POINT OF INQUIRY

Senator Moore: "Senator Warnke, the bill and the amendment require that the Department of Labor and Industries provide translations of material for employers regarding hazardous materials. Is this intended, in any way, to allow the Department to hire translators?"

Senator Warnke: "No, Senator Moore, I don't believe so. There are many translators and translations available in the private sector and in addition in questioning in the committee, the intent, I believe of this bill, was that the Department would not hire employees, but would contract with the private sector."

POINT OF INQUIRY

Senator Vognild: "Senator Warnke, the bill states that the translation is of the five most common languages in the work place. I assume that the intent here is to use the work force across the state to determine the most common languages and not a specific place of employment."

SECOND READING

SUBSTITUTE HOUSE BILL NO. 127, by Committee on Natural Resources (originally sponsored by Representatives Sutherland and McMullen)

The bill was read the second time.

MOTION

On motion of Senator Owen, the rules were suspended, Substitute House Bill No. 127 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Sellar: "Senator Owen, I've had some calls, and I assume that most of us have had, from some of the sheriffs indicating that they thought that this, in fact, set up a statewide police force and secondly, do these people have all the requirements--are they, in fact, a totally commissioned law officer under this? The third part of the question is who is that Game Department Officer responsible to? Is there someone locally that he's responsible to? Is he responsible to the sheriff at all in this case?"

Senator Owen: "If I can remember the questions, in regard to the state police, in my opinion, absolutely not. It does not establish a state police because these people can only enforce criminal law when they are performing their duty. If they see a poacher and they find out that the person is selling, they can make an arrest. If they are checking licenses at the state park and they find someone under assault, they can make an arrest. If they're just driving from work out to the field or driving around, unlike a regular police officer, they cannot make any arrests. They cannot enforce traffic laws in this bill, except for drunk driving, which is not considered a traffic violation.

"The second part of your question--who are they responsible to? They are responsible to their agencies. The liability is left within the agencies that they work for--the Department of Fisheries or the Department of Game--depending on who they work for. That's where the liability for their actions is held."

Further debate ensued.

POINT OF INQUIRY

Senator Patterson: "Senator Talmadge, the digest indicates that they may serve and execute warrants. Your comment that they cannot serve warrants or the only time they can would be if they were authorized by the county sheriff, or what? I misunderstand--the digest doesn't identify the 'serve and executed warrant,' as you suggest."

Senator Talmadge: "I misspoke myself, Senator Patterson. My understanding was incorrect. I understood they had the authority to engage in an arrest in a circumstance where the arrest occurred--where there would be criminal conduct--occurred before them. I've been told by Senator Owen, at least with respect to the Fisheries Patrol Officers, they would have the authority to serve and execute warrants, as would wildlife agents, but that is limited to the time they are on duty as fisheries or wildlife agents--not as would be the case of peace officers, which would be around the clock."

Further debate ensued.

POINT OF INQUIRY

Senator McDermott: "Senator Owen, my question is two. One, the question of pursuit and the second of fiscal impact. Are these officers given the right to pursue

across county lines as far as they see somebody? What's the restraint on their following a high-speed chase?"

Senator Owen: "There's no more restraint on them than there would be on anybody else in a so-called high-speed chase if they witness a crime committed in one county. They are not restricted to any county. As a matter of fact, I would say that that's a problem with the situation now where you have a sheriff in one county giving you the authority to arrest and then in the next county, they don't. It's not restricted. It's like any other officer would have. They are not restricted to counties. The second part of your question was--"

Senator McDermott: "Let me extend a little bit on that. Are you saying, then, that they are able to pursue, just like a state patrolman or any other police officer--somebody that they see at whatever speed or whatever risk they have to take to make an arrest with full authority?"

Senator Owen: "As any other officer would."

Senator McDermott: "They are just another police officer, once this bill passes? Second thing, then, is the question of what do you think the fiscal impact of this bill is, because with automobiles, radios and all the other paraphernalia that goes with the police department--"

Senator Owen: "As you well know, they already have those rigs and have the radios in their automobiles at this time, so as far as equipment, there's no way that I would see that there would be any fiscal impact from that standpoint. The only fiscal impact you would have is, if in fact, the Department of Game and the Department of Fisheries decided to train their officers, which is a requirement before they can even do it. They have to either go through the regular or Criminal Justice Training Commission program or they have to agree on one with the Criminal Justice Training Commission or one that would be designed around their particular situation and then there would be, potentially, an impact to that degree, but there is no way of determining that, at this time, since we don't know to what degree they would go into training."

Further debate ensued.

POINT OF INQUIRY

Senator Sellar: "Mr. President, I would like another clarification, if I can, because I'm getting confused out here, too. The original question that I asked of Senator Owen and Senator Talmadge in which they said 'this individual must witness the crime--they must be there at the time of the crime and witness it in order to act.' Now, Senator Stratton is saying they can call one of these individuals to come to aid and abet them even though the crime was committed sometime before and that they can act as a state patrolman and so forth. I guess I want some clarification.

"Can that happen as Senator Stratton says? Is this going to be a commissioned police officer that can travel around the state, or is it, in fact, only going to be while he or she is doing their duty and happens to witness something?"

REMARKS BY SENATOR TALMADGE

Senator Talmadge: "I think your sense of it is correct, Senator Sellar. They don't have the authority to go out and affirmatively respond to situations. The question about the execution service of the warrant, I think, comes up in a circumstance like this of a wildlife agent about to cite Ted Bundy for violating the wildlife laws and discovers there is an outstanding warrant for the arrest of Ted Bundy. Under present law, the wildlife agent could not execute the warrant. He couldn't arrest Ted Bundy for the outstanding violation of the law he has. Under this particular bill, the authority would be given to the wildlife agent to execute the warrant in the case of someone who had a warrant outstanding for his or her arrest. Where the wildlife agent directly witnesses the crime, they can affirmatively arrest that person for the violation of the law.

"The idea of the bill, and I've talked to a lot of law enforcement officers across the state who have sentiments similar to those of Senator Metcalf and Senator Stratton--it is of assistance. They work with wildlife agents and fisheries agents all the time and they'd like them to have the opportunity to arrest somebody who committed a felony violation or other serious violation in their presence--and

under present law, they don't have that. They are not authorized to breaking and entering, as Senator Hansen said. They are trained according to the provisions of the bill for the same length of time and the same kinds of courses as the regular law enforcement officers will be in the Criminal Justice Commission Training process—at least for new officers. The old officers would have to go through a program that would be devised.

"I think the bill will provide some benefit in terms of some additional personnel who have the ability to deal with problems that they see in their presence or to execute warrants where warrants are outstanding on individuals."

Further debate ensued.

POINT OF INQUIRY

Senator Guess: "Senator Talmadge, for several years now, we've had a good deal of trouble around small lakes around Spokane where the youngsters in the spring time will go out in the parking areas for the launching of boats and picnic areas and have a big kegger. Would it be possible, in that case, for the people in that area to call one of the fish and game people and have them make the arrest?"

Senator Talmadge: "My understanding is that you would not, Senator Guess, unless there was an outstanding warrant for the individual, or the fisheries or wild-life agent actually saw the violation in his or her presence."

Senator Guess: "If they saw them, though, in the destruction of property could they then arrest them?"

Senator Talmadge: "My answer would be, yes."

The President declared the question before the Senate to be the roll call on final passage of Substitute House Bill No. 127.

The Secretary called the roll on final passage of Substitute House Bill No. 127 and the bill passed the Senate by the following vote: Yeas, 29; nays, 17; absent, 1; excused, 2.

MOTION

Senator Bottiger moved that the Senate grant the request of the Governor and withdraw the gubernatorial appointments as listed in his message.

Debate ensued.

REMARKS BY SENATOR HAYNER

Senator Hayner: "Mr. President and ladies and gentlemen of the Senate. Here we have another example of unstable situations being created within state government. I think it points up the fact that our law permits the majority party, whichever it may be, to refuse to confirm and then those people are held over. A new Governor comes along and wipes the slate clean. I think this is a very inefficient way to operate government and certainly it is not an orderly process.

"The refusal of the majority party in the last two years to confirm all these people on the supposition that there would be a change in party and in the Governor's office, I think is an irresponsible way to deal with this. We have an obligation to look at these people and to decide at a reasonable time after they are appointed whether or not they should be confirmed and stay in that position. I abhor this sort of thing and I would hope that there would be every kind of bipartisan effort to change this whole situation."

REMARKS BY SENATOR THOMPSON

Senator Thompson: "Thank you, Mr. President and members of the Senate. I'm a relatively new member of the Senate and not as experienced in these matters of the confirmation process as many of you, but I am beginning to appreciate the problems that Senator Hayner has just articulated.

"I introduced a bill--it was an attempt to review a measure that had previously been developed by the Senate. We had one hearing in the Governmental Operations Committee and all of us on the committee became more aware of the issue and its complexities. In the press of other matters we had to handle, we set it aside. However, I do want to convey the interest of the committee in pursuing these problems that Senator Hayner has raised, in this interim and be prepared to bring to you, when we sit again, in bill form--an improved process of handling confirmations."

REMARKS BY SENATOR PULLEN

Senator Pullen: "Perhaps Senator Bottiger could clarify if there is a list available as to who is being renominated. The reason I asked, I guess, I see a list here that Senator Bottiger referred to in his message from the Governor. I see someone put some notes here to the side and I see the Clemency and Pardons Board--they are also reviewing. The reason I asked is that one of them, Juanita Grant, is very close to me, being my secretary and administrative assistant and right arm. She is a woman of unusual intelligence and insight in such matters and I certainly hope that she will be reappointed. The list strikes me and every fiber in my body cried out to emphasize the value of getting her back on the Clemency and Pardons Board. I was hoping she wasn't being under serious consideration and review for that."

REMARKS BY SENATOR BOTTIGER

Senator Bottiger: "Mr. President, I made up the notes on this side by comparing the two sheets and I shared that--admittedly a little belatedly with Senator McDonald. Most of these people are being reappointed. There are some exceptions in the list."

The President declared the question before the Senate to be the motion by Senator Bottiger to grant the request of the Governor and withdraw the gubernatorial appointments as listed.

The motion by Senator Bottiger carried and the gubernatorial appointments, as listed, were returned to the Governor.

AFTERNOON SESSION

The Senate was called to order at 2:30 p.m. by President Pro Tempore Goltz.

SECOND READING

HOUSE BILL NO. 675, by Representatives Niemi, Barrett, Dellwo, Crane, Lewis, Appelwick, Tilly, Armstrong, Padden, Schmidt, Scott, Wang and Long

Including stepchildren as potential plaintiffs in wrongful death action.

The bill was read the second time.

MOTION

On motion of Senator Talmadge, the rules were suspended, House Bill No. 675 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Newhouse: "Senator Talmadge, by coincidence I was just going to ask you this question for the record. If a natural parent is still supporting a child in/or part, will the amount of child support received from the natural parent be offset against the claim for wrongful death of a stepparent?"

Senator Talmadge: "On that question, Senator Newhouse, I'm not entirely certain. I don't believe that would be the case. I think the stepchildren would be entitled to receive whatever they are entitled to receive under the statute of damages, but I'm not certain, but if they were receiving child support from the natural parent, that would result in an offset."

Senator Newhouse: "Yet, damages should include the loss of support that might be expected from the natural parent."

Senator Talmadge: "It might be part of the calculation of damages if, in fact, they were not economically harmed and by the sound of things if they were receiving some assistance from the natural parent, the amount of economical harm to them would be less than in the case where there was no support coming from the natural parent--that might result in a lowered amount to them."

The President Pro Tempore declared the question before the Senate to be the roll call on final passage of House Bill No. 675.

ROLL CALL

The Secretary called the roll on final passage of House Bill No. 675 and the bill passed the Senate by the following vote: Yeas, 45; absent, 3; excused, 1.

Absent: Senators Gaspard, McDermott, Williams - 3.

*PUBLIC WORKS

NEW SECTION. Sec. 1. LEGISLATIVE FINDINGS AND POLICY. The legislature finds that there exists in the state of Washington over four billion dollars worth of critical projects for the planning, acquisition, construction, repair, replacement, rehabilitation, or improvement of streets and roads, bridges, water systems, and storm and sanitary sewage systems. The December, 1983 Washington state public works report prepared by the planning and community affairs agency documented that local governments expect to be capable of financing over two billion dollars worth of the costs of those critical projects but will not be able to fund nearly half of the documented needs. It is the policy of the state of Washington to encourage self-reliance by local governments in meeting their public works needs and to assist in the financing of critical public works projects by making loans, financing guarantees, and technical assistance available to local governments for these projects.

NEW SECTION. Sec. 2. DEFINITIONS. Unless the context clearly requires otherwise, the definitions in this section shall apply throughout this chapter.

(1) "Board" means the community economic revitalization board as created by chapter 43.160 RCW.

(2) "Public works subcommittee" means the subcommittee created by section 12 of this act.

(3) "Department" means the department of community development.

(4) "Financing guarantees" means the pledge of money in the public works assistance account, or money to be received by the public works assistance account, to the repayment of all or a portion of the principal of or interest on obligations issued by local governments to finance public works projects.

(5) "Local governments" means cities, towns, counties, special purpose districts, and any other municipal corporations or quasi-municipal corporations in the state excluding school districts and port districts.

(6) "Public works project" means a project of a local government for the planning, acquisition, construction, repair, reconstruction, replacement, rehabilitation, or improvement of streets and roads, bridges, water systems, or storm and sanitary sewage systems.

(7) "Technical assistance" means training and other services provided to local governments to (a) help such local governments plan, apply, and qualify for loans and financing guarantees from the board and (b) help local governments improve their ability to plan for, finance, acquire, construct, repair, replace, rehabilitate, and maintain public facilities.

NEW SECTION, Sec. 3. GENERAL POWERS OF THE BOARD. For the purpose of implementing this chapter, the board may:

(1) Accept from any state or federal agency, loans or grants for the planning or financing of any public works project and enter into agreements with any such agency concerning the loans or grants;

(2) Provide technical assistance to local governments;

(3) Accept any gifts, grants, or loans of funds, property, or financial or other aid in any form from any other source on any terms and conditions which are not in conflict with this chapter;

(4) Adopt rules under chapter 34.04 RCW as necessary to carry out the purposes of this chapter;

(5) Delegate to the public works subcommittee of the board, by rule, any of its powers under this chapter; and

(6) Do all acts and things necessary or convenient to carry out the powers expressly granted or implied under this chapter.

NEW SECTION, Sec. 4. PUBLIC WORKS FINANCING POWERS. In order to aid the financing of public works projects, the board may:

(1) Make low-interest or interest-free loans to local governments from the public works assistance account or other funds and accounts for the purpose of assisting local governments in financing public works projects. The board may require such terms and conditions and may charge such rates of interest on its loans as it deems necessary or convenient to carry out the purposes of this chapter. Money received from local governments in repayment of loans made under this section shall be paid into the public works assistance account for uses consistent with this chapter.

(2) Pledge money in the public works assistance account, or money to be received by the public works assistance account, to the repayment of all or a portion of the principal of or interest on obligations issued by local governments to finance public works projects. The board shall not pledge any amount greater than the sum of money in the public works assistance account plus money to be received from the payment of the debt service on loans made from that account, nor shall the board pledge the faith and credit or the taxing power of the state or any agency or subdivision thereof to the repayment of obligations issued by any local government.

(3) Create such subaccounts in the public works assistance account as the board deems necessary to carry out the purposes of this chapter.

(4) Provide a method for the allocation of loans and financing guarantees and the provision of technical assistance under this chapter which shall be based on the recommendations of the public works subcommittee.

All local public works projects aided in whole or in part under the provisions of this chapter shall be put out for competitive bids. The competitive bids called for shall be administered in the same manner as all other public works projects put out for competitive bidding by the local governmental entity aided under this chapter.

NEW SECTION, Sec. 5. PRIORITIES FOR LOANS AND PLEDGES. The board shall set up a system of priorities it will use in making loans and providing financial guarantees and technical assistance under this chapter. Top priority will be given to (1) projects of local governments that have developed and implemented a financial plan to assure the continued funding for the repair and maintenance of existing public works; (2) projects of local governments that are contributing substantial local funds, but distressed areas with high unemployment may have a lower contribution requirement; and (3) projects that involve existing public works as defined in section 2(6) of this act. Additional factors to be considered include:

(a) The level of need of state assistance to each local government receiving such assistance;

(b) Public works projects that serve a number of communities or are funded by two or more local governments to share the costs of the assisted public works projects;

(c) The health and safety needs for particular public works projects proposed for assistance;

(d) The occurrence of natural disasters that create the need for assistance for public works projects;

(e) The existence of federal and state projects that create the need for assistance for public works projects;

(f) The need in a community to attract new employers, expand existing employers, or otherwise and the need for economic development and recognition of such need by the department of commerce and economic development which results in a community economic revitalization board allocation; and

(g) Such other criteria as the board deems appropriate.

In issuing rules setting forth the method of weighing the criteria set forth in this section, and selecting public works projects for assistance, the board shall endeavor to provide clear and understandable rules that will indicate to local governments the likelihood of receiving assistance from the board on particular public works projects. In adopting these rules the board shall consider the recommendations of the public works subcommittee.

NEW SECTION, Sec. 6. RECORDS, AUDITS, AND REPORTS. The board and the public works subcommittee shall keep proper records of accounts and shall be subject to audit by the state auditor. Annual reports on the activities of the board and the public works subcommittee in implementing this chapter shall be made by the department to the governor and the legislature at the start of each annual legislative session.

NEW SECTION, Sec. 7. REPEALER. The following acts or parts of acts are each repealed:

- (1) Section 1, chapter 244, Laws of 1984 and RCW 43.63A.200;
- (2) Section 2, chapter 244, Laws of 1984 and RCW 43.79.450; and
- (3) Section 3, chapter 244, Laws of 1984 and RCW 43.79.452.

NEW SECTION, Sec. 8. CAPTIONS. As used in this act, section captions constitute no part of the law.

NEW SECTION, Sec. 9. CODIFICATION. Sections 1 through 6 of this act shall constitute a new chapter in Title 43 RCW.

PRIVATE ACTIVITY BONDS

NEW SECTION, Sec. 14. LEGISLATIVE FINDINGS AND POLICY. The federal deficit reduction act of 1984 imposes an annual ceiling on the aggregate amount of federally tax-exempt private activity bonds, including student loan bonds, industrial development bonds, and certain government activity bonds, that may be issued during any calendar year by or on behalf of states and their political subdivisions. The deficit reduction act of 1984 provides a formula for allocating the annual ceiling among various issuers of private activity bonds within a state, but permits each state to enact a different allocation method that is appropriate to that state's needs. The purpose of this chapter is to provide a flexible and efficient method of allocating the state ceiling in Washington in a manner that recognizes the need of the state and its political subdivisions to finance public improvements which are owned by those public entities and also promotes industrial and economic development, encourages private investment, and assists students seeking financial aid.

NEW SECTION, Sec. 15. DEFINITIONS. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Board" means the community economic revitalization board as created by chapter 43.160 RCW.

(6) "Code" means the federal internal revenue code as it exists, with amendments, on the effective date of this act. It also means the code as amended after the effective date of this act, but only if the amendments are approved by the board as provided in section 19 of this act.

(7) "Department" means the department of commerce and economic development or its successor with respect to the powers and duties granted by this chapter.

(8) "Director" means the director of the department or the director's designee.

(9) "Government activity bonds" means bonds that are classified as private activity bonds under the code and that are neither student loan bonds nor revenue bonds issued under Article XXXII of the state Constitution.

(10) "Industrial development bonds" means nonrecourse revenue bonds issued under Article XXXII of the state Constitution.

(11) "Issuer" means the state, any agency or instrumentality of the state, any political subdivision, or any other entity authorized to issue private activity bonds in the state.

(12) "Private activity bonds" means bonds that are private activity bonds as defined in the code.

(13) "State" means the state of Washington.

(14) "State ceiling" means for any calendar year the aggregate amount of private activity bonds that may be issued in the state under the code.

(15) "Student loan bonds" means bonds issued by an issuer that are student loan bonds as defined in the code.

NEW SECTION, Sec. 16. ALLOCATION. (1) The state ceiling shall be allocated each year initially as follows: Forty-five percent to government activity bonds; forty-five percent to industrial development bonds; and ten percent to student loan bonds. The allocation is subject to revision by the board as provided in section 18 of this act.

(2)(a) No issuer is eligible to file a notification form or receive an allocation for the financing of an individual project of more than seven and one-half million dollars of any government activity bond or industrial development bond allocation of the state ceiling without a certificate of approval from the board.

(b) In determining whether to issue a certificate of approval, the board may consider but is not limited to the following criteria:

(i) The number of employment opportunities the project is likely to create in relation to the amount of the bond issuance;

(ii) The level of unemployment in the geographic area likely to be affected by the project;

(iii) Public health and safety benefits;

(iv) The amount of state ceiling which remains unallocated;

(v) The number of persons who will benefit from the project; and

(vi) Other such criteria the board deems appropriate.

(c) The board may condition its certificate of approval on any terms it deems appropriate.

(3) The board shall issue or deny a certificate of approval within sixty days of the filing for an application for the certificate.

(4) The board may delegate to the private activity bond subcommittee of the board, by rule, any of its powers under this chapter.

(5) Subject to the provisions of this chapter, the portion of the state ceiling allocated to a bond use category shall be allocated automatically to an issuer of bonds in that category in the order of the date and time the issuer files a properly completed and signed notification form with the department.

NEW SECTION. Sec. 17. (1) The notification form filed by an issuer shall identify: (a) The amount of the state ceiling allocation that is sought; (b) the bond use category from which the allocation is to be made; (c) a certification by the issuer that a bond purchase agreement has been executed with respect to the bonds for which an allocation is sought; and (d) such other information or evidence of the issuer's intention to issue bonds as the director prescribes.

(2) If the principal amount of the bonds for which an allocation of the state ceiling is sought does not exceed the amount of the state ceiling available in the bond use category applicable to the bonds, the director shall mail a written allocation confirmation notice to the issuer within five business days after the filing of the issuer's notification form for the bonds.

(3) If the principal amount of the bonds for which an allocation of the state ceiling is sought exceeds the amount of the state ceiling available in the bond use category applicable, the director shall mail a written deficiency notice to the issuer within five business days after the filing of the issuer's notification form for such bonds and in that notice advise the issuer of the amount by which the principal amount of the bonds described in the notification form exceeds the available state ceiling. The issuer shall be entitled to an allocation of the remaining available state ceiling in the applicable bond use category upon its filing with the department within fifteen calendar days after the date of the director's deficiency notice, a written notice of the amount of the available state ceiling it will consume.

(4) State ceiling allocation notification forms filed in any year for which a full or partial deficiency notice was given by the director shall be retained on a waiting list. When any state ceiling becomes available that year or on January 1 of the following year for the bond use category for which the notification form was filed, the following rules apply: (a) The director shall notify by mail the issuers on the waiting list; and (b) those issuers who, within five business days of receipt of such notice, certify to the director their intention to issue bonds up to the amount stated in the original notification form, shall receive an allocation of the available state ceiling in the order the original notification forms were filed.

(5) Except as provided in section 18 (2) and (3) of this act, all allocations of the state ceiling shall expire on the ninety-first day after mailing of the director's allocation confirmation or the notice of allocation, unless the bonds described in the issuer's state ceiling allocation notification form have been delivered to their original purchaser. Each issuer shall file a confirmation of delivery notice with the department within ten days after delivery of the bonds.

NEW SECTION. Sec. 18. REALLOCATION. (1) After June 1 of any year the board may, in its discretion, reallocate the remaining portion of the state ceiling in any bond use category allocated pursuant to section 16(1) of this act that has not been and does not appear reasonably likely to be consumed that year.

(2) The board may in its discretion grant an advanced allocation of the state ceiling in any future year of a portion of the state ceiling for a bond use category, upon such conditions as the board may determine, and may waive the requirements under section 17(5) of this act that the bonds be issued within ninety days of the director's allocation confirmation and notice of allocation. Advanced allocations shall be deemed to have been received by issuers on January 1 of the year for which they are granted in each year, and in the order they were granted. Any advanced allocation shall be contingent on the existence of available state ceiling. Such advanced allocations shall be considered received before any new allocations are made in a given year.

(3) In December of any year, if the board finds that it is reasonably likely that a portion of the state ceiling otherwise would not be consumed, the board, in its discretion, may grant an allocation of the state ceiling to an issuer for financing of a specific project and waive the requirements under section 17(5) of this act that bonds be issued within ninety days after mailing of the director's allocation confirmation or notice of allocation. The issuer may then carry forward the allocation for the project for a period of time permitted by the code.

NEW SECTION. Sec. 19. RULE-MAKING AUTHORITY. (1) The board may adopt such rules as are necessary to carry out the purposes of this chapter.

(2) In order to permit the full use of the authorized state ceiling under the federal law, the board may adopt rules approving any amendments made to the code after the effective date of this act.

NEW SECTION. Sec. 20. ANNUAL REPORT. The department shall report annually at the start of each annual legislative session to the legislature and the governor on the allocations of the state ceiling made during the previous year.

NEW SECTION. Sec. 21. TERMINATION. The method for making new allocations of the state ceiling provided in sections 16, 17, and 18 of this act shall expire on December 31, 1988, unless extended by law for an additional fixed period of time, except that any guaranteed allocations

granted under section 18(2) of this act and any allocations carried forward under section 18(3) of this act shall remain in full force and effect after that date.

NEW SECTION. Sec. 22. **RATIFICATION.** Any state ceiling allocations taken during 1984 or 1985 in conformance with the code and an applicable executive order of the governor are ratified and confirmed and shall remain in full force and effect notwithstanding any other provision of this act.

Establishing the Washington state economic development board.

MOTIONS

Senator Warnke moved that the following amendment be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. The legislature finds that unemployment remains persistently high in Washington. The economy, although diversifying, is shifting to a service-based economy and is still highly vulnerable to fluctuations in the national economy. In fact, unemployment has been consistently higher than the national average. Washington does not have a long-term economic development policy and has suffered from lack of a long-term plan in its attempt to resolve the economic problems which continue to plague the state.

Washington's economic development effort has not matched the scope of the problem. An essential first step is to establish a public and private consensus on a long-term economic development strategy which recognizes both the competitive position and needs of our key businesses and industries and the need to establish new businesses and industries. A unique partnership between the private and public sectors can attract new businesses and encourage greater investment in Washington state.

NEW SECTION, Sec. 2. There is hereby established the Washington state economic development board, referred to in this chapter as the board. The board is charged with the responsibility for creating a long-term economic development strategy for the state.

NEW SECTION, Sec. 3. The board shall be composed of citizens from both the private and public sectors who are actively engaged in organizations and businesses which support economic expansion and job creation. The board shall be composed as follows:

- (1) The governor;
- (2) Four members of the legislature, including one member from each of the four largest caucuses in the legislature;
- (3) One representative of a manufacturing company employing more than one thousand persons;
- (4) One representative of a manufacturing company employing fewer than one hundred persons;
- (5) One representative of a manufacturing company employing between one hundred and one thousand persons;
- (6) One representative from organized labor;
- (7) One representative from a major financial institution;
- (8) One representative from agriculture;
- (9) One representative from education;
- (10) One representative from the tourism industry;
- (11) One representative from the forest products industry;
- (12) One economic development professional;
- (13) One owner of a women-owned business enterprise certified under chapter 39.19 RCW;
- (14) One owner of a minority-owned business enterprise certified under chapter 39.19 RCW; and
- (15) Five citizens at large.

The director of commerce and economic development, the director of revenue, the director of financial management, and the director of community development shall serve as ex officio members of the board.

The governor shall, within fourteen days of the effective date of this act, appoint all members of the board, except those in subsection (2) of this section who shall be appointed by their respective caucuses. The first meeting of the board shall occur within thirty days of the effective date of this act.

The governor shall serve as the chairperson and shall designate a citizen member to serve as vice-chairperson of the board. Members shall serve four-year terms. Members are subject to dismissal by the governor due to the lack of attendance or contribution. The position of a legislative member shall become vacant if the member ceases to be a member of the legislature. A vacancy in a legislative position shall be filled by the original appointing authority.

The board shall include at least two representatives from each of the state's congressional districts.

The board shall meet regularly and shall create subcommittees as needed to deal with specific issues and concerns. Members shall be reimbursed for travel expenses under RCW 43.03.050 and 43.03.060, except legislative members shall be reimbursed under RCW 44.04.120.

NEW SECTION, Sec. 4. (1) The board shall develop a long-term economic development plan based on a strategic analysis. The objective of the plan shall be to spur new job creation and investment that is consistent with the preservation of the state's quality of life and environment. The board shall submit an initial plan to the governor and the legislature by January 10, 1987, and shall submit revisions to the plan based on continuing analysis and oversight on January 10 of each year thereafter.

(2) The board shall produce a report by January 10, 1986, submitting the report to the governor and the legislature, addressing the following issues:

(a) Methods of facilitating economic activity and adjustment policies toward distressed communities and to enhance the employment opportunities of the economically disadvantaged;

(b) Methods of improving the competitive environment by removing unnecessary regulations and other barriers to the development process; and

(c) Methods of increasing the effectiveness and coordination of existing economic development programs and agencies, state and local.

NEW SECTION, Sec. 5. The board has the following responsibilities and powers:

(1) To secure and encourage substantial private sector, community, and citizen support in the analysis of economic development opportunities and development of specific recommendations for economic growth;

(2) To identify and analyze key traded businesses and industries to determine their potential for expansion, diversification, and production of high value-added goods;

(3) To propose an appropriate state role in new product development, venture capital formation, and research and development;

(4) To evaluate the performance of existing state economic development efforts for consistency and coordination, as well as for their effect on job creation, and to evaluate the long-term benefits to the state of these efforts;

(5) To propose, along with other state, local, and private groups, new methods to increase public and private partnerships to foster economic development efforts;

(6) To develop a long-term economic development strategy based on consensus goals and principles, an in-depth analysis of market opportunities, private sector support and investment, and specific private and public economic development measures which have a substantial potential to increase employment;

(7) To study the key components of the state's business climate as they relate to the long-term development strategy including, but not limited to, education and training, energy, existing environmental conditions, research and development, capital, land, transportation, advanced communications, taxes, and regulations with an analysis of their linkages to the key traded sectors;

(8) To review the various economic development policy recommendations made by other agencies or organizations and recommend to the governor and legislature those strategies, policies and programs it deems to be in the best interest of the state;

(9) To make specific recommendations for the establishment of public-private cooperative efforts in economic development and state-local cooperative efforts including but not limited to the need for establishing formal working relationships, whether by contract or otherwise, for purposes of engaging in joint, cooperative economic development activities;

(10) To cooperate with and secure the cooperation of any department, agency, or instrumentality in state, county, and city government, and other associations affected by or concerned with the business of the commission; and

(11) To accept gifts and grants upon such terms as the board may deem proper.

NEW SECTION, Sec. 6. The board may employ such staff as it requires and may contract for services as it deems necessary in order to carry out its duties and responsibilities. The governor

and the legislature may provide additional staff and facilities as may be reasonably required to assist the board in carrying out its duties and responsibilities.

NEW SECTION. Sec. 7. Sections 1 through 6 of this act shall constitute a new chapter in Title 43 RCW.

NEW SECTION. Sec. 8. The board shall implement sections 1 through 6 of this act only to the extent that funds are available.

NEW SECTION. Sec. 9. (1) Economic development and in particular international trade, tourism, and investment have become increasingly important to Washington, affecting the state's employment, revenues, and general economic well-being. Additionally, economic trends are rapidly changing and the international marketplace has become increasingly competitive as states and countries seek to improve and safeguard their own economic well-being. The purpose of the legislative committee on economic development is to provide responsive and consistent involvement by the legislature in economic development to maintain a healthy state economy and to provide employment opportunities to Washington residents.

(2) There is created a legislative committee on economic development which shall consist of six senators and six representatives from the legislature and the lieutenant governor who shall serve as chairperson. The senate members of the committee shall be appointed by the president of the senate and the house members of the committee shall be appointed by the speaker of the house. Not more than three members from each house shall be from the same political party. A list of appointees shall be submitted before the close of each regular legislative session during an odd-numbered year or any successive special session convened by the governor or the legislature prior to the close of such regular session or successive special session(s) for confirmation of senate members, by the senate, and house members, by the house. Vacancies occurring shall be filled by the appointing authority.

NEW SECTION. Sec. 10. The committee shall by majority vote establish subcommittees, and prescribe rules of procedure for itself and its subcommittees which are consistent with this chapter. The committee shall at a minimum establish a subcommittee on international trade and a subcommittee on industrial development.

NEW SECTION. Sec. 11. The committee or its subcommittees are authorized to study and review economic development issues with special emphasis on international trade, tourism, investment, and industrial development, and to assist the legislature in developing a comprehensive and consistent economic development policy. The issues under review by the committee shall include, but not be limited to:

MOTION

Senator Kreidler moved that the following Committee on Parks and Ecology amendment be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. The legislature finds that the environmental, recreational, and aesthetic values of many of the state's lakes are threatened by eutrophication and other deterioration and that existing governmental authorities are unable to adequately improve and maintain the quality of the state's lakes.

It is the purpose of this chapter to establish a governmental mechanism by which property owners can embark on a program of lake improvement and maintenance for their and the general public's benefit, health, and welfare. Public property, including state property, shall be considered the same as private property in this chapter, except liens for special assessments shall not extend to public property. Lake bottom property shall not be considered to be benefited, shall not be subject to special assessments, and shall not receive voting rights under this chapter.

NEW SECTION, Sec. 2. Any county may create lake management districts to finance the improvement and maintenance of lakes located within or partially within the boundaries of the county. All or a portion of a lake and the adjacent land areas may be included within one or more lake management districts. More than one lake, or portions of lakes, and the adjacent land areas may be included in a single lake management district. A lake management district may be created for a period of up to ten years.

Special assessments may be imposed on the property included within a lake management district to finance lake improvement and maintenance activities, including: (1) The control or removal of aquatic plants and vegetation; (2) water quality; (3) the control of water levels; (4) storm water diversion and treatment; (5) agricultural waste control; (6) studying lake water quality problems and solutions; (7) cleaning and maintaining ditches and streams entering or leaving the lake; and (8) the related administrative, engineering, legal, and operational costs, including the costs of creating the lake management district.

