(7) The ~~((police, members of the emergency service))~~ peace officer, staff designated by the county, or treatment facility personnel, who ~~((in good faith))~~ act in compliance with this chapter and are performing in the course of their official duty ~~((and))~~ are not criminally or civilly liable therefor.

(8) If the person in charge of the approved treatment facility determines ~~((it is for the patient's benefit))~~ that appropriate treatment is available, the patient shall be encouraged to agree to further diagnosis and appropriate voluntary treatment.

Sec. 307. Section 14, chapter 122, Laws of 1972 ex. sess. as last amended by section 14, chapter 439, Laws of 1987 and RCW 70.96A.140 are each amended to read as follows:

(1) When the person in charge of a treatment facility, or his or her designee, receives information alleging that a person is incapacitated as a result of alcoholism, the person in charge, or his or her designee, after investigation and evaluation of the specific facts alleged and of the reliability and credibility of the information, may file a petition for commitment of such person with the superior court or district court. If the person in charge, or his or her designee, finds that the initial needs of such person would be better served by placement within the mental health system, the person shall be referred to an evaluation and treatment facility as defined in RCW 71.05.020. If placement in an alcohol treatment facility is available and deemed appropriate, the petition shall allege that: The person is an alcoholic who is incapacitated by alcohol, or that the person has twice before in the preceding twelve months been admitted for ~~((the voluntary))~~ detoxification or treatment for alcoholism pursuant to RCW 70.96A.110 and is in need of a more sustained treatment program, or that the person is an

alcoholic who has threatened, attempted, or inflicted physical harm on another and is likely to inflict physical harm on another unless committed. A refusal to undergo treatment, by itself, does not constitute evidence of lack of judgment as to the need for treatment. The petition shall be accompanied by a certificate of a licensed physician who has examined the person within ~~((two))~~ five days before submission of the petition, unless the person whose commitment is sought has refused to submit to a medical examination, in which case the fact of refusal shall be alleged in the petition. The certificate shall set forth the licensed physician's findings in support of the allegations of the petition. A physician employed by the petitioning facility or the department is ~~((not))~~ eligible to be the certifying physician.

(2) Upon filing the petition, the court shall fix a date for a hearing no less than ~~((three))~~ two and no more than seven days after the date the petition was filed unless the person petitioned against is presently being detained ~~((by the))~~ in a facility, pursuant to RCW 70.96A.120 or 71.05.210, as now or hereafter amended, in which case the hearing shall be held within seventy-two hours of the filing of the petition: PROVIDED, HOWEVER, That the above specified seventy-two hours shall be computed by excluding Saturdays, Sundays, and holidays: PROVIDED FURTHER, That, the court may, upon motion of the person whose commitment is sought, or upon motion of petitioner with written permission of the person whose commitment is sought, or his or her counsel and, upon good cause shown, extend the date for the hearing. A copy of the petition and of the notice of the hearing, including the date fixed by the court, shall be served by the treatment facility on the person whose commitment is sought, his or her next of kin, a parent or his or her legal guardian if he or she is a minor, and any other person the court believes advisable. A copy of the petition and certificate shall be delivered to each person notified.

(3) At the hearing the court shall hear all relevant testimony, including, if possible, the testimony, which may be telephonic, of at least one licensed physician who has examined the person whose commitment is sought. Communications otherwise deemed privileged under the laws of this state are deemed to be waived in proceedings under this chapter when a court of competent jurisdiction in its discretion determines that the waiver is necessary to protect either the detained person or the public. The waiver of a privilege under this section is limited to records or testimony relevant to evaluation of the detained person for purposes of a proceeding under this chapter. Upon motion by the detained person, or on its own motion, the court shall examine a record or testimony sought by a petitioner to determine whether it is within the scope of the waiver.

The record maker shall not be required to testify in order to introduce medical, nursing, or psychological records of detained persons so long as the requirements of RCW 5.45.020 are met, except that portions of the record that contain opinions as to whether the detained person is an alcoholic must be deleted from the records unless the person offering the opinions is available for cross-examination. The person shall be present unless the court believes that his or her presence is likely to be injurious to him or her; in this event the court may deem it appropriate to appoint a guardian ad litem to represent him or her throughout the proceeding. If deemed advisable, the court may examine the person out of courtroom. If the person has refused to be examined by a licensed physician, he or she shall be given an opportunity to be examined by a court appointed licensed physician. If he or she refuses and there is sufficient evidence to believe that the allegations of the petition are true, or if the court believes that more medical evidence is necessary, the court may make a temporary order committing him or her to the department for a period of not more than five days for purposes of a diagnostic examination.

(4) If after hearing all relevant evidence, including the results of any diagnostic examination, the court finds that grounds for involuntary commitment have been established by clear, cogent, and convincing proof, it shall make an order of commitment to an approved treatment facility. It shall not order commitment of a person unless it determines that an approved treatment facility is available and able to provide adequate and appropriate treatment for him or her ~~((and the treatment is likely to be beneficial))~~.

(5) A person committed under this section shall remain in the facility for treatment for a period of ~~((thirty))~~ sixty days unless sooner discharged. At the end of the ~~((thirty))~~ sixty-day period, he or she shall be discharged automatically unless the facility, before expiration of the period, files a petition for his or her recommitment upon the grounds set forth in subsection (1) of this section for a further period of ninety days unless sooner discharged. If a person has been committed because he or she is an alcoholic likely to inflict physical harm on another, the facility shall apply for recommitment if after examination it is determined that the likelihood still exists.

(6) ~~((A person recommitted under subsection (5) of this section who has not been discharged by the facility before the end of the ninety day period shall be discharged at the expiration of that period unless the facility, before expiration of the period, obtains a court order on the grounds set forth in subsection (1) of this section for recommitment for a further period not to exceed ninety days. If a person has been committed because he or she is an alcoholic likely to inflict physical harm on another, the facility shall apply for recommitment if after examination it is determined that the likelihood still exists. Only two recommitment orders under subsections (5) and (6) of this section are permitted.~~

(7)) Upon the filing of a petition for recommitment under subsection((s)) (5) ((or (6))) of this section, the court shall fix a date for hearing no less than ((three)) two and no more than seven days after the date the petition was filed; PROVIDED, That, the court may, upon motion of the person whose commitment is sought and upon good cause shown, extend the date for the hearing. A copy of the petition and of the notice of hearing, including the date fixed by the court, shall be served by the treatment facility on the person whose commitment is sought, his or her next of kin, the original petitioner under subsection (1) of this section if different from the petitioner for recommitment, one of his or her parents or his or her legal guardian if he or she is a minor, and his or her attorney and any other person the court believes advisable. At the hearing the court shall proceed as provided in subsection (3) of this section.

((8)) (7) The approved treatment facility shall provide for adequate and appropriate treatment of a person committed to its custody. A person committed under this section may be transferred from one approved public treatment facility to another if transfer is medically advisable.

((9)) (8) A person committed to the custody of a facility for treatment shall be discharged at any time before the end of the period for which he or she has been committed and he or she shall be discharged by order of the court if either of the following conditions are met:

(a) In case of an alcoholic committed on the grounds of likelihood of infliction of physical harm upon himself, herself, or another, ((that he or she is no longer an alcoholic or)) the likelihood no longer exists; or further treatment will not be likely to bring about significant improvement in the person's condition, or treatment is no longer adequate or appropriate.

(b) In case of an alcoholic committed on the grounds of the need of treatment and incapacity, that the incapacity no longer exists.

((10)) (9) The court shall inform the person whose commitment or recommitment is sought of his or her right to contest the application, be represented by counsel at every stage of any proceedings relating to his or her commitment and recommitment, and have counsel appointed by the court or provided by the court, if he or she wants the assistance of counsel and is unable to obtain counsel. If the court believes that the person needs the assistance of counsel, the court shall require, by appointment if necessary, counsel for him or her regardless of his or her wishes. The person shall, if he or she is financially able, bear the costs of such legal service; otherwise such legal service shall be at public expense. The person whose commitment or recommitment is sought shall be informed of his or her right to be examined by a licensed physician of his or her choice. If the person is unable to obtain a licensed physician and requests examination by a physician, the court shall employ a licensed physician.

((11)) (10) A person committed under this chapter may at any time seek to be discharged from commitment by writ of habeas corpus in a court of competent jurisdiction.

((12)) (11) The venue for proceedings under this section is the county in which person to be committed resides or is present.

(12) When in the opinion of the professional person in charge of the facility providing involuntary treatment under this chapter, the committed patient can be appropriately served by less restrictive treatment before expiration of the period of commitment, then the less restrictive care may be required as a condition for early release for a period which, when added to the initial treatment period, does not exceed the period of commitment. If the facility designated to provide the less restrictive treatment is other than the facility providing the initial involuntary treatment, the facility so designated must agree in writing to assume such responsibility. A copy of the conditions for early release shall be given to the patient, the designated county alcoholism specialist, and the court of original commitment. The facility designated to provide less restrictive care may modify the conditions for continued release when the modifications are in the best interests of the patient. If the facility providing less restrictive care and the designated county alcoholism specialist determine that a conditionally released patient is failing to adhere to the terms and conditions of his or her release, or that substantial deterioration in the patient's functioning has occurred, then the designated county alcoholism specialist shall notify the court of original commitment and request a hearing to be held no less than two and no more than seven days after the date of the request to determine whether or not the person should be returned to more restrictive care. The designated alcoholism specialist shall file a petition with the court stating the facts substantiating the need for the hearing along with the treatment recommendations. The patient shall have the same rights with respect to notice, hearing, and counsel as for the original involuntary treatment proceedings. The issues to be determined at the hearing are whether the conditionally released patient did or did not adhere to the terms and conditions of his or her release to less restrictive care or that substantial deterioration of the patient's functioning has occurred and whether the conditions of release should be modified or the person should be returned to a more restrictive facility. The hearing may be waived by the patient and his or her counsel and his or her guardian or conservator, if any, but may not be waived unless all such persons agree to the waiver. Upon waiver, the person may be returned for involuntary treatment or continued on conditional release on the same or modified conditions.

Sec. 308. Section 15, chapter 85, Laws of 1959 and RCW 70.96.150 are each amended to read as follows:

The department shall not refuse admission for diagnosis, evaluation, guidance or treatment to any applicant because it is determined that the applicant is financially unable to contribute fully or in part to the cost of any services or facilities available under the program on alcoholism.

The department may limit admissions of such applicants or modify its programs in order to ensure that expenditures for services or programs do not exceed amounts appropriated by the legislature and are allocated by the department for such services or programs. The department may establish admission priorities in the event that the number of eligible applicants exceeds the limits set by the department.

NEW SECTION, Sec. 309. A new section is added to chapter 70.96A RCW to read as follows:

The department is authorized to allocate appropriated funds in the manner that it determines best meets the purposes of this chapter. Nothing in this chapter shall be construed to entitle any individual to services authorized in this chapter, or to require the department or its contractors to reallocate funds in order to ensure that services are available to any eligible person upon demand.

SUBPART B

DRUG AND ALCOHOL ABUSE PREVENTION AND EARLY INTERVENTION IN SCHOOLS

NEW SECTION, Sec. 310. (1) The legislature finds that the provision of drug and alcohol counseling and related prevention and intervention services in schools will enhance the classroom environment for students and teachers, and better enable students to realize their academic and personal potentials.

(2) The legislature finds that it is essential that resources be made available to school districts to provide early drug and alcohol prevention and intervention services to students and their families; to assist in referrals to treatment providers; and to strengthen the transition back to school for students who have had problems of drug and alcohol abuse.

(3) New and existing substance abuse awareness programs funded pursuant to RCW 28A.120.030 through 28A.120.050 do not fall within the definition of basic education for purposes of Article IX of the state Constitution and the state's funding duty thereunder.

(4) The legislature intends to provide grants for drug and alcohol abuse prevention and intervention in schools, targeted to those schools with the highest concentrations of students at risk.

NEW SECTION, Sec. 311. (1) Grants provided under section 312 of this act may be used solely for services provided by a substance abuse intervention specialist or for dedicated staff time for counseling and intervention services provided by any school district certificated employee who has been trained by and has access to consultation with a substance abuse intervention specialist. Services shall be directed at assisting students in kindergarten through twelfth grade in overcoming problems of drug and alcohol abuse, and in preventing abuse and addiction to such substances, including nicotine. The grants shall require local matching funds so that the grant amounts support a maximum of eighty percent of the costs of the services funded. The services of a substance abuse intervention specialist may be obtained by means of a contract with a state or community services agency or a drug treatment center. Services provided by a substance abuse intervention specialist may include:

- (a) Individual and family counseling, including preventive counseling;
- (b) Assessment and referral for treatment;
- (c) Referral to peer support groups;
- (d) Aftercare;
- (e) Development and supervision of student mentor programs;
- (f) Staff training, including training in the identification of high-risk children and effective interaction with those children in the classroom; and
- (g) Development and coordination of school drug and alcohol core teams, involving staff, students, parents, and community members.

(2) For the purposes of this section, "substance abuse intervention specialist" means any one of the following, except that diagnosis and assessment, counseling and aftercare specifically identified with treatment of chemical dependency shall be performed only by personnel who meet the same qualifications as are required of a qualified chemical dependency counselor employed by an alcoholism or drug treatment program approved by the department of social and health services.

(a) An educational staff associate employed by a school district or educational service district who holds certification as a school counselor, school psychologist, school nurse, or school social worker under state board of education rules adopted pursuant to RCW 28A.04.120;

(b) An individual who meets the definition of a qualified drug or alcohol counselor established by the bureau of alcohol and substance abuse;

(c) A counselor, social worker, or other qualified professional employed by the department of social and health services;

(d) A psychologist licensed under chapter 18.83 RCW; or

(e) A children's mental health specialist as defined in RCW 71.34.020.

NEW SECTION. Sec. 312. (1) The superintendent of public instruction shall select school districts and cooperatives of school districts to receive grants for drug and alcohol abuse prevention and intervention programs for students in kindergarten through twelfth grade, from funds appropriated by the legislature for this purpose. The minimum annual grant amount per district or cooperative of districts shall be twenty thousand dollars. Factors to be used in selecting proposals for funding and in determining grant awards shall be developed in consultation with the substance abuse advisory committee appointed under RCW 28A.120.038, with the intent of targeting funding to districts with high-risk populations. These factors may include:

(a) Characteristics of the school attendance areas to be served, such as the number of students from low-income families, truancy rates, juvenile justice referrals, and social services caseloads;

(b) The total number of students who would have access to services; and

(c) Participation of community groups and law enforcement agencies in drug and alcohol abuse prevention and intervention activities.

(2) The application procedures for grants under this section shall be consistent with the application procedures for other grants for substance abuse awareness programs under RCW 28A.120.032, including provisions for comprehensive planning, establishment of a school and community substance abuse advisory committee, and documentation of the district's needs assessment. Planning and application for grants under this section may be integrated with the development of other substance abuse awareness programs by school districts, and other grants under RCW 28A.120.030 through 28A.120.036 shall not require a separate application. School districts shall, to the maximum extent feasible, coordinate the use of grants provided under this section with other funding available for substance abuse awareness programs. School districts should allocate resources giving emphasis to drug and alcohol abuse intervention services for students in grades five through nine. Grants may be used to provide services for students who are enrolled in approved private schools.

(3) School districts receiving grants under this section shall be required to establish a means of accessing formal assessment services for determining treatment needs of students with drug and alcohol problems. The grant applications submitted by districts shall identify the districts' plan for meeting this requirement.

(4) School districts receiving grants under this section shall be required to perform biennial evaluations of their drug and alcohol abuse prevention and intervention programs, and to report on the results of these evaluations to the superintendent of public instruction.

(5) The superintendent of public instruction may adopt rules to implement sections 311 through 313 of this act.

NEW SECTION. Sec. 313. (1) School districts are encouraged to promote parent and community involvement in drug and alcohol abuse prevention and intervention programs, through parent visits under RCW 28A.58.053 and through any school involvement program established by the district under RCW 28A.58.640 through 28A.58.648.

(2) Districts are further encouraged to review drug and alcohol prevention and intervention programs as part of the self-study procedures required under RCW 28A.58.085 and as part of any annual goal-setting process the district may have established under RCW 28A.58.094.

NEW SECTION. Sec. 314. Sections 311 through 313 of this act are each added to chapter 28A.120 RCW.

SUBPART C COMMUNITY MOBILIZATION

NEW SECTION. Sec. 315. The legislature recognizes that state-wide efforts aimed at reducing the incidence of substance abuse must be increased. The legislature further recognizes that the most effective strategy for reducing the impact of alcohol and other drug abuse is through the collaborative efforts of educators, law enforcement, local government officials, local treatment providers, and concerned community and citizens' groups.

The legislature intends to support the development and activities of community mobilization strategies against substance abuse through the following efforts:

(1) Provide funding support for prevention, treatment, and enforcement activities identified by communities that have brought together education, treatment, local government, law enforcement, and other key elements of the community;

(2) Provide technical assistance and support to help communities develop and carry out effective activities; and

(3) Provide communities with opportunities to share suggestions for state program operations and budget priorities.

NEW SECTION. Sec. 316. There is established in the office of the governor a grant program to provide incentive for and support for communities to develop targeted and coordinated strategies to reduce the incidence and impact of substance abuse.

Activities which may be funded through this grant program include those which:

(1) Prevent substance abuse through educational and self-esteem efforts, development of positive alternatives, intervention with high-risk groups, and other prevention strategies;

(2) Support effective treatment by increasing access to and availability of treatment opportunities, particularly for underserved or highly impacted populations, developing after-care and support mechanisms, and other strategies to increase the availability and effectiveness of treatment;

(3) Provide meaningful consequences for participation in illegal activity and promote safe and healthy communities through support of law enforcement strategies;

(4) Create or build on efforts by existing community programs, coordinate their efforts, and develop cooperative efforts or other initiatives to make most effective use of resources to carry out the community's strategy against substance abuse; and

(5) Other activities which demonstrate both feasibility and a rationale for how the activity will achieve measurable results in the strategy against substance abuse.

NEW SECTION. Sec. 317. Applications for funding under this chapter must:

(1) Demonstrate that the community has developed and is committed to carrying out a coordinated strategy of prevention, treatment, and law enforcement activities; and

(2) Contain evidence of active participation of the community and specific commitments to implementing the community-wide agenda by leadership from at least education, law enforcement, local government, tribal government, and treatment entities in the community, and the opportunity for meaningful involvement from others such as neighborhood and citizen groups, businesses, human service, health and job training organizations, and other key elements of the community, particularly those whose responsibilities in law enforcement, treatment, prevention, or other community efforts provide direct, ongoing contact with substance abusers.

NEW SECTION. Sec. 318. This grant program will be available to communities of any geographic size but will encourage and reward communities which develop coordinated or complimentary strategies within geographic areas such as county areas or groups of county areas which correspond to units of government with significant responsibilities in the area of substance abuse, existing coalitions, or other entities important to the success of a community's strategy against substance abuse.

NEW SECTION. Sec. 319. At a minimum, grant applications must include the following:

(1) Definition of geographic area;

(2) A description of the extent and impact of substance abuse in the community, including an explanation of those who are most severely impacted and those most at risk of substance abuse;

(3) An explanation of the community-wide strategy for prevention, treatment, and law enforcement activities related to substance abuse with particular attention to those who are most severely impacted and those most at risk of substance abuse;

(4) Explanation of who was involved in development of the strategy and what specific commitments have been made to carrying it out;

(5) Identification of existing prevention, treatment, and law enforcement resources committed by the community, including financial and other support, and an explanation of how the community's strategy involves and builds on the efforts of existing organizations or coalitions that have been carrying out community efforts against substance abuse;

(6) Identification of activities that address specific objectives in the strategy for which additional resources are needed;

(7) Identification of additional local resources, including public or private funds, donated goods or services, and other measurable commitments, that have been committed to the activities identified in subsection (6) of this section;

(8) Identification of activities which address specific objectives in the strategy for which funding is requested. Activities should be presented in priority order;

(9) Each activity for which funding is requested must be explained in sufficient detail to demonstrate:

(a) Feasibility through deliberative design, specific objectives, and realistic plan for implementation;

(b) A rationale for how this activity will achieve measurable results and how it will be evaluated;

(c) That funds requested are necessary and appropriate to effectively carry out the activity; and

(10) Identification of a fiscal agent meeting state requirements for each activity proposed for funding.

NEW SECTION. Sec. 320. The governor shall make awards, subject to funds appropriated by the legislature, under the following terms:

(1) In order to be eligible for consideration, applications must demonstrate, at a minimum:

(a) That proposals submitted for funding are based on and address specific objectives contained in a coordinated strategy of prevention, treatment, and law enforcement against substance abuse;

(b) Evidence of active participation in preparation of the proposal and specific commitments to implementing the community-wide agenda by leadership from at least education,

law enforcement, local government, tribal government, and treatment entities in the community, and the opportunity for meaningful involvement from others such as neighborhood and citizen groups, businesses, human service, health and job training organizations, and other key elements of the community, particularly those whose responsibilities in law enforcement, treatment, prevention, or other community efforts provide direct, ongoing contact with substance abusers, or those at risk for substance abuse;

(c) That they have met the requirements listed in section 319 of this act;

(d) Evidence of additional local resources committed to its strategy totaling at least twenty-five percent of funds awarded under this section. These resources may consist of public or private funds, donated goods or services, and other measurable commitments, including in-kind contributions such as volunteer services, materials, supplies, physical facilities or a combination thereof; and

(e) That the funds applied for, if received, will not be used to replace funding for existing activities.

(2) In order to encourage and reward communities which develop coordinated or complementary strategies within geographic areas which correspond to units of government with significant responsibilities in the area of substance abuse, up to fifty percent of funds appropriated for the purposes of this chapter may be awarded on a per capita basis to eligible applications reflecting coordinated strategy from a county area or group of county areas. The governor may establish minimum allotments per eligible county areas up to fifteen thousand dollars; and

(3) No less than fifty percent of funds appropriated under this chapter shall be awarded on a competitive basis for activities by communities not participating in a county-wide strategy and activities identified by county-wide strategies but not funded through per capita grants. Eligible applications will be assessed and compared by a peer review committee whose members have experience in prevention, treatment, law enforcement, and other community efforts against substance abuse using the following criteria:

(a) The extent and impact of substance abuse;

(b) The extent to which key elements of the community are involved in and committed to the coordinated strategy;

(c) The extent of commitments of local resources to the coordinated strategy;

(d) The extent to which any activities in a community's strategy offer an innovative approach to a chronic, wide-spread problem.

The peer review committee will advise the governor on the extent to which each eligible applicant has met these criteria. The governor will distribute available funds based on this information.

(4) The governor shall distribute fifty percent of the initial appropriation for the purposes of this chapter no later than October 1, 1989, and the remainder no later than July 1, 1990.

(5) Activities funded under this section may be considered for funding in future years, but will be considered under the same terms and criteria of new activities. Funding under this section shall not constitute an obligation by the state of Washington to provide ongoing funding.

NEW SECTION. Sec. 321. The governor shall ask communities for suggestions on state practices, policies, and priorities that would help communities implement their strategies against substance abuse. The governor or appropriate agency officials shall review and respond to those suggestions making necessary changes where feasible, making recommendations to the legislature where appropriate, and providing an explanation as to why suggested changes cannot be accomplished, if the suggestions cannot be acted upon.

NEW SECTION. Sec. 322. The governor may receive such gifts, grants, and endowments from public or private sources as may be made from time to time, in trust or otherwise, for the use and benefit of the purposes of sections 315 through 322 of this act and expend the same or any income therefrom according to the terms of the gifts, grants, or endowments.

NEW SECTION. Sec. 323. Sections 315 through 322 of this act shall constitute a new chapter in Title 43 RCW.

NEW SECTION. Sec. 324. The governor shall report to the legislature by January 1, 1991, regarding the operations of the grant program authorized in section 316 of this act. At a minimum, the report shall include the following:

(1) Number of grants awarded and the amount of each grant;

(2) Recipients of grants, including the communities in which they are based;

(3) Purposes for which the grants were awarded;

(4) Success of the projects in achieving their stated goals and objectives;

(5) An assessment of the effect that the activities of this act had on encouraging and supporting coordinated community action against substance abuse;

(6) Recommendations for further funding by the state; and

(7) Recommendations regarding future operations of the program, including criteria for awarding grants.

(2) "Possession" means the control of a carbonated beverage or syrup located within this state and includes both actual and constructive possession. "Actual possession" occurs when the person with control has physical possession. "Constructive possession" occurs when the person with control does not have physical possession. "Control" means the power to sell or use a carbonated beverage or syrup or to authorize the sale or use by another.

(3) "Previously taxed carbonated beverage or syrup" means a carbonated beverage or syrup in respect to which a tax has been paid under this chapter. A "previously taxed carbonated beverage" includes carbonated beverages in respect to which a tax has been paid under this chapter on the carbonated beverage or on the syrup in the carbonated beverage.

(2) Any carbonated beverage or syrup that is transferred to a point outside the state for use outside the state.

(3) Any possession of a carbonated beverage or syrup where the first possession occurred before the effective date of this section.

NEW SECTION. Sec. 23. A new section is added to chapter 75.30 RCW to read as follows:

(1) In cooperation with the Washington commercial crab fishing industry, the department shall conduct a study of the management of the coastal crab fishery, including the potential for depletion, the number of crab fishers in the area, the need for limiting gear per vessel, the desirability of establishing a moratorium on the issuance of new coastal commercial crab fishing licenses and moratorium reciprocity with the states of Oregon and California. The study shall include the coastal shellfish management and catch reporting areas 58B, 59A, 59B, 60A, 60B, 60C, and 60D. The results and recommendations of the study shall be submitted to the governor and the appropriate committees of the legislature no later than January 1, 1991.

(2) The director may impose a moratorium on the issuance of new licenses for coastal crab fishing if the director determines it to be in the best interests of the management of the coastal crab fishery. Such a moratorium shall be implemented in the manner provided in this subsection.

(a) The moratorium may be imposed only as a result of, or during the course of, the study conducted under subsection (1) of this section and pursuant to rules adopted after public hearings and consultation with the commercial coastal crab fishing industry.

(b) The director shall implement the moratorium by requiring a license or licensing endorsement for commercial crab fishing in coastal areas. The endorsement may be issued to only those vessels:

(ii) That fished for dungeness crab and held a Washington commercial crab pot license, vessel delivery permit, or delivery permit for the 1987-88 season, or had transferred to the vessel such a license from a vessel qualifying under the license eligibility criteria of this section. Transfer of a Puget Sound crab license endorsement shall not affect license eligibility. No licensee shall receive more than one license under this subsection unless the vessels were simultaneously employed in the fishery.

(c) In a manner consistent with RCW 75.30.050 and 75.30.130, the director shall establish an advisory review board. The director, after receiving recommendations from the advisory board, may waive or reduce the landing requirement under this subsection if extenuating circumstances have prevented an individual from meeting the license eligibility requirements provided by (b) of this subsection.

(d) The issuance of commercial crab licenses for the Puget Sound licensing district is not restricted by this section. If a coastal commercial crab license moratorium is implemented, the department may require separate licenses to be issued for the coastal and Puget Sound districts, if deemed necessary to facilitate administration of the moratorium.

NEW SECTION. Sec. 24. There is appropriated from the general fund to the department of fisheries for the biennium ending June 30, 1991, the sum of twenty-five thousand dollars, or so much thereof as may be necessary, for the purposes of section 23 of this act.

NEW SECTION. Sec. 25. Sections 1 through 21 of this act shall take effect on January 1, 1990. The director of fisheries may immediately take such steps as are necessary to ensure that sections 1 through 21 of this act are implemented on their effective date."

On page 3, strike everything after line 1, and insert the following:

"NEW SECTION. Sec. 9. LEGISLATIVE FINDINGS. (1) Washington's coastal waters, seabed, and shorelines are among the most valuable and fragile of its natural resources.

