardian ad litem to represent the child and advise parents of their right to be represented by legal counsel. The court may approve an order stating that the child shall be placed in a residence other than the home of his or her parent only if it is established by a preponderance of the evidence that (~~(a serious conflict exists between the parent and child and that the conflict cannot be resolved by the delivery of services to the family during continued placement of the child in the parental home)~~):

(a) The petition is not capricious;

(b) The petitioner, if a parent or the child, has made a reasonable effort to resolve the conflict; and

(c) The conflict which exists cannot be resolved by delivery of services to the family during continued placement of the child in the parental home.

The court may not grant a petition filed by the child or the department if it is established that the petition is based only upon a dislike of reasonable rules or reasonable discipline established by the parent.

(2) The order approving out-of-home placement shall direct the department to submit a disposition plan for a three-month placement of the child that is designed to reunite the family and resolve the family conflict. In making the order, the court shall further direct the department to make recommendations, as to which agency or person should have physical custody of the child, as to which parental powers should be awarded to such agency or person, and as to parental visitation rights. The court may direct the department to consider the cultural heritage of the child in making its recommendations.

(3) The hearing to consider the recommendations of the department for a three-month disposition plan shall be set no later than fourteen days after the approval of the court of a petition to approve alternative residential placement. Each party shall be notified of the time and place of such disposition hearing.

(4) If the court (~~((disapproves))~~) approves or denies a petition for an alternative residential placement, a written statement of the reasons shall be filed. If the court (~~((disapproves))~~) denies a petition requesting that a child be placed in a residence other than the home of his or her parent, the court shall (~~((instruct that))~~) enter an order requiring the child to remain at or return to the home of his or her parent.

(5) (~~(The court shall dismiss the petition if it finds (a) that a petition filed pursuant to RCW 13.32A.150 is capricious, or (b) that the filing party did not first reasonably attempt to resolve the conflict outside the court. Upon dismissing))~~) If the court denies the petition, the court shall impress upon the party filing the petition of the legislative intent to restrict the proceedings to situations where a family conflict is so great that it cannot be resolved by the provision of in-home services.

(6) A child who fails to comply with a court order directing that the child remain at or return to the home of his or her parent shall be subject to contempt proceedings, as provided in this chapter, but only if the noncompliance occurs within ninety calendar days after the day of the order.

Sec. 13. Section 33, chapter 155, Laws of 1979 and RCW 13.32A.190 are each amended to read as follows:

(1) Upon making a dispositional order under RCW 13.32A.180, the court shall schedule the matter on the calendar for review within three months, advise the parties of the date thereof, appoint legal counsel and/or a guardian ad litem to represent the child (~~((and the parent, if indigent,))~~) at the review hearing, advise (~~((nonindigent))~~) parents of their right to be represented by legal counsel at the review hearing, and notify the parties of their rights to present evidence at the hearing. Where resources are available, the court shall encourage the parent and child to participate in mediation programs for reconciliation of their conflict.

(2) At the review hearing, the court(~~((-(a))~~) shall approve or disapprove the continuation of the dispositional plan (~~((according to the standards))~~) in accordance with the goal of resolving the conflict and reuniting the family which governed the initial approval(~~((-(b))~~)). The court is authorized to discontinue the placement and order that the child return home if the court has reasonable grounds to believe that the parents have displayed concerted efforts to utilize services and resolve the conflict and the court has reason to believe that the child's refusal to return home is capricious. If out-of-home placement is continued, the court may modify the dispositional plan ((according to the standards of resolving the family conflict and reuniting the family and shall set the matter on the calendar for further review within six months; (c) may determine that interim services as may be appropriate have been offered to the parent and child:

~~(3) Subsequent six-month review hearings shall be held pursuant to this section until such time as the family is reunited. If the court, at any such hearing, does not approve the continuation of an alternative residential placement and states that the child shall reside with his or her parents, it may hold another review hearing within six months).~~

Out-of-home placement may not be continued past one hundred eighty days from the day the review hearing commenced. The court shall order that the child return to the home of the parent at the expiration of the placement. If continued out-of-home placement is disapproved, the court shall enter an order requiring that the child return to the home of the child's parent.

NEW SECTION. Sec. 14. There is added to chapter 13.32A RCW a new section to read as follows:

Caseworkers or counselors shall not counsel a child that parents do not have the right to establish reasonable rules and guidelines for the children living in the parental home. Employers of counselors or caseworkers who have reasonable cause to believe that a counselor or caseworker has counseled a child in violation of this section shall issue a written warning to the counselor or caseworker. Employers who have reasonable cause to believe the same counselor or caseworker has subsequently violated this section shall take appropriate steps to prevent future violations by that counselor or caseworker. It shall be grounds for dismissal for a public employee to violate this section after having received a warning from his employer. Nothing in this section shall affect or impair any right of action which any person might have under any other statute or under case law against any caseworkers, counselors, or their employers.

NEW SECTION. Sec. 15. There is added to chapter 13.32A RCW a new section to read as follows:

(1) Failure by a party to comply with an order entered under this chapter is punishable as contempt.

(2) Contempt under this section is punishable by a fine of up to one hundred dollars and imprisonment for up to seven days, or both.

(3) A child found in contempt under this section shall be imprisoned only in a secure juvenile detention facility operated by or pursuant to a contract with a county.

(4) The procedure in a contempt proceeding held under this section is governed by RCW 7.20.040 through 7.20.080, as now law or hereafter amended.

(5) A motion for contempt may be made by a parent, a child, juvenile court personnel, or by any public agency, organization, or person having custody of the child under a court order adopted pursuant to this chapter.

NEW SECTION. Sec. 16. There is added to chapter 13.32A RCW a new section to read as follows:

In any proceeding in which the court approves an alternative residential placement, the court shall inquire into the ability of parents to contribute to the child's support. If the court finds that the parents are able to contribute to the support of the child, the court shall order them to make such support payments as the court deems equitable. The court may enforce such an order by execution or in any way in which a court of equity may enforce its orders. However, payments shall not be required of a parent who has both opposed the placement and continuously sought reconciliation with, and the return of, the child.

Sec. 17. Section 17, chapter 172, Laws of 1967 as last amended by section 22, chapter 165, Laws of 1979 ex. sess. and RCW 74.13.031 are each amended to read as follows:

POINT OF INFORMATION

Senator Fleming: "Point of information, Mr. President. Recognizing how fair the President is and always has been in trying to keep from our putting the President in an awkward position, I need to know the information as to how we can go about when you have one side of the aisle that continues to get up arbitrarily and speak out against a member on this side about them taking on some one individual or not speaking on a motion and this side trying to be cooperative in letting them speak on their issues and at the same time when that individual admits that he wasn't speaking on either side or for the amendment but yet . . . chastising one of our members, but when his issue was up there and his member was called . . . nothing happened.

"I need to know the kind of information from you how we can best do that, because you can't just speak out and say 'You are not speaking against the issue.'

"How can we best keep the decorum in an even-handed manner?"

REPLY BY THE PRESIDENT

President Cherberg: "The President believes that if the members of the Senate were to read rule 28 very carefully, and abide by the letter and spirit of the rule, that we would not have these particular difficulties.

"The other night, the President feels you may be referring to that, that no one raised the point. On this occasion Senator Guess raised the point. The President, however, wishes to apologize for being derelict in his responsibilities in not rigidly enforcing the provisions of rule 28.

"But the President wishes to assure you, Senator Fleming, that he will make every effort not to be derelict in his responsibilities in the future."

Senator Fleming: "Mr. President, I don't think it was derelict on your part, I think it was something on your part of trying to allow the members to express themselves freely . . ."

President Cherberg: I never wish to inhibit any Senator's remarks . . . but the President would like to remind each and every member that there is a very definite freeze, confine himself or herself to the question under debate, avoiding personalities, and when finished, resume your seat."

POINT OF INQUIRY

Senator McCaslin: "Senator Gaspard, as you well know, the last few days, a tremendous amount of effort and work has gone into redistricting. And in the 25th district which I believe is your district, it shows 82,835 people. Is that the correct figure?"

Senator Gaspard: "Senator, thank you for asking. I thought we would never get to it and it is an important a date right here.

"But for the record, Mr. President, JoAnne and I are happy to announce that we became parents for the first time 5 o'clock this morning, to a beautiful young girl by name of Morgan Leigh Gaspard, who weighed seven pounds and three ounces."

Senator McCaslin: "Senator Gaspard, should we send that back to the House for concurrence, or . . ."

Senator Gaspard: "I will have to talk to my majority leader on that."

Senator McCaslin: "Would appreciate it if you would."

Senator Gaspard: "Everybody is healthy."

Senator McCaslin: "We are very happy for you and while we had nothing to do with it, I am sure you did."

The expenditures shall be subject to review by the legislature."

POINT OF INQUIRY

Senator McDermott: "Senator Talmadge, in your opinion does the use of Federal agencies' perspective definition of 'poverty standards' as provided in section 10, sub (1) of this bill, violate the Constitution as an illegal delegation of legislative authority?"

Senator Talmadge: "Senator McDermott, throughout this bill there is an attempt to follow not only existing Federal standards, but prospective future Federal standards; and it would be my judgment that there is an illegal delegation of legislative authority there.

"In a Washington state supreme court opinion, the case of State of Washington against Dougall 89 Wn.2d 118, the court ruled 'The people of this state have vested the power to legislate in the legislature. Constitution Article II, Sec. 1. While the legislature may enact statutes which adopt existing Federal rules, regulations or statutes, legislation which attempts to adopt or acquiesce in future Federal rules, regulations or statutes, is an unconstitutional delegation of legislative power and thus void.'

"Clearly I would think from this particular state supreme court opinion, there are very serious questions about the constitutionality of this particular measure.

"There is no ability on the part of the legislature to adopt prospective Federal standards; but additionally the United States supreme court has ruled in the case of Rosado against Wyman in 1970, that the states must establish public assistance standards that relate to the cost of living in each state, not the Federal standards; and they must update those standards annually.

"Federal law does not require the states to fully fund the standards going into the supreme court, but they must publish the percentage of the standards they are funding, and equitably distribute that amount.

"Basically, Senator McDermott, it would be my opinion that you cannot delegate the authority of the legislature to the Federal government to establish standards, that the legislature itself has not understood to be an existent and positively adopted itself."

Further debate ensued.

The motion by Senator McDermott failed and the amendment was not adopted. Senator McDermott moved adoption of the following amendment:

On page 20, following "basis." on line 15, insert the following:

"In order to reduce hardship due to the reduction of the income eligibility standard for chore services, the department is authorized to continue providing chore services authorized under RCW 74.08.540 for individuals who received chore services in February, 1981, for a length of time determined by the department, or until such time as:

(2) The department determines that the service is no longer needed."

Obtaining of insurance from such insurer shall be deemed to fulfill the compliance required of employers to secure the payment of compensation under this title.

(2) If the director has reason to believe that any insurer has not provided Washington employers with adequate safety engineering, loss prevention, or claims management services, the insurer may be required to report to the director its activity in these areas. Upon receipt of such report, or if the report is not submitted as directed, the director may begin proceedings pursuant to section 8 of this 1981 act.

(3) In order to qualify and to hold certification by the director under subsection (1) of this section, the insurer shall in addition maintain a location within the state where application for compensation may be made and maintain with the director a list of all locations and telephone numbers where application for compensation may be made and information may be obtained about all matters relating to any claim.

NEW SECTION. Sec. 6. There is added to chapter 51.16 RCW a new section to read as follows:

INSURER TO MAINTAIN SECURITY FOR PAYMENT OF COMPENSATION. Every insurer, except self-insurers, transacting workers' compensation insurance under this title shall hold a certificate of authority issued by the insurance commissioner under chapter 48.05 RCW, and shall maintain such security of the kind described in RCW 48.13.040 and 48.13.050, as now or hereafter amended, as may be required, except that no certificate of authority shall be issued to, or exist with respect to, the "state fund" as defined in section 9 of this 1981 act.

NEW SECTION. Sec. 7. There is added to chapter 48.19 RCW a new section to read as follows:

WORKERS' COMPENSATION RATE REGULATION. (1) For purposes of this section, the term "insurer" shall include an insurer authorized to transact workers' compensation insurance in this state and the state workers' compensation fund established in section 9 of this 1981 act, but shall not include any employer or group of employers to whom a certificate of qualification to self-insure has been issued. The provisions of this chapter shall apply to workers' compensation insurance: **PROVIDED, HOWEVER,** That for purposes of this chapter only, workers' compensation insurance shall not be classified as casualty insurance. Where provisions of this section conflict with other provisions of this chapter, the provisions of this section shall control.

(2) Every such insurer shall be a member of a workers' compensation insurance rating organization licensed by the commissioner and shall adhere to its manual of classifications and rules, policy forms, and statistical plans. Such rating organization shall use combined experience determined by the commissioner to be reasonably adequate for rate-making purposes.

(3) The commissioner shall promulgate a uniform statistical plan which shall thereafter be used by each such insurer in the recording and reporting of its loss and expense experience, in order that the experience of all such insurers may be made available at least annually in such form and detail as may be necessary to aid the commissioner in determining whether rates comply with the applicable standards of this chapter.

(4) Such rating organization shall file rating plans and manual rates according to risk classification with the insurance commissioner for approval on behalf and in lieu of its members and each member thereof shall determine premiums according to the rating plans and rates approved by the insurance commissioner for each risk classification. Manual rates shall be determined in conjunction with payroll limitations which may be adjusted at the time of each rate filing which will result in an equitable distribution of premium among employers.

(5) Notwithstanding subsection (4) of this section, an insurer may make written application to the commissioner for approval of deviations from the filed manual rates applicable to the insurer.

(6) The provisions of subsections (2), (3), (4), and (5) of this section shall expire and have no effect, unless specifically extended by law, three years after the effective date of this 1981 act.

(7) Nothing in this chapter shall be construed to prohibit or regulate the payment of dividends, savings, or unabsorbed premium deposits allowed or returned by such insurers to their policyholders, members, or subscribers. A plan for the payment of dividends, savings, or unabsorbed premium deposits allowed or returned by insurers to their policyholders, members, or subscribers shall not be deemed a rating plan or system.

NEW SECTION. Sec. 8. There is added to chapter 51.16 RCW a new section to read as follows:

SANCTIONS AGAINST INSURER'S FAILURE TO COMPLY WITH OBLIGATIONS. If the director finds, after due notice and hearing at which the insurer shall be entitled to be heard and present evidence, that such insurer has failed to provide safety engineering or loss prevention services or to comply with its other obligations under this title, with such frequency as to indicate a general business practice, the director may suspend or revoke the certification he or she has granted to the insurer under section 5 of this 1981 act. Such suspension or revocation shall not affect the liability of such insurer under policies providing coverage prior to the suspension or revocation.

Upon the petition of any employee union or association having a substantial number of employees in the employ of the insured employer the director shall hold a hearing to determine whether or not there are grounds for the withdrawal of certification of an insurer. He shall serve upon the insurer and upon any employee union or association having a substantial number of employees in the employ of said insurer, personally or by certified mail, a notice of intention to withdraw, or not to withdraw, certification of the insurer, which notice shall describe the nature and location or locations of the plants or operations involved, and the specific nature of the reasons for his decision. If the decision is to withdraw certification, it shall include the period of time within which the ground or grounds therefor existed or arose; a directive to the insurer specifying the manner in which the grounds may be eliminated; and the date, not less than thirty days after the insurer's receipt of the notice, when the certification shall be withdrawn in the absence of a satisfactory elimination of the grounds for withdrawal of the certificate.

An appeal of such notice of intention to withdraw, or not to withdraw, certification of an insurer may be taken by the insurer, or by any employee union or association having a substantial number of employees in the employ of said insurer. Proceedings on such appeal shall be as prescribed in this title. Appeal by an insurer of notice of intention to withdraw certification shall not act as a stay of the withdrawal, unless the board, or court, for good cause shown, orders otherwise.

The director may take any action deemed necessary, including imposing fines, to encourage compliance with the requirements of this title.

NEW SECTION. Sec. 9. There is added to Title 51 RCW a new section to read as follows:

It is the intent of the legislature that the state fund, notwithstanding any statute to the contrary, shall

have complete authority to invest and reinvest its funds in excess of the amount deemed sufficient to meet current expenditures, to acquire any equipment, supplies, or other personal or real property and employ such personnel as may reasonably be necessary to solicit workers' compensation insurance business, take all actions to enable it to be fully competitive, and shall be self-supporting. Furthermore, and notwithstanding any other provision of law, the state fund shall not be required to comply with chapter 43.105 RCW relating to the data processing authority, chapter 43.78 RCW relating to printing, or chapter 43.19 RCW relating to purchasing supplies or equipment and other purchasing restrictions, but shall not be prohibited from complying with such statutes. Loss and expense shall be ascertained annually. Dividends or credits may be made if it is shown that there exists an excess of assets over liabilities, necessary reserves, and a reasonable surplus for the catastrophe hazard. The state fund shall be subject to the same regulation and disclosure as all other insurers providing insurance under this title.

All moneys received by and under the supervision and control of the state fund shall be deposited therein. Disbursements from the state fund, for all the administrative costs of operation of the fund and for payment of all claims obligations, shall be on authorization of the manager or a duly authorized representative of the manager. INSURANCE POLICY REQUIREMENTS. (1) Every insurer other than a self-insurer shall issue a policy or contract of insurance in writing which specifies its provisions, insuring agreements, and exclusions. Such policy or contract shall be made subject to this title and any rules adopted pursuant to this title. Any provisions of such policy or contract inconsistent with this title are deemed to be reformed to conform with this title.

(2) Any insurer insuring the liability of an employer under this title shall be the insurer of all the employees of the employer within the protection of this title and any liability the employer may have under the Longshoremen's and Harbor Workers' Compensation Act, 33 U.S.C. 901 to 950, or any act amendatory or supplementary thereto or in lieu thereof.

(3) For the purposes of this title, as between the employee and the insurer, notice or knowledge of the injury to the employer shall be notice or knowledge to the insurer; jurisdiction over the employer shall be jurisdiction over the insurer; and the insurer shall be bound by and subject to any findings, judgments of fact, conclusions of law, awards, decrees, orders, or decisions rendered against the employer in the same manner and to the same extent as the employer.

(4) Every policy or contract of insurance issued under this title shall contain a provision which provides for the requirements of subsection (3) of this section and a provision that insolvency or bankruptcy of the employer or his estate, or discharge therein, or any default of the employer shall not relieve the insurer from liability for compensation resulting from any injury otherwise covered under the policy with the insurer.

(5) The insurer shall be directly liable to any claimant, which liability may be enforced by such claimant against both the insurer and the employer, jointly and severally.

(6) As between any claimant and the insurer, no defense based on any act or omission of the insured employer may be raised by the insurer.

(7) No statement in an employer's application for a policy of workers' compensation insurance shall void such policy as between insurer and employer unless such statement shall be false, made with an intent to defraud, and would materially have affected the acceptance of the risk if known by the insurer: PROVIDED, That in no case shall the invalidation of such policy as between the insurer and employer affect the insurer's obligation to provide compensation to claimants arising before the cancellation of such policy. In the event the insurer is required under this subsection to provide compensation under an invalid policy, the insurer shall be subrogated to the claimant's rights against the employer.

(8) No insurer shall terminate a policy or contract of insurance for payment of compensation by nonrenewal until at least thirty days after the employer has been notified in writing of such action. Such notification shall contain the justification for the action and a clear statement that payment of compensation must be secured pursuant to this title. The notice shall also inform the employer of options available for securing payment of compensation, including the assigned risk program.

(9) Upon receipt of written notice of nonrenewal the employer shall report such receipt to the director.

NEW SECTION. Sec. 18. There is added to chapter 51.16 RCW a new section to read as follows:

(1) Where such default is the result of the failure of an employer to secure the payment of compensation due under this title, compensation shall be paid by the director from the workers' compensation administrative fund. Such defaulting employer shall be liable for payment into the workers' compensation administrative fund the amounts paid therefrom by the director. For the purpose of enforcing this liability, the director, for the benefit of the administrative fund, shall be subrogated to all of the rights of the person receiving such compensation;

(2) Where such default is the failure of a self-insurer or a self-insured group to make compensation payments, compensation shall be paid by the director from the workers' compensation administrative fund only after the moneys available from the bonds or other security provided under the requirements of this title have been exhausted. Such defaulting self-insurer or self-insured group shall be liable for payment into the administrative fund the amounts paid therefrom by the director. For the purpose of enforcing this liability, the director, for the benefit of the administrative fund, shall be subrogated to all of the rights of the person receiving such compensation;

(3) Where such default is the failure of an insolvent insurer, as defined in RCW 48.32.030, to make compensation payments, compensation shall be paid by the director from the workers' compensation administrative fund. The Washington Insurance Guaranty Association, created in RCW 48.32.040, shall be liable for payment into the administrative fund the amounts paid therefrom by the director in lieu of paying any such amounts or compensation directly to the claimant.

(4) In cases other than those involving insurer insolvency where compensation is not timely paid or where the payment of compensation is delayed as a result of a dispute as to which insurer is responsible for the payment of compensation, such payments shall be made from the workers' compensation administrative fund and

the director shall have the right of recovery from the party or parties ultimately deemed responsible.

The plan shall be divided into two subplans as follows: Subplan "A" shall provide coverage for insureds who have a demonstrated accident frequency problem, who have demonstrated an attitude of noncompliance with safety requirements; and subplan "B" shall provide coverage for all other insureds of the joint underwriting plan. The methodology of applying these criteria, which shall be used to determine into which subplan an insured shall be placed, shall be determined by the insurance commissioner and such methodology shall be applied regardless of the number of employees or the amount of payroll of the insured. The plan may establish a system of surcharges applicable to insureds covered under subplan A, subject to approval by the insurance commissioner. A system of surcharges applicable to insureds covered under subplan B shall not be established. The state fund and appropriate insurers shall participate in the profits and losses of the plan. The plan shall act only as an insurer of last resort and set premiums commensurate with the risk.

(2) Any applicant for any assigned risk policy and any insurer affected thereby may appeal to the insurance commissioner from any ruling or decision of the manager or committee designated to operate such plan.

(3) If any insurer issuing workers' compensation policies under this title refuses to accept its equitable apportionment under such plan, the insurance commissioner shall revoke the insurer's certificate of authority.

(1) When the total disability is only temporary, the schedule of payments contained in subdivisions (1) through (13) of RCW 51.32.060 as amended shall apply, so long as the total disability continues.

(2) Any compensation payable under this section for children not in the custody of the injured worker as of the date of injury shall be payable only to such person as actually is providing the support for such child or children pursuant to the order of a court of record providing for support of such child or children.

(3) As soon as recovery is so complete that the present earning power of the worker, at any kind of work, is restored to that existing at the time of the occurrence of the injury, the payments shall cease. If and so long as the present earning power is only partially restored, the payments shall continue in the proportion which the new earning power shall bear to the old. No compensation shall be payable unless the loss of earning power shall exceed five percent.

(4) Whenever an employer requests that a worker who is entitled to temporary total disability under this chapter be certified by a physician as able to perform available work other than his or her usual work, the employer shall furnish to the physician, with a copy to the worker, a statement describing the available work in terms that will enable the physician to relate the physical activities of the job to the worker's disability. The physician shall then determine whether the worker is physically able to perform the work described. If the worker is released by his or her physician for said work, and the work thereafter comes to an end before the worker's recovery is sufficient in the judgment of his or her physician to permit him or her to return to his or her usual job, or to perform other available work, the worker's temporary total disability payments shall be resumed. Should the available work described, once undertaken by the worker, impede his or her recovery to the extent that in the judgment of his or her physician he or she should not continue to work, the worker's temporary total disability payments shall be resumed when the worker ceases such work.

Once the worker returns to work under the terms of this subsection, he or she shall not be assigned by the employer to work other than the available work described without the worker's written consent, or without prior review and approval by the worker's physician.

In the event of any dispute as to the worker's ability to perform the available work offered by the employer, the department shall make the final determination.

(5) No worker shall receive compensation for or during the day on which injury was received or the three days following the same, unless his or her disability shall continue for a period of fourteen consecutive calendar days from date of injury: PROVIDED, That attempts to return to work in the first fourteen days following the injury shall not serve to break the continuity of the period of disability if the disability continues fourteen days after the injury occurs.

(6) Should a worker suffer a temporary total disability and should his or her employer at the time of the injury continue to pay him or her the wages which he or she was earning at the time of such injury, such injured worker shall not receive any payment provided in subsection (1) of this section during the period his or her employer shall so pay such wages.

(7) In no event shall the monthly payments provided in this section exceed ~~((seventy-five))~~ ninety percent of the average monthly wage in the state as computed under the provisions of RCW 51.08.018.

(8) A worker receiving temporary total disability payment shall have the right to require, for the duration of the worker's temporary total disability, his or her employer to continue to provide medical or disability coverage under the group medical policy or plan provided by the employer at the time he or she was injured or to the extent provided for in a collective bargaining agreement. The employer may require such employee to pay that part of the premium as provided if copayment is included in the current policy or plan. Copayment, in this instance, shall not exceed the ratio otherwise provided for.

Sec. 43. Section 10, chapter 14, Laws of 1980 and RCW 51.32.095 are each amended to read as follows:

One of the primary purposes of this title is the restoration of the injured worker to gainful employment. To this end, the department and insurers shall utilize the services of ~~((individuals))~~ public and private rehabilitation counselors whose experience, training, and interests in vocational rehabilitation and retraining qualify them to lend expert assistance to the supervisor ~~((of industrial insurance))~~ of the division of rehabilitation review and insurers in such programs of vocational rehabilitation ~~((or)), retraining, and job placement~~ as may be reasonable to qualify the worker for employment consistent with his or her physical and mental status. Where, after evaluation and recommendation by such individuals and prior to final evaluation of the worker's permanent disability and in the sole opinion of the supervisor of the division of rehabilitation review or the supervisor's designee, regardless of the status of any medical treatment program, vocational rehabilitation or retraining is both necessary and likely to ~~((restore the injured worker to a form of gainful employment))~~ significantly reduce or eliminate the worker's decrease in employability, the supervisor of the division of rehabilitation review or the supervisor's designee may ~~((; in his or her sole discretion, pay or, if the employer is a self-insurer,))~~ direct the ~~((self-insurer))~~ insurer to pay the cost of books, tuition, fees, supplies, equipment, child or dependent care, and transportation for any such worker in an amount not to exceed ~~((one))~~ three thousand ~~((five hundred))~~ dollars in any calendar year, unless the supervisor of the division of rehabilitation review or the supervisor's designee determines that this restriction would impose undue hardship on the injured worker, and continue the temporary total disability compensation under RCW 51.32.090 while the worker is actively and successfully undergoing a formal program of vocational rehabilitation ((or)), retraining, or job placement: PROVIDED, That such compensation or payment of such vocational rehabilitation or retraining expenses may not be authorized for a period of more than fifty-two weeks: PROVIDED FURTHER, That such period may, in the sole discretion of the supervisor of the division of rehabilitation review or the supervisor's designee after his or her review, be extended for an additional fifty-two weeks or portion thereof by written order of the supervisor of the division of rehabilitation review or the supervisor's designee.

In cases where the worker is required to reside away from his or her customary residence, the reasonable cost of board and lodging shall also be paid. Said costs shall be chargeable to the employer's cost experience or shall be paid by the self-insurer as the case may be.

Sec. 44. Section 11, chapter 14, Laws of 1980 and RCW 51.32.110 are each amended to read as follows:

Any worker entitled to receive any benefits or claiming such under this title shall, if requested by the department or ~~((self-insurer))~~ insurer, submit himself or herself for medical examination, at a time and from time to time, at a place reasonably convenient for the worker and as may be provided by the rules of the department. If the worker refuses to submit to medical examination, or obstructs the same,

or, if any injured worker shall persist in unsanitary or injurious practices which tend to imperil or retard his or her recovery, or shall refuse to submit to such medical or surgical treatment as is reasonably essential to his or her recovery (~~((or refuse or obstruct evaluation or examination for the purpose of vocational rehabilitation or does not cooperate in reasonable efforts at such rehabilitation))~~), the department or the (~~((self-insurer))~~) insurer upon approval by the department, with notice to the worker may suspend any further action on any claim of such worker so long as such refusal, obstruction, noncooperation, or practice continues and reduce, suspend, or deny any compensation for such period: PROVIDED, That the department or the (~~((self-insurer))~~) insurer shall not suspend any further action on any claim of a worker or reduce, suspend, or deny any compensation if a worker has good cause for refusing to submit to or to obstruct any surgery, examination, (~~((evaluation,))~~) treatment or practice requested by the department or insurer or required under this section. If the worker necessarily incurs traveling expenses in attending for examination or evaluation pursuant to the request of the (~~((department))~~) insurer, or pursuant to the requirement of the department, such traveling expenses shall be repaid to him or her out of the (~~((accident))~~) workers' compensation administrative fund upon proper voucher and audit or shall be repaid by the (~~((self-insurer))~~) insurer, as the case may be.

If the medical examination required by this section causes the worker to be absent from his or her work without pay he or she shall be paid for such time lost in accordance with the schedule of payments provided in RCW 51.32.090 as amended.

Sec. 45. Section 51.32.130, chapter 23, Laws of 1961 and RCW 51.32.130 are each amended to read as follows:

(1) In case of death or permanent total disability, the monthly payment provided may be converted, in whole or in part, into a lump sum payment, not in any case to exceed eight thousand five hundred dollars, equal or proportionate, as the case may be, to the value of the annuity then remaining, to be fixed and certified by the state insurance commissioner, in which event the monthly payments shall cease in whole or in part accordingly or proportionately. Such conversion may be made upon agreement between the applicant and the insurer and only upon written application (in case of minor children the application may be by either parent) to the department and shall rest in the discretion of the department. (~~((Within the rule aforesaid))~~) Under this subsection the amount and value of the lump sum payment may be agreed upon between the (~~((department))~~) insurer and applicant.

(2) In the event any payment shall be due to an alien residing in a foreign country, the (~~((department))~~) insurer, upon approval by the department, may settle the same by making a lump sum payment in such amount as may be agreed to by such alien, not to exceed fifty percent of the value of the annuity then remaining.

(3) Nothing (~~((herein))~~) in this section shall preclude the department from (~~((making))~~) awarding, and authority is hereby given it to (~~((make))~~) award, on its own motion, lump sum payments equal or proportionate, as the case may be, to the value of the annuity then remaining, in full satisfaction of claims due to dependents. Such payment shall be made by the insurer.

Sec. 46. Section 47, chapter 289, Laws of 1971 ex. sess. as last amended by section 54, chapter 350, Laws of 1977 ex. sess. and RCW 51.32.190 are each amended to read as follows:

(1) If the (~~((self-insurer))~~) insurer denies a claim for compensation, written notice of such denial, clearly informing the claimant of the reasons therefor and that the director will rule on the matter shall be mailed or given to the claimant and the director within (~~((seven))~~) fourteen days after the (~~((self-insurer))~~) insurer has notice of the claim.

(2) Until such time as the department has entered an order in a disputed case acceptance of compensation by the claimant shall not be considered a binding determination of his or her rights under this title. Likewise the payment of compensation shall not be considered a binding determination of the obligations of the (~~(self-insurer)~~) insurer as to future compensation payments.

(3) Upon making the first payment of income benefits, and upon stopping or changing of such benefits except where a determination of the permanent disability has been made as elsewhere provided in this title, the (~~(self-insurer)~~) insurer shall immediately notify the director in accordance with a form to be prescribed by the director that the payment of income benefits has begun or has been stopped or changed. Where temporary disability compensation is payable, the first payment thereof shall be made, in person or by mail, within fourteen days after (~~(notice)~~) receipt of claim by the insurer and shall continue at regular semimonthly or biweekly intervals.

(4) If, after the payment of compensation without an award, the (~~(self-insurer)~~) insurer elects to controvert the right to compensation, the payment of compensation shall not be considered a binding determination of the obligations of the (~~(self-insurer)~~) insurer as to future compensation payments. The acceptance of compensation by the worker or his or her beneficiaries shall not be considered a binding determination of their rights under this title.

(5) The director (a) may, upon his or her own initiative at any time in a case in which payments are being made without an award, and (b) shall, upon receipt of information from any person claiming to be entitled to compensation, from the (~~(self-insurer)~~) insurer, or otherwise that the right to compensation is controverted, or that payment of compensation has been opposed, stopped or changed, whether or not claim has been filed, promptly make such inquiry as circumstances require, cause such medical examinations to be made, hold such hearings, require the submission of further information, make such orders, decisions or awards, and take such further action as he or she considers will properly determine the matter and protect the rights of all parties.

(6) The director, upon his or her own initiative, may make such inquiry as circumstances require or is necessary to protect the rights of all the parties and he or she may enact rules and regulations providing for procedures to ensure fair and prompt handling by (~~(self-insurers)~~) insurers of the claims of workers and beneficiaries.

Sec. 47. Section 48, chapter 289, Laws of 1971 ex. sess. and RCW 51.32.200 are each amended to read as follows:

(1) If (~~(a self-insurer)~~) an insurer fails, refuses, or neglects to comply with a compensation order (~~(which)~~) within fifteen days from the date such order has become final and ((is)) not subject to review or appeal, the director or any person entitled to compensation under the order may institute proceedings for injunctive or other appropriate relief for enforcement of the order. These proceedings may be instituted in the superior court for the county in which the claimant resides, or, if the claimant is not then a resident of this state, in the superior court for the county in which the (~~(self-insurer)~~) insurer may be served with process.

(2) The court shall enforce obedience to the order by proper means, enjoining compliance upon the person obligated to comply with the compensation order. The court may issue such writs and processes as are necessary to carry out its orders and shall order the insurer to pay all costs of action, including reasonable attorney's fees.

(3) In addition to any other remedies provided in this section, the insurer shall be ordered to pay the person entitled to compensation a penalty in the amount of one hundred percent of the amount specified in the compensation order unless such payment has been previously ordered pursuant to RCW 51.48.017.

~~((3))~~ (4) A proceeding under this section does not preclude other methods of enforcement provided for in ~~((this title))~~ law.

NEW SECTION. Sec. 48. There is added to chapter 51.32 RCW a new section to read as follows:

Upon presentation of evidence indicating a change in condition, the department shall reexamine not more than once annually each case of permanent total disability for which any insurer has current payment responsibility to determine if the worker remains permanently incapacitated from performing any work at any gainful occupation.

Sec. 49. Section 51.36.020, chapter 23, Laws of 1961 as last amended by section 57, chapter 350, Laws of 1977 ex. sess. and RCW 51.36.020 are each amended to read as follows:

When the injury to any worker is so serious as to require his or her being taken from the place of injury to a place of treatment, his or her employer shall, at the expense of the ~~((medical aid fund, or self-insurer, as the case may be))~~ insurer, furnish transportation to the nearest place of proper treatment.

Every worker whose injury results in the loss of one or more limbs or eyes shall be provided with proper artificial substitutes and every worker, who suffers an injury to an eye producing an error of refraction, shall be once provided proper and properly equipped lenses to correct such error of refraction and his or her disability rating shall be based upon the loss of sight before correction. Every worker~~(:)~~ whose accident results in damage to or destruction of an artificial limb, eye, or tooth, shall have same repaired or replaced. Every worker whose hearing aid ~~((or)),~~ eyeglasses, or corrective lenses are damaged, destroyed, or lost as a result of an industrial accident shall have the same restored or replaced. The ~~((department or self-insurer))~~ insurer shall be liable only for the cost of restoring damaged hearing aids or eyeglasses to their condition at the time of the accident. All mechanical appliances necessary in the treatment of an injured worker, such as braces, belts, casts, and crutches, shall be provided and all mechanical appliances required as permanent equipment after treatment has been completed shall continue to be provided or replaced without regard to the date of injury or date treatment was completed, notwithstanding any other provision of law. A worker, whose injury is of such short duration as to bring him or her within the time limit provisions of RCW 51.32.090, shall nevertheless receive during the omitted period medical, surgical, and hospital care and service and care provided by those practitioners licensed pursuant to chapters 18.22, 18.25, 18.32, 18.53, 18.57, 18.71, and 18.88 RCW and transportation under the provisions of this chapter.