Special assessments may be imposed annually on all the land in a lake management district for the duration of the lake management district without a related issuance of lake management district bonds. Special assessments also may be imposed in the manner of special assessments in a local improvement district with each landowner being given the choice of paying the entire special assessment in one payment, or to paying installments, with lake management district bonds being issued to obtain moneys not derived by the initial full payment of the special assessments, and the installments covering all of the costs related to issuing, selling, and redeeming the lake management district bonds.

NEW SECTION, Sec. 3. A lake management district may be initiated upon either the adoption of a resolution of intention by a county legislative authority or the filing of a petition signed by ten landowners or twenty-five percent of the landowners within the proposed lake management district, whichever is greater. A petition or resolution of intention shall set forth: (1) The nature of the lake improvement or maintenance activities proposed to be financed; (2) the amount of money proposed to be raised by special assessments; (3) whether the special assessments will be imposed annually for the duration of the lake management district, or the full special assessments will be imposed at one time, with the possibility of installments being made to finance the issuance of lake management district bonds, or both methods; (4) the number of years proposed for the duration of the lake management district; and (5) the proposed boundaries of the lake management district.

The county legislative authority may require the posting of a bond of up to five thousand dollars before the county considers the proposed creation of a lake management district initiated by petition. The bond may only be used by the county to finance its costs in studying, holding hearings, making notices, preparing special assessment rolls, and conducting elections related to the lake management district if the proposed lake management district is not created.

A resolution of intention shall also designate the number of the proposed lake management district, and fix a date, time, and place for a public hearing on the formation of the proposed lake management district. The date for the public hearing shall be at least thirty days and no more than ninety days after the adoption of the resolution of intention unless an emergency exists.

Petitions shall be filed with the county legislative authority. The county legislative authority shall determine the sufficiency of the signatures, which shall be conclusive upon all persons. No

person may withdraw his or her name from a petition after it is filed. If the county legislative authority determines a petition to be sufficient and the proposed lake management district appears to be in the public interest and the financing of the lake improvement or maintenance activities is feasible, it shall adopt a resolution of intention, setting forth all of the details required to be included when a resolution of intention is initiated by the county legislative authority.

NEW SECTION, Sec. 4. Notice of the public hearing shall be published in at least two consecutive issues of a newspaper of general circulation in the proposed lake management district, the date of the first publication to be at least fifteen days prior to the date fixed for the public hearing by the resolution of intention. Notice of the public hearing shall also be given to the owner or reputed owner of any lot, tract, parcel of land, or other property within the proposed lake management district by mailing the notice at least fifteen days before the date fixed for the public hearing to the owner or reputed owner of the property as shown on the tax rolls of the county assessor at the address shown thereon. Notice of the public hearing shall also be mailed to the departments of fisheries, game, and ecology at least fifteen days before the date fixed for the public hearing.

Notices of the public hearing shall: (1) Refer to the resolution of intention; (2) designate the proposed lake management district by number; (3) set forth a proposed plan describing: (a) The nature of the proposed lake improvement or maintenance activities; (b) the amount of special assessments proposed to be raised by the lake management district; (c) whether the special assessments will be imposed annually for the duration of the lake management district, or the full special assessments will be payable at one time, with the possibility of periodic installments being paid and lake management bonds being issued, or both; and (d) the proposed duration of the lake management district; and (4) indicate the date, time, and place of the public hearing designated in the resolution of intention.

In the case of the notice sent to each owner or reputed owner by mail, the notice shall set forth the estimated amount of the cost of the lake improvement or maintenance activities to be borne by special assessment or annual special assessments on the lot, tract, parcel of land, or other property owned by the owner or reputed owner.

If the county legislative authority has designated a committee of itself or an officer to hear complaints and make recommendations to the full county legislative authority, as provided in section 10 of this act, the notice shall also describe this additional step before the full county legislative authority may adopt a resolution creating the lake management district.

NEW SECTION, Sec. 5. The county legislative authority shall hold a public hearing on the proposed lake management district at the date, time, and place designated in the resolution of intention.

At this hearing the county legislative authority shall hear objections from any person affected by the formation of the lake management district. Representatives of the departments of fisheries, game, and ecology shall be afforded opportunities to make presentations on and comment on the proposal. Members of the public shall be afforded an opportunity to comment on the proposal. The county legislative authority must consider recommendations provided to it by the departments of fisheries, game, and ecology. The public hearing may be extended to other times and dates declared at the public hearing. The county legislative authority may make such changes in the boundaries of the lake management district or such modification in plans for the proposed lake improvement or maintenance activities as it deems necessary. The county legislative authority may not change boundaries of the lake management district to include property that was not included previously without first passing an amended resolution of intention and giving new notice to the owners or reputed owners of property newly included in the proposed lake management district in the manner and form and within the time provided for the original notice. The county legislative authority shall not alter the plans for the proposed lake improvement or maintenance activities to result in an increase in the amount of money proposed to be raised, and shall not increase the amount of money proposed to be raised, without first passing an amended resolution of intention and giving new notice to property owners in the manner and form and within the time provided for the original notice.

NEW SECTION, Sec. 6. After the public hearing, the county legislative authority may adopt a resolution submitting the question of creating the lake management district to the owners of land within the proposed lake management district, including publicly owned land, if the county legislative authority finds that it is in the public interest to create the lake management district and the financing of the lake improvement and maintenance activities is feasible. The resolution shall also include a plan describing the proposed lake improvement and maintenance activities which avoid adverse impacts on fish and wildlife and provide for appropriate measures to protect and enhance fish and wildlife, the number of years the lake management district will exist, the amount to be raised by special assessments, whether the special assessments shall be imposed annually for the duration of the lake management district or only once with the possibility of installments being imposed and lake management bonds being issued, or both, and, if both types of special assessments are proposed to be imposed, the lake improvement or maintenance activities proposed to be financed by each type of special assessment.

No lake management district may be created by a county that includes territory located in another county without the approval of the legislative authority of the other county.

NEW SECTION, Sec. 7. A ballot shall be mailed to each owner or reputed owner of any lot, tract, parcel of land, or other property within the proposed lake management district, including publicly owned land, which ballot shall contain the following proposition:

"Shall lake management district No. be formed?

Yes...

No "

In addition, the ballot shall contain appropriate spaces for the signatures of the landowner or landowners, or officer authorized to cast such a ballot. Each ballot shall include a description of the property owner's property, the number of acres of such property, and the number of feet of lake front footage, if any. A copy of the instructions and the resolution submitting the question to the landowners shall also be included.

NEW SECTION, Sec. 8. The balloting shall be subject to the following conditions, which shall be included in the instructions mailed with each ballot, as provided in section 7 of this act: (1) All ballots must be signed by the owner or reputed owner of property according to the assessor's tax rolls; (2) each ballot must be returned to the county legislative authority not later than five o'clock p.m. of a specified day, which shall be at least twenty but not more than thirty days after the ballots are mailed; (3) each property owner shall mark his or her ballot for or against the creation of the proposed lake management district, with the ballot weighted so that the property owner has one vote for any amount of property up to one acre and one vote for each additional acre, or major portion of an acre, he or she owns in the proposed lake management district and one vote for any amount up to fifty feet, and one vote for each additional fifty feet, or major portion thereof, of lake frontage he or she owns in the proposed lake management district; and (4) the valid ballots shall be tabulated and a simple majority of the votes cast shall determine whether the proposed lake management district shall be approved or rejected.

NEW SECTION, Sec. 9. If the proposal receives a simple majority vote in favor of creating the lake management district, the county legislative authority shall adopt an ordinance creating the lake management district and may proceed with establishing the special assessments, collecting the special assessments, and performing the lake improvement or maintenance activities. If a proposed lake management district includes more than one lake and its adjacent areas, the lake management district may only be established if the proposal receives a simple majority vote in favor of creating it by the voters on each lake and its adjacent areas. The county legislative authority shall publish a notice in a newspaper of general circulation in a lake management district indicating that such an ordinance has been adopted within ten days of the adoption of the ordinance.

The ballots shall be available for public inspection after they are counted.

NEW SECTION, Sec. 10. A county legislative authority may adopt an ordinance providing for a committee of itself, or an officer, to hold public hearings on the proposed formation of a lake management district and hear objections to the proposed formation as provided in section 5 of this act. The committee or officer shall make a recommendation to the full legislative authority, which need not hold a public hearing on the proposed creation of the lake management district. The full county legislative authority by resolution may approve or disapprove the recommendation and submit the question of creating the lake management district to the property owners as provided in sections 6 through 9 of this act.

NEW SECTION, Sec. 11. No lawsuit may be maintained challenging the jurisdiction or authority of the county legislative authority to proceed with the lake improvement and maintenance activities and creating the lake management district or in any way challenging the validity of the actions or decisions or any proceedings relating to the actions or decisions unless the lawsuit is served and filed no later than forty days after publication of a notice that the ordinance has been adopted ordering the lake improvement and maintenance activities and creating the lake management district. Written notice of the appeal shall be filed with the county legislative authority and clerk of the superior court in the county in which the property is situated.

NEW SECTION, Sec. 12. After a lake management district is created, the county shall prepare a proposed special assessment roll. A separate special assessment roll shall be prepared for annual special assessments if both annual special assessments and special assessments paid at one time are imposed. The proposed special assessment roll shall list: (1) Each separate lot, tract, parcel of land, or other property in the lake management district; (2) the acreage of such property, and the number of feet of lake frontage, if any; (3) the name and address of the owner or reputed owner of each lot, tract, parcel of land, or other property as shown on the tax rolls of the county assessor; and (4) the special assessment proposed to be imposed on each lot, tract, parcel of land, or other property, or the annual special assessments proposed to be imposed on each lot, tract, parcel of land, or other property.

At the time, date, and place fixed for a public hearing, the county legislative authority shall act as a board of equalization and hear objections to the special assessment roll, and at the times to which the public hearing may be adjourned, the county legislative authority may

correct, revise, raise, lower, change, or modify the special assessment roll or any part thereof, or set the proposed special assessment roll aside and order a new proposed special assessment roll to be prepared. The county legislative authority shall confirm and approve a special assessment roll by adoption of a resolution.

If a proposed special assessment roll is amended to raise any special assessment appearing thereon or to include omitted property, a new public hearing shall be held. The new public hearing shall be limited to considering the increased special assessments or omitted property. Notices shall be sent to the owners or reputed owners of the affected property in the same manner and form and within the time provided for the original notice.

Objections to a proposed special assessment roll must be made in writing, shall clearly state the grounds for objections, and shall be filed with the governing body prior to the public hearing. Objections to a special assessment or annual special assessments that are not made as provided in this section shall be deemed waived and shall not be considered by the governing body or a court on appeal.

NEW SECTION. Sec. 13. A county legislative authority may adopt an ordinance providing for a committee of itself, or an officer, to hear objections to the special assessment roll, act as a board of equalization, and make recommendations to the full county legislative authority, which need not hold a public hearing on the special assessment roll. The ordinance shall provide a process by which an appeal may be made in writing to the full county legislative authority by a person protesting his or her special assessment or annual special assessments as confirmed by the committee or officer. The full county legislative authority by resolution shall approve the special assessment roll, modify and approve the special assessment roll as a result of hearing objections, or reject the special assessment roll and return it to the committee or officer for further work and recommendations. No objection to the decision of the full county legislative authority approving the special assessment roll may be considered by a court unless an objection to the decision has been timely filed with the county legislative authority as provided in this section.

NEW SECTION. Sec. 14. Notice of the original public hearing on the proposed special assessment roll, and any public hearing held as a result of raising special assessments or including omitted property, shall be published and mailed to the owner or reputed owner of the property as provided in section 4 of this act for the public hearing on the formation of the lake management district. However, the notice need only provide the total amount to be collected by the special assessment roll and shall state that: (1) A public hearing on the proposed special assessment roll will be held, giving the time, date, and place of the public hearing; (2) the proposed special assessment roll is available for public perusal, giving the times and location where the proposed special assessment roll is available for public perusal; (3) objections to the proposed special assessment must be in writing, include clear grounds for objections, and must be filed prior to the public hearing; and (4) failure to so object shall be deemed to waive an objection.

Notices mailed to the owners or reputed owners shall additionally indicate the amount of special assessment ascribed to the particular lot, tract, parcel of land, or other property owned by the person so notified.

NEW SECTION. Sec. 15. The decision of a county legislative authority upon any objection to the special assessment roll may be appealed to the superior court only if the objection had been timely made in the manner prescribed in this chapter. The appeal shall be made within ten days after publication of a notice that the resolution confirming the special assessment roll has been adopted by filing written notice of the appeal with the county legislative authority and the clerk of the superior court in the county in which the real property is situated. The notice of appeal shall describe the property and set forth the objections of the appellant to the special assessment. Within ten days from the filing of such notice of appeal with the clerk of the superior court, the appellant shall file with the clerk of the court a transcript consisting of the special assessment roll and his or her objections thereto, together with the resolution confirming such special assessment roll and the record of the county legislative authority with reference to the special assessment or annual special assessments, which transcript, upon payment of the necessary fees therefor, shall be furnished by an officer of the county and by him or her certified to contain full, true, and correct copies of all matters and proceedings required to be included in the transcript. Such fees shall be the same as the fees payable to the county clerk for the preparation and certification of transcripts on appeal to the supreme court or the court of appeals in civil actions.

At the time of the filing of the notice of appeal with the clerk of the superior court a sufficient bond in the penal sum of two hundred dollars, with a surety or sureties thereon as provided by law for appeals in civil cases, shall be filed conditioned to prosecute such appeal without delay, and if unsuccessful, to pay all costs incurred by the county because of the appeal. The court may order the appellant, upon application therefor, to execute and file such additional bond or bonds as the necessity of the case may require.

Within three days after such transcript is filed in the superior court, the appellant shall give written notice to the county legislative authority that such transcript is filed. The notice shall

state a time, not less than three days from the service thereof, when the appellant will call up the cause for hearing.

The superior court shall, at this time or at such further time as may be fixed by order of the court, hear and determine such appeal without a jury, and such cause shall have preference over all civil causes pending in the court, except proceedings under an act relating to eminent domain in such county and actions of forcible entry and detainer. The judgment of the court shall confirm, correct, modify, or annul the special assessment or annual special assessments insofar as the same affects the property of the appellant. A certified copy of the decision of the court shall be filed with the officer having custody of the special assessment roll, and he or she shall modify and correct such special assessment roll in accordance with the decision.

An appeal shall lie to the supreme court or the court of appeals from the judgment of the superior court, as in other cases, however, such appeal must be taken within fifteen days after the date of the entry of the judgment of the superior court, and the record and opening brief of the appellant in the cause shall be filed in the supreme court or the court of appeals within sixty days after the appeal is taken by notice as provided in this section. The time for filing the record and serving and filing of briefs may be extended by order of the superior court, or by stipulation of the parties concerned. The supreme court or the court of appeals on such appeal may correct, modify, confirm, or annul the special assessment or annual special assessments insofar as the same affects the property of the appellant. A certified copy of the order of the supreme court or the court of appeals upon such appeal shall be filed with the officer having custody of such special assessment roll, who shall thereupon modify and correct such special assessment roll in accordance with such decision.

NEW SECTION. Sec. 16. All property included within a lake management district shall be considered to be the property specially benefited by the lake improvement or maintenance activities and shall be the property upon which special assessments are imposed to pay the costs and expenses of the lake improvement or maintenance activities, or such part of the costs and expenses as may be chargeable against the property specially benefited. The special assessments shall be imposed on property in accordance with the special benefits conferred on the property up to but not in excess of the total costs and expenses of the lake improvement or maintenance activities as provided in the special assessment roll.

Special assessments may be measured by front footage, acreage, the extent of improvements on the property, or any other factors that are deemed to fairly reflect special benefits. Special assessments may be calculated by using more than one factor. Zones around the public improvement may be used that reflect different levels of benefit in each zone that are measured by a front footage, acreage, the extent of improvements, or other factors.

Public property, including property owned by the state of Washington, shall be subject to special assessments to the same extent that private property is subject to the special assessments, except no lien shall extend to public property.

NEW SECTION. Sec. 17. The total annual special assessments may not exceed the estimated cost of the lake improvement or maintenance activities proposed to be financed by such special assessments, as specified in the resolution of intention. The total of special assessments imposed in a lake management district that are of the nature of special assessments imposed in a local improvement district shall not exceed one hundred fifty percent of the estimated total cost of the lake improvement or maintenance activities that are proposed to be financed by the lake management district as specified in the resolution of intention. After a lake management district has been created, the resolution of intention may be amended to increase the amount to be financed by the lake management district by using the same procedure in which a lake management district is created.

NEW SECTION. Sec. 18. Whenever annual special assessments are being imposed, the county legislative authority may modify the level of annual special assessments imposed by conforming with the procedures and subject to the limitations included in sections 12 through 17 of this act.

NEW SECTION. Sec. 19. Special assessments and installments on any special assessment shall be collected by the county treasurer.

The county treasurer shall publish a notice indicating that the special assessment roll has been confirmed and that the special assessments are to be collected. The notice shall indicate the duration of the lake management district and shall describe whether the special assessments will be paid in annual payments for the duration of the lake management district, or whether the full special assessments will be payable at one time, with the possibility of periodic installments being paid and lake management bonds being issued, or both.

If the special assessments are to be payable at one time, the notice additionally shall indicate that all or any portion of the special assessments may be paid within thirty days from the date of publication of the first notice without penalty or interest. This notice shall be published in a newspaper of general circulation in the lake management district.

Within ten days of the first newspaper publication, the county treasurer shall notify each owner or reputed owner of property whose name appears on the special assessment roll, at the address shown on the special assessment roll, for each item of property described on the list: (1) Whether one special assessment payable at one time or special assessments payable

annually have been imposed; (2) the amount of the property subject to the special assessment or annual special assessments; and (3) the total amount of the special assessment due at one time, or annual amount of special assessments due. If the special assessment is due at one time, the notice shall also describe the thirty-day period during which the special assessment may be paid without penalty, interest, or cost.

NEW SECTION. Sec. 20. If the special assessments are to be payable at one time, all or any portion of any special assessment may be paid without interest, penalty, or costs during this thirty-day period and placed into a special fund to defray the costs of the lake improvement or maintenance activities. The remainder shall be paid in installments as provided in a resolution adopted by the county legislative authority, but the last installment shall be due at least two years before the maximum term of the bonds issued to pay for the improvements or maintenance. The installments shall include amounts sufficient to redeem the bonds issued to pay for the lake improvement and maintenance activities. A twenty-day period shall be allowed after the due date of any installment within which no interest, penalty, or costs on the installment may be imposed.

The county shall establish by ordinance an amount of interest that will be imposed on late special assessments imposed annually or at once, and on installments of a special assessment. The ordinance shall also specify the penalty, in addition to the interest, that will be imposed on a late annual special assessment, special assessment, or installment which shall not be less than five percent of the delinquent special assessment or installment.

The owner of any lot, tract, parcel of land, or other property charged with a special assessment may redeem it from all liability for the unpaid amount of the installments by paying, to the county treasurer, the remaining portion of the installments that is attributable to principal on the lake management district bonds.

NEW SECTION. Sec. 21. Whenever any land against which there has been levied any special assessment or annual special assessments by any county has been sold in part, subdivided, or short subdivided, the county legislative authority may order a segregation of the special assessment or annual special assessments. If an installment has been made, the segregation shall apportion the remaining installments on the parts or lots created.

Any person desiring to have such a special assessment or annual special assessments against a tract of land segregated to apply to smaller parts thereof shall apply to the county legislative authority which levied the special assessment or annual special assessments. If the county legislative authority determines that a segregation should be made, it shall by resolution order the county treasurer to segregate the special assessment or annual special assessments on the original assessment roll as directed in the resolution. The segregation shall be made as nearly as possible on the same basis as the original special assessment or annual special assessments were levied, and the total of the segregated parts of the special assessment or annual special assessments shall equal the amount of the special assessment or annual special assessments unpaid before segregation. The resolution shall describe the original tract and the amount and date of the original special assessment or annual special assessments and shall define the boundaries of the divided parts and the amount of the special assessment or annual special assessments chargeable to each part. A certified copy of the resolution shall be delivered to the county treasurer who shall proceed to segregate the special assessment or annual special assessments upon being tendered a fee of three dollars for each tract of land for which a segregation is to be made. In addition to such charge the county legislative authority may require as a condition to the order of segregation that the person seeking it pay the local government the reasonable engineering and clerical costs incident to making the segregation.

NEW SECTION. Sec. 22. Within fifteen days after a county creates a lake management district, the county shall cause to be filed with the county treasurer, a description of the lake improvement and maintenance activities proposed that the lake management district finances, the lake management district number, and a copy of the diagram or print showing the boundaries of the lake management district and preliminary special assessment roll or abstract of same showing thereon the lots, tracts, parcels of land, and other property that will be specially benefited thereby and the estimated cost and expense of such lake improvement and maintenance activities to be borne by each lot, tract, parcel of land, or other property. The treasurer shall immediately post the proposed special assessment roll upon his or her index of special assessments against the properties affected by the lake improvement or maintenance activities.

NEW SECTION. Sec. 23. The special assessment or annual special assessments imposed upon the respective lots, tracts, parcels of land, and other property in the special assessment roll or annual special assessment roll confirmed by resolution of the county legislative authority for the purpose of paying the cost and expense in whole or in part of any lake improvement or maintenance activities shall be a lien upon the property assessed from the time the special assessment roll is placed in the hands of the county treasurer for collection, but as between the grantor and grantee, or vendor and vendee of any real property, when there is no express agreement as to payment of the special assessments against the real property, the lien of such special assessments shall attach thirty days after the filing of the diagram or print and the estimated cost and expense of such lake improvement or maintenance activities to be borne by

each lot, tract, parcel of land, or other property, as provided in section 22 of this act. Interest and penalty shall be included in and shall be a part of the special assessment lien. No lien shall extend to public property subjected to special assessments.

The special assessment lien shall be paramount and superior to any other lien or encumbrance theretofore or thereafter created except a lien for general taxes.

NEW SECTION. Sec. 24. Special assessments shall be valid and enforceable as such and the lien thereof on the property assessed shall be valid if the county legislative authority in making the special assessments acted in good faith and without fraud. Delinquent special assessments or installments shall be foreclosed in the same manner as special assessments are foreclosed under chapter 36.94 RCW. Public property subject to special assessments shall not be subject to liens.

NEW SECTION. Sec. 25. The county legislative authority may stop the imposition of annual special assessments if, in its opinion, the public interest will be served by such action.

NEW SECTION. Sec. 26. (1) Counties may issue lake management district bonds in accordance with this section. Lake management district bonds may be issued to obtain money sufficient to cover that portion of the special assessments that are not paid within the thirty-day period provided in section 19 of this act. The maximum term of lake management district bonds shall be ten years.

Whenever lake management district bonds are proposed to be issued, the county legislative authority shall create a special fund or funds for the lake management district from which all or a portion of the costs of the lake improvement and maintenance activities shall be paid. Lake management district bonds shall not be issued in excess of the costs and expenses of the lake improvement and maintenance activities and shall not be issued prior to twenty days after the thirty days allowed for the payment of special assessments without interest or penalties.

Lake management district bonds shall be exclusively payable from the special fund or funds and from a guaranty fund that the county may have created out of a portion of proceeds from the sale of the lake management district bonds.

(2) Lake management district bonds shall not constitute a general indebtedness of the county issuing the bond nor an obligation, general or special, of the state. The owner of any lake management district bond shall not have any claim for the payment thereof against the county that issues the bonds except for payment from the special assessments made for the lake improvement or maintenance activities for which the lake management district bond was issued and from a lake management district guaranty fund that may have been created. Any number of owners of lake management districts may join as plaintiffs.

(4) A county may create a lake management district bond guaranty fund for each issue of lake management district bonds. The guaranty fund shall only exist for the life of the lake management district bonds with which it is associated. A portion of the bond proceeds may be placed into a guaranty fund. Unused moneys remaining in the guaranty fund during the last two years of the installments shall be used to proportionally reduce the required level of installments and shall be transferred into the special fund into which installment payments are placed.

Sec. 2. Section 24, chapter 121, Laws of 1965 ex. sess. as last amended by section 324, chapter 258, Laws of 1984 and RCW 46.20.285 are each amended to read as follows:

The department shall forthwith revoke the license of any driver for the period of one calendar year unless otherwise provided in this section, upon receiving a record of the driver's conviction of any of the following offenses, when the conviction has become final:

- (1) For vehicular homicide the period of revocation shall be two years;
- (2) Vehicular assault;
- (3) Driving a motor vehicle while under the influence of intoxicating liquor or a narcotic drug, or under the influence of any other drug to a degree which renders him incapable of safely driving a motor vehicle, upon a showing by the department's records that the conviction is the second such conviction for the driver within a period of five years. Upon a showing that the conviction is the third such conviction for the driver within a period of five years, the period of revocation shall be two years (~~—A revocation imposed under this subsection shall run concurrently with any corresponding revocation which may be imposed by the department pursuant to RCW 46.20.610 or 46.61.515(3) arising out of the same arrest~~);
- (4) Any felony in the commission of which a motor vehicle is used;

- (7) Reckless driving upon a showing by the department's records that the conviction is the third such conviction for the driver within a period of two years.

Sec. 3. Section 11, chapter 260, Laws of 1981 as last amended by section 2, chapter 165, Laws of 1983 and RCW 46.20.308 are each amended to read as follows:

(1) Any person who operates a motor vehicle within this state is deemed to have given consent, subject to the provisions of RCW 46.61.506, to a chemical test or tests of his or her breath or blood for the purpose of determining the alcoholic content of his or her blood if arrested for any offense where, at the time of the arrest, the arresting officer has reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle while under the influence of intoxicating liquor.

(2) The test or tests shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor. The officer shall inform the person of his or her right to refuse the test, and of his or her right to have additional tests administered by any qualified person of his or her choosing as provided in RCW 46.61.506. The officer shall warn the driver that (a) his or her privilege to drive will be revoked or denied if he or she refuses to submit to the test, ~~and (b) ((that his or her privilege to drive will be suspended, revoked, or denied if the test is administered and the test indicates a concentration of alcohol in his or her blood of 0.10 percent or more, and (c))~~ that his or her refusal to take the test may be used against him or her in a subsequent criminal trial.

(3) Except as provided in this subsection and subsection (4) of this section, the chemical test administered shall be of the breath only. If an individual is unconscious or is under arrest for the crime of vehicular homicide as provided in RCW 46.61.520 or vehicular assault as provided in RCW 46.61.522, or if an individual is under arrest for the crime of driving while under the influence of intoxicating liquor or drugs as provided in RCW 46.61.502, which arrest results from an accident in which another person has been injured and there is a reasonable likelihood that such other person may die as a result of injuries sustained in the accident, a breath or blood test may be administered without the consent of the individual so arrested.

(4) Any person who is dead, unconscious, or who is otherwise in a condition rendering him incapable of refusal, shall be deemed not to have withdrawn the consent provided by subsection (1) of this section and the test or tests may be administered, subject to the provisions of RCW 46.61.506, and the person shall be deemed to have received the warnings required under subsection (2) of this section.

(5) If, following his or her arrest and receipt of warnings under subsection (2) of this section, the person arrested refuses upon the request of a law enforcement officer to submit to a chemical test of his or her breath, no test shall be given except as authorized under subsection (3) or (4) of this section.

(6) The department of licensing, upon the receipt of a sworn report of the law enforcement officer that he had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle upon the public highways of this state while under the influence of intoxicating liquor and that the person had refused to submit to the test upon the request of the law enforcement officer after being informed that refusal would result in the revocation of his privilege to drive, shall revoke his license or permit to drive or any nonresident operating privilege.

(7) Upon revoking the license or permit to drive or the nonresident operating privilege of any person, the department shall immediately notify the person involved in writing by personal service or by certified mail of its decision and the grounds therefor, and of his right to a hearing, specifying the steps he must take to obtain a hearing. Within ten days after receiving

such notice the person may, in writing, request a formal hearing. Upon receipt of such request, the department shall afford the person an opportunity for a hearing as provided in RCW 46.20.329 and 46.20.332. The hearing shall be conducted in the county of the arrest. For the purposes of this section, the scope of such hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle upon the public highways of this state while under the influence of intoxicating liquor, whether the person was placed under arrest, and whether he refused to submit to the test upon request of the officer after having been informed that such refusal would result in the revocation of his privilege to drive. The department shall order that the revocation either be rescinded or sustained. Any decision by the department revoking a person's driving privilege shall be stayed and shall not take effect while a formal hearing is pending as provided in this section or during the pendency of a subsequent appeal to superior court so long as there is no conviction for a moving violation or no finding that the person has committed a traffic infraction that is a moving violation during pendency of the hearing and appeal.

(8) If the revocation is sustained after such a hearing, the person whose license, privilege, or permit is revoked has the right to file a petition in the superior court of the county in which he or she resides, or, if a nonresident of this state, where the charge arose, to review the final order of revocation by the department in the manner provided in RCW 46.20.334.

(9) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been revoked, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he or she has a license.

Sec. 4. Section 27, chapter 121, Laws of 1965 ex. sess. as last amended by section 325, chapter 258, Laws of 1984 and RCW 46.20.311 are each amended to read as follows:

(1) The department shall not suspend a driver's license or privilege to drive a motor vehicle on the public highways for a fixed period of more than one year, except as permitted under RCW 46.20.342 or 46.61.515. Whenever the license of any person is suspended by reason of a conviction, a finding that a traffic infraction has been committed, or pursuant to RCW 46.20.291, the suspension shall remain in effect and the department shall not issue to the person any new, duplicate, or renewal license until the person pays a reinstatement fee of twenty dollars and gives and thereafter maintains proof of financial responsibility for the future as provided in chapter 46.29 RCW. If the suspension is the result of a violation of RCW 46.61.502 or 46.61.504 ~~((or was imposed under RCW 46.20.610(1)(a) or (b)))~~, the reinstatement fee shall be fifty dollars.

(2) Any person whose license or privilege to drive a motor vehicle on the public highways has been revoked, unless the revocation was for a cause which has been removed, is not entitled to have the license or privilege renewed or restored until: (a) After the expiration of one year from the date on which the revoked license was surrendered to and received by the department; (b) after the expiration of the applicable revocation period provided by RCW 46.61.515(3) (b) or (c); (c) after the expiration of two years for persons convicted of vehicular homicide; (d) after the expiration of one year in cases of revocation for the first refusal within five years to submit to a chemical test under RCW 46.20.308; or (e) after the expiration of two years in cases of revocation for the second refusal within five years to submit to a chemical test under RCW 46.20.308. After the expiration of the appropriate period, the person may make application for a new license as provided by law together with a reinstatement fee in the amount of twenty dollars, but if the revocation is the result of a violation of RCW 46.20.308, 46.61.502, or 46.61.504, the reinstatement fee shall be fifty dollars. The department shall not then issue a new license unless it is satisfied after investigation of the driving ability of the person that it will be safe to grant the privilege of driving a motor vehicle on the public highways, and until the person gives and thereafter maintains proof of financial responsibility for the future as provided in chapter 46.29 RCW. A resident without a license or permit whose license or permit was ~~((denied))~~ revoked under RCW ~~((46.20.610))~~ 46.20.308(6) shall give and thereafter maintain proof of financial responsibility for the future as provided in chapter 46.29 RCW.

(3) Whenever the driver's license of any person is suspended pursuant to Article IV of the nonresident violators compact or RCW 46.23.020, the suspension shall remain in effect and the department shall not issue to the person any new or renewal license until the person pays a reinstatement fee of twenty dollars. If the suspension is the result of a violation of the laws of another state, province, or other jurisdiction involving (a) the operation or physical control of a motor vehicle upon the public highways while under the influence of intoxicating liquor or drugs, or (b) the refusal to submit to a chemical test of the driver's blood alcohol content, the reinstatement fee shall be fifty dollars.

Sec. 5. Section 1, chapter 5, Laws of 1973 as last amended by section 24, chapter 165, Laws of 1983 and RCW 46.20.391 are each amended to read as follows:

(1) Any person licensed under this chapter ~~((whose driving privilege has been suspended or revoked under RCW 46.20.610(1)(b)(i) or))~~ who is convicted of an offense relating to motor vehicles for which suspension or revocation of the driver's license is mandatory, other than vehicular homicide or vehicular assault, may submit to the department an application for an occupational driver's license. The department, upon receipt of the prescribed fee and upon

determining that the petitioner is engaged in an occupation or trade that makes it essential that the petitioner operate a motor vehicle, may issue an occupational driver's license and may set definite restrictions as provided in RCW 46.20.394. No person may petition for, and the department shall not issue, an occupational driver's license that is effective during the first thirty days of any suspension or revocation imposed under RCW 46.61.515 ~~((or pursuant to RCW 46.20.610)(b)(i)))~~. A person aggrieved by the decision of the department on the application for an occupational driver's license may request a hearing as provided by rule of the department.

(2) An applicant for an occupational driver's license is eligible to receive such license only if:

(a) Within one year immediately preceding the present conviction ~~((or administrative action))~~, the applicant has not been convicted of any offense relating to motor vehicles for which suspension or revocation of a driver's license is mandatory; and

(b) Within five years immediately preceding the present conviction ~~((or administrative action))~~, the applicant has not been convicted ~~((more than once))~~ of driving or being in actual physical control of a motor vehicle while under the influence of intoxicating liquor under RCW 46.61.502 or 46.61.504, of vehicular homicide under RCW 46.61.520, or of vehicular assault under RCW 46.61.522 ~~((or had a license administratively suspended or revoked under RCW 46.20.610))~~; and

(c) The applicant is engaged in an occupation or trade that makes it essential that he or she operate a motor vehicle; and

(d) The applicant files satisfactory proof of financial responsibility pursuant to chapter 46.29 RCW.

(3) The director shall cancel an occupational driver's license upon receipt of notice that the holder thereof has ~~((had a driver's license administratively suspended or revoked under RCW 46.20.610 or has))~~ been convicted of operating a motor vehicle in violation of its restrictions, or of an offense that pursuant to chapter 46.20 RCW would warrant suspension or revocation of a regular driver's license. The cancellation is effective as of the date of the conviction ~~((or administrative action))~~, and continues with the same force and effect as any suspension or revocation under this title.