(2) Ocean and marine-based industries and activities, such as fishing, aquaculture, tourism, and marine transportation have played a major role in the history of the state and will continue to be important in the future. Other industries and activities, such as those based on the development and extraction of minerals and other nonrenewable resources, can provide social and economic benefits as well.

(3) Washington's coastal waters, seabed, and shorelines are faced with conflicting use demands. Some uses may pose unacceptable environmental or social risks at certain times.

(4) At present, there is not enough information available to adequately assess the potential adverse effects of oil and gas exploration and production off Washington's coast.

(5) The state of Washington has primary jurisdiction over the management of coastal and ocean natural resources within three miles of its coastline. From three miles seaward to the boundary of the two hundred mile exclusive economic zone, the United States federal government has primary jurisdiction. Since protection, conservation, and development of the natural resources in the exclusive economic zone directly affect Washington's economy and environment, the state has an inherent interest in how these resources are managed.

NEW SECTION, Sec. 10. LEGISLATIVE POLICY AND INTENT. (1) The purpose of this chapter is to articulate policies and establish guidelines for the exercise of state and local management authority over Washington's coastal waters, seabed, and shorelines.

(2) There shall be no leasing of Washington's tidal or submerged lands extending from mean high tide seaward three miles along the Washington coast from Cape Flattery south to Cape Disappointment, nor in Grays Harbor, Willapa Bay, and the Columbia river downstream from the Longview bridge, for purposes of oil or gas exploration, development, or production until at least July 1, 1995. During the 1995 legislative session, the legislature shall determine whether the moratorium on leasing should be extended past July 1, 1995. This determination shall be based on the information available at that time, including the analysis described in section 13 of this act. If the legislature does not extend the moratorium on leasing, the moratorium will end on July 1, 1995. At any time that oil or gas leasing, exploration, and development are allowed to occur, these activities shall be required to meet or exceed the standards and criteria contained in section 12 of this act.

(3) When conflicts arise among uses and activities, priority shall be given to resource uses and activities that will not adversely impact renewable resources over uses which are likely to have an adverse impact on renewable resources.

(4) It is the policy of the state of Washington to actively encourage the conservation of liquid fossil fuels, and to explore available methods of encouraging such conservation.

(5) It is not currently the intent of the legislature to include recreational uses or currently existing commercial uses involving fishing or other renewable marine or ocean resources within the uses and activities which must meet the planning and review criteria set forth in section 12 of this act. It is not the intent of the legislature, however, to permanently exclude these uses from the requirements of section 12 of this act. If information becomes available which indicates that such uses should reasonably be covered by the requirements of section 12 of this act, the permitting government or agency may require compliance with those requirements, and appeals of that decision shall be handled through the established appeals procedure for that permit or approval.

(6) The state shall participate in federal ocean and marine resource decisions to the fullest extent possible to ensure that the decisions are consistent with the state's policy concerning the use of those resources.

NEW SECTION, Sec. 11. DEFINITIONS. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter:

(1) "Coastal counties" means Clallam, Jefferson, Grays Harbor, and Pacific counties.

(2) "Coastal waters" means the waters of the Pacific Ocean seaward from Cape Flattery south to Cape Disappointment, from mean high tide seaward two hundred miles.

NEW SECTION, Sec. 12. PLANNING AND PROJECT REVIEW CRITERIA. (1) When the state of Washington and local governments develop plans for the management, conservation, use, or development of natural resources in Washington's coastal waters, the policies in section 10 of this act shall guide the decision-making process.

(2) Uses or activities that require federal, state, or local government permits or other approvals and that will adversely impact renewable resources, marine life, fishing, aquaculture, recreation, navigation, air or water quality, or other existing ocean or coastal uses, may be permitted only if the criteria below are met or exceeded:

(a) There is a demonstrated significant local, state, or national need for the proposed use or activity;

(b) There is no reasonable alternative to meet the public need for the proposed use or activity;

(c) There will be no likely long-term significant adverse impacts to coastal or marine resources or uses;

(d) All reasonable steps are taken to avoid and minimize adverse environmental impacts, with special protection provided for the marine life and resources of the Columbia river, Willapa Bay and Grays Harbor estuaries, and Olympic national park;

(e) All reasonable steps are taken to avoid and minimize adverse social and economic impacts, including impacts on aquaculture, recreation, tourism, navigation, air quality, and recreational, commercial, and tribal fishing;

(f) Compensation is provided to mitigate adverse impacts to coastal resources or uses;

(g) Plans and sufficient performance bonding are provided to ensure that the site will be rehabilitated after the use or activity is completed; and

(h) The use or activity complies with all applicable local, state, and federal laws and regulations.

NEW SECTION. Sec. 13. OIL AND GAS LEASING ANALYSIS. Prior to September 1, 1994, the department of natural resources and the department of ecology, working together and at the direction of the joint select committee on marine and ocean resources, shall complete an analysis of the potential positive and negative impacts of the leasing of state-owned lands which is described in section 10(2) of this act. The department shall consult with the departments of fisheries, wildlife, community development, and trade and economic development, and with the public, when preparing this analysis. The analysis shall be presented to the legislature no later than September 1, 1994. This analysis shall be used by the legislature in determining whether the oil and gas leasing moratorium contained in section 10 of this act should be extended.

NEW SECTION. Sec. 14. A new section is added to chapter 90.58 RCW to read as follows:
SHORELINE MASTER PLAN REVIEW. (1) The department of ecology, in cooperation with other state agencies and coastal local governments, shall prepare and adopt ocean use guidelines and policies to be used in reviewing, and where appropriate, amending, shoreline master programs of local governments with coastal waters or coastal shorelines within their boundaries. These guidelines shall be finalized by April 1, 1990.

(2) After the department of ecology has adopted the guidelines required in subsection (1) of this section, counties, cities, and towns with coastal waters or coastal shorelines shall review their shoreline master programs to ensure that the programs conform with sections 10 and 12 of this act and with the department of ecology's ocean use guidelines. Amended master programs shall be submitted to the department of ecology for its approval under RCW 90.58.090 by June 30, 1991.

NEW SECTION. Sec. 15. The energy office shall prepare and transmit to the governor and the appropriate legislative committees of the legislature no later than September 1, 1994, a report on liquid fossil fuel supply and demand and on strategies which exist or which can be developed for conserving liquid fossil fuels. This report shall include information on how the conservation of liquid fossil fuels might affect the need for new supplies of liquid fossil fuels, and how conservation might affect the need for oil or gas leasing, exploration, or development off the coast of Washington. This report shall also contain suggestions for implementing the identified conservation strategies. This report shall be used by the legislature in determining whether the oil and gas leasing moratorium contained in section 10 of this act should be extended.

NEW SECTION. Sec. 16. A new section is added to chapter 90.58 RCW to read as follows:
 The department of ecology shall consult with affected state agencies, local governments, Indian tribes, and the public prior to responding to federal coastal zone management consistency certifications for uses and activities occurring on the federal outer continental shelf.

NEW SECTION. Sec. 17. The authority for the joint select committee on marine and ocean resources is extended until June 30, 1994. During this time, the committee shall perform the following tasks:

(1) Analyze how the state can maximize the potential positive impacts and minimize the potential negative impacts associated with proposed federal outer continental shelf lands act oil and gas lease sales of Washington's coastal waters.

(2) Analyze the advantages and disadvantages of using the energy facilities—site locations act for making decisions on onshore energy facilities. The committee shall also explore alternative approaches for making these decisions.

(3) Work in coordination with, and provide direction to, the department of natural resources in preparing the analysis described in section 13 of this act.

(4) Complete those tasks assigned to it during the 1987 legislative session in SHCR 4407.

NEW SECTION. Sec. 18. (1) The sum of one hundred eighty thousand dollars, or as much thereof as may be necessary, is appropriated for the biennium ending June 30, 1991, from the general fund to the department of ecology for the purposes of section 14 of this act. One hundred twenty thousand dollars of this amount, or as much thereof as may be necessary, shall be distributed by the department of ecology to local governments for the purpose of reviewing and amending their shoreline master programs.

(2) The sum of one hundred thousand dollars, or as much thereof as may be necessary, is appropriated for the biennium ending June 30, 1991, from the general fund to the joint select committee on marine and ocean resources to be used to contract with the departments of ecology and natural resources for purposes of the analysis in section 13 of this act.

(3) To the maximum extent possible, the department of ecology and the department of natural resources shall use federal grant funds instead of the appropriations under this section.

NEW SECTION. Sec. 19. Section captions as used in this act do not constitute any part of the law.

NEW SECTION. Sec. 20. Sections 9 through 13 of this act shall constitute a new chapter in Title 43 RCW and may be known and cited as the ocean resources management act.

NEW SECTION. Sec. 21. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 22. Sections 1 through 8 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

Correct any internal references accordingly.

On page 1, line 3 of the title, strike everything after "RCW:" and insert "adding a new chapter to Title 43 RCW; adding new sections to chapter 90.58 RCW; creating new sections; prescribing penalties; making appropriations; and declaring an emergency."

and the same are herewith transmitted.

MOTION

On motion of Senator Metcalf, the Senate concurred in the House amendments to Substitute Senate Bill No. 5315.

The President declared the question before the Senate to be the roll call on the final passage of Substitute Senate Bill No. 5315, as amended by the House.

Debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Senator Bender, this moratorium extends only to the three mile limit. If the federal government determines to lease beyond the three mile limit, are there any prohibitions?"

Senator Bender: "Senator Rasmussen, I understand the answer to that is 'no.'"

Senator Rasmussen: "So, they then can lease and they can slant drill inside the three mile limit if they want to?"

Senator Bender: "I'm not the expert on that particular issue."

Senator Rasmussen: "Senator Vognild said--"

REMARKS BY SENATOR VOGNILD

Senator Vognild: "Mr. President, in responding to Senator Rasmussen's question, I have been in contact with a couple members of our delegation in Washington, D.C. They are proposing, in Washington, D.C., that a moratorium somewhat similar to this be enacted at the federal level. They felt it was vital that we pass this legislation here showing that the state of Washington is taking a position that we believe that there are some dangers in the present operation and until such time as we know that we have the facilities to control an accident, we don't want the drilling. With the passage of this bill, they believe that they will then be able to affect the same type of moratorium at the federal level and will give us that type of protection."

Further debate ensued.

The motion by Senator Newhouse carried and the Report of the Conference Committee on Substitute House Bill No. 2011 was adopted and the committee was granted the powers of Free Conference.

PARLIAMENTARY INQUIRY

Senator Rasmussen: "Mr. President, a parliamentary inquiry, does the twenty-four hours extend from the time that this body grants the powers of Free Conference? For instance, it is 2:35 p.m. that we've granted the powers of Free Conference. Does the twenty-four hours start running from that time?"

REPLY BY THE PRESIDENT

President Pritchard: "It's from the time the Secretary received the report."

Senator Rasmussen: "Asking for the powers of free conference?"

President Pritchard: "From the time we received the Report of the Conference Committee."

Senator Rasmussen: "Yes, but my question, they're asking for the powers of Free Conference and the rules require twenty-four hours from the time the Free Conference Committee Report is laid on our desk."

REMARKS BY SENATOR NEWHOUSE

Senator Newhouse: "Mr. President, may I? Senator Rasmussen, in the case of this bill, Substitute House Bill No. 2011, you'll note on it the time this morning of 10:12

a.m. That's when this version was laid on the desk and that's the time we are referring to."

Senator Rasmussen: "Well, I'm not particularly relating to this bill, but let me ask, we may or may not grant the powers of Free Conference, so obviously, from the time we grant the powers of Free Conference, it would be the twenty-four hours we'd have to look it over?"

REPLY BY THE PRESIDENT

President Pritchard: "That's not what the rules say, Senator. It is the time the Senate receives it here, not by the time it gets to your desk, but by the time they request Free Conference."

Senator Rasmussen: "Mr. President, I understand. The Conference Committee has met and they have requested the powers of Free Conference. The Senate may or may not grant the powers of Free Conference, so the fact that it's laid on the desk--the Conference Committee asking the powers, we may not grant that for two or three days. The purpose of the rule is the time to study when a Free Conference Committee reports the bill."

"Mr. President, I point out in the old days when you were here we used to get the bills on our desk and act on them a minute before they arrived. We changed that so we would have time to study the Report of the Free Conference Committee. Thank you, Mr. President, and I'll grant you time to study that if you wish."

President Pritchard: "Well, we'll take your statement under advisement and I will talk to the learned advisors that I have here and see what better answer we can give you."

MESSAGE FROM THE HOUSE

(19) "Services" mean services which provide alternatives to incarceration for those juveniles who have pleaded or been adjudicated guilty of an offense or have signed a diversion agreement pursuant to this chapter;

(20) "Foster care" means temporary physical care in a foster family home or group care facility as defined in RCW 74.15.020 and licensed by the department, or other legally authorized care;

(21) "Violation" means an act or omission, which if committed by an adult, must be proven beyond a reasonable doubt, and is punishable by sanctions which do not include incarceration.

Sec. 2. Section 4, chapter 299, Laws of 1981 as amended by section 9, chapter 288, Laws of 1986 and RCW 13.40.027 are each amended to read as follows:

(1) It is the responsibility of the commission to: (a) (i) Evaluate the effectiveness of existing disposition standards and related statutes in implementing policies set forth in RCW 13.40.010 generally and (ii) specifically review the guidelines relating to the confinement of minor and first offenders as well as the use of diversion (~~The committee shall propose modifications to the legislature regarding subsection (1)(a)(ii) of this section by January 1, 1987~~); (b) solicit the comments and suggestions of the juvenile justice community concerning disposition standards; and (c) (~~develop and propose~~) make recommendations to the legislature regarding revisions or modifications of the disposition standards in accordance with RCW 13.40.030.

(2) It is the responsibility of the department to: (a) Provide the commission with available data concerning the implementation of the disposition standards and related statutes and their effect on the performance of the department's responsibilities relating to juvenile offenders; (b) at the request of the commission, provide technical and administrative assistance to the commission in the performance of its responsibilities; and (c) provide the commission and legislature with recommendations for modification of the disposition standards.

Sec. 3. Section 57, chapter 291, Laws of 1977 ex. sess. as last amended by section 1, chapter 73, Laws of 1985 and RCW 13.40.030 are each amended to read as follows:

(1) (a) The juvenile disposition standards commission shall (~~propose~~) recommend to the legislature no later than November 1st of each (~~even-numbered~~) year disposition standards for all offenses. The standards shall establish, in accordance with the purposes of this chapter, ranges which may include terms of confinement and/or community supervision established on the basis of a youth's age, the instant offense, and the history and seriousness of previous offenses, but in no case may the period of confinement and supervision exceed that to which an adult may be subjected for the same offense(s). Standards (~~proposed~~) recommended for offenders listed in RCW 13.40.020(1) shall include a range of confinement which may not be less than thirty days. No standard range may include a period of confinement which includes both more than thirty, and thirty or less, days. Disposition standards (~~proposed~~) recommended by the commission shall provide that in all cases where a youth is sentenced to a term of confinement in excess of thirty days the department may impose an additional period of parole not to exceed eighteen months. Standards of confinement which may be proposed may relate only to the length of the proposed terms and not to the nature of the security to be imposed. In developing (~~proposed~~) recommended disposition standards, the commission shall consider the capacity of the state juvenile facilities and the projected impact of the proposed standards on that capacity.

(b) The secretary shall submit guidelines pertaining to the nature of the security to be imposed on youth placed in his or her custody based on the age, offense(s), and criminal history of the juvenile offender. Such guidelines shall be submitted to the legislature for its review no later than November 1st of each (~~even-numbered~~) year. At the same time the secretary shall submit a report on security at juvenile facilities during the preceding (~~two-year period~~) year. The report shall include the number of escapes from each juvenile facility, the most serious offense for which each escapee had been confined, the number and nature of offenses found to have been committed by juveniles while on escape status, the number of authorized leaves granted, the number of failures to comply with leave requirements, the number and nature of offenses committed while on leave, and the number and nature of offenses committed by juveniles while in the community on minimum security status; to the extent this information is available to the secretary. The department shall include security status definitions in the security guidelines it submits to the legislature pursuant to this section.

(2) (~~If the commission fails to propose disposition standards as provided in this section, the existing standards shall remain in effect and may be adopted by the legislature or referred to the commission for modification as provided in subsection (3) of this section. If the standards are referred for modification, the provisions of subsection (4) shall be applicable.~~

(3) ~~The legislature may adopt the proposed standards or refer the proposed standards to the commission for modification. If the legislature fails to adopt or refer the proposed standards to the commission by February 15th of the following year, the proposed standards shall take effect without legislative approval on July 1st of that year.~~

(4) ~~If the legislature refers the proposed standards to the commission for modification on or before February 15th, the commission shall resubmit the proposed modifications to the legislature no later than March 1st. The legislature may adopt or modify the resubmitted proposed standards. If the legislature fails to adopt or modify the resubmitted proposed standards by April 1st, the resubmitted proposed standards shall take effect without legislative approval on July 1st of that year.~~

(5)) In developing ~~((and promulgating))~~ recommendations for the permissible ranges of confinement under this section the commission shall be subject to the following limitations:

(a) Where the maximum term in the range is ninety days or less, the minimum term in the range may be no less than fifty percent of the maximum term in the range;

(b) Where the maximum term in the range is greater than ninety days but not greater than one year, the minimum term in the range may be no less than seventy-five percent of the maximum term in the range; and

(c) Where the maximum term in the range is more than one year, the minimum term in the range may be no less than eighty percent of the maximum term in the range.

Sec. 4. Section 70, chapter 291, Laws of 1977 ex. sess. as last amended by section 8, chapter 191, Laws of 1983 and RCW 13.40.160 are each amended to read as follows:

(1) When the respondent is found to be a serious offender, the court shall commit the offender to the department for the standard range of disposition for the offense, as indicated in option A of schedule D-3, section 7 of this act.

If the court concludes, and enters reasons for its conclusion, that disposition within the standard range would effectuate a manifest injustice the court shall impose a disposition outside the standard range, as indicated in option B of schedule D-3, section 7 of this act. The court's finding of manifest injustice shall be supported by clear and convincing evidence.

A disposition outside the standard range shall be determinate and shall be comprised of confinement or community supervision, or a combination thereof. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(5), as now or hereafter amended, shall be used to determine the range. A disposition outside the standard range is appealable under RCW 13.40.230, as now or hereafter amended, by the state or the respondent. A disposition within the standard range is not appealable under RCW 13.40.230 as now or hereafter amended.

(2) Where the respondent is found to be a minor or first offender, the court shall order that the respondent serve a term of community supervision as indicated in option A or option B of schedule D-1, section 7 of this act. If the court determines that a disposition of community supervision would effectuate a manifest injustice the court may impose another disposition under option C of schedule D-1, section 7 of this act. A disposition other than a community supervision may be imposed only after the court enters reasons upon which it bases its conclusions that imposition of community supervision would effectuate a manifest injustice. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(5), as now or hereafter amended, shall be used to determine the range. The court's finding of manifest injustice shall be supported by clear and convincing evidence.

Any disposition other than community supervision may be appealed as provided in RCW 13.40.230, as now or hereafter amended, by the state or the respondent. A disposition of community supervision may not be appealed under RCW 13.40.230 as now or hereafter amended.

(3) Where a respondent is found to have committed an offense for which the respondent declined to enter into a diversion agreement, the court shall impose a term of community supervision limited to the conditions allowed in a diversion agreement as provided in RCW 13.40.080(2) as now or hereafter amended.

(4) If a respondent is found to be a middle offender:

(a) The court shall impose a determinate disposition within the standard range(s) for such offense, as indicated in option A of schedule D-2, section 7 of this act; PROVIDED, That if the standard range includes a term of confinement exceeding thirty days, commitment shall be to the department for the standard range of confinement; or

(b) The court shall impose a determinate disposition of community supervision and/or up to thirty days confinement, as indicated in option B of schedule D-2, section 7 of this act in which case, if confinement has been imposed, the court shall state either aggravating or mitigating factors as set forth in RCW 13.40.150 as now or hereafter amended.

(c) Only if the court concludes, and enters reasons for its conclusions, that disposition as provided in subsection (4) (a) or (b) of this section would effectuate a manifest injustice, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(5), as now or hereafter amended, shall be used to determine the range. The court's finding of manifest injustice shall be supported by clear and convincing evidence.

(d) A disposition pursuant to subsection (4)(c) of this section is appealable under RCW 13.40.230, as now or hereafter amended, by the state or the respondent. A disposition pursuant to subsection (4) (a) or (b) of this section is not appealable under RCW 13.40.230 as now or hereafter amended.

(5) Whenever a juvenile offender is entitled to credit for time spent in detention prior to a dispositional order, the dispositional order shall specifically state the number of days of credit for time served.

(6) In its dispositional order, the court shall not suspend or defer the imposition or the execution of the disposition.

(7) In no case shall the term of confinement imposed by the court at disposition exceed that to which an adult could be subjected for the same offense.

NEW SECTION, Sec. 5. A new section is added to chapter 13.40 RCW to read as follows:

The sentencing guidelines and prosecuting standards apply equally to juvenile offenders in all parts of the state, without discrimination as to any element that does not relate to the crime or the previous record of the offender.

NEW SECTION, Sec. 6. A new section is added to chapter 13.40 RCW to read as follows:

The total current offense points for use in the standards range matrix of schedules D-1, D-2, and D-3 are computed as follows:

(1) The disposition offense category is determined by the offense of conviction. Offenses are divided into ten levels of seriousness, ranging from low (seriousness level E) to high (seriousness level A+), see schedule A, section 7 of this act.

(2) The prior offense increase factor is summarized in schedule B, section 7 of this act. The increase factor is determined for each prior offense by using the time span and the offense category in the prior offense increase factor grid. Time span is computed from the date of the prior offense to the date of the current offense. The total increase factor is determined by totaling the increase factors for each prior offense and adding a constant factor of 1.0.

(3) The current offense points are summarized in schedule C, section 7 of this act. The current offense points are determined for each current offense by locating the juvenile's age on the horizontal axis and using the offense category on the vertical axis. The juvenile's age is determined as of the time of the current offense and is rounded down to the nearest whole number.

(4) The total current offense points are determined for each current offense by multiplying the total increase factor by the current offense points. The total current offense points are rounded down to the nearest whole number.

(1) Complaints referred to the juvenile court alleging the commission of an offense shall be referred directly to the prosecutor. The prosecutor, upon receipt of a complaint, shall screen the complaint to determine whether:

(a) The alleged facts bring the case within the jurisdiction of the court; and

(b) On a basis of available evidence there is probable cause to believe that the juvenile did commit the offense.

(2) If the identical alleged acts constitute an offense under both the law of this state and an ordinance of any city or county of this state, state law shall govern the prosecutor's screening and charging decision for both filed and diverted cases.

(3) If the requirements of subsections (1) (a) and (b) of this section are met, the prosecutor shall either file an information in juvenile court or divert the case, as set forth in subsections (5), (6), and (7) of this section. If the prosecutor (~~neither files nor diverts the case, he~~) finds that the requirements of subsection (1) (a) and (b) of this section are not met, the prosecutor shall maintain a record, for one year, of such decision and the reasons therefor. In lieu of filing an information or diverting an offense a prosecutor may file a motion to modify community supervision where such offense constitutes a violation of community supervision.

(4) An information shall be a plain, concise, and definite written statement of the essential facts constituting the offense charged. It shall be signed by the prosecuting attorney and conform to chapter 10.37 RCW.

(d) An alleged offender has three or more diversions on the alleged offender's criminal history within eighteen months of the current alleged offense.

(6) Where a case is legally sufficient the prosecutor shall divert the case if the alleged offense is a misdemeanor or gross misdemeanor or violation and the alleged offense(s) in combination with the alleged offender's criminal history do not exceed (~~three~~) two offenses or violations and do not include any felonies: PROVIDED, That if the alleged offender is charged with a related offense that must or may be filed under subsections (5) and (7) of this section, a case under this subsection may also be filed.

(7) Where a case is legally sufficient and falls into neither subsection (5) nor (6) of this section, it may be filed or diverted. In deciding whether to file or divert an offense under this section the prosecutor shall be guided only by the length, seriousness, and recency of the alleged offender's criminal history and the circumstances surrounding the commission of the alleged offense.

(8) Whenever a juvenile is placed in custody or, where not placed in custody, referred to a diversionary interview, the parent or legal guardian of the juvenile shall be notified as soon as possible concerning the allegation made against the juvenile and the current status of the juvenile.

(9) The responsibilities of the prosecutor under subsections (1) through (8) of this section may be performed by a juvenile court probation counselor for any complaint referred to the court alleging the commission of an offense which would not be a felony if committed by an adult, if the prosecutor has given sufficient written notice to the juvenile court that the prosecutor will not review such complaints."

REPORT OF CONFERENCE COMMITTEE

RE: 2SSB 5375

Relating to a DNA identification data base.

April 19, 1989

Mr. President:

Mr. Speaker:

We of your Conference Committee to whom the above measure was referred, have had the same under consideration and we report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

Reject the House Appropriations Committee striking amendment and adopt the following striking amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that recent developments in molecular biology and genetics have important applications for forensic science. It has been scientifically established that there is a unique pattern to the chemical structure of the deoxyribonucleic acid (DNA) contained in each cell of the human body. The process for identifying this pattern is called "DNA identification."

The legislature further finds that the accuracy of identification provided by this method is superior to that of any presently existing technique and recognizes the importance of this scientific breakthrough in providing a reliable and accurate tool for the investigation and prosecution of sex offenses as defined in RCW 9.94A.030(26) and violent offenses as defined in RCW 9.94A.030(29).

NEW SECTION. Sec. 2. (1) To support criminal justice services in the local communities throughout this state, the state patrol in consultation with the University of Washington school of medicine shall develop a plan for and establish a DNA identification system. In implementing the plan, the state patrol shall purchase the appropriate equipment and supplies. The state patrol shall procure the most efficient equipment available.

(2) The DNA identification system as established shall be compatible with that utilized by the federal bureau of investigation.

(3) The state patrol and the University of Washington school of medicine shall report on the DNA identification system to the legislature no later than November 1, 1989. The report shall include a time line for implementing each stage, a local agency financial participation analysis, a system analysis, a full cost/purchase analysis, a vendor bid evaluation, and a space location analysis that includes a site determination. The state patrol shall coordinate the preparation of this report with the office of financial management.

NEW SECTION. Sec. 3. (1) An oversight committee shall recommend to the legislature by November 1, 1989, specific rules and procedures for the collection, analysis, storage, expungement, and use of DNA identification data. The rules and procedures shall be designed to protect the privacy interests of affected parties. The chief of the Washington state patrol or the chief's designee shall chair the committee which shall consist of forensic evidence, biomedical ethics, and civil liberties experts and eight legislators. The speaker of the house of representatives shall appoint four legislators from the judiciary committee and the president of the senate shall appoint four senators from the law and justice committee. The proposed rules and procedures shall be included in the November 1, 1989, report to the legislature.

(2) The Washington state patrol in cooperation with the University of Washington school of medicine shall also develop a program for the proper administration and collection of blood samples. This program shall include requirements that the blood samples be taken under sanitary conditions in a medically approved manner by a physician, registered nurse, or licensed phlebotomist.

NEW SECTION. Sec. 4. After July 1, 1990, every individual convicted in a Washington superior court of a felony defined as a sex offense under RCW 9.94A.030(26)(a) or a violent offense as defined in RCW 9.94A.030(29) shall have a blood sample drawn for purposes of DNA identification analysis before release from or transfer to a state correctional institution or county jail or detention facility. Any blood sample taken pursuant to sections 2 through 6 of this act shall be used solely for the purpose of providing DNA or other blood grouping tests for identification analysis and prosecution of a sex offense or a violent offense.

NEW SECTION. Sec. 5. The state patrol in consultation with the University of Washington school of medicine may:

(1) Provide DNA analysis services to law enforcement agencies throughout the state after July 1, 1990;

(2) Provide assistance to law enforcement officials and prosecutors in the preparation and utilization of DNA evidence for presentation in court; and

(3) Provide expert testimony in court on DNA evidentiary issues.