Sec. 50. Section 52, chapter 289, Laws of 1971 ex. sess. as amended by section 1, chapter 42, Laws of 1979 ex. sess. and RCW 51.36.050 are each amended to read as follows:

The department may operate and control a rehabilitation center and may contract with ~~((self-insurers))~~ insurers, and any other persons who may be interested, for use of any such center on such terms as the director deems reasonable.

Sec. 51. Section 53, chapter 289, Laws of 1971 ex. sess. as amended by section 15, chapter 224, Laws of 1975 1st ex. sess. and RCW 51.36.060 are each amended to read as follows:

Physicians and those practitioners licensed pursuant to chapters 18.22, 18.25, 18.32, 18.53, 18.57, 18.71, and 18.88 RCW examining or attending injured ~~((workmen))~~ workers under this title shall comply with rules and regulations adopted by the director, and shall make such reports as may be requested by the department or ~~((self-insurer))~~ insurer upon the condition or treatment of any such ~~((workman))~~ worker, or upon any other matters concerning such ~~((workmen))~~ workers in their care. All medical information in the possession or control of any person and relevant to the particular injury, in the opinion of the department or insurer, pertaining to

any (~~workman~~) worker whose injury or occupational disease is the basis of a claim under this title shall be made available at any stage of the proceedings to the employer, the claimant's representative, the insurer, and the department upon request, and no person shall incur any legal liability by reason of releasing such information.

Sec. 52. Section 54, chapter 289, Laws of 1971 ex. sess. as amended by section 60, chapter 350, Laws of 1977 ex. sess. and RCW 51.36.070 are each amended to read as follows:

Whenever the director or the (~~self-insurer~~) insurer deems it necessary in order to resolve any medical issue, a worker shall submit to examination by a physician or physicians, or practitioner(s) licensed pursuant to chapters 18.22, 18.25, 18.32, 18.53, 18.57, 18.71, and 18.88 RCW, selected by the director or the insurer, with the rendition of a report to the person ordering the examination. The director, in his or her discretion, may charge the cost of such examination or examinations to the (~~self-insurer~~) insurer or to the (~~medical-aid~~) workers' compensation administrative fund, as the case may be. The cost of said examination shall include payment to the worker of reasonable expenses connected therewith. If the medical examination required by this section causes the worker to be absent from his or her work without pay, he or she shall be paid for such time lost in accordance with the applicable provisions of this title.

Sec. 53. Section 55, chapter 289, Laws of 1971 ex. sess. and RCW 51.36.080 are each amended to read as follows:

All fees and medical charges under this title shall conform to regulations promulgated by the director.

Payment of the billings for such fees and charges shall be made by the insurer within thirty days from receipt of the billing. Where the insurer, within said period, contests the reasonableness, correctness, or necessity for incurring such fees and charges, payment thereof shall be made within twenty days of the issuance of a final order of the director, the appeals board, or the court, as the case may be, in directing payment. Unreasonable delay in making payment within the times specified herein shall subject the insurer to a penalty imposed by the director of up to ten percent of the billed sum then unpaid which shall be added to the billed sum together with interest thereon at the rate of twelve percent per annum.

Sec. 54. Section 51.44.010, chapter 23, Laws of 1961 and RCW 51.44.010 are each amended to read as follows:

There shall be, in the office of the state treasurer, a revolving fund to be (~~known and~~) designated as the (~~"accident fund."~~) "state workers' compensation fund," also known as the "state fund." The manager shall be the administrator thereof.

Sec. 55. Section 51.44.070, chapter 23, Laws of 1961 as last amended by section 56, chapter 289, Laws of 1971 ex. sess. and RCW 51.44.070 are each amended to read as follows:

(1) For every case resulting in death or permanent total disability (~~the department shall transfer on its books from the accident fund of the proper class and/or appropriate account to the "reserve fund" a sum of money for that case equal to the estimated present cash value of the monthly payments provided for it, to be calculated upon the basis of an annuity covering the payments in this title provided to be made for the case. Such annuity values shall be based upon rates of mortality, disability, remarriage, and interest as determined by the state insurance commissioner, taking into account the experience of the reserve fund in such respects.~~

Similarly), a self-insurer (~~in these circumstances~~) shall pay into the (~~reserve~~) workers' compensation administrative fund a sum of money (~~computed in the same manner, and the disbursements therefrom shall be made as in other~~

cases)) for that case equal to the estimated present cash value of the monthly payments provided for it, to be calculated upon the basis of an annuity covering the payments in this title provided to be made for the case. Such annuity values shall be based upon rates of mortality, disability, remarriage, and interest as determined by the state insurance commissioner, taking into account his experience in such respects.

(2) (a) As an alternative to payment procedures otherwise provided under law, in the event of death or permanent total disability to workers of self-insured employers, a self-insured employer may upon establishment of such obligation file with the department a bond in an amount deemed by the insurance commissioner to be reasonably sufficient to insure payment of the pension benefits provided by law.

(b) The annuity value for every such case shall be determined by the insurance commissioner based upon the commissioner's experience as to rates of mortality, disability, remarriage, and interest. The amount of the required bond may be reviewed and adjusted periodically by the department, based upon periodic redeterminations by the insurance commissioner as to the outstanding annuity value for the case.

(c) Under such alternative, the department shall make the monthly payments from the workers' compensation administrative fund for the benefits provided for by RCW 51.32.050 and 51.32.060 to the self-insured beneficiary or beneficiaries and the department shall be reimbursed for all such payments from the particular self-insured employer through periodic charges not less than quarterly in a manner to be determined by the director.

(d) Any self-insured employer electing this alternative method of providing for payment to the beneficiary or beneficiaries shall additionally pay to the workers' compensation administrative fund a deposit equal to the first three months' payments otherwise required under RCW 51.32.050 and 51.32.060. Such deposit shall be placed in the workers' compensation administrative fund and shall be returned to the respective self-insured employer when monthly payments are no longer required for such particular obligation.

(e) If a self-insurer delays or refuses to reimburse the workers' compensation administrative fund beyond fifteen days after the reimbursement charges become due, there shall be a penalty paid by the self-insurer upon order of the director of an additional amount equal to twenty-five percent of the amount then due which shall be paid into the workers' compensation administrative fund. Such an order shall conform to the requirements of RCW 51.52.050.

(3) The self-insurer shall have an account within the workers' compensation administrative fund, and the department shall make disbursements therefrom to beneficiaries or workers in the monthly amounts provided for by RCW 51.32.050 and 51.32.060. Each such account shall be credited with its proportionate share of interest or other earnings, if any. Each such self-insurer's account shall be examined by the insurance commissioner to ascertain its standing as of each June 30th of each year and the relation of its outstanding annuities at their then-value on the bases currently employed for new cases to the cash on hand or at interest belonging to the account. He shall promptly report the result of his examination to the department and to the state treasurer in writing not later than September 30th, following. If the report shows that there was as of such June 30th in the account in cash or at interest a greater sum than the then-annuity value of the outstanding pension obligations, the surplus shall be forthwith returned to the self-insurer, but if the report shows the contrary condition of the account, the deficiency shall be forthwith made good to the account by the self-insurer.

NEW SECTION. Sec. 56. There is added to chapter 51.44 RCW a new section to read as follows:

ESTABLISHING THE ADMINISTRATIVE FUND. There shall be, in the office of the state treasurer, a revolving fund to be known and designated as the "workers' compensation administrative fund." The director shall be the administrator thereof. The workers' compensation administrative fund is established to provide for the payment of all expenses of the department and the board of industrial insurance appeals with respect to the administration of their respective duties under this title and for the other purposes provided under this title. There shall be one appropriation for the department, and a separate appropriation for the board. Any money appropriated from the general fund for the uses and purposes of the administrative fund shall be placed therein.

NEW SECTION. Sec. 57. There is added to chapter 51.44 RCW a new section to read as follows:

ASSESSMENTS FROM INSURERS FOR ADMINISTRATIVE FUND.

(1) The director shall impose and collect assessments each fiscal year upon all insurers in the amount of the estimated costs of administering this title during such fiscal year. The assessments shall be paid into the workers' compensation administrative fund. The costs shall be estimated and prorated as provided in this section. The time and manner of imposing and collecting assessments due the administrative fund shall be set forth in rules promulgated by the director in accordance with chapter 34.04 RCW.

(2) The total costs of administering this title during the fiscal year shall be estimated by the director using the actual costs of the preceding fiscal year as the base. The administrative costs incurred during the preceding fiscal year shall be determined by the director as soon as practicable after every June 30th. An itemized statement of the expenses so determined, and the estimate for the next fiscal year, shall be kept open to public inspection in the principal office of the director for at least thirty days after notice to all insurers affected thereby. The director shall make no assessments under this section until the statement required by this subsection has been open to inspection for at least thirty days.

(3) The assessment upon each insurer shall be in the same proportion to the administrative costs to be apportioned as the adjusted premiums charged by the insurer computed under subsection (4) of this section bear to the total adjusted premiums charged in the state of Washington by all insurers during the preceding fiscal year.

(4) As used in this section, "adjusted premium" means:

(a) In the case of insurers and the state fund, the gross direct premium received for workers' compensation insurance under this title, less premiums returned, earned premium deposits, and dividends or savings actually paid or credited, determined in accordance with uniform rules promulgated by the director upon consultation with the insurance commissioner; and

(b) In the case of self-insurers, the premium, which shall include the deductions authorized in paragraph (a) of this subsection and which is estimated each self-insurer would have paid had it secured its liability under this title either through the state fund or by private insurance (whichever would have provided the lower rate), determined by the director on the basis of uniform rules promulgated upon consultation with the insurance commissioner.

(5) Any insurer, other than self-insurers, liable for an assessment under this section shall apply such assessment as a credit to any other assessment or further tax or taxes upon such insurer's workers' compensation premiums in this state: **PROVIDED**, That such credit shall not exceed one percent of an insurer's taxable workers' compensation premiums in this state: **PROVIDED FURTHER**, That in no event shall any annual assessment assessed pursuant to this section exceed six percent of the total taxable workers' compensation premiums in this state for the year immediately preceding such assessment.

(6) Any part of the assessment resulting from or anticipated for expenditures from the workers' compensation administrative fund which arise from the uncorrected default of a self-insurer or a self-insured group pursuant to section 18 of this 1981 act shall not be included in the assessment against insurers other than self-insurers and self-insured groups.

NEW SECTION. Sec. 58. There is added to chapter 51.44 RCW a new section to read as follows:

INITIAL FUNDING OF ADMINISTRATIVE FUND. The manager of the state fund shall transfer as a loan, bearing interest at the rate then current for thirty months' United States treasury notes, to the workers' compensation administrative fund in the first year of its operation an amount to be determined by the director to be necessary to initiate the functioning of the fund, in addition to current self-insurer assessments. The first transfer shall be made on the effective date of this 1981 act. Such loan shall be repaid as soon as practicable, but in no event shall such repayment take more than ten years, from revenues collected pursuant to the assessments authorized by section 57 of this 1981 act.

Sec. 59. Section 51.48.010, chapter 23, Laws of 1961 as last amended by section 69, chapter 350, Laws of 1977 ex. sess. and RCW 51.48.010 are each amended to read as follows:

Every employer shall be liable for the penalties described in this title and shall also be liable if an injury or occupational disease has been sustained by a worker prior to the time he or she has secured the payment of such compensation to a penalty in a sum equal to ~~((fifty))~~ one hundred percent of the cost for such injury or occupational disease, for the benefit of the ~~((medical-aid))~~ workers' compensation administrative fund.

Sec. 60. Section 62, chapter 289, Laws of 1971 ex. sess. and RCW 51.48.015 are each amended to read as follows:

Any employer who engages in work who has wilfully failed to secure the payment of compensation under this title shall be guilty of a misdemeanor. Violation of this section is punishable, upon conviction, by a fine of not less than twenty-five dollars nor more than one hundred dollars. Each day such person engages as a subject employer in violation of this section constitutes a separate offense. Any fines paid pursuant to this section shall be paid directly by the court to the director for deposit in the ~~((medical-aid))~~ workers' compensation administrative fund.

Sec. 61. Section 66, chapter 289, Laws of 1971 ex. sess. and RCW 51.48.017 are each amended to read as follows:

If ~~((a self-insurer))~~ an insurer unreasonably delays or refuses to pay benefits as they become due there shall be paid by the ~~((self-insurer))~~ insurer upon order of the director an additional amount equal to ~~((twenty-five))~~ one hundred percent of the amount then due which shall accrue for the benefit of the claimant and shall be paid to him with the benefits which may be assessed under this title, unless such payment has been previously ordered pursuant to RCW 51.32.200. Such an order shall conform to the requirements of RCW 51.52.050.

Sec. 62. Section 51.48.020, chapter 23, Laws of 1961 as last amended by section 22, chapter 323, Laws of 1977 ex. sess. and RCW 51.48.020 are each amended to read as follows:

(1) Any employer, who intentionally misrepresents to ~~((the department))~~ an insurer the amount of his or her payroll upon which the premium under this title is based, shall be civily liable to the ~~((state-in))~~ workers' compensation administrative fund for damages of ten times the amount of the difference in premiums paid and the amount the employer should have paid and for the reasonable expenses of auditing his or her books and collecting such sums. ~~((Such liability may be enforced in the name of the department.))~~ Such an employer shall also be guilty of a class C

felony if such misrepresentations are made knowingly, if the amount of the difference in premiums is five hundred dollars or more and shall be guilty of a gross misdemeanor if such amount is less than five hundred dollars.

(2) Any person claiming benefits under this title, who knowingly gives false information required in any claim or application under this title shall be guilty of a class C felony when such claim or application involves an amount of five hundred dollars or more. When such claim or application involves an amount less than five hundred dollars, the person giving such information shall be guilty of a gross misdemeanor.

Sec. 63. Section 51.48.040, chapter 23, Laws of 1961 and RCW 51.48.040 are each amended to read as follows:

Upon the submission of written authorization by any such parent, guardian, or other person, any such disability payments may be paid directly to such injured worker under the age of eighteen years. If it is necessary to appoint a legal guardian to receive such disability payments, there shall be paid (~~(from the accident fund or)~~) by the (~~(self-insurer, as the case may be,)~~) insurer toward the expenses of such guardianship a sum not to exceed three hundred dollars.

The term shall not include time spent going to or coming from the employer's place of business in commuter ride sharing, as defined in RCW 46.74.010(1), notwithstanding any participation by the employer in the ride-sharing arrangement.

Sec. 75. Section 51.12.050, chapter 23, Laws of 1961 as last amended by section 18, chapter 350, Laws of 1977 ex. sess. and RCW 51.12.050 are each amended to read as follows:

The employer's payments (~~(into the accident fund)~~) of premiums shall be made from the treasury of the state, county, municipality, or other taxing district. If the work is being done by contract, the payroll of the contractor and the subcontractor shall be the basis of computation and, in the case of contract work consuming less than one year in performance, the required payment (~~(into the accident fund)~~) of premiums shall be based upon the total payroll. The contractor and any subcontractor shall be subject to the provisions of this title, and the state for its general fund, the county, municipal corporation, or other taxing district shall be entitled to collect from the contractor the full amount payable (~~(to the accident fund)~~) in premiums and the contractor, in turn, shall be entitled to collect from the subcontractor his or her proportionate amount of the payment.

Whenever and so long as, by state law, city charter, or municipal ordinance, provision is made for employees or peace officers injured in the course of employment, such employees shall not be entitled to the benefits of this title and shall not be included in the payroll of the municipality under this title: PROVIDED, That whenever any state law, city charter, or municipal ordinance only provides for payment to the employee of the difference between his or her actual wages and that received under this title such employees shall be entitled to the benefits of this title and may be included in the payroll of the municipality.

Sec. 76. Section 6, chapter 14, Laws of 1980 and RCW 51.12.110 are each amended to read as follows:

Any employer who has in his or her employment any exempt person may file notice in writing with the (~~(director)~~) insurer of his or her election to be subject to this title, and shall forthwith display in a conspicuous manner about his or her works and in a sufficient number of places to reasonably inform his or her workers of the fact, printed notices furnished by the (~~(department)~~) insurer in a form substantially identical to a form prescribed by the director stating that he or she has so elected. Said election shall become effective upon the filing of said notice in writing. Any worker in the employ of such applicant shall be entitled at any time within five days after the posting of said notice by his or her employer, or within five days after he or she has been employed by an employer who has elected to become subject to this title as herein provided, to give a written notice to such employer and to the (~~(department)~~) insurer of his or her election not to become subject to this title. The employer and such of his or her workers as shall not have given such written notice of their election to the contrary shall be subject to all the provisions of this title and entitled to all of the benefits thereof: PROVIDED, That those who have heretofore complied with the foregoing conditions and are carried and considered (~~(by the department)~~) as within the purview of this title shall be deemed and considered as

having fully complied with its terms and shall be continued (~~(by the department)~~) as entitled to all of the benefits and subject to all of the liabilities without other or further action. Any employer who has complied with this section may withdraw his or her acceptance of liability under this title by filing written notice with the (~~(director)~~) insurer of the withdrawal of his or her acceptance. Such withdrawal shall become effective thirty days after the filing of such notice or on the date of the termination of the security for payment of compensation, whichever last occurs. The employer shall, at least thirty days before the effective date of the withdrawal, post reasonable notice of such withdrawal where the affected worker or workers work and shall otherwise notify personally the affected workers. Withdrawal of acceptance of this title shall not affect the liability of the (~~(department or self-insurer)~~) insurer for compensation for any injury occurring during the period of acceptance.

Sec. 77. Section 82, chapter 289, Laws of 1971 ex. sess. as last amended by section 23, chapter 350, Laws of 1977 ex. sess. and RCW 51.12.120 are each amended to read as follows:

(1) If a worker, while working outside the territorial limits of this state, suffers an injury on account of which he or she, or his or her beneficiaries, would have been entitled to compensation under this title had such injury occurred within this state, such worker, or his or her beneficiaries, shall be entitled to compensation under this title: **PROVIDED**, That if at the time of such injury:

(a) His or her employment is principally localized in this state; or

(b) He or she is working under a contract of hire made in this state for employment not principally localized in any state; or

(c) He or she is working under a contract of hire made in this state for employment principally localized in another state whose workers' compensation law is not applicable to his or her employer; or

(d) He or she is working under a contract of hire made in this state for employment outside the United States and Canada.

(2) The payment or award of compensation under the workers' compensation law of another state, territory, province, or foreign nation to a worker or his or her beneficiaries otherwise entitled on account of such injury to compensation under this title shall not be a bar to a claim for compensation under this title: **PROVIDED**, That claim under this title is timely filed. If compensation is paid or awarded under this title, the total amount of compensation paid or awarded the worker or beneficiary under such other workers' compensation law shall be credited against the compensation due the worker or beneficiary under this title.

(3) If a worker or beneficiary is entitled to compensation under this title by reason of an injury sustained in this state while in the employ of an employer who is domiciled in another state and who has (~~(neither opened an account with the department nor qualified as a self-insurer)~~) not secured the payment of compensation under this title, such an employer or his or her insurance carrier shall file with the director a certificate issued by the agency which administers the workers' compensation law in the state of the employer's domicile, certifying that such employer has secured the payment of compensation under the workers' compensation law of such other state and that with respect to said injury such worker or beneficiary is entitled to the benefits provided under such law. In such event:

(a) The filing of such certificate shall constitute appointment by the employer or his or her insurance carrier of the director as its agent for acceptance of the service of process in any proceeding brought by any claimant to enforce rights under this title;

(b) The director shall send to such employer or his or her insurance carrier, by registered or certified mail to the address shown on such certificate, a true copy of any notice of claim or other process served on the director by the claimant in any proceeding brought to enforce rights under this title;

(c) (i) If such employer is a self-insurer under the workers' compensation law of such other state, such employer shall, upon submission of evidence or security, satisfactory to the director, of his or her ability to meet his or her liability to such claimant under this title, be deemed to be a qualified self-insurer under this title;

(ii) If such employer's liability under the workers' compensation law of such other state is insured, such employer's carrier, as to such claimant only, shall be deemed to be subject to this title: PROVIDED, That unless its contract with said employer requires it to pay an amount equivalent to the compensation benefits provided by this title, the insurer's liability for compensation shall not exceed its liability under the workers' compensation law of such other state;

(d) If the total amount for which such employer's insurer is liable under (c)(ii) above is less than the total of the compensation to which such claimant is entitled under this title, the director may require the employer to file security satisfactory to the director to secure the payment of compensation under this title; and

(e) If such employer has neither qualified as a self-insurer nor secured insurance coverage under the workers' compensation law of another state, such claimant shall be paid compensation by the department;

(f) Any such employer shall have the same rights and obligations as other employers subject to this title and where he or she has not provided coverage or sufficient coverage to secure the compensation provided by this title to such claimant, the director may impose a penalty payable to the department of a sum not to exceed fifty percent of the cost to the department of any deficiency between the compensation provided by this title and that afforded such claimant by such employer or his or her insurance carrier if any.

(4) As used in this section:

(a) A person's employment is principally localized in this or another state when (i) his or her employer has a place of business in this or such other state and he or she regularly works at or from such place of business, or (ii) if clause (i) foregoing is not applicable, he or she is domiciled in and spends a substantial part of his or her working time in the service of his or her employer in this or such other state;

(b) "Workers' compensation law" includes "occupational disease law" for the purposes of this section.

(5) A worker whose duties require him or her to travel regularly in the service of his or her employer in this and one or more other states may agree in writing with his or her employer that his or her employment is principally localized in this or another state, and, unless such other state refuses jurisdiction, such agreement shall govern as to any injury occurring after the effective date of the agreement.

(6) The director shall be authorized to enter into agreements with the appropriate agencies of other states and provinces of Canada which administer their workers' compensation law with respect to conflicts of jurisdiction and the assumption of jurisdiction in cases where the contract of employment arises in one state or province and the injury occurs in another, and when any such agreement has been executed and promulgated as a regulation of the department under chapter 34.04 RCW, it shall bind all employers and workers subject to this title and the jurisdiction of this title shall be governed by this regulation.

Sec. 78. Section 1, chapter 113, Laws of 1977 ex. sess. and RCW 51.12.140 are each amended to read as follows:

(1) As used in this section:

(a) "Municipal corporation" means any city, town, or county authorized by law to maintain and operate a law enforcement department;

(b) "Law enforcement department" means any regularly organized police department, sheriff's department, department of public safety, or other similar organization which has as its primary purpose the enforcement of state or local penal laws and the preservation of public order, which consists wholly of volunteer

law enforcement officers or a combination of volunteer and paid law enforcement officers, and which is duly organized and maintained by a municipal corporation;

(c) "Volunteer law enforcement officer" means a person who is a member of a law enforcement department and who (i) performs assigned or authorized duties for the law enforcement department by his or her own free choice; (ii) serves in a position that is not basically clerical or secretarial in nature; (iii) is registered and accepted as a volunteer by the law enforcement department; and (iv) receives no monetary remuneration other than maintenance and reimbursement for actual expenses necessarily incurred in performing assigned duties; and

(d) "Performance of duty" includes any work in and about the volunteer law enforcement officers' quarters, police station, or any other place under the direction or general orders of the officer having the authority to order a volunteer law enforcement officer to perform the work; providing law enforcement assistance; patrol; drill; and any work of an emergency nature performed in accordance with the rules of the law enforcement department.

(2) Any municipal corporation maintaining and operating a law enforcement department may elect to provide coverage under this title for all of its volunteer law enforcement officers for death or disability occurring in the performance of their duties as volunteer law enforcement officers. Any municipal corporation electing to provide the coverage shall file a written notice of coverage with the director.

(3) Coverage under this section shall be for all the applicable death, disability, and medical aid benefits of this title and shall be effective only for injuries which occur and occupational diseases which are contracted after the notice of coverage has been filed with the director.

Nothing in this subsection shall be construed to prohibit a municipal corporation from covering its volunteer law enforcement officers and other volunteers under RCW 51.12.035(2), as now or hereafter amended, for medical aid benefits only.

(4) Volunteer law enforcement officers for whom municipal corporations have given notice of coverage under this section shall be deemed workers or employees, as the case may be, and the performance of their duties shall be deemed employment or in the course of employment, as the case may be, for all purposes of this title except where expressly excluded or where the context clearly requires otherwise.

(5) All premiums, assessments, contributions, and penalties due under this title because coverage is provided under this section shall be the obligation of and be paid by the municipal corporation giving the notice of coverage to the director.

(6) Any municipal corporation electing coverage under this section shall maintain a time log in which the number of hours worked by each of its volunteer law enforcement officers is recorded. The log shall be made available for inspection upon the request of any authorized employee of the department or of the municipal corporation's insurer.

(7) Any municipal corporation electing coverage under this section may withdraw the coverage by filing a written notice of the withdrawal with the director. The withdrawal shall become effective thirty days after filing the notice or on the date of the termination of the security for payment of compensation, whichever occurs later. At least thirty days before the effective date of the withdrawal, the municipal corporation shall notify each of its volunteer law enforcement officers of the withdrawal. Withdrawal of coverage under this section shall not affect the liability of the ~~((department or self-insurer))~~ insurer for compensation for any injury occurring during the period in which coverage was provided.

Sec. 79. Section 7, chapter 14, Laws of 1980 and RCW 51.16.120 are each amended to read as follows:

(1) Whenever a worker has a previous bodily disability from any previous injury or disease and shall suffer a further disability from injury or occupational

disease in employment covered by this title and become totally and permanently disabled from the combined effects thereof or die when death was substantially accelerated by the combined effects thereof, then the experience record of an insured employer (~~((insured with the state fund))~~) at the time of said further injury or disease shall be charged, and a self-insured employer shall pay directly into the (~~((reserve))~~) workers' compensation administrative fund, only the accident cost which would have resulted solely from said further injury or disease, had there been no preexisting disability, and which accident cost shall be based upon an evaluation of the disability by medical experts. The difference between the charge thus assessed to such employer at the time of said further injury or disease and the total cost of the pension reserve shall be assessed against the second injury fund. The department shall pass upon the application of this section in all cases where benefits are paid for total permanent disability or death and issue an order thereon appealable by the employer or insurer. Pending outcome of such appeal the transfer or payment shall be made as required by such order.

(2) (~~((The department shall,))~~) In cases of claims of workers sustaining injuries or occupational diseases in the employ of (~~((state fund))~~) insured employers, (~~((recompute))~~) the experience record of such employers shall be recomputed when the claims of workers injured in their employ have been found to qualify for payments from the second injury fund after the regular time for computation of such experience records and the (~~((department may))~~) insurer shall make appropriate adjustments in such cases including cash refunds or credits to such employers.

(3) To encourage employment of injured workers who are not reemployed by the employer at the time of injury, the department may adopt rules providing for the reduction or elimination of premiums or assessments from subsequent employers of such workers and may also adopt rules for the reduction or elimination of charges against such employers in the event of further injury to such workers in their employ.

Sec. 80. Section 51.16.150, chapter 23, Laws of 1961 as amended by section 15, chapter 43, Laws of 1972 ex. sess. and RCW 51.16.150 are each amended to read as follows:

If any employer or insurer shall default in any payment to any fund administered by the director the sum due shall be collected by action at law in the name of the state as plaintiff, and such right of action shall be in addition to any other right of action or remedy. If such default occurs after demand, there shall also be collected a penalty equal to twenty-five percent of the amount of the defaulted payment or payments, and the director may require from the defaulting employer or insurer a bond to the state for the benefit of any fund, with surety to the director's satisfaction, in the penalty of double the amount of the estimated payments which will be required from such employer or insurer into the said funds for and during the ensuing one year, together with any penalty or penalties incurred. In case of refusal or failure after written demand personally served to furnish such bond, the state shall be entitled to an injunction restraining the delinquent from prosecuting an occupation or work until such bond is furnished, and until all delinquent (~~((premiums))~~) payments, penalties, interest and costs are paid, conditioned for the prompt and punctual making of all payments into said funds during such periods, and any sale, transfer, or lease attempted to be made by such delinquent during the period of any of the defaults herein mentioned, of his works, plant, or lease thereto, shall be invalid until all past delinquencies are made good, and such bond furnished.

Sec. 81. Section 3, chapter 85, Laws of 1977 ex. sess. and RCW 51.24.050 are each amended to read as follows:

(1) An election not to proceed against the third person operates as an assignment of the cause of action to the (~~((department or self-insurer))~~) insurer, which may

prosecute or compromise the action in its discretion in the name of the injured worker, beneficiary or legal representative.

(2) The injured worker or beneficiary shall be entitled to the remaining balance of any award or settlement recovered by the ~~((department or self-insurer))~~ insurer after deduction of the following amounts:

(a) The expenses incurred in making the recovery including reasonable costs of legal services; and

(b) The compensation and benefits paid to or on behalf of the injured worker or beneficiary by the ~~((department or self-insurer))~~ insurer.

(3) Thereafter no payment shall be made to or on behalf of a worker or beneficiary by the ~~((department or self-insurer))~~ insurer for such injury until the amount of any further compensation or benefits shall equal any such remaining balance. Thereafter, such benefits shall be paid by the ~~((department or self-insurer))~~ insurer to or on behalf of the worker or beneficiary as though no third party person claim had been made.

Sec. 82. Section 4, chapter 85, Laws of 1977 ex. sess. and RCW 51.24.060 are each amended to read as follows:

(1) In an action by the injured worker or beneficiary against the third person, any award or settlement shall be distributed as follows:

(a) The costs and reasonable attorneys' fees shall be paid;

(b) The injured worker or beneficiary shall be paid twenty-five percent of the balance of the award: PROVIDED, That in the event of a compromise and settlement by the parties, the injured worker or beneficiary may agree to a sum less than twenty-five percent;

(c) The ~~((department or self-insurer))~~ insurer shall be paid the balance of the award, but only to the extent necessary to reimburse the ~~((department or self-insurer))~~ insurer for compensation or benefits paid;

(d) Any remaining balance shall be paid to the injured worker or beneficiary;

(e) Thereafter no payment shall be made to or on behalf of a worker or beneficiary by the ~~((department or self-insurer))~~ insurer for such injury until the amount of any further compensation or benefits shall equal any such remaining balance. Thereafter, such benefits shall be paid by the ~~((department or self-insurer))~~ insurer to or on behalf of the worker or beneficiary as though no third party person claim had been made.

(2) The award or settlement shall be subject to a lien by the ~~((department or self-insurer))~~ insurer for its share under this section.

Sec. 83. Section 5, chapter 85, Laws of 1977 ex. sess. and RCW 51.24.070 are each amended to read as follows:

(1) The ~~((department or self-insurer))~~ insurer may require the injured worker or beneficiary to exercise the right of election under this chapter by serving a written demand by registered mail, certified mail, or personal service on the worker or beneficiary.

(2) Unless an election is made within sixty days of the receipt of the demand, and unless an action is instituted or settled within the time granted by the ~~((department or self-insurer))~~ insurer, the injured worker or beneficiary is deemed to have assigned the action to the ~~((department or self-insurer))~~ insurer. The ~~((department or self-insurer))~~ insurer shall allow the worker or beneficiary at least ninety days from the election to institute or settle the action.

(3) If an action which has been filed is not diligently prosecuted, the ~~((department or self-insurer))~~ insurer may petition the court in which the action is pending for an order assigning the cause of action to the ~~((department or self-insurer))~~ insurer. Upon a sufficient showing of a lack of diligent prosecution the court in its discretion may issue the order.

Sec. 84. Section 6, chapter 85, Laws of 1977 ex. sess. and RCW 51.24.080 are each amended to read as follows:

(1) If the injured worker or beneficiary elects to seek damages from the third person, notice of the election must be given to the ~~((department or self-insurer))~~ insurer. The notice shall be by registered mail, certified mail, or personal service. If an action is filed by the injured worker or beneficiary, a copy of the complaint must be sent by registered mail to the ~~((department or self-insurer))~~ insurer.

(2) A return showing service of the notice on the ~~((department or self-insurer))~~ insurer shall be filed with the court but shall not be part of the record except as necessary to give notice to the defendant of the lien imposed by RCW 51.24.060(2).

Sec. 85. Section 7, chapter 85, Laws of 1977 ex. sess. and RCW 51.24.090 are each amended to read as follows:

Any compromise or settlement of the third party cause of action by the injured worker or beneficiary which results in less than the entitlement under this title is void unless made with the written approval of the ~~((department or self-insurer))~~ insurer.

Within twenty days of the receipt of such notice of the board, the worker or the employer may file with the board a cross-appeal from the order of the department from which the original appeal was taken: PROVIDED, That nothing contained in this section shall be deemed to change, alter or modify the practice or procedure of the department for the payment

Such conference may be held prior to the hearing, or it may be held during the hearing, at the discretion of the board member or hearing examiner conducting the same, in which case the hearing will be recessed for such conference. Following the conference, the board member or hearing examiner conducting the same, shall state on the record the results of such conference, and the parties present or their representatives shall state their concurrence on the record. If the case is one involving (~~(a self-insurer)~~) an insurer, a copy of the notice of appeal shall also be served by mail, or personally, on such (~~(self-insurer)~~) insurer. The department shall, in all cases not involving (~~(a self-insurer)~~) an insurer, within twenty days after the receipt of such notice of appeal, serve and file its notice of appearance and such appeal shall thereupon be deemed at issue. If the case is one involving (~~(a self-insurer)~~) an insurer, such (~~(self-insurer)~~) insurer shall, within twenty days after receipt of such notice of appeal, serve and file its notice of appearance and such appeal shall thereupon be deemed to be at issue. In fixing the fee the court shall take into consideration the fee or fees, if any, fixed by the director and the board for such attorney's services before the department and the board. If the court finds that the fee fixed by the director or by the board is inadequate for services performed before the department or board, or if the director or the board has fixed no fee for such services, then the court shall fix a fee for the attorney's services before the department, or the board, as the case may be, in addition to the fee fixed for the services in the court. NEW SECTION. Sec. 110. (1) The purpose of rehabilitation in workers' compensation is to return the injured worker to suitable gainful employment as soon as possible. The policy of the state is to provide early notification and referral of qualified injured workers to vocational rehabilitation services, development of comprehensive rehabilitation plans, and independent review and evaluation of service delivery. This policy shall be implemented with the expressed intent of assisting the qualified injured worker while avoiding expensive litigation and unnecessary time lost from work.

(2) Nothing in this chapter shall be construed to interfere with the goals of providing all those physical rehabilitation services designed to restore injured workers to their optimum level of physical recovery.

(3) This chapter shall be liberally construed for the purpose of providing assistance to injured workers in returning them to suitable gainful employment.

NEW SECTION. Sec. 111. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Board" means the board of industrial insurance appeals established by chapter 51.52 RCW.

(2) "Qualified injured worker" means an employee who because of the effects of work-related injury or disease, whether or not combined with the effects of a prior injury or disability:

(a) Is precluded or likely to be precluded from engaging in the usual occupation or position in which the worker was engaged at the time of injury; and

(b) Can reasonably be expected to benefit from rehabilitation services which would significantly reduce or eliminate the decrease in the worker's employability.

(3) "Qualified rehabilitation counselor" means a person who is professionally trained and experienced and who is listed by the division of rehabilitation review established by this chapter as a person qualified to develop and monitor an appropriate plan for evaluation and provision of vocational rehabilitation services for a qualified injured worker.

(4) "Independent rehabilitation evaluator" means a person employed by the supervisor of the division of rehabilitation review established by this chapter who is authorized to approve or disapprove rehabilitation plans.

(5) "Suitable gainful employment" means employment which is reasonably attainable and offers an opportunity to restore the qualified injured worker as soon and as nearly as possible to employment consistent with the worker's former employment and qualifications including, but not limited to, the worker's age, education, previous work history, interest, and skills. Consideration shall also be given to the current and reasonably anticipated economic status enjoyed by the worker at the time of the injury and to the present and future labor market.

(6) "Supervisor" means the supervisor of the division of rehabilitation review.

(7) "Vocational rehabilitation plan" means a written description of the manner and means by which it is proposed a qualified injured worker may be returned to suitable gainful employment developed under section 116 of this act.