The bill was read the second time.

MOTION

Senator McDermott moved that the following Committee on Ways and Means amendment be adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 1, chapter 98, Laws of 1980 as amended by section 5, chapter 284, Laws of 1983 and by section 180, chapter 46, Laws of 1983 1st ex. sess. and RCW 82.27.010 are each reenacted and amended to read as follows:

As used in this chapter, the following terms have the meanings indicated unless the context clearly requires otherwise.

(1) ("Food fish and shellfish" has the meaning ascribed to it by RCW 75.08.011 and includes byproducts and also parts of food fish and shellfish, whether fresh, frozen, canned, or otherwise.) "Enhanced food fish" includes all species of food fish, shellfish, and anadromous game fish, including byproducts and parts thereof, originating within the territorial and adjacent waters of Washington and salmon originating from within the territorial and adjacent waters of Oregon, Washington, and British Columbia, and all troll-caught Chinook salmon originating from within the territorial and adjacent waters of southeast Alaska. As used in this subsection, "adjacent" waters of Oregon, Washington, and Alaska are those comprising the United States fish conservation zone; "adjacent" waters of British Columbia are those comprising the Canadian two hundred mile exclusive economic zone; and "southeast Alaska" means that portion of Alaska south and east of Cape Suckling to the Canadian border. For purposes of this chapter, point of origination is established by a document which identifies the product and state or province in which it originates, including, but not limited to fish tickets, bills of lading, invoices, or other documentation required to be kept by governmental agencies.

(2) "Commercial" means related to or connected with buying, selling, bartering, or processing.

(3) "Possession" means the control of enhanced food fish ~~(shellfish, and anadromous game fish)~~ by the owner and includes both actual and constructive possession. Constructive possession occurs when the person has legal ownership but not actual possession of the enhanced food fish ~~(shellfish, or anadromous game fish)~~.

(4) "Anadromous game fish" means steelhead trout and anadromous cutthroat trout and Dolly Varden char and includes byproducts and also parts of anadromous game fish, whether fresh, frozen, canned, or otherwise.

(5) "Landed" means the act of physically placing enhanced food fish (a) on a tender in the territorial waters of Washington; or (b) on any land within or without the state of Washington including wharves, piers, or any such extensions therefrom.

Sec. 2. Section 2, chapter 98, Laws of 1980 as last amended by section 17, chapter 3, Laws of 1983 2nd ex. sess. and RCW 82.27.020 are each amended to read as follows:

(1) In addition to all other taxes, licenses, or fees provided by law there is established an excise tax on the commercial possession of enhanced food fish ~~(shellfish, and anadromous game fish)~~ as provided in this chapter. The tax is levied upon and shall be collected from the owner of the enhanced food fish ~~(shellfish, or anadromous game fish)~~ whose possession constitutes the taxable event. The taxable event is the first possession in Washington by an owner ~~(after the food fish, shellfish, or anadromous game fish have been landed)~~. Processing and handling of enhanced food fish ~~(shellfish, and anadromous game fish)~~ by a person who is not the owner is not a taxable event to the processor or handler.

(2) A person in possession of enhanced food fish ~~(shellfish, and anadromous game fish)~~ and liable to this tax may deduct from the price paid to the person from which the enhanced food fish ~~(shellfish)~~ (except oysters) ~~(or anadromous game fish)~~ are purchased an amount equal to a tax at one-half the rate levied in this section upon these products.

(3) The measure of the tax is the ((price paid by the first person in possession)) value of the enhanced food fish ((-shellfish, or anadromous game fish)) at the point of landing. ((If the food fish, shellfish, or anadromous game fish are acquired other than by purchase or are purchased under conditions where the purchase price does not represent the value of the food fish, shellfish, or anadromous game fish or these products are transferred outside the state without sale, the measure of the tax shall be determined as nearly as possible according to the selling price of similar products of like quality and character under rules adopted by the department of revenue.))

(4) The tax shall be equal to the measure of the tax multiplied by the rates for enhanced food fish ((-shellfish, and anadromous game fish)) as follows:

(a) Chinook, coho, and chum salmon and anadromous game fish: Five percent.

(b) Pink and sockeye salmon: Three percent.

(c) Other food fish and shellfish, except oysters: Two percent.

(d) Oysters: Seven one-hundredths of one percent.

(5) An additional tax is imposed equal to the rate specified in RCW 82.02.030 multiplied by the tax payable under subsection (4) of this section.

Sec. 3. Section 3, chapter 98, Laws of 1980 and RCW 82.27.030 are each amended to read as follows:

The tax imposed by RCW 82.27.020 shall not apply to: (1) Enhanced food fish ((or shellfish previously landed)) originating outside the state which ((is shipped into)) enters the state as (a) frozen enhanced food fish ((or frozen shellfish)) or (b) enhanced food fish ((or shellfish)) packaged for retail sales; (2) ((fresh net-caught food fish to the extent provided under an interstate agreement entered into under RCW 82.27.080; and (3)) the growing, processing, or dealing with food fish which are raised from eggs or fry and which are under the physical control of the grower at all times until being sold or harvested; and (3) food fish, shellfish, anadromous game fish, and byproducts or parts of food fish shipped from outside the state which enter the state, except as provided in RCW 82.27.010, provided the taxpayer must have documentation showing shipping origination of fish exempt under this subsection to qualify for exemption. Such documentation includes, but is not limited to fish tickets, bills of lading, invoices, or other documentation required to be kept by governmental agencies.

Sec. 4. Section 4, chapter 98, Laws of 1980 and RCW 82.27.040 are each amended to read as follows:

A credit shall be allowed against the tax imposed by RCW 82.27.020 upon enhanced food fish ((or shellfish)) with respect to any tax ((legally imposed and)) previously paid ((to another state by the taxpayer upon the same food fish or shellfish purchased in the other state)) on that same enhanced food fish to any other legally established taxing authority. To qualify for a credit, the owner of the enhanced food fish must have documentation showing a tax was paid in another jurisdiction.

POINT OF ORDER

Senator McDonald: "Mr. President, a point of order. I would like to raise the point of scope and object on this amendment. Reengrossed Substitute House Bill No. 23 establishes a regulation for the compensation of members in special districts governing the governing bodies. As such the bill addresses sewer, water, fire, P.U.D. and port commissioners. The proposed amendment exceeds the special district governing bodies objective of the bill and expands that then to school board members. RULING BY THE PRESIDENT PRO TEMPORE

President Pro Tempore Goltz: "In ruling upon the point of order raised by Senator McDonald, the President finds that Reengrossed Substitute House Bill No. 23 is a measure raising the per day rates of governing bodies of many special districts statewide to \$50.

"The amendment proposed by the Committee on Governmental Operations allows school board members to receive \$50 per day for the first time.

"The President, therefore, finds that the proposed amendment does change the scope and object of the bill and that the point of order is well taken."

Sec. 5. Section 82.12.045, chapter 15, Laws of 1961 as last amended by section 2, chapter 77, Laws of 1983 and RCW 82.12.045 are each amended to read as follows:

In the collection of the use tax on motor vehicles, the department of revenue may designate the county auditors of the several counties of the state as its collecting agents. Upon such designation, it shall be the duty of each county auditor to collect the tax at the time an applicant applies for the registration of, and transfer of title to, the motor vehicle, except in the following instances: (1) Where the applicant exhibits a dealer's report of sale showing that the retail sales tax has been collected by the dealer; (2) where the application is for the renewal of registration; (3) where the applicant presents a written statement signed by the department of revenue, or its duly authorized agent showing that no use tax is legally due; or (4) where the applicant presents satisfactory evidence showing that the retail sales tax or the use tax has been paid by him on the vehicle in question. The term "motor vehicle," as used in this section means and includes all motor vehicles, trailers and semitrailers used, or of a type designed primarily to be used, upon the public streets and highways, for the convenience or pleasure of the owner, or for the conveyance, for hire or otherwise, of persons or property, including fixed loads, facilities for human habitation, and vehicles carrying exempt licenses. It shall be the duty of every applicant for registration and transfer of certificate of title who is subject to payment of tax under this section to declare upon his application the value of the vehicle for which application is made, which shall consist of the consideration paid or contracted to be paid therefor. The value of the article used for the purpose of determining the amount of use tax

payable by the applicant under this chapter shall not exceed the value of the vehicle declared by the applicant, except in the case of a motor vehicle for which no consideration is paid or contracted to be paid. Any person willfully misrepresenting, or failing or refusing to declare upon his application, such value shall be guilty of a gross misdemeanor.

Each county auditor who acts as agent of the department of revenue shall at the time of remitting license fee receipts on motor vehicles subject to the provisions of this section pay over and account to the state treasurer for all use tax revenue collected under this section, after first deducting as his collection fee the sum of two dollars for each motor vehicle upon which the tax has been collected. All revenue received by the state treasurer under this section shall be credited to the general fund. The auditor's collection fee shall be deposited in the county current expense fund. A duplicate of the county auditor's transmittal report to the state treasurer shall be forwarded forthwith to the department of revenue.

Any applicant who has paid use tax to a county auditor under this section may apply to the department of revenue for refund thereof if he has reason to believe that such tax was not legally due and owing. No refund shall be allowed unless application therefor is received by the department of revenue within two years after payment of the tax. Upon receipt of an application for refund the department of revenue shall consider the same and issue its order either granting or denying it and if refund is denied the taxpayer shall have the right of appeal as provided in RCW 82.32.170, 82.32.180 and 82.32.190.

The provisions of this section shall be construed as cumulative of other methods prescribed in chapters 82.04 to 82.32 RCW, inclusive, for the collection of the tax imposed by this chapter. The department of revenue shall have power to promulgate such rules and regulations as may be necessary to administer the provisions of this section. Any duties required by this section to be performed by the county auditor may be performed by the director of licensing but no collection fee shall be deductible by said director in remitting use tax revenue to the state treasurer.

NEW SECTION. Sec. 6. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately, except for section 1 of this act, which shall take effect September 1, 1985."

In line 1 of the title, after "RCW" strike the remainder of the title, and insert "46.63.020, 46.85.060, 82.12.0251, and 82.12.045; adding a new section to chapter 46.16 RCW; prescribing penalties; declaring an emergency; and providing an effective date."

MOTION

Senator Peterson moved that the Senate do concur in the House amendments to Substitute Senate Bill No. 3007.

Debate ensued.

POINT OF INQUIRY

Senator Newhouse: "Senator Peterson, I note that the Department of Revenue is no longer going to determine value of the cars by a portion of that amendment. Does it really mean that the owner of a vehicle is going to tell them what it's worth for any tax purposes?"

Senator Peterson: "My interpretation is that it depends upon the value of the purchase price. I might defer to Senator Bauer. He may have more information on that particular question that I do."

REMARKS BY SENATOR BAUER

Senator Bauer: "Yes, I believe the House made an effort to respond to some concern of our constituents when they come in with an old junker and the junker is off the blue books and they identify it as a thousand dollar automobile when it's gone through three wrecks and it's a pile of junk. In those cases, it is suggested that they take the word of the individual when it has been completely gone off the blue book."

Senator Newhouse: "When is that determined that the motorist has the right to value his own car?"

Senator Bauer: "My understanding that that's after the car is no longer on the blue book as far as any value at all. That's my understanding of what the intent was."

The President Pro Tempore declared the question before the Senate to be the motion by Senator Peterson that the Senate do concur in the House amendments to Substitute Senate Bill No. 3007.

The motion by Senator Peterson carried and the Senate concurred in the House amendments to Substitute Senate Bill No. 3007.

The President Pro Tempore declared the question before the Senate to be the roll call on final passage of Substitute Senate Bill No. 3007, as amended by the House.

ROLL CALL

The Secretary called the roll on the final passage of Substitute Senate Bill No. 3007, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 46; nays, 1; excused, 2.

Voting yea: Senators Bailey, Barr, Bauer, Bender, Bluechel, Bottiger, Cantu, Conner, Craswell, Deccio, DeJarnatt, Fleming, Garrett, Gaspard, Goltz, Granlund, Guess, Halsan, Hansen, Hayner, Johnson, Kiskaddon, Kreidler, Lee, McCaslin, McDermott, McDonald, McManus, Metcalf, Moore, Newhouse, Owen, Patterson, Peterson, Rasmussen, Rinehart, Saling, Sellar, Stratton, Talmadge, Thompson, Vognlid, von Reichbauer, Warnke, Williams, Zimmerman - 46.

Voting nay: Senator Pullen - 1.

Excused: Senators Benitz, Wojahn - 2.

SUBSTITUTE SENATE BILL NO. 3007, as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

On motion of Senator von Reichbauer, Senator Guess was excused.

MESSAGE FROM THE HOUSE

April 9, 1985

Mr. President:

The House has passed SUBSTITUTE SENATE BILL NO. 3029 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the fees charged by some financial institutions to cash noncustomer government checks and warrants impose a hardship on citizens who receive financial assistance from the state or federal government.

The legislature recognizes that in an era of deregulation and increased competition, some services offered by financial institutions may no longer be provided free of charge to the public. Nevertheless, the legislature encourages financial institutions to assist in the attainment of public policy objectives involving fund transfers between the government and its citizens by providing check-cashing services at little or no cost to recipients of government checks and warrants.

The legislature further encourages financial institutions to develop checking accounts which provide basic services at minimal cost so that recipients of government checks and warrants can avoid check-cashing fees by becoming customers of the financial institution.

In addition, the legislature encourages financial institutions to refrain from imposing unnecessary delays on a depositor's ability to withdraw funds deposited by check; and, in particular, to refrain from imposing delays on Social Security and other government checks deposited into established accounts beyond the time required to receive credit for the checks.

NEW SECTION. Sec. 2. (1) By January 1, 1986, the supervisors of banking and savings and loan associations shall report to the legislature on efforts made by financial institutions to provide basic checking services at low cost and to remove or lower fees charged for cashing government checks for noncustomers.

In addition, the supervisors shall report on financial institutions' policies in delaying the availability of funds for withdrawal by a customer who has deposited funds by check.

(2) The report shall contain:

(a) A current list, prepared by the supervisor of banking, of the basic checking accounts offered and fees imposed for cashing government checks for noncustomers by state and federal commercial banks and savings banks doing business in Washington; and

(b) A current list, prepared by the supervisor of savings and loan associations, of the basic checking accounts offered and fees imposed for cashing government checks for noncustomers by state and federal savings and loan associations doing business in Washington; and

(c) Information regarding the policies of financial institutions doing business in Washington, in making funds deposited by check available for withdrawal by the depositor.

(3) The report shall be transmitted to the governor, the speaker of the state house of representatives, the president of the senate, and the chairmen of the financial institutions committees of each house of the legislature.

NEW SECTION, Sec. 3. A new section is added to chapter 46.20 RCW to read as follows:

In addition to the use of identicards prescribed under RCW 46.20.185, identicards may also be used to establish proof of identity for purposes of the presentment of checks and other negotiable instruments."

On page 1, line 1 of the title, after "institutions;" strike the remainder of the title and insert "adding a new section to chapter 46.20 RCW; and creating new sections."

and the same are herewith transmitted.

DENNIS L. HECK, Chief Clerk

MOTION

Senator Vognild moved that the Senate do concur in the House amendments to Substitute Senate Bill No. 3029.

POINT OF ORDER

Senator Williams: "Mr. President, I would like to raise the question of scope and object on the House amendments to Substitute Senate Bill No. 3029. The House has totally stricken the language of the bill that we sent over, including the title and replaced the RCW sections cited with new RCWs. I would suggest that this is a total scope and object change."

Further debate ensued.

RULING BY THE PRESIDENT PRO TEMPORE

President Pro Tempore Goltz: "In ruling upon the point of order raised by Senator Williams, the President finds that Substitute Senate Bill No. 3029 is a measure requiring financial institutions to cash certain government checks of properly identified non-customers for a fee of no more than one dollar.

"The amendments proposed by the House of Representatives encourages financial institutions to lower their check cashing fees for non-customer government checks and requires the Supervisor of Banking to report on the efforts of financial institutions in this regard.

"The President, therefore, finds that the proposed amendment does change the scope and object of the bill and that the point of order is well taken."

The House amendments to Substitute Senate Bill No. 3029 were ruled out of order.

MOTION

Senator Williams moved that the Senate do not concur in the House amendments to Substitute Senate Bill No. 3029 and asks the House to recede therefrom.

PARLIAMENTARY INQUIRY

Senator Bluechel: "Mr. President, when an amendment from the opposite body is ruled out of scope and object and is the only action taken by that body, does not the bill revert to its committee here and not go back to the body?"

REPLY BY THE PRESIDENT PRO TEMPORE

President Pro Tempore Goltz: "In accordance with Rule 66, which I will read the appropriate portion which is on page 28 of the Senate Rules: 'A senate bill, passed by the house with amendment or amendments which shall change the scope and object of the bill, upon being received in the senate, shall be referred to appropriate committee and shall take the same course as for original bills, unless a

motion to ask the house to recede, to insist or to adhere is made prior to the measure being referred to committee.' We are at the point of it being prior to being referred to committee."

MOTIONS

On motion of Senator Vognild, and there being no objection, the motion to concur in the House amendments to Substitute Senate Bill No. 3029 was withdrawn.

Senator Williams repeated his motion that the Senate do not concur in the House amendments to Substitute House Bill No. 3029 and asks the House to recede therefrom.

Debate ensued.

PARLIAMENTARY INQUIRY

Senator Newhouse: "Mr. President, if the question is decided in the negative, then we do concur with the House amendments, in spite of your ruling?"

REPLY BY THE PRESIDENT PRO TEMPORE

President Pro Tempore Goltz: "If the motion fails, then the bill would revert to the committee."

Senator Newhouse: "But the rules say that if the motion to concur is decided in the negative, then the body decides to not concur and conversely if the motion to not concur is decided in the negative, then the motion to concur would prevail."

REPLY BY THE PRESIDENT PRO TEMPORE

President Pro Tempore Goltz: "I think the rule that applies is the rule relating to the point of order on the scope and object of the House amendments, which has already been ruled upon."

Senator Williams demanded a roll call and the demand was sustained.

The President Pro Tempore declared the question before the Senate to be the motion by Senator Williams that the Senate do not concur in the House amendments to Substitute Senate Bill No. 3029 and asks the House to recede therefrom.

MOTION

On motion of Senator Fleming, further consideration of Substitute House Bill No. 1003 was deferred.

SECOND READING

SUBSTITUTE HOUSE BILL NO. 1190, by Committee on Higher Education (originally sponsored by Representatives Peery, L. Smith, J. King and Tanner)

Changing provisions relating to the joint center for education.

The bill was read the second time.

MOTION

Senator Gaspard moved that the following Committee on Education amendments be considered simultaneously and not be adopted:

On page 1, line 6, after "University" strike all material through "College" on line 7

MOTION

Senator Bauer moved that the question be divided and that the Committee on Education amendment on page 1, line 9 be adopted."

Debate ensued.

POINT OF INQUIRY

Senator Guess: "Senator Bauer, remembering the extensive discussion we had on other programs and now you're going to strike that? You're going to leave the original language like it is on line 13--'and other programs?'"

Senator Bauer: "Yes."

Senator Guess: "Can you tell the Senate what you mean by 'other programs?' I thought this was going to be a high tech center and if we're going to go into other programs, what other programs will you go into?"

Senator Bauer: "We were told by both The Evergreen College and WSU that by putting the word 'related' in, this would imply that those subjects related to high tech--and I guess that could be somebody's interpretation as to what 'related'

means. Is it mathematics, is it teacher preparation, is it nursing or whatever it might be—who determines that? The question comes down to those things you do not identify as 'related' then—those institutions could go ahead and put in programs without being monitored by CPE or its successor—if you just limit it to 'related.' So by leaving the word 'related' out, all these programs are going to be subjected to the CPE or CPE's successor in terms of approval of off campus programs."

Senator Guess: "I just didn't want them to institute programs in ballet and basket weaving. Will you assure me now that they won't go into ballet?"

Senator Bauer: "I will guarantee as long as I'm around that won't happen."

The President Pro Tempore declared the question before the Senate to be the motion by Senator Bauer to divide the question and to adopt the Committee on Education amendment on page 1, line 9.

The motion by Senator Bauer carried and the Committee on Education amendment on page 1, line 9, was adopted.

MOTION

On motion of Senator Gaspard, the rules were suspended. Substitute House Bill No. 1190, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

MOTION

On motion of Senator Vognild, further consideration of Substitute House Bill No. 1190, as amended by the Senate, was deferred.

SECOND READING

ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 975, by Committee on Environmental Affairs (originally sponsored by Representatives Rust, Allen, Jacobsen, Unsoeld, Barnes, Valle and Lux)

Revising provisions relating to hazardous wastes.

The bill was read the second time.

On motion of Senator Bender, Senators Owen and McDermott were excused.

On motion of Senator Talmadge, the following amendment was adopted:

On page 13, line 32, after "activities" insert:

*, including the use of dispute resolution centers established pursuant to chapter 7.75 RCW"

On motion of Senator Kreidler, the rules were suspended. Engrossed Second Substitute House Bill No. 975, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Hansen: "Senator Kreidler, we have a lot of stress and anxiety over the proposed sites overlooking the Columbia River. If we pass this bill, does that give the complete control to the Parks and Ecology to approve that site over the objections of the area, or would the legislature, itself, be able to intervene in that specific site which is within a half mile of the Columbia River?"

Senator Kreidler: "Senator Hansen, it would be the responsibility of local government to come up with a plan in order to deal with these sites. Local government would be the entity that would be developing the sites and location, so it would really be their responsibility to come up with the appropriateness of the site and its location.

"Obviously, there would be certain rules that will be promulgated by the Department of Ecology which would essentially set up the guidelines to the appropriateness of siting and so forth, but that would all be part of the plan of local government. This is something that would be several years away before it would have its impact, but the process is begun and it's a valuable one."

Senator Hansen: "The reason I'm asking this question is the Grant County Commissioners purchased this piece of ground for pesticide cans—a hazardous waste dump site. Then they made a contract with Rabanco for the collection of all solid hazardous waste from western Washington. The people are up in arms. It is a mile from I-90, right on the Columbia River and the basalt leans toward the Columbia River, which if there is ever going to be a leak, it would be in the major waterway. They're taking Grant County to court now, because Grant County is trying to back out on the deal. Can this bill, then, be used by the legislature to intervene in that problem?"

Senator Kreidler: "Senator Hansen, what it does do is to give the sole responsibility for planning and siting of hazardous waste and generation sites to the Department of Ecology, so it would address the problem you are describing. Whether it would be able to impact one that is already in the mill, so to speak, I can't answer that question, because of the timing involved, but for the future, obviously, this is what we are trying to address."

The President Pro Tempore declared the question before the Senate to be the roll call on final passage of Engrossed Second Substitute House Bill No. 975, as amended by the Senate.

ROLL CALL

The Secretary called the roll on final passage of Engrossed Second Substitute House Bill No. 975, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 39; nays, 2; absent, 1; excused, 7.

SECOND READING

SUBSTITUTE HOUSE BILL NO. 493, by Committee on State Government (originally sponsored by Representatives Valle, Todd, Jacobsen, Leonard, Barnes, Ebersole, Cole, Rust, Crane, Appelwick, Braddock, D. Nelson and Miller)

Establishing a seismic safety commission.

The bill was read the second time.

MOTION

Senator Warnke moved that the following amendment be adopted:

On page 3, after line 1, strike the remainder of the act and insert the following:

NEW SECTION. Sec. 5. The department of emergency management shall consult with federal officials, local law enforcement officials, local elected officials, labor representatives, mine operators, mine rescue instructors, and the department of natural resources in developing a comprehensive state mine rescue plan. The plan shall include the establishment of at least two mine rescue stations in the state. The mine rescue teams shall be trained and equipped to respond to emergencies in coal as well as other mines. The plan shall determine the best means of rapidly transporting rescue teams, equipment, and support personnel to the site of an emergency. The plan shall include the development of a recruitment program that will result in a continuing supply of trained mine rescue team volunteers.

NEW SECTION. Sec. 6. The department of emergency management shall work with federal officials to insure the prompt sealing of open holes and mine shafts.

NEW SECTION. Sec. 9. Sections 5 through 8 of this act are each added to chapter 38.52 RCW."

NEW SECTION. Sec. 10. Sections 1 through 4 of this act may be known and cited as the Seismic Safety Commission act.

NEW SECTION. Sec. 11. Sections 1 through 4 of this act shall expire on June 30, 1987.

NEW SECTION. Sec. 12. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

POINT OF ORDER

Senator Guess: "Mr. President, a point of order. I raise the point that the amendment expands the scope and object of the bill. House Bill No. 493 has to do with earthquake safety. It establishes a safety seismic commission of nine members, four members of the legislature and one member from the seismologists and the law very clearly states in the section that this act shall be known as the Seismic Safety Commission Act. The amendment calls for the development of two mine rescue teams. It calls for the Department of Emergency to respond to other emergencies. It clearly expands the scope and object of the bill."

Further debate ensued.

MOTION

On motion of Senator Vognild, further consideration of Substitute House Bill No. 493 was deferred.

SECOND READING

POINT OF INQUIRY

Senator Deccio: "Senator Pullen, I really wanted to ask if that really happened or have you been reading Agatha Christie's thrillers lately?"

Senator Pullen: "It did happen. It's really serious and I'm really sincere. I do have strange constituent problems, but that one is not really strange--that's just a normal strange one."

The President Pro Tempore declared the question before the Senate to be the roll call on final passage of Substitute House Bill No. 68, as amended by the Senate.

The committee shall report to appropriate national and state organizations which represent the profession of psychology any action taken pursuant to an investigation or hearing that finds a licensee has committed unprofessional or unethical conduct.

~~((In the event of an order for revocation or suspension of a psychology license, or for restriction or limitation of a licensee's practice, the committee shall report such action to the public. This public notification shall be suspended for thirty days from date of filing of any appeal.~~

~~If the committee finds that a complaint against a licensee is not substantiated, or if there is no finding of unprofessional or unethical conduct, resulting in dismissal of the complaint and exoneration of the licensee, the committee shall attempt to relieve the licensee of any possible odium that may attach by reason of the complaint by such public exoneration as is necessary.))~~

Sec. 139. Section 18, chapter 305, Laws of 1955 as amended by section 18, chapter 70, Laws of 1965 and RCW 18.83.180 are each amended to read as follows:

It shall be a gross misdemeanor for any person to:

Renumber the sections consecutively and correct internal references accordingly.

On page 13, line 3, after "(1)" strike "~~(Willful or repeated)~~" and insert "Willful or repeated"

MOTION

Senator Thompson moved that the following amendment be adopted:

On page 72, after line 28, insert the following:

NEW SECTION. Sec. 136. A new section is added to chapter 18.88 RCW to read as follows:

The board shall not take disciplinary action against a registered nurse, who was authorized to prescribe drugs prior to July 1, 1985, who continues to prescribe drugs as was permitted under such authority, and such actions shall be deemed within the scope of the nurse's practice under chapter 18.130 RCW."

Renumber the remaining sections consecutively and correct any internal references accordingly.

Debate ensued.

POINT OF INQUIRY

Senator Bluechel: "Senator Thompson, I notice in the amendment that you made it specifically 'a nurse.' Would it not be better to make it for more than one in case the problem was repeated?"

Senator Thompson: "This is a very carefully constructed amendment. I've reviewed it in the wings with committee staff who have judged it to be technically correct and appropriately written--to be within the scope of the bill and correct as to language. I can only rely on that judgment."

Senator Bluechel: "Second question--is it possible to pass a bill for a specific person in this state?"

Senator Thompson: "I think this does not apply to a specific nurse, but to a class of nurses. I suggest you read further--'a nurse who was authorized to prescribe drugs prior to July 1, 1985.' There happens to be, and you can accept my word on this, twenty-five in the state who fall in this category."

Further debate ensued.

MOTION

On motion of Senator Thompson, the following amendment to the amendment was adopted:

On line 10 of the amendment, strike "a" and insert "any"

The President declared the question before the Senate to be adoption of the amendment by Senator Thompson, as amended.

The motion by Senator Thompson carried and the amendment, as amended, was adopted.

MOTIONS

On motion of Senator Granlund, the following title amendments were considered simultaneously and adopted:

On page 1, line 15 of the title, after "18.78.090," insert "18.83.120, 18.83.130, 18.83.135, 18.83-155, 18.83.180."

On page 1, line 29 of the title, after "18.78 RCW;" insert "adding a new section to chapter 18.83 RCW;"

On page 2, line 27 of the title, after "18.83.053;" insert "18.83.145, 18.83.161, 18.83.165."

On page 1, line 30 of the title, strike "a new section to chapter 18.88 RCW" and insert "new sections to chapter 18.88 RCW"

On motion of Senator Granlund, the rules were suspended, Substitute House Bill No. 131, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Deccio: "Senator Granlund, as you know, this is about a seventy page bill that came over from the House. I didn't vote for it in committee for reasons that I didn't think we spent enough time on it, but I would like to ask a couple questions. Does this bill take any power away from any of the disciplinary boards that are affected by this act?"

Senator Granlund: "My understanding is that it does not. As you probably remember, Senator Deccio, last year we passed the Uniform Disciplinary Act and these are technical adjustments to that Act--bringing in nineteen disciplines."

Senator Deccio: "Does this give any more power to the Department of Licenses--over these professions--than it now has?"

Senator Granlund: "Not that I remember."

Further debate ensued.

The President Pro Tempore declared the question before the Senate to be the roll call on final passage of Substitute House Bill No. 131, as amended by the Senate.

ROLL CALL

The Secretary called the roll on final passage of Substitute House Bill No. 131, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 41; absent, 2; excused, 6.

Absent: Senators Craswell, Guess - 2.

Excused: Senators Benitz, Bottiger, McDermott, Moore, Owen, Wojahn - 6.

SUBSTITUTE HOUSE BILL NO. 131, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

DENNIS L. HECK, Chief Clerk

MESSAGE FROM THE HOUSE

April 8, 1985

Mr. President:

The House has passed ENGROSSED SENATE BILL NO. 4227 with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 1, chapter 47, Laws of 1979 and RCW 28A.31.130 are each amended to read as follows:

The legislature recognizes that the condition known as (~~idiopathic~~) scoliosis, a lateral curvature of the spine commonly appearing in adolescents, can develop into a permanent, crippling disability if left untreated. Early diagnosis and referral can often result in the successful treatment of this condition and greatly reduce the need for major surgery. Therefore, the purpose of RCW 28A.31.130 through 28A.31.142 is to recognize that a school screening program is an invaluable tool for detecting the number of adolescents with scoliosis. It is the intent of the legislature to insure that the superintendent of public instruction provide and require screening for the condition known as scoliosis of all children in the highest risk age group, grades 5 through ((8)) 10, to ascertain which, if any, of these children have defects requiring corrective treatment.

Sec. 2. Section 2, chapter 47, Laws of 1979 and RCW 28A.31.132 are each amended to read as follows:

As used in (~~this chapter~~) RCW 28A.31.130 through 28A.31.142, the following terms have the meanings indicated.

(1) "Superintendent" means the superintendent of public instruction of public schools in the state, or his designee.

(2) "Pupil" means a student enrolled in the public school system in the state.

(3) "Scoliosis" includes idiopathic scoliosis and kyphosis.

(4) "Screening" means an examination to be performed on all pupils in grades 5 through ~~((6))~~ 10 for the purpose of detecting the condition known as scoliosis, except as provided in section 6 of this 1985 act.

~~((4))~~ (5) "Public schools" means the common schools referred to in Article IX of the state Constitution and those schools and institutions of learning having a curriculum below the college or university level as now or may be established by law and maintained at public expense.

Sec. 3. Section 3, chapter 47, Laws of 1979 and RCW 28A.31.134 are each amended to read as follows:

POINT OF INQUIRY

Senator Kiskaddon: "Senator McDermott, what kind of a fiscal impact does this have on us?"

Senator McDermott: "The fiscal impact of this is unknown. Until people apply, you never know how much anything is going to impact."

POINT OF INQUIRY

Senator Rasmussen: "Senator McDermott, on the deferred taxes, they can only be deferred up to eighty percent of the value of the property?"

Senator McDermott: "That is correct."

Senator Rasmussen: "I wanted to make that clear, because a lot of people think they can just defer forever. Not very many people are using the program. They don't like it, but in some cases they might figure they can defer for a number of years, but once they get up to eighty percent, they will sell them out?"

Senator McDermott: "That's right."

The President declared the question before the Senate to be adoption of the amendment by Senators Rasmussen, McDermott, Conner, Fleming, Gaspard, DeJarnatt, Bauer, Wojahn, Johnson, Bailey, Stratton, Moore, Bender, Newhouse, Hayner, Patterson, Goltz, Talmadge, Warnke, Vognild, Guess, Pullen, McCaslin, Metcalf, McDonald, Cantu and Saling.

*PART I

WASHINGTON CLEAN INDOOR AIR ACT

NEW SECTION, Sec. 1. The legislature recognizes the increasing evidence that tobacco smoke in closely confined places may create a danger to the health of some citizens of this state. In order to protect the health and welfare of those citizens, it is necessary to prohibit smoking in public places except in areas designated as smoking areas.

NEW SECTION, Sec. 2. As used in this chapter, the following terms have the meanings indicated unless the context clearly indicates otherwise.

(1) "Smoke" or "smoking" means the carrying or smoking of any kind of lighted pipe, cigar, cigarette, or any other lighted smoking equipment.

(2) "Public place" means that portion of any building or vehicle used by and open to the public, regardless of whether the building or vehicle is owned in whole or in part by private persons or entities, the state of Washington, or other public entity, and regardless of whether a fee is charged for admission.

Public places include, but are not limited to: Elevators, public conveyances or transportation facilities, museums, concert halls, theaters, auditoriums, exhibition halls, indoor sports arenas, hospitals, nursing homes, health care facilities or clinics, enclosed shopping centers, retail stores, retail service establishments, financial institutions, educational facilities, ticket areas, public hearing facilities, public restrooms, libraries, restaurants, waiting areas, lobbies, and reception areas. A public place does not include a private residence. This chapter is not intended to restrict smoking in private facilities which are occasionally open to the public except upon the occasions when the facility is open to the public.