NEW SECTION. Sec. 6. (1) Except as provided in subsection (3) of this section, no local law enforcement agency may establish or operate a DNA identification system before July 1, 1990, and unless:

(a) The equipment of the local system is compatible with that of the state system under section 2 of this act;

(b) The local system is equipped to receive and answer inquiries from the Washington state patrol DNA identification system and transmit data to the Washington state patrol DNA identification system; and

(c) The procedure and rules for the collection, analysis, storage, expungement, and use of DNA identification data do not conflict with procedures and rules applicable to the state patrol DNA identification system.

(2) The Washington state patrol shall adopt rules to implement this section.

(3) Nothing in subsections (1) and (2) of this section shall prohibit a local law enforcement agency from performing DNA identification analysis in individual cases to assist law enforcement officials and prosecutors in the preparation and use of DNA evidence for presentation in court.

NEW SECTION. Sec. 7. Sections 1 through 6 of this act are each added to chapter 43.43 RCW.

NEW SECTION. Sec. 8. Any moneys received by the state from the federal bureau of justice assistance shall be used to conserve state funds if not inconsistent with the terms of the grant. To the extent that federal funds are available for the purposes of this act, state funds appropriated in this section shall lapse and revert to the general fund.

NEW SECTION. Sec. 9. The sum of six hundred ten thousand dollars, or as much thereof as may be necessary, is appropriated for the biennium ending June 30, 1991, from the general fund to the state patrol for the purposes of this act."

On page 1, line 1 of the title, after "identification;" strike the remainder of the title and insert "adding new sections to chapter 43.43 RCW; creating a new section; and making an appropriation."

PERSONAL PRIVILEGE

Senator Murray: "Mr. President, I rise to a point of personal privilege. Would Senator Moore yield to a question? Senator Moore, as you know, information flows very slowly to the back row, but I just heard a rumor a few minutes ago that it was your birthday a few days ago. Is that correct?"

Senator Moore: "I think there's been some mistake here. I really, at my age, I don't remember too well, but thank you for raising the question."

Senator Murray: "That was a very political response, but I did want you to know that I am honored to wish you a Happy Birthday, Senator Moore. Mr. President:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5897 with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature recognizes that alcoholism and drug addiction are treatable, primary diseases and that most persons with this illness can recover. The legislature further recognizes that distinguishing alcoholics and drug addicts from persons incapacitated due to physical disability or mental illness is necessary in order to provide an incentive for them to seek treatment and rehabilitation focused on alcoholism and/or drug addiction. However, the legislature recognizes that when this disease has progressed to the stage where a person's alcoholism or drug addiction has resulted in cognitive impairment, it is appropriate to provide general assistance benefits.

Sec. 2. Section 1, chapter 6, Laws of 1981 1st ex. sess. as last amended by section 31, chapter 75, Laws of 1987 and by section 9, chapter 406, Laws of 1987 and RCW 74.04.005 are each reenacted and amended to read as follows:

For the purposes of this title, unless the context indicates otherwise, the following definitions shall apply:

(2) "Department"—The department of social and health services.

(3) "County or local office"—The administrative office for one or more counties or designated service areas.

(4) "Director" or "secretary" means the secretary of social and health services.

(5) "Federal-aid assistance"—The specific categories of assistance for which provision is made in any federal law existing or hereafter passed by which payments are made from the

federal government to the state in aid or in respect to payment by the state for public assistance rendered to any category of needy persons for which provision for federal funds or aid may from time to time be made, or a federally administered needs-based program.

(6)(a) "General assistance"—Aid to persons in need who:

(i) Are not eligible to receive federal-aid assistance, other than food stamps and medical assistance; however, an individual who refuses or fails to cooperate in obtaining federal-aid assistance, without good cause, is not eligible for general assistance;

(ii) Are either:

(A) Pregnant: PROVIDED, That need is based on the current income and resource requirements of the federal aid to families with dependent children program: PROVIDED FURTHER, That during any period in which an aid for dependent children employable program is not in operation, only those pregnant women who are categorically eligible for medicaid are eligible for general assistance; or

(B) (~~Incapacitated from gainful employment by reason of bodily or mental infirmity that will likely continue for a minimum of sixty days as determined by the department. Persons who are unemployable due to alcohol or drug addiction are not eligible for general assistance. Persons receiving general assistance on July 26, 1987, or becoming eligible for such assistance thereafter, due to an alcohol or drug-related incapacity, shall be referred to appropriate assessment, treatment, shelter, or supplemental security income referral services as authorized under chapter 74.50 RCW.~~) As determined by the department, incapacitated from gainful employment when such incapacity is expected to continue for a minimum of sixty days, because of:

(I) Physical or mental infirmity other than alcoholism or drug addiction where the finding is based on documented evidence from a physician or psychologist; or

(II) Alcoholism or drug addiction to the extent that the impairment of the applicant's cognitive ability will not dissipate with sobriety, based on documented evidence from a physician, psychologist, or alcohol or drug treatment professional who is determined by the department to be qualified to make this finding. If it is found that an applicant needs detoxification services before his or her incapacity can be determined, the applicant shall accept and complete such detoxification services, if available. Services to individuals eligible under subsection 6(a)(ii)(B)(II) of this section shall constitute a separate program subject to separate appropriation by the legislature.

Each recipient of assistance based on a primary or secondary incapacity of alcoholism or drug addiction shall receive assistance through a protective payee or an intensive protective payee. The department shall develop a protective payee system that includes defined maximum weekly cash disbursements to recipients, procedures for direct payment of recipients' basic needs, such as rent and utilities, and safeguards to prevent the diversion of assistance to purchase alcohol or drugs. The intensive protective payee system also shall include a case management function. The department may require that a recipient receive assistance through the intensive protective payee system. The department may contract with qualified persons or entities to provide protective payee or intensive protective payee services for a fixed amount per recipient per month. Persons who apply for assistance under this section based upon alcoholism or drug addiction, whether or not they are determined eligible for assistance under this section, shall be referred to appropriate assessment, treatment, or program services that may be available to them under chapters 69.54, 70.96, and 70.96A RCW. (i) Recipients of supplemental security income whose need, as defined in this section, is not met by such supplemental security income grant because of separation from a spouse; or

(ii) To the extent authorized by the legislature in the biennial appropriations act, to recipients of aid to families with dependent children whose needs are not being met because of a temporary reduction in monthly income below the entitled benefit payment level caused by loss or reduction of wages or unemployment compensation benefits or some other unforeseen circumstances. The amount of general assistance authorized shall not exceed the difference between the entitled benefit payment level and the amount of income actually received.

(c) General assistance shall be provided only to persons who are not members of assistance units receiving federal aid assistance, except as provided in subsection (6)(a)(ii)(A) and (b) of this section, and will accept available services which can reasonably be expected to enable the person to work or reduce the need for assistance unless there is good cause to refuse; PROVIDED, That persons receiving general assistance based upon an incapacity of alcoholism or drug addiction shall not be required to accept treatment services for their addiction. Failure to accept such services shall result in termination until the person agrees to cooperate in accepting such services and subject to the following maximum periods of ineligibility after reapplcation:

(iii) Third and subsequent failure within one year: Two months.

(d) The department shall adopt by rule medical criteria for general assistance eligibility to ensure that eligibility decisions are consistent with statutory requirements and are based on clear, objective medical information.

(e) The process implementing the medical criteria shall involve consideration of opinions of the treating or consulting physicians or health care professionals regarding incapacity, and any eligibility decision which rejects uncontroverted medical opinion must set forth clear and convincing reasons for doing so.

(f) Recipients of general assistance who remain otherwise eligible shall not have their benefits terminated absent a clear showing of material improvement in their medical or mental condition or specific error in the prior determination that found the recipient eligible by reason of incapacitation.

(7) "Applicant"—Any person who has made a request, or on behalf of whom a request has been made, to any county or local office for assistance.

(8) "Recipient"—Any person receiving assistance and in addition those dependents whose needs are included in the recipient's assistance.

(9) "Standards of assistance"—The level of income required by an applicant or recipient to maintain a level of living specified by the department.

(10) "Resource"—Any asset, tangible or intangible, owned by or available to the applicant at the time of application, which can be applied toward meeting the applicant's need, either directly or by conversion into money or its equivalent: PROVIDED, That an applicant may retain the following described resources and not be ineligible for public assistance because of such resources.

(a) A home, which is defined as real property owned and used by an applicant or recipient as a place of residence, together with a reasonable amount of property surrounding and contiguous thereto, which is used by and useful to the applicant. Whenever a recipient shall cease to use such property for residential purposes, either for himself or his dependents, the property shall be considered as a resource which can be made available to meet need, and if the recipient or his dependents absent themselves from the home for a period of ninety consecutive days such absence, unless due to hospitalization or health reasons or a natural disaster, shall raise a rebuttable presumption of abandonment: PROVIDED, That if in the opinion of three physicians the recipient will be unable to return to the home during his lifetime, and the home is not occupied by a spouse or dependent children or disabled sons or daughters, such property shall be considered as a resource which can be made available to meet need.

(b) Household furnishings and personal effects and other personal property having great sentimental value to the applicant or recipient, as limited by the department consistent with limitations on resources and exemptions for federal aid assistance.

(c) A motor vehicle, other than a motor home, used and useful having an equity value not to exceed one thousand five hundred dollars.

(d) All other resources, including any excess of values exempted, not to exceed one thousand dollars or other limit as set by the department, to be consistent with limitations on resources and exemptions necessary for federal aid assistance.

(e) Applicants for or recipients of general assistance may retain the following described resources in addition to exemption for a motor vehicle or home and not be ineligible for public assistance because of such resources:

(i) Household furnishings, personal effects, and other personal property having great sentimental value to the applicant or recipient;

(ii) Term and burial insurance for use of the applicant or recipient;

(iii) Life insurance having a cash surrender value not exceeding one thousand five hundred dollars; and

(iv) Cash, marketable securities, and any excess of values above one thousand five hundred dollars equity in a vehicle and above one thousand five hundred dollars in cash surrender value of life insurance, not exceeding one thousand five hundred dollars for a single person or two thousand two hundred fifty dollars for a family unit of two or more. The one thousand dollar limit in subsection (10)(d) of this section does not apply to recipients of or applicants for general assistance.

(f) If an applicant for or recipient of public assistance possesses property and belongings in excess of the ceiling value, such value shall be used in determining the need of the applicant or recipient, except that: (i) The department may exempt resources or income when the income and resources are determined necessary to the applicant's or recipient's restoration to independence, to decrease the need for public assistance, or to aid in rehabilitating the applicant or recipient or a dependent of the applicant or recipient; and (ii) the department may provide grant assistance to persons who are otherwise ineligible because of excess real property owned by such persons when they are making a good faith effort to dispose of that property, but the recipient must sign an agreement to dispose of the property and repay assistance payments made to the date of disposition of the property which would not have been made had the disposal occurred at the beginning of the period for which the payments of such assistance were made. In no event shall such amount due the state exceed the net proceeds otherwise available to the recipient from the disposition, unless after nine months from the date of the agreement the property has not been sold, or if the recipient's eligibility for financial assistance ceases for any other reason. In these two instances the entire amount of assistance paid during this period will be treated as an overpayment and a debt due the state, and may be recovered pursuant to RCW 43.20B.630.

(11) "Income"—(a) All appreciable gains in real or personal property (cash or kind) or other assets, which are received by or become available for use and enjoyment by an applicant or recipient during the month of application or after applying for or receiving public assistance: PROVIDED, That the department may by rule and regulation exempt income received by an applicant for or recipient of public assistance which can be used by him to decrease his need for public assistance or to aid in rehabilitating him or his dependents, but such exemption shall not, unless otherwise provided in this title, exceed the exemptions of resources granted under this chapter to an applicant for public assistance: PROVIDED FURTHER, That in determining the amount of assistance to which an applicant or recipient of aid to families with dependent children is entitled, the department is hereby authorized to disregard as a resource or income the earned income exemptions consistent with federal requirements: PROVIDED FURTHER, The department may permit the above exemption of earnings of a child to be retained by such child to cover the cost of special future identifiable needs even though the total exceeds the exemptions or resources granted to applicants and recipients of public assistance, but consistent with federal requirements. In formulating rules and regulations pursuant to this chapter, the department shall define income and resources and the availability thereof, consistent with federal requirements. All resources and income not specifically exempted, and any income or other economic benefit derived from the use of, or appreciation in value of, exempt resources, shall be considered in determining the need of an applicant or recipient of public assistance.

(b) If, under applicable federal requirements, the state has the option of considering property in the form of lump sum compensatory awards or related settlements received by an applicant or recipient as income or as a resource, the department shall consider such property to be a resource.

(12) "Need"—The difference between the applicant's or recipient's standards of assistance for himself and the dependent members of his family, as measured by the standards of the department, and value of all nonexempt resources and nonexempt income received by or available to the applicant or recipient and the dependent members of his family.

(13) In the construction of words and phrases used in this title, the singular number shall include the plural, the masculine gender shall include both the feminine and neuter genders and the present tense shall include the past and future tenses, unless the context thereof shall clearly indicate to the contrary.

NEW SECTION. Sec. 3. A new section is added to chapter 69.54 RCW to read as follows:

(1) The department shall provide, within available funds, client assessment and treatment services to persons suffering problems related to narcotic and other dangerous drugs through contracts with approved drug treatment providers or counties. The treatment services may include, but are not limited to:

(a) Intensive inpatient treatment services;

(b) Recovery house treatment;

(c) Outpatient treatment and counseling, which may include assistance in obtaining employment and a living allowance while undergoing outpatient treatment. The living allowance may not be used to provide shelter to clients in a dormitory setting that does not require sobriety as a condition of residence. The living allowance shall be administered on the clients' behalf by the outpatient treatment facility or other social service agency designated by the department. The department is authorized to pay the facility a fee for administering this allowance.

(2) Where treatment includes either residential care or a living stipend, the assessment service shall include a diagnostic evaluation for the purpose of determining who may receive treatment services and what treatment is appropriate. The department may require an applicant to complete a residential evaluation for the purpose of clarifying individualized treatment

needs when the department is not capable of making an accurate assessment of that individual's needs within the ordinary assessment process.

(3) The department may require an applicant or recipient selecting treatment to complete inpatient and recovery house treatment when, in the judgment of a designated assessment center, such treatment is necessary prior to providing the outpatient program.

(4) The department shall give priority in providing client assessment and treatment services to recipients of public assistance whose treatment needs cannot be met through Title XIX of the federal social security act, and to persons with household income at or below one hundred fifty percent of the federal poverty level as determined annually by the federal department of health and human services. In establishing priorities, the department also shall consider the following:

(a) The need for treatment in conjunction with maternity care services for drug abusing pregnant women to assure healthy births; and

(b) The potential impact on families and children if treatment is unavailable for drug abusing parents or household members.

The department shall strive to serve all of those requesting treatment. If a waiting list develops, the department may limit treatment under this chapter to pregnant women, parents of young children, and indigent persons.

Treatment programs under this chapter for special populations such as pregnant women and single parents with children shall be designed to coordinate with programs providing maternity care services, including case management and support services, and child care, or to incorporate such services as necessary.

(5) With the exception of those treatment services funded through alcohol and drug grants to counties, no individual may receive a combination of inpatient or outpatient treatment services for a total of more than six months in any two-year period. The department may approve an additional treatment or living allowance in an exceptional case.

(6) The department may provide medical care services to indigent persons receiving treatment services under this chapter within available treatment funds, when (a) such medical care services are necessary for successful completion of the treatment program; and (b) no other medical services are available.

REPORT OF FREE CONFERENCE COMMITTEE

Creating the Omnibus Alcohol and Controlled Substance Act of 1989.

April 20, 1989

Mr. President:

Mr. Speaker:

We of your Free Conference Committee, have had the same under consideration and we recommend that the measure be amended as proposed under the request for Free Conference and that the bill do pass as amended by the Free Conference Committee.

(See Report of Conference Committee on Engrossed Second Substitute House Bill No. 1793 and the request for powers of Free Conference read in earlier today.)

Signed by Senators Newhouse, Niemi, Nelson; Representatives Appelwick, Wineberry, Patrick.

MOTION

Senator Newhouse moved that the Senate adopt the Report of the Free Conference Committee on Engrossed Second Substitute House Bill No. 1793.

POINT OF ORDER

Senator Williams: "A point of order, Mr. President. I'd like to raise the scope and object on a segment of this bill. It is on page 55, subsection 2 of New Section 233. The particular language here deals with new language that has not been in

the bill before. It deals with granting clubs holding Class H liquor licenses—additional categories of people that they may serve in their establishments. It is, in my mind, totally unrelated to the Omnibus Drug Bill. It is language that was contained in a House Bill that did not pass out of the Economic Development and Commerce and Labor Committees. It was House Bill No. 1127. This is language which I think is not appropriate and outside of the scope and object of the bill."

Debate ensued.

PARLIAMENTARY INQUIRY

Senator Newhouse: "It has long been the custom of the Senate that on points of order which are not debatable in either Reed's Rules, which you fall back on or even Roberts Rules, that we have allowed by custom, one short speech on each side of the issue and those have already been allowed. I suggest there should be no more debate."

REPLY BY THE PRESIDENT

President Pritchard: "That's true, it is the custom. It's the discretion of the Chair and I think I'll allow a little more discussion."

POINT OF ORDER

Senator Sutherland: "Thank you, Mr. President. Actually I rise to a separate point of order, if I could please. I'd also like to ask you to rule on the scope and object dealing with Sections 507 and 508. Those sections deal with a method of taxation that are included in this piece of legislation. Understanding, that in the past or previous days of this legislative session, you've ruled very closely and very carefully on what can be included as far as opening the scope. No where during the legislative process, until it went to a Free Conference Committee, was there any discussion about taxation dealing with soda pop. In the Conference Committee Report in Sections 506, 507 and 508, the committee entertained a new topic that has not been discussed anywhere. New sections are being amended and I think it's clearly outside the scope and object and I'd ask for a ruling on Sections 506, 507 and 508."

Further debate ensued.

FURTHER POINT OF ORDER

Senator Williams: "Mr. President, I have one other point of order or one other scope and object I'd like to refer you to. However, if I might just comment about the previous one briefly. Senator Talmadge has indicated that the Omnibus Drug Bill basically deals with substance abuse, programs, and penalties, and that sort of thing. The language that has been added in that section I've identified has nothing whatsoever to do with substance abuse. It's simply creates new criteria for the people that clubs may service in terms of their Class H license.

"Mr. President, if I might. The other area where I'd like to raise a point of order on scope and object is on page 58, lines 2 through 8. The section that we're dealing with is identified as neighborhood blight and it sets up a process where every county, city and town may acquire by condemnation, etc. certain properties which constitute blight. Then it goes on to define blight.

"In all the previous sections of this bill that have defined blight, blight has been defined as those properties associated with illegal drug activity or other crimes during the previous twelve months, etc. The language here allows the condemnation of property when they do not comply with local fire, building, housing, zoning, or other health and safety codes, as well as condemnation when there is an accumulation of debris, litter, and other material that is conducive to ill health or endangers life or property, etc. This, I believe, goes beyond the definition of blight as has been carried through this bill all along and I think goes beyond the scope and object of the bill."

MOTION

At 6:43 p.m., on motion of Senator Newhouse, the Senate adjourned until 9:00 a.m., Saturday, April 22, 1989.

MOTION

On motion of Senator Newhouse, the Report of the Conference Committee on House Bill No. 1478 was adopted.

There being no objection, the Senate resumed consideration of Engrossed Second Substitute House Bill No. 1793 and the pending Report of the Free Conference Committee, deferred April 21, 1989.

RULING BY THE PRESIDENT

President Pritchard: "In ruling upon the point of order raised by Senator Williams, the President finds that Engrossed Second Substitute House Bill No. 1793 is an omnibus measure designed to combat alcohol and controlled substance abuse. The bill would, among other things, increase penalties; create new offenses; allow the recording of drug transactions in certain situations; provide for property forfeitures; off limit areas and drug site cleanup; create a preemptive keg registration program; allow for government condemnation of unoccupied properties associated with illegal drug activity; provide for grants; make changes in the involuntary treatment program; provide for early school intervention programs and provide for funding for the act through a variety of taxes.

"Section 233 of the Free Conference Report adds a new subsection which allows clubs holding a Class H liquor license to sell club liquor to a variety of non-members.

"The President, therefore, finds that Section 233 does change the scope and object of the bill and that the point of order is well taken."

Section 233 of the Free Conference Committee Report to Engrossed Second Substitute House Bill No. 1793 was ruled out of order.

RULING BY THE PRESIDENT

President Pritchard: "In ruling upon the point of order raised by Senator Sutherland, the President finds that Sections 505-508 of the Free Conference Report provide for a tax for funding the act.

"The President, therefore, find that Sections 505-508 do not change the scope and object of the bill and that the point of order is not well taken."

Sections 505-508 of the Free Conference Committee Report to Engrossed Second Substitute House Bill No. 1793 were ruled in order.

RULING BY THE PRESIDENT

President Pritchard: "In ruling upon the point of order raised by Senator Williams, the President finds that Section 239 of the Free Conference Report expands the definition of 'neighborhood blight' and increases government condemnation authority by including unoccupied properties which do not comply with applicable codes or zoning, or are deemed conducive to ill health or dangerous to life or property as determined by a county health department regardless of whether the property has any connection with illegal drug activity.

"The President, therefore, finds that Section 239 does change the scope and object of the bill and that the point of order is well taken."

Section 239 of the Free Conference Committee Report to Engrossed Second Substitute House Bill No. 1793 was ruled out of order.

FURTHER RULING BY THE PRESIDENT

President Pritchard: "Because the points of order regarding Sections 233 and 239 are well taken, the President finds that the Report of the Free Conference Committee on Engrossed Second Substitute House Bill No. 1793 is beyond the scope and object of the bill."

MOTION

Senator Newhouse moved that the Report of the Free Conference Committee on Engrossed Second Substitute House Bill No. 1793 be not adopted and that the committee be instructed to propose a report consistent with the President's Ruling. Debate ensued.

MOTION

Senator Sutherland moved that the new report not include Sections 506-508.

The President declared the question before the Senate to be the motion by Senator Sutherland that the new report not include Sections 506-508.

The motion by Senator Sutherland failed.

The President declared the question before the Senate to be the motion by Senator Newhouse that the Senate do not adopt the Report of the Free Conference Committee on Engrossed Second Substitute House Bill No. 1793 and that the committee be instructed to propose a report consistent with the President's Ruling.

The motion by Senator Newhouse carried and the Report of the Free Conference Committee on Engrossed Second Substitute House Bill No. 1793 was not adopted and the committee be instructed to propose a report consistent with the President's Ruling.

REPORT OF CONFERENCE COMMITTEE

RE: ESHB 2137

Establishing targeted sectors for economic development.

April 21, 1989

Mr. President:

Mr. Speaker:

We of your Conference Committee to whom the above measure was referred, have had the same under consideration and we report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

(1) That the Senate Committee on Economic Development and Labor committee amendments adopted on April 10, 1989, be rejected; and

(2) Adopt the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that the future health of certain sectors of Washington state's economy is at risk in the face of increasing global competition. The service and aerospace industries have responded well to this increasing global competition. However, certain traditional industries, such as forest products and agriculture, have experienced some decline. Significant public and private resources are being directed toward restoring the vitality of these industries.

(2) The legislature finds that, in addition to these industries, there are a number of emerging sectors in the state economy which offer real promise. These include biotechnology and food processing. In the next decade, these emerging sectors can be among the state's strongest, most stable sectors able to successfully compete in the global market. It is the purpose of sections 1 through 6 of this act to help these emerging sectors by encouraging a broader base and support for their development. It is also the purpose of this act to ensure that more specific direction is given to the department in developing its programs and that the impact of resources the department directs toward targeted sectors is better measured.

(3) The legislature also finds that the state must work in partnership with the private sector to enhance economic development, whether restoring the vitality of declining industries or developing new industries with good economic potential. In order for the public and private efforts to be most successful, the state, particularly the department, must clearly articulate: (a)

Its goals and objectives; (b) its appraisal of the sector that led to the goals and objectives; (c) its choice of strategy for achieving the goals and objectives; (d) its implementation plans and timetables; and (e) its evaluation criteria and process. The department must work with the private sector and the legislature in the analysis, the setting of goals, the choice of strategy, and the evaluation process so that all parties have input into and understand how the problem is being defined and how the problem is being solved.

NEW SECTION. Sec. 2. (1) The department shall establish targeted sector programs in the areas of biotechnology and food processing. The purpose of these programs shall be to analyze the current state of the targeted sector and develop an action plan and program for each targeted sector to increase the sales of products from these sectors nationally and internationally. The department shall also develop an evaluation process to measure the effectiveness of the targeted sector programs. The targeted sector programs are intended to significantly increase the jobs and capital investment in these sectors through a well-conceived and implemented marketing plan.

(2) A targeted sector program within the department shall:

(a) Administer the targeted sector programs established in subsection (1) of this section;

(b) Work with the advisory committee and subcommittees created in section 4 of this act to appraise each targeted sector, develop alternatives to assist in the development of the sector, choose a strategy for assisting the targeted sector, and evaluate the strategy and its implementation for effectiveness; and

(c) Work with other state agencies, local governments, and the private sector.

NEW SECTION. Sec. 3. (1) The department may contract with public or private organizations, such as the international marketing program for agricultural products and trade or the northwest policy center, to appraise the targeted sector to determine the current state of the sector prior to the department undertaking program development or marketing under section 2 of this act. In making this appraisal, the department shall consider, but shall not be limited to, the following: (a) The strengths and weaknesses of the sector; (b) the opportunities and risks in the sector; (c) any emerging products, processes and market niches in the sector; (d) the commercialization of technology related to the sector; (e) the availability of capital in the sector; (f) the education and training needs in the sector; (g) the infrastructure development in the sector; (h) the number of employees and businesses in the sector; and (i) the role the state should play in the long-term development of the sector.

(2) The department shall base its marketing strategy and action plan for each targeted sector on the appraisal of the sector under subsection (1) of this section. Where needs are identified in the appraisal of the sector but are beyond the scope of the department's program or ability to accomplish without additional resources, the department shall provide clear recommendations to the legislature regarding an action plan the state should implement to address these identified needs.

NEW SECTION. Sec. 4. (1) The department shall establish an advisory committee for its targeted sector program. The advisory committee shall provide policy direction regarding:

(a) The appraisal process;

(b) Program development;

(c) Program implementation; and

(d) The evaluation criteria and process for the target sector programs.

(2) The advisory committee shall include:

(a) At the discretion of the house of representatives and the senate, four legislators, one from each caucus in the house of representatives appointed by the speaker of the house, and one from each caucus in the senate appointed by the president of the senate;

(b) Three members of the department of agriculture food products processing advisory committee appointed by the chairperson of this advisory committee;

(c) Three members of the Washington state biotechnology association appointed by the chairperson of this association; and

(d) Other members appointed by the director, such as industry experts, financing experts, venture capitalists, patent attorneys, and marketing experts, representing a variety of interests and geographic areas.

The chairperson of the advisory committee shall be appointed by the director and shall serve as chairperson at the discretion of the director.

(3) The advisory committee shall create a subcommittee for each targeted sector. The members of each subcommittee, except as provided otherwise in this subsection, shall be appointed by the chairperson of the advisory committee in consultation with the advisory committee; the subcommittees may include persons who are not members of the advisory committee. The subcommittee for each targeted sector shall include persons with expertise in that sector. Each of the members appointed to the advisory committee under subsection (2)(b) of this section shall also serve on the subcommittee for the food processing targeted sector; each of the members appointed to the advisory committee under subsection (2)(c) of this section shall also serve on the subcommittee for the biotechnology targeted sector.

(4) The advisory committee and subcommittees shall provide policy and program direction to the targeted sector program created under section 2(2) of this act, and shall consider the role of other state agencies and the private sector in advising the department.