(8) "Vocational rehabilitation service" means service required to determine a worker's eligibility as a qualified injured worker and services designed to return the qualified injured worker to (a) a job related to the worker's former employment, (b) a job in another field which produces an economic status as close as possible to that enjoyed before the injury, or (c) a job with higher economic status than would have been attainable before the disability if it can be demonstrated that this is necessary to increase the likelihood of reemployment. The service may include, but is not limited to, medical evaluation, physical rehabilitation, work evaluation, counseling, job

analysis, job modification, job placement, and implementation of on-the-job training or retraining, which retraining is subject to the limitations of RCW 51.32.095.

NEW SECTION. Sec. 112. There is created within the department of labor and industries a division of rehabilitation review. The division shall:

(1) Review and approve or disapprove work status reports and vocational rehabilitation plans; and

(2) Establish procedures for registration of rehabilitation counselors employed by the state, public, or private agencies and establish criteria and procedures for removal of registered qualified rehabilitation counselors from the list for failure to comply with this chapter.

NEW SECTION. Sec. 113. The department of labor and industries shall have the authority to make, amend, and rescind in the manner prescribed by chapter 34.04 RCW such rules as may be necessary to carry out this chapter.

NEW SECTION. Sec. 114. (1) The director of the department of labor and industries shall appoint and deputize an assistant director to be known as the supervisor of rehabilitation review, who shall have charge and supervision of the division of rehabilitation review.

(2) The supervisor of the division of rehabilitation review, with the approval of the director, may appoint and employ such independent rehabilitation evaluators, clerks, and other assistants as may be necessary to carry out the work of the division.

NEW SECTION. Sec. 115. (1) Within thirty days of the time the insurer has medical information that a worker is unable to return to his or her pre-injury occupation as a result of injury or occupational disease, but no later than one hundred twenty days from the date of first payment of temporary total disability, the insurer shall provide vocational rehabilitation services for the worker. The insurer or the insurer's agent shall, after consultation with the injured worker, select and retain a qualified rehabilitation counselor who shall develop a rehabilitation plan. The worker has the right to object, for cause, to the first counselor selected. The vocational rehabilitation counseling shall be done by any qualified rehabilitation counselor listed by the division of rehabilitation review.

(2) If the qualified rehabilitation counselor determines that the worker's condition does not permit complete evaluation of the worker's eligibility for vocational rehabilitation services, within fifteen days following referral to the qualified rehabilitation counselor, the counselor shall file a work status report with the division of rehabilitation review specifying what is being done to determine the worker's eligibility and the date when the division of rehabilitation review will be notified of this determination. At the specified date, if the worker's condition still does not permit a determination of the worker's eligibility, a supplemental work status report shall be filed with the division of rehabilitation review. An additional work status report shall be filed every sixty days thereafter until a determination of eligibility can be made. Copies of this work status report and determination shall be provided to the worker and the employer.

(3) If the qualified rehabilitation counselor determines that the worker is not a qualified injured worker, within fifteen days following referral to the qualified rehabilitation counselor, the counselor shall submit written documentation supporting this determination to the division of rehabilitation review. Copies of this determination shall be provided to the worker and the employer.

(4) If the qualified rehabilitation counselor determines within fifteen days following referral that the worker is a qualified injured worker, the counselor shall submit a specific vocational rehabilitation plan to the division of rehabilitation review within thirty days following referral. Copies of this determination shall be provided to the worker and the employer.

(5) The insurer shall pay for the cost of the rehabilitation diagnosis and preparation of the vocational rehabilitation plan.

NEW SECTION. Sec. 116. (1) The vocational rehabilitation plan may include modification of the worker's occupation at the time of injury, provisions for alternative work with the same employer, modification of the worker's previous employment with a new employer, direct job placement assistance, on-the-job training, or retraining, which retraining is subject to the limitations of RCW 51.32.095. The plan shall define the responsibilities of the worker, employer, and other parties in implementing the plan.

(2) The following order of priorities is preferred in determining suitable gainful employment and developing vocational rehabilitation plans:

(a) Return to the previous job with the same employer;

(b) Modification of the previous job with the same employer including transitional return to work;

(c) A new job with the same employer in keeping with any limitation or restrictions;

(d) Modification of the previous job with a new employer;

(e) A new job with a new employer based upon transferable skills;

(f) A new job with a new employer involving on-the-job training;

(g) Retraining subject to the limitations of RCW 51.32.095 and job placement.

(3) Prior to any modification of the order of the priorities of subsection (2) of this section, the plan shall first be submitted in writing to the division of rehabilitation review for authorization.

NEW SECTION. Sec. 117. (1) Within thirty days of notice to the employer and worker of the submission of a work status report to the division of rehabilitation review, the report shall be deemed approved unless the worker or the employer files a petition for review with the division of rehabilitation review, or the supervisor determines a review by the division is in the best interests of all parties. If a petition for review is filed or determined by the supervisor to be in the best interests of all parties, the determination or the petition shall be referred to an independent rehabilitation evaluator who shall approve or disapprove the work status report within thirty days of such referral and notify the worker and the employer of the determination in writing.

(2) Within thirty days of notice to the employer and worker of submission of a determination of ineligibility as a qualified injured worker to the division of rehabilitation review, the determination of ineligibility shall be deemed approved unless the worker or the employer files a petition for review with the division of rehabilitation review, or the supervisor determines a review by the division is in the best interest of all parties. If a petition for review is filed or is determined by the supervisor to be in the best interests of all parties, the determination of ineligibility shall be referred to an independent rehabilitation evaluator, who shall approve or disapprove the determination of ineligibility within thirty days of such referral and notify the worker and the employer of the determination in writing. The parties may appeal the decision of the independent rehabilitation evaluator to the board of industrial insurance appeals which shall utilize the procedures in section 118 of this 1981 act to make a final determination of eligibility.

(3) Within thirty days of notice to the employer and worker of the submission of a vocational rehabilitation plan to the division of rehabilitation review, the plan shall be deemed approved unless the worker or the employer files a petition for review with the division of rehabilitation review, or the supervisor determines that a review by the division is in the best interests of all parties. If a petition for review is filed or determined by the supervisor to be in the best interests of all parties, the supervisor shall assign an independent rehabilitation evaluator who may request additional information, confer with the parties, recommend modifications, and

otherwise seek agreement concerning the terms and conditions of the plan. The independent rehabilitation evaluator shall approve or reject the plan or a modified plan within thirty days of submission to him or her and may extend the review period for an additional thirty days for good cause. The parties may appeal the decision of the independent rehabilitation evaluator to the board of industrial insurance appeals which shall utilize the procedures in section 118 of this act to make a final determination of the proposed plan.

NEW SECTION. Sec. 118. (1) If a determination of ineligibility is unacceptable to a worker or employer, or if a vocational rehabilitation plan is unacceptable to a worker or employer, the worker or employer may appeal the decision to the board of industrial insurance appeals for an expedited appeal which shall be heard as provided in this section. A final decision shall be rendered within thirty days of the closing of the hearing proceeding, and the procedures relating to recommended decisions and orders, and petitions for review of same, as contained in RCW 51.52.104 and 51.52.106, shall not be applicable to appeals filed under this section. Further appeals taken from the final decision of the board shall be governed by the provisions relating to judicial review of administrative decisions contained in RCW 34.04.130 and 34.04.140 as now or hereafter amended. The department shall have the same right of review of the board's decision as does any other aggrieved party.

(2) For purposes of this section, "expedited appeal" means an appeal filed with the board within fifteen working days after receipt of notice of a decision from the division of rehabilitation review pursuant to section 117(2) or (3) of this 1981 act. An expedited appeal shall be heard within thirty calendar days following receipt of (a) the notice of appeal from an aggrieved party, or (b) a legible copy of the records of the division of rehabilitation review, whichever is later. The hearing held under this section shall be recorded and shall be confined to review of the records of the division of rehabilitation review. However, in cases of alleged irregularities in procedure not revealed by the records, testimony concerning such irregularities may be received by the board. The board shall in addition have authority, upon request by the worker or the employer, to hear oral argument and receive written information concerning the matter in dispute.

(3) The board of industrial insurance appeals shall have the authority to make, amend, and rescind in a manner prescribed by chapter 34.04 RCW such rules as may be necessary to carry out this section.

NEW SECTION. Sec. 119. On or before January 1st of each year, the office of financial management shall submit to the legislature a rehabilitation performance audit of the activities of the division of rehabilitation review, insurers, and private rehabilitation agencies. The performance audit shall include a statistical summary of all rehabilitation cases, a cost-benefit analysis of vocational rehabilitation plans, return to work data, and a comparison of public and private vocational rehabilitation services. The office of financial management is authorized to contract with a private firm to conduct the performance audit.

NEW SECTION. Sec. 120. Qualified injured workers shall participate in approved vocational rehabilitation plans. For each week that a qualified injured worker does not participate without a showing of good cause, benefits shall be reduced by one-half on the order of the supervisor. Implementation of the plan shall begin as soon as the qualified injured worker is capable of participation.

NEW SECTION. Sec. 121. A qualified injured worker shall be entitled to continuation of temporary total disability benefits as defined in RCW 51.32.090:

- (1) During rehabilitation; and
- (2) During the pendency of any petition for review or appeal of eligibility for vocational rehabilitation services or of the content of the vocational rehabilitation plan.

NEW SECTION. Sec. 122. (1) Upon request of the worker, employer, or qualified rehabilitation counselor, an independent rehabilitation evaluator may suspend, terminate, or alter a rehabilitation plan upon a showing of good cause, provided that such a request (a) is made within ninety days from the plan's implementation date, and (b) that only one change is permitted.

(2) Any decision by the independent rehabilitation evaluator regarding a change in a vocational rehabilitation plan may be appealed to the supervisor through a petition for review filed within fifteen days of written notification of the change to the employer, the worker, and to a qualified rehabilitation counselor.

NEW SECTION. Sec. 123. Except as otherwise expressly provided in this chapter, nothing in this chapter may be construed to annul or modify any lawful employment agreement entered into before the effective date of this 1981 act between an employer and an organization of workers. If a conflict exists between an employment agreement and any resolution, rule, policy, or regulation adopted under this chapter, the terms of the employment agreement shall prevail only if the employment agreement was entered into before the effective date of this act and for so long as the agreement remains in effect.

NEW SECTION. Sec. 124. There is added to chapter 51.32 RCW a new section to read as follows:

(1) Whenever the supervisor or the supervisor's designee finds it reasonable and necessary to modify or construct a home for a worker who has become an amputee, paraplegic, or a quadriplegic because of a work-related injury or disease, to meet the needs and requirements of the worker in the use of the home, the supervisor or the supervisor's designee may order an amount, except as provided in subsection (4) of this section, not to exceed the amount of the state's average annual wage as determined under RCW 50.04.355, as now or hereafter amended, to be paid by the insurer towards the costs of such modification or construction. Such payment shall only be made for the construction or modification of a private home in which the injured worker or a close relative has an equitable interest and actually resides. Only one home of any worker may be modified or constructed under this section, although the supervisor or the supervisor's designee may order more than one payment for any one home, up to the maximum amount permitted by this section.

(2) Whenever the supervisor or the supervisor's designee finds it reasonable and necessary to modify a motor vehicle owned by a worker who has become an amputee or paraplegic because of a work-related injury or disease to enable such worker to operate the motor vehicle, the supervisor or the supervisor's designee may order an amount not to exceed fifty percent of the state's average annual wage as determined under RCW 50.04.355, as now or hereafter amended, to be paid by the insurer toward the costs thereof. Only one motor vehicle of any worker may be modified under this section, although the supervisor or the supervisor's designee may order more than one payment for any one motor vehicle, up to the maximum amount permitted by this section.

(3) The benefits provided by this section are available to any otherwise eligible worker regardless of the date of the worker's industrial injury.

(4) Whenever the supervisor is presented with justification for exceeding the amounts authorized in this section, the supervisor may authorize the excess payment. Written justification shall be placed in the worker's file.

NEW SECTION. Sec. 125. During medical treatment, vocational rehabilitation, or retraining necessary and likely to significantly reduce or eliminate the decrease in the worker's employability, the supervisor or the supervisor's designee may direct the insurer to pay the costs of reasonable child or dependent care and transportation.

NEW SECTION. Sec. 126. There is added to chapter 51.32 RCW a new section to read as follows:

Modification of the injured worker's previous job is recognized as a desirable method of returning the injured worker to suitable gainful employment. In order to assist employers in meeting the costs of job modification, and to encourage employers to modify jobs to accommodate retaining or hiring workers with disabilities resulting from work-related injury, the director in his or her discretion is authorized to pay job modification costs in an amount not to exceed five thousand dollars per worker per job modification. This payment is intended to be a cooperative participation with the employer and funds shall be taken from the second injury fund.

NEW SECTION. Sec. 127. If it is necessary to retrain the qualified injured worker for self-employment, the supervisor or the supervisor's designee may order the insurer to pay the costs of such tools or equipment necessary for self-employment in an amount not to exceed five thousand dollars.

NEW SECTION. Sec. 128. Sections 110 through 123, 125, and 127 of this act constitute a new chapter in Title 51 RCW.

NEW SECTION. Sec. 129. There is appropriated from the workers' compensation administrative fund to the department of labor and industries for the biennium ending June 30, 1983, the sum of \$2,610,698.00, or so much thereof as may be necessary, for the establishment, maintenance, and operation of the division of rehabilitation review established under this act.

There is also appropriated from the workers' compensation administrative fund for the biennium ending June 30, 1983, the sum of \$226,995.00, or so much thereof as may be necessary, for the processing and completion of expedited appeals conducted under section 118 of this act.

There is also appropriated from the workers' compensation administrative fund to the office of financial management for the biennium ending June 30, 1983, the sum of \$50,000.00, or so much thereof as may be necessary for the performance audit to be conducted under section 119 of this act.

NEW SECTION. Sec. 130. Sections 67, 112(2), 113, and 114 of this 1981 act are necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect July 1, 1981. The remainder of this 1981 act shall take effect July 1, 1982. MOTION

Senator Sellar moved the amendments by the Committee on Financial Institutions and Insurance not be adopted.

POINT OF ORDER

Senator Newhouse: "Senate rules state that committee amendments shall be considered before other amendments."

RULING BY THE PRESIDENT

President Cherberg: "The committee amendment is a striking amendment, Senator, and the Secretary advises that perfecting amendments are in order first."

REMARKS BY SENATOR NEWHOUSE

Senator Newhouse: "Mr. President, I would beg to disagree. Committee amendment, even a striking amendment, has first consideration as presented, the body then has the right to determine whether or not the committee amendment will be adopted, and the motion was to not adopt the committee amendment. It is first before us."

REMARKS BY THE PRESIDENT

President Cherberg: "If the Senate were to follow your suggestion, Senator, that would give the committee an inordinate amount of power over the entire body of the Senate. Therefore, the Senate has the right to perfect the bill, or the amendment."

REMARKS BY SENATOR NEWHOUSE

Senator Newhouse: "The committee amendment according to rules, must first be considered."

REMARKS BY THE PRESIDENT

President Cherberg: "Would you please read the rule."

PARLIAMENTARY INQUIRY

Senator Bottiger: "Senator Newhouse is looking for the rule, if I may make a request for parliamentary inquiry."

"Mr. President, if I were to now move to indefinitely postpone House Bill 31, would that be in order at this time?"

President Cherberg: "The President believes that inasmuch as the bill is before the Senate, that the Senate can dispose of it in any manner it chooses."

POINT OF INQUIRY

Senator Lysen: "Senator Sellar, you served on the labor committee when I chaired it during the last session. At that time, you recall, we had the amendment for injured farm workers up and we did pass the bill out, in fact came out of rules and came out to the calendar.

"As the present law states that a farm worker must earn a minimum of \$150 dollars before he is eligible if he is injured on the job to receive injured workmen benefits.

"How would your amendment . . . have you taken that into provision? You recall former Senator Morrison indicated that if the three-way bill were to pass that they would take care of the farm workers and take out this \$150 dollar requirement from a single employee."

Senator Sellar: "Senator Lysen, in response to that, of course if we did not make an implementing bill between now and next January, then you are correct that it would be implemented with the same benefits with the same requirements and there would be \$150 dollar exemption. Of course the farmer has to cover the injured worker during that first \$150 dollars. He just has the option of covering it with private insurance or with workmen's comp; it is not that the workman goes without that coverage during that period of time, it is just that the farmer has the option at that point in time.

"I think that is one of the things that would be very interesting to discuss and if this bill were to pass in the series of hearings that we will have about implementing the proper thing and that might be one of the things that we might consider changing in a new implementation law if we get an opportunity to do so."

Senator Lysen: "I had an amendment I was going to offer to the original bill that came out of committee which would have provided for injured farm workers.

"As I recall, Senator Sellar, we had a number of them who came down and testified that they . . . receiving coverage; in fact, there was a number of injured people there who had been injured on the job and because the farmers as well have a deductible so the first, I cannot remember the exact figure but the first amount of medical coverage is deductible, and the farm worker has to pay that themselves; and I remember it was several thousand dollars, or in excess of several thousand dollars, which in the case of farm workers, that is often, they cannot cover that."

Senator Sellar: "Your response is, we are talking about existing law and that is not being changed, you are correct."

Further debate ensued.

Senator Talmadge demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on the amendment by Senator Sellar, as amended.

POINT OF INQUIRY

Senator Talmadge: "Senator Deccio, DSHS is contending that the language in section 20 is designed only to continue the grandfathering of the 460 nursing home residents who are covered under FAMCO as of February first. Private patients with incomes greater than the \$714 dollars . . . persons in the community may need nursing home care but have more income per month than \$714 dollars and not be eligible for any program if the department interpretation holds.

"And it appears on page 22, line 10 through 15, the limited casualty program is extended to cover the expenses of a nursing home resident whose income is more than \$714 dollars per month.

"My question is: are we only continuing to grandfather those Medicaid patients who are on the FAMCO program as of February first, or will we also extend coverage through this program for private patients with incomes greater than \$714 dollars

per month but will exhaust their resources, or people in the community who may need nursing home care in the future?"

SPECIAL ORDER OF BUSINESS THIRD READING

ENGROSSED SUBSTITUTE SENATE BILL NO. 3699, by Committee on Transportation (originally sponsored by Senator Talley):

Authorizing state highway bonds.

The Senate resumed consideration of Engrossed Substitute Senate Bill No. 3699, on reconsideration. The bill failed to pass the Senate on April 24, 1981.

Debate ensued.

PARLIAMENTARY INQUIRY

Senator Vognild: "Mr. President, may I make an inquiry? I would like to know if this requires 60% of those elected or 60% of those present?"

President Cherberg: "Sixty percent of those elected, Senator."

POINT OF INQUIRY

Senator Hansen: "Senator Guess, as I analyze this right now, we are going to go down with all of our bond issues, our whole transportation package; and I thought there was an agreement to put in a 33% lid on the subsidy of ferries.

"As you well know that through this package by 1986, the ferry system is going to gobble up an extra hundred million dollars, plus the fifty-one million that it is already being subsidized.

"And doesn't it make sense to you to agree to the 33% subsidy and let us get on with the bond program and the limitation on the ferries so we can carry out our transportation problems in our state."

Senator Guess: "Senator Hansen, the passage of a bill with 33% coming out of the I mean the taxes, and 67% out of the fare box, would require that we have a fair increase for this year of 15% and next year 15%.

"It would leave the ferries short of the 8.2 million dollars that was going to keep the ferry fare increase to the allotted 13, 12 or 13% this year; and it also would require, if we pass it that way, it would require a 68% reduction in the discount applied to commuter tickets.

"Now at the present time the May first increase in ferry fares is scheduled to be 27%. The increase of costs to the rider is 68% because of the taking of the discount to the commuter rider off.

"It became apparent to me after Senator Bottiger mentioned, tried to propose his 33%, that it was impossible to do what he thought the thing was going to do and so it would be impossible for me to vote for what I believe to be an unconscionable increase in the ferry fare to the commuter.

"I have not been anxious to increase the subsidy to the ferry rider. And after I looked at it and found out what a person was going to have to pay to ride across to come to work in a month's time, I felt like it had gone a little too far and that I could support a measure such as we had before. Unfortunately that requires a 62% out of the fare box and 38% out of the tax subsidy.

"Senator, that is the figures that I have. These have been before us in the past and this is the only way I felt that we could go."

Senator Hansen: "Senator Guess, what would happen then if there is no bond issue passed and the bill that was pulled back and put on second reading, you have enough votes over there to pass it, but without the bond issue, how would you fund it? What would be the effects on the ferry rates if nothing is done?"

Senator Guess: "If nothing is done, Senator Hansen, the ferry fare increase on the first of May will go up 20%, 27% to the normal rider and additional 68% on top of that 27%, to the commuter."

Senator Hansen: "If we pass these bonds, the percentage would raise from 27 to 33, so doesn't it make sense to raise that limit to 33% from the 27% that it now is?"

Senator Guess: "Senator, I think you are talking about another figure that I do not have the sheet on in my hand. That was the sheet we were using the other day in the distribution of things, 27% of the money will come out of the gas tax increase, will go in to the ferries and that is the equivalent, if I remember, . . . seven million dollars."

Senator Hansen: "Eight million. But Senator Guess, I think at the present time you will find that the ferries are being subsidized at 27 or 27½%. This would raise that limit to 33, so you would be better off with the 33 limit than you are at the present time.

"So it looks to me like it is not very good judgment to not pass the bill with 33 limit on it and in order to get the bond bills passed."

Senator Guess: "Senator, that is one of the most serious questions you will have to make this evening, and as I stated before, I had been considered to be one of those people that didn't have a heart and I was anti-ferries.

"I have never been anti-ferry; I have been anti some of the subsidies that we have done and it appears to me that those people over there are being asked, if we go to 27% and 68% increase in the commuter ride, we are asking them to do too

much. And that is the reason I would support 3699 and 4283 as the bills passed here. And I would hope that the body would give us this 60% vote."

Senator Hansen: "But then if we go the way the bill is now, we will go to 38%"

MOTION

At 8:43 p.m., on motion of Senator Clarke, the Senate was declared to be at ease.

The President called the Senate to order at 9:40 p.m.

MOTION

On motion of Senator Clarke, the Senate returned to the sixth order of business.

SECOND READING

SENATE BILL NO. 3765, by Senator Moore:
Relating to nursing homes.

MOTIONS

On motion of Senator Deccio, Substitute Senate Bill No. 3765 was substituted for Senate Bill No. 3765 and the substitute bill was placed on second reading and read the second time in full.

There being no objection, on motion of Senator McDermott, amendments to page 1, line 25 and page 2, line 1 on the desk of the Secretary of the Senate were withdrawn.

Senator McDermott moved adoption of the following amendment:

On page 2, line 31, strike all of subsections 5(a) and (b) and insert "(5) The return on net invested equity for each facility will be determined by utilizing medicare rules and regulations."

Debate ensued.

POINT OF INQUIRY

Senator Lee: "Senator Deccio, when you were speaking about the 25 cents that was going to nursing homes, that was included in that, of course, would it be those who are nonprofit types of nursing homes, those that are run by fraternal organizations and churches and so on?"

Senator Deccio: "All of the, Senator Lee, all the homes would be treated alike. There is even under the present system, the private nonprofits are probably suffering more than the rest. They would all be treated alike. It would be good management ability whether they made money out of that 25 cents or not, but everybody would be treated the same."

Senator Lee: "In other words, in this particular case those nonprofit or charitable nursing homes, then would be able to do one of two things, either reduce their prices to their private patients or to increase their level of care. Would that be your conclusion?"

Senator Deccio: "That is right."

POINT OF INQUIRY

Senator Fleming: "Senator Deccio, would you yield to a question?"

"Senator Deccio, Senator McDermott made certain statements about what this system of yours might do, and you made a statement that your system, your system

that you have here, did certain things. And I guess I need to know, is this method of payment that you have here, a system, is it your intent to put in a system of payment or getting some kind of relief to nursing homes as a system that would replace or be put in place of 3250 which has already been put into law and now this body and the body across the way have decided that they are not going to fund it?"

Senator Deccio: "Are you through, Senator Fleming?"

"This is not a system. This is an approach because 3250 was not feasible to be funded during this biennial budget. So we had to take another approach, we had some very good staff people work on this thing, Mr. Green whom you know and have worked with, and this is the plan that we came up with as a temporary solution to the problem because we could not put 3250 into place."

Senator Fleming: "So what you are saying, this is temporary and it is not your intent not to pursue 3250 as a possible solution. . . ."

Senator Deccio: "Senator Fleming, that is right; as a matter of fact this bill kicks 3250 ahead two years with the idea that perhaps the economy might be up and 3250 could be put into place."

POINT OF INQUIRY

Senator Charnley: "Senator McDermott, the one thing that I cannot figure out, I can read the present wording in here, I can understand '25 cents per' and then there is other language there for, if there is an increase.

"But would you tell me, if your amendment were to be adopted, it simply says 'The return on net vested equity for each facility will be determined by utilizing Medicare rules and regulations.' Now I am inferring that means there will be some return to each nursing home operator, but can you give me some feeling of some comparison to what their return will be compared to what is in the Deccio proposal?"

Senator McDermott: "There are many ways, Senator, to provide profit in a nursing home. One way is to just grant them a certain amount of money per bed and that is sort of the utility or the telephone company way where they get 10% or 5% or whatever kind of profit.

"This way that I am proposing, is the way that we have been using for the last two years; it is the one that was in the budget we passed in 1979 and it is a return on net invested equity. If they buy a home for \$5.00 down on a \$5,000,000 deal, they haven't got any invested equity; they don't make very much profit. If they have a lot of invested equity, they get more profit. So it is based on Medicare rules and it varies in terms of the operator's investment in the operation. It hurts homes that don't have any money down because they have nothing in it and if they go in with nothing, I do not see why they should get a big profit. If they have big investment, they get a big profit."

Senator Charnley: "If I may ask, would the average house, or say a home in which they have maybe half the equity is in their investment and half the equity, would the investment roughly equate to 25¢ a bed? Is this a comparable figure or . . . ?"

Senator McDermott: "This is a much higher rate for most homes, because most homes do not have anywhere near 50% equity. Most of them, I have forgotten what the average was when we looked, when we were doing this study in the last four years, the average was somewhere around 10 to 15% investment that most of these homes have. That is why they turn over on the leases. They keep raising the price to get the lease up and they do not get this kind of profit. This is a marked increase in profit for nursing homes."

Senator Deccio demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on the amendment by Senator McDermott.

After receiving approval of the members of the appropriate board, such rules shall become effective as provided by the administrative procedure act, chapter 34.04 RCW.

(4) Each retirement board shall continue to perform all functions as are vested in it by law with respect to applications for benefits paid upon either temporary or permanent disability, with such staff assistance from the department as may be required. The director shall perform those functions with respect to disability benefits as are vested in him or her by RCW 41.26.120 and 41.26.200.

Sec. 9. Section 8, chapter 294, Laws of 1977 ex. sess. and RCW 41.26.470 are each amended to read as follows:

(1) A member of the retirement system who becomes totally incapacitated for continued employment by an employer as determined by the department upon recommendation of the retirement board shall be eligible to receive an allowance under the provisions of RCW 41.26.410 through 41.26.550. Such member shall receive a monthly disability allowance computed as provided for in RCW 41.26.420 and shall have such allowance actuarially reduced to reflect the difference in the number of years between age at disability and the attainment of age fifty-eight.

(2) Any member who receives an allowance under the provisions of this section shall be subject to such comprehensive medical examinations as required by the department. SECOND READING

SENATE BILL NO. 3104, by Senators von Reichbauer, Guess, Hansen and Sellar (by Governor Ray request):

Making appropriations for the operations and capital improvements of the department of transportation, urban arterial board, and the board of pilotage commissioners and others.

PARLIAMENTARY INQUIRY

Senator Clarke: "Mr. President, the only purpose, if so, I simply was going to say that I would, I don't think the decision need be made, I just move that if so, the first paragraph of rule 58 which requires omnibus appropriation bills to be considered in the committee of the whole, first paragraph thereof, be waived so that we . . ."

REPLY BY THE PRESIDENT

President Cherberg: "Senator Clarke, the President does not believe that this is an omnibus appropriation bill or supplemental budget."

MOTIONS

On motion of Senator von Reichbauer, Substitute Senate Bill No. 3104 was substituted for Senate Bill No. 3104 and the substitute bill was placed on second reading and read the second time in full.

On motion of Senator von Reichbauer, the following amendments were adopted:

On page 11, line 33 strike "10,940,000" and insert: "19,140,000"

Debate ensued.

POINT OF INQUIRY

Senator Haley: "Senator Lysen, how many knots an hour do the ferries run when they are going full speed? And I presume the problem is the hull speed, being an old sailboater, if you don't have a planing vessel why, if you have to worry about your hull speed, and I presume that. . ."

Senator Lysen: "I am not sure, I think it is 20 knots but you back away from that and these boats, these vessels do not plane, Senator Haley. They are big vessels. You back away from that. In fact the engines operate more efficiently at the greater load levels but, you've got four engines so you can cut back to two and three engines and plus reducing the speed and running the engines still at full speed, the individual engines, but when you cut back you slow the hull down and you save massive amounts of fuel. And we just haven't been forcing that because the management and the skippers, in some cases, just don't have that kind of mentality. And some of the engineers don't either, as a matter of fact; but some of them do. And they are the ones that kept the logs that presented it to management in '73 and says 'Here's how you can save this mass amount of fuel and management accepted it in '73 and now they've gotten away from it; they are back to try to satisfy the public to make the political decision, satisfy the public, you know, faster runs, faster schedules and they are not supposed to make the political decisions. We are supposed to make the political decisions. Sorry, Senator Scott, I just wanted to get that in there."

The motion by Senator Bottiger failed and the amendments were not adopted.

Senator Talmadge moved adoption of the following amendment:

On page 7, after line 36 insert:

"(7) No funds may be expended by the department for the substantial expansion of the Fauntleroy ferry terminal as it existed on January 1, 1981."

The motion by Senator Talmadge failed and the amendment was not adopted.

On motion of Senator von Reichbauer, the following amendment to the title was adopted:

On page 1, line 7 of the title, after "commission" strike "the department of licensing,"

POINT OF INQUIRY

Senator Lysen: "Would Senator von Reichbauer yield to a question? Would Senator Talmadge yield to a question?"

"Senator Talmadge, there seems to be a real conflict in the people on Vashon Island and the people in the Fauntleroy area. I used to represent Fauntleroy many years ago, so I have worked with the people very closely. And I am wondering if we should put both the Vashon Island and the Fauntleroy dock in the same political district so the things could be worked out amicably and we wouldn't have these fights on the Senate floor, Senator Talmadge. What is your response to that suggestion?"

Senator Talmadge: "Senator, that is probably beyond our control right now, although you never know what the courts might do when they turn down that redistricting bill."

On motion of Senator von Reichbauer, the rules were suspended, Engrossed Substitute Senate Bill No. 3104 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

The President declared the question before the Senate to be the roll call on the amendment by Senator Rasmussen.

ROLL CALL

The Secretary called the roll and the amendment was not adopted by the following vote: Yeas, 23; nays, 26.

Voting yea: Senators Bauer, Bottiger, Charnley, Conner, Fleming, Gaspard, Goltz, Hughes, Hurley, Lysen, McDermott, Moore, Peterson, Rasmussen, Ridder, Shinpoeh, Talley, Talmadge, Vognild, Williams, Wilson, Wojahn, Woody—23.

Senator Scott moved adoption of the following amendment:

On page 4, line 33, after "be" strike "permanently" and insert "temporarily"

POINT OF INQUIRY

Senator Rasmussen: "Senator Scott, the last increase that was given was a permanent increase, was it not? And now what you are saying by this amendment, we are not guaranteeing these people this amount beyond this biennium, but they could drop back to the old level, is that right? Why?"

Senator Scott: "Because you either have to fund the pension advance in the biennium in which it is given or in the alternative, you have to fund it over the entire actuarial life of the increase, that is, over twenty-five years.

"So you have a difference here between \$6,600,000, excuse me, \$6,800,000, which the House would accept and a cost of \$135,000,000 if you would maintain it as a permanent increase, which they won't accept."

Senator Rasmussen: "Further question. This money is coming out of the general fund or out of the retirement fund?"

Senator Scott: "This money is contributed out of the general fund into the retirement systems for payment to the retirees."

Senator Rasmussen: "That is why I am wondering when it comes out of the general fund, why it cannot be paid permanent; you do not have to fund out of the general fund for 135 years."

Senator Scott: "Senator, what you have to do is fund it at roughly \$5,000,000 a year for the next 25 years and that is what the House is not willing to do."

The motion by Senator Scott carried and the amendment was adopted.

Senator Scott moved the following amendments be considered and adopted simultaneously:

POINT OF INQUIRY

Senator Rasmussen: "Senator Scott, as I look at these figures, it would appear to me, for instance, take on page 6, line 4, after (d), delete '155,000, insert 65,000.' Page 6, line 6, '1,138,000, insert 312,000.' And page 6, line 8, 'delete 557,000 and insert 123,000.'

"That would indicate to me that the actuary's estimates are not very accurate. You are now putting, reducing this considerable amount and I would assume that the accuracy did not extend to that \$14,000,000 figure that you were quoting on the floor. . . If we can have this type of reductions in the brief period of time that we have been considering this bill, there is something wrong with the actuarial estimates."

Senator Scott: "Senator, I am not an actuary and you are not an actuary but Mr. Losk tells us that instead of costing \$7,900,000, the bill will cost \$6,860,000. I have no further explanation for you and I don't think that we could arrive at one if we were to discuss it for another hour."

Senator Rasmussen: "If my mouth appears to be open, Mr. President, it is. It just dropped open."

President Cherberg: "The President is aware of that, Senator."

Senator Rasmussen: "Yes, I am sure we should get a second opinion, we had probably better ask Dr. Haley. It is always better to get a second opinion and this would indicate there is something wrong with our estimates."

Senator Scott: "Mr. Senator, the retirement, the computation of actuarial bases in a retirement system, there being five of them, they have been amended a number of times over the years to affect different groups with different numbers of people in them, with different wage levels, with different life expectancies, and what you are working here with, is a grand composite that deals with all the people who retired prior to 1973. It seems eminently reasonable to me, that the actuary on a second look, would adjust his figures by 15% which is what he has done."

Senator Rasmussen: "Well, thank you. One more question, Senator Scott. I would figure, and not having done my actuarial work, that the estimate on PERS is wrong and that PERS well could afford a 3% increase for all PERS' employees, based on looking at these estimates."

Senator Scott: "Well, if you are willing to assume that, Senator, you would have to say that the actuary is probably 200% off and I doubt it and so we have a simple"

Senator Rasmussen: "I will be looking at the figures very carefully."

The motion by Senator Scott carried and the amendments were adopted.

On motion of Senator Scott, the rules were suspended, Engrossed Substitute Senate Bill No. 3384, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

Senator Scott moved adoption of the following amendment to the committee amendment:

On page 4, line 24, after "projects" insert the following:

" : Provided Further, That taxpayer applications certified by the authority as eligible for tax deferral after March 1, 1981 and before the effective date of this act shall be null and void and of no force and effect "

Debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Senator Scott, I am a little bit hazy on, you give a tax deferral, sales tax and B & O, on new construction, for how many years?"

Senator Scott: "You defer it for three years and then it is paid back between the third and the eighth year after the deferral is given."

Senator Rasmussen: "And at what interest rate? The going rate?"

Senator Scott: "There is no interest rate, that is part of the advantage of the deferral."

Senator Rasmussen: "There is no interest rate?"

Senator Scott: "That is correct."

Senator Rasmussen: "We treated our own citizens, as I recall, Mr. President and members of the Senate, on the bill that went through here for delinquent taxes, we treated them to a rate of 21% to pick up delinquent taxes; and we are not charging any interest for these million-dollar loans. I think we should come in out of the rain; it is soaking in too deep."

POINT OF INQUIRY

Senator Gaspard: "Senator Scott, I have a question on your amendment and just to, if you would clarify it for me again. It has a retroactive date back to March first, so any application that had been approved prior or after March first, will now play under the new rules of the ball game, and be limited to the \$30,000,000?"

Senator Scott: "That is correct."