(3) "Restaurant" means any building, structure, or area used, maintained, or advertised as, or held out to the public to be, an enclosure where meals are made available to be consumed on the premises, for consideration of payment.

NEW SECTION, Sec. 3. No person may smoke in a public place except in designated smoking areas.

NEW SECTION, Sec. 4. (1) A smoking area may be designated in a public place by the owner or, in the case of a leased or rented space, by the lessee or other person in charge except in:

(a) Elevators; buses, except for private hire; streetcars; taxis, except those clearly and visibly designated by the owner to permit smoking; public areas of retail stores and lobbies of financial institutions; office reception areas and waiting rooms of any building owned or leased by the state of Washington or by any city, county, or other municipality in the state of Washington; museums; public meetings or hearings; classrooms and lecture halls of schools, colleges, and universities; and the seating areas and aisle ways which are contiguous to seating areas of concert halls, theaters, auditoriums, exhibition halls, and indoor sports arenas; and

(b) Hallways of health care facilities, with the exception of nursing homes, and lobbies of concert halls, theaters, auditoriums, exhibition halls, and indoor sports arenas, if the area is not physically separated. Owners or other persons in charge are not required to incur any expense to make structural or other physical modifications in providing these areas.

Except as provided in other provisions of this chapter, no public place, other than a bar, tavern, bowling alley, tobacco shop, or restaurant, may be designated as a smoking area in its entirety. If a bar, tobacco shop, or restaurant is designated as a smoking area in its entirety, this designation shall be posted conspicuously on all entrances normally used by the public.

(2) Where smoking areas are designated, existing physical barriers and ventilation systems shall be used to minimize the toxic effect of smoke in adjacent nonsmoking areas.

(3) Managers of restaurants who choose to provide smoking areas shall designate an adequate amount of seating to meet the demands of restaurant patrons who wish to smoke. Owners of restaurants are not required to incur any expense to make structural or other physical modifications in providing these areas. Restaurant patrons shall be informed that separate smoking and nonsmoking sections are available.

(4) Except as otherwise provided in this chapter, a facility or area may be designated in its entirety as a nonsmoking area by the owner or other person in charge.

NEW SECTION, Sec. 5. Owners, or in the case of a leased or rented space the lessee or other person in charge, of a place regulated under this chapter shall make every reasonable effort to prohibit smoking in public places by posting signs prohibiting or permitting smoking as appropriate under this chapter. Signs shall be posted conspicuously at each building entrance. In the case of retail stores and retail service establishments, signs shall be posted conspicuously at each entrance and in prominent locations throughout the place. The boundary between a nonsmoking area and a smoking permitted area shall be clearly designated so that persons may differentiate between the two areas.

NEW SECTION. Sec. 6. This chapter is not intended to regulate smoking in a private enclosed workplace, within a public place, even though such workplace may be visited by nonsmokers, excepting places in which smoking is prohibited by the state fire marshal or by other law, ordinance, or regulation.

NEW SECTION. Sec. 7. (1) Any person intentionally violating this chapter by smoking in a public place not designated as a smoking area or any person removing, defacing, or destroying a sign required by this chapter is subject to a civil fine of up to one hundred dollars. Local law enforcement agencies shall enforce this section by issuing a notice of infraction to be assessed in the same manner as traffic infractions. The provisions contained in chapter 46.63 RCW for the disposition of traffic infractions apply to the disposition of infractions for violation of this subsection except as follows:

(a) The provisions in chapter 46.63 RCW relating to the provision of records to the department of licensing in accordance with RCW 46.20.270 are not applicable to this chapter; and

(b) The provisions in chapter 46.63 RCW relating to the imposition of sanctions against a person's driver's license or vehicle license are not applicable to this chapter.

The form for the notice of infraction for a violation of this subsection shall be prescribed by rule of the supreme court.

(2) When violations of section 4 or 5 of this act occur, a warning shall first be given to the owner or other person in charge. Any subsequent violation is subject to a civil fine of up to one hundred dollars. Each day upon which a violation occurs or is permitted to continue constitutes a separate violation.

(3) Local fire departments or fire districts shall enforce section 4 or 5 of this act regarding the duties of owners or persons in control of public places, and local health departments shall enforce section 4 or 5 of this act regarding the duties of owners of restaurants by either of the following actions:

(a) Serving notice requiring the correction of any violation; or

(b) Calling upon the city or town attorney or county prosecutor to maintain an action for an injunction to enforce sections 4 and 5 of this act, to correct a violation, and to assess and recover a civil penalty for the violation.

NEW SECTION. Sec. 8. Any penalty assessed and recovered in an action brought under this chapter shall be paid to the city or county bringing the action.

NEW SECTION. Sec. 9. Local fire departments or fire districts and local health departments may adopt regulations as required to implement this chapter.

NEW SECTION. Sec. 10. The state hereby fully occupies and preempts the entire field of regulating smoking in public places. No political subdivision of the state may enact laws or ordinances relating to this subject.

NEW SECTION. Sec. 11. This chapter shall be known as the Washington clean indoor air act.

NEW SECTION. Sec. 12. Sections 1 through 11 of this act shall constitute a new chapter in Title 70 RCW.

NEW SECTION. Sec. 13. This act shall be submitted to the people for their adoption and ratification, or rejection, at the next succeeding general election to be held in this state, in accordance with Article II, section 1 of the state Constitution, as amended, and the laws adopted to facilitate the operation thereof."

Debate ensued.

The President declared the question before the Senate to be adoption of the amendment by Senators Kreidler, Bluechel and Cantu to the Committee on Commerce and Labor amendment.

The motion by Senator Kreidler carried and the amendment to the committee amendment was adopted.

MOTION

Senator Kreidler moved that the the following amendment by Senators Kreidler and Bluechel to the Committee on Commerce and Labor amendment be adopted:

On page 4, after line 29, insert the following:

*NEW SECTION. Sec. 10. (1) Because the smoking of tobacco or any other weed or plant is a danger to health and is a cause of material annoyance and discomfort to those who are present in confined places, the legislature declares that the purposes of this chapter are to protect the public health and welfare by regulating smoking in the office workplace by requiring an employer to adopt a policy that will accommodate, insofar as possible, the preferences of nonsmokers and smokers.

(2) This chapter is not intended to create any right to smoke or to impair or alter an employer's prerogative to prohibit smoking in the workplace. Rather, if an employer allows employees to smoke in the workplace, then this chapter requires that the employer make accommodations for the preferences of both nonsmoking and smoking employees.*

Renumber the remaining sections consecutively.

POINT OF INQUIRY

Senator Pullen: "Senator Warnke, the problem I see is perhaps a technical problem. Maybe some of the other legislators can comment on this, but the proposed amendment says, 'the employer must establish this policy to regulate smoking in the workplace and to try to resolve the problems that might occur,' and yet in the committee amendment in Section 6, line 21, it says, 'this chapter is not intended to regulate smoking in a private enclosed workplace.' I guess the question I have is if this amendment is adopted, does that leave it in conflict with other language in the bill?"

Senator Warnke: "Senator Pullen is absolutely correct. The reason for the language, Senator Pullen, was brought to the committee by one of the committee members in which you may have a private office--a one or two person private office that may be a public place, but only deals occasionally with the public--an attorney's office, an accountant's office--how do you regulate, then, that situation or set up the area where part of the time they are a private office and part of the time they are accommodating the public?"

"The second part about the amendment and why the language is in the amendment the way it is now--if you have a small office--a one room office and you may employ two or three employees and one of those employees smokes. How is the employer going to designate a non-smoking area in a one-room office? What happens with the employee who smokes and you have two who do not? Do you fire that employee who smokes? That is the reason the language is there--to try and clarify that situation."

The President declared the question before the Senate to be adoption of the amendment by Senators Kreidler and Bluechel to the Committee on Commerce and Labor amendment.

The motion by Senator Kreidler failed and the amendment to the committee amendment was not adopted on a rising vote.

MOTION

Senator Kreidler moved that the following amendments by Senators Kreidler, Kiskaddon and Bluechel to the Committee on Commerce and Labor amendments be considered simultaneously and adopted:

On page 5, beginning on line 4, strike all material through "thereof." on line 8

On page 5, beginning on line 9, strike all material through "people" on line 15

Debate ensued.

The President declared the question before the Senate to be adoption of the amendments by Senators Kreidler, Kiskaddon and Bluechel to the Committee on Commerce and Labor amendment.

The motion by Senator Kreidler carried and the amendments to the committee amendment were adopted.

MOTION

Senator McManus moved that the following amendment by Senators McManus, Guess and Stratton to the Committee on Commerce and Labor amendment be adopted:

On page 2, line 28, of the committee amendment, strike "bowling alley."

Debate ensued.

POINT OF INQUIRY

Senator McCaslin: "Senator McManus, how many games did you bowl that evening?"

Senator McManus: "I didn't bowl any games, because of the simple reason I couldn't stand the smoke."

Further debate ensued.

POINT OF INQUIRY

Senator Sellar: "Senator McManus, Senator Guess has kind of put a question in my mind. You were at this bowling alley the other night and if you were a proprietor of that bowling alley, how would you go about setting up a non-smoking area in that bowling alley? The ones I've been in are great big rooms."

Senator McManus: "I think the intent of the legislation is that if we can put this amendment back in to include bowling alleys in the basic legislation, then the proprietor of a bowling alley will set aside some of the lanes as smoker's lanes, or if he has more smokers than non-smokers, he would set aside some of the lanes as non-smoker's lanes. And that would be better, it wouldn't be perfect, but it would be better than trying to bowl in the middle of a cloud of smoke."

Further debate ensued.

POINT OF INQUIRY

Senator Deccio: "Senator McManus, what would you do if you owned a bowling alley and on league nights where you are moving from one lane to the another and you had, maybe, a million dollar investment in that bowling alley--you need to be in that kind of a position--we all do--if we owned a bowling alley, a restaurant, an office like I have with twenty people and twelve of them smoke. What would you do if you owned a bowling alley and you could not comply with this law the way it is set up?"

Senator McManus: "If I owned a bowling alley, it would be off limits to smokers, number one. But if I were another proprietor, I would work out a situation with my customers. I think there is a way to work these things out."

Senator Deccio: "I think the bowling alley is just an example of the problems you are going to run into with people who have invested large sums of money. My response to your reply to my question is, I think you are being very impractical because you just can't do that. Assuming that you can't do that, how would you solve the problem if you owned a bowling alley?"

Senator McManus: "Senator Deccio, as a proprietor, I can do that if I choose to do it. I will pay the price if I have mostly smokers as my clientele, but I think the evidence shows you don't have mostly smokers as clientele any more. I just think there's a way to get around this situation by a compromise."

The President declared the question before the Senate to be adoption of the amendment by Senators McManus, Guess and Stratton to the Committee on Commerce and Labor amendment.

The motion by Senator McManus failed and the amendment to the committee amendment was not adopted on a rising vote.

MOTION

Senator McManus moves that the following amendment by Senators McManus, Guess and Stratton to the Committee on Commerce and Labor amendment be adopted:

On page 1, line 30 of the committee amendment, after "facilities," insert "state legislative chambers and immediately adjacent hallways."

Debate ensued.

POINT OF INQUIRY

Senator Deccio: "Senator Guess, you've been down here, how many--twenty-three years--and you've faced all these problems with all these departed Senators. Can you tell us what this has done to your health?"

Senator Guess: "Yes sir, I sure can. Last August 4, they went into my lungs--a seven inch incision is there now--and since that time I've been on Prednisone. I'll tell you, had it not been for the operation, I would have been dead by now. Thank goodness, I got in there soon enough and have recovered. I've been trying to stay away from smoke ever since."

Senator Deccio: "And all of your problems were caused by cigarette smoke?"

Senator Guess: "They were caused by something in my lungs, but they couldn't tell me what it was."

The President declared the question before the Senate to be adoption of the amendment by Senators McManus, Guess and Stratton to the Committee on Commerce and Labor amendment.

The motion by Senator McManus carried and the amendment to the committee amendment was adopted.

MOTION

Senator Vognild moved that the following amendment by Senators Vognild, Craswell, Rasmussen, Warnke, Peterson, Sellar, Granlund, Bottiger, Patterson, Wojahn, Moore, Zimmerman, Deccio, Hansen, Owen and Hayner to the Committee on Commerce and Labor amendment be adopted:

NEW SECTION, Sec. 4. Section 5, chapter 93, Laws of 1967 ex. sess. and RCW 9.73.070 are each repealed."

POINT OF ORDER

Senator Deccio: "A point of order, Mr. President. I'd like to challenge the scope and object of Senator McManus' amendment. I believe the basic bill deals with the issue of law enforcement and I think this amendment would expand the scope and object and intent of the bill."

Further debate ensued.

MOTION

On motion of Senator Talmadge, further consideration of Substitute House Bill No. 36 was deferred.

There being no objection, the Senate resumed consideration of Engrossed Substitute House Bill No. 932 and the pending Committee on Judiciary amendment, deferred earlier today.

MOTION

Senator Bluechel moved that the following amendment to the Committee on Judiciary amendment be adopted:

On page 4, line 34, after "disposition," insert a new section 6 stating:

NEW SECTION. Sec. 5. A new section is added to chapter 43.10 RCW to read as follows:

(1) A central file shall be kept on persons: (a) Who have been convicted of any crime involving the sexual assault, exploitation, or molestation of a child under the age of eighteen; (b) Whose parental rights have been terminated under chapter 13.34 RCW because of the sexual assault, exploitation, or molestation of a child under the age of eighteen; (c) Who have been found in any dependency action under chapter 13.34 RCW to have sexually assaulted, exploited, or molested any child under the age of eighteen; or (d) Who have been reported to the department of social and health services for sexually assaulting, exploiting, or molesting a child, subject to an appropriate administrative hearing if the listing is challenged. (2) All listings unless successfully challenged shall remain permanently on file. This central file shall be kept by the attorney general's office. Information in this file shall be coordinated when possible with criminal history information contained in national and international informational networks. (3) Information contained in the central file under subsection (1) of this section shall be available to any business or organization that deals primarily with the care, supervision, education, recreation, or guidance of children. Each such business or organization shall check all of its employees and volunteers who may have contact with children under the age of eighteen with the attorney general's office to find whether or not the employees and volunteers are listed in the central file within one hundred eighty days after the effective date of this act. All new employees or volunteers shall be similarly checked. If any employee or volunteer is found to be listed in the registry, the fact of being listed shall be reported in writing by the business or organization to the parents of legal guardians of all children under the age of eighteen participating in the activities of the business or organization. (4) Any parent or legal guardian may also apply to the attorney general's office to determine whether or not a person retained by them to care for a child under the age of eighteen is listed in the registry. (5) The attorney general's office shall record all inquiries and if subsequent to an inquiry a person inquired about is added to the registry, the attorney general's office shall notify all persons, at their last known address, who have made previous inquiries regarding that person about this fact. (6) Any person who has been convicted of a crime in another jurisdiction which, if committed in the state of Washington, would be a crime involving the sexual assault, exploitation, or molestation of a child under the age of eighteen, who establishes residency in the state of Washington, shall register with the attorney general's office within thirty days of establishing residency. Failure to so register shall be a class C felony as provided in chapter 9A.20 RCW.

POINT OF ORDER

Senator Talmadge: "Mr. President, a point of order. I believe the amendment by Senator Bluechel expands the scope and object of Engrossed Substitute House Bill 932. Engrossed Substitute House Bill No. 932 deals with the reporting of child abuse cases, both physical and sexual assaults on children, to prosecuting attorneys and child protective services. The proposed amendment by Senator Bluechel creates a separate new entity to deal with these kinds of reports and, also, provides for the dissemination of that information. It would appear that the amendment by Senator Bluechel repeals the child protective service registry by implication. It would appear that the amendment, also, repeals by implication those sections of the RCW that provide for the dissemination of criminal materials and for that reason I believe the amendment expands the scope and object of the bill.

"I would point out, too, Mr. President, that there are bills coming up--concurrency on Senate Bill 3596, for example, that provide for the accumulation of information relating to dependency proceedings, House Bill 1134 that deals with reporting issues--and the whole question of whether or not fingerprinting would be required by this amendment of some 250,000 Washington State citizens, certainly

expands the scope and object of the original bill, which dealt with only reporting information to prosecuting attorneys and CPS."

Further debate ensued.

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the point of order raised by Senator Talmadge, the President finds that Engrossed Substitute House Bill No. 932 is a measure reducing the time requirements certain persons have to report incidents of child abuse or neglect, establishes time limits for local public attorneys to notify victims whether a child abuse charge will be filed and establishes procedures for investigating child abuse cases.

"The amendment proposed by Senator Bluechel establishes a central file in the State Attorney General's Office on persons convicted of child abuse or reported to DSHS for child abuse.

"The President, therefore, finds that the proposed amendment does change the scope and object of the bill and that the point of order is well taken."

The amendment to the Committee on Judiciary amendment was ruled out of order.

The President declared the question before the Senate to be adoption of the Committee on Judiciary amendment.

The motion by Senator Talmadge carried and the committee amendment was adopted.

In such action, the validity and appropriateness of the final order imposing the penalty shall not be subject to review.

(4) Without regard to any other remedy otherwise provided in this chapter, the director may bring suit upon the surety bond filed by the farm labor contractor on behalf of any worker whose rights under this chapter have been violated by the contractor. NEW SECTION. Sec. 16. A new section is added to chapter 19.30 RCW to read as follows:

(1) After filing a notice of a claim with the director, in addition to any other penalty provided by law, any person aggrieved by a violation of this chapter or any rule adopted under this chapter may bring suit in any court of competent jurisdiction of the county in which the claim arose, or in which either the plaintiff or respondent resides, without regard to the amount in controversy and without regard to exhaustion of any alternative administrative remedies provided in this chapter. No such action may be commenced later than three years after the date of the violation giving rise to the right of action. In any such action the court may award to the prevailing party, in addition to costs and disbursements, reasonable attorney fees at trial and appeal.

(2) In any action under subsection (1) of this section, if the court finds that the respondent has violated this chapter or any rule adopted under this chapter, it may award damages up to and including an amount equal to the amount of actual damages, or statutory damages of five hundred dollars per plaintiff per violation, whichever is greater, or other equitable relief.

(3) Without regard to any other remedy otherwise provided in this chapter, any person having a claim against the farm labor contractor for any violation of this chapter may bring suit upon the surety bond or security deposit filed by the contractor pursuant to RCW 19.30.040, in any court of competent jurisdiction of the county in which the claim arose, or in which either the claimant or contractor resides. An action upon the bond or security deposit shall be commenced by serving and filing the complaint within three years from the date of expiration or cancellation of the bond, or in the case of a security deposit, within three years of the date of the expiration or revocation of the license. A copy of the complaint in any such action shall be served upon the director at the time of commencement of the action and the director shall maintain a record, available for public inspection, of all suits so commenced. Such service shall constitute service on the farm labor contractor and the surety for suit upon the bond and the director shall transmit the complaint or a copy thereof to the contractor at the address listed in his or her application and to the surety within forty-eight hours after it has been received. The surety upon the bond may, upon notice to the director and the parties, tender to the clerk of the court having jurisdiction of the action an amount equal to the claims thereunder or the amount of the bond less the amount of judgments, if any, previously satisfied therefrom and to the extent of such tender the surety upon the bond shall be exonerated. A claimant against the bond or security deposit shall be entitled to damages under subsection (2) of this section. If the actions commenced and pending at any one time exceed the amount of the bond then unpaired, the claims shall be satisfied from the bond in the following order:

(a) Wages, including employee benefits;

(b) Damages imposed under subsection (2) of this section;

(c) Any costs and attorney's fees claimant may be entitled to recover.

If any final judgment impairs the liability of the surety upon the bond so furnished so that there is not in effect a bond undertaking in the full amount prescribed by the director, the director shall suspend the license of such contractor until the bond liability in the required amount unimpaired by unsatisfied judgment claims has been furnished. If such bond becomes fully impaired, a new bond must be furnished.

If the farm labor contractor has filed other security with the director in lieu of a surety bond, any person having an unsatisfied final judgment against the contractor for any violation

of this chapter may execute upon the security deposit held by the director by serving a certified copy of the unsatisfied final judgment by registered or certified mail upon the director. Upon the receipt of service of such certified copy, the director shall pay or order paid from the deposit, through the registry of the court which rendered judgment, towards the amount of the unsatisfied judgment. The priority of payment by the director shall be the order of receipt by the director, but the director shall have no liability for payment in excess of the amount of the deposit.

NEW SECTION. Sec. 17. The following acts or parts of acts are each repealed:

(1) Section 10, chapter 392, Laws of 1955 and RCW 19.30.100;

(2) Section 15, chapter 392, Laws of 1955, section 20, chapter 199, Laws of 1969 ex. sess. and RCW 19.30.140; and

(3) Section 8, chapter 392, Laws of 1955 and RCW 19.30.080.

NEW SECTION. Sec. 18. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

PERSONAL PRIVILEGE

Senator Bottiger: "Mr. President, I'm not quite sure this is a point of personal privilege or what, but we've tried to do something in this session about giving everyone notice and warning. Earlier on, Senator Vognild put out a sheet on the attempted order that we would follow. On two consecutive bills, now, amendments were put up at the last minute, which has now generated this wait while we duplicate them. On the remaining five bills, that everybody was prewarned about, if you have your amendments and would put them up now, so they can be duplicated, the orderly process of the Senate works a lot better. If they are put up at the last minute, it is possible you know, to just run right over them. They weren't there on time and, therefore, will not be considered."

MOTION

On motion of Senator Bender, Senator McManus was excused.

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 133, by Committee on Transportation (originally sponsored by Representatives Dellwo, Taylor, Padden, Day, Silver, Barrett and Kremen)

Revising placement restrictions and listing requirements on highway information panels.

The bill was read the second time.

MOTION

Senator Metcalf moved that the following amendment by Senators Metcalf, Zimmerman, Vognilid and Sellar be adopted:

On page 1, line 19, after "655.307(a)," insert "Signs of dimension no greater than four by eight feet may be placed adjacent to highway rights-of-way only if the signs give information about, and directions to, agricultural produce stands, recreational facilities, and tourist accommodations in the vicinity, and such signs pose no hazard."

POINT OF INQUIRY

Senator Bottiger: "Senator Metcalf, has the Federal Scenic Highway Act been amended?"

Senator Metcalf: "I do not know."

Senator Bottiger: "The Federal Scenic Highway Act specifically prohibits this and it's a condition of the receipt of federal funds to build those highways."

Senator Metcalf: "If we wanted to take a section of the highway and take it out of the Scenic Highway, then it's perfectly all right to do this, or if it's on an incorporated city, but the town of Freeland, for example, on Whidbey Island, we would have to have an amendment to take that out of the federal plan and then it would be fine. It is sort of silly to take it out when this would solve it and I don't believe a sign for bed and breakfast or a small restaurant on Whidbey Island is going to deprive the state of Washington of the federal funds."

Senator Bottiger: "I don't know--Senator Peterson or Senator Guess--it isn't depriving them, it's paying them back. If we go in violation--perhaps Senator Guess can--"

REMARKS BY SENATOR GUESS

Senator Guess: "Senator Bottiger is correct. Were we to do this, then the state of Washington would be required to pay back all of the money that we have spent on the Interstate since it started--and we can't do that. I have a copy of the sign manual upstairs that I would be happy to share with you and believe you me, you don't change that sign manual.

"A couple of years ago, I tried to get a bill through that would have permitted private citizens--not the government--to post the railroad tracks that cross diagonally across the highway and I didn't get very far, Senator. Both my wife and I got dumped on our bicycles on one of those railroad tracks and several people have been very seriously hurt down at Cheney. We went down there and posted it, but the district engineer had to pull it down. We put it back, but if the state should pass a law allowing that action, we would be deprived of all our federal funds."

POINT OF INQUIRY

Senator Deccio: "Senator Metcalf, your amendment includes the words 'agricultural produce stands.' Would this preclude directions being given for the location of wineries in eastern Washington?"

Senator Metcalf: "I think it might. If you have an oral amendment, you could change it very simply to add that, because I believe in local directional signs. I can't believe that the intent of the federal government is to exclude all local signs of all sorts. If that's their intent, adding a couple of words, Senator Deccio, would be fine, I think."

Further debate ensued.

MOTIONS

On motion of Senator Metcalf, and there being no objection, the amendment was withdrawn.

On motion of Senator Peterson, the rules were suspended, Engrossed Substitute House Bill No. 133 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

The President declared the question before the Senate to be the roll call on final passage of Engrossed Substitute House Bill No. 133.

ROLL CALL

The Secretary called the roll on final passage of Engrossed Substitute House Bill No. 133 and the bill passed the Senate by the following vote: Yeas, 44; nays, 3; excused, 2.

Voting nay: Senators Bluechel, Kreidler, Rinehart - 3.

Excused: Senators McManus, Owen - 2.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 133, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

SECOND READING

HOUSE BILL NO. 999, by Representatives Appelwick, Jacobsen and Cole

Providing for the allocation of funds and programs for educational clinics.

The bill was read the second time.

MOTIONS

Senator Gaspard moved that the following Committee on Education amendment be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. It is the intent of this act to provide for an equitable distribution of funds appropriated for educational clinics, to stabilize existing programs, and to provide a system for orderly expansion or retrenchment in the event of future increases or reductions in program appropriations.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.97 RCW to read as follows:

The superintendent of public instruction shall prepare a report on educational clinics that:

(1) Identifies a funding level that is adequate to fund the enrollment served by educational clinics during the previous fiscal year;

(2) Identifies locales in the state which are served by educational clinics but where demand for educational clinic services will support additional service, and recommends the funding level necessary to serve such demand;

(3) Identifies locales in the state which are not served by educational clinics but where demand will support operation of clinics, and recommends the funding level necessary to serve such demand; and

(4) Identifies locales in the state that are either underserved or not served by existing public school programs for drop-outs or for drop-out prevention, but where demand will support such services and recommends the funding level necessary to serve such demand.

The report shall be submitted to the legislature by January 1 in the year following the effective date of this act and updates of the report shall be submitted with each biennial budget request until such time as funding levels reach the levels recommended in subsections (2) and (3) of this section.

NEW SECTION. Sec. 3. A new section is added to chapter 28A.97 RCW to read as follows:

In allocating funds appropriated for educational clinics, the superintendent of public instruction shall:

(1) Place priority upon stability and adequacy of funding for educational clinics that have demonstrated superior performance as defined in RCW 28A.97.040(2).

(2) Initiate and maintain a competitive review process to select new or expanded clinic programs in unserved or underserved areas. The criteria for review of competitive proposals for new or expanded education clinic services shall include but not be limited to:

(a) The proposing organization shall have obtained certification from the state board of education as provided in RCW 28A.97.010;

(b) The cost-effectiveness of the proposal as judged by the criteria established in RCW 28A.97.100(1) and (2); and

(c) The availability of committed nonstate funds to support, enrich, or otherwise enhance the basic program.

(3) In selecting areas for new or expanded educational clinics programs, the superintendent of public instruction shall consider factors including but not limited to:

(a) The proportion and total number of dropouts unserved by existing clinics programs, if any;

(b) The availability within the geographic area of programs other than educational clinics which address the basic educational needs of dropouts; and

(c) Waiting lists or other evidence of demand for expanded educational clinic programs.

(4) In the event of any curtailment of services resulting from lowered legislative appropriations, the superintendent of public instruction shall issue pro rata reductions to all clinics funded at the time of the lowered appropriation. Individual clinics may be exempted from such pro rata reductions if the superintendent finds that such reductions would impair the clinic's ability to operate at minimally acceptable levels of service. In the event of such exceptions, the superintendent shall determine an appropriate rate for reduction to permit the clinic to continue operation.

NEW SECTION. Sec. 4. A new section is added to chapter 28A.97 RCW to read as follows:

Contracts between the superintendent of public instruction and the educational clinics shall include quarterly plans which provide for relatively stable student enrollment but take into consideration anticipated seasonal variations in enrollment in the individual clinics. Funds which are not expended by a clinic during the quarter for which they were planned may be carried forward to subsequent quarters of the fiscal year. The superintendent shall make payments to the clinics on a monthly basis pursuant to RCW 28A.97.040.

Sec. 5, Section 3, chapter 341, Laws of 1977 ex. sess. and RCW 28A.97.030 are each amended to read as follows:

The superintendent of public instruction shall adopt, by rules, policies and procedures to permit a prior common school dropout to reenter at the grade level appropriate to such individual's ability: PROVIDED, That such individual shall be placed with the class he would be in had he not dropped out and graduate with that class, if his ability so permits notwithstanding any loss of credits prior to reentry and if such student earns credits at the normal rate subsequent to reentry.

Notwithstanding any other provision of law, any certified educational clinic student, upon completion of an individual student program and irrespective of age, shall be eligible to take the general educational development test as given throughout the state. Any such student who passes the general educational development test shall not be permitted to reenroll in the common school system in the state for other than vocational courses.

NEW SECTION. Sec. 6. If specific funding for the purposes of section 2 of this act, referencing this act by bill number, is not provided by the legislature by July 1, 1987, section 2 of this act shall be null and void. Section 2 of this act shall be of no effect until such specific funding is provided. If such funding is so provided, section 2 of this act shall take effect when the legislation providing the funding takes effect."

On motion of Senator Gaspard, the following amendment to the Committee on Education amendment was adopted:

On page 4, on line 14, after "follows:" insert "The superintendent shall include the educational clinics program in the biennial budget request."

On motion of Senator Goltz, the following amendment by Senators Goltz and Johnson to the Committee on Education amendment was adopted:

On page 4, after line 11 of the amendment, insert the following:

"(5) In the event that an additional clinic or clinics become certified and apply to the superintendent for funds to be allocated from a legislative appropriation which does not increase from the immediately preceding biennium, or does not increase sufficiently to allow such additional clinic or clinics to operate at minimally acceptable levels of service without reducing the funds available to previously funded clinics, the superintendent shall not provide funding for such additional clinic or clinics from such appropriation."

On motion of Senator Goltz, the following amendment to the Committee on Education amendment was adopted:

On page 6, after line 2 of the amendment, insert the following:

***NEW SECTION.** Sec. 7. Section 4(5) of this act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

The President declared the question before the Senate to be adoption of the Committee on Education amendment, as amended.

The motion by Senator Gaspard carried and the committee amendment, as amended, was adopted.

MOTIONS

On motion of Senator Gaspard, the following title amendments were considered simultaneously and adopted:

On page 1, line 1 of the title, after "clinics;" strike the remainder of the title and insert "amending RCW 28A.97.030; adding new sections to chapter 28A.97 RCW; and creating new sections."

On page 6, line 10 of the title amendment, strike "and creating new sections" and insert "creating new sections; and declaring an emergency"

On motion of Senator Gaspard, the rules were suspended, House Bill No. 999, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Patterson: "Senator Gaspard, can you identify the number of educational clinics that are now operating in the state that are receiving state funds-- and the location of them?"

Senator Gaspard: "I don't have that information with me, but I could get that information and send it to you in a memo, if you'd like. I can tell you what the funding is in the Senate budget that we passed. It was approximately \$2.3 million for this coming biennium."

Senator Patterson: "I guess my concern is the amendment that Senator Goltz offered and it was adopted. What we are saying is that the ones that are ongoing and the areas they are serving gives me a feeling that we may not be recognizing that there are other major urban areas in the state that could benefit by educational clinics. I'm somewhat concerned that we are being very restrictive as to the expansion of the program. I'm personally supportive of the educational clinics, but I wonder whether or not we should, at this point in time, fund just those that are in existence without recognizing that there are some other areas in the state that might like to have educational clinic money. That's the reason I raise the question."

Senator Gaspard: "Staff has been able to give me some of that information you requested. SPI reports that of the 1,113 students that were served in the 1983-84 years, there were nine educational clinics located in Snohomish, King, Pierce, Thurston, Kitsap, Yakima and Spokane counties."

The President declared the question before the Senate to be the roll call on final passage of House Bill No. 999, as amended by the Senate.

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 506, by Select Committee on the Clean-up and Management of Puget Sound (originally sponsored by Representatives Jacobsen, Allen, Belcher, Miller, Braddock, Long, Valle, Brough, D. Nelson, Hine, Haugen, Cole, Rust, P. King, Niemi, Schmidt, Leonard, Winsley, Appelwick, Ebersole, R. King, Locke, O'Brien, McMullen, Fisch, Lux and Zellinsky)

Establishing a Puget Sound institute.

The bill was read the second time.

MOTION

Senator Kreidler moved that the following Committee on Parks and Ecology amendment be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. Puget Sound is a treasured resource of the state of Washington that must be protected. The citizens of the state of Washington have invested in the creation and operation of a major research and educational facility in the University of Washington, whose faculty and staff are recognized as leaders in the fields of ecology, geology, fisheries, oceanography, public policy, and other fields pertinent to understanding and managing Puget Sound. The time is propitious to form a partnership among state agencies and the University of Washington to focus the collective expertise of that great research university on the solution of those problems currently threatening the health of Puget Sound.

NEW SECTION. Sec. 2. There is created a provisional Puget Sound institute at the University of Washington, which shall be referred to in this chapter as "the institute."

NEW SECTION. Sec. 3. The provisional Puget Sound institute shall:

(1) Coordinate the University of Washington's faculty and staff expertise to assist in:

(a) The conduct of basic and applied research on Puget Sound, including studies of normal processes, living and nonliving resources, and pollution effects;

(b) The provision of undergraduate and graduate education that will continue to train students to embark upon careers in the management or regulation of Puget Sound and its resources;

(c) The provision of midcareer training for Puget Sound management or regulatory agency personnel; and

(d) The provision of outreach activities to the citizens of Washington that will continue to offer educational opportunities relating to the priceless resources of Puget Sound and to the important policy questions that surround its use and that influence its future preservation;

(2) Be the sole state and national repository for information related to Puget Sound pollution and pollution prevention activities. The institute will also develop comprehensive library holdings relating to Puget Sound and its adjacent watersheds;

(3) Cooperate with such agencies as the departments of ecology, natural resources, and fisheries in conducting research and monitoring Puget Sound;

(4) Assist the departments of ecology, natural resources, and fisheries in the provision of rapid response, including data collection and research, in the event of an unforeseen emergency that threatens Puget Sound; and

(5) Serve as a means by which to focus the collective resources of all the schools and colleges of the University of Washington on the solution of Puget Sound questions.