(5) The members of the advisory committee and the subcommittees shall serve two-year terms. The legislative members may be reimbursed for travel expenses under RCW 44.04.120. Other members may be reimbursed for their travel expenses under RCW 43.03.050 and 43.03.060.

NEW SECTION. Sec. 5. The department shall also establish a targeted sector program in manufactured forest products. This program shall be part of the targeted sector program established under section 2(2) of this act, and the department shall conduct an appraisal, as described in section 3 of this act, for the manufactured forest products targeted sector. Three members of the evergreen partnership appointed by the director of the evergreen partnership shall be included in the advisory committee established under section 4 of this act, and these persons shall also be part of the subcommittee on the manufactured forest products targeted sector. The department shall also report on the manufactured forest products targeted sector as part of its reporting duties under section 9 of this act.

NEW SECTION. Sec. 6. The business assistance center of the department of trade and economic development, in consultation with the Washington state institute for public policy and the northwest policy center shall review the establishment of an industrial extension grant program in targeted sectors. The department shall conduct this review to the extent existing resources permit.

NEW SECTION. Sec. 7. The department, in reviewing the establishment of the industrial extension program, shall identify:

- (1) The manner in which the program should be structured and funded;
- (2) The scope of services that should be provided; and
- (3) The availability of possible grant recipients that could provide services under the program.

NEW SECTION. Sec. 8. The business assistance center shall examine mechanisms for the establishment of flexible manufacturing networks or consortia in targeted sectors through which small firms cooperatively access modernization, marketing, training and other services. The department shall conduct this study to the extent existing resources permit.

NEW SECTION. Sec. 9. By January 10th of each year the department shall report in writing on its targeted sector programs to the trade and economic development committee in the house of representatives and the economic development and labor committee in the senate. The department shall report on each element of the targeted sector program, including: (1) Appraisal of the sector; (2) alternatives for assisting in the growth and development of the sector; (3) the choice of the strategy and the rationale behind that choice; (4) the implementation of the strategy; and (5) the evaluation of the targeted sector program. The department shall also make current information available on a regular basis to the legislature and the private sector regarding its targeted sector programs.

The business assistance center shall report by January 1, 1990, to the senate economic development and labor committee and house of representatives trade and economic development committee on its findings and recommendations on the establishment of an industrial extension program and flexible manufacturing networks or consortia program.

NEW SECTION. Sec. 10. The department shall work with industry trade groups, local governments and local economic development organizations in implementing the target sector programs. The department shall seek and utilize nonstate funds to help carry out these programs.

NEW SECTION. Sec. 11. Sections 1 through 10 of this act are each added to chapter 43.31 RCW."

On page 1, line 1 of the title, after "development;" strike the remainder of the title and insert "and adding new sections to chapter 43.31 RCW."

Signed by Senators Lee, McMullen, Amondson; Representatives Cantwell, Fisher, Doty.

The commission may hire attorneys or others by personal service contract to conduct initial proceedings regarding a complaint against a judge or justice. Commission employees shall be exempt from the civil service law, chapter 41.06 RCW.

NEW SECTION. Sec. 4. A new section is added to chapter 2.64 RCW to read as follows:

The commission is authorized to impose the following disciplinary actions, in increasing order of severity: (a) Admonishment; (b) reprimand; or (c) censure. We of your Conference Committee to whom the above measure was referred, have had the same under consideration and we report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

Reject the House amendments and adopt the following striking amendment:

Strike everything after the enacting clause and insert the following:

***NEW SECTION, Sec. 1.** The higher education coordinating board shall study the feasibility of instituting an advance college payment program and submit a report, including recommendations, to the legislature by January 1, 1990. This study shall include, but not be limited to:

(1) An examination of potential income tax and unrelated business income tax consequences of establishing a program;

(2) Consideration of the impact of federal and state securities, insurance, and annuity laws on the sale of advance college payment contracts;

(3) An examination of state constitutional issues raised by the establishment of an advance college payment program, including limitations on state debt and prohibitions on gifts and loans of the state's credit;

(4) A review of state and federal financial aid policies and a determination of how such a program would impact present financial aid programs and how the plan matches the state's present and projected needs;

(5) An examination of the effect such a program would have on tuition, enrollment, residency, and admission policies;

(6) An actuarial analysis examining program risks and potential yields, computed over at least an eighteen-year horizon. This should include consideration of investment policy and participation rates necessary for maintaining an actuarially sound program;

(7) An examination of alternative approaches to saving for college, including bonds, investment, and insurance programs, along with the ability of private sector financial institutions and others to provide such a program. This shall include an examination of whether or not private investment opportunities will do as well or better for purchasers as state programs and consideration of state restrictions on commercial activities;

(8) Consideration of who should bear the risk and pay the difference if tuition costs increase faster than interest earnings or interest earnings are lower than expected and cannot cover tuition. This shall include an examination of how purchasers can be protected from investment shortfalls and the means by which the state can reduce its liability and risk in case the program proves to be actuarially unsound;

(9) A determination of how much it would cost to start up and maintain an adequate program, including but not limited to staff, equipment, travel, and advertising needs;

(10) Consideration of whether the plans should cover more than undergraduate tuition costs, such as room and board, mandatory fees, graduate tuition, books, materials, and fees. This shall include consideration of potential state tax incentives and whether the program should be limited to full-time or include part-time attendance;

(11) An examination of ways to involve independent institutions in the program;

(12) An examination of the portability of benefits across state lines, including the effect on reciprocity and other agreements; and

(13) An examination of policy issues such as those raised by the education commission of the states and the college board.

NEW SECTION. Sec. 2. The higher education coordinating board may seek the assistance of the state investment board, the state treasurer, the state actuary, the office of financial management, private financial institutions and any other qualified party with experience in the areas of accounting, actuary, risk management, or investment management to assist with the study required in section 1 of this act. Within existing appropriations, the state investment board, the state treasurer, the state actuary, the office of financial management, and any other state agency, including legislative staff, shall fully cooperate with the higher education coordinating board in matters relating to the study.

NEW SECTION. Sec. 3. The sum of thirty thousand dollars, or as much thereof as may be necessary, is appropriated from the general fund to the higher education coordinating board for the biennium ending June 30, 1991, to carry out the purposes of this act."

On page 1, line 1 of the title, after "program;" strike the remainder of the title and insert "creating new sections; and making an appropriation."

On motion of Senator Newhouse, the Report of the Conference Committee on Substitute Senate Bill No. 5221 was adopted and the committee was granted the powers of Free Conference.

MESSAGE FROM THE HOUSE

Mr. President:

The House has adopted the Report of the Conference Committee on SECOND SUBSTITUTE SENATE BILL NO. 6051 and has granted said committee the powers of Free Conference.

ALAN THOMPSON, Chief Clerk

REPORT OF CONFERENCE COMMITTEE

RE: 2SSB 6051

Relating to employer child care.

April 20, 1989

Mr. President:

Mr. Speaker:

We of your Conference Committee to whom the above measure was referred, have had the same under consideration and we report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

Reject all amendments except the following House Trade and Economic Development Committee striking amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that increasing the availability and affordability of quality child care will enhance the stability of the family and facilitate expanded economic prosperity in the state. The legislature finds that balancing work and family life is a critical concern for employers and employees. The dramatic increase in participation of women in the work force has resulted in a demand for affordable child care exceeding the supply. The future of the state's work force depends in part upon the availability of quality affordable child care. There are not enough child care services and facilities to meet the needs of working parents, the costs of care are often beyond the resources of working parents, and facilities are not located conveniently to work places and neighborhoods. The prospect for labor shortages resulting from the aging of the population and the importance of the quality of the work force to the competitiveness of Washington businesses make the availability of quality child care an important concern for the state's businesses.

The legislature further finds that a partnership between business and child care providers can help the market for child care adjust to the needs of businesses and working families and improve productivity, reduce absenteeism, improve recruitment, and improve morale among Washington's labor force. The legislature further finds that private and public partnerships and investments are necessary to increase the supply, affordability, and quality of child care in the state.

Sec. 2, Section 11, chapter 466, Laws of 1985 as amended by section 3, chapter 348, Laws of 1987 and RCW 43.31.085 are each amended to read as follows:

The business assistance center shall:

(1) Serve as the state's lead agency and advocate for the development and conservation of businesses.

(2) Coordinate the delivery of state programs to assist businesses.

(3) Provide comprehensive referral services to businesses requiring government assistance.

(4) Serve as the business ombudsman within state government and advise the governor and the legislature of the need for new legislation to improve the effectiveness of state programs to assist businesses.

(5) Aggressively promote business awareness of the state's business programs and distribute information on the services available to businesses.

(6) Develop, in concert with local economic development and business assistance organizations, coordinated processes that complement both state and local activities and services.

(7) The business assistance center shall work with other federal, state, and local agencies and organizations to ensure that business assistance services including small business, trade services, and distressed area programs are provided in a coordinated and cost-effective manner.

(8) In collaboration with the child care coordinating committee in the department of social and health services, prepare and disseminate information on child care options for employers and the existence of the program. As much as possible, and through interagency agreements where necessary, such information should be included in the routine communications to employers from (a) the department of revenue, (b) the department of labor and industries, (c) the department of community development, (d) the employment security department, (e) the department of trade and economic development, (f) the small business development center, and (g) the department of social and health services.

(9) In collaboration with the child care coordinating committee in the department of social and health services, compile information on and facilitate employer access to individuals, firms, organizations, and agencies that provide technical assistance to employers to enable them to develop and support child care services or facilities.

(10) Actively seek public and private money to support the child care facility fund described in section 3 of this act, staff and assist the child care facility fund committee as described in section 4 of this act, and work to promote applications to the committee for loan guarantees, loans, and grants.

NEW SECTION. Sec. 3. A child care facility fund is created. Money in the fund shall be used solely for the purpose of starting or improving a child care facility pursuant to sections 2 through 8 of this act. Money may be deposited from private and public sources into this fund.

NEW SECTION. Sec. 4. The child care facility fund committee is established within the business assistance center of the department of trade and economic development. The committee shall administer the child care facility fund, with review by the director of the department of trade and economic development.

(1) The committee shall have five members. The director of the department of trade and economic development shall appoint the members, who shall include:

(a) Two persons experienced in investment finance and having skills in providing capital to new businesses, in starting and operating businesses, and providing professional services to small or expanding businesses;

(b) One person representing a philanthropic organization with experience in evaluating funding requests;

(c) One child care services expert; and

(d) One early childhood development expert.

In making these appointments, the director shall give careful consideration to ensure that the various geographic regions of the state are represented and that members will be available for meetings and are committed to working cooperatively to address child care needs in Washington state.

(2) The committee shall elect officers from among its membership and shall adopt policies and procedures specifying the lengths of terms, methods for filling vacancies, and other matters necessary to the ongoing functioning of the committee.

(3) Committee members shall serve without compensation, but may request reimbursement for travel expenses as provided in RCW 43.03.050 and 43.03.060.

(4) Committee members shall not be liable to the state, to the child care facility fund, or to any other person as a result of their activities, whether ministerial or discretionary, as members except for willful dishonesty or intentional violation of the law. The department of trade and economic development may purchase liability insurance for members and may indemnify these persons against the claims of others.

NEW SECTION. Sec. 5. The child care facility fund committee is authorized to solicit applications for and award grants and loans from the child care facility fund to assist persons, businesses, or organizations to start a licensed child care facility, or to make capital improvements in an existing licensed child care facility. Grants and loans shall be awarded on a one-time only basis, shall not be awarded to cover operating expenses beyond the first three months of business, and no grant or loan shall exceed twenty-five thousand dollars.

NEW SECTION. Sec. 6. The child care facility fund committee is authorized, upon application, to use the child care facility fund to guarantee loans made to persons, businesses, or organizations to start a licensed child care facility, or to make capital improvements in an existing licensed child care facility.

(1) Loan guarantees shall be awarded on a one-time only basis, and shall not be awarded for loans to cover operating expenses beyond the first three months of business.

(2) The total aggregate amount of the loan guarantee awarded to any applicant may not exceed twenty-five thousand dollars and may not exceed eighty percent of the loan.

(3) The total aggregate amount of guarantee from the child care facility fund, with respect to the guaranteed portions of loans, may not exceed at any time an amount equal to five times the balance in the child care facility fund.

NEW SECTION. Sec. 7. The child care facility fund committee shall award loan guarantees, loans or grants to those persons, businesses, or organizations meeting the minimum standards set forth in this chapter who will best serve the intent of the chapter to increase the availability of high quality, affordable child care in Washington state. The committee shall promulgate rules regarding the application for and disbursement of loan guarantees, loans, or grants from the fund, including loan terms and repayment procedures. At a minimum, such rules shall require an applicant to submit a plan which includes a detailed description of:

(1) The need for a new or improved child care facility in the area served by the applicant, including the needs of any special populations such as handicapped children, sick children, children requiring night or weekend care, or children whose costs of care are subsidized by government;

(2) Why financial assistance from the state is needed to start or improve the child care facility;

(3) How the guaranteed loan, loan, or grant will be used, and how such uses will meet the described need;

(4) The child care services to be available at the facility and the capacity of the applicant to provide those services; and

(5) The financial status of the applicant, including other resources available to the applicant which will ensure the continued viability of the facility and the availability of its described services.

Recipients shall annually for two years following the receipt of the loan guarantee, loan, or grant, submit to the child care facility fund committee a report on the facility and how it is meeting the child care needs for which it was intended.

NEW SECTION. Sec. 8. Where the child care facility fund committee makes a grant to a person, organization, or business, the grant shall be repaid to the child care facility fund if the child care facility using the grant to start or expand ceases to provide child care earlier than the following time periods from the date the grant is made: (1) Twelve months for a grant up to five thousand dollars; (2) twenty-four months for a grant over five thousand dollars up to ten thousand dollars; (3) thirty-six months for a grant over ten thousand dollars up to fifteen thousand dollars; (4) forty-eight months for a grant over fifteen thousand dollars up to twenty thousand dollars; and (5) sixty months for a grant over twenty thousand dollars up to twenty-five thousand dollars.

Sec. 9. Section 5, chapter 164, Laws of 1985 as last amended by section 4, chapter 461, Laws of 1987 and RCW 43.168.050 are each amended to read as follows:

(1) The committee may only approve an application providing a loan for a project which the committee finds:

(a) Will result in the creation of employment opportunities or the maintenance of threatened employment;

(b) Has been approved by the director as conforming to federal rules and regulations governing the spending of federal community development block grant funds;

(c) Will be of public benefit and for a public purpose, and that the benefits, including increased or maintained employment, improved standard of living, and the employment of disadvantaged workers, will primarily accrue to residents of the area;

(d) Will probably be successful;

(e) Would probably not be completed without the loan because other capital or financing at feasible terms is unavailable or the return on investment is inadequate.

(2) The committee shall, subject to federal block grant criteria, give higher priority to economic development projects that contain provisions for child care.

(3) The committee may not approve an application if it fails to provide for adequate reporting or disclosure of financial data to the committee. The committee may require an annual or other periodic audit of the project books.

~~((3))~~ (4) The committee may require that the project be managed in whole or in part by a local development organization and may prescribe a management fee to be paid to such organization by the recipient of the loan or grant.

~~((4))~~ (5) (a) Except as provided in (b) of this subsection, the committee shall not approve any application which would result in a loan or grant in excess of three hundred fifty thousand dollars.

(b) The committee may approve an application which results in a loan or grant of up to seven hundred thousand dollars if the application has been approved by the director.

~~((5))~~ (6) The committee shall fix the terms and rates pertaining to its loans.

~~((6))~~ (7) Should there be more demand for loans than funds available for lending, the committee shall provide loans for those projects which will lead to the greatest amount of employment or benefit to a community. In determining the "greatest amount of employment or benefit" the committee shall also consider the employment which would be saved by its loan.

~~((7))~~ (8) To the extent permitted under federal law the committee shall require applicants to provide for the transfer of all payments of principal and interest on loans to the Washington state development loan fund created under this chapter. Under circumstances where the federal law does not permit the committee to require such transfer, the committee shall give priority to applications where the applicants on their own volition make commitments to provide for the transfer.

~~((8))~~ (9) The committee shall not approve any application to finance or help finance a shopping mall.

~~((9))~~ (10) The committee shall make at least eighty percent of the appropriated funds available to projects located in distressed areas, and may make up to twenty percent available to projects located in areas not designated as distressed. The committee shall not make funds available to projects located in areas not designated as distressed if the fund's net worth is less than seven million one hundred thousand dollars.

~~((10))~~ (11) If an objection is raised to a project on the basis of unfair business competition, the committee shall evaluate the potential impact of a project on similar businesses located in the local market area. A grant may be denied by the committee if a project is not likely to result in a net increase in employment within a local market area.

NEW SECTION. Sec. 10. Sections 3 through 8 of this act are each added to chapter 43.31 RCW.

NEW SECTION. Sec. 11. If specific funding for the purposes of this act, referencing this act by bill number, is not provided by June 30, 1989, in the omnibus appropriations act, this act shall be null and void.

NEW SECTION. Sec. 12. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 13. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

On page 1, line 2 of the title, after "services;" strike the remainder of the title and insert "amending RCW 43.31.085 and 43.168.050; adding new sections to chapter 43.31 RCW; creating new sections; and declaring an emergency."

Further amend the committee striking amendment as follows:

On page 4, after line 32, strike lines 33 and 34 and insert "Only moneys from private or federal sources may be deposited into this fund."

On page 8, line 14, after "applicant" strike all material through "government" on page 8, line 20, and insert ":

(2) The steps the applicant will take to serve a reasonable number of handicapped children as defined in RCW 72.40, sick children, infants, children requiring night time or weekend care, or children whose costs of care are subsidized by government"

Re-number remaining subsections consecutively and correct internal references accordingly.

MESSAGE FROM THE HOUSE

Mr. President:

The House has adopted the Report of the Conference Committee on SUBSTITUTE SENATE BILL NO. 5289 and has granted said committee the powers of Free Conference.

REPORT OF CONFERENCE COMMITTEE

RE: SSB 5289

Relating to regional fishing groups.

April 20, 1989

Mr. President:

Mr. Speaker:

We of your Conference Committee to whom the above measure was referred, have had the same under consideration and we report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

Reject all previous amendments, and adopt the following striking amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that it is in the best interest of the salmon resource of the state to encourage the development of regional fisheries enhancement groups. The accomplishments of one existing group, the Grays Harbor fisheries enhancement task force, have been widely recognized as being exemplary. The legislature recognizes the potential benefits to the state that would occur if each region of the state had a similar group of dedicated citizens working to enhance the salmon resource.

The legislature authorizes the formation of regional fisheries enhancement groups. These groups shall be eligible for state financial support and shall be actively supported by the department of fisheries. The regional groups shall be operated on a strictly nonprofit basis, and shall seek to maximize the efforts of volunteer and private donations to improve the salmon resource for all citizens of the state.

NEW SECTION. Sec. 2. Any interested person may become a member of a regional fisheries enhancement group. To obtain funding from the regional fisheries enhancement group account, the membership of each group shall select its board members and chair by a democratic process. It is desirable for the group to have representation from all categories of fishermen that have interest in salmon within the region, as well as the general public.

The director shall appoint a department employee to serve as a liaison between the department and the group. The department liaison shall actively participate in the activities of the group and facilitate its operation in any way possible.

NEW SECTION. Sec. 3. Eight regional fisheries enhancement groups are authorized:

- (1) Columbia river, and its tributaries, above Bonneville dam;
- (2) Columbia river, and its tributaries, below Bonneville dam;
- (3) Grays Harbor;
- (4) Willapa Bay;
- (5) North Coast and the Straits of Juan de Fuca;
- (6) Puget Sound, and adjacent rivers and lakes, north of Everett;
- (7) Central Puget Sound between Everett and Tacoma; and
- (8) South Puget Sound, and adjacent rivers and lakes, south of Tacoma.

NEW SECTION. Sec. 4. Regional fisheries enhancement groups, consistent with the long-term regional policy statements developed under RCW 75.50.020, shall seek to:

- (1) Enhance the salmon resource of the state;
- (2) Maximize volunteer efforts and private donations to improve the salmon resource for all citizens;
- (3) Assist the department in achieving the goal to double the state-wide salmon catch by the year 2000 under chapter 214, Laws of 1988; and
- (4) Develop projects designed to supplement the fishery enhancement capability of the department of fisheries.

NEW SECTION. Sec. 5. The director shall cooperate fully with the regional fisheries enhancement groups authorized by this chapter. The director shall supply salmon eggs, technical information, surplus equipment, professional consultation, and any other assistance that can be provided to the group.

NEW SECTION. Sec. 6. The chair of each regional fisheries enhancement group shall coordinate with the department to assure that the department and the group are working in harmony toward mutually agreeable goals.

NEW SECTION. Sec. 7. (1) The legislature finds that the wise management and economic health of the state's recreational and commercial fishing industries are of paramount importance to the people of the state and to the economy of the state as a whole. The legislature finds that it is in the best social, economic, and cultural interest of the state to provide, maintain, and enhance recreational fishing opportunities in the state and offshore waters while maintaining and encouraging a healthy commercial fishing industry.

(2) Funding for regional fisheries enhancement groups shall be from a variety of funding sources.

(a) Start up grant - Each group is authorized to apply for a one time grant of eight thousand dollars per group. The grant will be administered by the director and shall be utilized for initial organizational and planning expenses.

(b) State loan - Each group may apply for state-funded enhancement loans. Loan applications shall be submitted to the salmon advisory council for initial recommendations. The director shall further review loan applications and then submit the applications to the legislature for approval. Payback of said loans shall be structured to coincide with probable income generated from the group's cost recovery program. Funds for enhancement loans shall be appropriated from the regional fisheries enhancement group account.

(c) Cost recovery - Sale of salmon carcasses and eggs under RCW 75.52.035 that return to group facilities.

(d) Operational grants - A surcharge of one dollar shall be collected annually on every recreational salmon license sold in the state. The revenues derived from this surcharge shall be placed in the regional fisheries enhancement group account hereby created in the state treasury. A surcharge of fifty dollars shall be collected annually on every commercial salmon fishing license and charter boat license sold in the state. The revenue from this surcharge shall be placed in the regional fisheries enhancement group account.

The director shall administer the regional fisheries enhancement group account. Operational grants are to be made to regional groups of up to ninety percent of the project costs to match direct and in-kind contributions secured by the regional group. The director may utilize up to ten percent of the account for department expenses.

(e) Private contributions - The groups are encouraged to conduct periodic fundraising activities.

NEW SECTION, Sec. 8. A new section is added to chapter 75.08 RCW to read as follows:

The director shall report annually to the senate environment and natural resources committee and the house fisheries and wildlife committee or their successor committees on the catch by commercial and sport fishers of the fishery resource resulting from enhancement efforts both by the department and volunteer cooperative projects. The first report shall be submitted by January 1, 1990.

NEW SECTION, Sec. 9. (1) The president of the senate shall appoint four senate members, two from each caucus, and the speaker of the house of representatives shall appoint four house members, two from each caucus, to form the fishery management study committee. The committee shall include representatives of interested groups not to exceed six members, three appointed by the secretary of the senate and three to be appointed by the speaker of the house of representatives, and a representative each from the department of fisheries and the department of wildlife.

(2) The committee shall develop specific recommendations on how state policy may be modified to promote both the commercial and recreational fishing industries within the state in order to realize the full potential of the state's fishery resource. Along with its recommendations, the committee shall:

(a) Review and evaluate the existing food fish enhancement programs within the state, both public and private, and determine the additional resources and policies necessary to successfully implement them;

(b) Evaluate methods to promote Washington state as a sport fishing area for residents and nonresidents, including the ability of the state to develop trophy quality fisheries in selected marine areas, rivers, and streams;

(c) Evaluate methods to integrate enhancement efforts of the state and the Indian tribes including dedicated funding for state efforts;

(d) Identify issues that impact other states, particularly Oregon and Idaho, and evaluate mechanisms that will ensure a cooperative relationship among the states to develop management policy to conserve and enhance the resource;

(e) Evaluate commercial fishing licenses including rate structure and rate-setting criteria, termination of licenses, and transferability of license ownership to ensure the adequate livelihood of commercial fishers; and

(f) Evaluate the feasibility of the sale of salmon carcasses and eggs that return to regional fisheries enhancement group facilities for the purpose of cost recovery.

(3) The committee shall choose a chair from among its membership.

(4) The committee shall report to the appropriate standing committees of the legislature by January 1, 1990.

(5) This section shall expire on May 1, 1990.

NEW SECTION, Sec. 10. The sum of sixty-four thousand dollars, or as much thereof as may be necessary, is appropriated from the general fund to the department of fisheries for the biennium ending June 30, 1991, to carry out the purposes of start up grants to regional fisheries enhancement groups.

NEW SECTION, Sec. 11. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 12. Sections 1 through 7 of this act shall constitute a new chapter in Title 75 RCW."

On page 1, line 1 of the title, after "enhancement;" strike the remainder of the title and insert "adding a new chapter to Title 75 RCW; adding a new section to chapter 75.08 RCW; creating a new section; and making an appropriation."

Signed by Senators Metcalf, Owen, Anderson: Representatives R. King, Basich, S. Wilson.

That the following House Fisheries and Wildlife Committee striking amendment be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. The legislature finds that:

(1) The fishery resources of Washington are critical to the social and economic needs of the citizens of the state;

(2) Salmon production is dependent on both wild and artificial production;

(3) The department of fisheries is directed to enhance Washington's salmon runs; and

(4) Full utilization of the state's salmon rearing facilities is necessary to enhance commercial and recreational fisheries.

NEW SECTION, Sec. 2. A new section is added to chapter 75.08 RCW to read as follows:

The director shall determine the cost of operating all state-funded salmon production facilities at full capacity and shall provide this information with the department's biennial budget request.

NEW SECTION, Sec. 3. A new section is added to chapter 75.08 RCW to read as follows:

The director may contract with cooperatives or private aquaculturists for the purchase of quality salmon smolts for release into public waters if all department fish rearing facilities are operating at full capacity. The intent of cooperative and private sector contracting is to explore the opportunities of cooperatively producing more salmon for the public fisheries without incurring additional capital expense for the department.

NEW SECTION, Sec. 4. A new section is added to chapter 75.08 RCW to read as follows:

If the director elects to contract with cooperatives or private aquaculturists for the purpose of purchasing quality salmon smolts, contracting shall be done by a competitive bid process. In awarding contracts to private contractors, the director shall give preference to nonprofit corporations. The director shall establish the criteria for the contract, which shall include but not be limited to species, size of smolt, stock composition, quantity, quality, rearing location, release location, and other pertinent factors.

NEW SECTION, Sec. 5. A new section is added to chapter 75.08 RCW to read as follows:

Nothing in this act shall authorize the practice of private ocean ranching. Privately contracted smolts become the property of the state at the time of release.

NEW SECTION, Sec. 6. A new section is added to chapter 75.08 RCW to read as follows:

The department may make available to private contractors salmon eggs in excess of department hatchery needs for the purpose of contract rearing to release the smolts into public waters. The priority of providing eggs to contract rearing shall be higher than providing eggs to aquaculture purposes which are not destined for release into Washington public waters.

NEW SECTION, Sec. 7. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

On page 1, line 1 of the title, after "salmon;" strike the remainder of the title and insert "adding new sections to chapter 75.08 RCW; and creating a new section."

MESSAGE FROM THE HOUSE

REPORT OF FREE CONFERENCE COMMITTEE

RE: ESSB 5759

Relating to school breakfast program.

April 19, 1989

Mr. President:

Mr. Speaker:

We of your Free Conference Committee, have had the same under consideration and we recommend that the measure be amended as proposed under the request for Free Conference and that the bill do pass as amended by the Free Conference Committee.

(See Report of Conference Committee on Engrossed Substitute Senate Bill No. 5759 and the request for powers of Free Conference read in April 21, 1989.)

Signed by Senators Bailey, Rinehart, Lee; Representatives Peery, G. Fisher, Betzoff.