POINT OF INQUIRY

Senator Gaspard: "Senator Scott, if we can take the example of Fairchild again, because that seems to be the most prevalent case. It is my understanding that they had an application in prior to March first but with the amendments now that we have adopted and the ones we will adopt, they will come under the new rules of the ball game, so to speak, and be only allowed to apply tax deferral on the first \$30,000,000 investment. Is that correct?"

Senator Scott: "That is true, Senator, and your situation, what Senator Bottiger is saying, advocating that, inferring at least, that we are not doing enough to attract businesses in and Senator Shinpoch's position is reflective of the polarity between the position of the House which wanted to kill the EAA and the governor who wants, represented by economic development, who wants to continue it and switch it in to the high technology end of things.

"This is a compromise between widely differing opinions."

The motion by Senator Scott carried and the amendment to the committee amendment was adopted.

SIGNED BY THE PRESIDENT

The President signed:

SUBSTITUTE SENATE BILL NO. 3006,
SENATE BILL NO. 3009,
SUBSTITUTE SENATE BILL NO. 3024,
SENATE BILL NO. 3143,
SENATE BILL NO. 3334,
SENATE BILL NO. 3343,
SENATE BILL NO. 3359,
SUBSTITUTE SENATE BILL NO. 3636.

MOTION

On motion of Senator Clarke, the Senate returned to the sixth order of business.

SECOND READING

SENATE BILL NO. 3989, by Senators Lee and Fuller:
Relating to education.

MOTIONS

On motion of Senator Lee, Substitute Senate Bill No. 3989 was substituted for Senate Bill No. 3989 and the substitute bill was placed on second reading and read the second time in full.

On motion of Senator Lee, the rules were suspended, Substitute Senate Bill No. 3989 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Talmadge: "Mr. President and members of the Senate. Would Senator Lee yield to a question?"

"Senator, was this bill considered in the committee on education?"

Senator Lee: "This bill was considered in the ways and means committee because it is the distribution formula, the manner in which the money is distributed to the schools. This is actually the second time that it has appeared before the legislature; we are in fact, amending the bill that was originally passed to go along with the supplemental budget. Then this particular act will take effect September first, this change."

Senator Talmadge: "Was there a public hearing on the bill in the ways and means committee?"

Senator Lee: "There was on the original bill, yes, because as I say, it already passed once this session. We made the change in the amount to take effect September 1 and that was done at a special meeting that was held today; so there has been hearings on the bill and the extension, in fact, to go beyond this particular year, is what this bill relates to. So the subject matter has had a hearing, yes."

Senator Talmadge: "This takes care, I assume, of the transfers of dollars from the 1981-83 biennial appropriation and provides for some appropriation formula to square that process out?"

Senator Lee: "That is correct."

POINT OF INQUIRY

Senator Goltz: "Senator Lee, your explanation was that this would produce \$30,000,000 more money for the next school year. Is that correct?"

Senator Lee: "For the coming biennium."

Senator Goltz: "Biennium. Where does that money come from?"

Senator Lee: "What it amounts to is, if this were payroll, you could call it 'lag payroll.' The schools will still get their funds, it just simply means that 2% of the money that school districts expect to receive during the coming biennium will actually come to them in the following biennium."

Senator Goltz: "What does that do to their budget this biennium?"

Senator Lee: "The budget, we are talking about the current biennium which runs out July 1. The supplemental budget for which this bill was originally developed, will continue to apply, and if you want to turn to the second page, you will see that some language is crossed out. Now that crossed-out language however, is still in effect until September 1. So the uncrossed-out portion is what will be in effect for this, the remainder of this biennium."

Senator Goltz: "Let me just see if I understand . . ."

Senator Lee: "In other words, we, the push, the so-called 'slide' for this biennium is much greater than what we are providing for the coming biennium."

Senator Goltz: "If you reduce June by 2%, is that what you do?"

Senator Lee: "That is correct."

Senator Goltz: "And if you reduce July by, I can't read that very well, but, you increase July by 1% . . ."

Senator Lee: "That is correct. That is correct."

Senator Goltz: "You are shifting 2% and 2%?"

Senator Lee: "That is correct."

Senator Goltz: "It is a wash on paper but it seems like a funny-money deal that you take, as it were, you pretend that you are not going to spend money in two months and you shift it to the next. If I were to receive my pay in that way, it would appear by not paying me in June and paying me the first of July instead of the last day in June, that I would be making a lot more money in July. Is that what this is attempting to do?"

Senator Lee: ". . . this is like when you go to the store and you put something, sign a note and you buy a refrigerator, say, 'I am going to pay for it in 60 days.' And that is what this amounts to."

Senator Goltz: "It is credit card money?"

Senator Lee: "It is, the school districts are trusting the state to, in fact, pay their bills for them in those particular months when the school districts themselves think they can afford it, because they've got more cash in the bank than they can use, they are saying to the state of Washington, 'We need the money, we can afford to do it this way, and when we' We could do more than that, in fact they recommended that we do a 4% slide, but we just decided that was very unwise, that 2% was enough."

MESSAGE FROM THE HOUSE

April 20, 1981.

Mr. President: The House has passed: ENGROSSED SENATE BILL NO. 3071, with the following amendments:

On page 4, line 15 after "are" strike "immune" and insert "absolutely privileged"

On page 4, line 16 after "proceedings" strike "performed in good faith"

On page 4, line 17 after "acts performed" strike "in good faith"

On page 5, after section 14, add a new section to read as follows:

"NEW SECTION. Sec. 15. There is hereby appropriated from the general fund to the judicial qualifications commission for the biennium ending June 30, 1983 a sum of \$287,000."

Renumber the remaining sections consecutively., and the same is herewith transmitted.

VITO T. CHIECHI, Chief Clerk.

MOTION

On motion of Senator Hemstad, the Senate concurred in the House amendments to Engrossed Senate Bill No. 3071.

POINT OF INQUIRY

Senator McDermott: "Senator Talmadge, could you explain what this judicial council is going to be doing?"

Senator Talmadge: "This is the judicial qualifications commission that the people adopted at the ballot last November, Senator McDermott. This is the enabling act for the Constitutional amendment to establish a commission that would provide for the disciplining of judges who engage in misconduct."

Senator McDermott: "What are the changes in this bill from the one we sent over to the House?"

Senator Talmadge: "Very simple changes as Senator Hemstad outlined. The change that provides for the termination of the commission in 1987, and some changes in the language with respect to immunity, making it an absolute privilege instead of absolute immunity. Just a change in language as far as I am concerned. I do not think the functional effect is any different."

POINT OF INQUIRY

Senator Hayner: "Senator Hemstad, did they put an appropriation on that?"

Senator Hemstad: "Yes, the appropriation is for \$287,000. And my information is this is close to the amount requested by the commission and apparently must not have been included in the budget."

Senator Hayner: "I suggest that we move this down a couple of bills until I can check what that does to our budget."

MOTIONS

On motion of Senator Ridder, Senator Talley was excused.

On motion of Senator Hayner, the House Message and the motion by Senator Hemstad that the Senate concur in the House amendments were ordered held following consideration of the House Message on Senate Bill No. 3215.

The test or tests shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle upon the public highways of this state while under the influence of intoxicating liquor. Such officer shall inform the person of his right to refuse the test, and of his right to have additional tests administered by any qualified person of his choosing as provided in RCW 46.61.506. The officer shall warn the driver that his privilege to drive will be revoked or denied if he refuses to submit to the test. Unless the person to be tested is unconscious, the chemical test administered shall be of his breath only: PROVIDED, That if an individual is under arrest for the crime of negligent homicide by motor vehicle as provided in RCW 46.61.520, or if an individual is under arrest for the crime of driving while under the influence of intoxicating liquor or drugs as provided in RCW 46.61.502, which arrest results from an accident in which another person has been injured and there is a reasonable likelihood that such other person may die as a result of injuries sustained in the accident, a breath or blood test may be administered without the consent of the individual so arrested. In such circumstances, the provisions of subsections (2) through (6) of this section shall not apply.

(2) Any person who is dead, unconscious, or who is otherwise in a condition rendering him incapable of refusal, shall be deemed not to have withdrawn the consent provided by subsection (1) of this section and the test or tests may be administered, subject to the provisions of RCW 46.61.506.

(3) If, following his arrest, the person arrested refuses upon the request of a law enforcement officer to submit to a chemical test of his breath, after being informed that his refusal will result in the revocation or denial of his privilege to drive, no test shall be given. The department of licensing, upon the receipt of a sworn report of the law enforcement officer that he had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle upon the public highways of this state while under the influence of intoxicating liquor and

that the person had refused to submit to the test upon the request of the law enforcement officer after being informed that such refusal would result in the revocation or denial of his privilege to drive, shall revoke his license or permit to drive or any nonresident operating privilege. If the person is a resident without a license or permit to operate a motor vehicle in this state, the department shall deny to the person the issuance of a license or permit for a period of six months after the date of the alleged violation, subject to review as hereinafter provided.

(4) Upon revoking the license or permit to drive or the nonresident operating privilege of any person, or upon determining that the issuance of a license or permit shall be denied to the person, as hereinbefore in this section directed, the department shall immediately notify the person involved in writing by personal service or by registered or certified mail of its decision and the grounds therefor, and of his right to a hearing, specifying the steps he must take to obtain a hearing. The person upon receiving such notice may, in writing and within ten days therefrom request a formal hearing. Upon receipt of such request, the department shall afford him an opportunity for a hearing as provided in RCW 46.20.329 and 46.20.332. The scope of such hearing for the purposes of this section shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle upon the public highways of this state while under the influence of intoxicating liquor, whether the person was placed under arrest and whether he refused to submit to the test upon request of the officer after having been informed that such refusal would result in the revocation or denial of his privilege to drive. The department shall order that the revocation or determination that there should be a denial of issuance either be rescinded or sustained. Any decision by the department revoking a person's driving privilege shall be stayed and shall not take effect while a formal hearing is pending as herein provided or during the pendency of a subsequent appeal to superior court: PROVIDED, That this stay shall be effective only so long as there is no conviction for a moving violation or no finding that the person has committed a traffic infraction which is a moving violation during pendency of the hearing and appeal.

(5) If the revocation or determination that there should be a denial of issuance is sustained after such a hearing, the person whose license, privilege, or permit is so affected shall have the right to file a petition in the superior court of the county wherein he resides, or, if a nonresident of this state, where the charge arose, to review the final order of revocation or denial by the department in the manner provided in RCW 46.20.334.

(6) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been revoked, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he has a license.

The department may set minimum prices that will be accepted for any item offered for sale at public auction as herein provided and may prescribe terms or conditions of sale and, in the event that any item shall be offered for sale at such auction and for which no satisfactory bids shall be

received or for which the amount bid shall be less than the minimum set by the department, it shall be lawful for the department to sell such item at private sale for the best price which it deems obtainable but at not less than the highest price bid at the public auction. The proceeds of all sales under this section shall be placed in the motor vehicle fund.

(1) There is established a juvenile disposition standards commission to propose disposition standards to the legislature in accordance with RCW 13.40.030 and perform the other responsibilities set forth in this chapter.

(2) The commission shall be composed of the secretary or the secretary's designee and the following eight members appointed by the governor, subject to confirmation by the senate: (a) A superior court judge; (b) a prosecuting attorney or deputy prosecuting attorney; (c) a law enforcement officer; (d) an administrator of juvenile court services; (e) a public defender actively practicing in juvenile court; and (f) three other persons who have demonstrated significant interest in the adjudication and disposition of juvenile offenders. In making the appointments, the governor shall seek the recommendations of the association of superior court judges in respect to the member who is a superior court judge; of Washington prosecutors in respect to the prosecuting attorney or deputy prosecuting attorney member; of the Washington association of sheriffs and police chiefs in respect to the member who is a law enforcement officer; of juvenile court administrators in respect to the member

who is a juvenile court administrator; and of the state bar association in respect to the public defender member.

(3) The secretary or the secretary's designee shall serve as chairman of the commission.

(4) The secretary shall serve on the commission during the secretary's tenure as secretary of the department. The term of the remaining members of the commission shall be three years. The initial terms shall be determined by lot conducted at the commission's first meeting as follows: (a) Four members shall serve a two-year term; and (b) four members shall serve a three-year term. In the event of a vacancy, the appointing authority shall designate a new member to complete the remainder of the unexpired term.

(5) Commission members shall serve without compensation but shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060 as now or hereafter amended.

(6) The commission's first meeting shall be held prior to January 1, 1982. Thereafter, the commission shall meet at least once every six months.

NEW SECTION. Sec. 4. There is added to chapter 13.40 RCW a new section to read as follows:

(1) It is the responsibility of the commission to: (a) Evaluate the effectiveness of existing disposition standards and related statutes in implementing policies set forth in RCW 13.40.010; (b) solicit the comments and suggestions of the juvenile justice community concerning disposition standards; and (c) develop and propose to the legislature modifications of the disposition standards in accordance with RCW 13.40.030.

(2) It is the responsibility of the department to: (a) Provide the commission with available data concerning the implementation of the disposition standards and related statutes and their effect on the performance of the department's responsibilities relating to juvenile offenders; (b) at the request of the commission, provide technical and administrative assistance to the commission in the performance of its responsibilities; and (c) provide the commission with recommendations for modification of the disposition standards.

Sec. 5. Section 57, chapter 291, Laws of 1977 ex. sess. as amended by section 55, chapter 155, Laws of 1979 and RCW 13.40.030 are each amended to read as follows:

(1) (a) The ((secretary)) juvenile disposition standards commission shall propose to the legislature no later than November 1st of each even-numbered year disposition standards for all offenses. The standards shall establish, in accordance with the purposes of this chapter, ranges which may include terms of confinement and/or community supervision established on the basis of a youth's age, the instant offense, and the history and seriousness of previous offenses, but in no case may the period of confinement and supervision exceed that to which an adult may be subjected for the same offense(s). Standards proposed for offenders listed in RCW 13.40.020(1) shall include a range of confinement which may not be less than thirty days. No standard range may include a period of confinement which includes both more than thirty, and thirty or less, days. Disposition standards proposed by the ((department)) commission shall provide that in all cases where a youth is sentenced to a term of confinement in excess of thirty days the department may impose an additional period of parole not to exceed eighteen months. Standards of confinement which may be proposed may relate only to the length of the proposed terms and not to the nature of the security to be imposed.

(b) The secretary shall ((also)) submit guidelines pertaining to the nature of the security to be imposed on youth placed in his or her custody based on the age, offense(s), and criminal history of the juvenile offender. Such guidelines shall be

submitted to the legislature for its review ~~((at the same time the department proposes its disposition standards))~~ no later than November 1st of each even-numbered year.

(2) If the commission fails to propose disposition standards as provided in this section, the existing standards shall remain in effect and may be adopted by the legislature or referred to the commission for modification as provided in subsection (3) of this section. If the standards are referred for modification, the provisions of subsection (4) shall be applicable.

(3) The legislature may adopt the proposed standards or refer the proposed standards to the ~~((secretary))~~ commission for modification. If the legislature fails to adopt or refer the proposed standards to the ~~((secretary))~~ commission by February 15th of the following year, the proposed standards shall take effect without legislative approval on July 1st of that year.

~~((3))~~ (4) If the legislature refers the proposed standards to the ~~((secretary))~~ commission for modification on or before February 15th, the ~~((secretary))~~ commission shall resubmit the proposed modifications to the legislature no later than March 1st. The legislature may adopt or modify the resubmitted proposed standards. If the legislature fails to adopt or modify the resubmitted proposed standards by April 1st, the resubmitted proposed standards shall take effect without legislative approval on July 1st of that year.

~~((4))~~ Notwithstanding any other provision of this section, the secretary shall propose standards and submit guidelines to the legislature no later than November 1, 1977. The legislature shall consider the proposed standards and submitted guidelines during the following year in the manner prescribed by subsections (2) and (3) of this section. Such standards shall be in effect for the period July 1, 1978, to June 30, 1979.

~~(5) Any term of confinement in excess of thirty days shall be served at a facility operated by or pursuant to a contract with the state of Washington.~~

(6)) (5) In developing and promulgating the permissible ranges of confinement under this section the ~~((secretary))~~ commission shall be subject to the following limitations:

(a) Where the maximum term in the range is ninety days or less, the minimum term in the range may be no less than fifty percent of the maximum term in the range;

(b) Where the maximum term in the range is greater than ninety days but not greater than one year, the minimum term in the range may be no less than seventy-five percent of the maximum term in the range; and

(c) Where the maximum term in the range is more than one year, the minimum term in the range may be no less than eighty percent of the maximum term in the range.

Sec. 6. Section 60, chapter 291, Laws of 1977 ex. sess. as amended by section 59, chapter 155, Laws of 1979 and RCW 13.40.060 are each amended to read as follows:

(1) Proceedings under this chapter shall be commenced in the county where the juvenile resides. However, proceedings may be commenced in the county where an element of the alleged criminal offense occurred if so requested by the juvenile or by the prosecuting attorney of the county where the incident occurred.

(2) If the hearing takes place in the county where an element of the alleged criminal offense occurred, the case and copies of all legal and social documents pertaining thereto may in the discretion of the court be transferred to the county where the juvenile resides for a disposition hearing. All costs and arrangements for care and transportation of the juvenile in custody shall be the responsibility of the receiving county as of the date of the transfer of the juvenile to such county, unless the counties otherwise agree.

(3) If the adjudicatory and disposition hearings take place in a county in which an element of the alleged offense occurred, the case and copies of all legal and social documents pertaining thereto may in the discretion of the court be transferred to the county in which the juvenile resides for supervision and enforcement of the disposition order. The court of the receiving county has jurisdiction to modify and enforce the disposition order.

(4) The court upon motion of any party or upon its own motion may, at any time, transfer a proceeding to another juvenile court when:

(a) There is reason to believe that an impartial proceeding cannot be held in the county in which the proceeding was begun; or

(b) It appears that venue is incorrect under this section.

Sec. 7. Section 61, chapter 291, Laws of 1977 ex. sess. as amended by section 60, chapter 155, Laws of 1979 and RCW 13.40.070 are each amended to read as follows:

(1) Complaints referred to the juvenile court alleging the commission of an offense shall be referred directly to the prosecutor. The prosecutor, upon receipt of a complaint, shall screen the complaint to determine whether:

(a) The alleged facts bring the case within the jurisdiction of the court; and

(b) On a basis of available evidence there is probable cause to believe that the juvenile did commit the offense.

(2) If the requirements of subsections (1) (a) and (b) of this section are met, the prosecutor shall either file an information in juvenile court or divert the case, as set forth in subsections (4), (5) and (6) of this section. If the prosecutor neither files nor diverts the case, he shall maintain a record, for one year, of such decision and the reasons therefor. In lieu of filing an information or diverting an offense a prosecutor may file a motion to modify community supervision where such offense constitutes a violation of community supervision.

(3) An information shall be a plain, concise, and definite written statement of the essential facts constituting the offense charged. It shall be signed by the prosecuting attorney and conform to chapter 10.37 RCW.

(4) Where a case is legally sufficient, the prosecutor shall file an information with the juvenile court if:

(a) An alleged offender is accused of a class A felony, a class B felony, an attempt to commit a class B felony, assault in the third degree, rape in the third degree, or any other offense listed in RCW 13.40.020(1) (b) or (c); or

(b) An alleged offender is accused of a felony and has a criminal history of at least one class A or class B felony, or two class C felonies, or at least two gross misdemeanors, or at least two misdemeanors and one additional misdemeanor or gross misdemeanor, or at least one class C felony and one misdemeanor or gross misdemeanor; or

(c) An alleged offender has been referred by a diversion unit for prosecution or desires prosecution instead of diversion.

(5) Where a case is legally sufficient the prosecutor shall divert the case if the alleged offense is a misdemeanor or gross misdemeanor or violation and the alleged offense(s) in combination with the alleged offender's criminal history do not exceed three offenses or violations and do not include any felonies: PROVIDED, That if the alleged offender is charged with a related offense that must or may be filed under subsections (4) and (6) of this section, a case under this subsection may also be filed.

(6) Where a case is legally sufficient and falls into neither subsection (4) nor (5) of this section, it may be filed or diverted. In deciding whether to file or divert an offense under this section the prosecutor shall be guided only by the length, seriousness, and recency of the alleged offender's criminal history and the circumstances surrounding the commission of the alleged offense.

(7) Whenever a juvenile is placed in custody or, where not placed in custody, referred to a diversionary interview, the parent or legal guardian of the juvenile shall be notified as soon as possible concerning the allegation made against the juvenile and the current status of the juvenile.

(8) The responsibilities of the prosecutor under subsections (1) through (7) of this section may be performed by a juvenile court probation counselor for any complaint referred to the court alleging the commission of an offense which would not be a felony if committed by an adult, if the prosecutor has given sufficient written notice to the juvenile court that the prosecutor will not review such complaints.

Sec. 8. Section 62, chapter 291, Laws of 1977 ex. sess. as amended by section 61, chapter 155, Laws of 1979 and RCW 13.40.080 are each amended to read as follows:

(1) A diversion agreement shall be a contract between a juvenile accused of an offense and a diversionary unit whereby the juvenile agrees to fulfill certain conditions in lieu of prosecution. Such agreements may be entered into only after the prosecutor, or probation counselor pursuant to this chapter, has determined that probable cause exists to believe that a crime has been committed and that the juvenile committed it.

(2) A diversion agreement shall be limited to:

(a) Community service not to exceed one hundred fifty hours, not to be performed during school hours if the juvenile is attending school;

(b) Restitution limited to the amount of actual loss incurred by the victim, and to an amount the juvenile has the means or potential means to pay; and

(c) ~~((An informational, educational, or counseling interview, which may be required))~~ Attendance at up to two hours of counseling and/or up to ten hours of educational or informational sessions at a community agency: PROVIDED, That the state shall not be liable for costs resulting from the diversionary unit exercising the option to permit diversion agreements to mandate attendance at up to two hours of counseling and/or up to ten hours of educational or informational sessions.

(3) In assessing periods of community service to be performed and restitution to be paid by a juvenile who has entered into a diversion agreement, the court officer to whom this task is assigned shall to the extent possible involve members of the community. Such members of the community shall meet with the juvenile and advise the court officer as to the terms of the diversion agreement and shall supervise the juvenile in carrying out its terms.

(4) A diversion agreement may not exceed a period of six months for a misdemeanor or gross misdemeanor or one year for a felony and may include a period extending beyond the eighteenth birthday of the divertee. Any restitution assessed during its term may not exceed an amount which the juvenile could be reasonably expected to pay during this period. If additional time is necessary for the juvenile to complete restitution to the victim, the time period limitations of this subsection may be extended by an additional six months.

(5) The juvenile shall retain the right to be referred to the court at any time prior to the signing of the diversion agreement.

(6) Divertees and potential divertees shall be afforded due process in all contacts with a diversionary unit regardless of whether the juveniles are accepted for diversion or whether the diversion program is successfully completed. Such due process shall include, but not be limited to, the following:

(a) A written diversion agreement shall be executed stating all conditions in clearly understandable language;

(b) Violation of the terms of the agreement shall be the only grounds for termination;

(c) No divertee may be terminated from a diversion program without being given a court hearing, which hearing shall be preceded by:

(i) Written notice of alleged violations of the conditions of the diversion program; and

(ii) Disclosure of all evidence to be offered against the diveree;

(d) The hearing shall be conducted by the juvenile court and shall include:

(i) Opportunity to be heard in person and to present evidence;

(ii) The right to confront and cross-examine all adverse witnesses;

(iii) A written statement by the court as to the evidence relied on and the reasons for termination, should that be the decision; and

(iv) Demonstration by evidence that the diveree has substantially violated the terms of his or her diversion agreement.

(e) The prosecutor may file an information on the offense for which the diveree was diverted:

(i) In juvenile court if the diveree is under eighteen years of age; or

(ii) In superior court or the appropriate court of limited jurisdiction if the diveree is eighteen years of age or older.

(7) The diversion unit shall be responsible for advising a diveree of his or her rights as provided in this chapter.

(8) The right to counsel shall inure prior to the initial interview for purposes of advising the juvenile as to whether he or she desires to participate in the diversion process or to appear in the juvenile court. The juvenile may be represented by counsel at any critical stage of the diversion process, including intake interviews and termination hearings. The juvenile shall be fully advised at the intake of his or her right to an attorney and of the relevant services an attorney can provide. For the purpose of this section, intake interviews mean all interviews regarding the diversion agreement process.

The juvenile shall be advised that a diversion agreement shall constitute a part of the juvenile's criminal history as defined by RCW 13.40.020(6) as now or hereafter amended. A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the diversionary unit together with the diversion agreement, and a copy of both documents shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language.

(9) When a juvenile enters into a diversion agreement, the juvenile court may receive only the following information for dispositional purposes:

(a) The fact that a charge or charges were made;

(b) The fact that a diversion agreement was entered into;

(c) The juvenile's obligations under such agreement;

(d) Whether the alleged offender performed his or her obligations under such agreement; and

(e) The facts of the alleged offense.

(10) A diversionary unit may refuse to enter into a diversion agreement with a juvenile. It shall immediately refer such juvenile to the court for action and shall forward to the court the criminal complaint and a detailed statement of its reasons for refusing to enter into a diversion agreement. The diversionary unit shall also immediately refer the case to the prosecuting attorney for action if such juvenile fails to make restitution or perform community service as required by the diversion agreement.

(11) A diversionary unit may, in instances where it determines that the act or omission of an act for which a juvenile has been referred to it involved no victim, or where it determines that the juvenile referred to it has no prior criminal history and is alleged to have committed an illegal act involving no threat of or instance of actual physical harm and involving not more than fifty dollars in property loss or damage and that there is no loss outstanding to the person or firm suffering such damage or loss, counsel and release or release such a juvenile without entering into a

diversion agreement: PROVIDED, That any juvenile so handled shall be advised that the act or omission of any act for which he or she had been referred shall constitute a part of the juvenile's criminal history as defined by RCW 13.40.020(6) as now or hereafter amended. A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the unit, and a copy of the document shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language: PROVIDED FURTHER, That a juvenile determined to be eligible by a diversionary unit for such release shall retain the same right to counsel and right to have his or her case referred to the court for formal action as any other juvenile referred to the unit.

(12) A diversion unit may supervise the fulfillment of a diversion agreement entered into before the juvenile's eighteenth birthday and which includes a period extending beyond the diverttee's eighteenth birthday.

Sec. 9. Section 66, chapter 291, Laws of 1977 ex. sess. as amended by section 64, chapter 155, Laws of 1979 and RCW 13.40.120 are each amended to read as follows:

~~((The court shall hold an adjudicatory hearing on the information, and, after it has announced its findings of fact and its decision, shall hold a hearing to consider disposition of the case pursuant to RCW 13.40.150 and 13.40.160, as now or hereafter amended, immediately following the adjudicatory hearing or at a continued hearing within fourteen days unless good cause is shown for a further continuance. Notice of the time and place of the continued hearing may be given in open court. If notice is not given in open court to a party, that party shall be notified by mail of the time and place of any continued hearing.))~~

All hearings may be conducted at any time or place within the limits of the ((county)) judicial district, and such cases may not be heard in conjunction with other business of any other division of the superior court.

Sec. 10. Section 67, chapter 291, Laws of 1977 ex. sess. as amended by section 65, chapter 155, Laws of 1979 and RCW 13.40.130 are each amended to read as follows:

(1) The respondent shall be advised of the allegations in the information and shall be required to plead guilty or not guilty to the allegation(s). The state or the respondent may make preliminary motions up to the time of the plea.

(2) If the respondent pleads guilty, the court may proceed with disposition or may continue the case for a dispositional hearing. If the respondent denies guilt, ~~((a))~~ an adjudicatory hearing date shall be set.

(3) At the adjudicatory hearing it shall be the burden of the prosecution to prove the allegations of the information beyond a reasonable doubt.

(4) The court shall record its findings of fact and shall enter its decision upon the record. Such findings shall set forth the evidence relied upon by the court in reaching its decision.

(5) If the respondent is found not guilty he or she shall be released from detention.

(6) If the respondent is found guilty the court may immediately proceed to disposition or may continue the case for a dispositional hearing. Notice of the time and place of the continued hearing may be given in open court. If notice is not given in open court to a party, the party shall be notified by mail of the time and place of the continued hearing.

(7) The court following an adjudicatory hearing may request that a predisposition study be prepared to aid the court in its evaluation of the matters relevant to disposition of the case.

(8) The disposition hearing shall be held within fourteen days after the adjudicatory hearing or plea of guilty unless good cause is shown for further delay, or

within twenty-one days if the juvenile is not held in a detention facility, unless good cause is shown for further delay.

(9) In sentencing an offender, the court shall use the disposition standards in effect on the date of the offense.

Sec. 11. Section 68, chapter 291, Laws of 1977 ex. sess. as amended by section 66, chapter 155, Laws of 1979 and RCW 13.40.140 are each amended to read as follows:

(1) A juvenile shall be advised of his or her rights when appearing before the court.

(2) A juvenile and his or her parent, guardian, or custodian shall be advised by the court or its representative that the juvenile has a right to be represented by counsel at all critical stages of the proceedings. Unless waived, counsel shall be provided to a juvenile who is financially unable to obtain counsel without causing substantial hardship to himself or herself or the juvenile's family, in any proceeding where the juvenile may be subject to transfer for criminal prosecution, or in any proceeding where the juvenile may be in danger of confinement. The ability to pay part of the cost of counsel does not preclude assignment. In no case may a juvenile be deprived of counsel because of a parent, guardian, or custodian refusing to pay therefor. The juvenile shall be fully advised of his or her right to an attorney and of the relevant services an attorney can provide.

(3) The right to counsel includes the right to the appointment of experts necessary, and the experts shall be required pursuant to the procedures and requirements established by the supreme court.

(4) Upon application of a party, the clerk of the court shall issue, and the court on its own motion may issue, subpoenas requiring attendance and testimony of witnesses and production of records, documents, or other tangible objects at any hearing, or such subpoenas may be issued by an attorney of record.

(5) All proceedings shall be transcribed verbatim by means which will provide an accurate record.

(6) The general public and press shall be permitted to attend any hearing unless the court, for good cause, orders a particular hearing to be closed. The presumption shall be that all such hearings will be open.

(7) In all adjudicatory proceedings before the court, all parties shall have the right to adequate notice, discovery as provided in criminal cases, opportunity to be heard, confrontation of witnesses except in such cases as this chapter expressly permits the use of hearsay testimony, findings based solely upon the evidence adduced at the hearing, and an unbiased fact-finder.

(8) A juvenile shall be accorded the same privilege against self-incrimination as an adult. An extrajudicial statement which would be constitutionally inadmissible in a criminal proceeding may not be received in evidence at an adjudicatory hearing over objection. Evidence illegally seized or obtained may not be received in evidence over objection at an adjudicatory hearing to prove the allegations against the juvenile if the evidence would be inadmissible in an adult criminal proceeding. An extrajudicial admission or confession made by the juvenile out of court is insufficient to support a finding that the juvenile committed the acts alleged in the information unless evidence of a corpus delicti is first independently established in the same manner as required in an adult criminal proceeding.

(9) Waiver of any right which a juvenile has under this chapter must be an express waiver intelligently made by the juvenile after the juvenile has been fully informed of the right being waived.

(10) Whenever this chapter refers to waiver or objection by a juvenile, the word juvenile shall be construed to refer to a juvenile who is at least twelve years of age. If a juvenile is under twelve years of age, the juvenile's parent, guardian, or custodian shall give any waiver or offer any objection contemplated by this chapter.

Sec. 12. Section 69, chapter 291, Laws of 1977 ex. sess. as amended by section 67, chapter 155, Laws of 1979 and RCW 13.40.150 are each amended to read as follows:

(1) In disposition hearings all relevant and material evidence, including oral and written reports, may be received by the court and may be relied upon to the extent of its probative value, even though such evidence may not be admissible in a hearing on the information. The youth or the youth's counsel and the prosecuting attorney shall be afforded an opportunity to examine and controvert written reports so received and to cross-examine individuals making reports when such individuals are reasonably available, but sources of confidential information need not be disclosed. The prosecutor and counsel for the juvenile may submit recommendations for disposition.

(2) For purposes of disposition:

- (a) Violations which are current offenses count as misdemeanors;
- (b) Violations may not count as part of the offender's criminal history;
- (c) In no event may a disposition for a violation include confinement.

(3) Before entering a dispositional order as to a respondent found to have committed an offense, the court shall hold a disposition hearing, at which the court shall:

(a) Consider the facts supporting the allegations of criminal conduct by the respondent;

(b) Consider information and arguments offered by parties and their counsel;

(c) Consider any predisposition reports;

(d) Afford the respondent and the respondent's parent, guardian, or custodian an opportunity to speak in the respondent's behalf;

(e) Allow the victim or a representative of the victim and an investigative law enforcement officer to speak;

(f) Determine the amount of restitution owing to the victim, if any;

(g) Determine whether the respondent is a serious offender, a middle offender, or a minor or first offender;

(h) Consider whether or not any of the following mitigating factors exist:

(i) The respondent's conduct neither caused nor threatened serious bodily injury or the respondent did not contemplate that his or her conduct would cause or threaten serious bodily injury;

(ii) The respondent acted under strong and immediate provocation;

(iii) The respondent was suffering from a mental or physical condition that significantly reduced his or her culpability for the offense though failing to establish a defense;

(iv) Prior to his or her detection, the respondent compensated or made a good faith attempt to compensate the victim for the injury or loss sustained; and

(v) There has been at least one year between the respondent's current offense and any prior criminal offense;

(i) Consider whether or not any of the following aggravating factors exist:

(i) In the commission of the offense, or in flight therefrom, the respondent inflicted or attempted to inflict serious bodily injury to another;

(ii) The offense was committed in an especially heinous, cruel, or depraved manner;

(iii) The victim or victims were particularly vulnerable;

(iv) The respondent has a recent criminal history or has failed to comply with conditions of a recent dispositional order or diversion agreement; **((and))**

(v) The respondent was the leader of a criminal enterprise involving several persons; **and**

(vi) There are other complaints which have resulted in diversion or a finding or plea of guilty but which are not included as criminal history.

(4) The following factors may not be considered in determining the punishment to be imposed:

- (a) The sex of the respondent;
- (b) The race or color of the respondent or the respondent's family;
- (c) The creed or religion of the respondent or the respondent's family;
- (d) The economic or social class of the respondent or the respondent's family;

and

(e) Factors indicating that the respondent may be or is a dependent child within the meaning of this chapter.

(5) A court may not commit a juvenile to a state institution solely because of the lack of facilities, including treatment facilities, existing in the community.

Sec. 13. Section 70, chapter 291, Laws of 1977 ex. sess. as amended by section 68, chapter 155, Laws of 1979 and RCW 13.40.160 are each amended to read as follows:

(1) When the respondent is found to be a serious offender, the court shall commit the offender to the department for the standard range of disposition for the offense.

If the court concludes, and enters reasons for its conclusion, that disposition within the standard range would effectuate a manifest injustice the court shall impose a disposition outside the standard range.

A disposition outside the standard range shall be determinate and shall be comprised of confinement or community supervision, or a combination thereof. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(~~((6))~~)(5), as now or hereafter amended, shall be used to determine the range. A disposition outside the standard range is appealable under RCW 13.40.230, as now or hereafter amended, by the state or the respondent. A disposition within the standard range is not appealable under RCW 13.40.230 as now or hereafter amended.

(2) Where the respondent is found to be a minor or first offender, the court shall order that the respondent serve a term of community supervision. If the court determines that a disposition of community supervision would effectuate a manifest injustice the court may impose another disposition. A disposition other than a community supervision may be imposed only after the court enters reasons upon which it bases its conclusions that imposition of community supervision would effectuate a manifest injustice. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(~~((6))~~)(5), as now or hereafter amended, shall be used to determine the range. Any disposition other than community supervision may be appealed as provided in RCW 13.40.230, as now or hereafter amended, by the state or the respondent. A disposition of community supervision may not be appealed under RCW 13.40.230 as now or hereafter amended.