In prioritizing research efforts, the institute shall consider the needs of a variety of entities, including other institutions of higher education and the Puget Sound water quality authority.

NEW SECTION. Sec. 4. The provisional Puget Sound institute shall be administered by a director appointed by the president of the University of Washington.

NEW SECTION. Sec. 5. The institute shall coordinate its activities with such agencies as the department of ecology, the department of natural resources, the state department of fisheries, the United States environmental protection agency, the national oceanic and atmospheric administration, and other state agencies to avoid duplication of effort and programs.

NEW SECTION. Sec. 6. The governor, the legislature, state agencies, and the public may use the institute's research, educational, and advisory services as may be needed.

NEW SECTION. Sec. 7. The institute shall solicit private contributions from businesses and individuals to help fund its activities, and shall use previously appropriated funds of the University of Washington and existing resources as much as is possible to further the institute's activities.

NEW SECTION. Sec. 8. Sections 1 through 7 of this act shall constitute a new chapter in Title 90 RCW.

NEW SECTION. Sec. 9. By January 1, 1986, the provisional Puget Sound institute shall present to the legislature: (1) A report of its progress; and (2) a detailed plan for future activities.

NEW SECTION. Sec. 10. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

Debate ensued.

POINT OF INQUIRY

Senator Goltz: "Senator Kreidler, I'm concerned about the use of the words 'sole state and national repository for information,' because I would imagine that there are other places such as the State Library and such as the Department of Ecology resource room--whatever it is called--I don't think it's called a library, but it does

seem to me to be very, very restrictive if it is the only place where this information can be found. What is the meaning of 'sole' in this case?"

Senator Kreidler: "For purposes of establishing the institute, it would essentially mean that they would be the ones who would be assured of having a copy, of having primary information and, obviously, there would be many other repositories that would exist around the state for information relating to Puget Sound, but specifically, it would address--making sure that they would have the information made available to them."

Senator Goltz: "Would it be clearer if the word was 'official' or 'primary' or some other word than 'sole'? I guess I'm concerned about the very specific meaning of the word 'sole.'"

Senator Kreidler: "I appreciate your concern, Senator, and quite honestly, Senator Goltz, my feeling is that the language accomplishes exactly what you are alluding to here. It properly safeguards that other institutions and repositories for information would be able to maintain and continue to do exactly what they are doing. This gives absolute certainty that we're going to have information made available to the institute, so it is the focal point for information relative to the Puget Sound."

Further debate ensued.

MOTION

On motion of Senator Zimmerman, the following amendment to the Committee on Parks and Ecology amendment was adopted:

On page 2, line 30, strike "sole" and insert "primary"

POINT OF INQUIRY

Senator McDermott: "Senator Kreidler, could you tell us the relationship between the Puget Sound Institute and the Puget Sound Water Quality Authority and what the ultimate fiscal note will be on this bill?"

Senator Kreidler: "The Authority would, obviously, be the body that would be encompassed in the legislation we passed that could do any amount of research, and obviously, would have records of its own. The repository for those records--the Institute--would be one that would be assured of receiving all the information. It is my understanding that the Puget Sound Water Quality Authority, as it is presently constituted, is on record of supporting this measure."

Senator McDermott: "And the fiscal note?"

Senator Kreidler: "The fiscal note is under fifty thousand dollars. In fact, it is way below fifty thousand. It is zero right now. Any future funding would constitute coming back to the legislature and appropriating funds some time in the future. At the current time, there is no obligation for the legislature for any future or present funding of the Institute. In the future, we may wish to change that and allocate funds for one reason or another, but at this time, there is no funding necessary to implement the bill."

Senator McDermott: "It is your understanding, then, that there is no intention to come back either in the next session or the next biennium asking for more money?"

Senator Kreidler: "No one ever says 'never.'"

The President declared the question before the Senate to be adoption of the Committee on Parks and Ecology amendment, as amended.

The motion by Senator Kreidler failed and the committee amendment, as amended, was not adopted on a rising tie vote with the President voting 'no.'

MOTIONS

On motion of Senator Zimmerman, Senator McCaslin was excused.

On motion of Senator Bluechel, Senator Benitz was excused.

On motion of Senator Kreidler, the rules were suspended, Engrossed Substitute House Bill No. 506 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

The President declared the question before the Senate to be the roll call on final passage of Engrossed Substitute House Bill No. 506.

ROLL CALL

The Secretary called the roll on final passage of Engrossed Substitute House Bill No. 506 and the bill failed to pass the Senate by the following vote: Yeas, 23; nays, 22; excused, 4.

Voting yea: Senators Bailey, Bender, Bluechel, Bottiger, Cantu, Conner, DeJarnatt, Garrett, Gaspard, Goltz, Granlund, Halsan, Johnson, Kiskaddon, Kreidler, Lee, Peterson, Rinehart, Talmadge, Thompson, von Reichbauer, Warnke, Zimmerman - 23.

Excused: Senators Benitz, McCaslin, McManus, Owen - 4.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 506, having failed to receive the constitutional majority, was declared lost.

When the official canvass of returns at any school district election reveals that a measure to levy taxes for school districts under chapter 84.52 RCW passed or failed due to a number of votes equal to one-half of one percent of the total number of votes cast on such measure, the county auditor shall direct that a recount of all votes cast on such measure be made on such measure in the manner provided in RCW 29.64.030 and 29.64.040, and the cost of such recount shall be at county expense."

The President declared the question before the Senate to be the motion by Senator Gaspard to not adopt the Committee on Education amendment.

The motion by Senator Gaspard carried and the committee amendment was not adopted.

MOTIONS

On motion of Senator Pullen, the following amendment by Senators Pullen and Gaspard was adopted:

On page 1, after line 27, insert the following:

If the proposed amendment is not so approved and ratified, this act shall be null and void in its entirety."

On motion of Senator Pullen, the following title amendment was adopted:

On page 1, line 1 of the title, strike "and" and on line 2, after "84.52.056" insert "; and providing an effective date"

On motion of Senator Gaspard, the rules were suspended, House Bill No. 629, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

(3) An approved private (~~and/or parochial~~) school for the purposes of this (~~section~~) chapter shall be one approved under regulations established by the state board of education pursuant to RCW 28A.04.120 as now or hereafter amended.

(4) For the purposes of this chapter, instruction shall be home-based if it consists of planned and supervised instructional and related educational activities, including a curriculum and instruction in the basic skills of occupational education, science, mathematics, language, social studies, history, health, reading, writing, spelling, and the development of an appreciation of art and music, provided for a number of hours equivalent to the total annual program hours per grade level established for approved private schools under RCW 28A.02.201 and 28A.02.240 and if such activities are:

(5) The legislature recognizes that home-based instruction is less structured and more experiential than the instruction normally provided in a classroom setting. Therefore, the provisions of subsection (4) of this section relating to the nature and quantity of instructional and related educational activities shall be liberally construed.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.27 RCW to read as follows:

Each parent whose child is receiving home-based instruction under RCW 28A.27.010(4) shall have the duty to:

(1) File annually a signed declaration of intent that he or she is planning to cause his or her child to receive home-based instruction. The statement shall include the name and age of the child, shall specify whether a certificated person will be supervising the instruction, and shall be written in a format prescribed by the superintendent of public instruction. If, as a result of the annual test or assessment, it is determined that the child is not making reasonable progress consistent with his or her age or stage of development, the parent shall make a good faith effort to remedy any deficiency.

Failure of a parent to comply with the duties in this section shall be deemed a failure of such parent's child to attend school without valid justification under RCW 28A.27.020. Parents who do comply with the duties set forth in this section shall be presumed to be providing home-based instruction as set forth in RCW 28A.27.010(4).

Therefore, all decisions relating to philosophy or doctrine, selection of books, teaching materials and curriculum, and methods, timing,

All decisions of policy, philosophy, selection of books, teaching material, curriculum, except as in subsection ~~((6))~~ (7) above provided, school rules and administration, or other matters not specifically referred to in this section, shall be the responsibility of the administration and administrators of the particular private school involved.

Sec. 5. Section 4, chapter 217, Laws of 1969 ex. sess. as last amended by section 8, chapter 359, Laws of 1977 ex. sess. and RCW 28A.41.145 are each amended to read as follows:

MESSAGE FROM THE HOUSE

April 11, 1985

Mr. President:

The House has passed ENGROSSED SENATE BILL NO. 3627 with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. (1) Prior to December 31, 1986, the commissioner may suspend the provisions of RCW 50.20.015(2) if the commissioner determines with respect to an individual claimant that a reasonable application of that subsection is precluded (a) by a condition of economic distress as defined in section 2 of this act; or (b) in an occupation in which governmental action prohibits the normal activities in such occupation. The commissioner shall adopt rules to implement the work search policy of the department for all claimants identified by this section. Factors to be considered in developing the policy shall include occupation of the claimant, employment conditions within the claimant's industry, labor market demand, length and frequency of unemployment of the claimant, and the potential for return to work at his or her previous employment. Claimant work search activities shall be conducted in accordance with the rules adopted under this section.

(2) The commissioner shall submit a report to the committees on commerce and labor of the senate and the house of representatives describing those conditions of economic distress identified under subsection (1) (a) or (b) of this section which preclude application of RCW 50.20.015(2). The report shall be filed within one week of the date that the suspension is made.

NEW SECTION. Sec. 2. For the purposes of section 1 of this act, a condition of economic distress exists when:

(1) A county has an unemployment rate that is twenty percent or more above the state-wide average for the previous three years;

(2) A labor market area has experienced a sudden and severe loss of employment as defined by the commissioner;

(3) A labor market area contains a distressed industry; or

(4) The commissioner determines that the circumstances of the individual claimant meet the intent of this section.

Sec. 3. Section 9, chapter 205, Laws of 1984 and RCW 50.20.015 are each amended to read as follows:

(1) If the product of an otherwise eligible individual's weekly benefit amount multiplied by thirteen is greater than the total amount of wages earned in ~~((the state of Washington))~~ covered employment in the higher of two corresponding calendar quarters included within the individual's determination period, that individual shall be considered to have marginal labor force attachment. However, the individual shall not be considered to have marginal labor force attachment if he or she had no wages or reduced wages in either of such two corresponding calendar quarters because of illness or disability sufficient to have resulted in a finding of marginal attachment, or because such individual's first wages in covered employment were earned after the fifth completed calendar quarter of the individual's determination period. For the purposes of this subsection and RCW 50.29.020, "determination period" means the first eight of the last nine completed calendar quarters immediately preceding the individual's current benefit year.

(2) With respect to new claims for benefits filed on or after July 1, 1985, in addition to any other requirements established under this chapter which are not inconsistent with (a) through (f) of this subsection, if a determination is made under subsection (1) of this section that an individual has marginal labor force attachment, the following provisions shall apply to benefits payable to such individuals under this chapter:

(a) Payment of benefits under this chapter shall not be made to any individual for any week of unemployment:

(i) During which he or she fails to accept any offer of suitable work, as defined in subsection (2)(c) of this section, or fails to apply for any suitable work to which he or she was referred by the department; or

(ii) During which he or she fails to actively engage in seeking work.

(b) If any individual is ineligible for benefits for any week by reason of a failure described in subsection (2)(a)(i) ~~((or (2)(a)(ii)))~~ of this section, the individual shall be ineligible to receive benefits for any week which begins during a period which:

(i) Begins with the week following the week in which such failure occurs; and

(ii) Does not end until such individual has obtained bona fide work and earned wages of not less than his or her suspended weekly benefit amount in each of five calendar weeks.

(c) For purposes of this section, the term "suitable work" means, with respect to any individual, any work which is within such individual's capabilities and which does not involve conditions described in RCW 50.20.110.

(d) Benefits shall not be denied under subsection (2)(a)(i) of this section to any individual for any week by reason of a failure to accept an offer of, or apply for, suitable work if:

(i) The gross average weekly remuneration payable to such individual for the position does not exceed the sum of:

(A) The individual's weekly benefit amount, as determined under RCW 50.20.120, for his or her benefit year; plus

(B) The amount (if any) of supplemental unemployment compensation benefits (as defined in section 501(c)(17)(D) of the Internal Revenue Code of 1954, 26 U.S.C. Sec. 501(c)(17)(D)), payable to such individual for such week;

(ii) The position was not offered to such individual in writing and was not listed with the department;

(iii) Such failure would not result in a denial of benefits under the provisions of RCW 50.20.080 and 50.20.100 to the extent such provisions are not inconsistent with the provisions of subsections (2)(c) and (2)(e) of this section; or

(iv) The position pays wages less than the higher of:

(A) The minimum wage provided by section (6)(a)(1) of the Fair Labor Standards Act of 1938, without regard to any exemption; or

(B) Any applicable state or local minimum wage.

(e) For purposes of this section, an individual shall be treated as actively engaged in seeking work during any week if:

(i) The individual has engaged in a systematic and sustained effort to obtain work during such week, which has included at least five employer contacts: PROVIDED, That if the department determines that economic conditions within a designated labor market area make it unlikely that individuals will be able to fulfill the requirement of five employer contacts per week, then the department shall designate an appropriate number of required contacts for individuals within such labor market area: PROVIDED FURTHER, That if the department makes such a determination, then it shall report the determination, the newly-established number of employer contacts required within the designated labor market area, and supporting documentation for these actions, to the governor and the respective chairpersons of the house committee on labor and the senate committee on commerce and labor;

(ii) The individual provides tangible evidence to the department that he or she has engaged in such an effort during such week. Such evidence shall include information supplied by the individual on forms developed by the department which also provide for employer

signature to verify work search contacts and comments regarding the individual's preparedness for immediate work.

(f) The department shall refer applicants to any suitable work to which subsections (2)(d)(i) through (2)(d)(iv) of this section would not apply. To the extent possible, the department shall provide each applicant with five referrals each week. A referral shall serve as one of the employer contacts required in subsection (2)(e)(i) of this section.

(3) This section shall not apply to an individual who earned wages in covered employment in at least eighty hours in each calendar quarter of the individual's base period, nor shall it apply to an individual who during the first half of the determination period performed work and earned wages for services not considered to be covered employment in Washington.

NEW SECTION. Sec. 4. Sections 1 and 2 of this act are each added to chapter 50.20 RCW.

NEW SECTION. Sec. 5. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 6. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect July 1, 1985."

On page 1, line 2 of the title, after "attachment;" strike all material through "RCW;" on line 3 of the title and insert "amending RCW 50.20.015: adding new sections to chapter 50.20 RCW;"

and the same are herewith transmitted.

MESSAGE FROM THE HOUSE

Mr. President:

The House has passed SUBSTITUE SENATE BILL NO. 3302 with the following amendments:

On page 1, beginning on line 18, after "chaplain" strike all material through "agencies" on line 22

MOTION

Senator Talmadge moved that the Senate do concur in the House amendments to Substitute Senate Bill No. 3302.

Debate ensued.

POINT OF INQUIRY

Senator Fleming: "Senator Talmadge, what effect does the amendment dealing with the language 'removed' which prohibits volunteer chaplains from conducting religious services or religious instruction as related to the question of constitutionality, etc?"

Senator Talmadge: "The language on page 2, lines 2 and 3 of the bill said that 'volunteer chaplains shall not conduct religious services nor provide religious instruction as part of their duties.' The House felt that this language was duplicative in light of the fact that Article 1, Section 11 of the State Constitution says 'no public money or property shall be appropriated or applied to any religious worship, exercise or institution or the support of any religious establishment.' The feeling was that the constitutional prohibition was absolutely clear and the statutory language was merely a duplication of what was already in the State Constitution."

The President declared the question before the Senate to be the motion by Senator Talmadge that the Senate do concur in the House amendments to Substitute Senate Bill No. 3302.

The motion by Senator Talmadge carried and the Senate concurred in the House amendments to Substitute Senate Bill No. 3302.

The President declared the question before the Senate to be the roll call on final passage of Substitute Senate Bill No. 3302, as amended by the House.

MESSAGE FROM THE HOUSE

April 9, 1985

Mr. President:

The House has passed ENGROSSED SENATE BILL NO. 3067 with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature declares that aquatic farming provides a consistent source of quality food, offers opportunities of new jobs, increased farm income stability, and improves balance of trade.

The legislature finds that many areas of the state of Washington are scientifically and biologically suitable for aquaculture development, and therefore the legislature encourages promotion of aquacultural activities, programs, and development with the same status as other agricultural activities, programs, and development within the state.

The legislature finds that aquaculture should be considered a branch of the agricultural industry of the state for purposes of any laws that apply to or provide for the advancement, benefit, or protection of the agriculture industry within the state.

The legislature further finds that in order to ensure the maximum yield and quality of cultured aquatic products, the department of fisheries should provide diagnostic services that are workable and proven remedies to aquaculture disease problems.

It is therefore the policy of this state to encourage the development and expansion of aquaculture within the state. It is also the policy of this state to protect wildstock fisheries by providing an effective disease inspection and control program and prohibiting the release of salmon or steelhead trout by the private sector into the public waters of the state and the subsequent recapture of such species as in the practice commonly known as ocean ranching.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Aquaculture" means the process of growing, farming, or cultivating private sector cultured aquatic products in marine or freshwaters and includes management by an aquatic farmer.

(2) "Aquatic farmer" is a private sector person who commercially farms and manages the cultivating of private sector cultured aquatic products on the person's own land or on land in which the person has a present right of possession.

(3) "Private sector cultured aquatic products" are native, nonnative, or hybrids of marine or freshwater plants and animals that are propagated, farmed, or cultivated on aquatic farms under the supervision and management of a private sector aquatic farmer or that are naturally set on aquatic farms which at the time of setting are under the active supervision and management of a private sector aquatic farmer. When produced under such supervision and management, private sector cultured aquatic products include, but are not limited to, the following plants and animals:

The department shall consult with the advisory council in developing such a program.

NEW SECTION, Sec. 5. The director shall establish identification requirements for private sector cultured aquatic products to the extent that identifying the source and quantity of the products is necessary to permit the departments of fisheries and game to administer and enforce Titles 75 and 77 RCW effectively. The rules shall apply only to those private sector cultured aquatic products the transportation, sale, processing, or other possession of which would otherwise be required to be licensed under Title 75 or 77 RCW if they were not cultivated by aquatic farmers. The rules shall apply to the transportation or possession of such products on land other than aquatic lands and may require that they be: (1) Placed in labeled containers or accompanied by bills of lading or sale or similar documents identifying the name and address of the producer of the products and the quantity of the products governed by the documents; or (2) both labeled and accompanied by such documents.

The director shall consult with the directors of the departments of fisheries and game to ensure that such rules enable the departments of fisheries and game to enforce the programs administered under those titles. If rules adopted under chapter 69.30 RCW satisfy the identification required under this section for shellfish, the director shall not establish different shellfish identification requirements under this section.

NEW SECTION, Sec. 6. (1) There is hereby created the aquaculture advisory council. The council shall consist of the following voting members appointed by the governor: One representative of private sector freshwater fin fish farmers; one representative of private sector marine fin fish farmers who does not practice ocean ranching; one representative of private sector marine shellfish farmers; one representative of marine plant farmers; one representative of farmers of oysters native to the state; and one representative of a state-wide sports fishing association or group. (3) Any vacancies on the council shall be filled in the same manner as the original appointment.

(4) The council shall select a chairman by vote of the council members. A quorum consisting of at least six voting members must be present to conduct council business. The council shall meet at the call of the chairman or at the request of the director.

NEW SECTION. Sec. 7. The department shall adopt rules under chapter 34.04 RCW to implement this chapter.

NEW SECTION. Sec. 8. (1) The director of agriculture and the director of fisheries shall jointly develop, in consultation with the aquaculture advisory council, a program of disease inspection and control for aquatic farmers as defined in section 2 of this act. The program shall be administered by the department of fisheries under rules established under this section. The purpose of the program is to protect the aquaculture industry and wildstock fisheries from a loss of productivity due to aquatic diseases or maladies. As used in this section "diseases" means, in addition to its ordinary meaning, infestations of parasites or pests. The disease program may include, but is not limited to, the following elements:

(2) The director of fisheries shall adopt rules implementing this section. However, such rules shall have the prior approval of the director of agriculture and shall provide therein that the director of agriculture has provided such approval. The director of agriculture or the director's designee shall attend the rule-making hearings conducted under chapter 34.04 RCW and shall assist in conducting those hearings. The authorities granted the department of fisheries by these rules and by RCW 75.08.080(1)(g), 75.24.080, 75.24.110, 75.28.125, and sections 9, 10, and 11 of this act constitute the only authorities of the department of fisheries to regulate private sector cultured aquatic products and aquatic farmers as defined in section 2 of this act. Except as provided in subsection (3) of this section, no action may be taken against any person to enforce these rules unless the department has first provided the person an opportunity for a hearing. In such a case, if the hearing is requested, no enforcement action may be taken before the conclusion of that hearing.

(3) The rules adopted under this section shall specify the emergency enforcement actions that may be taken by the department of fisheries, and the circumstances under which they may be taken, without first providing the affected party with an opportunity for a hearing. Neither the provisions of this subsection nor the provisions of subsection (2) of this section shall preclude the department of fisheries from requesting the initiation of criminal proceedings for violations of the disease inspection and control rules.

(4) It is unlawful for any person to violate the rules adopted under subsection (2) or (3) of this section or to violate section 11 of this act.

(5) In administering the program established under this section, the department of fisheries shall use the services of a pathologist licensed to practice veterinary medicine.

(6) The director in administering the program shall not place constraints on or take enforcement actions in respect to the aquaculture industry that are more rigorous than those placed on the department of fisheries, the department of game, or other fish-rearing entities.

(7) Whenever a civil action for damages is brought by an aquatic farmer as defined in section 2 of this act against the department of fisheries as a result of the department's ordering and obtaining the destruction of the farmer's private sector cultured aquatic product as defined in section 2 of this act, the court may award the farmer damages not exceeding three times the actual damages sustained if the court determines that the department was unreasonable in concluding that the risks presented by the disease or infestation warranted the destruction of the product.

NEW SECTION. Sec. 9. The directors of agriculture and fisheries shall jointly adopt by rule, in the manner prescribed in section 8(2) of this act, a schedule of user fees for the disease inspection and control program established under section 8 of this act. The fees shall be established such that the program shall be entirely funded by revenues derived from the user fees by the beginning of the 1987-89 biennium.

There is established in the state treasury an account known as the aquaculture disease control account which is subject to appropriation. Proceeds of fees charged under this section shall be deposited in the account. Moneys from the account shall be used solely for administering the disease inspection and control program established under section 8 of this act.

NEW SECTION. Sec. 10. (1) The director of fisheries shall consult regarding the disease inspection and control program established under section 8 of this act with the department of game, federal agencies, and Indian tribes to assure protection of state, federal, and tribal aquatic resources and to protect private sector cultured aquatic products from disease that could originate from waters or facilities managed by those agencies.

(2) With regard to the program, the director of fisheries may enter into contracts or interagency agreements for diagnostic field services with government agencies and institutions of higher education and private industry.

NEW SECTION. Sec. 11. All aquatic farmers as defined in section 2 of this act shall register with the department of fisheries. The director shall develop and maintain a registration list of all aquaculture farms. Registered aquaculture farms shall provide the department production statistical data. The state veterinarian and the department of game shall be provided with registration and statistical data by the department.

NEW SECTION. Sec. 12. A new section is added to chapter 75.08 RCW to read as follows:

(1) It is unlawful for any person other than the United States, an Indian tribe recognized as such by the federal government, the state, a subdivision of the state, or a municipal corporation or an agency of such a unit of government to release salmon or steelhead trout into the public waters of the state and subsequently to recapture and commercially harvest such salmon or trout. This section shall not prevent any person from rearing salmon or steelhead trout in pens or in a confined area under circumstances where the salmon or steelhead trout are confined and never permitted to swim freely in open water.

(2) A violation of this section constitutes a gross misdemeanor.

Sec. 13. Section 2, chapter 256, Laws of 1961 as amended by section 2, chapter 7, Laws of 1975 1st ex. sess. and RCW 15.65.020 are each amended to read as follows:

Senator Hansen moved that the Senate do concur in the House amendments to Engrossed Senate Bill No. 3067.

POINT OF INQUIRY

Senator Guess: "I'm somewhat disturbed that the Fisheries Department will have charge of the disease. Are you aware whether or not the Fisheries Department has a pathologist?"

Senator Hansen: "I really don't think they do. They told us in committee that they could use one of their biologists for one-half of an FTE. I think it's going to be the aquaculture people, themselves, that have the expertise along with the veterinarians of the state to control the disease. So, this is the best we can do, Sam. This is a lot better than we had."

Senator Guess: "Thank you, Senator. I am disturbed over allowing the Fisheries Department to do the disease control, because as you say, they only have biologists; they don't have pathologists. The Department of Agriculture has many pathologists in their Department and they would be able to recognize and control diseases far better than the Fisheries."

Further debate ensued.

The President declared the question before the Senate to be the motion by Senator Hansen that the Senate do concur in the House amendments to Engrossed Senate Bill No. 3067.

REGISTRATION REQUIREMENTS

NEW SECTION. Sec. 2. A person who engages in or offers to engage in the activities of a registered tow truck operator shall not do so without first obtaining a registration certificate from the department of licensing authorizing him to engage in such activities. Any person engaging in or offering to engage in the activities of a registered tow truck operator without the registration certificate required by this chapter is guilty of a gross misdemeanor.

NEW SECTION. Sec. 3. (1) Application for licensing as a registered tow truck operator shall be made on forms furnished by the department, shall be accompanied by an inspection certification from the Washington state patrol, shall be signed by the applicant or his agent, and shall include the following information:

- (a) The name and address of the person, firm, partnership, association, or corporation under whose name the business is to be conducted;
- (b) The names and addresses of all persons having an interest in the business, or if the owner is a corporation, the names and addresses of the officers of the corporation;
- (c) The names and addresses of all employees who serve as tow truck drivers;
- (d) Proof of minimum insurance required by subsection (3) of this section;
- (e) Any other information the department may require; and
- (f) A certificate of approval from the chief of police if the applicant's principal place of business is located in a city or town having a population over five thousand persons or, in all other instances, from a member of the Washington state patrol, certifying that:

- (i) The applicant has an established place of business at the address shown on the application;
- (ii) The place of business has an office area that is accessible to the public without entering the storage area; and
- (iii) The place of business has adequate and secure storage facilities, as defined in this chapter and the rules of the department, where vehicles and their contents can be properly stored and protected.

(2) Before issuing a registration certificate to an applicant the department shall require the applicant to file with the department a surety bond in the amount of five thousand dollars running to the state and executed by a surety company authorized to do business in this state. The bond shall be approved as to form by the attorney general and conditioned that the operator shall conduct his business in conformity with the provisions of this chapter pertaining to abandoned or unauthorized vehicles, and to compensate any person, company, or the state for failure to comply with this chapter or the rules adopted hereunder, or for fraud, negligence, or misrepresentation in the handling of these vehicles. Any person injured by the tow truck operator's failure to fully perform duties imposed by this chapter and the rules adopted hereunder, or an ordinance or resolution adopted by a city, town, or county is entitled to recover actual damages, including reasonable attorney's fees against the surety and the tow truck operator. Successive recoveries against the bond shall be permitted, but the aggregate liability of the surety to all persons shall not exceed the amount of the bond. As a condition of authority to do business, the operator shall keep the bond in full force and effect. Failure to maintain the penalty value of the bond or cancellation of the bond by the surety automatically cancels the operator's registration.

(3) Before the department may issue a registration certificate to an applicant, the applicant shall provide proof of minimum insurance requirements of:

- (a) Two hundred fifty thousand dollars for liability for bodily injury or property damage per occurrence; and
- (b) One hundred thousand dollars of legal liability per occurrence, to protect against vehicle damage, including but not limited to fire and theft, from the time a vehicle comes into the custody of an operator until it is redeemed or sold.

(5) Upon approval of the application, the department shall issue a registration certificate to the registered operator to be displayed prominently at the operator's place of business.

(2) Upon receipt of the fee provided in section 3(4) of this act and a satisfactory inspection report from the state patrol, the department shall issue each tow truck an annual tow truck

permit. The class of the tow truck, determined according to section 5 of this act, shall be stamped on the permit. The permit shall be displayed on the passenger side of the truck's front windshield.

(3) A tow truck number from the department shall be affixed in a permanent manner to each tow truck.

(4) The Washington state patrol shall conduct annual inspections of tow truck operators' equipment and facilities. Unscheduled inspections may be conducted without notice at the operator's place of business by an inspector to determine the fitness of a tow truck or facilities.

(5) If at the time of the annual or subsequent inspections the equipment does not meet the requirements of this chapter, and the deficiency is a safety related deficiency, or the equipment is necessary to the truck's performance, the inspector shall cause the registered tow truck operator to remove that equipment from service as a tow truck until such time as the equipment has been satisfactorily repaired. A red tag shall be placed on the windshield of a tow truck taken out of service, and the tow truck shall not provide tow truck service until the Washington state patrol recertifies the truck and removes the tag.

NEW SECTION. Sec. 5. (1) Tow trucks shall be classified by towing capabilities, and shall meet or exceed all equipment standards set by the commission on equipment for the type of tow trucks to be used by an operator.

(2) All tow trucks shall display the firm's name, city of address, and telephone number. This information shall be painted on or permanently affixed to both sides of the vehicle in accordance with rules adopted by the department.

(3) Before a tow truck is put into tow truck service, or when the reinspection of a tow truck is necessary, the district commander of the state patrol shall designate a location and time for the inspection to be conducted. When practicable, the inspection or reinspection shall be made within three business days following the request by the operator.

(4) Failure to comply with any requirement of this section or rules adopted under it is a traffic infraction.

NEW SECTION. Sec. 6. (1) The address that the tow truck operator lists on his or her application shall be the business location of the firm where its files are kept. The application shall also list all locations of secure areas for vehicle storage and redemption.

(2) At the business locations listed where vehicles may be redeemed, the registered operator shall post in a conspicuous and accessible location:

(c) The vehicle redemption procedure and rights;

(d) Information supplied by the department as to where complaints regarding either equipment or service are to be directed;

(e) Information concerning the acceptance of commercially reasonable tender as defined in section 12(1)(b) of this act.

(3) Ten days before the effective date of any change in an operator's fee schedule, the registered tow truck operator shall file the revised fee schedule with the department.

(4) The department shall adopt rules concerning fencing and security requirements of storage areas, which may provide for modifications or exemptions where needed to achieve compliance with local zoning laws.

(5) On any day when the registered tow truck operator holds the towing services open for business, the business office shall remain open with personnel present who are able to release impounded vehicles in accordance with this chapter and the rules adopted under it.

(6) A registered tow truck operator shall maintain personnel who can be contacted twenty-four hours a day to release impounded vehicles within a reasonable time.

(9) All billing invoices that are provided to the redeemer of the vehicle shall be itemized so that the individual fees are clearly discernable.

IMPOUNDING UNAUTHORIZED VEHICLES

NEW SECTION. Sec. 7. (1) No person may impound, tow, or otherwise disturb any motor vehicle standing on nonresidential private property or in a public parking facility for less than twenty-four hours unless a sign is posted near each entrance and on the property in a clearly conspicuous and visible location to all who park on such property that clearly indicates:

(a) The times a vehicle may be impounded as an unauthorized vehicle; and

(b) The name, telephone number, and address of the towing firm where the vehicle may be redeemed.

(2) The requirements of subsection (1) of this section do not apply to residential property. Any person having charge of such property may have an unauthorized vehicle impounded immediately upon giving written authorization.

Personal belongings shall not be sold at auction to fulfill a lien against the vehicle.

(4) All personal belongings not claimed before the auction shall be turned over to the local law enforcement agency to which the initial notification of impoundment was given. Such personal belongings shall be disposed of pursuant to chapter 63.29 RCW.

(5) After January 1, 1986, all employees who serve as tow truck drivers shall have a Washington state driver's license endorsed for vehicle combinations under RCW 46.20.440.

(6) Any person who shows proof of ownership or written authorization from the impounded vehicle's registered or legal owner may view the vehicle without charge during normal business hours.

NEW SECTION, Sec. 10. (1) At the time of impoundment the registered tow truck operator providing the towing service shall give immediate notification, by telephone or radio, to a law enforcement agency having jurisdiction who shall maintain a log of such reports, unless the impoundment was requested by that law enforcement agency. The initial notice of impoundment shall be followed by a written notice within twenty-four hours.

(2) The operator shall immediately send an abandoned vehicle report to the department for any vehicle in the operator's possession after the ninety-six hour abandonment period.

(3) Within fifteen days of the sale of an abandoned vehicle at public auction, the towing operator shall send a copy of the abandoned vehicle report showing the disposition of the abandoned vehicle to the crime information center of the Washington state patrol.

NEW SECTION, Sec. 12. (1) Vehicles impounded by registered tow truck operators pursuant to RCW 46.52.170, 46.61.565, or section 8 of this act may be redeemed only under the following circumstances:

(a) Only the legal owner, the registered owner, a person authorized by the registered owner, or one who has purchased a vehicle from the registered owner, who produces proof of ownership or written authorization and signs a receipt therefor may redeem an impounded vehicle.

(b) The vehicle shall be released upon the presentation to any person having custody of the vehicle of commercially reasonable tender sufficient to cover the costs of towing, storage, or other services rendered during the course of towing, removing, impounding, or storing any such motor vehicle. Commercially reasonable tender shall include, without limitation, cash, major bank credit cards, or personal checks drawn on in-state banks if accompanied by two pieces of valid identification, one of which may be required by the operator to have a photograph. Any person who stops payment on a personal check or does not make restitution within

ten days from the date a check becomes insufficient due to lack of funds to a towing firm that has provided a service pursuant to this section or in any other manner defrauds the towing firm in connection with services rendered pursuant to this section shall be liable for damages in the amount of twice the towing and storage fees, plus costs and reasonable attorney's fees.

(2) (a) The towing company shall give to each person who seeks to redeem an impounded vehicle written notice of the right of redemption and opportunity for a hearing, which notice shall be accompanied by a form to be used for requesting a hearing, and a copy of the tow and storage receipt. The towing company shall maintain a record evidenced by the redeeming person's signature that such notification was provided.