MOTION

On motion of Senator Nelson, the Report of the Free Conference Committee on Engrossed Substitute Senate Bill No. 5759 was adopted.

The President declared the question before the Senate to be the roll call on the final passage of Engrossed Substitute Senate Bill No. 5759, as amended by the Free Conference Committee.

Debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Senator Bailey, as I read this bill, it is full of good intent of course, but I don't know how the breakfast will be. It has a section in there that says once these schools get geared up serving breakfast and the federal funds are cut off, that's the only guarantee they have."

Senator Bailey: "That's correct."

Senator Rasmussen: "So, you get all these kids started eating breakfast in school because their mothers won't get up and provide breakfast for them, then the federal funds are cut off and they all go hungry. What do you do then?"

Senator Bailey: "I hope that we revisit that issue if that happens and I hope that it doesn't happen."

Senator Rasmussen: "Then we will pick it up at the state level?"

Senator Bailey: "We might. As it stands now, we will not."

Senator Rasmussen: "I think I will still be serving my grandchildren breakfast rather than depending on that program."

Senator Bailey: "I might say, Senator Rasmussen, in many cases these breakfasts will be served to those that are in the poverty level and it will be served to those schools that serve lunches to forty percent of their school children, because they are in the poverty level. Many of those children, in visiting at schools, we found that their lunch was perhaps the only meal they received that day and if we give them a breakfast, they will be able to start school off with--not a full belly--but something in their stomach. We think that adds to the learning children will have."

Senator Rasmussen: "Thank you. I'm glad we've got a reserve yet of a hundred and thirteen million. We can pick the program up when the feds drop it. Thank you."

Senator Bailey: "I think again, Senator Rasmussen, that this is a good program. This provides breakfast for school children that are on the poverty level and I think we need to begin to deal with these children that are at risk in our schools."

ROLL CALL

On motion of Senator Nelson, the Report of the Free Conference Committee on Substitute Senate Bill No. 5827 was adopted.

The President declared the question before the Senate to be the roll call on the final passage of Substitute Senate Bill No. 5827, as amended by the Free Conference Committee.

POINT OF INQUIRY

Senator Moore: "Senator Barr, this bill clearly creates new criminal offenses and imposes new obligations on research institutions, and violations of the act are made violations of the Consumer Protection Act. Aside from these provisions, is it the intent of this bill to expand or increase the tort liability of a research institution beyond its liability under existing law?"

Senator Barr: "No, it is not."

Senator Moore: "Will the Senator yield for a further question?"

Senator Barr: "Yes."

Senator Moore: "This bill requires research institutions to return pet animals to their legal owner. If the return of the animal to the owner may cause future health problems for the animal because of what may have happened to it while it was in the custody of the research institution, may the research institution fully disclose in writing such potential health problems to the owner and in such circumstances require the owner to sign a release of liability of the research institution for such potential future health problems?"

Senator Barr: "Yes, this bill requires the return of the pet animal to its legal owner, and does not permit a research institution to condition the return of the animal on the owner's signing of a general release of the research institution from all liability whatsoever. However, the bill does not prohibit the use of a liability release in limited circumstances as to future health problems, including those that the animal may have, and it is good public policy to have such disclosure to the owner."

Further debate ensued.

On motion of Senator Anderson, Senator Johnson was excused.

(b) If support is owed for one child, the parent must be obligated to pay at least three hundred dollars per month in child support; for two children, the parent must be obligated to pay at least five hundred twenty-five dollars per month in child support; for three or more children, the parent must be obligated to pay at least six hundred sixty dollars per month in child support; and

The motion, affidavit, and notice of hearing shall be served on the parent receiving support. The only issue at the preliminary hearing on the motion shall be whether there is reasonable cause to believe that the support is directly or indirectly benefiting the child.

(b) If the court determines at the preliminary hearing that the motion and affidavit establish reasonable cause to believe that a substantial portion of the support is not directly or indirectly benefiting the child the court may: (i) Set a show cause hearing on the motion and affidavit; or (ii) order the parents to mediate the issue with a court commissioner, family court commissioner, or other appropriate person. The court's order shall be in writing and shall set forth the facts which establish reasonable cause. The parent receiving support shall not be required to provide documentation for expenditures for more than six months prior to the time of the filing of the motion.

(c) If the court determines at the preliminary hearing that the motion and affidavit do not establish reasonable cause to believe that a substantial portion of the support is directly or indirectly benefiting the child, the court shall order the parent filing the motion and affidavit to pay costs and statutory attorneys' fees to the parent receiving the support.

The court may award reasonable attorneys' fees to the parent receiving support if the court determines that:

(i) The motion was brought in bad faith, for harassment, or frivolously; or

(ii) The motion was based on material statements of fact which were false.

(4) If at the show cause hearing on the motion and affidavit the parent obligated to pay support demonstrates by a preponderance of the evidence that a substantial portion of the support is not directly or indirectly benefiting the child, the court shall enter an appropriate order directing the parent receiving the support to spend the child support to benefit the child. The court may order the child support payments to be paid to a protective payee for the benefit of the child. The only issue at the hearing on the motion shall be whether the parent receiving support is spending support to directly or indirectly benefit the child.

(5) A motion and affidavit for an accounting of child support expenditures may not be filed more than once every twelve months.

On page 51, line 2, beginning with "reporting" strike all material through "violation" and insert "month for each subsequent violation after the warning has been given. All violations within a single month shall be considered a single violation for purposes of assessing the penalty"

The labels or containers of such products compounded or manufactured to resemble or in semblance or imitation of genuine dairy products shall not use dairy terms or words or designs commonly associated with dairying or genuine dairy products, except as to the extent that such words or terms are necessary to meet legal requirements for labeling: PROVIDED, That the term "nondairy" may be used as an informative statement.

PROVIDED, That nothing contained in this definition shall be construed as disbaring any other process which has been demonstrated to be equally efficient and which is approved by the director)) shall mean the process of heating every particle of milk or milk product in properly designed and operated equipment, to one of the temperatures given in the following table, and held continuously at or above that temperature for at least the corresponding specified time:

Sec. 16. Section 15.36.080, chapter 11, Laws of 1961 and RCW 15.36.080 are each amended to read as follows:

It shall be unlawful for any person to transport, or to sell, or offer for sale, or to have in storage where milk or milk products are sold or served, any milk or milk product defined in this chapter, who does not possess an appropriate permit from the director ~~((or an authorized inspection service as defined in this chapter)).~~

Every milk producer, milk distributor, milk hauler, and operator of a milk plant shall secure a permit to conduct such operation as defined in this chapter. Only a person who complies with the requirements of this chapter shall be entitled to receive and retain such a permit. Permits shall not be transferable with respect to persons and/or locations.

Such a permit may be temporarily suspended by the director ~~((or health officer of a milk inspection unit))~~ upon violation by the holder of any of the terms of this chapter, or for interference with the director ~~((or health officer of a milk inspection unit))~~ in the performance of his duties, or revoked after an opportunity for a hearing by the director upon serious or repeated violations.

Sec. 17. Section 15.36.110, chapter 11, Laws of 1961 as amended by section 1, chapter 297, Laws of 1981 and RCW 15.36.110 are each amended to read as follows:

During each six months period at least four samples of milk and cream from each dairy farm and each milk plant shall be taken on separate days and examined by the director: PROVIDED, That in the case of raw milk for pasteurization the director may accept the results of nonofficial laboratories which have been officially checked periodically and found satisfactory. Samples of other milk products may be taken and examined by the director as often as he deems necessary. Samples of milk and milk products from stores, cafes, soda fountains, restaurants, and other places where milk or milk products are sold shall be examined as often as

the director may require. Bacterial plate counts, direct microscopic counts, coliform determinations, phosphatase tests and other laboratory tests shall conform to the procedures in the current edition of "Standard Methods For The Examination Of Dairy Products," recommended by the American public health association. Examinations may include such other chemical and physical determinations as the director may deem necessary for the detection of adulteration. Samples may be taken by the director at any time prior to the final delivery of the milk or milk products. All proprietors of cafes, stores, restaurants, soda fountains, and other similar places shall furnish the director, upon his request, with the name of all distributors from whom their milk and milk products are obtained. Bio-assays of the vitamin D content of vitamin D milk shall be made when required by the director in a laboratory approved by him for such examinations.

If two of the last four consecutive bacterial counts, somatic cell counts, coliform determinations, or cooling temperatures, taken on separate days, exceed the standard for milk or milk products, the director shall send written notice thereof to the person concerned. This notice shall remain in effect so long as two of the last four consecutive samples exceed the limit of the standard. An additional sample shall be taken within twenty-one days of the sending of the notice, but not before the lapse of three days, except sixty days must lapse before an official somatic cell count can be taken. The director shall degrade or suspend the grade A permit whenever the standard is again violated ((by more than one of the last four consecutive samples)) so that three of the last five consecutive samples exceed the limit of the standard. A grade A permit shall subsequently be reinstated in notice status upon receipt of sample results that are within the standard for which the suspension occurred.

In case of violation of the phosphatase test requirements, the cause of underpasteurization shall be determined and removed before milk or milk products from this plant can again be sold as pasteurized milk or milk products.

Sec. 18. Section 1, chapter 226, Laws of 1984 and RCW 15.36.115 are each amended to read as follows:

(1) If the results of an antibiotic ((or)), pesticide, or other drug residue test are above the actionable level ((as determined by)) established in the pasteurized milk ordinance published by the United States public health service and determined using procedures set forth in the current edition of "Standard Methods for the Examination of Dairy Products," a producer holding a grade A permit is subject to a civil penalty. The penalty shall be in an amount equal to one-half the value of the sum of the volumes of milk equivalent produced under the permit on the day prior to and the day of the adulteration. The value of the milk shall be computed by the weighted average price for the federal market order under which the milk is delivered.

(2) The penalty is imposed by the department giving a written notice which is either personally served upon or transmitted by certified mail, return receipt requested, to the person incurring the penalty. The notice of the civil penalty shall be a final order of the department unless, within fifteen days after the notice is received, the person incurring the penalty appeals the penalty by filing a notice of appeal with the department. If a notice of appeal is filed in a timely manner, a contested case hearing shall be conducted on behalf of the department by the office of administrative hearings in accordance with chapters ((34-04)) 34.05 and 34.12 RCW and, to the extent they are not inconsistent with this subsection, the provisions of RCW 15.36.580. At the conclusion of the hearing, the department shall determine whether the penalty should be affirmed, ((reduced, or not imposed)) and, if so, shall issue a final order setting forth the civil penalty assessed, if any. The order may be appealed to superior court in accordance with chapter ((34-04)) 34.05 RCW. Tests performed for antibiotic ((or)), pesticide, or other drug residues by a state or certified industry laboratory of a milk sample drawn by a department official or a licensed dairy technician shall be admitted as prima facie evidence of the presence or absence of an antibiotic ((or)), pesticide, or other drug residue.

(3) Any penalty imposed under this section is due and payable upon the issuance of the final order by the department. The penalty shall be deducted by the violator's marketing organization from the violator's final payment for the month following the issuance of the final order. The department shall promptly notify the violator's marketing organization of any penalties contained in the final order.

(4) All penalties received or recovered from violations of this section shall be remitted monthly by the violator's marketing organization to the Washington state dairy products commission and deposited in a revolving fund to be used solely for the purposes of education and research. No appropriation is required for disbursements from this fund.

(5) In case of a violation of the antibiotic ((or)), pesticide, or other drug residue test requirements, an investigation shall be made to determine the cause of the residue which shall be corrected. Additional samples shall be taken as soon as possible and tested as soon as feasible for antibiotic ((or)), pesticide, or other drug residue by the department or a certified laboratory. After the notice has been received by the producer and the results of a test of such an additional sample indicate that residues are above the actionable level or levels referred to in subsection (1) of this section, the producer's milk may not be sold until a sample is shown to be below the actionable levels established for the residues.

Sec. 19. Section 15.36.300, chapter 11, Laws of 1961 and RCW 15.36.300 are each amended to read as follows:

Grade C raw milk is raw milk ~~((of a producer distributor which violates any of the requirements for grade B))~~ which violates any of the requirements of grade A raw milk.

Sec. 20. Section 15.36.425, chapter 11, Laws of 1961 as amended by section 22, chapter 141, Laws of 1979 and RCW 15.36.425 are each amended to read as follows:

The health ~~((officer))~~ authority or a physician authorized by him shall examine and take careful morbidity history of every person connected with a pasteurization plant, or about to be employed, whose work brings him in contact with the production, handling, storage, or transportation of milk, milk products, containers, or equipment. If such examination or history suggests that such person may be a carrier of or infected with the organisms of typhoid or paratyphoid fever or any other communicable diseases likely to be transmitted through milk, he shall secure appropriate specimens of body discharges and cause them to be examined in a laboratory approved by him or by the state department of social and health services for such examinations, and if the results justify such persons shall be barred from such employment.

Such persons shall furnish such information, submit to such physical examinations, and submit such laboratory specimens as the health ~~((officer))~~ official may require for the purpose of determining freedom from infection.

Sec. 21. Section 15.36.460, chapter 11, Laws of 1961 and RCW 15.36.460 are each amended to read as follows:

Grade C pasteurized milk is pasteurized milk which violates any of the requirements for grade ~~((B))~~ A pasteurized milk.

Sec. 22. Section 15.36.470, chapter 11, Laws of 1961 and RCW 15.36.470 are each amended to read as follows:

No milk or milk products shall be sold to the final consumer or to restaurants, soda fountains, grocery stores, or similar establishments except ~~((certified milk pasteurized, certified raw milk;))~~ grade A milk pasteurized, or grade A milk-raw, and the director may revoke the permit of any milk distributor failing to qualify for one of the above grades, or in lieu thereof may degrade his product and permit its sale during a period not exceeding thirty days or in emergencies during such longer period as he may deem necessary.

Sec. 23. Section 15.36.520, chapter 11, Laws of 1961 and RCW 15.36.520 are each amended to read as follows:

No person who is affected with any disease in a communicable form or is a carrier of such disease shall work at any dairy farm or milk plant in any capacity which brings him in contact with the production, handling, storage, or transportation of milk, milk products, containers, or equipment; and no dairy farm or milk plant shall employ in any such capacity any such person or any person suspected of being affected with any disease in a communicable form or of being a carrier of such disease. Any producer or distributor of milk or milk products upon whose dairy farm or in whose milk plant any communicable disease occurs, or who suspects that any employee has contracted any disease shall notify the health ~~((officer))~~ authority immediately.

Sec. 24. Section 15.36.540, chapter 11, Laws of 1961 as amended by section 6, chapter 102, Laws of 1969 ex. sess. and RCW 15.36.540 are each amended to read as follows:

~~((Save as in this chapter provided))~~ Except as otherwise provided in this chapter, this law shall be enforced by the director in accordance with the interpretation contained in the ~~((1965 edition of the United States public health service))~~ food and drug administration pasteurized milk ~~((code))~~ ordinance: PROVIDED, That the director may ~~((by rule adopt any subsequent amendments to such code as interpretations))~~ promulgate rules covering any standard set forth in the pasteurized milk ordinance if the rules are consistent with the pasteurized milk ordinance except the standards may be more stringent based upon current industry or public health information for the enforcement of this chapter whenever he determines that any such ~~((amendments))~~ rules are necessary to carry out the purposes of RCW 15.32.120, 15.36.011, 15.36.075, 15.36.540 and 15.36.600.

((However, an appeal may be taken as provided in RCW 22.09.780 to the director of the department. Suitable books and records shall be kept in which shall be entered a record of every carload, or cargo, or part of cargo of commodities inspected or weighed by them, showing the number and initial or other designation of the vehicle or boat containing the carload, or cargo, or part of cargo, its weight, the kind of commodity, and its grade, the reason for the grade if of inferior grade, the amount of the dockage, the amount of fees and forfeitures and disposition of them; and for each vehicle or cargo, or part of cargo, of commodity inspected, they shall give a certificate of inspection showing the kind and grade of the same and the reason for all grades established. Such notice of appeal may be given by a letter or other written notice to the department stating the inspector's name, number of the certificate, date of inspection, and that such party appeals from such decision concerning such grade.

((2) it shall be the duty of the department upon receiving such notice of appeal to hold a hearing within twenty days and inquire into the reasonableness and correctness of such original grading and such evidence shall be received as the parties thereto may desire to offer. After such hearing the director of the department shall make such order affirming or modifying the grade so established by the inspector as the facts may justify)). The reinspection or appeal may be based in the official file sample or upon a new sample drawn from the lot of the grain or commodity if the lot remains intact and available for sampling. The reinspection or appeal inspection shall be of the same factors and scope as the original inspection.

(2) For commodities inspected under federal standards, the reinspection and appeal inspection procedure provided in the applicable federal regulations shall apply. The reinspection shall be performed by an authorized inspector of the department other than the inspector who performed the original inspection unless no other inspector is available. An appeal inspection shall be performed by a supervisory inspector.

(3) If the grading of any commodity for which federal standards have been fixed and the same adopted as official state standards has not been the subject of a hearing, in accordance with subsection (2) of this section, any interested party who is aggrieved with the grading of such commodity, may, with the approval of the secretary of the United States department of agriculture, appeal to the federal grain supervisor of the supervision district in which the state of Washington may be located. Such federal grain supervisor shall confer with the department inspectors and any other interested party and shall make such tests as he may deem necessary to determine the correct grade of the commodity in question. Such federal grade certificate shall be prima facie evidence of the correct grade of the commodity in any court in the state of Washington.

(2) The report of the arbitration committee shall include, in addition to its award, recommendations as to costs, if any.

(3) In the course of its investigation, the arbitration committee may examine the buyer and the dealer on all matters that the arbitration committee may consider relevant; may grow a representative sample of the seed referred to in the complaint if considered necessary; and may hold informal hearings at such time and place as the committee chairman may direct

upon reasonable notice to all parties. If the committee decides to grow a representative sample of the seed, the sixty-day period identified in this section shall be extended an additional thirty days.

(4) After the committee has made its award, the director shall promptly transmit the report by certified mail to all parties.

NEW SECTION. Sec. 81. (1) The director shall create an arbitration committee composed of five members, including the director, or a department employee designated by the director, and four members appointed by the director. Sec. 103. Section 7, chapter 115, Laws of 1983 as last amended by section 12, chapter 153, Laws of 1988 and by section 3, chapter 157, Laws of 1988 and RCW 9.94A.360 are each reenacted and amended to read as follows:

The offender score is measured on the horizontal axis of the sentencing grid. The offender score rules are as follows:

The offender score is the sum of points accrued under this section rounded down to the nearest whole number.

(1) A prior conviction is a conviction which exists before the date of sentencing for the offense for which the offender score is being computed. Convictions entered or sentenced on the same date as the conviction for which the offender score is being computed shall be deemed "other current offenses" within the meaning of RCW 9.94A.400.

(2) Except as provided in subsection (4) of this section, class A prior felony convictions shall always be included in the offender score. Class B prior felony convictions shall not be included in the offender score, if since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent ten consecutive years in the community without being convicted of any felonies. Class C prior felony convictions shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent five consecutive years in the community without being convicted of any felonies. Serious traffic convictions shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender spent five years in the community without being convicted of any serious traffic or felony traffic offenses. This subsection applies to both adult and juvenile prior convictions.

(3) Out-of-state convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law.

(4) Include class A juvenile felonies only if the offender was 15 or older at the time the juvenile offense was committed. Include class B and C juvenile felony convictions only if the offender was 15 or older at the time the juvenile offense was committed and the offender was less than 23 at the time the offense for which he or she is being sentenced was committed.

(5) Score prior convictions for felony anticipatory offenses (attempts, criminal solicitations, and criminal conspiracies) the same as if they were convictions for completed offenses.

(6) In the case of multiple prior convictions, for the purpose of computing the offender score, count all convictions separately, except:

(a) Prior adult offenses which were found, under RCW 9.94A.400(1)(a), to encompass the same criminal conduct, shall be counted as one offense, the offense that yields the highest offender score. The current sentencing court shall determine with respect to other prior adult offenses for which sentences were served concurrently whether those offenses shall be counted as one offense or as separate offenses, and if the court finds that they shall be counted as one offense, then the offense that yields the highest offender score shall be used;

(b) Juvenile prior convictions entered or sentenced on the same date shall count as one offense, the offense that yields the highest offender score; and

(c) In the case of multiple prior convictions for offenses committed before July 1, 1986, for the purpose of computing the offender score, count all adult convictions served concurrently as one offense, and count all juvenile convictions entered on the same date as one offense. Use the conviction for the offense that yields the highest offender score.

(7) If the present conviction is one of the anticipatory offenses of criminal attempt, solicitation, or conspiracy, count each prior conviction as if the present conviction were for a completed offense.

(8) If the present conviction is for a nonviolent offense and not covered by subsection (12) or (13) of this section, count one point for each adult prior felony conviction and one point for each juvenile prior violent felony conviction and 1/2 point for each juvenile prior nonviolent felony conviction.

(9) If the present conviction is for a violent offense and not covered in subsection (10), (11), (12), or (13) of this section, count two points for each prior adult and juvenile violent felony conviction, one point for each prior adult nonviolent felony conviction, and 1/2 point for each prior juvenile nonviolent felony conviction.

(10) If the present conviction is for Murder 1 or 2, Assault 1, Kidnaping 1, Homicide by Abuse, or Rape 1, count three points for prior adult and juvenile convictions for crimes in these categories, two points for each prior adult and juvenile violent conviction (not already counted), one point for each prior adult nonviolent felony conviction, and 1/2 point for each prior juvenile nonviolent felony conviction.

(11) If the present conviction is for Burglary 1, count prior convictions as in subsection (9) of this section; however count two points for each prior adult Burglary 2 conviction, and one point for each prior juvenile Burglary 2 conviction.

(12) If the present conviction is for a felony traffic offense count two points for each adult or juvenile prior conviction for Vehicular Homicide or Vehicular Assault; for each felony offense or serious traffic offense, count one point for each adult and 1/2 point for each juvenile prior conviction.

(13) If the present conviction is for a drug offense count ~~((two))~~ three points for each adult prior felony drug offense conviction and ~~((one))~~ two points for each juvenile drug offense. All other adult and juvenile felonies are scored as in subsection (9) of this section if the current drug offense is violent, or as in subsection (8) of this section if the current drug offense is nonviolent.

(14) If the present conviction is for Willful Failure to Return from Furlough, RCW 72.66.060, or Willful Failure to Return from Work Release, RCW 72.65.070, count only prior escape convictions in the offender score. Count adult prior escape convictions as one point and juvenile prior escape convictions as 1/2 point.

(15) If the present conviction is for Escape 1, RCW 9A.76.110, or Escape 2, RCW 9A.76.120, count adult prior convictions as one point and juvenile prior convictions as 1/2 point.

(16) If the present conviction is for Burglary 2, count priors as in subsection (8) of this section; however, count two points for each adult and juvenile prior Burglary 1 conviction, two points for each adult prior Burglary 2 conviction, and one point for each juvenile prior Burglary 2 conviction.

(17) If the present conviction is for an offense committed while the offender was under community placement, add one point.

(iii) All proceeds traceable to or derived from an offense included in the pattern of criminal profiteering activity and all moneys, negotiable instruments, securities, and other things of value significantly used or intended to be used significantly to facilitate commission of the offense.

(g) Ordering payment to the state general fund or antiprofitteering revolving fund of the county, as appropriate, of an amount equal to the gain a person has acquired or maintained through an offense included in the definition of criminal profiteering.

(5) In addition to or in lieu of an action under this section, the attorney general or county prosecuting attorney may file an action for forfeiture to the state general fund or antiprofitteering revolving fund of the county, as appropriate, to the extent not already ordered paid pursuant to this section, of the following:

(a) Any interest acquired or maintained by a person in violation of RCW 9A.82.060 or 9A.82.080 to the extent of the investment of funds obtained from a violation of RCW 9A.82.060 or 9A.82.080 and any appreciation or income attributable to the investment.

(b) Any property, contractual right, or claim against property used to influence any enterprise that a person has established, operated, controlled, conducted, or participated in the conduct of, in violation of RCW 9A.82.060 or 9A.82.080.

(c) All proceeds traceable to or derived from an offense included in the pattern of criminal profiteering activity and all moneys, negotiable instruments, securities, and other things of value significantly used or intended to be used significantly to facilitate the commission of the offense.

(6) A defendant convicted in any criminal proceeding is precluded in any civil proceeding from denying the essential allegations of the criminal offense proven in the criminal trial in which the defendant was convicted. For the purposes of this subsection, a conviction shall be deemed to have occurred upon a verdict, finding, or plea of guilty, notwithstanding the fact that appellate review of the conviction and sentence has been or may be sought. If a subsequent reversal of the conviction occurs, any judgment that was based upon that conviction may be reopened upon motion of the defendant.

(7) The initiation of civil proceedings under this section shall be commenced within three years after discovery of the pattern of criminal profiteering activity or after the pattern should reasonably have been discovered.

(8) The attorney general or county prosecuting attorney may, in a civil action brought pursuant to this section, file with the clerk of the superior court a certificate stating that the case is of special public importance. A copy of that certificate shall be furnished immediately by the clerk to the presiding chief judge of the superior court in which the action is pending and, upon receipt of the copy, the judge shall immediately designate a judge to hear and determine the action. The judge so designated shall promptly assign the action for hearing, participate in the hearings and determination, and cause the action to be expedited.

(9) The standard of proof in actions brought pursuant to this section is the preponderance of the evidence test.

(10) A person other than the attorney general or county prosecuting attorney who files an action under this section shall serve notice and one copy of the pleading on the attorney general within thirty days after the action is filed with the superior court. The notice shall identify the action, the person, and the person's attorney. Service of the notice does not limit or otherwise affect the right of the state to maintain an action under this section or intervene in a pending action nor does it authorize the person to name the state or the attorney general as a party to the action.

(11) Except in cases filed by a county prosecuting attorney, the attorney general may, upon timely application, intervene in any civil action or proceeding brought under this section if the attorney general certifies that in the attorney general's opinion the action is of special public importance. Upon intervention, the attorney general may assert any available claim and is entitled to the same relief as if the attorney general had instituted a separate action.

(12) In addition to the attorney general's right to intervene as a party in any action under this section, the attorney general may appear as amicus curiae in any proceeding in which a claim under this section has been asserted or in which a court is interpreting RCW 9A.82.010, 9A.82.080, 9A.82.090, 9A.82.110, or 9A.82.120, or this section.

(13) A private civil action under this section does not limit any other civil or criminal action under this chapter or any other provision. Private civil remedies provided under this section are supplemental and not mutually exclusive.

(14) Upon motion by the defendant, the court may authorize the sale or transfer of assets subject to an order or lien authorized by this chapter for the purpose of paying actual attorney's fees and costs of defense. The motion shall specify the assets for which sale or transfer is sought and shall be accompanied by the defendant's sworn statement that the defendant has no other assets available for such purposes. No order authorizing such sale or transfer may be entered unless the court finds that the assets involved are not subject to possible forfeiture under RCW 9A.82.100(4)(f). Prior to disposition of the motion, the court shall notify the state of the assets sought to be sold or transferred and shall hear argument on the issue of whether the assets are subject to forfeiture under RCW 9A.82.100(4)(f). Such a motion may be made from time to time and shall be heard by the court on an expedited basis.

(15) In an action brought under subsection (1) (a) and (b)(i) of this section, either party has the right to a jury trial.

NEW SECTION. Sec. 112. A new section is added to chapter 69.50 RCW to read as follows:

(a) Any person who violates RCW 69.50.401(a) by manufacturing, selling, delivering, or possessing with the intent to manufacture, sell, or deliver a controlled substance listed under that subsection to a person in a school or on a school bus or within one thousand feet of a school bus route stop designated by the school district or within one thousand feet of the perimeter of the school grounds is punishable by a fine of up to twice the fine otherwise authorized by this chapter, but not including twice the fine authorized by RCW 69.50.406, or by imprisonment of up to twice the imprisonment otherwise authorized by this chapter, but not including twice the imprisonment authorized by RCW 69.50.406, or by both such fine and imprisonment.