(3) Where a respondent is found to have committed an offense for which the respondent declined to enter into a diversion agreement, the court shall impose a term of community supervision limited to the conditions allowed in a diversion agreement as provided in RCW 13.40.080(2) as now or hereafter amended.

(4) (~~(Where)~~) If a respondent is found to (have committed an offense which is neither a serious nor a minor or first offense) be a middle offender:

(a) The court shall impose a determinate disposition within the standard range(s) for such offense: PROVIDED, That if the standard range includes a term of confinement exceeding thirty days, commitment shall be to the department for the standard range of confinement; or

(b) The court shall impose a determinate disposition of community supervision and/or up to thirty days confinement in which case, if confinement has been

imposed, the court shall state either aggravating or mitigating factors as set forth in RCW 13.40.150 as now or hereafter amended.

(c) Only if the court concludes, and enters reasons for its conclusions, that disposition as provided in subsection (4) (a) or (b) of this section would effectuate a manifest injustice, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(~~((6))~~)(5), as now or hereafter amended, shall be used to determine the range.

(d) A disposition pursuant to subsection (4)(c) of this section is appealable under RCW 13.40.230, as now or hereafter amended, by the state or the respondent. A disposition pursuant to subsection (4) (a) or (b) of this section is not appealable under RCW 13.40.230 as now or hereafter amended.

(5) Whenever a juvenile offender is entitled to credit for time spent in detention prior to a dispositional order, the dispositional order shall specifically state the number of days of credit for time served.

(6) In its dispositional order, the court shall not suspend or defer the imposition or the execution of the disposition.

Sec. 14. Section 72, chapter 291, Laws of 1977 ex. sess. and RCW 13.40.180 are each amended to read as follows:

Where a disposition is imposed on a youth for two or more offenses, the terms shall run consecutively, subject to the following limitations:

(1) Where the offenses were committed through a single act or omission, omission, or through an act or omission which in itself constituted one of the offenses and also was an element of the other, the aggregate of all the terms shall not exceed one hundred fifty percent of the term imposed for the most serious offense; ~~((and))~~

(2) ~~((in all other cases,))~~ The aggregate of all consecutive terms shall not exceed three hundred percent of the term imposed for the most serious offense; and

(3) The aggregate of all consecutive terms of community supervision shall not exceed two years in length, or require payment of more than two hundred dollars in fines or the performance of more than two hundred hours of community service.

NEW SECTION. Sec. 15. There is added to chapter 13.40 RCW a new section to read as follows:

Any term of confinement imposed for an offense which exceeds thirty days shall be served under the supervision of the department. If the period of confinement imposed for more than one offense exceeds thirty days but the term imposed for each offense is less than thirty days, the confinement may, in the discretion of the court, be served in a juvenile facility operated by or pursuant to a contract with the state or a county.

Sec. 16. Section 77, chapter 291, Laws of 1977 ex. sess. as amended by section 72, chapter 155, Laws of 1979 and RCW 13.40.230 are each amended to read as follows:

(1) Dispositions reviewed pursuant to RCW 13.40.160, as now or hereafter amended, shall be reviewed in the appropriate division of the court of appeals.

An appeal under this section shall be heard solely upon the record that was before the disposition court. No written briefs may be required, and the appeal shall be heard within thirty days following the date of sentencing and a decision rendered within fifteen days following the argument. The supreme court shall promulgate any necessary rules to effectuate the purposes of this section.

(2) To uphold a disposition outside the standard range, or which imposes confinement for a minor or first offender, the court of appeals must find (a) that the reasons supplied by the disposition judge are supported by the record which was before the judge and that those reasons clearly and convincingly support the conclusion that a disposition within the range, or nonconfinement for a minor or first offender, would constitute a manifest injustice, and (b) that the sentence imposed was neither clearly excessive nor clearly too lenient.

(3) If the court does not find subsection (2)(a) of this section it shall remand the case for disposition within the standard range or for community supervision without confinement as would otherwise be appropriate pursuant to this chapter.

(4) If the court finds subsection (2)(a) but not subsection (2)(b) of this section it shall remand the case with instructions for further proceedings consistent with the provisions of this chapter.

(5) Pending appeal, a respondent may not be committed or detained for a period of time in excess of the standard range for the offense(s) committed (~~and may not be detained if a first or minor offender. PROVIDED, That if the order of the disposition court is below the standard range, the respondent shall be committed or detained for no longer than the term set by the disposition court~~) or sixty days, whichever is longer. The disposition court may impose conditions on release pending appeal as provided in RCW 13.40.040(4) and 13.40.050(6). Upon the expiration of the period of commitment or detention specified in this subsection, the court may also impose such conditions on the respondent's release pending disposition of the appeal.

(6) Appeal of a disposition under this section does not affect the finality or appeal of the underlying adjudication of guilt.

Sec. 17. Section 1, chapter 170, Laws of 1975 1st ex. sess. as amended by section 73, chapter 155, Laws of 1979 and RCW 13.40.300 are each amended to read as follows:

(1) In no case may a juvenile offender be committed by the juvenile court to the department of social and health services for placement in a juvenile correctional institution beyond the juvenile offender's twenty-first birthday. A juvenile may be under the jurisdiction of the juvenile court or the authority of the department of social and health services beyond the juvenile's eighteenth birthday only if prior to the juvenile's eighteenth birthday:

(a) The juvenile court has committed the juvenile offender to the department of social and health services for a sentence consisting of the standard range of disposition for the offense and the sentence includes a period beyond the juvenile offender's eighteenth birthday; or

(b) The juvenile court has committed the juvenile offender to the department of social and health services for a sentence outside the standard range of disposition for the offense and the sentence includes a period beyond the juvenile's eighteenth birthday and the court by written order setting forth its reasons extends jurisdiction of juvenile court over the juvenile offender for that period; or

(c) Proceedings are pending seeking the adjudication of a juvenile offense or seeking ((an order of)) a disposition order or the enforcement of such an order and the court by written order setting forth its reasons extends jurisdiction of juvenile court over the juvenile beyond his or her eighteenth birthday.

(2) In no event may the juvenile court have authority to extend jurisdiction over any juvenile offender beyond the juvenile offender's twenty-first birthday.

(3) Notwithstanding any extension of jurisdiction over a person pursuant to this section, the juvenile court has no jurisdiction over any offenses alleged to have been committed by a person eighteen years of age or older.

Sec. 18. Section 3, chapter 240, Laws of 1977 ex. sess. as amended by section 15, chapter 186, Laws of 1980 and RCW 34.08.020 are each amended to read as follows:

The register shall contain, but is not limited to, the following materials received by the code reviser's office during the pertinent publication period:

prior to the public hearing on such proposal. Such material shall be considered, when published, to be the official notification of the intended action, and no state agency or official thereof may take action on any such rule except on emergency rules adopted in accordance with RCW 34.04.030, until twenty days have passed since the distribution date of the register in which the rule and hearing notice have been published or a notice regarding the omission of the rule has been published pursuant to RCW 34.04.050(3) as now or hereafter amended;

(2) The full text of any new or amendatory rule adopted, and the citation of any existing rule repealed, on a permanent or emergency basis;

(6) Summaries of attorney general opinions and letter opinions, noting the number, date, subject, and other information, and prepared by the attorney general for inclusion in the register; and

Sec. 19. Section 9, chapter 155, Laws of 1979 and RCW 13.50.050 are each amended to read as follows:

(1) This section governs records relating to the commission of juvenile offenses, including records relating to diversions.

(2) The official juvenile court file of any alleged or proven juvenile offender shall be open to public inspection, unless sealed pursuant to subsection (11) of this section.

(3) All records other than the official juvenile court file are confidential and may be released only as provided in this section and RCW 13.50.010.

(4) Except as otherwise provided in this section and RCW 13.50.010, records retained or produced by any juvenile justice or care agency may be released to other participants in the juvenile justice or care system only when an investigation or case involving the juvenile in question is being pursued by the other participant or when that other participant is assigned the responsibility for supervising the juvenile.

(5) Information not in an official juvenile court file concerning a juvenile or a juvenile's family may be released to the public only when that information could not reasonably be expected to identify the juvenile or the juvenile's family.

(6) Notwithstanding any other provision of this chapter, the release, to the juvenile or his or her attorney, of law enforcement and prosecuting attorneys' records pertaining to investigation, diversion, and prosecution of juvenile offenses shall be governed by the rules of discovery and other rules of law applicable in adult criminal investigations and prosecutions.

(7) The juvenile court and the prosecutor may set up and maintain a central record-keeping system which may receive information on all alleged juvenile offenders against whom a complaint has been filed pursuant to RCW 13.40.070 whether or not their cases are currently pending before the court. The central record-keeping system may be computerized.

(8) Upon request of the victim of a crime or the victim's immediate family, the identity of an alleged or proven juvenile offender alleged or found to have committed a crime against the victim and the identity of the alleged or proven juvenile offender's parent, guardian, or custodian and the circumstance of the alleged or proven crime shall be released to the victim of the crime or the victim's immediate family.

(9) Subject to the rules of discovery applicable in adult criminal prosecutions, the juvenile offense records of an adult criminal defendant or witness in an adult

criminal proceeding may be released to prosecution and defense counsel after a charge has actually been filed. The juvenile offense records of any adult convicted of a crime and placed under the supervision of the adult corrections system may be released to the adult corrections system.

(10) In any case in which an information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any, and order the sealing of the official juvenile court file, the social file, and records of the court and of any other agency in the case.

(11) The court shall grant the motion to seal records made pursuant to subsection (10) of this section if it finds that:

(a) Two years have elapsed from the later of: (i) Final discharge of the person from the supervision of any agency charged with supervising juvenile offenders; or (ii) from the entry of a court order relating to the commission of a juvenile offense or a criminal offense;

(b) No proceeding is pending against the moving party seeking the conviction of a juvenile offense or a criminal offense; and

(12) The person making a motion pursuant to subsection (10) of this section shall give reasonable notice of the motion to the prosecution and to any person or agency whose files are sought to be sealed.

(13) If the court grants the motion to seal made pursuant to subsection (10) of this section, it shall order sealed the official juvenile court file, the social file, and other records relating to the case as are named in the order. Thereafter, the proceedings in the case shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events, records of which are sealed. Any agency shall reply to any inquiry concerning confidential or sealed records that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.

(14) Inspection of the files and records included in the order to seal may thereafter be permitted only by order of the court upon motion made by the person who is the subject of the information or complaint, except as otherwise provided in RCW 13.50.010(8).

(15) Any adjudication of a juvenile offense or a crime subsequent to sealing has the effect of nullifying the sealing order.

(16) In any case in which an information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person who is the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any, and order the destruction of the official juvenile court file, the social file, and records of the court and of any other agency in the case.

(17) The court may grant the motion to destroy records made pursuant to subsection (16) of this section if it finds:

(a) The person making the motion is at least twenty-three years of age;

(b) The person has not subsequently been convicted of a felony;

(c) No proceeding is pending against that person seeking the conviction of a criminal offense; and

(d) The person has never been found guilty of a serious offense.

(18) A person eighteen years of age or older whose criminal history consists of only one referral for diversion may request that the court order the records in that case destroyed. The request shall be granted if the court finds that two years have elapsed since completion of the diversion agreement.

(19) If the court grants the motion to destroy records made pursuant to subsection (16) or (18) of this section, it shall order the official juvenile court file, the social file, and any other records named in the order to be destroyed.

~~((19))~~ (20) The person making the motion pursuant to subsection (16) or (18) of this section shall give reasonable notice of the motion to the prosecuting attorney and to any agency whose records are sought to be destroyed.

~~((20))~~ (21) Any juvenile to whom the provisions of this section may apply shall be given written notice of his or her rights under this section at the time of his or her disposition hearing or during the diversion process.

~~((21))~~ (22) Nothing in this section may be construed to prevent a crime victim or a member of the victim's family from divulging the identity of the alleged or proven juvenile offender or his or her family when necessary in a civil proceeding.

~~((22))~~ (23) Any juvenile justice or care agency may, subject to the limitations in subparagraphs (a) and (b) of this subsection, develop procedures for the routine destruction of records relating to juvenile offenses and diversions.

(a) Records may be routinely destroyed only when the person the subject of the information or complaint has attained twenty-three years of age or older.

(b) The court may not routinely destroy the official juvenile court file or recordings or transcripts of any proceedings.

~~the physical development of the county pursuant to the provisions of RCW 36.70.350(5) and/or chapter 35.63 RCW;)~~ a sewerage and/or water general plan for a system of sewerage and/or water for all or a portion of the county as deemed necessary by the board. If the county has adopted a comprehensive plan for a physical development of the county pursuant to chapter 36.70 RCW and/or chapter 35.63 RCW, then the sewerage and/or water general plan shall be adopted as an element of that comprehensive plan pursuant to the applicable statute.

If the ~~((board shall))~~ legislative authority rejects the plan pursuant to RCW 36.94.090, the review committee shall be deemed to be dissolved; otherwise the review committee shall continue in existence to review amendments to the plan. Vacancies on the committee shall be filled in the same manner as the original appointment to that position.

Instead of a review committee for each plan area, the county legislative authority or authorities may create a review committee for the entire county or counties, and the review committee shall continue in existence until dissolved by the county legislative authority or authorities.

Sec. 16. Section 25, chapter 72, Laws of 1967 and RCW 36.94.250 are each amended to read as follows:

The hearing shall be held before the county legislative authority, or the county legislative authority may direct that the hearing shall be held before either a committee of the legislative authority or a designated officer. The notice shall also be given by mailing at least fifteen days before the hearing, a similar notice to the

If the protest is heard by a committee or officer, the committee or officer shall make recommendations to the county legislative authority which shall either adopt or reject the recommendations of the committee or officer. If a hearing is held before such a committee or officer, it shall not be necessary to hold a hearing on the assessment roll before such legislative authority: **PROVIDED**, That any county providing for an officer to hear such protests shall adopt an ordinance providing for an appeal from a decision made by the officer that any person protesting his or her assessment may make to the legislative authority. The county legislative authority shall, in all instances, approve the assessment roll by ordinance or resolution ~~((approve the same))~~.

For the purpose of issuing bonds only, the governing body of any county may authorize the establishment of consolidated road improvement districts. The road improvements within such consolidated districts need not be adjoining, vicinal, or neighboring. If the governing body orders the creation of such consolidated road improvement districts, the money received from the installment payments of the principal of and interest on assessments levied within original road improvement districts shall be deposited in a consolidated road improvement district bond redemption fund to be used to redeem outstanding consolidated road improvement district bonds. The issuance of bonds of a consolidated road improvement district shall not change the number of assessment installments in the original road improvement districts, but such bonds shall run two years longer than the longest assessment installment of such original districts.

Sec. 19. Section 9, chapter 30, Laws of 1970 ex. sess. and RCW 36.89.100 are each amended to read as follows:

Any ~~((board of))~~ county ~~((commissioners))~~ legislative authority may authorize the issuance of revenue bonds to finance any storm water control facility. Such bonds may be issued by the board in the same manner as prescribed in RCW 36.67.510 through 36.67.570.

Each revenue bond shall state on its face that it is payable from a special fund, naming such fund and the resolution creating the fund.

Revenue bond principal, interest, and all other related necessary expenses shall be payable only out of the appropriate special fund or funds. Revenue bonds shall be payable from the revenues of the storm water control facility being financed by the bonds, a system of these facilities and, if so provided, from special assessments,

installments thereof, and interest and penalties thereon, levied in one or more utility local improvement districts authorized by this 1981 act.

NEW SECTION. Sec. 20. There is added to chapter 36.89 RCW a new section to read as follows:

NEW SECTION. Sec. 21. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

MOTION

Senator Bluechel moved the Senate concur in the House amendments to Engrossed Substitute Senate Bill No. 3704.

POINT OF INQUIRY

Senator Shinpoch: "Senator Bluechel, the city of Renton, which is about 30 or 32,000, has a human rights commission. Would this law, if enacted as amended, prohibit them from having a human rights commission?"

Senator Bluechel: "No, it does not; this was specifically meant to apply to Seattle and Tacoma. I cannot answer whether or not it would have any affect on cities smaller than that, but the amendment was designed for Seattle-Tacoma because there was a court case in regard to those two human rights commissions, and Senator Fleming may have more of an answer on that."

REMARKS BY SENATOR HEMSTAD

Senator Hemstad: "Mr. President, in response to Senator Shinpoch's question, I believe a human rights commission as you are describing, would not have administrative remedies equivalent to that of the state human rights commission. In other words, I suspect in those smaller situations, those are negotiating arrangements rather than structures with sanctions in them. If they have sanctions, they would be excluded."

Senator Shinpoch: "If I understood you correctly, if in the current ordinance in the city of Renton, if there are any sanctions in it, this bill would prohibit those sanctions. Is that correct?"

Senator Hemstad: "That is my understanding. And the reason for that is a recent court decision has at least placed under a cloud the capacity for municipalities to have structures equivalent to that of the state's human rights commission on the assumption that the issue has been preempted at the state level."

POINT OF INQUIRY

Senator Shinpoch: "Mr. President, I desire to ask Senator Talmadge a question but I do not want to be caught under the speaking twice. Could I have a 2-minute recess or something while I speak to Senator Talmadge?"

President Cherberg: "If there is no objection a short delay in order to permit Senator Shinpoch to confer with Senator Talmadge."

Senator Shinpoch: "Mr. President, would Senator Talmadge yield?"

"Senator Talmadge, in order to establish legislative intent, is it the intent that a city would be preempted under this bill from enacting local variance to antidiscrimination laws? For example, the Tacoma ordinance speaks specifically to advertising, a subject not addressed in state law; and Seattle uses hearing examiners to hear most cases, which is also different. Some jurisdictions like Seattle and Montlake Terrace prohibit housing discrimination against families with children, and the state law does not do that. Could you respond?"

Senator Talmadge: "No, that is not the intent of the Wang amendment. Representative Wang worked on that amendment over in the House. I think it is very similar to a bill Senator Wojahn worked on over here in the Senate."

"Now that bill authorized what has been existing in law already for years. It is intended to be permissive rather than preemptive toward local ordinances on discrimination and this helps clear up questions that arose in Tacoma; but there don't appear to be any other questions in any other jurisdictions that use local anti-discrimination commissions."

Debate ensued.

The motion by Senator Bluechel carried and the Senate concurred in the House amendments to Engrossed Substitute Senate Bill No. 3704.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute Senate Bill No. 3704, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 30; nays, 8; absent or not voting, 10; excused, 1.

Senator Kiskaddon: "No."

POINT OF INQUIRY

Senator Charnley: "Senator Kiskaddon, I notice at one point they changed the 'may' to a 'shall' on page 2 of the House amendment, so it says that 'the joint purchasing agency shall consider.' Do you feel this to be significant or only a very, what do you think the effect of that word change is?"

Senator Kiskaddon: "The effect of that would be that if you were from a private school and you came in and said that you wanted to purchase something jointly, but before I told you 'no,' I would have to consider it, and then tell you 'no' if that is what I wanted to do."

The motion by Senator Kiskaddon carried and the Senate concurred in the House amendments to Engrossed Senate Bill No. 3752.

MOTION

Senator Fuller moved the Senate concur in the House amendment to Substitute Senate Bill No. 3453.

POINT OF INQUIRY

Senator Woody: "Senator Fuller, I notice that the amendment speaks specifically to the point that ' . . . the funds shall not be used for such purposes until the money in the account satisfies the payment required to be made in the contract for sale of lands in section 1 of this chapter, the acquisition of the Heart Lake property . . . ' Now is that one and the same or are we speaking about two different provisions, and why is Heart lake specifically mentioned and no other property?"

Senator Fuller: "Heart Lake was brought in after the other properties were contracted for and it is really all one package that has to be paid off and the limitation does not apply before 1983 so I think we are all right at this point."

Debate ensued.

The motion by Senator Fuller carried and the Senate concurred in the House amendment to Substitute Senate Bill No. 3453.

MESSAGE FROM THE HOUSE

April 22, 1981.

Mr. President: The House has passed: SUBSTITUTE SENATE BILL NO. 3845, with the following amendments:

On page 2, strike everything after the enacting clause and insert the following: "NEW SECTION. Section 1. Funds allocated for transportation costs shall be in addition to the basic education allocation. The distribution formula developed in sections 1 through 4 of this act shall be for allocation purposes only and shall not be construed as mandating specific levels of pupil transportation services by local districts. Operating costs as determined under sections 1 through 4 of this amendatory act shall be funded at one hundred percent or as close thereto as reasonably possible for the following pupil transportation services:

(1) Transportation of an eligible student from the student's assigned route stop to the student's school at the beginning of the student's school day, and from the student's school to the student's assigned route stop at the end of the school day in a transportation vehicle. Recognition of nonpassenger miles shall be included as part of transportation to and from school.

(2) Transportation between schools or learning centers of students whose basic education or other programs are offered in two or more locations. Field trips are not eligible for funds allocated for transportation costs.

(3) Transportation for student participants in activities planned, supervised, and administered by the Washington interscholastic activities association or other voluntary nonprofit entity pursuant to RCW 28A.58.125, as now or hereafter amended, if eligible for state transportation funding under rules adopted by the state board of education.

Operational costs, as determined under sections 1 through 4 of this amendatory act, for those pupil transportation services provided for in subsection (1) of this section shall be funded state-wide at one hundred percent before any funds are provided for operating costs of services provided for in subsections (2) and (3) of this section.

NEW SECTION. Sec. 2. For purposes of sections 1 through 5 of this amendatory act, except where the context shall clearly indicate otherwise, the following definitions apply:

(1) "Eligible student" means any student whose residence or assigned route stop is more than one mile from the student's school, except if the student to be transported is handicapped under RCW 28A.13.010, as now or hereafter amended, and is either not ambulatory or not capable of protecting his or her own welfare while traveling to or from the school or agency where special education services are provided, in which case no mileage distance restriction applies.

(2) "Nonpassenger miles" means road miles necessary for the following purposes when no student is being transported in a vehicle: (a) Inspection of vehicles by the state patrol; (b) mileage incurred as a result of major maintenance repairs; (c) mandated bus driver training; and (d) mileage between a school, bus garage, or storage facility and the first student route stop and the mileage between the last student route stop and the school, bus garage, or storage facility.

(3) "Superintendent" means the superintendent of public instruction.

NEW SECTION. Sec. 3. Each district shall submit to the superintendent of public instruction by May 1st of each year a report containing the following:

(1) The number of students anticipated to be eligible for to and from school transportation as provided for in section 1(1) of this amendatory act for the ensuing school year, along with a map describing student route stop locations and school locations;

(2) The actual number of miles driven for pupil transportation services provided for in section 1(2) of this amendatory act during the current school year, and the number of miles anticipated for the ensuing school year for such services;

(3) The number of scheduled miles for pupil transportation services provided for in section 1(3) of this amendatory act for the ensuing school year. Miles reported shall be limited to those that are scheduled and required for participation in activities planned, supervised, and administered by the Washington interscholastic activities association or other voluntary nonprofit entity, and approved for state transportation funding by the state board of education; and

(4) Other operational data and descriptions as required by the superintendent to determine allocation requirements for each district.

NEW SECTION. Sec. 4. Each district's annual student transportation allocation shall be based on differential rates determined by the superintendent of public instruction in the following manner:

(1) The superintendent shall annually calculate a standard student mile allocation rate for each district. "Standard student mile allocation rate," as used in this section, means the per mile allocation rate for transporting an eligible student. The standard student mile allocation rate may consist of no more than five differential rates state-wide, as determined by the superintendent, and shall include but not be limited to such factors as climate and terrain; nonpassenger miles; and the costs of insurance, district or contracted employee salaries, and benefits, maintenance, fuel, supplies, and materials. The standard student mile allocation rate shall be used to determine the transportation allocation for those services provided for in section 1(1) of this act.

(2) The superintendent shall annually calculate a standard unit mile rate for each district. "Standard unit mile rate," as used in this section, means the cost of operating an approved transportation vehicle for one mile. The standard unit mile rate may consist of no more than five differential rates state-wide, as determined by the superintendent, and shall be based on the factors used in subsection (1) of this section. The standard unit mile rate shall be used to determine the transportation allocation for those services provided for in section 1(2) and (3) of this amendatory act. For purposes of allocating funds for section 1(2) of this amendatory act, the superintendent shall use the average number of miles reported by the district for the two school years.

(3) Prior to June 1st of each year the superintendent shall submit to the office of financial management, and the committees on education and ways and means of the senate and house of representatives a report outlining the methodology and rationale used in determining the student mile and unit mile rates to be used the following year.

NEW SECTION. Sec. 5. The superintendent shall determine the preliminary, estimated student transportation allocation for each district and notify districts of their preliminary student transportation allocation by June 15. The superintendent shall include not less than twenty-five percent of the estimated student transportation allocation in the following September apportionment payment to school districts. By the following October 15th, every district shall notify the superintendent of any changes in the data utilized in calculating the preliminary student transportation allocation. The superintendent shall then make necessary corrections and shall notify districts of their final student transportation allocation before the following December 1st, and shall make the balance of the student transportation allocation in approximately equal parts as a part of the December, February, and April apportionment payments to school districts.

NEW SECTION. Sec. 6. The superintendent shall determine the vehicle acquisition allocation in the following manner:

(1) By May 1st of each year, the superintendent shall develop preliminary categories of student transportation vehicles to ensure adequate student transportation fleets for districts. The superintendent shall take into consideration the types of vehicles purchased by individual school districts in the state. The categories shall include, but not be limited to, variables such as vehicle capacity, type of chassis, type of fuel, engine and body type, special equipment, and life of vehicle. The categories shall be developed in conjunction with the local districts and shall be applicable to the following school year. The categories shall be designed to produce minimum long-range operating costs, including costs of equipment and all costs incurred in operating the vehicles. Each category description shall include the estimated state-determined purchase price, which shall be based on the actual costs of the vehicles purchased for that comparable category in the state during the preceding twelve months and the anticipated market price for the next school fiscal year. By June 15th of each year, the superintendent shall notify districts of the preliminary vehicle categories and state-determined purchase price for the ensuing school

year. By October 15th of each year, the superintendent shall finalize the categories and the associated state-determined purchase price and shall notify districts of any changes. While it is the responsibility of each district to select each student transportation vehicle to be purchased by the district, each district shall be paid a sum based only on the amount of the state-determined purchase price and inflation as recognized by the reimbursement schedule established in this section as set by the superintendent for the category of vehicle purchased.

(2) The superintendent shall develop a reimbursement schedule to pay districts for the cost of student transportation vehicles purchased after September 1, 1982. The accumulated value of the payments and the potential investment return thereon shall be designed to be equal to the replacement value of the vehicle less its salvage value at the end of its anticipated lifetime. The superintendent shall revise at least annually the reimbursement payments based on the current and anticipated future cost of comparable categories of transportation equipment. Reimbursements to school districts for approved transportation equipment shall be placed in a separate vehicle transportation fund established for each school district under section 7 of this amendatory act.

(3) To the extent possible, districts shall operate vehicles acquired under this section not less than the number of years or useful lifetime now, or hereafter, assigned to the class of vehicles by the superintendent. School districts shall properly maintain the transportation equipment acquired under the provisions of this section, in accordance with rules established by the office of the superintendent of public instruction. If a district fails to follow generally accepted standards of maintenance and operation, the superintendent of public instruction shall penalize the district by deducting from future reimbursements under this section an amount equal to the original cost of the vehicle multiplied by the fraction of the useful lifetime or miles the vehicle failed to operate.

(4) The superintendent shall annually develop a depreciation schedule to recognize the cost of depreciation to districts contracting with private carriers for student transportation. Payments on this schedule shall be a straight line depreciation based on the original cost of the appropriate category of vehicle.

NEW SECTION. Sec. 7. There is added to chapter 223, Laws of 1969 ex. sess. and to chapter 28A.58 RCW a new section to read as follows:

(1) There is created a fund on deposit with each county treasurer for each school district of the county, which shall be known as the transportation vehicle fund. Money to be deposited into the transportation vehicle fund shall include, but is not limited to, the following:

(a) The balance of accounts held in the general fund of each school district for the purchase of approved transportation equipment and for major transportation equipment repairs under RCW 28A.41.160, as now or hereafter amended. The amount transferred shall be the balance of the account as of September 1, 1982;

(b) Reimbursement payments provided for in section 6 of this amendatory act except those provided under section 6(4) of this amendatory act that are necessary for contracted payments to private carriers;

(c) Earnings from transportation vehicle fund investments as authorized in RCW 28A.58.430, as now or hereafter amended; and

(d) The district's share of the proceeds from the sale of transportation vehicles, as determined by the superintendent of public instruction.

(2) Funds in the transportation vehicle fund may be used for the following purposes:

(a) Purchase of pupil transportation vehicles pursuant to section 6 of this amendatory act and RCW 28A.41.160, as now or hereafter amended;

(b) Payment of conditional sales contracts for the purchase of pupil transportation vehicles as authorized in RCW 28A.58.550, as now or hereafter amended;

(c) Major repairs to pupil transportation vehicles.

The superintendent of public instruction shall promulgate rules which shall establish the standards, conditions, and procedures governing the establishment and use of the transportation vehicle fund. The rules shall not permit the transfer of funds from the transportation vehicle fund to any other fund of the district.

Sec. 8. Section 28A.41.160, chapter 223, Laws of 1969 ex. sess. as last amended by section 6, chapter 359, Laws of 1977 ex. sess. and RCW 28A.41.160 are each amended to read as follows:

Reimbursement for transportation costs shall be in addition to the basic education allocation. Transportation costs shall be reimbursed as follows:

(1) School districts shall be reimbursed up to one hundred percent of the operational costs for established bus routes for the transportation of students to and from common schools as recommended by the educational service district superintendent or his or her designee, and as approved by the state superintendent: PROVIDED, That commencing with the 1980-81 school year, reimbursement shall be at one hundred percent or as close thereto as reasonably possible; and

(2) Costs of acquisition of approved transportation equipment shall be reimbursed up to one hundred percent of the cost to be reimbursed over the anticipated life of the vehicle, as determined by the state superintendent: PROVIDED, That commencing with the 1980-81 school year, reimbursement shall be at one hundred percent or as close thereto as reasonably possible: PROVIDED FURTHER, That reimbursements for the acquisition of approved transportation equipment received by school districts shall be held within the general fund exclusively for the current or future purchase of approved transportation equipment and for major transportation equipment repairs consistent with rules and regulations authorized and promulgated under RCW 28A.41.170 and chapter 28A.65 RCW.

Sec. 9. Section 28A.41.160, chapter 223, Laws of 1969 ex. sess. as last amended by section 8, chapter ____ (Substitute Senate Bill No. 3845), Laws of 1981 and RCW 28A.41.160 are each amended to read as follows:

Sec. 10. Section 28A.24.055, chapter 223, Laws of 1969 ex. sess. as last amended by section 2, chapter 122, Laws of 1980 and RCW 28A.24.055 are each amended to read as follows:

State moneys allocated to local districts for student transportation shall be spent only for student transportation activities, but need not be spent by the local district in the same manner as calculated and allocated by the state.

When children are transported from one school district to another the board of directors of the respective districts may enter into a written contract providing for a division of the cost of such transportation between the districts.

When commercial charter bus service is not reasonably available to a school district, the state board of education may authorize the use of school buses and drivers hired by the district for the transportation of school children and the school employees necessary for their supervision to and from any school activities within or without the school district during or after school hours and whether or not a required school activity, so long as the school board has officially designated it as a school activity. Whenever any persons are transported by the school district in its own motor vehicles and by its own employees, the board may provide insurance to protect the district against loss, whether by reason of theft, fire or property damage to the motor vehicle or by reason of liability of the district to persons from the operation of such motor vehicle.

The board may provide insurance by contract purchase for payment of hospital and medical expenses in an amount not exceeding one thousand dollars per person per injury for the benefit of persons injured while they are on, getting on, or getting off any vehicles enumerated herein without respect to any fault or liability on the part of the school district or operator. This insurance may be provided without cost to the persons notwithstanding the provisions of RCW 28A.58.420.

MOTION

Senator Kiskaddon moved the Senate concur in the House amendments to Substitute Senate Bill No. 3845.

POINT OF INQUIRY

Senator Shinpoch: "Senator Kiskaddon, I know that it seems to be bad form for us to ask what a bill does, but would it be all right if you told us how this works? I would like to understand how the block grant works."

Senator Wilson: "Senator Shinpoch, essentially it would mean that during the summer each school district would develop its transportation plan. This plan would be submitted to the SPI for modification or approval. Once the SPI had approved the transportation plan, then the transportation reimbursement would come to the local district in a series of about four checks from the state.

"As the district receives these checks, they could then manage their local school district transportation program in any way they wish. The two advantages of this procedure are firstly, greatly reducing the amount of paper work that flows from the districts to the SPI with respect to transportation; and secondly, providing the local board of directors with greater flexibility in the management of their transportation system."

Senator Shinpoch: "One further followup question, now that I understand how you do it.

"If, in the school directors exercising their additional flexibility, they come up with a better plan that requires less miles, because that is the only improvement I could see, does then whatever they come up with become their plan for the next year, or do you go back and get the larger (pot, part) (sic) and then you get more efficient then you, each time."

Senator Wilson: "No, this procedure would be followed on an annual basis so that the next year, a different and more efficient plan might be developed."

Senator Shinpoch: "But there is nothing in here that requires them to turn in, if they develop a more efficient plan, there is nothing in here that requires them to turn it in?"

Senator Wilson: "Well, the original plan that they turn in, which will be based on the location of the students and the routes and all that, would have to be approved by the SPI, the SPI would have to issue a judgment that they felt the plan, the students would be transported on as economical basis as possible."

Senator Shinpoch: "Of course the SPI has absolutely no way of making that determination."

The motion by Senator Kiskaddon carried and the Senate concurred in the House amendments to Substitute Senate Bill No. 3845.

ROLL CALL

The Secretary called the roll on the final passage of Substitute Senate Bill No. 3845, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 44; absent or not voting, 5.

Mr. President: The House has passed: ENGROSSED SUBSTITUTE SENATE BILL NO. 3945 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Section 1. The legislature finds that the Columbia River Gorge area provides the citizens of this state with unique aesthetic, recreational, and historic benefits through the area's diversity of scenic beauty, variety of life-forms, and significant role in the history of the nation, this region, and this state. The legislature, therefore, declares that the preservation of special characteristics of the Columbia River Gorge beginning at the western-most boundary of the Columbia River Gorge as described in RCW 43.97.090 and extending easterly to include all of Section 17 and the west halves of Sections 9 and 4 in Township 2 North, Range 13 East, and any other area designated by law is a public purpose.

It is the intent of the legislature to authorize the establishment of a select committee to examine, in detail, the unique characteristics contributing to the scenic, natural, and historical value of the area. Senator Newhouse: "Generally, Senator Talmadge, the amendment by Representative Flanagan has to do with refunds in a case where a levy was passed for the purpose of refunding property taxes. The other is, as I understand it, strictly, as I say, a technical amendment that the county treasurers need."

MESSAGE FROM THE HOUSE

April 25, 1981.

Mr. President: The House has reamended and passed ENGROSSED SUBSTITUTE SENATE JOINT RESOLUTION NO. 133 with the following amendment:

On page 3, line 11, after "enacted" insert:

" : PROVIDED, That the legislature may not order a referendum on any initiative measure enacted by the legislature under the foregoing subsection (a) ", and the same is herewith transmitted.

VITO T. CHIECHI, Chief Clerk.

MOTION

Senator Pullen moved the Senate concur in the House amendment to Engrossed Substitute Senate Joint Resolution No. 133.

POINT OF INQUIRY

Senator Wilson: "Senator Pullen, I have kind of lost track of the details on this, but I assume that in no way does this reduce or mitigate the people's accessibility to the rights of referendum and initiative?"

Senator Pullen: "Oh no, not at all; in fact I talked with some sponsors of initiatives to the legislature and they would much prefer this language because it increases the chance that the legislature will enact an initiative to the legislature directly into law. But in the event the legislature does not, the measure automatically goes to the people for a decision.

"Also if the people do not like what the legislature has enacted into law, they still have the right of petition referendum."

POINT OF INQUIRY

Senator Charnley: "Senator Pullen, I heard the last exchange but I am still nervous about it, because presently the legislature has, by the Constitution, the right to refer to the people legislation.