(b) Any person seeking to redeem an impounded vehicle under this section has a right to a hearing in the district court for the jurisdiction in which the vehicle was impounded to contest the validity of the impoundment or the amount of towing and storage charges. Any request for a hearing shall be made in writing on the form provided for that purpose and must be received by the district court within ten days of the date the opportunity was provided for in subsection (2)(a) of this section. If the hearing request is not received by the district court within the ten-day period, the right to a hearing is waived and the registered owner is liable for any towing, storage, or other impoundment charges permitted under this chapter. Upon receipt of a timely hearing request, the district court shall proceed to hear and determine the validity of the impoundment.

(3)(a) The district court, within five days after the request for a hearing, shall notify the registered tow truck operator, the person requesting the hearing if not the owner, and the registered and legal owners of the motor vehicle in writing of the hearing date and time.

(b) At the hearing, the person or persons requesting the hearing may produce any relevant evidence to show that the impoundment, towing, or storage fees charged were not proper.

(c) At the conclusion of the hearing, the district court shall determine whether the impoundment was proper, whether the towing or storage fees charged were in compliance with the posted rates, and who is responsible for payment of the charges.

(d) If the impoundment is found proper, the impoundment, towing, and storage fees as permitted under this chapter together with court costs shall be assessed against the person or persons requesting the hearing, unless the operator did not have a signed and valid impoundment authorization from a private property owner or an authorized agent.

(e) If the impoundment is determined to be invalid, then the registered and legal owners of the vehicle shall bear no impoundment, towing, or storage costs, and any bond or other security shall be returned or discharged as appropriate, and the person who authorized the impoundment shall be liable for any towing, storage, or other impoundment charges permitted under this chapter.

(4) Any impounded vehicle not redeemed within fifteen days of mailing of the notice of custody and sale as required by section 11(2) of this act shall be sold at public auction in accordance with all the provisions and subject to all the conditions of section 13 of this act. A vehicle may be redeemed any time before the start of the auction upon payment of towing and storage costs.

NEW SECTION. Sec. 13. (1) If, after the expiration of fifteen days from the date of mailing of notice of custody and sale required in section 11(2) of this act to the registered and legal owners, the vehicle or hulk remains unclaimed and has not been listed as a stolen vehicle, then the registered disposer having custody of the vehicle or hulk shall conduct a sale of the vehicle at public auction after having first published a notice of the date, place, and time of the auction in a newspaper of general circulation in the county in which the vehicle is located not less than three days before the date of the auction. The advertisement shall contain a description of the vehicle including the make, model, year, and license number and a notification that a three-hour public viewing period will be available before the auction. The auction shall be held during daylight hours of a normal business day.

(2) The following procedures are required in any public auction of abandoned vehicles:

(a) The auction shall be held in such a manner that all persons present are given an equal time and opportunity to bid;

(b) All bidders must be present at the time of auction unless they have submitted to the registered tow truck operator, who may or may not choose to use the preauction bid method, a written bid on a specific vehicle. Written bids may be submitted up to five days before the auction and shall clearly state which vehicle is being bid upon, the amount of the bid, and who is submitting the bid;

(c) The open bid process, including all written bids, shall be used so that everyone knows the dollar value that must be exceeded;

(d) The highest two bids received shall be recorded in written form;

(e) In case the high bidder defaults, the next bidder has the right to purchase the vehicle for the amount of his or her bid;

(f) The registered tow truck operator shall post a copy of the auction procedure at the bidding site. If the bidding site is different from the licensed office location the operator shall post a clearly visible sign at the office location that describes in detail where the auction will

be held. At the bidding site a copy of the newspaper advertisement that lists the vehicles for sale shall be posted:

(g) All surplus moneys derived from the auction after satisfaction of the tow truck operator's lien shall be remitted within thirty days to the department for deposit in the state motor vehicle fund. A report identifying the vehicles resulting in any surplus shall accompany the remitted funds. If the director subsequently receives a valid claim from the registered vehicle owner of record within one year from the date of the auction, the surplus moneys shall be remitted to the registered owner:

(h) If an operator receives no bid, or if the operator is the successful bidder at auction, the operator shall, within thirty days sell the unclaimed abandoned vehicle to a licensed vehicle wrecker, hulk hauler, or scrap processor by use of the abandoned vehicle report-affidavit of sale, or the operator shall apply for title to the vehicle.

(3) (a) In no case may the accumulation of storage charges exceed fifteen days from the date of receipt of the information by the operator from the department as provided by section 11(2) of this act.

(b) The failure of the registered disposer to comply with the time limits provided in this chapter limits the accumulation of storage charges to five days except where delay is unavoidable. Providing incorrect or incomplete identifying information to the department in the abandoned vehicle report shall be considered a failure to comply with these time limits if correct information is available.

NEW SECTION. Sec. 14. (1) A registered tow truck operator who has a valid and signed impoundment authorization has a lien upon the vehicle for services provided in the towing and storage of the vehicle, unless the impoundment is determined to have been invalid. However, the lien does not apply to personal property in or upon the vehicle that is not permanently attached to or is not an integral part of the vehicle. The registered operator also has a deficiency claim against the last registered owner of the vehicle for services provided in the towing and storage of the vehicle not to exceed the sum of three hundred dollars less the amount bid at auction, and for vehicles of over ten thousand pounds gross vehicle weight, the operator has a deficiency claim of one thousand dollars less the amount bid at auction, unless the impound is determined to be invalid. A registered owner who has completed the seller's report as provided for by RCW 46.12.101 is relieved of liability under this section.

(2) Any person who tows, removes, or otherwise disturbs any motor vehicle parked, stalled, or otherwise left on privately owned or controlled property, and any person owning or controlling the private property, or either of them, are liable to the owner, operator, or driver of a motor vehicle, or each of them, for consequential and incidental damages arising from any interference with the ownership or use of the motor vehicle which does not comply with the requirements of this chapter.

NEW SECTION. Sec. 17. (1) All law enforcement agencies or local licensing agencies that receive complaints involving registered tow truck operators shall forward the complaints, along with any supporting documents including all results from local investigations, to the department.

(2) Complaints involving deficiencies of equipment shall be forwarded by the department to the state commission on equipment.

NEW SECTION. Sec. 19. The director, in cooperation with the chief of the Washington state patrol, shall adopt rules that carry out the provisions and intent of this chapter.

NEW SECTION. Sec. 20. A registered tow truck operator's license may be denied, suspended, or revoked, or the licensee may be ordered to pay a monetary penalty of a civil nature, not to exceed one thousand dollars per violation, whenever the director has reason to believe the licensee has committed, or is at the time committing, a violation of this chapter or rules adopted under it or any other statute or rule relating to the title or disposition of vehicles or vehicle hulks, including but not limited to:

Whenever it appears to the director that any registered operator or a person offering towing services has engaged in or is about to engage in any act or practice constituting a violation of any provision of this chapter or any rule adopted hereunder, the director may issue an order directing the operator to cease and desist from continuing the act or practice. Reasonable notice of and opportunity for a hearing shall be given. The director may issue a temporary order pending a hearing, the temporary order shall remain in effect until ten days after the hearing is held and shall become final if the person to whom notice is addressed does not request a hearing within fifteen days after the receipt of notice.

NEW SECTION. Sec. 22. If an application for a license to conduct business as a tow truck operator is filed by any person whose license has previously been canceled for cause by the department, or if the department is of the opinion that the application is not filed in good faith or that the application is filed by some person as a subterfuge for the real person in interest whose license has previously been canceled for cause, the department, after a hearing, of which the applicant has been given twenty days' notice in writing and at which the applicant may appear in person or by counsel and present testimony, may refuse to issue such a person a license to conduct business as a tow truck operator.

JUNK VEHICLE DISPOSITION

NEW SECTION. Sec. 23. The person making the certification shall record the make and vehicle identification number or license number of the vehicle if available, and shall also describe in detail the damage or missing equipment to verify that the value of the junk vehicle is equivalent only to the value of the scrap in it.

(2) The law enforcement officer or department representative shall provide information on the vehicle's owner to the landowner.

(4) If the vehicle remains unclaimed more than fifteen days after the landowner has mailed notification to the owner, the landowner may sign an affidavit of sale to be used as a title document.

(5) If no information on the vehicle's owner is found in the records of the department, the landowner shall place a legal notice of custody and sale in a newspaper of general circulation in the county. The newspaper notice shall include (a) the description of the vehicle; (b) the

address of the location of the junk vehicle; (c) the date by which the owner must redeem the vehicle; and (d) a telephone number where the landowner can be reached. (7) For the purposes of this section, the term "landowner" includes a legal owner of private property, a person with possession or control of private property, or a public official having jurisdiction over public property.

LOCAL REGULATION

NEW SECTION. Sec. 24. (1) A city, town, or county that adopts an ordinance or resolution concerning unauthorized, abandoned, or impounded vehicles shall include the applicable provisions of this chapter.

(a) A city, town, or county may, by ordinance, authorize other impound situations that may arise locally upon the public right-of-way or other publicly owned or controlled property.

(b) A city, town, or county may, by ordinance, provide for release of an impounded vehicle by means of a promissory note in lieu of immediate payment, if at the time of redemption the legal or registered owner requests a hearing on the validity of the impoundment. If the municipal ordinance directs the release of an impounded vehicle before the payment of the impoundment charges, the municipality is responsible for the payment of those charges to the registered tow truck operator within thirty days of the hearing date.

(c) The hearing specified in section 12(2) of this act and in this section may be conducted by an administrative hearings officer instead of in the district court. A decision made by an administrative hearing officer may be appealed to the district court for final judgment.

(2) A city, town, or county may adopt an ordinance establishing procedures for the abatement and removal as public nuisances of unauthorized junk motor vehicles or parts thereof from private property. Costs of removal may be assessed against the last registered owner of the vehicle or automobile hulk if the identity of the owner can be determined, unless the owner in the transfer of ownership of the vehicle or automobile hulk has complied with RCW 46.12.101, or the costs may be assessed against the owner of the property on which the vehicle is stored.

(3) Ordinances pertaining to public nuisances shall contain:

(a) A provision requiring notice to the last registered owner of record and the property owner of record that a hearing may be requested and that if no hearing is requested, the vehicle or automobile hulk will be removed;

(b) A provision requiring that if a request for a hearing is received, a notice giving the time, location, and date of the hearing on the question of abatement and removal of the vehicle or part thereof as a public nuisance shall be mailed, by certified mail, with a five-day return receipt requested, to the owner of the land as shown on the last equalized assessment roll and to the last registered and legal owner of record unless the vehicle is in such condition that identification numbers are not available to determine ownership;

(c) A provision that the ordinance shall not apply to (i) a vehicle or part thereof that is completely enclosed within a building in a lawful manner where it is not visible from the street or other public or private property or (ii) a vehicle or part thereof that is stored or parked in a lawful manner on private property in connection with the business of a licensed dismantler or licensed vehicle dealer and is fenced according to RCW 46.80.130;

(d) A provision that the owner of the land on which the vehicle is located may appear in person at the hearing or present a written statement in time for consideration at the hearing, and deny responsibility for the presence of the vehicle on the land, with his reasons for the denial. If it is determined at the hearing that the vehicle was placed on the land without the consent of the landowner and that he has not subsequently acquiesced in its presence, then the local agency shall not assess costs of administration or removal of the vehicle against the property upon which the vehicle is located or otherwise attempt to collect the cost from the owner;

(e) A provision that after notice has been given of the intent of the city, town, or county to dispose of the vehicle and after a hearing, if requested, has been held, the vehicle or part thereof shall be removed at the request of a law enforcement officer with notice to the Washington state patrol and the department of licensing that the vehicle has been wrecked. The city, town, or county may operate such a disposal site when its governing body determines that commercial channels of disposition are not available or are inadequate, and it may make final disposition of such vehicles or parts, or may transfer such vehicle or parts to another governmental body provided such disposal shall be only as scrap.

(4) A registered disposer under contract to a city or county for the impounding of vehicles shall comply with any administrative regulations adopted by the city or county on the handling and disposing of vehicles.

MESSAGE FROM THE HOUSE

April 8, 1985

Mr. President:

The House has passed ENGROSSED SENATE BILL NO. 3596 with the following amendments:

On page 5, after line 21, insert the following:

"Sec. 7. Section 1, chapter 152, Laws of 1972 ex. sess. as amended by section 17, chapter 17, Laws of 1984 and RCW 43.43.700 are each amended to read as follows:

There is hereby established within the Washington state patrol a section on identification and criminal history hereafter referred to as the section.

In order to aid the administration of justice the section shall install systems for the identification of individuals, including the fingerprint system and such other systems as the chief deems necessary. The section shall keep a complete record and index of all information received in convenient form for consultation and comparison.

The section shall obtain from whatever source available and file for record the fingerprints, palmprints, photographs, or such other identification data as it deems necessary, of persons who have been or shall hereafter be lawfully arrested and charged with, or convicted of any criminal offense. The section may obtain like information concerning persons arrested for or convicted of crimes under the laws of another state or government.

The section shall also contain like information concerning persons, over the age of eighteen years, who have been found, pursuant to a dependency proceeding under chapter 13.34 RCW in which the person was a party, to have sexually molested, sexually abused, or sexually exploited a child.

Sec. 8. Section 2, chapter 152, Laws of 1972 ex. sess. as amended by section 14, chapter 314, Laws of 1977 ex. sess. and RCW 43.43.705 are each amended to read as follows:

Upon the receipt of identification data from criminal justice agencies within this state, the section shall immediately cause the files to be examined and upon request shall promptly return to the contributor of such data a transcript of the record of previous arrests and dispositions of the persons described in the data submitted.

Upon application, the section shall furnish to criminal justice agencies, or to the department of social and health services, hereinafter referred to as the "department", a transcript of the criminal offender record information or dependency record information available pertaining to any person of whom the section has a record.

For the purposes of RCW 43.43.700 through 43.43.800 the following words and phrases shall have the following meanings:

"Criminal offender record information" includes, and shall be restricted to identifying data and public record information recorded as the result of an arrest or other initiation of criminal proceedings and the consequent proceedings related thereto. "Criminal offender record information" shall not include intelligence, analytical, or investigative reports and files.

"Criminal justice agencies" are those public agencies within or outside the state which perform, as a principal function, activities directly relating to the apprehension, prosecution, adjudication or rehabilitation of criminal offenders.

"Dependency record information" includes and shall be restricted to identifying data regarding a person, over the age of eighteen, who was a party to a dependency proceeding brought under chapter 13.34 RCW and who has been found, pursuant to such dependency proceeding, to have sexually molested, sexually abused, or sexually exploited a child.

Applications for information shall be by a data communications network used exclusively by criminal justice agencies or the department or in writing and information applied for shall be used solely in the due administration of the criminal laws or for the purposes enumerated in RCW 43.43.760(3).

The section may refuse to furnish any information pertaining to the identification or history of any person or persons of whom it has a record, or other information in its files and records, to any applicant if the chief determines that the applicant has previously misused information furnished to such applicant by the section or the chief believes that the applicant will not use the information requested solely for the purpose of due administration of the criminal laws or for the purposes enumerated in RCW 43.43.760(3). The applicant may appeal such determination and denial of information to the advisory council created in RCW 43.43.785 and the council may direct that the section furnish such information to the applicant.

Sec. 9. Section 7, chapter 36, Laws of 1979 ex. sess. and RCW 43.43.710 are each amended to read as follows:

Information contained in the files and records of the section relative to the commission of any crime by any person shall be considered privileged and shall not be made public or disclosed for any personal purpose or in any civil court proceedings except upon a written order of the judge of a court wherein such civil proceedings are had. All information contained in the files of the section relative to criminal records and personal histories of persons arrested for the commission of a crime shall be available to all criminal justice agencies and, for the sole purpose of investigating the cause of fires under RCW 48.48.060(2) where the cause is suspected to be arson, to the state fire marshal, upon the filing of an application as provided in RCW 43.43.705.

Dependency record information contained in the files and records of the section shall be considered privileged and shall not be made public. Dependency record information may be disclosed as authorized by this chapter or may be disclosed to the same extent that information regarding dependency proceedings may generally be disclosed, as authorized by applicable laws or court rules.

Although no application for information has been made to the section as provided in RCW 43.43.705, the section may transmit such information in the chief's discretion, to such agencies as are authorized by RCW 43.43.705 to make application for it.

Sec. 10. Section 4, chapter 152, Laws of 1972 ex. sess. and RCW 43.43.715 are each amended to read as follows:

The section shall, consistent with the procedures set forth in this 1972 act, cooperate with all other criminal justice agencies, and the department, within or without the state, in an exchange of information regarding convicted criminals and those suspected of or wanted for the commission of crimes, and persons who are the subject of dependency record information, to the end that proper identification may rapidly be made and the ends of justice served.

Sec. 11. Section 6, chapter 152, Laws of 1972 ex. sess. and RCW 43.43.725 Any copy of a criminal offender record, photograph, fingerprint, or other paper or document in the files of the section, including dependency record information, certified by the chief or his designee to be a true and complete copy of the original or of information on file with the section, shall be admissible in evidence in any court of this state pursuant to the provisions of RCW 5.44.040.

Sec. 12. Section 7, chapter 152, Laws of 1972 ex. sess. as amended by section 16, chapter 314, Laws of 1977 ex. sess. and RCW 43.43.730 are each amended to read as follows:

(1) Any individual shall have the right to inspect criminal offender record information, or dependency record information, on file with the section which refers to him. If an individual believes such information to be inaccurate or incomplete, he may request the section to purge, modify or supplement it and to advise such persons or agencies who have received his record and whom the individual designates to modify it accordingly. Should the section decline to so act, or should the individual believe the section's decision to be otherwise unsatisfactory, the individual may appeal such decision to the superior court in the county in which he is resident, or the county from which the disputed record emanated or Thurston county. The court shall in such case conduct a de novo hearing, and may order such relief as it finds to be just and equitable.

(2) The section may prescribe reasonable hours and a place for inspection, and may impose such additional restrictions, including fingerprinting, as are reasonably necessary both to assure the record's security and to verify the identities of those who seek to inspect them: PROVIDED, That the section may charge a reasonable fee for fingerprinting.

Sec. 13. Section 8, chapter 152, Laws of 1972 ex. sess. and RCW 43.43.735 are each amended to read as follows:

(1) It shall be the duty of the sheriff or director of public safety of every county, and the chief of police of every city or town, and of every chief officer of other law enforcement agencies duly operating within this state, to cause the photographing and fingerprinting of all persons lawfully arrested for the commission of any criminal offense constituting a felony or gross misdemeanor: PROVIDED, That an exception may be made when the arrest is for a violation punishable as a gross misdemeanor and the arrested person is not taken into custody.

(3) Such sheriffs, directors of public safety, chiefs of police, and other chief law enforcement officers, may record, in addition to photographs and fingerprints, the palmprints, soleprints, toeprints, or any other identification data of all persons lawfully arrested for the commission of any criminal offense, or all persons who are the subject of dependency record information, when in the discretion of such law enforcement officers it is necessary for proper identification of the arrested person or the investigation of the crime with which he is charged.

(4) It shall be the duty of the court having jurisdiction over the dependency action to cause the fingerprinting of all persons who are the subject of dependency record information and to obtain other necessary identifying information, as specified by the section in rules promulgated pursuant to chapter 34.04 RCW to carry out the provisions of this subsection.

(5) The court having jurisdiction over the dependency action may obtain and record, in addition to fingerprints, the photographs, palmprints, soleprints, toeprints, or any other identification data of all persons who are the subject of dependency record information, when in the discretion of the court it is necessary for proper identification of the person.

Sec. 14. Section 9, chapter 152, Laws of 1972 ex. sess. and RCW 43.43.740 are each amended to read as follows:

(3) It shall be the duty of the court having jurisdiction over the dependency action to furnish dependency record information, obtained pursuant to RCW 43.43.735, to the section within seven days, excluding Saturdays, Sundays, and holidays, from the date that the court enters a finding, pursuant to a dependency action brought under chapter 13.34 RCW, that a person over the age of eighteen, who is a party to the dependency action, has sexually molested, sexually abused, or sexually exploited a child.

The law enforcement agency may comply with such request and make copies of the impressions on forms marked "applicant", and submit such copies to the section.

The section shall accept such fingerprints and shall cause its files to be examined and shall promptly send to the appointing authority, employer, or licensing authority indicated on the form of application, a transcript of the record of previous crimes committed by the person described on the data submitted, or a transcript of the dependency record information regarding the person described on the data submitted, or if there is no record of his commission of any crimes, or if there is no dependency record information, a statement to that effect.

(3) The Washington state patrol shall charge fees for processing of noncriminal justice system requests for criminal history record information pursuant to this section which will cover, as nearly as practicable, the direct and indirect costs to the patrol of processing such requests.

(4) No notice of cancellation of a policy which can be canceled only pursuant to subsection (2) shall be effective unless the reason therefor accompanies or is included in the notice of cancellation.

Sec. 19. Section 20, chapter 241, Laws of 1969 ex. sess. as last amended by section 17, chapter 339, Laws of 1981 and RCW 48.18.292 are each amended to read as follows:

(1) Each insurer shall be required to renew any contract of insurance subject to RCW 48.18.291 unless one of the following situations exists:

(a) The insurer gives the named insured at least (~~twenty~~) forty-five days' notice in writing as provided for in RCW 48.18.291(1), that it proposes to refuse to renew the insurance contract upon its expiration date; and sets forth therein the actual reason for refusing to renew; or

(b) At least twenty days prior to its expiration date, the insurer has communicated its willingness to renew in writing to the named insured, and has included therein a statement of the amount of the premium or portion thereof required to be paid by the insured to renew the policy, including the amount by which the premium or deductibles have changed from the previous policy period, and the date by which such payment must be made, and the insured fails to discharge when due his obligation in connection with the payment of such premium or portion thereof; or

(c) The insured's agent or broker has procured other coverage acceptable to the insured prior to the expiration of the policy period.

(2) Renewal of a policy shall not constitute a waiver or estoppel with respect to grounds for cancellation which existed before the effective date of such renewal.

(c) The insured's agent or broker has procured other coverage acceptable to the insured prior to the expiration of the policy period.

(2) Renewal of a policy shall not constitute a waiver or estoppel with respect to grounds for cancellation which existed before the effective date of such renewal, or with respect to cancellation of fire policies under chapter 48.53 RCW.

(3) "Renewal" or "to renew" means the issuance and delivery by an insurer of a contract of insurance replacing at the end of the contract period a contract of insurance previously issued and delivered by the same insurer, or the issuance and delivery of a certificate or notice extending the term of a contract beyond its policy period or term: PROVIDED, HOWEVER, That any contract of insurance with a policy period or term of six months or less whether or not made continuous for successive terms upon the payment of additional premiums shall for the purpose of RCW 48.18.290 and 48.18.293 through 48.18.295 be considered as if written for a policy period or term of six months: PROVIDED, FURTHER, That any policy written for a term longer than one year or any policy with no fixed expiration date, shall, for the purpose of RCW 48.18.290 and 48.18.293 through 48.18.295, be considered as if written for successive policy periods or terms of one year.

MOTION

Senator Bauer moved that the following amendment to the Committee on Financial Institutions amendment be adopted:

On page 8, after line 8, insert the following:

NEW SECTION. Sec. 13. A new section is added to chapter 48.27 RCW to read as follows:

The commissioner may by regulation approve a reasonable plan or plans for the equitable apportionment, among insurers licensed to write property and casualty insurance in this state, of property and casualty insurance for applicants for such insurance who are in good faith entitled to but are unable to procure insurance through ordinary methods and when such plan has been approved, all such insurers shall subscribe thereto and shall participate therein. Any applicant for such insurance, any person insured under such plan, and any insurer affected may appeal to the commissioner from any ruling or decision of the manager or committee designated to operate such plan."

Renumber the remaining sections accordingly.

Debate ensued.

POINT OF ORDER

Senator Hayner: "Mr. President, I would challenge the scope and object of this amendment. As the chairman of the committee has said, this bill deals with the guaranty fund limiting it to Washingtonians only to be sure that that guaranty fund

is solvent and it's very important to us, because there are insurance companies that are failing in these times and it, also, limits annuity claims. This certainly expands the scope and object, because this gives the Insurance Commissioner the right to set up an assigned risk for all property and casualty insurance and makes it mandatory for the insurance companies involved to be a part of this. I think it goes far beyond the scope and object of this bill."

Further debate ensued.

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the point of order raised by Senator Hayner, the President finds that Substitute House Bill No. 39 is a measure making numerous minor technical and administrative changes in the insurance code.

"The amendment proposed by Senator Bauer authorizes the Insurance Commissioner to approve plans whereby insurers contribute to a pool for property and casualty insurance for applicants unable to procure such insurance through ordinary methods.

"The President, therefore, finds that the proposed amendment does change the scope and object of the bill and that the point of order is well taken."

The amendment to the Committee on Financial Insurance amendment was ruled out of order.

MOTION

Senator Deccio moved that the following amendments by Senators Deccio and Moore to the Committee amendment be considered simultaneously and adopted:

On page 13 of the amendment, line 2, strike "~~((twenty)) forty-five~~" and insert "twenty"

On page 14 of the amendment, line 15, strike "forty-five" and insert "twenty"

On page 16, line 21 of the amendment, after "effect" strike "July 1, 1985" and insert "immediately"

Debate ensued.

POINT OF INQUIRY

Senator Vognild: "Senator Deccio, two years ago we passed a bill through here regarding insurance policies written on a building which the company then determined was susceptible to arson--it was probably over insured, unoccupied, etc. At that time, we gave them special permission, under certain rules, to cancel within ten days. The ten days we felt was reasonable and that they could even place a guard if necessary on the building. Would this amendment change that procedure?"

Senator Deccio: "Senator Vognild, it does not, because we are not dealing with that chapter in either of these amendments."

The President declared the question before the Senate to be adoption of the amendments by Senators Deccio and Moore to the Committee on Financial Institutions amendment.

The motion by Senator Deccio carried and the amendments to the committee amendment were adopted.

MOTION

Senator Rinehart moved that the following amendment to the Committee on Financial Institutions amendment be adopted:

On page 16 of the amendment, after line 17, insert the following:

"NEW SECTION. Sec. 24. If a health care provider submits a claim directly to a health care service contractor for health care services covered by the health care service contract, and if the terms of such health care service contract permit payment to the provider submitting the claim, then the health care service contractor shall issue a check in payment directly to and in the single name of the provider as payee.

A provider receiving direct payment under this section shall endorse and deliver such check to the person covered by the health care contract if the provider has previously received payment for the covered services. Failure of the provider to make such endorsement and delivery within three business days after the check is received shall result in the provider's liability to the person covered under the contract for one hundred twenty-five percent of the face value of the check issued under this section. For the purposes of this section, delivery is accomplished when the check is deposited in the mail or personally transferred by the provider or the provider's agent to the person covered under the health care services contract.

NEW SECTION. Sec. 25. Section 1, chapter 168, Laws of 1982 as amended by section 1, chapter 283, Laws of 1984 and RCW 48.44.026 are each repealed.

Renumber the sections consecutively.

Debate ensued.

POINT OF ORDER

Senator Sellar: "Thank you, Mr. President, I would like to challenge the scope and object of this amendment. It appears to me that this amendment relates solely to health care service contractors who are not insurers. The amendment seems to add new sections to Chapter 48.44, which the bill does not deal with, and seems to deal with certain types of checks and payment procedures where Substitute House Bill No. 39 contains no provisions for that."

Further debate ensued.

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the point of order raised by Senator Sellar, the President finds that Substitute House Bill No. 39 is a measure making numerous minor technical and administrative changes in the insurance code.

"The amendment proposed by Senator Rinehart authorizes health care service contracts to provide for direct payment of claims to health care service providers with certain restrictions.

"The President, therefore, finds that the proposed amendment does change the scope and object of the bill and that the point of order is well taken."

The amendment to the Committee on Financial Institutions amendment was ruled out of order.

MOTION

Senator Moore moved that the following amendment by Senators Moore and Decchio to the Committee on Financial Institutions amendment be adopted:

On page 16, after line 21 of the Committee Amendment, insert the following:

"Sec. 25. Section .23.30, chapter 79, Laws of 1947 as amended by section 21, chapter 32, Laws of 1983 1st ex. sess. and RCW 48.23.300 are each amended to read as follows:

Any life insurer shall have the power to hold under agreement the proceeds of any policy issued by it, upon such terms and restrictions as to revocation by the policyholder and control by beneficiaries, and with such exemptions from the claims of creditors of beneficiaries other than the policyholder as set forth in the policy or as agreed to in writing by the insurer and the policyholder. Upon maturity of a policy in the event the policyholder has made no such agreement, the insurer shall have the power to hold the proceeds of the policy under an agreement with the beneficiaries. The insurer shall not be required to segregate funds so held but may hold them as part of its general assets.

~~(An insurer holding proceeds while awaiting determination of the final settlement option shall accrue interest on the proceeds from the date of death or maturity at a rate not less than the lower of the average over a period of thirty-six months and the average over a period of twelve months, ending on June 30 of the calendar year next preceding the year of death or maturity, of Moody's Corporate Bond Yield Average Monthly Average Corporates, as published by Moody's Investors Service, Inc. This interest shall become payable as part of the settlement. If Moody's Corporate Bond Yield Average Monthly Average Corporates is no longer published by Moody's Investor Service, Inc., or if the National Association of Insurance Commissioners determines that Moody's Corporate Bond Yield Average Monthly Average Corporates as published by Moody's Investors Service, Inc. is no longer appropriate for the determination of this interest rate, then an alternative interest rate shall be defined by rule adopted by the commissioner.) An insurer shall pay interest on death benefits payable under the terms of a life insurance policy insuring the life of any person who was a resident of this state at the time of death. Such interest shall accrue commencing on the date of death at the rate then paid by the insurer on other withdrawable policy proceeds left with the company, but not less than eight percent. Benefits payable that have not been tendered to the beneficiary within ninety days of the receipt of proof of death shall accrue interest, commencing on the ninety-first day, at the aforementioned rate plus three percent. This section applies to death of insureds that occur on or after September 1, 1985."~~

Debate ensued.

POINT OF INQUIRY

Senator Bottiger: "Senator Moore, where in the original bill is this subject matter addressed?"

Senator Moore: "Well, it's been a long time, Senator. I'm not sure that I can answer that."

Senator Bottiger: "Perhaps Senator Deccio knows where this scope and object exists in the original bill. Does anybody know if this subject matter was considered in the original bill or any of the other amendments?"

Senator Moore: "We discussed it in committee."

The President declared the question before the Senate to be adoption of the amendment by Senators Moore and Deccio to the Committee on Financial Institutions amendment.

The motion by Senator Moore carried and the amendment to the committee amendment was adopted.

MOTION

Senator Moore moved that the following amendment by Senators Moore and Deccio to the Committee on Financial Institutions amendment be adopted:

On page 16, after line 21 of the Committee Amendment, insert the following:

(4) With respect to ~~((an insolvent))~~ a liquidating domestic insurer, the board shall have power to petition the court in which the delinquency proceedings are pending for, and the court shall have authority to order and effectuate, such modifications in the terms, benefits, values, and premiums thereafter to be in effect of policies and contracts of the insurer as may reasonably be necessary to effect a bulk reinsurance of such policies and contract in a solvent insurer.

In the event, after the entry of an order of liquidation, an assessment on the members is necessary to increase the assets of the insolvent company to an extent that a bulk reinsurance of such policies may be effected, the court shall have authority to order such assessment.

(5) In addition to any other rights of the association acquired by assignment or otherwise, the association shall be subrogated to the rights of any person entitled to receive benefits under this chapter against the liquidating insurer, impaired insurer, or the receiver, rehabilitator, liquidator, or conservator, as the case may be, under the policy or contract with respect to which a payment is made or guaranteed, or obligation assumed by the association pursuant to this section, and the association may require an assignment to it of such rights by any such persons as a condition precedent to the receipt by such person of payment of any benefits under this chapter.

(6) For the purpose of carrying out its obligations under this chapter, the association shall be deemed to be a creditor of the liquidating insurer or impaired insurer to the extent of assets attributable to covered policies and contracts reduced by any amounts to which the association is entitled as a subrogee. All assets of the liquidating insurer or impaired insurer attributable to covered policies and contracts shall be used to continue all covered policies and contracts and pay all contractual obligations of the liquidating insurer or impaired insurer as required by this chapter. Assets attributable to covered policies and contracts, as used in this subsection, are those in that proportion of the assets which the reserves that should have been established for such policies and contracts bear to the reserves that should have been established for all insurances written by the liquidating insurer or impaired insurer.

(7) The association shall have the power to petition the superior court for an order appointing the commissioner as receiver of a domestic insurer upon any of the grounds set forth in RCW 48.31.030.

Sec. 30. Section 8, chapter 259, Laws of 1971 ex. sess. as amended by section 5, chapter 119, Laws of 1975-76 2nd ex. sess. and RCW 48.32A.080 are each amended to read as follows:

(1) For purposes of administration and assessment, the association shall establish and maintain four guaranty fund accounts: (a) the life insurance account; (b) the disability insurance account; (c) the annuity account; and (d) the general account.

(2) For the purpose of providing the funds necessary to carry out the powers and duties of the association, the board shall assess the member insurers, separately for each account, at such times and for such amounts as the board finds necessary. The board shall collect the assessment after thirty days written notice to the member insurers before payment is due.

(3) (a) The amount of any assessment for each account shall be determined by the board, and shall be divided among the accounts in the proportion that the premiums received by the liquidating insurer or impaired insurer on the policies or contracts covered by each account bears to the premiums received by such insurer on all covered policies and contracts.

(b) Assessments against member insurers for each account shall be in the proportion that the premiums received on business in this state by each assessed member insurer on policies or contracts covered by each account bears to such premiums received on business in this state by all assessed member insurers.

(c) Assessments for funds to meet the requirements of the association with respect to a particular liquidating insurer shall not be made until necessary, in the board's opinion, to implement the purposes of this chapter; and in no event shall such an assessment be made with respect to such insurer until an order of liquidation has been entered against the insurer by a court of competent jurisdiction of the insurer's state or country of domicile or a foreign or alien

insurer has been placed under an order of rehabilitation or conservation by a court of competent jurisdiction if the insurer's state or country of domicile and determined to be an impaired insurer by the commissioner. Computation of assessments under this subsection shall be made with a reasonable degree of accuracy, recognizing that exact determination may not always be possible.