(b) It is not a defense to a prosecution for a violation of this section that the person was unaware that the prohibited conduct took place while in a school or school bus or within one thousand feet of the school or school bus route stop.

(c) It is not a defense to a prosecution for a violation of this section or any other prosecution under this chapter that persons under the age of eighteen were not present in the school, the school bus, or at the school bus route stop at the time of the offense or that school was not in session.

(d) It is an affirmative defense to a prosecution for a violation of this section that the prohibited conduct took place entirely within a private residence, that no person under eighteen years of age or younger was present in such private residence at any time during the commission of the offense, and that the prohibited conduct did not involve delivering, manufacturing, selling, or possessing with the intent to manufacture, sell, or deliver any controlled substance in RCW 69.50.401(a) for profit. The affirmative defense established in this section shall be proved by the defendant by a preponderance of the evidence. This section shall not be construed to establish an affirmative defense with respect to a prosecution for an offense defined in any other section of this chapter.

(e) In a prosecution under this section, a map produced or reproduced by any municipal, school district, or county engineer for the purpose of depicting the location and boundaries of the area on or within one thousand feet of any property used for a school or school bus route stop, or a true copy of such a map, shall under proper authentication, be admissible and shall constitute prima facie evidence of the location and boundaries of those areas if the governing body of the municipality, school district, or county has adopted a resolution or ordinance approving the map as the official location and record of the location and boundaries of the area on or within one thousand feet of the school or school bus route stop. Any map approved under this section or a true copy of the map shall be filed with the clerk of the municipality or

county, and shall be maintained as an official record of the municipality or county. This section shall not be construed as precluding the prosecution from introducing or relying upon any other evidence or testimony to establish any element of the offense. This section shall not be construed as precluding the use or admissibility of any map or diagram other than the one which has been approved by the governing body of a municipality, school district, or county if the map or diagram is otherwise admissible under court rule.

(f) As used in this section the following terms have the meanings indicated unless the context clearly requires otherwise:

(1) "School" has the meaning under RCW 28A.01.055 or 28A.01.060. The term "school" also includes a private school approved under RCW 28A.02.201;

(2) "School bus" means a school bus as defined by the superintendent of public instruction by rule which is owned and operated by any school district and all school buses which are privately owned and operated under contract or otherwise with any school district in the state for the transportation of students. The term does not include buses operated by common carriers in the urban transportation of students such as transportation of students through a municipal transportation system; and

(3) "School bus route stop" means a school bus stop as designated on maps submitted by school districts to the office of the superintendent of public instruction.

Sec. 113. Section 210, chapter 518, Laws of 1987 and RCW 28A.120.040 are each amended to read as follows:

The superintendent of public instruction, through the state clearinghouse for education information, shall collect and disseminate to all school districts and other interested parties information about effective substance abuse programs and the penalties for manufacturing, selling, delivering, or possessing controlled substances on or within one thousand feet of a school or school bus route stop under section 112 of this 1989 act and distributing a controlled substance to a person under the age of eighteen under RCW 69.50.400.

NEW SECTION. Sec. 114. Sections 101 through 111 of this act apply to crimes committed on or after July 1, 1989.

PART II
PREVENTION, INVESTIGATION, AND PROCEDURE
SUBPART A
ONE-PARTY CONSENT

NEW SECTION, Sec. 201. A new section is added to chapter 9.73 RCW to read as follows:

The legislature finds that the unlawful manufacturing, selling, and distributing of controlled substances is becoming increasingly prevalent and violent. Attempts by law enforcement officers to prevent the manufacture, sale, and distribution of drugs is resulting in numerous life-threatening situations since drug dealers are using sophisticated weapons and modern technological devices to deter the efforts of law enforcement officials to enforce the controlled substance statutes. Dealers of unlawful drugs are employing a wide variety of violent methods to realize the enormous profits of the drug trade.

Therefore, the legislature finds that conversations regarding illegal drug operations should be intercepted, transmitted, and recorded in certain circumstances without prior judicial approval in order to protect the life and safety of law enforcement personnel and to enhance prosecution of drug offenses, and that that interception and transmission can be done without violating the constitutional guarantees of privacy.

NEW SECTION, Sec. 202. A new section is added to chapter 9.73 RCW to read as follows:

(1) If a police commander or officer above the rank of first line supervisor has reasonable suspicion that the safety of the consenting party is in danger, law enforcement personnel may, for the sole purpose of protecting the safety of the consenting party, intercept, transmit, or record a private conversation or communication concerning the unlawful manufacture, delivery, sale, or possession with intent to manufacture, deliver, or sell, controlled substances as defined in chapter 69.50 RCW, or legend drugs as defined in chapter 69.41 RCW, or imitation controlled substances as defined in chapter 69.52 RCW.

(2) Before any interception, transmission, or recording of a private conversation or communication pursuant to this section, the police commander or officer making the determination required by subsection (1) of this section shall complete a written authorization which shall include (a) the date and time the authorization is given; (b) the persons, including the consenting party, expected to participate in the conversation or communication, to the extent known; (c) the expected date, location, and approximate time of the conversation or communication; and (d) the reasons for believing the consenting party's safety will be in danger.

(3) A monthly report shall be filed by the law enforcement agency with the administrator for the courts indicating the number of authorizations made under this section, the date and time of each authorization, and whether an interception, transmission, or recording was made with respect to each authorization.

(4) Any information obtained pursuant to this section is inadmissible in any civil or criminal case in all courts of general or limited jurisdiction in this state, except:

(a) With the permission of the person whose communication or conversation was intercepted, transmitted, or recorded without his or her knowledge;

(b) In a civil action for personal injury or wrongful death arising out of the same incident, where the cause of action is based upon an act of physical violence against the consenting party; or

(c) In a criminal prosecution, arising out of the same incident for a serious violent offense as defined in RCW 9.94A.030 in which a party who consented to the interception, transmission, or recording was a victim of the offense.

(5) Nothing in this section bars the admission of testimony of a participant in the communication or conversation unaided by information obtained pursuant to this section.

(6) The authorizing agency shall immediately destroy any written, transcribed, or recorded information obtained from an interception, transmission, or recording authorized under this section unless the agency determines there has been a personal injury or death or a serious violent offense which may give rise to a civil action or criminal prosecution in which the information may be admissible under subsection (4) (b) or (c) of this section.

(7) Nothing in this section authorizes the interception, recording, or transmission of a telephonic communication or conversation.

NEW SECTION, Sec. 203. A new section is added to chapter 9.73 RCW to read as follows:

In each superior court judicial district in class AA and A counties there shall be available twenty-four hours a day at least one superior court or district court judge or magistrate designated to receive telephonic requests for authorizations that may be issued pursuant to this chapter. The presiding judge of each such superior court in conjunction with the district court

judges in that superior court judicial district shall establish a coordinated schedule of rotation for all of the superior and district court judges and magistrates in the superior court judicial district for purposes of ensuring the availability of at least one judge or magistrate at all times. During the period that each judge or magistrate is designated, he or she shall be equipped with an electronic paging device when not present at his or her usual telephone. It shall be the designated judge's or magistrate's responsibility to ensure that all attempts to reach him or her for purposes of requesting authorization pursuant to this chapter are forwarded to the electronic page number when the judge or magistrate leaves the place where he or she would normally receive such calls.

NEW SECTION. Sec. 204. A new section is added to chapter 9.73 RCW to read as follows:

(1) As part of a bona fide criminal investigation, the chief law enforcement officer of a law enforcement agency or his or her designee above the rank of first line supervisor may authorize the interception, transmission, or recording of a conversation or communication by officers under the following circumstances:

(a) At least one party to the conversation or communication has consented to the interception, transmission, or recording;

(b) Probable cause exists to believe that the conversation or communication involves the unlawful manufacture, delivery, sale, or possession with intent to manufacture, deliver, or sell, controlled substances as defined in chapter 69.50 RCW, or legend drugs as defined in chapter 69.41 RCW, or imitation controlled substances as defined in chapter 69.52 RCW; and

(c) A written report has been completed as required by subsection (2) of this section.

(2) The agency's chief officer or designee authorizing an interception, transmission, or recording under subsection (1) of this section, shall prepare and sign a written report at the time of authorization indicating:

(a) The circumstances that meet the requirements of subsection (1) of this section;

(b) The names of the authorizing and consenting parties, except that in those cases where the consenting party is a confidential informant, the name of the confidential informant need not be divulged;

(c) The names of the officers authorized to intercept, transmit, and record the conversation or communication;

(d) The identity of the particular person or persons, if known, who may have committed or may commit the offense;

(e) The details of the particular offense or offenses that may have been or may be committed and the expected date, location, and approximate time of the conversation or communication; and

(f) Whether there was an attempt to obtain authorization pursuant to RCW 9.73.090(2) and, if there was such an attempt, the outcome of the attempt.

(3) An authorization under this section is valid in all jurisdictions within Washington state and for the interception of communications from additional persons if the persons are brought into the conversation or transaction by the nonconsenting party or if the nonconsenting party or such additional persons cause or invite the consenting party to enter another jurisdiction.

(4) The recording of any conversation or communication under this section shall be done in such a manner that protects the recording from editing or other alterations.

(5) An authorization made under this section is valid for no more than twenty-four hours from the time it is signed by the authorizing officer, and each authorization shall independently meet all of the requirements of this section. The authorizing officer shall sign the written report required under subsection (2) of this section, certifying the exact date and time of his or her signature. An authorization under this section may be extended not more than twice for an additional consecutive twenty-four hour period based upon the same probable cause regarding the same suspected transaction. Each such extension shall be signed by the authorizing officer.

(6) Within fifteen days after the signing of an authorization that results in any interception, transmission, or recording of a conversation or communication pursuant to this section, the law enforcement agency which made the interception, transmission, or recording shall submit a report including the original authorization under subsection (2) of this section to a judge of a court having jurisdiction which report shall identify (a) the persons, including the consenting party, who participated in the conversation, and (b) the date, location, and approximate time of the conversation.

In those cases where the consenting party is a confidential informant, the name of the confidential informant need not be divulged.

A monthly report shall be filed by the law enforcement agency with the administrator for the courts indicating the number of authorizations granted, the date and time of each authorization, interceptions made, arrests resulting from an interception, and subsequent invalidations.

(7)(a) Within two judicial days of receipt of a report under subsection (6) of this section, the court shall make an ex parte review of the authorization, but not of the evidence, and shall make a determination whether the requirements of subsection (1) of this section were met. If the court determines that any of the requirements of subsection (1) of this section were not met, the court shall order that any recording and any copies or transcriptions of the conversation or

communication be destroyed. Destruction of recordings, copies, or transcriptions shall be stayed pending any appeal of a finding that the requirements of subsection (1) of this section were not met.

(b) Absent a continuation under (c) of this subsection, six months following a determination under (a) of this subsection that probable cause did not exist, the court shall cause a notice to be mailed to the last known address of any nonconsenting party to the conversation or communication that was the subject of the authorization. The notice shall indicate the date, time, and place of any interception, transmission, or recording made pursuant to the authorization. The notice shall also identify the agency that sought the authorization and shall indicate that a review under (a) of this subsection resulted in a determination that the authorization was made in violation of this section.

(c) An authorizing agency may obtain six-month extensions to the notice requirement of (b) of this subsection in cases of active, ongoing criminal investigations that might be jeopardized by sending the notice.

(8) In any subsequent judicial proceeding, evidence obtained through the interception or recording of a conversation or communication pursuant to this section shall be admissible only if:

(a) The court finds that the requirements of subsection (1) of this section were met and the evidence is used in prosecuting an offense listed in subsection (1)(b) of this section; or

(b) The evidence is admitted with the permission of the person whose communication or conversation was intercepted, transmitted, or recorded; or

(c) The evidence is admitted in a prosecution for a "serious violent offense" as defined in RCW 9.94A.030 in which a party who consented to the interception, transmission, or recording was a victim of the offense; or

(d) The evidence is admitted in a civil suit for personal injury or wrongful death arising out of the same incident, in which a party who consented to the interception, transmission, or recording was a victim of a serious violent offense as defined in RCW 9.94A.030.

Nothing in this subsection bars the admission of testimony of a party or eyewitness to the intercepted, transmitted, or recorded conversation or communication when that testimony is unaided by information obtained solely by violation of RCW 9.73.030.

(9) Any determination of invalidity of an authorization under this section shall be reported by the court to the office of the administrator for the courts.

(10) Any person who intentionally intercepts, transmits, or records or who intentionally authorizes the interception, transmission, or recording of a conversation or communication in violation of this section, is guilty of a class C felony punishable according to chapter 9A.20 RCW.

(11) An authorizing agency is liable for twenty-five thousand dollars in exemplary damages, in addition to any other damages authorized by this chapter or by other law, to a person whose conversation or communication was intercepted, transmitted, or recorded pursuant to an authorization under this section if:

(a) In a review under subsection (7) of this section, or in a suppression of evidence proceeding, it has been determined that the authorization was made without the probable cause required by subsection (1)(b) of this section; and

(b) The authorization was also made without a reasonable suspicion that the conversation or communication would involve the unlawful acts identified in subsection (1)(b) of this section.

Sec. 205, Section 1, chapter 48, Laws of 1970 ex. sess. as last amended by section 2, chapter 38, Laws of 1986 and RCW 9.73.090 are each amended to read as follows:

(1) The provisions of RCW 9.73.030 through 9.73.080 shall not apply to police, fire, emergency medical service, emergency communication center, and poison center personnel in the following instances:

(a) Recording incoming telephone calls to police and fire stations, licensed emergency medical service providers, emergency communication centers, and poison centers;

(b) Video and/or sound recordings may be made of arrested persons by police officers responsible for making arrests or holding persons in custody before their first appearance in court. Such video and/or sound recordings shall conform strictly to the following:

(i) The arrested person shall be informed that such recording is being made and the statement so informing him shall be included in the recording;

(ii) The recording shall commence with an indication of the time of the beginning thereof and terminate with an indication of the time thereof;

(iii) At the commencement of the recording the arrested person shall be fully informed of his constitutional rights, and such statements informing him shall be included in the recording;

(iv) The recordings shall only be used for valid police or court activities.

(2) It shall not be unlawful for a law enforcement officer acting in the performance of the officer's official duties to intercept, record, or disclose an oral communication or conversation where the officer is a party to the communication or conversation or one of the parties to the communication or conversation has given prior consent to the interception, recording, or disclosure: PROVIDED, That prior to the interception, transmission, or recording the officer shall obtain written or telephonic authorization from a judge or magistrate, who shall approve the

interception, recording, or disclosure of communications or conversations with a nonconsenting party for a reasonable and specified period of time, if there is probable cause to believe that the nonconsenting party has committed, is engaged in, or is about to commit a felony: PROVIDED HOWEVER, That if such authorization is given by telephone the authorization and officer's statement justifying such authorization must be electronically recorded by the judge or magistrate on a recording device in the custody of the judge or magistrate at the time-transmitted and the recording shall be retained in the court records and reduced to writing as soon as possible thereafter.

Any recording or interception of a communication or conversation incident to a lawfully recorded or intercepted communication or conversation pursuant to this subsection shall be lawful and may be divulged.

All recordings of communications or conversations made pursuant to this subsection shall be retained for as long as any crime may be charged based on the events or communications or conversations recorded.

(3) Communications or conversations authorized to be intercepted, recorded, or disclosed by this section shall not be inadmissible under RCW 9.73.050.

(4) Authorizations issued under subsection (2) of this section shall be effective for not more than seven days, after which period the issuing authority may (~~upon application of the officer who secured the original authorization~~) renew or continue the authorization for ~~((am))~~ additional periods not to exceed seven days.

(5) If the judge or magistrate determines that there is probable cause to believe that the communication or conversation concerns the unlawful manufacture, delivery, sale, or possession with intent to manufacture, deliver, or sell, controlled substances as defined in chapter 69.50 RCW, or legend drugs as defined in chapter 69.41 RCW, or imitation controlled substances as defined in chapter 69.52 RCW, the judge or magistrate may authorize the interception, transmission, recording, or disclosure of communications or conversations under subsection (2) of this section even though the true name of the nonconsenting party, or the particular time and place for the interception, transmission, recording, or disclosure, is not known at the time of the request, if the authorization describes the nonconsenting party and subject matter of the communication or conversation with reasonable certainty under the circumstances. Any such communication or conversation may be intercepted, transmitted, recorded, or disclosed as authorized notwithstanding a change in the time or location of the communication or conversation after the authorization has been obtained or the presence of or participation in the communication or conversation by any additional party not named in the authorization.

Authorizations issued under this subsection shall be effective for not more than fourteen days, after which period the issuing authority may renew or continue the authorization for an additional period not to exceed fourteen days.

NEW SECTION. Sec. 206. A new section is added to chapter 9.73 RCW to read as follows:

(1) The attorney general shall have concurrent authority and power with the prosecuting attorneys to investigate violations of sections 201 through 204 of this act or RCW 9.73.090 and initiate and conduct prosecutions of any violations upon request of any of the following:

(a) The person who was the nonconsenting party to the intercepted, transmitted, or recorded conversation or communication; or

(b) The county prosecuting attorney of the jurisdiction in which the offense has occurred.

For the purposes of this section, "state correctional facility" means a facility that is under the control and authority of the department of corrections, and used for the incarceration, treatment, or rehabilitation of convicted felons.

SUBPART C

PROPERTY FORFEITURE

NEW SECTION. Sec. 211. The legislature finds that: Drug offenses and crimes resulting from illegal drug use are destructive to society; the nature of drug trafficking results in many property crimes and crimes of violence; state and local governmental agencies incur immense expenses in the investigation, prosecution, adjudication, incarceration, and treatment of drug-related offenders and the compensation of their victims; drug-related offenses are difficult to eradicate because of the profits derived from the criminal activities, which can be invested in legitimate assets and later used for further criminal activities; and the forfeiture of real assets where a substantial nexus exists between the commercial production or sale of the substances and the real property will provide a significant deterrent to crime by removing the profit incentive of drug trafficking, and will provide a revenue source that will partially defray the large costs incurred by government as a result of these crimes. The legislature recognizes that seizure of real property is a very powerful tool and should not be applied in cases in which a manifest injustice would occur as a result of forfeiture of an innocent spouse's community property interest.

Sec. 212. Section 15, chapter 2, Laws of 1983 as last amended by section 2, chapter 282, Laws of 1988 and RCW 69.50.505 are each amended to read as follows:

(a) The following are subject to seizure and forfeiture and no property right exists in them:

(1) All controlled substances which have been manufactured, distributed, dispensed, ~~((or))~~ acquired, or possessed in violation of this chapter or chapter 69.41 or 69.52 RCW;

(2) All raw materials, products, and equipment of any kind which are used, or intended for use, in manufacturing, compounding, processing, delivering, importing, or exporting any controlled substance in violation of this chapter or chapter 69.41 or 69.52 RCW;

(3) All property which is used, or intended for use, as a container for property described in paragraphs (1) or (2);

(4) All conveyances, including aircraft, vehicles, or vessels, which are used, or intended for use, in any manner to facilitate the sale of property described in paragraphs (1) or (2), ~~((but))~~ except that:

(i) No conveyance used by any person as a common carrier in the transaction of business as a common carrier is subject to forfeiture under this section unless it appears that the owner or other person in charge of the conveyance is a consenting party or privy to a violation of this chapter or chapter 69.41 or 69.52 RCW;

(ii) No conveyance is subject to forfeiture under this section by reason of any act or omission established by the owner thereof to have been committed or omitted without ~~((this))~~ the owner's knowledge or consent;

(iii) A forfeiture of a conveyance encumbered by a bona fide security interest is subject to the interest of the secured party if the secured party neither had knowledge of nor consented to the act or omission; and

(iv) When the owner of a conveyance has been arrested under this chapter or chapter 69.41 or 69.52 RCW the conveyance in which the person is arrested may not be subject to forfeiture unless it is seized or process is issued for its seizure within ten days of the owner's arrest;

(5) All books, records, and research products and materials, including formulas, microfilm, tapes, and data which are used, or intended for use, in violation of this chapter or chapter 69.41 or 69.52 RCW;

(6) All drug paraphernalia; ~~((and))~~

(7) All moneys, negotiable instruments, securities, or other tangible or intangible property of value furnished or intended to be furnished by any person in exchange for a controlled substance in violation of this chapter or chapter 69.41 or 69.52 RCW, all tangible or intangible personal property, proceeds, or assets acquired in whole or in part with proceeds traceable to ~~((such))~~ an exchange or series of exchanges in violation of this chapter or chapter 69.41 or 69.52 RCW, and all moneys, negotiable instruments, and securities used or intended to be used to facilitate any violation of this chapter or chapter 69.41 or 69.52 RCW; PROVIDED, That a forfeiture of money, negotiable instruments, securities, or other tangible or intangible property encumbered by a bona fide security interest is subject to the interest of the secured party if, at the time the security interest was created, the secured party neither had knowledge of nor consented to the act or omission; PROVIDED FURTHER, That no personal property may be forfeited under this paragraph, to the extent of the interest of an owner, by reason of any act or omission which that owner establishes was committed or omitted without the owner's knowledge or consent; and

(8) All real property, including any right, title, and interest in the whole of any lot or tract of land, and any appurtenances or improvements which are being used with the knowledge of the owner for the manufacturing, compounding, processing, delivery, importing, or exporting of any controlled substance, or which have been acquired in whole or in part with proceeds traceable to an exchange or series of exchanges in violation of this chapter or chapter 69.41 or 69.52 RCW, if such activity is not less than a class C felony and a substantial nexus exists between the commercial production or sale of the controlled substance and the real property; PROVIDED, That:

(i) No property may be forfeited pursuant to this subsection, to the extent of the interest of an owner, by reason of any act or omission committed or omitted without the owner's knowledge or consent;

(ii) The bona fide gift of a controlled substance, legend drug, or imitation controlled substance shall not result in the forfeiture of real property;

(iii) The possession of marijuana shall not result in the forfeiture of real property unless the marijuana is possessed for commercial purposes, the amount possessed is five or more plants or one pound or more of marijuana, and a substantial nexus exists between the possession of marijuana and the real property. In such a case, the intent of the offender shall be determined by the preponderance of the evidence, including the offender's prior criminal history, the amount of marijuana possessed by the offender, the sophistication of the activity or equipment used by the offender, and other evidence which demonstrates the offender's intent to engage in commercial activity;

(iv) The unlawful sale of marijuana or a legend drug shall not result in the forfeiture of real property unless the sale was forty grams or more in the case of marijuana or one hundred

dollars or more in the case of a legend drug, and a substantial nexus exists between the unlawful sale and the real property; and

(v) A forfeiture of real property encumbered by a bona fide security interest is subject to the interest of the secured party if the secured party, at the time the security interest was created, neither had knowledge of nor consented to the act or omission.

(b) Real or personal property subject to forfeiture under this chapter may be seized by any board inspector or law enforcement officer of this state upon process issued by any superior court having jurisdiction over the property. Seizure of real property shall include the filing of a lis pendens by the seizing agency. Real property seized under this section shall not be transferred or otherwise conveyed until ninety days after seizure or until a judgment of forfeiture is entered, whichever is later: PROVIDED, That real property seized under this section may be transferred or conveyed to any person or entity who acquires title by foreclosure or deed in lieu of foreclosure of a security interest. Seizure of personal property without process may be made if:

(1) The seizure is incident to an arrest or a search under a search warrant or an inspection under an administrative inspection warrant;

(2) The property subject to seizure has been the subject of a prior judgment in favor of the state in a criminal injunction or forfeiture proceeding based upon this chapter;

(3) A board inspector or law enforcement officer has probable cause to believe that the property is directly or indirectly dangerous to health or safety; or

(4) The board inspector or law enforcement officer has probable cause to believe that the property was used or is intended to be used in violation of this chapter.

(c) In the event of seizure pursuant to subsection (b), proceedings for forfeiture shall be deemed commenced by the seizure. The law enforcement agency under whose authority the seizure was made shall cause notice to be served within fifteen days following the seizure on the owner of the property seized and the person in charge thereof and any person having any known right or interest therein, including any community property interest, of the seizure and intended forfeiture of the seized property. Service of notice of seizure of real property shall be made according to the rules of civil procedure. However, the state may not obtain a default judgment with respect to real property against a party who is served by substituted service absent an affidavit stating that a good faith effort has been made to ascertain if the defaulted party is incarcerated within the state, and that there is no present basis to believe that the party is incarcerated within the state. The notice of seizure in other cases may be served by any method authorized by law or court rule including but not limited to service by certified mail with return receipt requested. Service by mail shall be deemed complete upon mailing within the fifteen day period following the seizure.

(d) If no person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of items specified in subsection (a)(4) ((or)), (a)(7), or (a)(8) of this section within forty-five days of the seizure in the case of personal property and ninety days in the case of real property, the item seized shall be deemed forfeited. The community property interest in real property of a person whose spouse committed a violation giving rise to seizure of the real property may not be forfeited if the person did not participate in the violation.

(e) If any person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of items specified in subsection (a)(2), (a)(3), (a)(4) ((or)), (a)(5), (a)(6), (a)(7), or (a)(8) of this section within forty-five days of the seizure in the case of personal property and ninety days in the case of real property, the person or persons shall be afforded a reasonable opportunity to be heard as to the claim or right. The hearing shall be before the chief law enforcement officer of the seizing agency or the chief law enforcement officer's designee, except where the seizing agency is a state agency as defined in RCW 34.12.020(4), the hearing shall be before the chief law enforcement officer of the seizing agency or an administrative law judge appointed under chapter 34.12 RCW, except that any person asserting a claim or right may remove the matter to a court of competent jurisdiction if the aggregate value of the article or articles involved is more than five hundred dollars. The court to which the matter is to be removed shall be the district court when such aggregate value is ten thousand dollars or less of personal property. A hearing before the seizing agency and any appeal therefrom shall be under Title 34 RCW. In a court hearing between two or more claimants to the article or articles involved, the prevailing party shall be entitled to a judgment for costs and reasonable attorney's fees. In cases involving personal property, the burden of producing evidence shall be upon the person claiming to be the lawful owner or the person claiming to have the lawful right to possession of ((items specified in subsection (a)(4) or (a)(7) of this section)) the property. In cases involving real property, the burden of producing evidence shall be upon the law enforcement agency. The burden of proof that the seized real property is subject to forfeiture shall be upon the law enforcement agency. The seizing law enforcement agency shall promptly return the article or articles to the claimant upon a determination by the administrative law judge or court that the claimant is the present lawful owner or is lawfully entitled to possession thereof of items specified in subsection (a)(2), (a)(3), (a)(4) ((or)), (a)(5), (a)(6), (a)(7), or (a)(8) of this section.

(f) When property is forfeited under this chapter the board or seizing law enforcement agency may:

(1) Retain it for official use or upon application by any law enforcement agency of this state release such property to such agency for the exclusive use of enforcing the provisions of this chapter;

(2) (i) Sell that which is not required to be destroyed by law and which is not harmful to the public. The proceeds and all moneys forfeited under this title shall be used for payment of all proper expenses of the investigation leading to the seizure, including any money delivered to the subject of the investigation by the law enforcement agency, and of the proceedings for forfeiture and sale, including expenses of seizure, maintenance of custody, advertising, actual costs of the prosecuting or city attorney, and court costs. Money remaining after the payment of all expenses shall be distributed as follows:

(A) ((Seventy-five)) Twenty-five percent of the money derived from the forfeiture of real property and seventy-five percent of the money derived from the forfeiture of personal property shall be deposited in the general fund of the state, county, and/or city of the seizing law enforcement agency and shall be used exclusively for the expansion or improvement of law enforcement services. These services may include the creation of reward funds for the purpose of rewarding informants who supply information leading to the arrest, prosecution and conviction of persons who violate laws relating to controlled substances. Such moneys shall not supplant preexisting funding sources; ((and))

(B) Twenty-five percent of money derived from the forfeiture of real property and twenty-five percent of money derived from the forfeiture of personal property shall be remitted to the state treasurer for deposit in the public safety and education account established in RCW 43.08.250;

(C) Until July 1, 1995, fifty percent of money derived from the forfeiture of real property shall be remitted to the state treasurer for deposit in the drug enforcement and education account under section 401 of this 1989 act, on and after July 1, 1995, the fifty percent of the money shall be remitted in the same manner as the twenty-five percent of the money remitted under (2)(i)(A) of this subsection; and

(D) If an investigation involves a seizure of moneys and proceeds having an aggregate value of less than five thousand dollars, the moneys and proceeds may be deposited in total in the general fund of the governmental unit of the seizing law enforcement agency and shall be appropriated exclusively for the expansion of narcotics enforcement services. Such moneys shall not supplant preexisting funding sources.