"Now, would you, if it is a repeat, I apologize, but would you help me understand . . . does the effect of this take that away?"

Senator Pullen: "No, Senator Charnley, Perhaps it needs a little explanation. Right now when an initiative to the legislature is presented to the secretary of state's office, a number of different things can happen. The legislature, number 1, can enact it directly into law in which case it becomes law subject to possible petition referendum by the people.

"Number 2, the legislature can act on it and defeat it in a vote of the legislature, in which case it automatically goes to the people for a vote.

"Number 3, the legislature can send to the people, an alternative measure in addition to the measure that is presented to them.

"And number 4, the legislature can do nothing, in which case it automatically goes to the people for a decision.

"There is some question about whether the legislature can actually put a referendum clause on the measure. The current Constitution says the legislature cannot make any change in it. Well that in itself, is making a change.

"Also at no time in the entire history of the state, has the legislature put a referendum clause on an initiative to the legislature."

"So this will actually, I think, help sponsors by clarifying the various alternatives."

Senator Charnley: "And this does not change, though, in another area where we pass a law here. . . ."

Senator Pullen: "Oh no, absolutely not."

Senator Charnley: ". . . and then refer it."

Senator Pullen: "That does not affect that at all."

The motion by Senator Jones carried and the Senate concurred in the House amendment to Engrossed Substitute Senate Joint Resolution No. 133.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute Senate Joint Resolution No. 133, as amended by the House, and the resolution passed the Senate by the following vote: Yeas, 46; absent or not voting, 3.

MESSAGE FROM THE HOUSE

April 23, 1981.

Mr. President: The House has concurred in the Senate amendments to ENGROSSED SUBSTITUTE HOUSE BILL NO. 76, except in the amendment to page 5, line 11, and asks the Senate to recede therefrom, and the same is herewith transmitted.

VITO T. CHIECHI, Chief Clerk.

MOTION

Senator Clarke moved the Senate recede from its amendment to page 5, line 11 of Engrossed Substitute House Bill No. 76.

POINT OF INQUIRY

Senator Hemstad: "Mr. President, members of the body.

"Concurring in the remarks of Senator Clarke, at this point I think it is appropriate to recede from the amendment. I would, however, like to ask a question of Senator Talmadge concerning the intent of our action here.

"Senator Talmadge, may I ask you what is the current practice with regard to the appointment of counsel in special proceeding?"

Senator Talmadge: "Senator, by our receding from this amendment, it is not intended that we indicate that there be anything other than what is the practice now. My understanding of what the practice is now, is that the court will appoint counsel for the special penalty phase of a death penalty case. And that counsel ordinarily has to be someone who is experienced in criminal law and so forth.

"The concern with the amendment was that the possibility arose that you would have the bar association certifying specialists in criminal law and really specialists in the capital punishment area, and that is something the bar association could not do.

"But this is something that has been up to the discretion of the court to date; the receding from the amendment is not intended to derogate from that and it is, in fact, the present practice to appoint counsel for those special penalty phases."

Senator Hemstad: "Thank you, Senator Talmadge, but may I make one further comment?"

"What we ran into here really was an internal issue within the bar association as to the appropriateness of designations of specialists with one communication saying it would be acceptable, and then getting a different communication from the lobbyist directly for the bar association itself."

The motion by Senator Clarke carried. The Senate receded from its amendment to page 5, line 11 to Engrossed Substitute House Bill No. 76.

VITO T. CHIECHI, Chief Clerk.

MOTION

Senator von Reichbauer moved the Senate concur in the House amendment to Engrossed Senate Bill No. 3000.

Debate ensued.

POINT OF INQUIRY

Senator Woody: "Mr. President, this late date in the session, speculation and rumor is rampant at times. I would like to ask Senator von Reichbauer if he would yield to a question?"

"Okay. My question is, there have been several references to the fact that the Governor considers, or would consider, is considering, or will veto the provision that is in dispute between the two bodies, and my question is, have you, as chairman of the Senate select committee on gubernatorial appointments and the prime sponsor of this bill, had any indication that that is so?"

Senator von Reichbauer: "In answer to Senator Woody's question, we gave the original bill that the committee came up with, to then governor-elect Governor Spellman and we asked that he and his staff to review that measure. We have had very little, very few conversations in the interim between that time and now, and I think the Governor will reserve judgment when the final bill is before him.

"I share those who have, to answer your question Senator Woody, the concern about this measure. I would have wanted to have this amendment in there, but there is more in this bill than just that amendment and that is why I am going to support the motion to concur with the House."

Senator Woody: "Thank you. Several days ago we had somewhat the same problem and concern with another bill and when several members went to the Governor's office and discussed the problem with the bill, the response, as I understand it, was 'We have not made a decision on this matter; send it on down to our office and we will duly consider it in the proper course of business.' And I would suggest that that is what we should do with this bill. I believe that the Senate should continue to adhere to the Senate's position on this matter and allow this bill to take its proper course through this body."

Further debate ensued.

POINT OF INQUIRY

Senator Deccio: "Senator Talmadge, I am looking at the language in the bill which states 'No appointee shall serve beyond the adjournment of the next regular legislative session unless confirmed by the Senate.'

"If a committee chairman was handling that confirmation, does not want to deal with that appointment, could he not in that case, kill the appointment by just not acting on it?"

Senator Talmadge: "Senator, as you may recall in the Senate rules there is a prohibition against committee chairmen exercising pocket vetoes."

Senator Deccio: "Oh, really? I didn't know"

Senator Talmadge: "My reaction, Senator, was that was a serious concern that we talked about in the select committee. Senator Clarke made a proposal, as I recall, that a person who was not affirmatively acted upon by the Senate, would be confirmed, rather than not confirmed. We looked at several different alternatives but the feeling of the committee was quite strong, that we had to have a decision point at some point and the fact that the committee chairman might exercise some authority in the area, was definitely something that was discussed, but the feeling was, the need to have the Senate take an action or not take an action at some distinct point, rather than allowing a confirmation issue to go extending out over two and three years, overweighed any concern that we might have had about the committee chairman holding a confirmation in committee.

"And I certainly know, you know, you being chairman of the social and health services committee, that you wouldn't act like that."

Further debate ensued.

POINT OF INQUIRY

Senator Hurley: "Senator Talmadge, if a Senate committee considers a gubernatorial appointment and if that committee either rejects or fails to get the appointment out of committee, would that be considered . . . could that action or lack of action, if I could go back to it, if the committee rejects the appointment, or if the committee fails to get that appointment out of committee, could that be considered Senate action on the gubernatorial appointment?"

Senator Talmadge: "Senator, my understanding of the bill would be if the nomination did not come out of the committee, there would be no Senate confirmation and therefore under the bill as it was originally adopted, the person would not be confirmed. And their appointment would expire. With the amendment, that would not be true, however."

POINT OF INQUIRY

Senator Woody: "I am not sure I understood Senator Talmadge's remarks. Senator Talmadge, you said if the appointment failed to come out of committee that would be considered in one light. It was my understanding that if the appointment, and we are talking about action or inaction, we are talking about not simply passing the appointment out of committee but presenting it to the floor of the Senate for consideration, in which case, Senator Talmadge, then the Senate would either act positively or negatively on the measure. Is that correct?"

Senator Talmadge: "Mr. President, Senator Woody. My understanding, I was speaking to the bill as it originally came over, and the bill speaks only to confirmation or nonconfirmation by the Senate. The bill says as originally drafted without the amendment from the House, that if the appointment is not confirmed and if it were to stay in committee, would not be confirmed by the Senate, then the appointment would expire.

"Now, presently, if the nomination stayed in committee, the person would be able to continue to serve. Now I think the President has ruled on that, I don't want to presume to speak for what the President has ruled but my understanding is, what the committee does is not action by the Senate, and maybe the President can confirm or deny what that characterization of his ruling is."

Senator von Reichbauer demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on the motion by Senator von Reichbauer that the Senate concur in the House amendment to Engrossed Senate Bill No. 3000.

MOTION

On motion of Senator Clarke, the Conference Committee appointments were confirmed.

Senators Clarke, Hayner and Newhouse demanded a Call of the Senate. A Call of the Senate was ordered.

CALL OF THE SENATE

The Sergeant at Arms locked the doors of the Senate Chamber. The Secretary called the roll on the Call of the Senate, all members being present.

MOTION

On motion of Senator Clarke, the Senate proceeded under the Call of the Senate.

MOTION

On motion of Senator Clarke, the Senate commenced consideration of Engrossed Substitute House Joint Resolution No. 7.

SECOND READING

ENGROSSED SUBSTITUTE HOUSE JOINT RESOLUTION NO. 7, by House Committee on Local Government (originally sponsored by Representatives Chamberlain, Isaacson, Garrett, Galloway, Barrett, King (J.), Winsley, Nickell, Garson, Heck, Hine, Williams, Lundquist, Teutsch, Tilly, Stratton and Wang) (by Governor Spellman, Secretary of State, State Treasurer request):

Proposing constitutional amendment allowing state and municipal corporations and public corporations acting on their behalf to issue revenue bonds.

The resolution was read the second time in full.

There being no objection, on motion of Senator Hurley, an amendment to page 1, line 28 by Senators Hurley, Pullen, Metcalf and Rasmussen, on the desk of the Secretary of the Senate, was withdrawn.

Senator Hurley moved adoption of the following amendment by Senators Hurley, Pullen and Rasmussen:

"In Article XXXII, Section 1 add the following subsection after subsection (d):

(e) The state, counties, cities, towns, port districts, or public corporations established thereby, shall never exercise their respective attributes of sovereignty, including but not limited to, the power to tax, the power of eminent domain, and the police power on behalf of any industrial development project authorized pursuant to this section."

Debate ensued.

POINT OF INQUIRY

Senator Talley: "Senator Bluechel, now the port district needed a little piece of property on a project, they couldn't acquire it . . . they used it . . . because they were under this kind of a setup then, could they? The ports have the power and the domain."

Senator Bluechel: "What this says, they can't go out and condemn private property and then turn around and finance with the use of industrial revenue bonds, a plant or other operations on that private property which was condemned for the plant. That cannot be done. They could acquire it, of course, by negotiation or any other means excluding eminent domain."

The motion by Senator Hurley carried and the amendment was adopted.

On motion of Senator Bluechel, the rules were suspended, Engrossed Substitute House Joint Resolution No. 7, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the resolution was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Goltz: "Senator Bluechel, there was a time when this bill had a limitation of \$100,000,000 for a project, I believe?"

Senator Bluechel: "Ten million."

Senator Goltz: "Is that limitation removed, or how is that changed?"

Senator Bluechel: "The limitation on the use of nonrecourse revenue bonds is by IRS ruling and amounts to \$10,000,000 for any specific project."

Senator Goltz: "Then, Senator Bluechel, the suspicion that some people have raised about the possibility of the coal-fired electrical generating plant being possibly funded through these funds would be impossible, is that correct?"

Senator Bluechel: "Unless the total cost is under \$10,000,000, you are correct." Further debate ensued.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute House Joint Resolution No. 7, as amended by the Senate, and the resolution passed the Senate by the following vote: Yeas, 37; nays, 12.

Voting yea: Senators Bauer, Benitz, Bluechel, Bottiger, Conner, Deccio, Fleming, Fuller, Gallagher, Gaspard, Goltz, Gould, Guess, Haley, Hansen, Hayner, Hughes, Hurley, Jones, Kiskaddon, Lee, McCaslin, McDermott, Moore, Newhouse, Patterson, Peterson, Quigg, Scott, Sellar, Talley, Talmadge, von Reichbauer, Wilson, Wojahn, Woody, Zimmerman—37.

Voting nay: Senators Charnley, Clarke, Craswell, Hemstad, Lysen, Metcalf, Pullen, Rasmussen, Ridder, Shipoch, Vognild, Williams—12.

ENGROSSED SUBSTITUTE HOUSE JOINT RESOLUTION NO. 7, as amended by the Senate, having received the constitutional two-thirds majority, was declared passed.

NEW SECTION. Sec. 28. FOR THE ARTS COMMISSION—ART WORK ALLOWANCE

In accordance with RCW 43.17.200, all state agencies or departments shall expend, as a nondeductible item, out of any moneys appropriated for the original construction of any state building, an amount of one-half of one percent of the appropriation for the acquisition of works of art which may be an integral part of the structure, attached to the structure, detached within or outside of the structure, or can be exhibited by the agency in other public facilities. If the amount is not required in toto or in part for any project, the unrequired amounts may be accumulated and expended for art in other projects of the agency. For the purpose of this section, "building" does not include highway construction sheds, warehouses, or other buildings of a temporary nature.

NEW SECTION. Sec. 29. To effectively, efficiently, and economically carry out the provisions of this act, each agency shall establish a start date and completion date on each project which has an estimated total cost which exceeds two hundred thousand dollars and for which a start or completion date is not specified in this act. This information shall be furnished to the office of financial management and the legislative auditor no later than the date the allotment request is filed with the office of financial management. If a project cannot start on or before the indicated start date or be completed by the indicated completion date, the director of the agency shall document and file with the office of financial management and the legislative budget committee the reason for the delay and indicate the new start and/or completion date(s). The legislative auditor shall review these filings and report thereon to the legislative budget committee and the appropriate standing committees of the senate and house of representatives.

As a result of these filings, agency directors may be required to appear before the legislative budget committee for further explanation of a project delay.

NEW SECTION. Sec. 30. To effectively carry out the provisions of this act, the governor may assign responsibility for planning, engineering, construction, and other related activities to any appropriate agency.

NEW SECTION. Sec. 31. Reappropriations shall be limited to the unexpended balances remaining June 30, 1981, in the current appropriation for each project.

NEW SECTION. Sec. 32. Notwithstanding any other provisions of law, for the 1981-83 biennium, state treasurer transfers of reimbursement to the general fund from the community college capital projects account for debt service payments made under the provisions of Title 28B RCW shall occur only after such debt service payment has been made and only to the extent that funds are actually available in the account. Any unpaid reimbursements shall be a continuing obligation against the community college capital projects account until paid. The state board for community college education need not accumulate any specific balance in the community college capital projects account in anticipation of transfers to reimburse the general fund.

NEW SECTION. Sec. 33. Any capital improvements or capital project involving construction or major expansion of a state office facility, including district headquarters, detachment offices, and off-campus faculty offices, shall be reviewed by the department of general administration for possible consolidation and compliance with

state office standards prior to allotment of funds. The intent of the requirement imposed by this section is to eliminate duplication and reduce total office space requirements where feasible, while ensuring proper service to the public.

NEW SECTION. Sec. 34. The governor, through the director of financial management, may authorize a transfer of appropriation authority provided for a capital project which is in excess of the amount required for the completion of such project to another capital project for which the appropriation is insufficient. No such transfer shall be used to expand the capacity of any facility beyond that intended by the legislature in making the appropriation. Such transfers may be effected only between capital appropriations to a specific department, commission, agency, or institution of higher education and only between capital projects which are funded from the same fund or account.

A report of any transfer effected under this section shall be filed with the legislative auditor by the director of financial management within thirty days of the date the transfer is effected. The legislative auditor shall review and compile these filings and periodically report thereon to the legislative budget committee and the appropriate standing committees of the senate and house of representatives.

NEW SECTION. Sec. 35. If any federal moneys appropriated by this act for capital projects are not received by the state, the department or agency to which the moneys were appropriated may replace the federal moneys with any moneys available from private or local sources. No replacement may occur under this section without the prior approval of the director of financial management in consultation with the committees on ways and means of the senate and house of representatives.

NEW SECTION. Sec. 36. Each agency receiving appropriations or reappropriations from the general fund—outdoor recreation account shall provide a master list of all incomplete projects funded in full or in part from the outdoor recreation account. Projects shall be considered incomplete if the project is not completed before November 1, 1981.

The master list shall include but is not limited to the following:

- (1) A list of projects in order of priority as determined by the agency;
- (2) A brief description of the project;
- (3) A complete explanation of the status of each project; and
- (4) A reconciliation of moneys, by subsource of funds, available to the agency to fund the projects.

Each agency shall submit its master list to the office of financial management. The office financial management shall forward each agency's master list of projects, along with any recommendations, to the committees on ways and means of the house of representatives and senate by December 1, 1981.

NEW SECTION. Sec. 37. State agencies shall not receive or make a contractual agreement to receive any donation of real property or an interest therein which commits the agency to assume on a current basis or request at a future time appropriated funds for operating, development, or acquisition costs without prior approval of the legislative budget committee or the committees on ways and means of the senate and house of representatives if the legislature is in session.

NEW SECTION. Sec. 38. Expenditure of moneys appropriated by section 3 of this act shall be made in consultation and with the prior approval of the state capitol committee in accordance with chapter 79.24 RCW. In addition, the department of general administration shall consult with and obtain the approval of the joint legislative committee on capitol facilities prior to expenditure of moneys appropriated by section 3 of this act on projects involving capitol buildings occupied wholly or in part by the legislature.

NEW SECTION. Sec. 39. As the principal and interest requirements of outstanding state bonds, notes, or other evidences of indebtedness and all such indebtedness as is hereafter issued approaches the statutory debt limitation provided for in

RCW 39.42.060, the state finance committee shall notify the director of financial management. It is the responsibility of the director to establish priorities for capital projects according to the following order:

- (1) Projects requiring reappropriations to fulfill any existing contractual obligations of the state;
- (2) Projects which address critical and emergent needs of the state;
- (3) Projects which are necessary to prevent the deterioration and structural damage to existing buildings and structures;
- (4) All other projects for which funds have been appropriated.

The director of financial management shall notify the state finance committee and the committees on ways and means of the senate and house of representatives of the list of projects, by priority, as soon as possible. The state finance committee shall utilize the lists with respect to the issuance of bonds, notes, or other evidences of indebtedness of the state.

NEW SECTION. Sec. 40. For each capital project or improvement provided for in this act, and for any future capital budget requests, the office of financial management shall prepare an estimate of the dollar amount of the debt service and an estimate of the total principal and interest payments required for each project or improvement. The report for the items contained in this budget shall be submitted to each member of the legislature not more than one hundred twenty days after final adjournment of the 1981 legislative session. Future reports shall be submitted with any future capital budget requests.

NEW SECTION. Sec. 41. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 42. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect July 1, 1981, with the exception of section 7(10) of this act, which shall take effect immediately."

On page 1, line 1 of the title, after "capital budget" strike the remainder of the title and insert "making appropriations and authorizing expenditures for capital improvements; authorizing certain projects; providing an effective date; and declaring an emergency.", and the same is herewith transmitted.

VITO T. CHIECHI, Chief Clerk.

MOTION

Senator Scott moved the Senate concur in the House amendments to Reengrossed Senate Bill No. 3843.

POINT OF INQUIRY

Senator McDermott: "Mr. President, may I ask a further question of Senator Scott?"

"I have two questions which came up in the caucus to which I did not have answers and I thought maybe you could answer them for the members.

"One was the question of whether or not the Milwaukee road right-of-way is intended for use by Northern Tier pipeline in any way?"

Senator Scott: "No."

Senator McDermott: "Okay. And the second one was, throughout the fisheries budget there are a number of issues where there are no total, no dollars indicated. I wonder if you could explain that to the caucus members . . . to the Senate, yes."

Senator Scott: "I frankly can't, Senator McDermott, except that they appear as an aggregate dollar amount, and then the specific projects are listed. I frankly hadn't reviewed as closely as you had, apparently, in that area . . ."

Senator McDermott: "Well, let me give you an example. On page 39, project number 27 says, 'replace the roofs at the Kalama Falls and Elokomin Hatcheries and it doesn't give any project cost.'"

Senator Scott: "I see an appropriation of \$51,000 on line 782."

Senator McDermott: "But no total cost, do you don't have any idea what the total project is?"

Senator Scott: "No."

Debate ensued.

PERSONAL PRIVILEGE

Senator Goltz: "I want to personally thank Senator Scott for the effort to run into the same rock as I did. I know exactly what he bounced up against, so maybe we should have gone over together, Senator Scott; maybe two of us could have done the work, but we tried. Thank you very much."

The motion by Senator Scott carried and the Senate concurred in the House amendments to Reengrossed Senate Bill No. 3843.

| General Fund Appropriation—Federal | \$ 500,000 |

The appropriation contained in this section shall be expended exclusively for the continuation of the following optional medical services proposed for elimination during the period from June 1, 1981 through June 30, 1981: (1) prescription medications; (2) oxygen and respiratory supplies; and (3) other optional medical supplies, the deprivation of which would be life threatening. The appropriation contained in this section shall be held in reserve, to be expended only upon a determination by the Office of Financial Management that monies previously appropriated for Medical Assistance for the 1979–81 biennium are inadequate for this purpose."

The motion by Senator Scott carried and the committee amendment, as amended, on reconsideration, was adopted.

STATEMENT FOR JOURNAL ON HOUSE BILL 149

I voted "no" on the final passage of House Bill 149 because I believe the bill is unnecessary and constitutes undue harassment on doctors and their patients. The doctors' Code of Ethics requires them to sustain life. Responsible physicians, the Washington State Medical Association and the Washington State Hospital Association assured us that doctors and hospitals are providing medical care for infants born alive.

Both the Medical Disciplinary Board and the Prosecuting Attorneys' offices are resources for investigating complaints against physicians and hospitals who violate the Code of Ethics. Proponents were unable to cite situations. There were only vague horror stories.

The evidence seemed clear that supporters of the bill were simply trying to create obstacles for patients who are exercising their constitutional right of choice and to harass the medical community.

Senator R. Lorraine Wojahn

(2) A landlord may terminate any tenancy without cause. Such termination shall be effective six months from the date the landlord serves notice of termination upon the tenant or at the end of the current tenancy, whichever is later: **PROVIDED**, That a landlord may not terminate a tenancy for any reason or basis which is prohibited under RCW 59.20.070 (3) or (4), as now or hereafter amended, or is intended to circumvent the provisions of (1)(e) of this section.

The director may waive the interest on the unpaid excise tax when the interest exceeds five dollars and the department of licensing determines that the cost of processing the collection of the interest exceeds the amount of interest due.

The tax and all charges authorized under this chapter are a specific lien on the travel trailer or camper from the date it first becomes due under this chapter and shall have priority to and be fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation, or responsibility to or with which the travel trailer or camper may become charged or liable after the effective date of this act. Thereafter, the sheriff may, without further demand or notice, distraint the travel trailer or camper for the payment of tax, together with the penalty and accrued interest, and the costs and fees.

If he determines that it is reasonably impracticable to take manual possession of the trailer or camper, it shall be deemed to have been distrained and taken into possession when the sheriff posts thereon in a conspicuous place, a notice in writing reciting that he has distrained the travel trailer or camper, describing it and giving the name of the owner or reputed owner, if known, the amount of the tax due,

together with the penalty, accrued interest, costs and fees, and the time when and the place where the sale shall be made.

The director shall forward by registered or certified mail a copy of the notice of delinquency to the legal owner recorded with the director under chapter 46.12 RCW.

NEW SECTION. Sec. 17. There is added to chapter 82.50 RCW a new section to read as follows:

The notices shall state the time when and the place where the travel trailer or camper will be sold. He shall tax the same fees for making the distraint and sale of the travel trailer or camper for the payment of taxes as are allowed him by law for making levy and sale of property on execution, traveling fees to be computed from the county seat of the county to the place of making distraint. If the taxes for which the travel trailer or camper is distrained, together with the penalty, accrued interest, and costs and fees accruing thereon, are not paid before the date appointed for the sale, which shall be not less than ten days after the distraint and taking of the travel trailer or camper and posting of the notices, the sheriff shall proceed to sell the travel trailer or camper at public auction. After deducting the costs and fees, he shall pay to the county auditor the amount to pay the taxes, the penalty, and accrued interest to the date of sale, if there is sufficient to do so, and, if there is any excess of money arising from the sale, he shall pay the excess to the owner of the travel trailer or camper so sold or to his legal representative, who shall be deemed to be the county treasurer if the owner or other legal representative cannot be determined or found.

Sec. 3. Section 2, chapter 22, Laws of 1977 ex. sess. as amended by section 1, chapter 152, Laws of 1980 and RCW 46.44.170 are each amended to read as follows:

(1) Any person moving a mobile home as defined in RCW 46.04.302 upon public highways of the state must obtain a special permit from the department of transportation and local authorities pursuant to RCW 46.44.090 and 46.44.093 and shall pay the proper fee as prescribed by RCW 46.44.0941 and 46.44.096.

(2) A special permit issued as provided in subsection (1) of this section for the movement of any mobile home shall not be valid until the county treasurer of the county in which the mobile home is located shall endorse or attach thereto his certificate that all property taxes due upon the mobile home being moved have been satisfied: PROVIDED, That endorsement or certification by the county treasurer is not required when a mobile home is to enter the state, is being moved to safe storage under the provisions of section 7 of this 1981 act, or is being moved from a manufacturer or distributor to a retail sales outlet or directly to the purchaser's designated location or between retail and sales outlets. It shall be the responsibility of the owner of the mobile home or his agent to obtain such endorsement from the county treasurer.

(3) Nothing herein should be construed as prohibiting the issuance of vehicle license plates for a mobile home, but no such plates shall be issued unless the mobile home for which such plates are sought has been listed for property tax purposes in the county in which it is principally located and the appropriate fee for such license has been paid.

(4) The department of transportation and local authorities are authorized to adopt reasonable rules for implementing the provisions of this section.

Sec. 4. Section 3, chapter 279, Laws of 1977 ex. sess. as last amended by section 3, chapter 152, Laws of 1980 and RCW 59.20.030 are each amended to read as follows:

For purposes of this chapter:

(1) "Abandoned" as it relates to a mobile home owned by a tenant in a mobile home park, mobile home park cooperative, or mobile home park subdivision or tenancy in a mobile home lot means the tenant has defaulted in rent and by absence and by words or actions reasonably indicates the intention not to continue tenancy;

(2) "Landlord" means the owner of a mobile home park and includes the agents of a landlord;

~~((2))~~ (3) "Mobile home lot" means a portion of a mobile home park designated as the location of one mobile home and its accessory buildings, and intended for the exclusive use as a primary residence by the occupants of that mobile home;

~~((3))~~ (4) "Mobile home park" means any real property which is rented or held out for rent to others for the placement of two or more mobile homes for the primary purpose of production of income, except where such real property is rented or held out for rent for seasonal recreational purpose only and is not intended for year-round occupancy;

(5) "Mobile home park cooperative" means real property consisting of common areas and two or more lots held out for placement of mobile homes in which both the individual lots and the common areas are owned by an association of shareholders which leases or otherwise extends the right to occupy individual lots to its own members;

(6) "Mobile home park subdivision" means real property, whether it is called a subdivision, condominium, or planned unit development, consisting of common areas and two or more lots held for placement of mobile homes in which there is private ownership of the individual lots and common, undivided ownership of the common areas by owners of the individual lots;

~~((4))~~ (7) "Tenant" means any person, except a transient, who rents a mobile home lot; and

~~((5))~~ (8) "Transient" means a person who rents a mobile home lot for a period of less than one month for purposes other than as a primary residence.

Sec. 5. Section 4, chapter 279, Laws of 1977 ex. sess. as amended by section 2, chapter 186, Laws of 1979 ex. sess. and RCW 59.20.040 are each amended to read as follows:

This chapter shall regulate and determine legal rights, remedies, and obligations arising from any rental agreement between a landlord and a tenant regarding a mobile home lot and including specified amenities within the mobile home park, mobile home park cooperative, or mobile home park subdivision, where the tenant has no ownership interest in the property or in the association which owns the property, whose uses are referred to as a part of the rent structure paid by the tenant. All such rental agreements shall be unenforceable to the extent of any conflict with any provision of this chapter. Chapter 59.12 RCW shall be applicable only in implementation of the provisions of this chapter and not as an alternative remedy to this chapter which shall be exclusive where applicable: PROVIDED, That the provision

of RCW 59.12.090, 59.12.100, and 59.12.170 shall not apply to any rental agreement included under the provisions of this chapter. RCW 59.18.370 through 59.18.410 shall be applicable to any action of forcible entry or detainer or unlawful detainer arising from a tenancy under the provisions of this chapter, except when a mobile home or a tenancy in a mobile home lot is abandoned. Rentals of mobile homes themselves are governed by the Residential Landlord-Tenant Act, chapter 59.18 RCW.

NEW SECTION. Sec. 6. There is added to chapter 59.20 RCW a new section to read as follows:

SAFE ASSUMPTION OF ABANDONMENT. (1) If a tenant defaults in rent but the landlord is not certain whether the tenant intends to continue tenancy, the landlord may safely assume the tenancy is abandoned if both of the following are done subsequent to default:

(a) The landlord gives written notice to a law enforcement officer that the landlord believes a mobile home is abandoned, stating the reasons for that belief. The law enforcement officer shall obtain the last known names and addresses of registered and legal owners of the mobile home as the names and addresses appear on the records of the department of licensing, and shall supply the information to the landlord without charge; and

(b) The landlord sends by first class and certified mail, return receipt requested, a notice of intent to declare the abandonment to the last known address of the tenant, and registered owner of the mobile home, if different, and no reply is received within four weeks of the mailing of the notice. This notice shall state that if no reply is received within four weeks that the landlord shall determine the tenancy, mobile home, or any other property of the tenant abandoned and subject to sale.

(2) Removal of the mobile home by the tenant, along with default in rent, shall be sufficient to indicate a tenant's intention not to continue tenancy, unless the landlord has actual knowledge of the tenant's contrary intention.

(3) This section is intended to provide landlords assurance that a determination of abandonment is proper in the circumstances, and is not intended to be exclusive or in any way limit the circumstances which may reasonably indicate a tenant's intention not to continue tenancy.

NEW SECTION. Sec. 7. There is added to chapter 59.20 RCW a new section to read as follows:

TAKING POSSESSION. Upon abandonment, the landlord may immediately enter and take possession of any property of the tenant found on the premises and remove the same to and store the same in a reasonably secure place.

NEW SECTION. Sec. 8. There is added to chapter 59.20 RCW a new section to read as follows:

LABOR AND MATERIALMAN'S LIEN GRANTED. Every person performing labor, furnishing material, or renting, leasing, or otherwise supplying equipment to take possession of, move, store and safeguard property which has been abandoned by a tenant has a lien upon the same for the labor performed, material furnished, or equipment furnished. No notice of such lien is required. Foreclosure shall be by the sale provisions of sections 8 through 13 of this act.

NEW SECTION. Sec. 9. There is added to chapter 59.20 RCW a new section to read as follows:

NOTICE. (1) A notice must be mailed by the landlord by first class and certified mail, return receipt requested, within three days after taking possession of the tenant's property to the last known address of the tenant and to the last known addresses of the registered and legal owners supplied to the landlord by the law enforcement officer, if different.

(2) The notice shall state:

(a) The tenant's name and owner's name if different;

- (b) That the landlord is holding in safe storage property of the tenant;
- (c) A description of the property;
- (d) The location of the property;
- (e) The name and address of the landlord;
- (f) That, if the tenant does not reclaim the tenant's property within sixty days after the specified date of default in rent or thirty days after the date this notice is sent, whichever is later, the landlord intends to sell the property stored and apply the proceeds as specified in section 11 of this act; and
- (g) The conditions on which the tenant or secured party could reclaim the property as specified in section 13 of this act, with the amounts set out as much as is reasonably practical.

NEW SECTION. Sec. 10. There is added to chapter 59.20 RCW a new section to read as follows:

SALE. (1) The landlord may sell or otherwise dispose of any or all of the property taken possession of and stored by the landlord after the latest of the following:

- (a) Sixty days from the default in rent;
- (b) Thirty days after mailing of the notice prescribed in section 14 of this act;
- (c) After reasonable efforts to locate the absent tenants; and
- (d) Ten days' notice to any secured creditors of the tenant known to the landlord to have security interests in the tenant's property stored by the landlord or discoverable by an information request under RCW 62A.9-407 sent to the department of licensing.

(2) Reasonable efforts to locate the tenants may include, but are not required to include nor limited to including, requesting the whereabouts of the tenants from the tenant's neighbors, known friends, known relatives, and secured creditors known to the landlord or discoverable by an information request under RCW 62A.9-407 sent to the department of licensing.

(3) The property may be sold in its condition "as is" or following any commercially reasonable preparation for sale. Disposition of the property may be by public or private proceedings and may be as a unit or in parcels and at any time and place and on any terms, but every aspect of the disposition including the method, manner, time, place and terms must be commercially reasonable. Unless the property is a type customarily sold in a recognized market, reasonable notification of the time and place of any public sale or of the time after which any private sale or other intended disposition is to be made shall be sent by the landlord to the tenant if the tenant has replied to the notice sent required in section 6 of this act, and to any person who has a security interest in the property and who has duly filed a financial statement indexed in the name of the tenant in this state, or who is known by the landlord to have a security interest in the tenant's property stored by the landlord. The landlord may buy at any public sale and, if the property is of a type customarily sold in a recognized market or is of a type which is the subject of widely distributed standard price quotations, he may buy at private sale.

(4) The fact that a better price could have been obtained by a sale at a different time or in a different method from that selected by the landlord is not of itself sufficient to establish that the sale was not made in a commercially reasonable manner. If the landlord either sells the property in the usual manner in any recognized market therefor or if he sells at the price current in such market at the time of his sale or if he has otherwise sold in conformity with reasonable commercial practices among dealers in the type of property sold, he has sold in a commercially reasonable manner. The principles stated in the two preceding sentences with respect to sales also apply as may be appropriate to other types of disposition.

NEW SECTION. Sec. 11. There is added to chapter 59.20 RCW a new section to read as follows:

APPLICATION OF PROCEEDS. Any proceeds from the sale may be applied in the following order:

(1) To any reasonable costs of moving, storing, safeguarding, and selling the property;

(2) Any taxes due on the sale of the mobile home under chapter 28A.45 RCW, or the successor thereto, and any other taxes due under chapter 84.52 RCW;

(3) To any secured creditors of the tenant of which the landlord has notice or is discoverable by an information request under RCW 62A.9-407 sent to the department of licensing; and

(4) To any moneys due the landlord as specified in section 14 of this act.

Any excess proceeds from the sale of the property shall be paid to the county treasurer of the county in which the property was abandoned to be credited to the county current expense fund, subject to a claim by the tenant within one year of sale.

NEW SECTION. Sec. 12. There is added to chapter 59.20 RCW a new section to read as follows:

EFFECT OF SALE. When property is disposed of by a landlord under this chapter, the disposition transfers to a purchaser for value all of the tenant's rights therein and discharges any security interest in or lien upon the property. The purchaser takes free of any such rights and interests even if the landlord fails to comply with the requirements of this chapter or of any judicial proceedings (1) in the case of a public sale, if the purchaser has no knowledge of any defects in the sale and if he does not buy in collusion with the landlord, other bidders, or the person conducting the sale; or (2) in any other case, if the purchaser acts in good faith as defined in RCW 62A.1-201(19).

The director of licensing shall promulgate rules pursuant to chapter 34.04 RCW for the application for and the reissuance of the certificate of title showing ownership of any mobile home sold or otherwise disposed of under the provisions of this chapter.

NEW SECTION. Sec. 13. There is added to chapter 59.20 RCW a new section to read as follows:

REDEMPTION. (1) At any time before the landlord has disposed of property or entered into a contract for its disposition under this chapter, the tenant, unless otherwise agreed in writing, may redeem the property by tendering to the landlord fulfillment of all obligations owed by the tenant to the landlord as set out in section 14 of this act which have accrued up to the date of redemption.

(2) At any time before the landlord has disposed of property or entered into a contract for disposition under this chapter, any person who has a security interest in the property may, unless otherwise agreed in writing, redeem the property by tendering to the landlord:

(a) Any unpaid rent or charges specified in the rental agreement accrued up to the date of redemption; and

(b) The reasonable costs of taking possession, moving, storing, safeguarding, preparing the property for sale, the costs of arranging the sale and selling the tenant's property plus reasonable attorneys' fees and legal expenses incurred taking such actions.