(d) The board may make an assessment of up to fifty dollars for each member insurer to be deposited in the general account and used for administrative and general expenses in carrying out the provisions of this chapter.

(4) The association may abate or defer, in whole or in part, the assessment of a member insurer if, in the opinion of the board, payment of the assessment would endanger the ability of the insurer to fulfill its contractual obligations. The total of all assessments upon a member insurer for each account shall not in any one calendar year exceed two percent of such insurer's premiums in this state on the policies or contracts covered by the account.

(5) In the event an assessment against a member insurer is abated or deferred, in whole or in part, because of the limitations set forth in subsection (4) of this section, the amount by which such assessment is abated or deferred may be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this section. If the maximum assessment, together with the other assets of the association in an account, does not provide in any one year an amount sufficient to carry out the responsibilities of the association with respect to such account, the necessary additional funds shall be assessed as soon thereafter as permitted by this chapter.

(6) The amount in a fund shall be kept at such a sum as in the opinion of the board will enable the association to meet the immediate obligations and liabilities of such fund. Whenever in the opinion of the board the amount in a fund is in excess of such immediate obligations and liabilities, with the approval of the commissioner the association may distribute such excess by retirement of certificates previously issued against the fund. Such distribution shall be made pro rata upon the basis of outstanding certificates, except that by unanimous consent of all directors and with the approval of the commissioner any other reasonable method of retirement of such certificates may be adopted.

(7) As used in this section, "premiums" are those for the calendar year preceding the entry of the order of liquidation or a determination of impaired insurer as to a particular liquidating insurer, and shall be direct gross insurance premiums and annuity considerations received on policies and contracts to which this chapter applies, less return premiums and considerations and less dividends paid or credited to policyholders.

(8) Upon dissolution of a fund by the repeal of this chapter or otherwise, the fund shall be distributed in the same manner as is provided for the repayment or retirement of certificates. If the amount in the fund at the time of dissolution is in excess of outstanding certificates issued against the fund, such excess shall be distributed among contributing member insurers in such equitable manner as is approved by the commissioner.

NEW SECTION. Sec. 31. A new section is added to chapter 48.32A RCW to read as follows:

Within one hundred eighty days of the effective date of this act, the association shall prepare a summary document describing the general purposes and current limitations of this chapter. This document shall be submitted to the commissioner for approval. The document shall be provided by member companies to all new policy or contract holders not later than the time of delivery of any new policy or contract. The document should also be available upon request by a policyholder. However, the distribution or delivery of this document shall not mean that either the policy or the contract or the holder thereof would be covered in the event of the impairment or insolvency of a member insurer. The description document shall be revised by the association as amendments to this chapter may require."

Debate ensued.

The department shall maintain a central registry of ((reported)) cases of child abuse or neglect or abuse of an adult dependent person that have been substantiated through a court proceeding and shall adopt such rules and regulations as necessary in carrying out the provisions of this section. Records in the central registry shall be considered confidential and privileged and will not be available except upon court order to any person or agency except (1) law enforcement agencies as defined in this chapter in the course of an investigation of alleged abuse or neglect; (2) protective services workers or juvenile court personnel who are investigating reported incidents of abuse or neglect; (3) department of social and health services personnel who are investigating the character and/or suitability of an agency and other persons who are applicants for licensure, registration, or certification, or applicants for employment with such an agency or persons, or under contract to or employed by an agency or persons directly responsible for the care and treatment of children, expectant mothers, or adult dependent persons pursuant to chapter 74.15 RCW; (4) department of social and health services personnel who are investigating the character or suitability of any persons with whom children may be placed under the interstate compact on the placement of children, chapter 26.34 RCW; (5) physicians who are treating the child or adult dependent person or family; (6) any child or adult dependent person named in the registry who is alleged to be abused or neglected, or his or her guardian ad litem and/or attorney; (7) a parent, guardian, or other person legally responsible for the welfare and safety of the child or adult dependent person named in the registry; (8) any person engaged in a bona fide research purpose, as determined by the department, according to rules and regulations, provided that information identifying the persons of the registry shall remain privileged; and (9) any individual whose name appears on the registry shall have access to his own records. Those persons or agencies exempted by this section from the confidentiality of the records of the registry shall not further disseminate or release such information so provided to them and shall respect the confidentiality of such information, and any violation of this section shall constitute a misdemeanor."

POINT OF INQUIRY

Senator Lee: "Senator Vognild, I agree with what you were talking about--to be sure to have a substantiated case, because someone who is simply angry at an individual could bring charges without any substantiation, but what I'm concerned about are the words 'court proceedings.' In some of these cases, the individual will admit guilt and will agree to counseling, psychiatric treatment and things of this sort without actually going through the court process. It seems to me that those would be substantiated cases, but they would not have been through a court proceeding. Therefore, I'm concerned that--though I agree that I want to have some specificity of what kinds of records they keep--that the ones that require a court proceeding may be a bit narrower than we really wish to have."

Senator Vognild: "Senator Lee, I was searching frantically for some papers here to answer that and I do not have them. I concur with you. The original amendment that I drew up on this had three different proceedings in it. This one was reduced to a single court proceeding and I believe there is substantial reason for that and still get the records we want, but since I am not sure, Mr. Chairman, I would ask that the bill hold its place until I can verify that we do not need changes here."

MOTION

On motion of Senator Vognild, further consideration of Substitute House Bill No. 1134 was deferred.

MOTION

On motion of Senator Warnke, the rules were suspended, Engrossed Substitute House Bill No. 435, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Senator Bottiger, I've been listening to your arguments here and I'm a little concerned. This eliminates 'in populations 10,000 or under,' and I'm wondering if a police officer and a fireman don't have as many children, as many house payments and mortgages and hurt just as badly when they get hurt in these localities and I'm wondering if this is constitutional when you're saying if you get hurt over here in Roy--which is in your district and has a lot of pretty rough, tough people out there, as you well know--but it doesn't affect my police officers that I'm representing in my district--or the firemen. When they have a tavern burn down, they get injured, too. That's what I am wondering. I can't understand that. Maybe you can answer that."

Senator Bottiger: "Senator, the small towns and counties brought the problem of finding another job for those people and I think somebody else has mentioned this--that this purpose is not to give somebody some money for not working, it's to supplement their income for working, even at a light duty. If there is no job for them, the system won't work. When you get into a town like Roy, there is no other job for them to take, so it would then amount to simply an increase for them--not working--and this is not the purpose of the bill."

Senator Rasmussen: "Senator, you didn't clear that up entirely. I thought the purpose of the bill was to assess support of their families and, also, to take care of their mortgages and other expenses. That's the point that they have just as many problems as say in the city of Tacoma or Seattle."

Senator Bottiger: "Senator, I guess I can only repeat, obviously, they do and, obviously, they go on time loss. They go to a statewide average salary of about a thousand a month which many of these people--they are living beyond that in their paid jobs. The purpose of this bill is not to handle that problem. It's to provide them with a light duty job, so they maintain at a Y rate--their original salary and can take care of their family. If there is no job in a small town like Roy for an injured fireman or policeman, the system wouldn't work."

Further debate ensued.

The President declared the question before the Senate to be the roll call on final passage of Engrossed Substitute House Bill No. 435, as amended by the Senate.

ROLL CALL

The Secretary called the roll on final passage of Engrossed Substitute House Bill No. 435, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 29; nays, 20.

ENGGROSSED SUBSTITUTE HOUSE BILL NO. 815, by Select Committee on Clean-up and Management of Puget Sound (originally sponsored by Representatives Unsoeld, Jacobsen and G. Nelson)

Revising provisions relating to sewage treatment facilities.

The bill was read the second time.

MOTION

Senator Kreidler moved that the following Committee on Parks and Ecology amendment be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. (1) In order to protect water quality, the department of ecology, in cooperation with the Puget Sound water quality authority, shall review existing standards for pretreatment of industrial wastewater that is discharged into sewage treatment facilities that discharge into Puget Sound. Standards for treatment by industrial facilities that discharge directly into Puget Sound or into waters that flow into Puget Sound shall also be reviewed.

(2) The department of ecology shall report its progress to the legislature by January 1, 1986. The report shall address whether standards require revision to reflect all known, available, and reasonable methods of treatment. The department shall report its conclusions to the legislature by January 1, 1987.

NEW SECTION. Sec. 2. (1) The department of ecology shall work with local governments to develop reasonable plans and compliance schedules for the greatest reasonable reduction of combined sewer overflows. The plan shall address various options, including construction of storage tanks for sewage and separation of sewage and stormwater transport systems. The compliance schedule shall be designed to achieve the greatest reasonable reduction of combined sewer overflows at the earliest possible date. The plans and compliance schedules shall be completed by January 1, 1988. A compliance schedule will be a condition of any waste discharge permit issued or renewed after January 1, 1988.

(2) By September 1, 1987, the department of ecology shall report to the legislature any statutory changes necessary to implement the plans and compliance schedules described in subsection (1) of this section. The report shall include (a) a recommended date by which all sewage treatment facilities shall achieve the greatest reasonable reduction of combined sewer overflows, and (b) a comprehensive assessment of the total cost to achieve compliance, the projected need and recommended distribution of local, state, and federal funding, and the availability of local, state, and federal funding. A thorough discussion of the potential funding sources shall accompany the report.

NEW SECTION. Sec. 3. Plans for upgrading sewage treatment facilities and plans for new sewage treatment facilities shall address the greatest reasonable reduction of combined sewer overflows and implementation of pretreatment standards.

NEW SECTION. Sec. 4. The department of ecology shall collect administrative expenses from any person or entity requesting action of the department pertaining to the processing of applications for permits provided in RCW 90.48.160, 90.48.162, and 90.48.260. For the purposes of this section, "administrative expenses" shall mean the total actual costs incurred by the department in processing such permit applications.

NEW SECTION. Sec. 5. Sections 1 through 4 of this act are each added to chapter 90.48 RCW."

Debate ensued.

POINT OF INQUIRY

Senator Goltz: "Senator Kreidler, this question is about Section 4 of the committee amendment to Engrossed Substitute House Bill No. 815. I want to be certain that I understand the intent of Section 4. Is it the intent of Section 4 to allow the Department of Ecology to charge fees for the issuance, reissuance and modification of wastewater discharge permits?"

Senator Kreidler: "Senator Goltz, I understand that it is the intent of Section 4 to allow the Department of Ecology to charge fees to cover the administrative expense incurred for the issuance, reissuance and modification of those permits."

Senator Goltz: "Is it the intent of this section to allow the Department of Ecology to charge fees for compliance monitoring or compliance inspection?"

Senator Kreidler: "No, Senator Goltz, Section 4 does not give the Department of Ecology the authority to charge fees for compliance monitoring or compliance inspection."

Senator Goltz: "Finally, Senator Kreidler, is it the intent of Section 4 to allow the Department of Ecology to adopt in conformance with the Administrative Procedures Act, a schedule of fees for permits which reflects the varying cost and complexity of permits?"

Senator Kreidler: "Yes, Senator Goltz, this section gives the Department of Ecology the authority to set a schedule of fees for different classes of permits based upon the administrative costs incurred."

The President declared the question before the Senate to be adoption of the Committee on Parks and Ecology amendment.

The motion by Senator Kreidler carried and the committee amendment was adopted.

MOTION

On motion of Senator Kreidler, the rules were suspended. Engrossed Substitute House Bill No. 815, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Senator Kreidler, it is my understanding that the city of Olympia is one of the worst violators for letting sewage run wild out into the bay. They have killed thousands of fish. Are they able to handle the expense of the separation between storm drains and sewers or are they going to flush the people down the tube?"

Senator Kreidler: "Senator Rasmussen, I'm not aware that Olympia is any greater violator than Metro is--relative to sewer overflows--but in any case the ones that are going to have to come back to the legislature in a sense of economic consideration have to be a part of the consideration as to see whether it's going to be possible to address the problem of combined sewer overflow. So, it's going to be one that is going to be balanced off against the environment and the cost in making that decision, for the very reasons that your question described, because it can be a very expensive proposition."

Senator Rasmussen: "What you're saying is, Senator Kreidler, that in the event that they have to pay a little bit for it--whether they are going to bypass it--is that correct or am I getting the wrong interpretation?"

Senator Kreidler: "We're going to get a report back to the legislature relative to the decisions that we'll be making relative to combined sewer overflows and the decisions local government will be having to make and if it's going to be a burdensome cost, one that is going to be excessive for local government, obviously, the economic parts of it are going to be weighed against the environment in some point in time because we are trying to address the problem within its own standing."

Senator Rasmussen: "Thank you, Senator. I just want you to know that the environment comes first and the economic costs come second."

Further debate ensued.

POINT OF INQUIRY

Senator Stratton: "Senator Kreidler, I would like to know--what has the Department of Ecology been doing? We've been hearing about water quality for a long, long time. Does it take a bill to get the Department of Ecology involved in the problem with Puget Sound?"

Senator Kreidler: "What we're, essentially, trying to do is to try to get some plans, some organization, some time schedules to the addressing of the specific problem of combined sewer overflow which is certainly the major part of this bill. That's what we're going to get with the passage of this bill and I think it's the kind of issue that needs to be kind of pushed with the legislature and certainly with local governments that they attempt to address what is a very serious problem if we are going to get at this problem of cleaning up Puget Sound."

POINT OF INQUIRY

Senator Barr: "Perhaps Senator Kreidler would like to yield to another question along the same lines as Senator Stratton. Outside of what the Department of Ecology must charge, I can't see anything in this bill that they need that they wouldn't

and shouldn't and probably are doing anyway. Maybe you would care to respond to that. Secondly, then on the amendment and throughout the bill, if they are to report back by 1987, what connotation does this have that when this study comes in and we're waiting for it--there isn't any need for funding until we get this study done? Would you agree with that concept?"

Senator Kreidler: "Senator Barr, I do not agree that this is a bill that is not needed. It's certainly one that puts a time schedule into place to come back with some very valuable information for us to react to and it certainly is going to help to address the problems that the local governments need in identifying their problems.

"The Department, currently, cannot charge fees for certain permits which are going to be the funding for this particular bill and they are going to be able to collect monies to pay for the reports we will be getting back. They don't have the authority to do it right now. We are giving them that authority to charge for those permits so there is no cost to the general fund. The fees will be able to pay for it and we're going to get some very valuable information that will allow us to make the appropriate decisions. This will also be done in coordination with the Puget Sound Water Quality Authority--in coming up with the information we need to react to."

The President declared the question before the Senate to be the roll call on final passage of Engrossed Substitute House Bill No. 815, as amended by the Senate.

ROLL CALL

(d) Every voice on the recording is identified; and

(e) The parties or the attorneys for the parties are afforded an opportunity to view the recording before it is offered into evidence.

(3) Upon a showing of cause, the court may at any time order that disclosure of a recording made pursuant to this section be restricted or deferred, or make such other order as is appropriate, provided that such recording to which a party is entitled must be disclosed in time to permit counsel to make beneficial use thereof.

NEW SECTION, Sec. 3. A new section is added to chapter 13.34 RCW to read as follows:

A statement made by a child when under the age of ten describing any act of abuse or neglect performed with or on the child by another, not otherwise admissible by statute or court rule, is admissible in evidence in a dependency proceeding brought under this chapter if:

(1) The court finds that the time, content, and circumstances of the statement provide sufficient indicia of reliability; and

(2) The child either:

(a) Testifies at the proceedings; or

(b) Is unavailable as a witness: PROVIDED, That when the child is unavailable as a witness, such statement may be admitted only if there is corroborative evidence of the act.

The child witness shall be deemed unavailable for the purposes of this section if the court determines that the child is not competent to testify or that there is a strong probability that the child would experience emotional trauma of a degree and kind that would seriously inhibit the child's ability to testify fully and accurately if the child were required to testify in open court. Nothing in this section shall limit or expand the court's discretion in exercising reasonable control over the mode and order of interrogating witnesses and presenting evidence so as to protect witnesses from harassment or undue embarrassment.

A statement shall not be admitted under this section unless the proponent of the statement makes known to the adverse party the proponent's intention to offer the statement and the particulars of the statement sufficiently in advance of the proceedings to provide the adverse party with a fair opportunity to prepare to meet the statement.

Sec. 4. Section 2, chapter 129, Laws of 1982 and RCW 9A.44.120 are each amended to read as follows:

A statement made by a child when under the age of ten describing any act of sexual contact performed with or on the child by another, not otherwise admissible by statute or court rule, is admissible in evidence in criminal proceedings in the courts of the state of Washington if:

(1) The court finds, in a hearing conducted outside the presence of the jury that the time, content, and circumstances of the statement provide sufficient indicia of reliability; and

(2) The child either:

(a) Testifies at the proceedings; or

(b) Is unavailable as a witness: PROVIDED, That when the child is unavailable as a witness, such statement may be admitted only if there is corroborative evidence of the act. The child witness shall be deemed unavailable for the purposes of this section if the court determines that the child is not competent to testify or that there is a strong probability that the child would experience emotional trauma of a degree and kind that would seriously inhibit the child's ability to testify fully and accurately if the child were required to testify in open court. Nothing in this section shall limit or expand the court's discretion in exercising reasonable control over the mode and order of interrogating witnesses and presenting evidence so as to protect witnesses from harassment or undue embarrassment.

A statement may not be admitted under this section unless the proponent of the statement makes known to the adverse party his intention to offer the statement and the particulars of the statement sufficiently in advance of the proceedings to provide the adverse party with a fair opportunity to prepare to meet the statement."

On page 1, line 24, following Sec. 3, and after "misdemeanor" insert the following:

"Provided that no confidentiality shall attach to, and there shall be no liability for releasing, the information specified below. The central registry shall also include the following: Lists of persons (a) who have been convicted of any crime involving the sexual assault, exploitation, or molestation of a child under the age of eighteen; (b) whose parental rights have been terminated under chapter 13.34 RCW because of the sexual assault, exploitation, or molestation of a child under the age of eighteen; c) who have been found in any new dependency action under chapter 13.34 RCW to have sexually assaulted, exploited, or molested any child under the age of eighteen; or (d) who have been reported to the department of social and health services for sexually assaulting, exploiting, or molesting a child, and which has been substantiated through a court proceeding.

All listings unless successfully challenged shall remain permanently on file. Information in this file shall be coordinated when possible with criminal history."

with children under the age of eighteen with the department to find whether or not the employees and volunteers are listed in the registry within one hundred eighty days after the effective date of this act. All new employees or volunteers shall be similarly checked. If any employee or volunteer is found to be listed in the registry, the fact of being listed shall be reported in writing by the business or organization to the parents or legal guardians of all children under the age of eighteen participating in the activities of the business or organization.

Any parent or legal guardian may also apply to the department to determine whether or not a person retained by them to care for a child under the age of eighteen is listed in the registry.

The department shall record all inquiries and if subsequent to an inquiry a person inquired about is added to the registry, the department shall notify all persons, at their last known address, who have made previous inquiries regarding that person about this fact.

Any person who have been convicted of a crime in another jurisdiction which, if committed in the state of Washington, would be a crime involving the sexual assault, exploitation, or molestation of a child under the age of eighteen, who establishes residency in the state of Washington, shall register with the department within thirty days of establishing residency. Failure to so register shall be a class C felony as provided in chapter 9A.20 RCW."

POINT OF ORDER

Senator Bottiger: Mr. President, a point of order. I raise the point of scope and object. It's very hard to speak against what Senator Bluechel would seek to do, but we have a bill before us that pertains to the Department of Social and Health Services employees or foster care people they employ--or place children with--in the case of foster care. Senator Bluechel's amendment expands that to all employees of the state of Washington creating a system whereby the legislature before they hired anybody because of the existence of Pages here would have to go through a checking process to determine if any of the members or other employees of the legislature had ever had any child abuse history. It would apply to McDonalds; it would apply to Sunday school teachers, everything else. While I do agree with Senator Bluechel, that some way has to be found, this bill is a narrow bill pertaining only to the Department of Social and Health Services and their placement or hiring."

Debate ensued.

RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the point of order raised by Senator Bottiger, the President finds that Substitute House Bill No. 1134 is a measure requiring the Department of Social and Health Services to screen employees dealing with children and developmentally disabled persons and amending the statute relating to the central registry of reported cases of child or developmentally disabled adult abuse.

"The amendment proposed by Senator Bluechel further amends the central registry statute.

"The President, therefore, finds that the proposed amendment does not change the scope and object of the bill and that the point of order is not well taken."

The amendment was ruled in order.

Further debate ensued.

POINT OF INQUIRY

Senator Bottiger: Senator Hayner, there's a drive-in restaurant out towards Puyallup which was found to have underpaid children less than the hourly wage and they were convicted of a misdemeanor of exploiting children. Would that conviction, then, have to be in this registry and those people--I think it was seven cents an hour they underpaid them--but they were found to have exploited the children under the minimum hourly wage. I take it all of those people would have to register with the state and we could always find out later."

Senator Hayner: "I think it would only deal with parents who were exploiting children or someone who was molesting the child. I think that in every case like this we want some rules and regulations with respect as to how this is administered and I think those would take care of that kind of situation."

Senator Bottiger: "In reading here, it says, 'The Central Registry shall also include the following: List of persons who have been convicted of any crime involving exploitation of children.' We would have that in the registry and I'm

wondering, Senator Hayner, we all are very conscious of costs, has anybody got any idea of what this section here that says, 'The Department shall record all inquiries and if subsequent to the inquiry the person inquired about is added to the registry--the Department shall notify all persons at their last known address who had made previous inquiries regarding that person'--has anybody got any idea what that costs?"

Senator Hayner: "I have no idea what that's going to cost, but I think that sexual molestation of children is probably one of the most important issues we have before us today. It may cost a little bit of money, but we've been passing some bills out of here--new taxes--that I can't believe are as important as the sexual molestation of our children. I think that word 'exploitation' in there refers, specifically, to sexual exploitation, not to exploitation in an economic way."

POINT OF INQUIRY

Senator Bottiger: Senator McDonald, you have invoked the Senate custom at every inch of the way in any bill costing more than fifty thousand dollars having to go to Ways and Means. Would you think it fair to say that it's going to cost at least fifty thousand dollars?"

Senator McDonald: "Senator Bottiger, I attempted to invoke that in every possible instance. Many times you have not entertained that and we have run it out here. I am not sure that we have ever sent a bill back to Ways and Means after adopting an amendment here on the floor because of the fifty thousand dollar increase, but if you want to do that, I guess that's fine."

POINT OF INQUIRY

Senator Pullen: "Maybe Senator Bluechel could clarify subsection (d). I'm a little worried on page 1, subsection (d) where it says, 'who have been reported to the Department of Social and Health Services for sexually assaulting, exploiting or molesting a child which has been substantiated through a court proceeding.' Does the clause 'which has been substantiated through a court proceeding'--is that intended to modify the report to the Department of Social and Health Services or is that intended to modify the sexual assault or the exploitation or the molestation? I guess I would feel that the antecedent of that is the report and if there has been a report to the Department of Social and Health Services, and that somehow subsequently substantiate it to some kind of court proceeding, regardless of whether the person is found guilty or not--then they would go into the registry? Is that your intent? That's the way I read subsection (d)."

Senator Bluechel: "Subsection (d) is meant to say, specifically, those people who have been reported to the Department of Social and Health Services for sexual assaulting and that this charge has been specifically substantiated through a court proceeding. There is no attempt to put some people on this list who may have been reported and who are unsubstantiated. We are specific in saying only those people who through a court proceeding which has substantiated the fact that they have sexually assaulted a child is true, are to go on this list."

Senator Pullen: "I guess I am still a little concerned. In your answer to my question, you referred to the word 'charge.' The word 'charge' doesn't appear in subsection (d); only the word 'report' appears in subsection (d). I guess what I am trying to understand is why we need the introductory clause at all--'who has been reported to the Department of Social and Health Services.' If we're dealing with the court action and we're dealing only with conviction, it seems to me that makes subsection (d) virtually synonymous with subsection (a)."

"I'm trying to understand what there is in subsection (d) that is different from subsection (a) and if we're dealing only with reports, but no conviction, then we're putting people on the registry who have not committed a crime and found guilty. If we're talking about convictions, that's covered in subsection (a)."

POINT OF INQUIRY

Senator Halsan: Senator Bluechel, I have some concerns about the same section that Senator Pullen was just questioning you about. In regards to that phraseology 'which is substantiated through a court proceeding.' If 'substantiated through a court proceeding' is not a term of art used in the law--being found to have done

something is--because we deal in courts with findings of fact and conclusions of law. What does 'substantiated' mean? Does that mean there's some corroborated evidence that is brought forward that does not lead to findings or what?"

Senator Bluechel: "Senator Halsan, when there is evidence or people report people who they think may be sexually assaulting a child to the Department of Social and Health Services, we did not want to include that they 'think may be.' Anybody who is reported--those on the list--we do not want that list made public. What we want made public is only those people who after that report has been made and a court hearing has been held. In other words, substantiation has been made of the fact that those people were guilty of sexual assault, then they would go on the list, but all the other people who are reported --heresay or otherwise-- would not go on the list. We are trying to be very, very specific on this one and say only if you've been reported and then if you've been reported, you don't go on any list until the courts have said that you are guilty of that."

Senator Halsan: "Senator Bluechel--if substantiated through a court proceeding--as you just mentioned, would either result in a finding of sexual abuse which would result in dependency or would result in a finding of sexual abuse which, then, would result in a criminal conviction. If, in fact, as you mentioned, that's the intent of this particular subsection, the particular subsection is totally unnecessary. The crimes are dealt with in subsection (a) and the dependency action will be dealt with in subsection (c). Those are the ones where there has been a finding by the judge that, in fact, it has occurred and some action had been taken. There is no judge who would make a finding of that and not take action on that or at least under subsection (c) even if there was such a finding and no action was taken, it would be covered under that subsection."

Senator Bluechel: "You're correct. We just want to be absolutely sure that we have everybody on the list who have been found by a court to have sexually assaulted a child. That's the reason for it. If it's a duplicate of the first two, it does absolutely no harm, but it is not meant to go any further than that substantiation by the court."

Senator Halsan: "I would, respectfully, disagree. If it is duplicative and yet the language is vague, what you could have is a situation in which there had been a report--two witnesses came in and substantiated the report and seven witnesses came in and denied it and had the court then find that it did not happen, but under that subsection, that would then be placed on the registry."

MOTION

On motion of Senator Vognild, further consideration of Substitute House Bill No. 1134 was deferred.

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1269, by Committee on Local Government (originally sponsored by Representative Haugen)

Authorizing emergency medical service levies.

The bill was read the second time.

MOTION

On motion of Senator Thompson, the following Committee on Governmental Operations amendment was adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 1, chapter 200, Laws of 1979 ex. sess. as amended by section 5, chapter 131, Laws of 1984 and RCW 84.52.069 are each amended to read as follows:

(1) As used in this section, "taxing district" means a county, emergency medical service district, city or town, public hospital district, or fire protection district.

(2) A taxing district may impose additional regular property tax levies in an amount equal to twenty-five cents or less per thousand dollars of the assessed value of property in the taxing district in each year for six consecutive years when specifically authorized so to do by a majority of at least three-fifths of the electors thereof approving a proposition authorizing the levies submitted at a general or special election, at which election the number of persons voting "yes" on the proposition shall constitute three-fifths of a number equal to forty per centum of the total votes cast in such taxing district at the last preceding general election when the number of electors voting on the proposition does not exceed forty per centum of the total votes cast

in such taxing district in the last preceding general election; or by a majority of at least three-fifths of the electors thereof voting on the proposition when the number of electors voting on the proposition exceeds forty per centum of the total votes cast in such taxing district in the last preceding general election. Ballot propositions shall conform with RCW 29.30.111.

(3) Any tax imposed under this section shall be used only for the provision of emergency medical care or emergency medical services, including related personnel costs, training for such personnel, and related equipment, supplies, vehicles and structures needed for the provision of emergency medical care or emergency medical services.

(4) If a county levies a tax under this section, no taxing district within the county may levy a tax under this section. No other taxing district may levy a tax under this section if another taxing district has levied a tax under this section within its boundaries: PROVIDED, That if a county levies less than twenty-five cents per thousand dollars of the assessed value of property, then any other taxing district may levy a tax under this section equal to the difference between the rate of the levy by the county and twenty-five cents: PROVIDED FURTHER, That if a taxing district within a county levies this tax, and the voters of the county subsequently approve a levying of this tax, then the ~~((tax levy for emergency medical services shall cease being levied in the taxing district originally levying it and shall be replaced with the county-wide levy))~~ amount of the taxing district levy within the county shall be reduced, when the combined levies exceed twenty-five cents. Whenever a tax is levied county-wide, the service shall, insofar as is feasible, be provided throughout the county: PROVIDED FURTHER, That no county-wide levy proposal may be placed on the ballot without the approval of the legislative authority of each city exceeding fifty thousand population within the county: AND PROVIDED FURTHER, That this section and RCW 36.32.480 shall not prohibit any city or town from levying an annual excess levy to fund emergency medical services: AND PROVIDED, FURTHER, That if a county proposes to impose tax levies under this section, no other ballot proposition authorizing tax levies under this section by another taxing district in the county may be placed before the voters at the same election at which the county ballot proposition is placed: AND PROVIDED FURTHER, That any taxing district emergency medical service levy that is authorized subsequent to a county emergency medical service levy, shall expire concurrently with the county emergency medical service levy.

(5) The tax levy authorized in this section is in addition to the tax levy authorized in RCW 84.52.043.

(6) The limitation in RCW 84.55.010 shall not apply to the first levy imposed pursuant to this section following the approval of such levy by the voters pursuant to subsection (2) of this section."

SUBSTITUTE HOUSE BILL NO. 297, by Committee on Agriculture (originally sponsored by Representatives Jacobsen, Appelwick, Niemi, Vekich, Prince, Ballard, Todd, Unsoeld, Locke, D. Nelson, Baugher, Rayburn, Isaacson, Fisher and Lux)

MOTION

On motion of Senator Hansen, the rules were suspended, Substitute House Bill No. 297, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

POINT OF INQUIRY

Senator Rasmussen: Senator Hansen, I relate to the question by Senator Bailey where he wondered about it. This is only for one year that you can't use pesticide. You might have some long-life pesticide, but what I'm thinking about particularly--I could be buying an organic vegetable that was raised on sludge from the secondary sewer treatment plant, with heavy metals--numerous trace metals--of course are good for you, but some of the metals they are discovering are very bad. Would that be all right? I have no knowledge--I buy my organic vegetables from Joe down the street and I don't know what he's putting on his ground. Would I be, then, liable?"

Senator Hansen: "As far as I'm concerned, the reduction in quantity minus the reduction in quality that it takes to really be a farmer--but you're playing to a certain clientele that don't want these other products to be used and if they say a one-year limitation--a one-year limitation is good enough for me. Personally, I'm not going out to try and raise organic foods, but there are people out there and there are people who are serious about it and they have all agreed to this termination, so why should I take opposition to it if they've agreed to it?"

Senator Rasmussen: "What you're saying is that it doesn't make a bit of difference whether it's organic or not, but we should pass the bill, maybe?"

Senator Hansen: "If it makes them feel better, as far as I'm concerned, if this achieves their goals, then why should I take objection to it?"

Senator Rasmussen: "Thank you, Senator Hansen. I get the gist of what you mean. I was concerned too, Senator. While you're on the floor, what is this particular fertilizer that they are allowed to use?"

Senator Hansen: "I would say cow manure, sheep manure and chicken manure. Nitrogen very seldom carries over from one year to the next. There might be some phosphorous or potash that has been chemically applied that would carry over, but I don't think it would have any affect on the product that was raised."

Senator Rasmussen: "Thank you, Senator Hansen. It has been an advantage to have a farmer here that knows organic foods"

Further debate ensued.

The President declared the question before the Senate to be the roll call on final passage of Substitute House Bill No. 297, as amended by the Senate.

ROLL CALL

The Secretary called the roll on final passage of Substitute House Bill No. 297, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 38; nays, 10; absent, 1.

SUBSTITUTE HOUSE BILL NO. 622, by Committee on Trade and Economic Development (originally sponsored by Representatives Vekich, Braddock, Basich, Kremen, J. King, Nutley, Schoon, Sanders, Peery, McMullen, Hargrove, L. Smith, Niemi, Brough, Bristow, Unsoeld, Todd, Allen, Armstrong, D. Nelson, Cole, Appelwick, Smitherman, G. Nelson, P. King and May)

Modifying provisions on the Washington centennial commission.

The bill was read the second time.

MOTIONS

Senator Kreidler moved that the following Committee on Parks and Ecology amendment be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature declares that Captain Robert Gray's discovery of Grays Harbor, successful crossing of the Columbia river bar, and first entry into the great "River of the West" on May 11, 1792, were some of the greatest events in Northwest maritime history. The legislature further declares that Captain Robert Gray's exploration of the Columbia river, Grays Harbor, and Washington's coastal regions, Captain George Vancouver's exploration and mapping of Puget Sound and Washington's coastal regions, and the mapping and exploration of the Washington coast and inland areas by the Captain Charles Wilkes expedition were events of momentous historical significance and must be preserved for the inspiration of future generations. To these ends, the legislature finds that it is in the public interest to establish a "Return of the Tall Ships" program.

NEW SECTION. Sec. 2. A new section is added to chapter 27.60 RCW to read as follows:

(1) The 1989 Washington centennial commission shall include in its comprehensive program events commemorating:

(a) The first successful crossing of the Columbia river bar and exploration of the Columbia river, Grays Harbor, and Washington coast by Captain Robert Gray;

(b) The exploration and mapping of Puget Sound and the Washington coast by Captain George Vancouver; and

(c) The exploration and mapping of the Washington coast and inland areas by Captain Charles Wilkes and the Great United States Exploring Expedition.

The year 1992 will mark the bicentennial of the voyages of both Captain Robert Gray and Captain George Vancouver and the sesquicentennial of the voyage of Captain Charles Wilkes.

(2) The commission shall develop and implement the "Return of the Tall Ships" program. Penalizing the theft of cable television services.