(ii) Money deposited according to this section must be deposited within ninety days of the date of final disposition of either the administrative seizure or the judicial seizure;

(3) Request the appropriate sheriff or director of public safety to take custody of the property and remove it for disposition in accordance with law; or

(4) Forward it to the drug enforcement administration for disposition.

(g) Controlled substances listed in Schedule I, II, III, IV, and V that are possessed, transferred, sold, or offered for sale in violation of this chapter are contraband and shall be seized and summarily forfeited to the state. Controlled substances listed in Schedule I, II, III, IV, and V, which are seized or come into the possession of the board, the owners of which are unknown, are contraband and shall be summarily forfeited to the board.

(h) Species of plants from which controlled substances in Schedules I and II may be derived which have been planted or cultivated in violation of this chapter, or of which the owners or cultivators are unknown, or which are wild growths, may be seized and summarily forfeited to the board.

(i) The failure, upon demand by a board inspector or law enforcement officer, of the person in occupancy or in control of land or premises upon which the species of plants are growing or being stored to produce an appropriate registration or proof that he is the holder thereof constitutes authority for the seizure and forfeiture of the plants.

(j) Upon the entry of an order of forfeiture of real property, the court shall forward a copy of the order to the assessor of the county in which the property is located. Orders for the forfeiture of real property shall be entered by the superior court, subject to court rules. Such an order shall be filed by the seizing agency in the county auditor's records in the county in which the real property is located.

SUBPART D

OFF-LIMITS ORDERS

NEW SECTION. Sec. 213. The legislature finds that drug abuse is escalating at an alarming rate. New protections need to be established to address this drug crisis which is threatening every stratum of our society. Prohibiting known drug traffickers from frequenting areas for continuous drug activity is one means of addressing this pervasive problem.

NEW SECTION. Sec. 214. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter:

(1) "Applicant" means any person who owns, occupies, or has a substantial interest in property, or who is a neighbor to property which is adversely affected by drug trafficking, including:

(a) A "family or household member" as defined by RCW 10.99.020(1), who has a possessory interest in a residence as an owner or tenant, at least as great as a known drug trafficker's interest;

(b) An owner or lessor;

(c) An owner, tenant, or resident who lives or works in a designated PADT area; or

(d) A city or prosecuting attorney for any jurisdiction in this state where drug trafficking is occurring.

(2) "Drug" or "drugs" means a controlled substance as defined in chapter 69.50 RCW or an "imitation controlled substance" as defined in RCW 69.52.020.

(3) "Known drug trafficker" means any person who has been convicted of a drug offense in this state, another state, or federal court who subsequently has been arrested for a drug offense in this state. For purposes of this definition, "drug offense" means a felony violation of chapter 69.50 or 69.52 RCW or equivalent law in another jurisdiction that involves the manufacture, distribution, or possession with intent to manufacture or distribute, of a controlled substance or imitation controlled substance.

(4) "Off-limits orders" means an order issued by a superior or district court in the state of Washington that enjoins known drug traffickers from entering or remaining in a designated PADT area.

(5) "Protected against drug trafficking area" or "PADT area" means any specifically described area, public or private, contained in an off-limits order. The perimeters of a PADT area shall be defined using street names and numbers and shall include all real property contained therein, where drug sales, possession of drugs, pedestrian or vehicular traffic attendant to drug activity, or other activity associated with drug offenses confirms a pattern associated with drug trafficking. The area may include the full width of streets, alleys and sidewalks on the perimeter, common areas, planting strips, parks and parking areas within the area described using the streets as boundaries.

NEW SECTION, Sec. 215. A court may enter an off-limits order enjoining a known drug trafficker who has been associated with drug trafficking in an area that the court finds to be a PADT area, from entering or remaining in a designated PADT area for up to one year. This relief may be ordered pursuant to applications for injunctive relief or as part of a criminal proceeding as follows:

(1) In a civil action, including an action brought under this chapter;

(2) In a nuisance abatement action pursuant to chapter 7.43 RCW;

(3) In an eviction action to exclude known drug traffickers or tenants who were evicted for allowing drug trafficking to occur on the premises which were the subject of the eviction action;

(4) As a condition of pretrial release of a known drug trafficker awaiting trial on drug charges. The order shall be in effect until the time of sentencing or dismissal of the criminal charges; or

(5) As a condition of sentencing of any known drug trafficker convicted of a drug offense. The order may include all periods of community placement or community supervision.

NEW SECTION, Sec. 216. Upon the filing of an application for an off-limits order under section 215 (1), (2), or (3) of this act, the court shall set a hearing fourteen days from the filing of the application, or as soon thereafter as the hearing can be scheduled. If the respondent has not already been served with a summons, the application shall be served on the respondent not less than five court days before the hearing. If timely service cannot be made, the court may set a new hearing date.

NEW SECTION, Sec. 217. Upon filing an application for an off-limits order under this chapter, an applicant may obtain an ex parte temporary off-limits order, with or without notice, only upon a showing that serious or irreparable harm will result to the applicant if the temporary off-limits order is not granted. If the person in charge, or his or her designee, finds that the initial needs of such person would be better served by placement within the mental health system, the person shall be referred to an evaluation and treatment facility as defined in RCW 71.05.020. If placement in an alcohol treatment facility is available and deemed appropriate, the petition shall allege that: The person is an alcoholic who is incapacitated by alcohol, or that the person has twice before in the preceding twelve months been admitted for ~~((the voluntary))~~ detoxification or treatment for alcoholism pursuant to RCW 70.96A.110 and is in need of a more sustained treatment program, or that the person is an alcoholic who has threatened, attempted, or inflicted physical harm on another and is likely to inflict physical harm on another unless committed. A refusal to undergo treatment, by itself, does not constitute evidence of lack of judgment as to the need for treatment. The petition shall be accompanied by a certificate of a licensed physician who has examined the person within ~~((two))~~ five days before submission of the petition, unless the person whose commitment is sought has refused to submit to a medical examination, in which case the fact of refusal shall be alleged in the petition. The certificate shall set forth the licensed physician's findings in support of the allegations of the petition. A physician employed by the petitioning facility or the department is ~~((not))~~ eligible to be the certifying physician.

(2) Upon filing the petition, the court shall fix a date for a hearing no less than ~~((three))~~ two and no more than seven days after the date the petition was filed unless the person petitioned against is presently being detained ~~((by the))~~ in a facility, pursuant to RCW 70.96A.120 or 71.05.210, as now or hereafter amended, in which case the hearing shall be held within seventy-two hours of the filing of the petition: PROVIDED, HOWEVER, That the above specified seventy-two hours shall be computed by excluding Saturdays, Sundays, and holidays: PROVIDED FURTHER, That, the court may, upon motion of the person whose commitment is sought, or upon motion of petitioner with written permission of the person whose commitment is sought, or his or her counsel and, upon good cause shown, extend the date for the hearing. A copy of the petition and of the notice of the hearing, including the date fixed by the court, shall be served by the treatment facility on the person whose commitment is sought, his or her next of kin, a parent or his or her legal guardian if he or she is a minor, and any other person the court believes advisable. A copy of the petition and certificate shall be delivered to each person notified.

(3) At the hearing the court shall hear all relevant testimony, including, if possible, the testimony, which may be telephonic, of at least one licensed physician who has examined the person whose commitment is sought. Communications otherwise deemed privileged under the laws of this state are deemed to be waived in proceedings under this chapter when a court of competent jurisdiction in its discretion determines that the waiver is necessary to protect either the detained person or the public. The waiver of a privilege under this section is limited to records or testimony relevant to evaluation of the detained person for purposes of a proceeding under this chapter. Upon motion by the detained person, or on its own motion, the court shall examine a record or testimony sought by a petitioner to determine whether it is within the scope of the waiver.

The record maker shall not be required to testify in order to introduce medical, nursing, or psychological records of detained persons so long as the requirements of RCW 5.45.020 are met, except that portions of the record that contain opinions as to whether the detained person is an alcoholic must be deleted from the records unless the person offering the opinions is available for cross-examination. The person shall be present unless the court believes that his or her presence is likely to be injurious to him or her; in this event the court may deem it appropriate to appoint a guardian ad litem to represent him or her throughout the proceeding. If deemed advisable, the court may examine the person out of courtroom. If the person has refused to be examined by a licensed physician, he or she shall be given an opportunity to be examined by a court appointed licensed physician. If he or she refuses and there is sufficient evidence to believe that the allegations of the petition are true, or if the court believes that more medical evidence is necessary, the court may make a temporary order committing him

or her to the department for a period of not more than five days for purposes of a diagnostic examination.

(4) If after hearing all relevant evidence, including the results of any diagnostic examination, the court finds that grounds for involuntary commitment have been established by clear, cogent, and convincing proof, it shall make an order of commitment to an approved treatment facility. It shall not order commitment of a person unless it determines that an approved treatment facility is available and able to provide adequate and appropriate treatment for him or her ~~((and the treatment is likely to be beneficial))~~.

(5) A person committed under this section shall remain in the facility for treatment for a period of ~~((thirty))~~ sixty days unless sooner discharged. At the end of the ~~((thirty))~~ sixty-day period, he or she shall be discharged automatically unless the facility, before expiration of the period, files a petition for his or her recommitment upon the grounds set forth in subsection (1) of this section for a further period of ninety days unless sooner discharged. If a person has been committed because he or she is an alcoholic likely to inflict physical harm on another, the facility shall apply for recommitment if after examination it is determined that the likelihood still exists.

~~(6) (A person recommitted under subsection (5) of this section who has not been discharged by the facility before the end of the ninety day period shall be discharged at the expiration of that period unless the facility, before expiration of the period, obtains a court order on the grounds set forth in subsection (1) of this section for recommitment for a further period not to exceed ninety days. If a person has been committed because he or she is an alcoholic likely to inflict physical harm on another, the facility shall apply for recommitment if after examination it is determined that the likelihood still exists. Only two recommitment orders under subsections (5) and (6) of this section are permitted.~~

~~((7))~~ Upon the filing of a petition for recommitment under subsection ~~((s))~~ (5) ~~((or (6)))~~ of this section, the court shall fix a date for hearing no less than ~~((three))~~ two and no more than seven days after the date the petition was filed: PROVIDED, That, the court may, upon motion of the person whose commitment is sought and upon good cause shown, extend the date for the hearing. A copy of the petition and of the notice of hearing, including the date fixed by the court, shall be served by the treatment facility on the person whose commitment is sought, his or her next of kin, the original petitioner under subsection (1) of this section if different from the petitioner for recommitment, one of his or her parents or his or her legal guardian if he or she is a minor, and his or her attorney and any other person the court believes advisable. At the hearing the court shall proceed as provided in subsection (3) of this section.

~~((8))~~ (7) The approved treatment facility shall provide for adequate and appropriate treatment of a person committed to its custody. A person committed under this section may be transferred from one approved public treatment facility to another if transfer is medically advisable.

~~((9))~~ (8) A person committed to the custody of a facility for treatment shall be discharged at any time before the end of the period for which he or she has been committed and he or she shall be discharged by order of the court if either of the following conditions are met:

(a) In case of an alcoholic committed on the grounds of likelihood of infliction of physical harm upon himself, herself, or another, ~~((that he or she is no longer an alcoholic or))~~ the likelihood no longer exists; or further treatment will not be likely to bring about significant improvement in the person's condition, or treatment is no longer adequate or appropriate.

(b) In case of an alcoholic committed on the grounds of the need of treatment and incapacity, that the incapacity no longer exists.

~~((10))~~ (9) The court shall inform the person whose commitment or recommitment is sought of his or her right to contest the application, be represented by counsel at every stage of any proceedings relating to his or her commitment and recommitment, and have counsel appointed by the court or provided by the court, if he or she wants the assistance of counsel and is unable to obtain counsel. If the court believes that the person needs the assistance of counsel, the court shall require, by appointment if necessary, counsel for him or her regardless of his or her wishes. The person shall, if he or she is financially able, bear the costs of such legal service; otherwise such legal service shall be at public expense. The person whose commitment or recommitment is sought shall be informed of his or her right to be examined by a licensed physician and requests examination by a physician, the court shall employ a licensed physician.

~~((11))~~ (10) A person committed under this chapter may at any time seek to be discharged from commitment by writ of habeas corpus in a court of competent jurisdiction.

~~((12))~~ (11) The venue for proceedings under this section is the county in which person to be committed resides or is present.

(12) When in the opinion of the professional person in charge of the facility providing involuntary treatment under this chapter, the committed patient can be appropriately served by less restrictive treatment before expiration of the period of commitment, then the less restrictive care may be required as a condition for early release for a period which, when added to the initial treatment period, does not exceed the period of commitment. If the facility designated to provide the less restrictive treatment is other than the facility providing the initial

involuntary treatment, the facility so designated must agree in writing to assume such responsibility. A copy of the conditions for early release shall be given to the patient, the designated county alcoholism specialist, and the court of original commitment. The facility designated to provide less restrictive care may modify the conditions for continued release when the modifications are in the best interests of the patient. If the facility providing less restrictive care and the designated county alcoholism specialist determine that a conditionally released patient is failing to adhere to the terms and conditions of his or her release, or that substantial deterioration in the patient's functioning has occurred, then the designated county alcoholism specialist shall notify the court of original commitment and request a hearing to be held no less than two and no more than seven days after the date of the request to determine whether or not the person should be returned to more restrictive care. The designated alcoholism specialist shall file a petition with the court stating the facts substantiating the need for the hearing along with the treatment recommendations. The patient shall have the same rights with respect to notice, hearing, and counsel as for the original involuntary treatment proceedings. The issues to be determined at the hearing are whether the conditionally released patient did or did not adhere to the terms and conditions of his or her release to less restrictive care or that substantial deterioration of the patient's functioning has occurred and whether the conditions of release should be modified or the person should be returned to a more restrictive facility. The hearing may be waived by the patient and his or her counsel and his or her guardian or conservator, if any, but may not be waived unless all such persons agree to the waiver. Upon waiver, the person may be returned for involuntary treatment or continued on conditional release on the same or modified conditions.

Sec. 308. Section 15, chapter 85, Laws of 1959 and RCW 70.96.150 are each amended to read as follows:

The department shall not refuse admission for diagnosis, evaluation, guidance or treatment to any applicant because it is determined that the applicant is financially unable to contribute fully or in part to the cost of any services or facilities available under the program on alcoholism.

The department may limit admissions of such applicants or modify its programs in order to ensure that expenditures for services or programs do not exceed amounts appropriated by the legislature and are allocated by the department for such services or programs. The department may establish admission priorities in the event that the number of eligible applicants exceeds the limits set by the department.

NEW SECTION. Sec. 309. A new section is added to chapter 70.96A RCW to read as follows:

The department is authorized to allocate appropriated funds in the manner that it determines best meets the purposes of this chapter. Nothing in this chapter shall be construed to entitle any individual to services authorized in this chapter, or to require the department or its contractors to reallocate funds in order to ensure that services are available to any eligible person upon demand.

SUBPART B

DRUG AND ALCOHOL ABUSE PREVENTION AND EARLY INTERVENTION IN SCHOOLS

NEW SECTION. Sec. 310. (1) The legislature finds that the provision of drug and alcohol counseling and related prevention and intervention services in schools will enhance the classroom environment for students and teachers, and better enable students to realize their academic and personal potentials.

(2) The legislature finds that it is essential that resources be made available to school districts to provide early drug and alcohol prevention and intervention services to students and their families; to assist in referrals to treatment providers; and to strengthen the transition back to school for students who have had problems of drug and alcohol abuse.

(3) New and existing substance abuse awareness programs funded pursuant to RCW 28A.120.030 through 28A.120.050 do not fall within the definition of basic education for purposes of Article IX of the state Constitution and the state's funding duty thereunder.

(4) The legislature intends to provide grants for drug and alcohol abuse prevention and intervention in schools, targeted to those schools with the highest concentrations of students at risk.

NEW SECTION. Sec. 311. (1) Grants provided under section 312 of this act may be used solely for services provided by a substance abuse intervention specialist or for dedicated staff time for counseling and intervention services provided by any school district certificated employee who has been trained by and has access to consultation with a substance abuse intervention specialist. Services shall be directed at assisting students in kindergarten through twelfth grade in overcoming problems of drug and alcohol abuse, and in preventing abuse and addiction to such substances, including nicotine. The grants shall require local matching funds so that the grant amounts support a maximum of eighty percent of the costs of the services funded. The services of a substance abuse intervention specialist may be obtained by means of a contract with a state or community services agency or a drug treatment center. Services provided by a substance abuse intervention specialist may include:

- (a) Individual and family counseling, including preventive counseling;
- (b) Assessment and referral for treatment;

- (c) Referral to peer support groups;
- (d) Aftercare;
- (e) Development and supervision of student mentor programs;
- (f) Staff training, including training in the identification of high-risk children and effective interaction with those children in the classroom; and
- (g) Development and coordination of school drug and alcohol core teams, involving staff, students, parents, and community members.

(2) For the purposes of this section, "substance abuse intervention specialist" means any one of the following, except that diagnosis and assessment, counseling and aftercare specifically identified with treatment of chemical dependency shall be performed only by personnel who meet the same qualifications as are required of a qualified chemical dependency counselor employed by an alcoholism or drug treatment program approved by the department of social and health services.

(a) An educational staff associate employed by a school district or educational service district who holds certification as a school counselor, school psychologist, school nurse, or school social worker under state board of education rules adopted pursuant to RCW 28A.04.120;

(b) An individual who meets the definition of a qualified drug or alcohol counselor established by the bureau of alcohol and substance abuse;

(c) A counselor, social worker, or other qualified professional employed by the department of social and health services;

(d) A psychologist licensed under chapter 18.83 RCW; or

(e) A children's mental health specialist as defined in RCW 71.34.020.

NEW SECTION. Sec. 312. (1) The superintendent of public instruction shall select school districts and cooperatives of school districts to receive grants for drug and alcohol abuse prevention and intervention programs for students in kindergarten through twelfth grade, from funds appropriated by the legislature for this purpose. The minimum annual grant amount per district or cooperative of districts shall be twenty thousand dollars. Factors to be used in selecting proposals for funding and in determining grant awards shall be developed in consultation with the substance abuse advisory committee appointed under RCW 28A.120.038, with the intent of targeting funding to districts with high-risk populations. These factors may include:

(a) Characteristics of the school attendance areas to be served, such as the number of students from low-income families, truancy rates, juvenile justice referrals, and social services caseloads;

(b) The total number of students who would have access to services; and

(c) Participation of community groups and law enforcement agencies in drug and alcohol abuse prevention and intervention activities.

(2) The application procedures for grants under this section shall be consistent with the application procedures for other grants for substance abuse awareness programs under RCW 28A.120.032, including provisions for comprehensive planning, establishment of a school and community substance abuse advisory committee, and documentation of the district's needs assessment. Planning and application for grants under this section may be integrated with the development of other substance abuse awareness programs by school districts, and other grants under RCW 28A.120.030 through 28A.120.036 shall not require a separate application. School districts shall, to the maximum extent feasible, coordinate the use of grants provided under this section with other funding available for substance abuse awareness programs. School districts should allocate resources giving emphasis to drug and alcohol abuse intervention services for students in grades five through nine. Grants may be used to provide services for students who are enrolled in approved private schools.

(3) School districts receiving grants under this section shall be required to establish a means of accessing formal assessment services for determining treatment needs of students with drug and alcohol problems. The grant applications submitted by districts shall identify the districts' plan for meeting this requirement.

(4) School districts receiving grants under this section shall be required to perform biennial evaluations of their drug and alcohol abuse prevention and intervention programs, and to report on the results of these evaluations to the superintendent of public instruction.

(5) The superintendent of public instruction may adopt rules to implement sections 311 through 313 of this act.

NEW SECTION. Sec. 313. (1) School districts are encouraged to promote parent and community involvement in drug and alcohol abuse prevention and intervention programs, through parent visits under RCW 28A.58.053 and through any school involvement program established by the district under RCW 28A.58.640 through 28A.58.648.

(2) Districts are further encouraged to review drug and alcohol prevention and intervention programs as part of the self-study procedures required under RCW 28A.58.085 and as part of any annual goal-setting process the district may have established under RCW 28A.58.094.

NEW SECTION. Sec. 314. Sections 311 through 313 of this act are each added to chapter 28A.120 RCW.

SUBPART C
COMMUNITY MOBILIZATION

NEW SECTION. Sec. 315. The legislature recognizes that state-wide efforts aimed at reducing the incidence of substance abuse must be increased. The legislature further recognizes that the most effective strategy for reducing the impact of alcohol and other drug abuse is through the collaborative efforts of educators, law enforcement, local government officials, local treatment providers, and concerned community and citizens' groups.

The legislature intends to support the development and activities of community mobilization strategies against substance abuse through the following efforts:

(1) Provide funding support for prevention, treatment, and enforcement activities identified by communities that have brought together education, treatment, local government, law enforcement, and other key elements of the community;

(2) Provide technical assistance and support to help communities develop and carry out effective activities; and

(3) Provide communities with opportunities to share suggestions for state program operations and budget priorities.

NEW SECTION. Sec. 316. There is established in the office of the governor a grant program to provide incentive for and support for communities to develop targeted and coordinated strategies to reduce the incidence and impact of substance abuse.

Activities which may be funded through this grant program include those which:

(1) Prevent substance abuse through educational and self-esteem efforts, development of positive alternatives, intervention with high-risk groups, and other prevention strategies;

(2) Support effective treatment by increasing access to and availability of treatment opportunities, particularly for underserved or highly impacted populations, developing after-care and support mechanisms, and other strategies to increase the availability and effectiveness of treatment;

(3) Provide meaningful consequences for participation in illegal activity and promote safe and healthy communities through support of law enforcement strategies;

(4) Create or build on efforts by existing community programs, coordinate their efforts, and develop cooperative efforts or other initiatives to make most effective use of resources to carry out the community's strategy against substance abuse; and

(5) Other activities which demonstrate both feasibility and a rationale for how the activity will achieve measurable results in the strategy against substance abuse.

NEW SECTION. Sec. 317. Applications for funding under this chapter must:

(1) Demonstrate that the community has developed and is committed to carrying out a coordinated strategy of prevention, treatment, and law enforcement activities; and

(2) Contain evidence of active participation of the community and specific commitments to implementing the community-wide agenda by leadership from at least education, law enforcement, local government, tribal government, and treatment entities in the community, and the opportunity for meaningful involvement from others such as neighborhood and citizen groups, businesses, human service, health and job training organizations, and other key elements of the community, particularly those whose responsibilities in law enforcement, treatment, prevention, or other community efforts provide direct, ongoing contact with substance abusers.

NEW SECTION. Sec. 318. This grant program will be available to communities of any geographic size but will encourage and reward communities which develop coordinated or complementary strategies within geographic areas such as county areas or groups of county areas which correspond to units of government with significant responsibilities in the area of substance abuse, existing coalitions, or other entities important to the success of a community's strategy against substance abuse.

NEW SECTION. Sec. 319. At a minimum, grant applications must include the following:

(1) Definition of geographic area;

(2) A description of the extent and impact of substance abuse in the community, including an explanation of those who are most severely impacted and those most at risk of substance abuse;

(3) An explanation of the community-wide strategy for prevention, treatment, and law enforcement activities related to substance abuse with particular attention to those who are most severely impacted and those most at risk of substance abuse;

(4) Explanation of who was involved in development of the strategy and what specific commitments have been made to carrying it out;

(5) Identification of existing prevention, treatment, and law enforcement resources committed by the community, including financial and other support, and an explanation of how the community's strategy involves and builds on the efforts of existing organizations or coalitions that have been carrying out community efforts against substance abuse;

(6) Identification of activities that address specific objectives in the strategy for which additional resources are needed;

(7) Identification of additional local resources, including public or private funds, donated goods or services, and other measurable commitments, that have been committed to the activities identified in subsection (6) of this section;

(8) Identification of activities which address specific objectives in the strategy for which funding is requested. Activities should be presented in priority order;

(9) Each activity for which funding is requested must be explained in sufficient detail to demonstrate:

(a) Feasibility through deliberative design, specific objectives, and realistic plan for implementation;

(b) A rationale for how this activity will achieve measurable results and how it will be evaluated;

(c) That funds requested are necessary and appropriate to effectively carry out the activity; and

(10) Identification of a fiscal agent meeting state requirements for each activity proposed for funding.

NEW SECTION. Sec. 320. The governor shall make awards, subject to funds appropriated by the legislature, under the following terms:

(1) In order to be eligible for consideration, applications must demonstrate, at a minimum:

(a) That proposals submitted for funding are based on and address specific objectives contained in a coordinated strategy of prevention, treatment, and law enforcement against substance abuse;

(b) Evidence of active participation in preparation of the proposal and specific commitments to implementing the community-wide agenda by leadership from at least education, law enforcement, local government, tribal government, and treatment entities in the community, and the opportunity for meaningful involvement from others such as neighborhood and citizen groups, businesses, human service, health and job training organizations, and other key elements of the community, particularly those whose responsibilities in law enforcement, treatment, prevention, or other community efforts provide direct, ongoing contact with substance abusers, or those at risk for substance abuse;

(c) That they have met the requirements listed in section 319 of this act;

(d) Evidence of additional local resources committed to its strategy totaling at least twenty-five percent of funds awarded under this section. These resources may consist of public or private funds, donated goods or services, and other measurable commitments, including in-kind contributions such as volunteer services, materials, supplies, physical facilities or a combination thereof; and

(e) That the funds applied for, if received, will not be used to replace funding for existing activities.

(2) In order to encourage and reward communities which develop coordinated or complementary strategies within geographic areas which correspond to units of government with significant responsibilities in the area of substance abuse, up to fifty percent of funds appropriated for the purposes of this chapter may be awarded on a per capita basis to eligible applications reflecting coordinated strategy from a county area or group of county areas. The governor may establish minimum allotments per eligible county areas up to fifteen thousand dollars; and

(3) No less than fifty percent of funds appropriated under this chapter shall be awarded on a competitive basis for activities by communities not participating in a county-wide strategy and activities identified by county-wide strategies but not funded through per capita grants. Eligible applications will be assessed and compared by a peer review committee whose members have experience in prevention, treatment, law enforcement, and other community efforts against substance abuse using the following criteria:

(a) The extent and impact of substance abuse;

(b) The extent to which key elements of the community are involved in and committed to the coordinated strategy;

(c) The extent of commitments of local resources to the coordinated strategy;

(d) The extent to which any activities in a community's strategy offer an innovative approach to a chronic, wide-spread problem.

The peer review committee will advise the governor on the extent to which each eligible applicant has met these criteria. The governor will distribute available funds based on this information.

(4) The governor shall distribute fifty percent of the initial appropriation for the purposes of this chapter no later than October 1, 1989, and the remainder no later than July 1, 1990.

(5) Activities funded under this section may be considered for funding in future years, but will be considered under the same terms and criteria of new activities. Funding under this section shall not constitute an obligation by the state of Washington to provide ongoing funding.

NEW SECTION. Sec. 321. The governor shall ask communities for suggestions on state practices, policies, and priorities that would help communities implement their strategies against substance abuse. The governor or appropriate agency officials shall review and respond to those suggestions making necessary changes where feasible, making recommendations to the

legislature where appropriate, and providing an explanation as to why suggested changes cannot be accomplished, if the suggestions cannot be acted upon.