NEW SECTION. Sec. 14. There is added to chapter 59.20 RCW a new section to read as follows:

TENANT'S LIABILITY TO LANDLORD UPON ABANDONMENT. If a tenant abandons a tenancy, the landlord shall make a reasonable effort to mitigate the damages resulting from the abandonment and if such reasonable effort is made, is entitled to the following from the tenant:

(1) When the tenancy is month-to-month, the rent for the thirty days following the earlier of the date the landlord learns of the abandonment or the date the regular monthly rental payment was due, but was unpaid;

(2) When the tenancy is for a term longer than month-to-month, the rent for the remainder of the term, minus all rent received from the re-rental of the lot at a fair rental if there were no other comparable lots vacant elsewhere in the mobile home park, plus all actual costs reasonably incurred by the landlord in re-renting the premises;

(3) For any length term, the reasonable costs of taking possession, moving, storing, safeguarding, preparing the property for sale, the costs of arranging the sale, plus reasonable attorneys' fees and legal expenses incurred taking such actions if not otherwise reimbursed by the provisions of section 11 of this act;

(4) Any other unpaid rent or charges specified in the rental agreement; and

(5) Any damages to the landlord's property caused by the tenant.

NEW SECTION. Sec. 15. There is added to chapter 59.20 RCW a new section to read as follows:

REMEDIES NOT EXCLUSIVE. The remedies specified in sections 6 through 14 of this act are not exclusive and the parties retain the rights to all other actions or remedies otherwise specified in this chapter. If a mobile home park landlord sells a tenant's property as permitted by this chapter and the proceeds from the sale of those goods are insufficient to pay the landlord all that the tenant owes to the landlord, the tenant shall remain liable for the remainder owed.

NEW SECTION. Sec. 16. There is added to chapter 59.20 RCW a new section to read as follows:

REMEDIES FOR NONCOMPLIANCE. If it is established that the landlord is not proceeding in accordance with the provisions of sections 7 through 13 of this act, disposition may be ordered or restrained on appropriate terms and conditions. If the disposition has occurred in violation of this chapter, the tenant or any person entitled to notice has a right to recover from the landlord any loss caused by a failure to comply with the provisions of this chapter.

Sec. 17. Section 5, chapter 64, Laws of 1895 as amended by section 1, chapter 44, Laws of 1909 and RCW 6.12.100 are each amended to read as follows:

The homestead is subject to execution or forced sale in satisfaction of judgments obtained:

(1) On debts secured by mechanic's, laborer's, materialmen's or vendor's liens upon the premises((-));

(2) On debts secured by purchase money security agreements describing as collateral a mobile home located on the premises or mortgages on the premises, executed and acknowledged by the husband and wife or by any unmarried claimant.

If no designation is made of a person to act as agent,

then the person to whom rental payments are to be made shall be considered the agent;

(g) Any provision by which the tenant agrees to waive or forego homestead rights provided by chapter 6.12 RCW. This subsection shall not prohibit such waiver after a default in rent so long as such waiver is in writing signed by the husband and wife or by an unmarried claimant and in consideration of the landlord's agreement not to terminate the tenancy.

(5) Failure to notify the landlord of the intended sale and transfer of the rental agreement or failure of the new tenant to make a good faith attempt to arrange an interview with the landlord to discuss assignment of the rental agreement shall be grounds for disapproval of such transfer.

Sec. 21. Section 8, chapter 279, Laws of 1977 ex. sess. as amended by section 6, chapter 186, Laws of 1979 ex. sess. and RCW 59.20.080 are each amended to read as follows:

(2) A landlord may terminate any tenancy without cause. Such termination shall be effective six months from the date the landlord serves notice of termination upon the tenant or at the end of the current tenancy, whichever is later: **PROVIDED**, That a landlord may not terminate a tenancy for any reason or basis which is prohibited under RCW 59.20.070 (3) or (4), as now or hereafter amended, or is intended to circumvent the provisions of (1)(e) of this section.

NEW SECTION. Sec. 22. There is added to chapter 59.20 RCW a new section to read as follows:

Sec. 23. Section 55, chapter 299, Laws of 1971 ex. sess. as last amended by section 1, chapter 123, Laws of 1979 and RCW 82.50.400 are each amended to read as follows:

An annual excise tax is imposed on the owner of ~~((any))~~ every travel trailer or camper for the privilege of using such travel trailer or camper in this state, unless the travel trailer or camper is exempt under this chapter. The excise tax hereby imposed shall be due and payable to the department of licensing or its agents ~~((at the time of registration of a travel trailer or camper))~~:

(1) On the first day of the registration year, for travel trailers or campers which have been previously licensed by this state, unless an exemption is claimed under RCW 82.50.520(5);

(2) On the first day the travel trailer or camper is used on the highways of this state, if an exemption has been claimed under RCW 82.50.520(5) for the registration year; or

(3) On the day the travel trailer or camper is first purchased or brought into the state.

Whenever an application is made to the department of licensing or its agents for a license for a travel trailer or camper there shall be collected, in addition to the amount of the license fee or renewal license fee, the amount of the excise tax imposed by this chapter prorated to comply with the effective date of the annual schedule prepared pursuant to RCW 82.44.040, and no dealer's license or license plates, and no license or license plates for a travel trailer or camper may be issued unless such tax is paid in full. No additional tax shall be imposed under this chapter upon any travel trailer or camper upon the transfer of ownership thereof, if the tax imposed by this chapter with respect to such travel trailer or camper has already been paid for the registration year or fractional part thereof in which such transfer occurs.

Sec. 24. Section 56, chapter 299, Laws of 1971 ex. sess. as last amended by section 2, chapter 123, Laws of 1979 and RCW 82.50.410 are each amended to read as follows:

The rate and measure of tax imposed by this chapter for each registration year shall be one percent of the fair market value of the travel trailer or camper, as determined in the manner provided in this chapter: PROVIDED, That ~~((the excise tax upon a travel trailer or camper licensed for the first time in this state after the last day of any registration month may only be levied for the remaining months of the registration year including the month in which the travel trailer or camper is first licensed: PROVIDED FURTHER, That))~~ the minimum amount of tax payable shall be two dollars: PROVIDED FURTHER, That every dealer in mobile homes or travel trailers, for the privilege of using any mobile home or travel trailer eligible to be used under a dealer's license plate, shall pay an excise tax of two dollars, and such tax shall be collected upon the issuance of each original dealer's license plate, and also a similar tax shall be collected upon the issuance of each dealer's duplicate license plate, which taxes shall be in addition to any tax otherwise payable under this chapter.

~~((A travel trailer or camper shall be deemed licensed for the first time in this state when such vehicle was not previously licensed by this state for the registration year or any part thereof immediately preceding the registration year in which application for license is made or when it has been registered in another jurisdiction subsequent to any prior registration in this state:))~~

Sec. 25. Section 61, chapter 299, Laws of 1971 ex. sess. as last amended by section 3, chapter 123, Laws of 1979 and RCW 82.50.460 are each amended to read as follows:

Prior to the end of any registration year of a vehicle, the director shall cause to be mailed to the owners of travel trailers or campers, of record, notice of the amount of tax payable during the succeeding registration year. The notice shall contain a legal description of the travel trailer or camper, prominent notice of due dates, and such other information as may be required by the director. The notice shall include an affidavit of exemption to be signed by a person claiming exemption under RCW 82.50.520(5). NEW SECTION. Sec. 26. There is added to chapter 82.50 RCW a new section to read as follows:

The director or his authorized representative may enter at reasonable times all mobile home parks and any other areas where travel trailers or campers are parked for the purpose of determining whether or not the tax prescribed in this chapter has been paid. The records required to be kept under RCW 19.48.020 shall be open to inspection by the director or his representatives.

NEW SECTION. Sec. 27. There is added to chapter 82.50 RCW a new section to read as follows:

If any excise tax due under this chapter is not paid when due and payable, the unpaid tax shall bear interest at the rate of twelve percent per annum from the time the tax is due and payable. The interest charge on the unpaid excise tax is waived when the interest is less than five dollars. The director may waive the interest on the unpaid excise tax when the interest exceeds five dollars and the department of licensing determines that the cost of processing the collection of the interest exceeds the amount of interest due.

The tax and all charges authorized under this chapter are a specific lien on the travel trailer or camper from the date it first becomes due under this chapter and shall have priority to and be fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation, or responsibility to or with which the travel trailer or camper may become charged or liable after the effective date of this act. No sale or transfer of any travel trailer or camper in any way affects the lien upon the travel trailer or camper.

NEW SECTION. Sec. 28. There is added to chapter 82.50 RCW a new section to read as follows:

It is unlawful for any owner or other person to remove a travel trailer or camper from the real property on which it is situated after the tax under this chapter becomes due and payable without payment of the excise tax under this chapter or under RCW 82.44.020.

NEW SECTION. Sec. 29. There is added to chapter 82.50 RCW a new section to read as follows:

When notified by the director that the excise tax is delinquent on any travel trailer or camper, the sheriff shall personally serve the owner in the manner provided for service of summons in civil actions or post on the travel trailer or camper in a conspicuous place, a notice of delinquency, supplied by the director, which shall contain a description of the travel trailer or camper, the amount of excise tax due, together with accrued interest, the penalty, and the sheriff shall add thereto his fee for service or posting of the notice, which shall be the same as for the service of summons in a civil action, with fees for mileage based on the number of miles from the county seat of the county to the location of the travel trailer or camper, and the name of the owner or reputed owner, if known. Thereafter, the sheriff may, without further demand or notice, distrain the travel trailer or camper for the payment of tax, together with the penalty and accrued interest, and the costs and fees.

If he determines that it is reasonably impracticable to take manual possession of the trailer or camper, it shall be deemed to have been distrained and taken into possession when the sheriff posts thereon in a conspicuous place, a notice in writing reciting that he has distrained the travel trailer or camper, describing it and giving the name of the owner or reputed owner, if known, the amount of the tax due, together with the penalty, accrued interest, costs and fees, and the time when and the place where the sale shall be made.

The director shall forward by registered or certified mail a copy of the notice of delinquency to the legal owner recorded with the director under chapter 46.12 RCW.

NEW SECTION. Sec. 30. There is added to chapter 82.50 RCW a new section to read as follows:

If the tax is not paid immediately after distraint, the sheriff shall advertise the sale of the travel trailer or camper by posting written notices in three public places in the county in which the travel trailer or camper is located, one of which shall be at the county court house of the county, and by posting a written notice on the travel trailer or camper in a conspicuous place, if he has not taken manual possession of it. The notices shall state the time when and the place where the travel trailer or

camper will be sold. He shall tax the same fees for making the distraint and sale of the travel trailer or camper for the payment of taxes as are allowed him by law for making levy and sale of property on execution, traveling fees to be computed from the county seat of the county to the place of making distraint. If the taxes for which the travel trailer or camper is distrained, together with the penalty, accrued interest, and costs and fees accruing thereon, are not paid before the date appointed for the sale, which shall be not less than ten days after the distraint and taking of the travel trailer or camper and posting of the notices, the sheriff shall proceed to sell the travel trailer or camper at public auction. After deducting the costs and fees, he shall pay to the county auditor the amount to pay the taxes, the penalty, and accrued interest to the date of sale, if there is sufficient to do so, and, if there is any excess of money arising from the sale, he shall pay the excess to the owner of the travel trailer or camper so sold or to his legal representative, who shall be deemed to be the county treasurer if the owner or other legal representative cannot be determined or found.

parties. Warranty service for a defect affecting health or safety shall be completed within seventy-two hours of receipt of written notice. Warranty service shall be performed on site and a written work order describing labor performed and parts used shall be completed and signed by the service agent and the owner. (1) No landlord may offer a mobile home lot for rent to anyone without offering a written rental agreement for a term of one year or more. No landlord may offer to anyone any rental agreement for a term of one year or more for which the monthly rental is greater, or the terms of payment or other material conditions more burdensome to the tenant, than any month-to-month rental agreement also offered to such tenant or prospective tenant. Anyone who desires to occupy a mobile home lot for other than a term of one year or more may have the option to be on a month-to-month basis but must waive, in writing, the right to such one year or more term: PROVIDED, That ((no waiver shall be valid for a period of more than one year and upon the expiration of any waiver the landlord shall again offer the tenant a term of one year or more)) annually, at any anniversary date of the tenancy the tenant may require that the landlord provide a written rental agreement for a term of one year. No landlord shall allow a mobile home to be moved into a mobile home park in this state until a written rental agreement has been signed by and is in the possession of the parties: PROVIDED, That if the landlord allows the tenant to move a mobile home into a mobile home park without obtaining a written rental agreement for a term of one year or more, or a written waiver of the right to a one-year term or more, the term of the tenancy shall be deemed to be for one year from the date of occupancy of the mobile home lot;

(2) The requirements of subsection (1) of this section shall not apply if:

- (a) A serious and chronic shortage exists of decent, safe and sanitary housing which can be obtained within the financial means of most moderate and low income households in the state; and
- (b) A shortage of land zoned for the location of manufactured housing exists which interferes with the residential choices available to purchasers and renters of housing.

(2) The legislature recognizes that:

(a) Manufactured housing represents an economical alternative which satisfies the residential needs of a growing number of households;

(b) Manufactured housing constructed, transported, and installed in compliance with applicable government statutes, regulations, standards, and procedures can qualify as decent, safe, and sanitary housing with residential characteristics comparable with other forms of housing;

(c) Differences in appearance, size, and other aspects nevertheless remain between manufactured and site built housing; and

(d) Cities and counties have a legal role in regulating the placement of manufactured and site built housing in a manner which is in accordance with community appearance, standards, and well-being.

(3) The legislature declares that:

(a) A need exists for adequate land which is zoned for the siting of manufactured housing on individual lots and in mobile home parks and which is consistent with prevailing local market demand and sensible community standards; and

(b) It shall be the policy of the state to encourage cities and counties to meet the need for adequate land zoned within their jurisdictions for the siting of manufactured housing.

NEW SECTION. Sec. 38. Nothing in this act may be construed to inhibit a city or county from: (1) Providing reasonable requirements for regulating the characteristics and siting of manufactured homes sited on real estate within such city or county, including size, site preparation, accessory structures, siding and roofing characteristics and materials, and foundation systems, provided that such requirements are not more stringent for manufactured homes than for other single family residences; or (2) requiring that a manufactured home be placed in an approved mobile home subdivision, mobile home park, or cooperative.

NEW SECTION. Sec. 39. The planning and community affairs agency shall immediately establish an advisory task force on manufactured housing. The task force shall consist of nine members. The director of the planning and community affairs agency or the director's designee shall be a member of the task force and serve as its chairperson. The director of the planning and community affairs agency shall appoint the other members of the task force with two members representing cities, two members representing counties, and four members representing manufactured housing interests and realtors. On or before December 1, 1981, the task force shall prepare a report containing model ordinances on the siting of manufactured housing, standards for manufactured housing zoning regulations and recommendations for the characteristics and siting of manufactured homes. The planning and community affairs agency shall publish the report and distribute it to the members of the local government committees of the senate and house of representatives of the state of Washington and all cities and counties.

The planning and community affairs agency shall, upon request, assist any city or county with the development of comprehensive plans, ordinances, and standards which relate to zoning sites for manufactured housing.

NEW SECTION. Sec. 40. Before January 1, 1983, the planning and community affairs agency shall determine the extent to which cities and counties have responded to the need to provide adequate land zoned for manufactured housing and report its findings to the members of the local government committees of the senate and the house of representatives of the state of Washington.

NEW SECTION. Sec. 41. The advisory task force on manufactured housing established in section 39 of this act shall cease to exist on January 1, 1982.

NEW SECTION. Sec. 44. Sections 37 through 40 of this act shall expire on January 1, 1983.

NEW SECTION. Sec. 45. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

PARLIAMENTARY INQUIRY

Senator Shinpoch: "Mr. President, my challenge is not to the scope and object of the bill, my question is whether this meets the requirement of the cutoff resolution. I raise that inquiry or point of order as it may be."

REMARKS BY SENATOR JONES

Senator Jones: "Mr. President, I have a memorandum here from Allen Hayward speaking of the application and cutoff and revenue tests and I do not know whether this had been made available to you or not. If I may read, 'That on April 15 of '81 at 5 o'clock, House Bill 739 was very clearly a revenue bill. It provided for taxing powers and bonds. At a later date, April 20, to be exact, the bill was substituted and tax and bonds were removed. And the test of status is applied at some date later than April, I suggest that we can't know whether any bill is alive or dead until adjournment sine die if it meets the revenue test.'"

REMARKS BY SENATOR SHINPOCH

Senator Shinpoch: "Mr. President, I have never seen the bill that Senator Jones speaks of, but as I look at the bill in front of us, it just sets up a commission to make a study and indicates, the only place I can find anything about revenue in here at all, it indicates that the commission shall look at funding sources and make recommendations of whether there shall be a special excise tax. But I find nothing except the study in here. I find nothing that would raise any revenue or anything else."

REMARKS BY SENATOR JONES

Senator Jones: "That is my point, that is the revenue and that is the source."

REMARKS BY SENATOR SHINPOCH

Senator Shinpoch: "Mr. President, this bill doesn't raise any revenue. There is no revenue in this bill whatsoever, it says that there will be a study and that is just one of the things you talk about in the study, but there is certainly nothing in this bill that I find that would do that."

At 4:09 p.m. the Senate was declared to be at ease.

The President called the Senate to order at 4:16 p.m.

RULING BY THE PRESIDENT

President Cherberg: "Pursuant to the Point of Order raised by Senator Shinpoch, the President finds Engrossed Substitute House Bill No. 739 is a measure which creates a state convention and trade center commission to study the feasibility of the existence of such a trade center in the city of Seattle.

"Even though the bill may have been a revenue measure at one time, the President must be guided by the content of the bill before the Senate.

"Pursuant to Engrossed House Concurrent Resolution No. 3, as amended by Engrossed House Concurrent Resolution No. 27, this measure may not properly be considered by the Senate at this time."

Engrossed Substitute House Bill No. 739 was ruled to not be properly before the Senate.

Following such review, the legislature shall make the determination to extend or terminate the program.

(3) Notwithstanding the provisions of subsection (1) of this section, those residents of the Canadian province of British Columbia enrolled as full-time students in undergraduate programs during the spring quarter or second semester of the 1980-81 academic year at Washington state universities and regional universities and The Evergreen State College shall be entitled to pay, while completing their present programs or courses of study and as long as they remain continuously enrolled except for summer quarter or semester as full-time undergraduate students, the same amount of general tuition, operating, and services and activities fees charged Washington residents enrolled in the same programs.

(4) The council for postsecondary education shall seek to negotiate with appropriate governmental officials or agencies of the Canadian province of British Columbia on establishing a fair and equitable cost-sharing tuition and fee reciprocity program for the residents of the state of Washington and the Canadian province of British Columbia. On page 1, line 1 of the title, after "education;" insert "amending section 13, chapter 322, Laws of 1977 ex. sess. and RCW 28B.15.710;"

Signed by: Senators Charnley, Goltz, Guess, McDermott, Patterson.

The bill was read the second time by sections.

Senator Benitz moved the committee amendment not be adopted.

Senator Goltz moved the committee amendment be adopted.

Debate ensued.

POINT OF INQUIRY

Senator Wilson: "Senator Benitz, recognizing the financial drain you mentioned, I guess it just strikes me, it impels me to ask you whether it is fair to the Canadian students who have committed themselves to certain colleges and universities down here, essentially to change the ground rules in the middle of the game, or more specifically, in the middle of their college programs? Might it not be more, might it not be fairer to those people to swallow whatever losses are being incurred which will be dwindling each year as more and more of them complete their courses of study?"

Senator Benitz: "Senator Wilson, this has been a topic for discussion here in the chambers, in the press, it is not new, it is not a new idea that we have just come up with. It has gotten progressively worse, British Columbia knows it and I do not see it as breaking faith at all. It is simply one of the things that I want you to understand and vote your conscience on and if you want to continue for those enrolled, that is what you do. We have lost \$10,000,000 now in the 4090 tuition thing and you have about another million eight for the biennium that you are talking about here, vote your conscience on"

POINT OF INQUIRY

Senator Charnley: "Senator Goltz, would you inform the body what the tuition is that is being paid right now, and what the tuition will be when the new bill goes into effect; and also could you make any comments on the numbers that were mentioned by Senator Benitz."

Senator Goltz: "Yes, I think Senator Benitz is essentially correct about the numbers, that is to say, there are many more Americans, many more Canadian students in the state of Washington than are in Canada from the state of Washington. And I agree that that arrangement should not be continued. So I am for discontinuing that arrangement and negotiating a different arrangement, something that is more equitable between the two jurisdictions.

"The second part of your question, if I remember the tuition bill correctly, the current tuition for next year would be about \$900 for resident student and for a nonresident, it would be about \$3200. So it would be an increase of roughly three hundred and some percent."

Further debate ensued.

POINT OF INQUIRY

Senator Patterson: "Senator Scott, in your budget preparations and your revenue preparations, did you take into consideration this as revenue in the event this bill would be passed, I should say this amendment to this bill, was that ever taken into consideration in your budget balancing act?"

Senator Scott: "No, Senator, it was not."

Further debate ensued.

Senator Goltz demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on the positive motion by Senator Goltz that the committee amendment be adopted.

ROLL CALL

The Secretary called the roll and the amendment was adopted by the following vote: Yeas, 32; nays, 16; absent or not voting, 1.

On motion of Senator Goltz the committee amendment to the title was adopted.

On motion of Senator Goltz, the following amendment to the title was adopted:

On page 1, line 3 of the title, after "RCW" insert"; and declaring an emergency"

On motion of Senator Benitz, the rules were suspended, House Bill No. 461, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Rasmussen: "Senator Goltz, with the new restricted admission policy at all levels of our educational system, is this going to deprive some Washington youngsters from enrolling in a college, junior college or whatever?"

Senator Goltz: "Well, the community colleges are not affected by this in any way whatsoever, but at any one institution, it would be possible, based upon the way in which they now enroll students on the first-come, first-serve basis or whatever that one student who is enrolled may keep out a student who would like to enroll."

Senator Rasmussen: "What is the total of out-of-state now?"

Senator Goltz: "I would guess in the whole state of Washington, the total number of British Columbia students involved next year, would be something in the neighborhood of 400."

POINT OF INQUIRY

Senator Newhouse: "Senator Goltz, in effect, you are telling us that there may be four or five hundred Canadian students who will keep four or five hundred of our native Washington residents from entering the college of their choice?"

Senator Goltz: "Well, Senator Newhouse, you can say that about students that come from any other state, from any other foreign country, what we have on our campuses is a cosmopolitan enrollment group and I would say we should not discriminate against one of those groups. If we want to have a policy that discriminates, we should find a way of doing that without doing it this way."

Debate ensued.

HOUSE BILL NO. 461, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

SECOND READING

SENATE BILL NO. 4205, by Senator Scott (by Office of Financial Management request):

Authorizing fisheries facilities bonds.

The bill was read the second time by sections.

On motion of Senator Scott, the following amendment was adopted:

On page 1, line 14 after "million" strike "three" and insert "five"

On motion of Senator Scott, the rules were suspended, Engrossed Senate Bill No. 4205 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Rasmussen: "Senator Scott, Senate Bill 3586, I guess, increases from \$32,000,000 to \$34,000,000, the authorized amount of bonds to be issued for financing the salmon propagating facilities; then we add another \$2,000,000 one for Senator Peterson's Skagit river rearing trout.

"Now I presume that \$200,000 added by the House is to buy the Lopez Island fish and pens?"

Senator Scott: "That is correct, Senator."

Senator Rasmussen: "Well that is the good part of it."

Senator Scott: "That is what I think."

Senator Rasmussen: "My question is, why are we upping by millions of dollars, when we have all of these bond monies available right now for spending?"

Senator Scott: "Senator, this is simply the way the amount is billed and you have to reflect in the bond bill, the raising of the \$200,000 that was put in in the House."

Senator Rasmussen: "Well, I am not arguing that point, but what I am wondering about is why is the increase when we have already voted to up the bond amount authorization from \$32,000,000 to \$34,000,000 in previously passed bill, why we are putting in another \$6,000,000? I am not talking about the \$200,000, that is probably the best part of it as I agree with you. It seems like the more money

we put in, the less fish we get, and statistics prove that. If you could answer that, that would help, Senator Scott. Do you understand why we are putting in the additional amount? Over the \$34,000,000 already authorized?"

Senator Scott: "I understand, Senator Rasmussen, that you are talking about trout on the one hand and steelhead on the other so to speak, because you made reference to three different kinds of programs. The specific programs that we appropriated for are in the capital budget. The two other you mentioned are separate but related items, all of which have to do with fisheries."

Debate ensued.

POINT OF INQUIRY

Senator Lysen: "Senator Scott, I am not too good with figures, at 9%, 7%, and talk about billions and hundreds of billions and so forth.

"How much debt per person is that? Maybe I could understand it that way, or per family, per household to the state of Washington? How much are we talking about?"

Senator Scott: "I am afraid that my encyclopedic mind fails me at this time, this particular afternoon, Senator. But to put it another way, we are within \$300,000,000 of the limit which is now 7% of the average of the previous three-year general fund revenue. And so not all of the monies contained in the capital budget that we all passed a couple of bills back, are going to be authorized in this biennium because, for the first time, we are nearing that limit.

"But basically, I did not mean to frighten you with the aggregate figure. The state of Washington has a greater amount of bonded debt at the local level than most states, the municipalities, WPPSS. The state itself is not out of line with the average. But I was referring to the aggregate in order to soothe Senator Rasmussen and I guess I caught your attention."

POINT OF INQUIRY

Senator Lysen: "Senator Rasmussen, do you have any idea how much this is per person or family in our state?"

Senator Rasmussen: "Well, we are only talking the figures I gave you Senator Lysen. We are only concerned with state debt, authorized state bonded indebtedness and it is true as Senator Scott indicated, if you took the local debt, all of it, it would be far too much that that young child of Gaspard's, Senator Gaspard had the other day, find it very difficult to pay that off."

Debate ensued.

MOTION

Senator Clarke moved that the roll call on each gubernatorial appointment, with the consent of the Senate, shall be recorded as that shown on gubernatorial appointment 379, Joe A. Taller with the exception of gubernatorial appointments, 377, 423, 469 and 470. These roll calls will be taken individually.

POINT OF INQUIRY

Senator Rasmussen: "Senator Clarke, I am not going to object because in the spirit of cooperation which we are full of on this side, we want to *sine die* tonight very shortly.

"But I do have a question. I wonder why these were allowed to pile up, many of them have been on our desk for thirty and forty days, why did you let them pile up to the last minute?"

Senator Clarke: "Senator, if you had been here and you have been here, very audibly here, and I think you can appreciate that the time of the Senate during floor time has been taken up with exchanges, we will say, of opinions with respect to what might or might not be very substantial legislation.

"There just was not time to reach the number of gubernatorial appointments, twelve pages of them, which as you can very easily see, if separate roll calls had been required on each one of those, they would probably have taken several days of legislative floor time.

"Frankly, it is the opinion on our side that we have more important things to do than call the roll on those kinds of things. Now each one of these . . . carefully through committee, I am just answering your question, Senator, as to why we had not taken up the time of the Senate to have separate roll calls previously on each one of these."

Senator Rasmussen: "If you should be so unfortunate, Senator Clarke, to be in the majority again, we will instruct you how to speed up the process."

Senator Clarke: "Senator, in response to that, I was in the minority and I observed some of the ways that you used to speed up the process and I am quite willing that we be compared with that procedure."

The motion by Senator Clarke carried with the exception of notice by Senator Vognild that he should be recorded as voting "no" on gubernatorial appointment 381.

MOTION

Senator Newhouse moved the appointment of Daniel J. Evans as a member of the Pacific Northwest Electric Power and Conservation Planning Council be confirmed.

Debate ensued.

POINT OF INQUIRY

Senator Bottiger: "Would Senator Hemstad yield to a question?"

"Mr. President, if I may, in violation of the rules, preface my questions with a short statement. I fully support Governor Evans. I think it is an excellent appointment and I don't want the question interpreted in any other light.

"Senator Hemstad, the Northwest power act provides that compensation shall be paid by the Federal government on the equivalent of a GS, and I am sorry the number, 14, I believe, for each day served. Would Governor Evans be able to be paid twice for the same day's work, once by Evergreen and once by the Bonneville Power Administration, I believe is the actual employer? And if so, and/or does it affect his pension in any way?"

Senator Hemstad: "I will respond to that in the form of the answer that Mr. Evans gave at the hearing. He indicated first, that in being paid on a per diem basis, he did not see that he would be entitled to receive any pension benefits and that, in any event, he would not take any. He would take whatever steps were necessary to see that there would not be any double participation in it.

"I am confident, however, as, because they are per diem and paid with Federal funds, that would not make him eligible for participation in the state pension mechanism for that reason.

"Secondly, he indicated that any compensation that he received in his role as a member of the power council, would be donated to Evergreen State College for their activities in energy research and in their energy program. In other words, he will not receive income compensation although he will take such steps to see that he would receive reimbursement for his out-of-pocket expenses."

Further debate ensued.

The motion by Senator Newhouse carried and the appointment of Daniel J. Evans was confirmed.

ENGROSSED SUBSTITUTE SENATE BILL NO. 4211, having received the constitutional sixty percent majority, on reconsideration, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

On motion of Senator Clarke, the Senate returned to the fourth order of business.

MESSAGE FROM THE HOUSE

April 26, 1981.

Mr. President: The House has passed: ENGROSSED SUBSTITUTE HOUSE BILL NO. 753, and the same is herewith transmitted.

VITO T. CHIECHI, Chief Clerk.

INTRODUCTION AND FIRST READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 753, by Committee on Revenue (originally sponsored by Committee on Revenue and Representative Greengo):

Modifying excise tax provisions.

MOTION

On motion of Senator Clarke, the rules were suspended and Engrossed Substitute House Bill No. 753 was advanced to the second reading calendar and read the second time in full.

POINT OF INQUIRY

Senator Goltz: "Mr. President, I am not opposed to bumping it, you know, as soon as we know what is in it, but I would appreciate at least, someone to walk me through the bill, and at least to tell me what is the effect of the stricken language on page 3, subsection (6). It has something to do with aluminum and I represent the largest aluminum reduction plant in North America and I had better know what that says."

Senator Craswell: "Senator Goltz, this is part of our revenue package. It has four things in this bill, one of the sections you refer to is eliminating the exceptions on the B & O tax for aluminum companies. The aluminum companies, as you know, have been under a special rate of paying a B & O tax of .40 and we are putting it back to the normal rate for wholesalers and manufacturers of .44.

"Would you like to know what is in the rest of the bill at this point?"

Senator Goltz: "I would like to know the fiscal impact of that and then I would like to at least have a very brief explanation of the rest of the bill."

Senator Craswell: "The fiscal impact of that is 1.8 million dollars. The rest of the bill contains a similar section on the cigarette manufacturers and wholesalers, eliminating the special exception on their B & O tax rate. It also raises the cigarette tax from 16¢ per pack to 20¢ per pack; and it also has a technical change in the speedup of the payments on sales taxes, on excise taxes that we did with our supplemental budget. It straightens it out to be placed on calendar quarters."

Senator Goltz moved the following amendments by Senators Goltz, Bauer and Talley be considered and adopted simultaneously:

On page 3, line 21, subsection (6), restore stricken material.

On page 4, line 17, strike subsection (10) and renumber accordingly.

POINT OF INQUIRY

Senator McDermott: "Senator Craswell, if I understand this correctly, this is your revenue package to support the budget. I think some members may think this is a surprise but you are striking the rate of four-tenths of one percent on page 3, sub (8), being on line 26, if I understand it and you were reinstating the rate on the aluminum industry at four-tenths of one percent, which looks like you are putting the same percentage back in on page 10.

"Now I thought you were intending to increase the rate to forty-four hundredths. If I have made a mistake in quickly reading this bill, we have never seen this bill before, so I am really asking a question to clarify where it is you raise the rate up to forty-four hundredths."

Senator Craswell: "I had not had a chance to see this either, until it just arrived, although I . . ."

Senator Clarke: "I understand that there is an amendment being prepared and for that reason I would ask that further consideration of this bill be temporarily delayed."

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 753, by Committee on Revenue (originally sponsored by Committee on Revenue and Representative Greengo):

Modifying excise tax provision.

On motion of Senator Clarke, the Senate resumed consideration of Engrossed Substitute House Bill No. 753, which had been held from earlier today with the following amendments by Senators Goltz, Bauer and Talley pending:

On page 3, line 21, subsection (6), restore stricken material.

On page 4, line 17, strike subsection (10) and renumber accordingly.

REMARKS BY SENATOR CRASWELL

Senator Craswell: "Thank you, Mr. President. Speaking against the motion by Senator Goltz, I would like to explain, we thought we needed an amendment to make a correction in the bill, however, we were not reading the bill correctly.

"Section 10 is what actually puts the aluminum B & O tax rate back at .4 or four-tenths of one percent, and in section 12 it says it does not take effect until July 1, 1983 so that is actually a sunset clause on the repealing of earlier; on page 3, subsection (6) where we delete that language, that is repealing of the special exceptions for aluminum companies, so that automatically returns it back to the rate of .44 of one percent. Then in section 10 it takes it back to four-tenths of one percent in new section, section 12 on that last page, says that that section takes effect in '83. So that is in effect, a sunset clause.

"What happens, if the rate would go down, go back to .44 for the next two years and then automatically go back to the .40 unless the legislature chose to take different action.

"We have agreement by the aluminum companies that this is not a, most of the, many of the members have talked to representatives from their aluminum company; they understand what the provisions of the sunset clause that we wrote, reexamine it again and . . . agreement on all sides, Senator Goltz, I would ask you to ask that this body reject the amendment by Senator Goltz."

The motion by Senator Goltz failed and the amendments were not adopted.

On motion of Senator Craswell, the rules were suspended, Engrossed Substitute House Bill No. 753 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Rasmussen: "Senator Craswell, could you tell us the total dollar amount of increased taxes that you are putting on the people?"

Senator Craswell: "Senator Rasmussen, I think we can, what we have done in this bill is just eliminated exceptions. We have heard many times from members of the legislature that it is time to go back and look at the special exceptions, exemptions from taxes that certain industries are getting and what we tried to do there is increase the exemptions. The cigarette tax is a tax increase but it is an inflationary tax increase. The taxes on cigarettes haven't been changed since 1971, however, the

price of cigarettes in that time, has gone up 90%. All we have done is raise the tax by 20%. And I don't think it's exactly what we could call a 'tax increase.'

Senator Rasmussen: "Whatever you call it, it is going to be passed on to the public. What I was trying to arrive at, how many millions are you raising with this revenue package?"

Senator Craswell: "The total estimates on revenue raised will be 29.7 million dollars."

Senator Rasmussen: "Of new taxes? Thank you."

POINT OF INQUIRY

Senator Charnley: "Senator Craswell, you said that there were 29 million dollars and the figures that I have been shown by staff, don't seem to quite reflect that. The cigarette tax alone, I was told, raises 32 million over the biennium, is that correct, or am I . . . ?"

Senator Craswell: "That was what we intended to do, the House foiled us again, we had intended to put a five-cent tax on cigarette packages and they lowered it to four cents so now we are down to making 26.7 off of that instead of the 32.7."

Senator Charnley: "All right. Now the liquor tax is increased one cent per ounce there."

Senator Craswell: "This still does not contain a liquor tax increase. That is in another bill that is coming."

Senator Charnley: "It doesn't contain that? Just the cigarettes? Okay, that is coming down the road. All right. The B & O on aluminum does raise about 2 million, 1.8 million?"

Senator Craswell: "Correct."

Senator Charnley: "And then you said, that is the only tax or rate increase in here, in this particular bill?"

Senator Craswell: "The B & O increase on cigarettes raises 1.2 million."

Senator Charnley: "And on a B & O, raises 1.2? Thank you very much."

Debate ensued.

Debate ensued.

POINT OF INQUIRY

Senator Ridder: "Senator Wojahn, one of the members referred to the 'Tacoma spur.' I don't come from there but it is a name with which I have been familiar for some years. Can you tell me what that is and what its prospects are?"