MOTION

Senator Talmadge moved that the following Committee on Judiciary amendment be adopted:

Strike everything after the enacting clause and insert the following:

*NEW SECTION, Sec. 1. A new section is added to chapter 9A.56 RCW to read as follows:

(1) A person is guilty of theft of cable television services if:

(a) With intent to avoid payment of the lawful charge for any communication service of a cable system, he or she:

(i) Tamper with the equipment of the cable system, whether by mechanical, electrical, acoustical, or other means; or

(ii) Knowingly misrepresents a material fact; or

(iii) Uses any other artifice, trick, deception, code, or other device; and

(b) He or she wrongfully obtains cable communication services for himself or herself or another.

(2) Sections 1 through 4 of this act do not apply to the interception or receipt by any individual or the assisting (including the manufacture or sale), of such interception or receipt of any satellite-transmitted programming for private use.

(3) Proof that a person tampered with equipment of the cable system without the consent of the system creates a presumption that the person acted with intent to avoid payment of the lawful charge for any communication service of a cable system.

(4) Theft of cable television services is a gross misdemeanor.

NEW SECTION. Sec. 2. A new section is added to chapter 9A.56 RCW to read as follows:

(1) A person is guilty of unlawful sale of cable television services if, with intent to avoid payment of the lawful charge for any communications service of a cable system, he or she offers for sale or otherwise makes available any telecommunications decoder or descrambler that defeats a mechanism of electronic signal encryption, or that restricts delivery of individually addressed switching imposed by the cable system.

(2) Unlawful sale of cable television services is a gross misdemeanor.

NEW SECTION. Sec. 3. A new section is added to chapter 9A.56 RCW to read as follows:

Upon conviction of theft or unlawful sale of cable television services and upon motion and hearing, the court shall order the forfeiture of any decoder, descrambler, or other device used in committing the violation of section 1 or 2 of this act as contraband and dispose of it at the court's discretion.

NEW SECTION. Sec. 4. A new section is added to chapter 9A.56 RCW to read as follows:

(3) The superior court may grant temporary and final injunctions on such terms as it deems reasonable to prevent or restrain violations of sections 1 and 2 of this act.

NEW SECTION. Sec. 5. A new section is added to chapter 9A.56 RCW to read as follows:

No person may be charged with theft under section 1 of this act or subject to a civil cause of action under section 4 of this act for connecting a nondecoding or nondescrambling channel frequency converter, which includes cable-ready television sets, video recorders, or similar equipment, to a cable system.

NEW SECTION. Sec. 6. Section 1, chapter 94, Laws of 1973 1st ex. sess. and RCW 9.45.250 are each repealed.

NEW SECTION. Sec. 7. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

POINT OF INQUIRY

Senator Goltz: Senator Talmadge, I take it from your explanation and the language in the bill that if a person has purchased a cable television service and that cable service is now inside the home and that a person goes down to a Radio Shack or some other electronics store and buys a device to split that cable from one television set to a television set--let's say--and a stereo set, that kind of add-on in the home is not subject to the penalties of this bill?"

Senator Talmadge: "I believe that's the case, Senator Goltz. In Section 5 of the striking amendment, it says that 'no person shall be charged with theft under Section 1 of this act or be subject to a civil cause of action under Section 4 for connecting a non-decoding or non-descrambling channel frequency converter, which includes cable ready television set, video recorders and similar equipment to a cable system.' I think that was the intention of that particular section, as I understand it."

Revising provisions relating to health insurance for public employees.

MOTIONS

Senator Moore moved that the following Committee on Financial Institutions amendment be adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 1, chapter 75, Laws of 1963 as last amended by section 1, chapter 82, Laws of 1974 ex. sess. and RCW 41.04.180 are each amended to read as follows:

(1) Any county, municipality, or other political subdivision of the state acting through its principal supervising official or governing body may, whenever funds shall be available for that purpose provide for all or a part of hospitalization and medical aid for its employees and their dependents through contracts with regularly constituted insurance carriers or with health care service contractors as defined in chapter 48.44 RCW or self-insurers as provided for in chapter 48.52 RCW, for group hospitalization and medical aid policies or plans: PROVIDED, That any county, municipality, or other political subdivision of the state acting through its principal supervising official or governing body shall provide the employees thereof a choice of policies or plans through contracts with not less than two regularly constituted insurance carriers or health care service contractors or other health care plans, including but not limited to, trusts of self-insurance as provided for in chapter 48.52 RCW: AND PROVIDED FURTHER, That any county may provide such hospitalization and medical aid to county elected officials and their dependents on the same basis as such hospitalization and medical aid is provided to other county employees and their dependents: PROVIDED FURTHER, That provision for school

district personnel shall not be made under this section but shall be as provided for in RCW 28A.58.420.

(2) Any county, municipality, or other political subdivision of the state that provides a plan for all or part of hospitalization and medical aid for its employees shall permit retired and disabled employees and their dependents to continue participation in such plan subject to the following exceptions, limitations, and conditions:

(a) This subsection shall have no application to school district personnel provided for in RCW 28A.58.420; to a county, municipality, or other political subdivision participating in an insurance program administered under chapter 41.05 RCW if retired and disabled employees and their dependents of such participating county, municipality, or other political subdivision are permitted to continue coverage under an insurance program administered under chapter 41.05 RCW; and members of the law enforcement officers' and fire fighters' retirement system under chapter 41.26 RCW.

(b) A person who requests continued participation in the plan may be required to pay for such continuation of coverage under the plan; however, such payment may not exceed the rate, cost, or premium provided for active employees.

If the person is eligible for federal medicare, the plan shall reduce benefits and rates, costs or premiums for such person to the extent medicare benefits duplicate plan benefits.

(c) Nothing contained in this subsection shall be deemed to affect any plan contained in a collective bargaining agreement in existence as of the effective date of this act; however, any plan contained in future collective bargaining agreements shall conform to the provisions of this subsection.

(d) A retired or disabled employee shall bear the full cost of the premium as determined by subsection (2)(b) of this section. However, the enactment of this subsection shall not require any reduction in benefits now being received.

(e) After an initial open enrollment period of not less than ninety days after the effective date of this 1985 act, no retired or disabled employee may be covered pursuant to this subsection if coverage is allowed to lapse at any time. If any employer offered a medical plan to its employees at the time they retired or became disabled, which plan had substantially the same benefits and premium charges as the plan offered to the active employees at the time, no retired or disabled employee who failed to enroll in such plan at the time it was offered may now enroll in a medical plan pursuant to this subsection except at the option of the employer.

(f) Premiums for coverage may be assigned to the insurance carrier from public pension benefits or paid to the former employer so that no carrier shall be required to accept individual premium payments from retired or disabled employees and/or dependents.

(g) The benefits granted under this subsection shall not be considered a matter of contractual right. Should the legislature, county, municipality, or other political subdivision of the state revoke or change any benefits granted under this subsection, no affected retiree, employee, or dependent shall be entitled thereafter to receive such benefits as a matter of contractual right.

(h) "Retired employee," as used in this subsection, is defined as an individual who is a public employee with not less than five years of service at the date of retirement.

(i) "Disabled employee," as used in this subsection, is defined as an individual eligible to receive a disability retirement allowance from a public retirement system.

(j) This subsection is applicable from and after January 1, 1986, or the date of current policy or contract renewal, whichever is later.

NEW SECTION. Sec. 2. To the extent it does not conflict with RCW 41.04.180(2), any employer or group providing insurance to any retired or disabled employee and/or their dependents may adopt terms and conditions necessary to administer the provisions of RCW 41.04.180(2). Such terms and conditions may include, but are not limited to, requirements for coordination of benefits with any other insurance plan covering a person affected by RCW 41.04.180(2)."

Senator Vognild moved that the following amendment by Senators Vognild and Moore to the Committee on Financial Institutions amendment be adopted:

On page 5, line 14 of the committee amendment, add a new subsection as follows:

"(k) If an employer leaves a group or trust medical plan, that plan has no further responsibility to the retired or disabled former employees who may have had coverage through that group or trust plan, however, the employer shall include all retired or disabled employees who have had such coverage in any new group or trust medical plan."

Debate ensued.

POINT OF INQUIRY

Senator Rasmussen: Senator Vognild, as I read this, if an employer leaves a group—and this is entirely aside from the question that Senator Guess has raised—that plan has no further responsibility to the retired or to the disabled former employee? Supposing a person was under the plan that the employer was leaving and they had some very serious medical problems with continuing problems? This

says that the new employer shall include, but it doesn't cover that question of the person who may be under treatment at that time."

Senator Vognild: "Senator Rasmussen, I'm far from an expert in this type of insurance, but what the amendment does--if you'll read it--it says 'If an employer leaves a group or trust plan'--then they in fact, in simple terms, what it says is if the employer leaves a group or trust plan and takes all their active employees with them to a new plan, they will also take the retired ones with them to a new one. Now, it is my understanding that if there is a claim pending, any time that insurance coverage of any type is discontinued, the pending claim remains with the original insured."

Further debate ensued.

POINT OF INQUIRY

Senator McDermott: Senator Bottiger, I heard Senator Deccio say he wasn't much of an expert on this, but he's going to talk anyway--as though there was something wrong with doing it--and I wonder if there was some new rule around here that you have to know what you're talking about?"

Senator Bottiger did not answer.

Further debate ensued.

MOTION TO LIMIT DEBATE

Senator Bottiger: "Mr. President, I move that the members of the Senate be allowed to speak only once and be limited to three minutes on each motion or amendment, except that the mover of the motion shall be allowed to open and close debate, and also that members be prohibited from yielding their time. This motion shall remain in effect through April 28, 1985."

The motion by Senator Vognild carried and the amendment to the committee amendment was adopted.

MOTION

Senator Goltz moved that the following amendment to the Committee on Financial Institutions amendment be adopted:

On page 5, after line 14 of the amendment, insert the following:

"(k) Any county, municipality or other political subdivision of the state may offer one or more medical plans for retirees only which are designed to meet the needs of the retirees. The rate, cost, or premium for the medical plan or plans offered to retirees shall not exceed that charged to the active employee group of which the retiree was a member. However, the benefits provide in the retiree plan or plans may be different than the benefits provided in the plan or plans for active employees."

POINT OF INQUIRY

Senator Newhouse: Senator, would you agree that, perhaps, because many of these employers are relatively small--without too many employees--that we should allow them as a group of employers to also provide this? For instance, if they are small cities and so forth--might they get together?"

Senator Goltz: "I would have no objection to having a group plan which would provide this for a number of small cities."

Further debate ensued.

POINT OF INQUIRY

Senator Garrett: Senator Goltz, is it your intention that the amendment simply makes another option available to retired employees so that he or she has a choice of staying with the active employees' plan or choosing a plan tailored especially for the retirees offered by the political subdivision?"

Senator Goltz: "That is my intention in offering this amendment--that the retiree or disabled person could accept this plan or stay with the other offered plan."

The President declared the question before the Senate to be adoption of the amendment by Senator Goltz.

The motion by Senator Goltz carried and the amendment was adopted.

Senator Rasmussen: "Well, then I was wondering, Senator Goltz, if you had gore and blood spread all over and if they have seat belts, you are saying we are killing people by letting them vote on it?"

Senator Goltz: "I'm saying we should pass the bill now to stop the carnage."

(1) After December 31, 1983, the parent or legal guardian of a child less than five years old, when the parent or legal guardian is operating anywhere in the state his or her own motor vehicle registered under chapter 46.16 RCW, other than a motorcycle, in which the child is a passenger, shall have the child properly secured in a manner approved by the state commission on equipment. Even though a separate child passenger restraint device is considered the ideal method of protection, a properly adjusted and fastened, federally approved seat belt is deemed sufficient to meet the requirements of this section for children one through four years of age. This section does not apply to a vehicle being operated in a parade for which a permit has been granted by the local authority having jurisdiction.

(2) During the period from January 1, 1984, to July 1, 1984, a person violating subsection (1) of this section may be issued a written warning of the violation. After July 1, 1984, a person violating subsection (1) of this section may be issued a notice of traffic infraction under chapter 46.63 RCW. If the person to whom the notice was issued presents proof of acquisition of an approved child passenger restraint system within seven days to the jurisdiction issuing the notice, the jurisdiction shall dismiss the notice of traffic infraction. If the person fails to present proof of acquisition within the time required, he or she is subject to a penalty assessment of not less than thirty dollars.

(3) Failure to comply with the requirements of this section shall not constitute negligence by a parent or legal guardian; nor shall failure to use a child restraint system be admissible as evidence of negligence in any civil action."

Renumber accordingly.

Debate ensued.

POINT OF INQUIRY

Senator Pullen: "Mr. President and members of the Senate, I support the Halsan amendment--I'm not rising to object to it--in fact, I support it, but Senator Halsan keeps finding holes in the bill and I keep thinking of other potential problems and I don't have any amendment ready and I'm not going to offer any unless Senator Peterson or others, maybe, can give me some help here or suggest it's appropriate.

"To help me in possible amendments, I might draft, No. 1--is there anything here to cover the situation of pregnant women? The seat belts go around the hip to the fullest extent possible, yet modern seat belts have a strap that goes across the chest, and I'm just wondering if there should be any kind of special circumstance to cover pregnant women. To protect the unborn child, you certainly don't want a strap that is going to act sort of like the front part of the car.

"The other thing I'm worried about is antique cars. Is there any exemption in the bill for antique cars? Antique purists want their antique cars just the way they came from the manufacturer and if you have to drill holes in to mount some bolts, it seems to me that's a problem for the antique purists. Maybe Senator Peterson can clarify that."

Senator Peterson: "Anyone can get a waiver from the license position if it's impractical to wear a seat belt. That's taken care of and the Commission on Equipment has the authority to adopt rules exempting antique cars and others, so I don't think there's any problem there."

Further debate ensued.

POINT OF INQUIRY

Senator Rasmussen: Senator Halsan, I gather you are going to eliminate seat belts on motorcycles. Could you tell me, is that your intention?"

Senator Halsan: "I think that that would perhaps be a good idea, or if my intention is to eliminate seat belts on motorcycles and in regard to that as well, and perhaps in response to the question raised by Senator Zimmerman, this amendment is, in fact, worded such that this is not within the scope of the referendum, this is a section that is not referenced in the referendum language."

Further debate ensued.

The President declared the question before the Senate to be adoption of the amendment by Senator Halsan.

The motion by Senator Halsan carried and the amendment was adopted.

MOTIONS

On motion of Senator Peterson, the following title amendment was adopted:

In line 1 of the title, after "restraints;" insert "amending RCW 46.61.687;"

MOTION

On motion of Senator Peterson, the rules were suspended, Engrossed Substitute House Bill No. 1182, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

MOTION

On motion of Senator Goltz, the Senate did not concur in the House amendments to Engrossed Senate Bill No. 3134 and asks the House to recede therefrom.

MESSAGE FROM THE HOUSE

April 12, 1985

Mr. President:

The House has passed SUBSTITUTE SENATE BILL NO. 3184 with the following amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature recognizes that significant benefits accrue to the state and that certain types of state operations are more efficient when personnel services are available on an extended basis. Such operations include certain types of facilities managed by agencies such as the departments of natural resources, corrections, fisheries, game, social and health services, transportation, veterans affairs, and the parks and recreation commission.

The means of assuring that such personnel are available on an extended basis is through the establishment of on-site state-owned or leased living facilities. The legislature also recognizes the restrictions and hardship placed upon those personnel who are required to reside in such state-owned or leased living facilities in order to provide extended personnel services.

The legislature further recognizes that there are instances where it is to the benefit of the state to have state-owned or leased living facilities occupied even though such occupancy is not required by the agency as a condition of employment.

NEW SECTION. Sec. 2. (1) Whenever an agency requires that an employee reside in state-owned or leased living facilities as a condition of employment, such living facilities shall be made available to the employee under the conditions set forth in sections 3 and 4 of this act.

(2) Whenever an agency determines that (a) a living facility owned or leased by the agency is not occupied by employees under subsection (1) of this section and (b) it would be to the agency's benefit to have the facility occupied, the agency may make the facility available for occupancy to other employees of the agency or employees of other public agencies.

(3) Whenever an agency determines that (a) a living facility owned or leased by the agency is not occupied by employees under subsection (1) of this section and (b) the facility has been made available to employees under subsection (2) of this section and that no such employees have opted to reside in the facility, the agency may make the facility available for occupancy to other interested parties.

NEW SECTION. Sec. 3. (1) No rent may be charged to persons living in facilities provided under section 2 (1) and (2) of this act. Such employees shall pay the costs of utilities associated with the living facility.

(2) Rent and utility charges to residents of living facilities under section 2(3) of this act shall be established by the agency responsible for managing the living facility.

(3) Utility charges required by this section shall be based upon (a) the actual measured utility costs for the specific facility or (b) calculated utility costs based upon average actual costs for all living facilities available under section 2 of this act or (c) the guidelines established by the state personnel board which were in effect on July 1, 1984, whichever is less. Utility costs may be adjusted on a yearly basis. Individuals residing in living facilities available under

section 2 of this act shall pay all utility costs attributable to the personal enhancements of the individual.

(4) Any person occupying state-owned or leased living facilities shall do so with the understanding that he or she assumes custodial housekeeping responsibility as directed by the agency. Such responsibility shall not include maintenance, repairs, or improvements to the facilities. An occupant of a state-owned or leased facility is liable for damages to the facility in excess of normal wear and tear.

NEW SECTION, Sec. 4. The state shall maintain living facilities occupied under section 2 of this act in a safe, healthful condition.

NEW SECTION, Sec. 5. Sections 1 through 4 of this act shall constitute a new chapter in Title 43 RCW.

NEW SECTION, Sec. 6. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

and the same are herewith transmitted.

DENNIS L. HECK, Chief Clerk

On page 3, line 21, after "1987." insert "NEW SECTION, Sec. 6. If specific funding for the purposes of this act, referencing this act by bill number, is not provided in the omnibus appropriations act enacted before July 1, 1985, this act shall be null and void."

DENNIS L. HECK, Chief Clerk

MOTION

On motion of Senator Gaspard, the Senate did not concur in the House amendment to Substitute Senate Bill No. 3448 and asks the House for a conference thereon.

MESSAGE FROM THE HOUSE

April 15, 1985

Mr. President:

The House has passed SUBSTITUTE SENATE BILL NO. 3384 with the following amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. Currently, many of the salmon stocks of Washington state are critically reduced from their sustainable level. The best interests of all fishing groups and the citizens as a whole are served by a stable and productive salmon resource. Immediate action is needed to reverse the severe decline of the resource and to insure its very survival. The legislature finds a state of emergency exists and that immediate action is required to restore its fishery.

Disagreement and strife have dominated the salmon fisheries for many years. Conflicts among the various fishing interests have only served to erode the resource. It is time for the state of Washington to make a major commitment to increasing productivity of the resource and to move forward with an effective rehabilitation and enhancement program. The department of fisheries is directed to dedicate its efforts to make increasing the productivity of the

salmon resource a first priority and to seek resolution to the many conflicts that involve the resource.

Success of the enhancement program can only occur if projects efficiently produce salmon or restore habitat. The expectation of the program is to optimize the efficient use of funding on projects that will increase artificially and naturally produced salmon, restore and improve habitat, or identify ways to increase the survival of salmon. The full utilization of state resources and cooperative efforts with interested groups are essential to the success of the program.

NEW SECTION, Sec. 2. (1) The director shall develop long-term regional policy statements regarding the salmon fishery resources before December 1, 1985. The director shall consider the following in formulating and updating regional policy statements:

- (a) Existing resource needs;
- (b) Potential for creation of new resources;
- (c) Successful existing programs, both within and outside the state;
- (d) Balanced utilization of natural and hatchery production;
- (e) Desires of the fishing interest;
- (f) Need for additional data or research;
- (g) Federal court orders; and
- (h) Salmon advisory council recommendations.

(2) The director shall review and update each policy statement at least once each year.

NEW SECTION, Sec. 3. (1) The director shall develop a detailed salmon enhancement plan with proposed enhancement projects. The plan and the regional policy statements shall be submitted to the secretary of the senate and chief clerk of the house of representatives for legislative distribution by June 30, 1986. The director shall provide a maximum opportunity for the public to participate in the development of the salmon enhancement plan. To insure full participation by all interested parties, the director shall solicit and consider enhancement project proposals from Indian tribes, sports fishermen, commercial fishermen, private aquaculturists, and other interested groups or individuals for potential inclusion in the salmon enhancement plan. Joint or cooperative enhancement projects shall be considered for funding.

(2) The following criteria shall be used by the director in formulating the project proposals:

- (a) Compatibility with the long-term policy statement;
- (b) Benefit/cost analysis;
- (c) Needs of all fishing interests;
- (d) Compatibility with regional plans, including harvest management plans;
- (e) Likely increase in resource productivity;
- (f) Direct applicability of any research;
- (g) Salmon advisory council recommendations;
- (h) Compatibility with federal court orders;
- (i) Coordination with the salmon and steelhead advisory commission program;
- (j) Economic impact to the state;
- (k) Technical feasibility; and
- (l) Preservation of native salmon runs.

(3) The director shall not approve projects that serve as replacement funding for projects that exist prior to the effective date of this act, unless no other sources of funds are available.

(4) The director shall prioritize various projects and establish a recommended implementation time schedule.

NEW SECTION, Sec. 4. Upon approval by the legislature of funds for its implementation, the director shall monitor the progress of projects detailed in the salmon enhancement plan.

The director shall be responsible for establishing criteria which shall be used to measure the success of each project in the salmon enhancement plan.

NEW SECTION, Sec. 5. The director shall report to the legislature on or before October 30th of each year on the progress and performance of each project. The report shall contain an analysis of the successes and failures of the program to enable optimum development of the program. The report shall include estimates of funding levels necessary to operate the projects in future years.

The director shall submit the reports and any additional recommendations to the committees on ways and means and the committees on natural resources of the senate and house of representatives.

NEW SECTION, Sec. 6. As used in this chapter, "enhancement project" means salmon propagation activities including, but not limited to, hatcheries, spawning channels, rearing ponds, egg boxes, fishways, fish screens, stream bed clearing, erosion control, habitat restoration, net pens, applied research projects, and any equipment, real property, or other interest necessary to the proper operation thereof.

Sec. 7. Section 2, chapter 327, Laws of 1977 ex. sess. as last amended by section 173, chapter 46, Laws of 1983 1st ex. sess. and RCW 75.48.120 are each amended to read as follows:

(1) The department shall not acquire, construct, or substantially improve a salmon enhancement facility unless the requirements of this section are met.

(a) The productivity of a salmon propagation facility is very dependent on water quantity and quality. Due to the limited number of water sources which meet the critical needs of a

facility, it is imperative that these sources are acquired. Therefore, site acquisitions and preliminary design shall be considered by the department as generally having priority over project development.

(b) Prior to expending moneys for the construction and development of a particular salmon propagation facility, except for site acquisition and preliminary design, the department shall, with the advice of the advisory council created in subsection (2) of this section, give consideration to the following factors with respect to that facility:

(i) The department's management authority over propagated salmon;

(ii) The level of expected Canadian interception on the propagated salmon and whether this would be acceptable;

(iii) Whether an acceptable agreement has been reached on the status of treaty Indian salmon harvest: ~~((and))~~

(iv) Whether there can be a maximum harvest of propagated salmon with a tolerable impact on other salmonid stocks, both natural and artificial, and on their environment. The department shall consult on this matter with the department of game; and

(v) Compatibility with regional policy statements and the salmon enhancement plan under chapter 75.-- RCW (sections 1 through 6 of this 1985 act).

(2) To aid and advise the department in the performance of its functions with regard to the salmon enhancement program, a salmon advisory council is created. The advisory council consists of ~~((thirteen))~~ six members appointed by the governor: four legislative members, one appointed by each caucus in both the state senate and the house of representatives; and the director, who shall be chairman~~((-- the director of the department of game, or the director's designee, one member of the senate to be appointed by the president of the senate; and one member of the house of representatives to be appointed by the speaker of the house of representatives. Of the members appointed by the governor, two shall represent troll fishermen; two shall represent gill net fishermen, of which one shall be from the Puget Sound area and one from the southwest Washington area; one shall represent purse seine fishermen; one shall represent owners of charter boats; three shall represent sportsmen; two shall be members of Indian tribes of this state who shall be appointed from a list submitted by the Northwest Indian Fisheries Commission; and two shall represent fish processors, of which one shall represent fresh or frozen fish processors and one shall represent canneries)).~~ Of the members appointed by the governor, two shall represent non-Indian commercial fishermen, two shall represent sports fishermen, and two shall represent treaty Indian fishermen. Of the treaty Indian fishermen, one shall be selected from a list provided by the Washington state tribal coordinating body and one shall be selected from a list provided by the Columbia River tribal coordinating body defined in 16 U.S.C. 3302 (5) and (18).

All members appointed by the governor shall serve terms of two years. Vacancies shall be filled in the same manner as original appointments.

The advisory council shall be convened by the director prior to the decision to expend funds for construction and development of any salmon ~~((propagation facility))~~ enhancement project. The council shall advise the director with regard to the considerations listed in subsection (1)(b) of this section and other factors the council deems relevant with respect to the proposed facility. The council shall actively participate in the development of regional policy statements and the salmon enhancement plan.

~~((Except for the director of the department of game and legislative members;))~~ Members shall receive reimbursement through the department of fisheries for travel expenses incurred in the performance of their duties in accordance with RCW 43.03.050 and 43.03.060.

~~((The director of the department of game, or the director's designee, shall receive reimbursement through the department of game for travel expenses incurred in the performance of his or her duties in accordance with RCW 43.03.050 and 43.03.060. The legislative members shall be deemed engaged in legislative business while in attendance upon the business of the council and shall be limited to such allowances therefor as otherwise provided in RCW 44.04.120;))~~

The salmon advisory council shall cease to exist on December 31, 1989. This section expires on December 31, 1989.

NEW SECTION. Sec. 8. Thirty-nine thousand dollars, or so much thereof as may be necessary, is appropriated from the state general fund for the biennium ending June 30, 1987, to the department of fisheries for the purposes of this act.

NEW SECTION. Sec. 9. Sections 1 through 6 of this act shall constitute a new chapter in Title 75 RCW.

NEW SECTION. Sec. 10. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 11. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

MESSAGE FROM THE HOUSE

April 16, 1985

Mr. President:

The House has passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 3828 with the following amendment:

Strike everything after the enacting clause and insert the following:

***NEW SECTION.** Sec. 1. The legislature finds that Puget Sound and related inland marine waterways of Washington state represent a unique and unparalleled resource. A rich and varied range of marine organisms, composing an interdependent, sensitive communal ecosystem reside in these sheltered waters. Residents of this region enjoy a way of life centered around the waters of Puget Sound, featuring accessible recreational opportunities, world-class

port facilities and water transportation systems, harvest of marine food resources, shoreline-oriented life styles, water-dependent industries, tourism, irreplaceable aesthetics and other activities, all of which to some degree depend upon a clean and healthy marine resource.

The legislature further finds that the consequences of careless husbanding of this resource have been dramatically illustrated in inland waterways associated with older and more extensively developed areas of the nation. Recent reports concerning degradation of water quality within this region's urban embayments raise alarming possibilities of similar despoliation of Puget Sound and other state waterways. These examples emphasize that the costs of restoration of aquatic resources, where such restoration is possible, greatly exceed the costs of responsible preservation.

The legislature declares that utilization of the Puget Sound resource carries a custodial obligation for preserving it. The people of the state have the unique opportunity to preserve this gift of nature, an understanding of the results of inattentive stewardship, the technical knowledge needed for control of degradation, and the obligation to undertake such control.

The legislature further finds that the large number of governmental entities that now affect the water quality of Puget Sound have diverse interests and limited jurisdictions which cannot adequately address the cumulative, wide-ranging impacts which contribute to the degradation of Puget Sound. It is therefore the policy of the state of Washington to create a single entity with adequate resources to develop a comprehensive plan for water quality protection in Puget Sound to be implemented by existing state and local government agencies.

NEW SECTION, Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter:

- (1) "Authority" means the Puget Sound water quality authority.
- (2) "Chair" means the presiding officer of the Puget Sound water quality authority.
- (3) "Plan" means the Puget Sound water quality management plan.

(4) "Puget Sound" means all salt waters of the state of Washington inside the international boundary line between the state of Washington and the province of British Columbia, lying east of one hundred twenty-three degrees, twenty-four minutes west longitude.

NEW SECTION, Sec. 3. (1) There is established the Puget Sound water quality authority composed of seven members who are appointed by the governor and confirmed by the senate. The governor shall select one of the seven members to act as chair of the authority and be presiding officer of the authority. In making these appointments, the governor shall seek to include representation of the variety of interested parties concerned about Puget Sound water quality. The commissioner of public lands and the director of ecology shall serve as ex officio, nonvoting members of the authority. The six appointed members, one from each of the six congressional districts surrounding Puget Sound, shall serve four-year terms. Of the initial members appointed to the authority, two shall serve for two years, two shall serve for three years, and two shall serve for four years. Thereafter members shall be appointed to four-year terms. Vacancies shall be filled by appointment for the remainder of the unexpired term of the position being vacated. The chair of the authority shall serve at the pleasure of the governor.

(2) The voting members, exclusive of the chair, shall be compensated as provided in RCW 43.03.250. The voting members shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060.

(3) The chair of the authority shall be a full time employee responsible for the administration of all functions of the authority, including hiring and terminating staff, contracting, coordinating with the governor, the legislature, and other state and local entities, and the delegation of responsibilities as deemed appropriate. The salary of the chair shall be fixed by the governor, subject to RCW 43.03.040.

(4) The chair shall prepare a budget and a work plan which are subject to review and approval by the authority.

NEW SECTION, Sec. 4. The authority shall:

(1) Prepare and adopt a comprehensive Puget Sound water quality management plan, as defined in section 8 of this act. In preparing the plan and any substantial revisions to the plan, the authority shall consult with its advisory committee or committees and appropriate federal, state, and local agencies. The authority shall also solicit extensive participation by the public by whatever means it finds appropriate, including public hearings throughout communities bordering or near Puget Sound, dissemination of information through the news media, public notices, and mailing lists, and the organization of workshops, conferences, and seminars;

(2) During the plan's initial development and any subsequent revisions, submit quarterly progress reports to the governor and the legislature.

(3) Submit the plan to the governor and the legislature no later than January 1, 1987. The authority shall review the plan at least every two years and revise the plan, as deemed appropriate;

(4) Prepare a biennial "state of the Sound" report and submit such report to the governor, the legislature, and the state agencies and local governments identified in the plan. Copies of the report shall be made available to the public. The report shall describe the current condition of water quality and related resources in Puget Sound and shall include:

(a) The status and condition of the resources of Puget Sound, including the results of ecological monitoring, including an assessment of the economic value of Puget Sound;

(b) Current and foreseeable trends in water quality of Puget Sound and the management of its resources;

(c) Review of significant public and private activities affecting Puget Sound and an assessment of whether such activities are consistent with the plan; and

(d) Recommendations to the governor, the legislature, and appropriate state and local agencies for actions needed to remedy any deficiencies in current policies, plans, programs, or activities relating to the water quality of Puget Sound, and recommendations concerning changes necessary to protect and improve Puget Sound water quality; and

(5) Review the budgets and regulatory and enforcement activities of state agencies with responsibilities for water quality and related resources in Puget Sound.

NEW SECTION. Sec. 5. In order to carry out its responsibilities under this chapter, the authority may:

(1) Develop interim proposals and recommendations, before the plan is adopted, concerning the elements identified in section 8 of this act;

(2) Enter into, amend, and terminate contracts with individuals, corporations, or research institutions for the purposes of this chapter;

(3) Receive such gifts, grants, and endowments, in trust or otherwise, for the use and benefit of the purposes of the authority. The authority may expend the same or any income therefrom according to the terms of the gifts, grants, or endowments;

(4) Conduct studies and research relating to Puget Sound water quality;

(5) Obtain information relating to Puget Sound from other state and local agencies;

(6) Conduct appropriate public hearings and otherwise seek to broadly disseminate information concerning Puget Sound;

(7) Receive funding from other public agencies;

(8) Prepare a biennial budget request for consideration by the governor and the legislature; and

(9) Adopt rules under chapter 34.04 RCW as it deems necessary for the purposes of this chapter.

NEW SECTION. Sec. 6. (1) The authority shall appoint one or more advisory committees to assist in the development of the plan. In making these appointments, the authority shall seek to include representation of all interested parties, including local governments, environmental and health agencies, tribal organizations, business, labor, citizens' groups such as environmental and public interest organizations, agricultural interests, recreational interests, and the fisheries and shellfish industries.

(2) The advisory committee or committees shall assist the authority to formulate policy goals and strategies, review the plan and make recommendations for its amendment to the authority, review the authority's reports, and review the authority's budget request proposals.

NEW SECTION. Sec. 7. (1) The chair shall hire staff for the authority. In so doing, the chair shall recognize the many continuing planning and research activities concerning Puget Sound water quality and shall seek to acquire competent and knowledgeable staff from state, federal, and local government agencies that are currently involved in these activities.

(2) As deemed appropriate, the chair may request the state departments of ecology, community development, fisheries, game, agriculture, natural resources, and social and health services to each assign at least one employee to the authority. The chair shall enter into an interagency agreement with agencies assigning employees to the authority. Such agreement shall provide for reimbursement, by the authority to the assigning agency, of all work-related expenditures associated with the assignment of the employees. During the term of their assignment, the chair shall have full authority and responsibility for the activities of these employees.

(3) The chair shall seek assignment of appropriate federal and local government employees under available means.

NEW SECTION. Sec. 8. The plan adopted by the authority shall be a positive document prescribing the needed actions for the maintenance and enhancement of Puget Sound water quality. The plan shall address all the waters of Puget Sound, the Strait of Juan de Fuca, and, to the extent that they affect water quality in Puget Sound, all waters flowing into Puget Sound, and adjacent lands. The authority may define specific geographic boundaries within which the plan applies. The plan shall coordinate and incorporate existing planning and research efforts of state agencies and local government related to Puget Sound, and shall avoid duplication of existing efforts. The plan shall include:

(1) A statement of the goals and objectives for long and short-term management of the water quality of Puget Sound;