Senator Wojahn: "Thank you for asking the question, Senator Ridder. For the past twelve years we have been expecting some action on the Tacoma spur. It runs in to the city of Tacoma. It is the access road into the city, so that we will be part, the city can be brought, the people can drive in to Tacoma easily as they can in to Seattle and other cities. So for the past 12 years I have been voting for the variable gas tax and for the bonds to get a Tacoma spur and so far, I haven't seen any

symptom of it. It seems to go deeper and deeper, be pushed back deeper and deeper because there are no Federal funds."

Further debate ensued.

On page 7, line 14 of the engrossed bill, being page 7 line 36 of the engrossed bill after "section" insert ", subject to prior approval of the transportation commission"

On page 7 following line 14 of the engrossed bill, being page 7 line 36 of the substitute bill insert a new subsection as follows:

"(7) The ferry operations account appropriation provided by this section is contingent upon providing discounted fares at the rates and on the terms and conditions in effect for ferry system patrons on December 31, 1980. In restoring the rates and policies regarding discounted fares in effect on that date, the commission may provide for such additional discounts as it deems warranted, but in no case shall any of the discounts which were provided on December 31, 1980, be reduced or eliminated during the remainder of this biennium."

On page 14 line 8 of the engrossed bill, being page 14 line 38 of the substitute bill, strike all of subsection (1) and insert the following:

"(1) The department of transportation may transfer any motor vehicle fund appropriations contained in sections 8 through 11 of this act into sections 16 through 19, and motor vehicle fund appropriations contained in sections 16 through 19 may be transferred between programs for expenditure."

On page 14, beginning on line 34 of the Engrossed Bill, being page 15, line 19 of the Substitute Bill insert the following new sections:

"**NEW SECTION.** Sec. 26. Whenever allocations are made from the governor's emergency appropriation to an agency which is financed in whole or in part by other than general fund moneys, the director of financial management may direct the repayment of such allocated amount to the general fund from any balance in the

fund or funds which finance the agency. No appropriation shall be necessary to effect such repayment.

NEW SECTION. Sec. 27. (1) Funds appropriated under this act for both years of the fiscal biennium shall be initially allotted so that the total allotments for the first fiscal year do not exceed fifty percent of the total appropriation, unless the director of financial management determines that greater allotments for the first fiscal year are required by special circumstances. Allotments may be revised as provided in RCW 43.88.110, but the portion of an appropriation which has been initially allotted for the first fiscal year shall lapse at the end of the first fiscal year.

(2) This section does not apply to allotments for agencies headed by elective officials.

Renumber the remaining sections consecutively, and the same is herewith transmitted.

VITO T. CHIECHI, Chief Clerk.

MOTION

Senator von Reichbauer moved the Senate concur in the House amendments to Engrossed Substitute Senate Bill No. 3104.

POINT OF INQUIRY

Senator Rasmussen: "Mr. President, I don't see Senator Bottiger or Senator Guess or Senator Patterson. But I would like to ask, apparently one of these amendments, on page 7 following line 14, would prohibit the ferry, the department of transportation from increasing ferry fares.

"Now I don't know if we want to tie the hands of the ferry, of the department of transportation because they are going in a hole at such a fast rate that they are taking up to 33% now and it will be up to 50% of the gas tax for subsidies. I know it would make it a little bit cheaper on commuter fares, Senator von Reichbauer, going to Vashon Island, if this restriction is kept in the bill, but I don't really think that is right to tie the hands of the department of transportation in that manner."

Senator von Reichbauer: "Senator Rasmussen, in response to your question, this does not restrict the commission in regards to fares. This is purely dealing with the question of the discount. The commission can raise the fares as it is a constitutional and administrative responsibility and authority."

The motion by Senator von Reichbauer carried and the Senate concurred in the House amendments to Engrossed Substitute Senate Bill No. 3104.

For purposes of this chapter, "interest" means both interest and penalties.

All collections of interest on delinquent taxes shall be credited to the county current expense fund; but the cost of foreclosure and sale of real property, and the fees and costs of distraint and sale of personal property, for delinquent taxes, shall, when collected, be credited to the operation and maintenance fund of the county treasurer prosecuting the foreclosure or distraint or sale; and shall be used by the county treasurer as a revolving fund to defray the cost of further foreclosure, distraint and sale for delinquent taxes without regard to budget limitations.

Sec. 3. Section 84.64.030, chapter 15, Laws of 1961 as amended by section 1, chapter 84, Laws of 1972 ex. sess. and RCW 84.64.030 are each amended to read as follows:

Any time after the expiration of three years from the original date of delinquency of any tax included in a certificate of delinquency, the holder of any certificate of delinquency may give notice and summons to the owner of the property

described in such certificate that he or she will apply to the superior court of the county in which such property is situated for a judgment foreclosing the lien against the property mentioned therein. Such notice and summons shall contain:

(1) The title of the court, the description of the property and the name of the owner thereof, if known, the name of the holder of the certificate, the date thereof, and the amount for which it was issued, the year or years for the delinquent taxes for which it was issued, the amount of all taxes paid for prior or subsequent years, and the rate of interest on said amount.

(2) A direction to the owner summoning him or her to appear within sixty days after service of the notice and summons, exclusive of the day of service, and defend the action or pay the amount due, and when service is made by publication a direction to the owner, summoning him or her to appear within sixty days after the date of the first publication of the notice and summons, exclusive of the day of said first publication, and defend the action or pay the amount due.

(3) A notice that, in case of failure so to do, judgment will be rendered foreclosing the lien of such taxes and costs against the land and premises named.

The notice and summons shall be subscribed by the holder of the certificate of delinquency, or by someone in his or her behalf, and residing within the state of Washington, and upon whom all process may be served.

A copy of said notice and summons shall be delivered to the county treasurer. Thereafter when any owner of real property or person interested therein seeks to redeem as provided in RCW 84.64.070, the treasurer shall ascertain the amount of costs accrued in foreclosing said certificate and include said costs as a part of the redemption required to be paid. Cost incurred for a title search required by RCW 84.64.050 shall be included.

The notice and summons shall be served in the same manner as a summons in a civil action is served in the superior court.

The county treasurer shall not issue certificates of delinquency upon property owned and occupied as a principal place of residence by a person sixty-two years of age or older.

Sec. 4. Section 84.64.050, chapter 15, Laws of 1961 as amended by section 2, chapter 84, Laws of 1972 ex. sess. and RCW 84.64.050 are each amended to read as follows:

After the expiration of (~~five~~) three years from the date of delinquency, when any property remains on the tax rolls for which no certificate of delinquency has been issued, the county treasurer shall proceed to issue certificates of delinquency on said property to the county(~~, and~~) for all years' taxes, interest, and costs: PROVIDED, That the county treasurer, with the consent of the county legislative authority, may elect to issue a certificate for fewer than all years' taxes, interest, and costs to a minimum of the taxes, interest, and costs for the earliest year.

The change to a three-year grace period shall first be effective on May 1, 1983. Prior to that date, the county treasurer shall send a notice to all taxpayers with taxes delinquent for two years or more, notifying them of the change in the grace period. The treasurer shall file said certificates when completed with the clerk of the court, and the treasurer shall thereupon, with such legal assistance as the county (~~commissioners~~) legislative authority shall provide in counties having a population of thirty thousand or more, and with the assistance of the county prosecuting attorney in counties having a population of less than thirty thousand, proceed to foreclose in the name of the county, the tax liens embraced in such certificates, and the same proceedings shall be had as when held by an individual: PROVIDED, That notice and summons must be served or notice given in a manner reasonably calculated to inform the owner or owners of the foreclosure action. Either (1) personal service upon the owner or owners or (2) publication once in a newspaper of general circulation, which is circulated in the area of the property and mailing of notice by certified

mail to the owner or owners or, if a mailing address is unavailable, personal service upon the occupant of the property, if any, is sufficient. In addition to describing the property as the same is described on the tax rolls, the notice must include the local street address, if any. It shall be the duty of the county treasurer to mail a copy of the published summons, within fifteen days after the first publication thereof, to the treasurer of each city or town within which any property involved in a tax foreclosure is situated, but the treasurer's failure to do so shall not affect the jurisdiction of the court nor the priority of any tax sought to be foreclosed. Said certificates of delinquency issued to the county may be issued in one general certificate in book form including all property, and the proceedings to foreclose the liens against said property may be brought in one action and all persons interested in any of the property involved in said proceedings may be made codefendants in said action, and if unknown may be therein named as unknown owners, and the publication of such notice shall be sufficient service thereof on all persons interested in the property described therein, except as provided above. The person or persons whose name or names appear on the treasurer's rolls as the owner or owners of said property shall be considered and treated as the owner or owners of said property for the purpose of this section, and if upon said treasurer's rolls it appears that the owner or owners of said property are unknown, then said property shall be proceeded against, as belonging to an unknown owner or owners, as the case may be, and all persons owning or claiming to own, or having or claiming to have an interest therein, are hereby required to take notice of said proceedings and of any and all steps thereunder: PROVIDED, That, at least thirty days prior to the sale of the property, if such property is shown on the tax rolls under unknown owners or as having an assessed value of three thousand dollars or more, the treasurer shall order or conduct a title search of the property to be sold to determine the legal description of the property to be sold and the record title holder, and if the record title holder or holders differ from the person or persons whose name or names appear on the treasurer's rolls as the owner or owners, the record title holder or holders shall be considered and treated as the owner or owners of said property for the purpose of this section, and shall be entitled to the notice provided for in this section.

The county treasurer shall not issue certificates of delinquency upon property owned and occupied as a principal place of residence by a person sixty-two years of age or older.

The court shall examine each application for judgment foreclosing tax lien, and if defense (specifying in writing the particular cause of objection) be offered by any person interested in any of said lands or lots to the entry of judgment against the same, the court shall hear and determine the matter in a summary manner, without other pleadings, and shall pronounce judgment as the right of the case may be; or said court may, in its discretion, continue such individual cases, wherein defense is offered, to such time as may be necessary, in order to secure substantial justice to the contestants therein; but in all other cases said court shall proceed to determine the matter in a summary manner as above specified. In all judicial proceedings of any kind for the collection of taxes, and interest((s)) and costs thereon, all amendments which by law can be made in any personal action pending in such court shall be allowed, and no assessments of property or charge for any of said taxes shall be considered illegal on account of any irregularity in the tax list or assessment rolls or on account of the assessment rolls or tax list not having been made, completed or returned within the time required by law, or on account of the property having been charged or listed in the assessment or tax lists without name, or in any other name than that of the owner, and no error or informality in the proceedings of any of the

The court shall give judgment for such taxes, interest and costs as shall appear to be due upon the several lots or tracts described in said notice of application for judgment or complaint, and such judgment shall be a several judgment against each tract or lot or part of a tract or lot for each kind of tax included therein, including all interest and costs, and the court shall order and direct the clerk to make and enter an order for the sale of such real property against which judgment is made, or vacate and set aside the certificate of delinquency or make such other order or judgment as in the law or equity may be just. Said order shall be signed by the judge of the superior court and attested by the clerk thereof, and a certified copy of said order, together with the list of the property therein ordered sold, shall be delivered to the county treasurer, and shall be full and sufficient authority for him or her to proceed to sell said property for said sum as set forth in said order and to take such further steps in the matter as are provided by law. MOTION

Senator Craswell moved the Senate concur in the House amendments to Substitute Senate Bill No. 3726.

POINT OF INQUIRY

Senator Woody: "Senator Craswell, what would you say would be the major difference between these two bills and could you explain the foreclosure requirement?"

Senator Craswell: "The major difference between the two bills is that instead of going to a floating rate as we had in our bill, it goes a straight 12% rate, but it does add penalties, 3% in the first period of time, and then it goes to an 8% after November 8, so these are in addition to the 12% rate.

"The foreclosure is the same as in the past except it moves it up to three years instead of five."

POINT OF INQUIRY

Senator Hansen: "Senator Craswell, in open spaces where is a deferred tax, will this, and you are signed up over a 10-year period, and if you took it out of open space, how would that tax be figured? Would it be figured, at what rate would you be figuring it?"

Senator Craswell: "Senator Hansen, the rate would be figured at 12%. The additional penalty would not apply to coming out from open space but it would be a 12% rather than the 8% as it is at present."

The motion by Senator Craswell carried and the Senate concurred in the House amendments to Substitute Senate Bill No. 3726.

MOTION

Senator Craswell moved the Senate do concur in the House amendments to Engrossed Substitute Senate Bill No. 3206.

POINT OF INQUIRY

Senator Hansen: "Senator Craswell, I have one question on 3206. I hear that the state liquor board came back in and wants to have the police powers over fuel alcohol and adding their ten thousand dollar fine back in. Was this portion taken out of this bill? I think it was sections 8, 9 and 10. If it is, the liquor board is trying to defeat the legislation we passed last session."

Senator Craswell: "I don't believe it was. I can't answer that absolutely. I don't have the bill here in front of me. I can find out."

POINT OF INQUIRY

Senator McDermott: "Would Senator Craswell yield to a question?"
(Senator Craswell declined)

REMARKS BY SENATOR McDERMOTT

Senator McDermott: "This session is an absolute travesty. The ending of this session is such a mess you ought to be ashamed of yourself to be doing public policy his way.

"We have before us a bill in which you have 1, 2, 3, 4, 5, 6 amendments and no one will stand up and give us an explanation for what these amendments do.

"Now, if the majority party wants to raise taxes on the people in the middle of the night and doesn't want anybody to explain it, it seems to me that I am the only member, I think, on the floor who has the amendments before me. Nobody else knows what they are doing. How can anybody vote on that? The people send you down here to vote without knowing what you are doing."

"What we have here is a major piece of legislation. Senator Hansen has been here a long time and here he is kneeling at the desk trying to figure out whether a tax has been put in or taken out. He is praying for the people of the 20th district . . . of the 14th district. I think Senator Hansen you would want to have a question of somebody on the majority side to see if we can't solve this thing but as far as I am concerned, it ought to be stopped. We ought to enter a resolution, come back tomorrow and deal in a sensible way with these major policies.

"I urge you all to vote 'no' on these amendments. Senator Hansen wants to say something."

REMARKS BY SENATOR METCALF

Senator Metcalf: "For Senator McDermott to be criticizing the delays in this session is sort of like the time the fellow was put on trial, he was put on trial for murdering both his parents and when the sentence was about to be pronounced, he threw himself on the mercy of the court on the grounds that he was an orphan."

REMARKS BY SENATOR CRASWELL

Senator Craswell: "Thank you, Mr. President, I would just like to answer Senator Hansen's question. The gasohol protection is covered in this bill."

REMARKS BY SENATOR HANSEN

Senator Hansen: "Is it covered by the state? Or is it still the Federal tobacco firearms division that is enforcing the fuel alcohol regulations? We have taken the state department of liquor control out from underneath it last time and they had imposed \$10,000 fine, five years in jail if they caught any kid or anything else out in that area, sipping some . . . give them right to break and enter on any place of the premises of the man's property."

Further debate ensued.

POINT OF ORDER

Senator Rasmussen: "Mr. President, I would call your attention to the witching hour. It is now two minutes after twelve and presumably we are *sine die*, I am saying 'presumably,' according to the rules and your Ruling last night that we were operating on this time. While you are mulling that one over, Mr. President, let me suggest that on this bill, Senate Bill 3206, as it left the Senate, sponsored by two responsible senators, Senators Rasmussen and Jones, I did know what was in it. I do not know what is in it now, the House has completely scalped the bill and sent it back, and I would yield to Senator Jones, my co-sponsor, to explain what is in the bill, whenever Senator Jones comes down off the ceiling. I don't see him up there, either. Senator Jones is co-sponsor to this legislation. Would you please explain the House amendment because I can't; I haven't seen them yet.

"Thank you, Mr. President, for looking up at the clock at the witching hour. I would ask for a Ruling from the Chair."

RULING BY THE PRESIDENT

President Cherberg: "Senator Rasmussen, you may be aware that the President has always felt that once the Senate has started considering a bill before the witching hour that the Senate is entitled to conclude its consideration of that particular measure."

Further debate ensued.

POINT OF ORDER

Senator Rasmussen: "I would raise the Point of Order, Mr. President, that the time for the legislature to act is gone. The constitutional limit of 105 days is past. I am making that as a Point of Order because if the legislature was going to extend itself, it should have done that before the constitutional limits. Now, I know it is embarrassing, but we are caught in our own trap. Number one, we worked ourselves in the last four days until, for no reason, everybody got rum-dum and started making mistakes, more rum-dum than they are usually. And that is evidence of what is going on now, that they are trying to evade the will of the people which says the legislature only has the power to act in this session up to the end of the 105th day, which is now 10 minutes past.

"I will leave that as a Point of Order for them to mull over because there will be other people looking at it."

Further debate ensued.

MESSAGE FROM THE HOUSE

April 28, 1981.

Mr. President: The House is now organized and ready to transact business.

VITO T. CHIECHI, Chief Clerk.

INTRODUCTION AND FIRST READING

SENATE CONCURRENT RESOLUTION NO. 119, by Senators Hayner, Jones, Bottiger and Fleming:

Reintroducing bills from 1981 regular session.

On motion of Senator Clarke, the rules were suspended, Senate Concurrent Resolution No. 119 was advanced to second reading and read the second time in full.

Senator Charnley moved adoption of the following amendment:

On page 1, after line 17, insert:

"(3) A bill relating to mental health services reform—E2SHB 353;"

Renumber the remaining subsections accordingly.

Senator Clarke moved the amendment by Senator Charnley be laid upon the table.

Senators Clarke, Jones and Hayner demanded a Call of the Senate. A Call of the Senate was ordered.

CALL OF THE SENATE

The Sergeant at Arms locked the doors of the Senate Chamber. The Secretary called the roll on the Call of the Senate, all members being present except Senator Talley.

MOTIONS

On motion of Senator Clarke, Senator Talley was excused.

On motion of Senator Clarke, the Senate proceeded under the Call of the Senate.

Debate ensued.

POINT OF ORDER

Senator Rasmussen: "I think Senator Goltz' point was well taken that there was no call for the vote on whether or not we wanted the Call of the Senate. Mr. President, speaking further to the Point of Order, our rules provide you cannot operate under anything other than the Call of the Senate if it is on. You may not interrupt that roll call for any purpose.

"Now we did let Senator Clarke get out of the box the other night. It was late and I understood that he was finding it very difficult to maneuver, so we did permit Senator Clarke to get out of the box by an improper motion. . . ."

Senator Clarke: "Mr. President . . ."

Senator Rasmussen: ". . . but our rules provide you may not interrupt a roll call."

POINT OF ORDER

Senator Clarke: "I resent the Senator suggesting matters that went in the past as to whether I got out of the box or not. I didn't figure I was in any box and I don't think that is a matter that is presently before the Senate. If I ask that the Senator be requested to confine his remarks to the point that is presently before the Senate."

REMARKS BY SENATOR RASMUSSEN

Senator Rasmussen: "Thank you, Senator Clarke.

"Mr. President, our rules provide that you may interrupt a roll call only for the purpose of a Call of the Senate. Once that call is put on, and of course Senator Goltz claimed it was not put on properly, once that call is put on for a Call of the Senate, you may not interrupt that roll call. That is the only exception our rules make, and I am not referring to the box that Senator Clarke was in, in the past. I do not want him to get in another box in the future, and I do not want this Senate to get in the box."

Further debate ensued.

Senator Bottiger demanded a roll call and the demand was sustained.

The President Pro Tempore declared the question before the Senate to be the roll call on the motion by Senator Clarke that the amendment by Senator Charnley to Senate Concurrent Resolution No. 119 be laid upon the table.

ROLL CALL

The Secretary called the roll and the motion by Senator Clarke carried by the following vote: Yeas, 25; nays, 24.

Voting yea: Senators Benitz, Bluechel, Clarke, Craswell, Deccio, Fuller, Gallagher, Gould, Guess, Haley, Hayner, Hemstad, Jones, Kiskaddon, Lee, McCaslin, Metcalf, Newhouse, Patterson, Pullen, Quigg, Scott, Sellar, von Reichbauer, Zimmerman—25.

Voting nay: Senators Bauer, Bottiger, Charnley, Conner, Fleming, Gaspard, Goltz, Hansen, Hughes, Hurley, Lysen, McDermott, Moore, Peterson, Rasmussen, Ridder, Shinpoch, Talley, Talmadge, Vognild, Williams, Wilson, Wojahn, Woody—24.

MOTION

Senator Jones: "Mr. President, so that you may have a subject to discuss if it is a subject for discussion, I would like to move that the members of the Senate be limited from now until *sine die* to three minutes comment on any motion before the body, except that the sponsor of the motion may open and close debate on the motion."

PARLIAMENTARY INQUIRY

Senator Vognild: "Thank you, Mr. President. I wonder if that motion could be modified to also outlaw the call of the question and tabling."

REPLY BY SENATOR JONES

Senator Jones: "My response, and I would respond as 'no,' I would not allow that."

PARLIAMENTARY INQUIRY

Senator Shinpoch: "Well, Mr. President, the manner in which you read the motion back, kind of bothers me. It was not exactly what I heard Senator Jones say. You said we had debates on the motion for three minutes, does that mean only one person can speak, or three minutes for each member that desire to talk on the question?"

REMARKS BY PRESIDENT PRO TEMPORE

President Pro Tempore Guess: "Senator Shinpoch, the motion is that Senator Jones moved that the members of the Senate be limited from now until SINE DIE to three minutes comment on any motion before the body except that the sponsor of the motion may open and close debate upon the motion."

POINT OF INQUIRY

Senator Shinpoch: "Senator Jones, just for clarification, that does not, 'members' means any individual member may speak for three minutes if they so desire on a question?"

Senator Jones: "Yes, Senator. . . . in the manner in which we have been proceeding for the last ten days or so."

Senator Shinpoch: "That is what I thought when you read yours, but then I heard something differently when Senator Guess read it back."

Senator Jones: "I think he abbreviated."

The motion by Senator Jones carried.

MOTION

At 11:13 a.m., on motion of Senator Clarke, the Senate was declared to be at ease.

President Pro Tempore Guess called the Senate to order at 11:42 a.m.

MOTION

Senator Clarke moved the rules be suspended and Senate Concurrent Resolution No. 119 be advanced to third reading, the second reading considered the third, and the resolution be placed on final passage.

REMARKS BY SENATOR BOTTIGER

Senator Bottiger: "Mr. President, in the attempt to understand exactly where we were at the time of the cutoff on Sunday and even with our modern computer programming information, we keep finding bills that we thought had passed, had not passed. And we have been discussing this for I guess the benefit of the press. As we find these things out there is pressure to add things to the resolution and we understand that if we do that the whole thing breaks open and everybody's got something that they wanted added.

"So rather than offer amendments to extend the resolution to new bills, we would like to have the courtesy to have you recognize Senator Ridder to point out a bill so that we all know that even though everybody thought it passed it did not and that to keep the session short, we are consciously not adding these to the resolution."

POINT OF INQUIRY

Senator Ridder: "My question really is for Senator Hayner, if she would yield.

"Senator, it was our impression that Senate Bill 3384 which related to the post-retirement benefits for retired employees, had passed both the Senate and House on Sunday night. Now in trying to answer replies to constituents, we found that indeed it had languished, if you will, on the House second reading calendar, so that that increase for those employees retired before 1973 which passed here by a substantial margin, is evidently not in effect, and I am wondering if it would be possible to add that or to hold on the resolution until we find if there is support for that in the House."

Senator Hayner: "Well, let me just say, Senator Ridder, that the bills which you see here on the calendar and a few others which were subsequently deleted because we discovered that they were passed or that something else had taken effect, such as the addendum budget for transportation, then didn't require the passage of the original base budget.

"These were the bills that we originally agreed upon that night and the next morning. It was not until after we sine died that I also discovered that 3384 had not passed but at that time when the question was brought up, the caucus on the other side said 'No, we will not put that on; we will not agree to put that on.' They apparently will not, are not willing to run that bill even though we did pass it and many of us, as you know, voted for it.

"So I think in the interest of trying to conclude this session in the shortest possible time, that we had to have an agreement among the various caucuses on the bills that would be addressed today."

Senator Ridder: "I appreciate that and my response would be, I do have an amendment here which I am not going to offer, but I would ask if I might have, I assume you mean the Republican caucus, since the House doesn't seem to have agreed to much of anything yet. But if it were to be added in the House, would you be willing to accept it here?"

Senator Hayner: "I think one of the reasons, first I want to respond to something you said, that one of the reasons the Democrat caucus in the House was not a part of this negotiation that night was because they walked away from it."

Senator Ridder: "I understand that."

Senator Hayner: "So, secondly, we could have another resolution if the Republicans in the House are willing to agree to that, we could have another resolution to do that, and I would suggest that we work that problem and pass it at this time."

The motion by Senator Clarke carried, Senate Concurrent Resolution No. 119 was advanced to third reading and final passage. The resolution was adopted.

MOTION

On motion of Senator Clarke, the Senate advanced to the eighth order of business.

MOTION

Senator Clarke moved adoption of the following resolution:

SENATE RESOLUTION NO. 1981—143

By Senator Hayner, Jones, Bottiger, Fleming:

BE IT RESOLVED, By the Senate that the Rules of the Senate as adopted and amended in the 1981 regular session shall apply to the first special session of the 1981 legislature;

BE IT FURTHER RESOLVED, That for purposes of this special session Senate Rule 67 may be suspended by a majority vote of the elected or appointed members of the Senate; and

BE IT FURTHER RESOLVED, That a motion to reconsider shall only be in order on the same day upon which notice of reconsideration is given and may be made at any time that day.

POINT OF INQUIRY

Senator Bottiger: "Senator Hayner, rule 67, I believe, also permits the advancing of a bill from second to third reading. Now the understanding is that this side

would not obstruct by refusing to advance as long as there was an opportunity to present amendments in the normal course of second reading."

Senator Hayner: "I have no problem with that."

The motion by Senator Clarke carried and the resolution was adopted.

MOTION

On motion of Senator Clarke, the Committee on Rules was relieved from further consideration of Senate Concurrent Resolution No. 119 and the resolution was placed on the third reading calendar for today.

MOTION

Senator Clarke moved that the Senate now consider Reengrossed Substitute Senate Bill No. 3797.

PARLIAMENTARY INQUIRY

Senator Vognild: "Are all bills on third reading?"

REPLY BY THE PRESIDENT

President Cherberg: "Yes, Senator Vognild."

POINT OF INFORMATION

Senator Bottiger: "Senator Williams has got the first two bills, I don't know if there are any amendments to those. Is there any amendment to the . . . ?"

"Mr. President, the confusion is not a lack of cooperation, it is trying to make sure we are cooperating. Senator Clarke, if you make your motion to go to second reading, then we do not have this problem."

MOTION FOR RECONSIDERATION

Senator Clarke: "Having vote on the prevailing side, I move that the Senate do now reconsider the motion I made with respect to placing these bills on today's calendar.

"Well, do you understand what he is saying, Senator?"

On motion of Senator Bottiger, all measures will be placed on the second reading calendar.

MOTION

On motion of Senator Clarke, the Senate commenced consideration of Reengrossed Substitute Senate Bill No. 3797 on second reading.

MOTION

On motion of Senator Gould, consideration of Reengrossed Substitute Senate Bill No. 3797 will be deferred temporarily.

MOTION

On motion of Senator Clarke, the Senate commenced consideration of Engrossed Substitute Senate Bill No. 4299.

The hearing shall be conducted in the county in which the appellant resides, and a tape recording of the testimony shall be made and included in the record, the costs of which shall be borne by the department. A copy of this tape recording shall be provided the appellant if request for same is made in writing by the appellant or his attorney of record.

In the event an appellant feels aggrieved by the decision in a fair hearing under this section, and if the appellant files an appeal to the superior court for judicial review in accordance with chapter 34.04 RCW as now or hereafter amended, the appellant is entitled to a typed transcript of the tape recordings or such portion thereof as the applicant requests from the department, if the request is made by the appellant or the appellant's attorney of record.

Any appellant who desires a fair hearing shall within ninety days after receiving notice of the decision of the department or an authorized agency of the department, file with the secretary a notice of appeal from the decision. The department shall not pay more than cost for a minimum standard service rendered by each vendor. Payments to the funeral director and to the cemetery or crematorium will be made by separate vouchers. The standard of such services and the uniform amounts to be paid shall be determined by the department after giving due consideration to such advice and counsel as it shall obtain from the trade associations of the various vendors and related state departments, agencies, and commissions. ~~((The payments made by the department shall not be subject to supplementation by the relatives or friends of recipients. Whenever relatives or friends provide for other than the minimum standard service authorized, the state shall not participate in the payment of any part of the cost.))~~ Payment made for any funeral or burial service by relatives, friends, or any other third party shall be subtracted from the payment made by the department.

NEW SECTION. Sec. 16. There is added to chapter 74.08 RCW a new section to read as follows:

It is the intent of the legislature that chore services be provided to eligible persons within the limits of funds appropriated for that purpose. Therefore, the department shall provide services only to those persons identified as at risk of being placed in a residential care facility in the absence of such services. Chore services shall be provided only to the extent necessary to maintain a safe and healthful living environment. In determining an individual's eligibility for chore services, the department shall consider the following:

- (1) The kind of services needed;
- (2) The degree of service need, and the extent to which an individual is dependent upon such services to remain in his or her home or return to his or her home;
- (3) The availability of personal or community resources which may be utilized to meet the individual's need; and
- (4) Such other factors as the department considers necessary to insure service is provided only to those persons whose chore service needs cannot be met by relatives, friends, nonprofit organizations, or other persons.

In determining the level of services to be provided under this chapter, the department shall utilize a client review questionnaire designed to determine both the degree and level of service need and the individual's risk of institutionalization if such needs are not met by this chapter.

NEW SECTION. Sec. 17. There is added to chapter 74.08 RCW a new section to read as follows:

"Chore services," as used in this chapter, means services in performing light work and household and other personal tasks which eligible persons are unable to do for themselves because of frailty or handicapping conditions.

Persons eligible for services at no cost are adult recipients of supplemental security income and/or state supplementation and other individuals having income equal to or less than thirty percent of the state median income and resources less than a level determined by the department, and whose level of need for chore services and risk of being placed in a residential care facility have been determined by the department. Individuals determined by the department to be eligible for adult protective services are eligible to receive emergency chore services without regard to income if the services are essential to, and a subordinate part of, the adult protective services plan. Emergency chore services under adult protective services shall be provided only until the emergent situation has stabilized, not to exceed ninety days.

Those persons whose income is between thirty and forty percent of the state median income and whose level of need for chore services and risk of being placed in a residential care facility has been determined by the department are eligible for a reduced level of service based on their ability to purchase the services. The department shall develop a scale of reduced hours of service based on need and income level to be applied in these cases. Persons whose resources exceed the level determined by the department are not eligible for any reduced level service.

The department is authorized to provide chore services on a case-by-case basis to severely handicapped persons in need of attendant care whose income exceeds the criteria established in this section. On page 25, after line 25 insert the following:

"NEW SECTION, Sec. 26. The focus of the criminal justice system is offense-oriented which involves the apprehension, incarceration, adjudication, and sentencing of those who violate the law. Victims and witnesses of crime are the silent partners in the process. They continue to cooperate with the system although it represents the likely possibility of continued trauma, financial inconvenience, time lost from work, child care costs, the long-term holding of personal property used as evidence, and restitution ordered by the court but not recovered. Even in light of these realities, there is an inherent belief in the system.

Victims and witnesses are further frustrated by the complexity of the criminal justice process, very limited understanding of that process, and the resulting inability to successfully obtain basic case update information from an already overburdened system. County-wide victim and witness programs work to lessen the difficulties of being a victim or witness by providing a link into the criminal justice system. This link creates a more informed public, reassured that they as taxpaying citizens are involved in a criminal justice system that represents them, the people of the state of Washington.

NEW SECTION, Sec. 27. (1) Upon a person pleading guilty to or being convicted of a crime against another person or property in the state, in addition to any other fine or penalty, the court shall levy an assessment of twenty-four dollars for each felony and twelve dollars for each misdemeanor or gross misdemeanor.

(2) When any full deposit of bail is made by a person who is not in custody and who is charged with a misdemeanor or gross misdemeanor, the person making the deposit shall also deposit a sufficient amount to include the assessment required by this section. A person upon whom an assessment has been levied is entitled to a refund of the assessment if the person is acquitted or the charges are withdrawn.

(3) The assessment imposed under this section shall be deposited in the crime victims compensation fund and shall be allocated to the payment of claims under chapter 7.68 RCW.

NEW SECTION. Sec. 28. There is appropriated from the crime victims compensation account to the department of labor and industries for fiscal year 1982, the sum of \$952,000 to carry out the purposes of chapter 7.68 RCW. There is appropriated from the state general fund for fiscal year 1982 the sum of \$2,263,000 to carry out the purposes of chapter 7.68 RCW.

NEW SECTION. Sec. 29. The appropriate committees of the legislature shall undertake a full review of the victims of crime program and submit suggestions to the full legislature regarding the continuance and funding of the program for fiscal year 1983 and the future.

NEW SECTION. Sec. 30. Sections 26 through 27 of this act shall be added to chapter 7.68 RCW."

POINT OF ORDER

Senator Clarke: "Thank you, Mr. President. I raise the Point of Order that the proposed amendment enlarges the scope and object of the bill. As very frankly stated by Senator Shinpoch, this does go into many, many areas that were not within the original contemplation of the bill and were the subject of consideration of various other bills which were not enacted and I think that also it very definitely is contrary to the general intent of our Senate Concurrent Resolution Number 119 which specifically is intended to restrict, in order to keep this session short as desired by the governor and I think frankly by all of us here, to the elements that are embodied in the various bills that are designated by number. I think if we start in effect, endeavoring to hang on various other concepts, now regardless of their desirability, that we have, in substance, opened this session up to an extent that instead of being severely curtailed and taking care of only the specific emergent matters that were referred to by the Governor and more or less substantially, I thought, concurred in by both caucuses, we are going to start rearguing many, many issues that were before the general session and so without regard to the merits of this particular amendment, I urge that it is very definitely beyond the scope and object."

Debate ensued.

RULING BY PRESIDENT PRO TEMPORE GUESS

President Pro Tempore Guess: "In ruling upon the Point of Order raised by Senator Clarke, the President finds that Substitute Senate Bill 4299 is a measure which deals with public assistance, emergency assistance for families with children, grants, supplemental security income, fair hearings, funeral and burial expense, chore services, medical care for the recipients of the general assistance and aid to families with dependent children.

"The amendment proposed by Senator Shinpoch deals with the community-based mental health programs, funding and the duties of the department of social and health services regarding the aforementioned mental health programs, as well as exemptions from civil service for department employees.

"The President therefore finds that the proposed amendment does expand the scope and object of the bill and that the Point of Order is well taken."

The amendment by Senators Shinpoch, Charnley, Moore and Talmadge to the amendment by Senator Scott was ruled out of order.

There being no objection, an amendment by Senators Wojahn, Gaspard and Talmadge on the desk of the Secretary of the Senate was withdrawn.

The President Pro Tempore declared the question before the Senate to be the amendment by Senator Scott to Engrossed Substitute Senate Bill No. 4299.

Debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Will Senator Clarke yield to a question?"

President Pro Tempore Guess: "Senator Clarke does not yield."

Senator Rasmussen: "Well, who else knows . . .? That you yielding, or what? Oh, Senator Scott; excuse me, Senator Clarke, I got so used to asking you questions because you have great knowledge."

President Pro Tempore Guess: "Senator Scott yields."

Senator Rasmussen: "Senator Scott, on page 14, where 'Any applicant,' on line 6, 'feeling himself aggrieved by the decision of the department,' and then it goes on down to line 12, 'An applicant for or recipient of public assistance is not entitled to a fair hearing solely on the basis of state or Federal law which requires grant adjustments for a class of recipients.' Then it goes on further down says 'The hearing shall be conducted in the county in which the applicant resides.'

"It is not clear to me what that section means. Could you explain that?"

Senator Scott: "It means that he is prohibited from doing so as the adjustment is made to a whole class of recipients as opposed to individuals therein."

Senator Rasmussen: ". . . raise the grant a certain level to a class, that is one thing."