NEW SECTION. Sec. 322. The governor may receive such gifts, grants, and endowments from public or private sources as may be made from time to time, in trust or otherwise, for the use and benefit of the purposes of sections 315 through 322 of this act and expend the same or any income therefrom according to the terms of the gifts, grants, or endowments.

NEW SECTION. Sec. 323. Sections 315 through 322 of this act shall constitute a new chapter in Title 43 RCW.

NEW SECTION. Sec. 324. The governor shall report to the legislature by January 1, 1991, regarding the operations of the grant program authorized in section 316 of this act. At a minimum, the report shall include the following:

- (1) Number of grants awarded and the amount of each grant;
- (2) Recipients of grants, including the communities in which they are based;
- (3) Purposes for which the grants were awarded;
- (4) Success of the projects in achieving their stated goals and objectives;
- (5) An assessment of the effect that the activities of this act had on encouraging and supporting coordinated community action against substance abuse;
- (6) Recommendations for further funding by the state; and
- (7) Recommendations regarding future operations of the program, including criteria for awarding grants.

(2) "Possession" means the control of a carbonated beverage or syrup located within this state and includes both actual and constructive possession. "Actual possession" occurs when the person with control has physical possession. "Constructive possession" occurs when the person with control does not have physical possession. "Control" means the power to sell or use a carbonated beverage or syrup or to authorize the sale or use by another.

(3) "Previously taxed carbonated beverage or syrup" means a carbonated beverage or syrup in respect to which a tax has been paid under this chapter. REPORT OF FREE CONFERENCE COMMITTEE

RE: SHB 2011

Changing provision regulating commercial fishing licenses.

April 20, 1989

Mr. President:

Mr. Speaker:

We of your Free Conference Committee, have had the same under consideration and we recommend that the measure be amended as proposed under the request for Free Conference and that the bill do pass as amended by the Free Conference Committee.

(See Report of Conference Committee on Substitute House Bill No. 2011 and the request for powers of Free Conference read in April 21, 1989.)

Signed by Senators Metcalf, Owen; Representatives R. King, Morris, S. Wilson.

POINT OF ORDER

Senator Rasmussen: "Mr. President, I'd like to raise a point of order on Substitute House Bill No. 2011. Section 22, Mr. President, includes a rather ambiguous authority for the director who regulates emerging fisheries, whatever they may be. It doesn't relate to the bill and the licensing--and this is without any direction whatever except on his own. I'd like to raise scope and object on Section 23, also, which includes a whole bill--House Bill No. 1648--that never passed this body and has been included, which is a bill that allows the director, on his own initiative, to institute a moratorium on licenses. I think both of those exceed the scope and object of the bill and ask the President to look at them."

There being no objection, the President deferred further consideration of Substitute House Bill No. 2011.

MOTION

On motion of Senator Anderson, Senator West was excused.

REPORT OF FREE CONFERENCE COMMITTEE

RE: SSB 5221

Relating to advance college payment program.

April 20, 1989

Mr. President:

Mr. Speaker:

We of your Free Conference Committee, have had the same under consideration and we recommend that the measure be amended as proposed under the request for Free Conference and that the bill do pass as amended by the Free Conference Committee.

(See Report of Conference Committee on Substitute Senate Bill No. 5221 and the request for powers of Free Conference read in earlier today.)

Signed by Senators Rinehart, Saling, Patterson; Representatives Spanel, Van Luven, H. Myers.

MOTION

On motion of Senator Newhouse, the Report of the Free Conference Committee on Substitute Senate Bill No. 5221 was adopted.

Debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Senator Saling, is this the advance tuition bond program?"

Senator Saling: "This is the advanced tuition bond program where people would possibly purchase bonds for the long time in the future and they would prepay their tuition. They guarantee that they could, if their children qualified in the future, be guaranteed entrance into a university."

Senator Rasmussen: "Why do we need additional study? We already issued some fifty million."

Senator Bailey: "No, I'm sorry, Senator. It's not that bond program. This is a different program of prepaying tuition where you would have parents or grandparents give some money to the State Treasurer's office who in turn would invest that money and at the appropriate time, when the child was ready to go to college, that college tuition would be paid for. It's not the bond program that would give money back to the parents for their use for college tuition."

Senator Rasmussen: "There's quite a demand for that bond program. Where does that stand now?"

Senator Bailey: "We had a bill in the Legislature to approve some additional bonds and I've forgotten whether that went through or not, Senator Rasmussen. It's gone? My friend says it's gone, so it's apparently passed over to the House and I can't tell you at this point whether the House passed it or not."

Senator Rasmussen: "And the one, when the federal government starts issuing H bonds in January of 1990, for tuition?"

Senator Bailey: "I don't know what the federal government is going to do tomorrow, let alone 1990, Senator."

Senator Rasmussen: "Well, I think that's already authorized. There's quite a demand from the public for a bond program like that."

The President declared the question before the Senate to be the roll call on the final passage of Substitute Senate Bill No. 5221, as amended by the Free Conference Committee.

ROLL CALL

The Secretary called the roll on the final passage of Substitute Senate Bill No. 5221, as amended by the Free Conference Committee, and the bill passed the Senate by the following vote: Yeas, 47; excused, 2.

Voting yea: Senators Amondson, Anderson, Bailey, Barr, Bauer, Bender, Benitz, Bluechel, Cantu, Conner, Craswell, Fleming, Gaspard, Hansen, Hayner, Johnson, Kreidler, Lee, Madsen, Matson, McCaslin, McDonald, McMullen, Metcalf, Moore, Murray, Nelson, Newhouse, Niemi, Owen, Patterson, Pullen, Rasmussen, Rinehart, Saling, Sellar, Smith, Smitherman, Stratton, Sutherland, Talmadge, Thorsness, Vognild, von Reichbauer, Warnke, Williams, Wojahn - 47.

Excused: Senators DeJarnatt, West - 2.

SUBSTITUTE SENATE BILL NO. 5221, as amended by the Free Conference Committee, having received the constitutional majority was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

ALAN THOMPSON, Chief Clerk

REPORT OF FREE CONFERENCE COMMITTEE

RE: ESSB 5314

Relating to sex crimes/public schools.

April 19, 1989

Mr. President:

Mr. Speaker:

We of your Free Conference Committee, have had the same under consideration and we recommend that the measure be amended as proposed under the request for Free Conference and that the bill do pass as amended by the Free Conference Committee.

(See Report of Conference Committee on Engrossed Substitute Senate Bill No. 5314 and the request for powers of Free Conference read in April 21, 1989.)

Signed by Senators Bailey, Rinehart, Metcalf; Representatives Peery, G. Fisher, Betrozoff.

MOTION

On motion of Senator Nelson, the Report of the Free Conference Committee on Engrossed Substitute Senate Bill No. 5314 was adopted.

The President declared the question before the Senate to be the roll call on the final passage of Engrossed Substitute Senate Bill No. 5314, as amended by the Free Conference Committee.

Debate ensued.

POINT OF INQUIRY

Senator Talmadge: "Senator Bailey, I think the bill is excellent, too. One of the things about which there has been some controversy is the set of circumstances where a teacher is permitted to resign from a school district's employment and resign under a cloud of--say the allegation that the teacher has physically and sexually abused one of the children within that teacher's charge--that teacher then moves on to another school district. Does the Superintendent of Public Instruction have the sufficient capability to handle allegations of this sort, so that that first school district will actually report the circumstances of that teacher's resignation under a cloud to the SPI and the SPI will do something in its professional licenser capacity?"

Senator Bailey: "That's an excellent question, Senator Talmadge, and I appreciate you asking me that question, because in this bill, it was amended in committee so that the State Patrol is now involved in reporting of teachers under the circumstances that you suggest. In other words, for instance a teacher might come in from another state and if that teacher has been convicted of a felony committed against children, that would be recorded with the State Patrol and that record kept and the Superintendent of Instruction must check those records before granting a certificate."

Senator Talmadge: "I think that gets at the problem of the person actually being convicted of a crime, but perhaps we can work together on a bill where the person is actually never convicted of anything. They are simply permitted under something like a gentleman's agreement to disappear from the scene. They go on and reek havoc somewhere else."

Senator Bailey: "And you are absolutely right. I know it has happened in some districts that I'm familiar with and we're trying to get the word out--word of mouth through our hearings and so forth--that this should not be allowed and that these people should be put through the court systems, so if they are guilty, they are convicted. I would be pleased to work with you on that question."

Senator Talmadge: "Thank you, Senator."

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute Senate Bill No. 5314, as amended by the Free Conference Committee, and the bill passed the Senate by the following vote: Yeas, 47; excused, 2.

REPORT OF FREE CONFERENCE COMMITTEE

RE: ESHB 2137

Establishing targeted sectors for economic development.

April 21, 1989

Mr. President:

Mr. Speaker:

We of your Free Conference Committee, have had the same under consideration and we recommend that the measure be amended as proposed under the request for Free Conference and that the bill do pass as amended by the Free Conference Committee.

(See Report of Conference Committee on Engrossed Substitute House Bill No. 2137 and the request for powers of Free Conference read in earlier today.)

Signed by Senators Lee, McMullen, Amondson; Representatives Cantwell, G. Fisher, Doty.

MOTION

On motion of Senator Newhouse, the Report of the Free Conference Committee on Engrossed Substitute House Bill No. 2137 was adopted.

The President declared the question before the Senate to be the roll call on the final passage of Engrossed Substitute House Bill No. 2137, as amended by the Free Conference Committee.

Debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Senator Lee, on page 6, line 3, it says, 'an advisory committee shall create a subcommittee for each targeted sector.' It doesn't say how many it shall be and how many committees you anticipate. Are these self-funded or are they paid travel and per diem for the meetings?"

Senator Lee: "Senator Rasmussen, that is an excellent question, because that does point out one of the changes that was made to accommodate the two positions. The House originally had entirely independent advisory committees appointed for each of the targeted sectors. When the Senate looked at that and saw the number of Senators and House members that would have to be appointed we said, 'Look, that is a little bit redundant and it doesn't give that kind of coordination.' What this bill now does is, it has one advisory committee that may divide itself into subcommittees for the particular targeted sector, so you get that coordination without having to have these separate groups. The advisory committee itself is set forth in here.

"One of the things we also directed them to do is that it is up to the Senate and the House--it is their option--whether to appoint members of the Senate or the House to these advisory committees. We have begun to count up the number of committees, about fifteen new committees, on which new legislators are expected to serve, so that can still be our determination as to whether or not."

Senator Rasmussen: "There is some control over it then? The way it's written, it doesn't seem to limit it. Let me go further. On page 7, line 27, it says, 'three members of the evergreen partnership.' The evergreen is in lower case letters. What is that?"

Senator Lee: "The evergreen partnership is a group that was established primarily for cooperative marketing of forest products. It is a private non-profit organization that was established under the direction of Brian Boyle, Commissioner of Public Lands, and includes on it all of the various segments of the wood products industry--everyone, from those who grow the trees to those who make doors and windows within this state. That is the group that is mentioned as the group they may contract with because they already have studies and as far as marketing of wood products and marketing needs are concerned."

Senator Rasmussen: "Well, they weren't very clearly identified. And then on page 8, it reads, 'The Washington State Institute in consultation with the Washington State Institute for Public Policy and the northwest policy center'--again in lower case letters. What is the northwest policy center?"

Senator Lee: "The northwest policy center is located at the University of Washington and is funded by the Northwest Foundation out of Chicago, Illinois. It includes the northwest states as far as being a research center for the economic development issues for the northwest area. Some of the reports that they have already done for us relate to the capital gap study--the need for small and medium size businesses to obtain funding. It has made some recommendations and so on. They are again a private non-profit group, headquartered at the University of Washington, supported by foundation funds--no state funds."

REPORT OF CONFERENCE COMMITTEE

RE: SB 5926

Relating to low-level radioactive waste.

April 21, 1989

Mr. President:

Mr. Speaker:

We of your Conference Committee to whom the above measure was referred, have had the same under consideration and we report that we are unable to

agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

Adopt the following House striking amendment and title amendment:

Strike everything after the enacting clause and insert the following:

***NEW SECTION.** Sec. 1. The legislature finds that the possibility exists for a drastic reduction in the volume of low-level radioactive waste disposed at Hanford in several years if waste from outside the region is denied access to the facility. The legislature further finds that the state has become dependent upon the millions of dollars of revenue generated by the waste site, funds which are annually deposited in the state general fund and other state accounts, and that proper analysis of the impacts of a loss of these funds has not been conducted, leaving the state in a potentially vulnerable position.

Sec. 2. Section 8, chapter 19, Laws of 1983 1st ex. sess. as amended by section 1, chapter 2, Laws of 1986 and RCW 43.200.080 are each amended to read as follows:

The director of ecology shall, in addition to the powers and duties otherwise imposed by law, have the following special powers and duties:

(1) To fulfill the responsibilities of the state under the lease between the state of Washington and the federal government executed September 10, 1964, covering one thousand acres of land lying within the Hanford reservation near Richland, Washington. The department of ecology may sublease to private or public entities all or a portion of the land for specific purposes or activities which are determined, after public hearing, to be in agreement with the terms of the lease and in the best interests of the citizens of the state consistent with any criteria that may be developed as a requirement by the legislature:

(2) To assume the responsibilities of the state under the perpetual care agreement between the state of Washington and the federal government executed July 29, 1965 and the sublease between the state of Washington and the site operator of the Hanford low-level radioactive waste disposal facility. In order to finance perpetual surveillance and maintenance under the agreement and ensure site closure under the sublease, the department of ecology shall impose and collect fees from parties holding radioactive materials for waste management purposes. The fees shall be established by rule adopted under chapter ~~((34.04))~~ 34.05 RCW and shall be an amount determined by the department of ecology to be necessary to defray the estimated liability of the state. Such fees shall reflect equity between the disposal facilities of this and other states. All such fees, when received by the department of ecology, shall be transmitted to the state treasurer, who shall act as custodian. The perpetual maintenance fund is created in the the state treasury. The treasurer shall place the money in a special ~~((account))~~ fund which may be designated the "perpetual maintenance ~~((account))~~ fund." ~~((Appropriations are required to permit expenditures and payment of obligations from this account, and the condition of the account and its administration shall be reported biennially to the legislature by the director.))~~ The perpetual maintenance fund shall be comprised of a site closure account and a perpetual surveillance and maintenance account. The site closure account shall be exclusively available to reimburse, to the extent that moneys are available in the account, the site operator for its costs plus a reasonable profit as agreed by the operator and the state, or to reimburse the state licensing agency and any agencies under contract to the state licensing agency for their costs in final closure and decommissioning of the Hanford low-level radioactive waste disposal facility. If a balance remains in the account after satisfactory performance of closure and decommissioning, this balance shall be transferred to the perpetual surveillance and maintenance account. The perpetual surveillance and maintenance account shall be used exclusively by the state to meet post-closure surveillance and maintenance costs, or for otherwise satisfying surveillance and maintenance obligations. Appropriations are required to permit expenditures and payment of obligations from the site closure account and the perpetual surveillance and maintenance account. All moneys currently administered by the department of ecology for closure of the Hanford low-level radioactive waste disposal facility shall be transferred to the site closure account within the perpetual maintenance fund. All future moneys contributed to the perpetual maintenance fund shall be directed to the site closure account until December 31, 1992. Thereafter receipts shall be directed to the perpetual maintenance fund as specified by the department. Moneys in the perpetual maintenance ~~((account))~~ fund shall be invested by the state investment board in the same manner as other state moneys. Any interest accruing as a result of investment shall accrue to the perpetual maintenance ~~((account))~~ fund. Additional moneys specifically appropriated by the legislature or received from any public or private source may be placed in the perpetual maintenance ~~((account. The perpetual maintenance account shall be used exclusively for surveillance and maintenance costs, or for otherwise satisfying surveillance and maintenance obligations))~~ fund:

(3) To assure maintenance of such insurance coverage by state licensees, lessees, or sub-lessees as will adequately, in the opinion of the director, protect the citizens of the state against nuclear accidents or incidents that may occur on privately or state-controlled nuclear facilities;

(4) To institute a user permit system and issue site use permits, consistent with regulatory practices, for generators, packagers, or brokers using the Hanford low-level radioactive waste disposal facility. The costs of administering the user permit system shall be borne by the applicants for site use permits. The site use permit fee shall be set at a level that is sufficient to fund

completely the executive and legislative participation in activities related to the Northwest Interstate Compact on Low-Level Radioactive Waste Management; and

(5) To make application for or otherwise pursue any federal funds to which the state may be eligible, through the federal resource conservation and recovery act or any other federal programs, for the management, treatment or disposal, and any remedial actions, of wastes that are both radioactive and hazardous at all Hanford low-level radioactive waste disposal facilities; and

(6) To develop contingency plans for duties and options for the department and other state agencies related to the Hanford low-level radioactive waste disposal facility based on various projections of annual levels of waste disposal. These plans shall include an analysis of expected revenue to the state in various taxes and funds related to low-level radioactive waste disposal and the resulting implications that any increase or decrease in revenue may have on state agency duties or responsibilities. The initial set of plans shall be completed by October 1, 1989, and shall be updated annually. The department shall report annually on the plans and on the balances in the site closure and perpetual surveillance accounts to the energy and utilities committees of the senate and the house of representatives.

On page 1, line 1 of the title, after "waste;" strike the remainder of the title and insert "amending RCW 43.200.080; and creating a new section."

Further amend the House striking amendment as follows:

On page 1, at the beginning of line 16, strike "become dependent upon the" and insert "received"

On page 4, line 16, after "account," insert "Moneys which on the effective date of this act are in the perpetual maintenance account shall be transferred to the perpetual surveillance and maintenance account."

On page 6, after line 32, insert "NEW SECTION. Sec. 3. A new section is added to chapter 43.145 RCW to read as follows:

No costs shall be paid for or reimbursed by the state of Washington for the participation of other member states in the Northwest low-level waste compact for meetings of the compact held outside the state of Washington."

On page 7, line 7, after "43.200.080;" insert "adding a new section to chapter 43.145 RCW;"

Signed by Senators Benitz, Williams, Bluechel; Representatives Nelson, Jesernig, Hankins.

MOTION

On motion of Senator Newhouse, the Report of the Conference Committee on Senate Bill No. 5926 was adopted and the committee was granted the powers of Free Conference.

President Pritchard assumed the Chair.

There being no objection, the Senate resumed consideration of Substitute House Bill No. 2011 and the pending Report of the Free Conference Committee, deferred earlier today.

RULING BY THE PRESIDENT

President Pritchard: "In ruling upon the point of order raised by Senator Rasmussen, the President finds that Substitute House Bill No. 2011 is a measure making mandatory changes regarding commercial fishing licenses and fees and provides a mandatory index for the director to use for future fee increases.

"Section 22 of the Free Conference Committee Report grants the Director of Fisheries new discretionary authority to issue harvesting permits in emerging fisheries and Section 23 of the report, among other things, gives the director discretionary power to impose a moratorium on coastal crab fishing.

"The President, therefore, finds that because of Sections 22 and 23, the Free Conference Committee Report does change the scope and object of the bill and that the point of order is well taken."

Sections 22 and 23 of the Free Conference Committee Report to Substitute House Bill No. 2011 were ruled out of order.

MOTION

On motion of Senator Newhouse, the Report of the Free Conference Committee on Substitute House Bill No. 2011 was not adopted and the committee was instructed to propose a second report consistent with the Ruling of the President.

MOTION

At 3:45 p.m., on motion of Senator Newhouse, the Senate was declared to be at ease.

The Senate was called to order at 4:14 p.m. by President Pritchard.

MESSAGE FROM THE HOUSE

ALAN THOMPSON, Chief Clerk

REPORT OF CONFERENCE COMMITTEE

RE: ESSB 5911

Providing for the sale of state timber.

April 21, 1989

Mr. President:

Mr. Speaker:

We of your Conference Committee to whom the above measure was referred, have had the same under consideration and we report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

Reject all previous amendments, and

Adopt the following amendment:

Strike everything after the enacting clause and insert the following:

***NEW SECTION.** Sec. 1. The forest resources of Washington are among the most valuable of the state's resources. They provide significant opportunities for employment, education, and enjoyment, and they support a variety of uses. These forest resources are increasingly affected by pressure from a variety of sources, which will result in changes in current management practices for the resources and in changes in the economies that are dependent on these resources.

The legislature desires to develop forest management policies that anticipate emerging issues and assure a response which will protect and enhance those economic and ecological systems that are dependent on the resources. The legislature also desires to obtain information which enables better decision-making and to identify courses of action which will assist counties in receiving a reliable flow of income from county forest lands. The legislature finds that it is in the best interests of the state and the counties to establish a process which encourages the counties, through their boards of county commissioners or county councils, to share in the decision-making relating to the sale of timber from forest board lands as they seek to assure the economic stability of their communities.

Further, the legislature finds that recent management decisions concerning federally-owned forested lands have significantly reduced the amount of timber available to small businesses with facilities in Washington. This reduction has caused and will increasingly cause economic hardship in counties where a significant portion of the population is employed in the timber industry. In these counties, the rate of unemployment among residents previously employed in the timber industry has risen drastically and will continue to rise. This will put an increasing burden on the counties to provide necessary financial and social support to these residents.

This section shall expire June 30, 1994.

NEW SECTION. Sec. 2. A new section is added to chapter 76.12 RCW to read as follows:

(1) Whenever the board of county commissioners or the county council of any county determines that it is in the best interests of the county as a trust beneficiary and that it would help to ensure the economic viability of that county, the county may petition the board of natural resources to reserve, for the purposes described in this section, a portion of the timber to be sold in any given year from forest lands which have been acquired from that county by the state under to RCW 76.12.030. The county shall specify what portion of such timber is to be reserved, and the portion reserved may be up to one hundred percent of such timber.

(2) (a) Timber reserved under this section shall be made available for sale to enterprises which meet all of the following criteria: (i) At least fifty percent by volume of the timber purchased by the enterprise in the previous three years was state-owned or federally-owned; (ii) at least eighty-five percent by volume of the timber purchased by the enterprise in the previous year was processed in Washington state; and (iii) the enterprise operates facilities in

Washington which manufacture lumber, plywood, veneer, posts, poles, pilings, shakes, or shingles. For purposes of these criteria, "processed" means manufactured into lumber, plywood, veneer, posts, poles, pilings, shakes, or shingles.

(b) Once the board of natural resources has accepted the petition of a county to reserve a portion of timber pursuant to this section, the department shall compile a list of enterprises which meet the criteria listed in (a) of this subsection. An enterprise must petition the department for inclusion in the list of eligible enterprises, and must include with the petition certified records sufficient to establish that the enterprise meets the criteria listed in (a) of this subsection. If an enterprise purchases a processing facility, the enterprise may incorporate the records of that facility in its petition for inclusion in the list of eligible enterprises. The department shall establish by rule what types of records are acceptable for purposes of establishing eligibility. Timber reserved under this section shall be sold only to enterprises contained in the list of eligible firms prepared by the department.

(c) For each sale of timber under this section, the department shall require the purchaser to: (i) Submit annually, until all unprocessed timber is accounted for, a certified report on the disposition of any unprocessed timber harvested from the sale, including a description of unprocessed timber which is sold, exchanged, or otherwise disposed of to another enterprise and a description of the relationship with the other enterprise; (ii) submit annually, until all unprocessed timber from the sale is accounted for, a certified report on the sale of any unprocessed timber from private lands which is exported or sold for export; and (iii) maintain records of all such transactions involving unprocessed timber, and to make such records available for inspection and verification by the department for up to three years after the sale is terminated.

(d) For purposes of this section, "enterprise" means any business concern and its affiliates, as that term is defined in 13 C.F.R. 121.3, in effect as of January 1, 1988.

(3) If a county petitions the board of natural resources to reserve timber as provided in this section, the use of the forest board land trust assets for the purposes of this act shall be deemed to be consistent with the trust mandate imposed on the management of lands acquired pursuant to RCW 76.12.030.

(4) A petition to reserve a portion of timber may be revoked by the board of county commissioners or county council. Notice of such revocation shall be delivered to the board of natural resources. The board of natural resources shall not unreasonably deny such a request. Such revocation shall not impair any sale of timber which is approved by the board of natural resources before the board receives the notice.

(5) This section shall expire June 30, 1994.

NEW SECTION. Sec. 3. By December 1, 1990, and annually thereafter until December 1, 1994, the board of natural resources shall report to the appropriate legislative committees on the amount of reserved timber sold pursuant to section 2 of this act. The report shall identify the quantity of the reserved timber which was not exported out-of-state in the form of raw logs, and shall identify the quantity which was processed into final products within the state. The report shall also identify which counties have elected to reserve timber pursuant to this section, and shall identify any rules which have been adopted in the last year for the implementation of this section.

NEW SECTION. Sec. 4. (1) The Olympic institute for old growth forest and ocean research and education is hereby created. The institute shall be located in the western portion of the Olympic Peninsula. Its purpose shall be to demonstrate innovative management methods which successfully integrate environmental and economic interests into pragmatic management of forest and ocean resources. The institute shall combine research and educational opportunities with experimental forestry, oceans management, and traditional management knowledge into an overall program which demonstrates that management based on sound economic principles is made superior when combined with new methods of management based on ecological principles. The institute shall be jointly supported by the college of forest resources and the college of ocean and fishery science.

(2) There is hereby appropriated from the general fund to the University of Washington the sum of one hundred fifty thousand dollars, or as much thereof as may be necessary, for the biennium ending June 30, 1991, for the purpose of preparing a development plan for the institute. The development plan shall involve policy makers from state, federal, tribal, business, and environmental interests in the preparation of management plans and as it develops programs and shall be guided by the recommendation of the old growth commission appointed by the commissioner of public lands.

NEW SECTION. Sec. 5. The department of natural resources shall conduct a study of state-owned hardwood forests. The study shall include, but is not limited to: A comprehensive inventory of state-owned hardwood forests and a qualitative assessment of those stands, research into reforestation of hardwoods on state lands, and an analysis of management policies for increasing the supply of commercially harvestable hardwoods on state lands.

NEW SECTION. Sec. 6. (1) The department of trade and economic development shall contract with the northwest policy center at the University of Washington to study the economy of

areas of the state impacted by substantial reductions in timber harvested from federal lands. The study shall:

(a) Include an analysis of the present economy of the areas;

(b) Identify the social, economic, and employment effects associated with withdrawals of land from commercial timber production;

(c) Contain an assessment of possible changes to local economies and the state economy if forest lands continue to produce resources under existing management methods without additional land withdrawals from timber production by legislative decisions;

(d) Contain an assessment of the impact of anticipated technological changes in the forest products industry, possible structural changes in the forest products industry, possible investments in new or existing industries, and known impacts from previous withdrawals of land from timber production; and

(e) Evaluate potential methods for increasing the economic development of the areas, including the creation or enhancement of high value-added production.

The study shall give emphasis to recommendations for future economic development. The department of trade and economic development and the northwest policy center shall report findings to the governor and to the appropriate legislative committees on December 1, 1990.

(2) The sum of two hundred thousand dollars, or as much thereof as may be necessary, is appropriated from the general fund to the department of trade and economic development for the biennium ending June 30, 1991, for the purposes of subsection (1) of this section.

NEW SECTION. Sec. 7. (1) The department of community development shall provide technical and financial assistance to communities adversely impacted by reductions in timber harvested from federal lands. This assistance shall include the formation and implementation of community economic development plans. The department of community development shall utilize existing state technical and financial assistance programs, and shall aid communities in seeking private and federal financial assistance for the purposes of this section. The department may contract for services provided for under this section.

(2) The sum of four hundred fifty thousand dollars, or as much thereof as may be necessary, is appropriated from the general fund to the department of community development for the biennium ending June 30, 1991, for the purposes of subsection (1) of this section.

NEW SECTION. Sec. 8. If by October 1, 1989, the United States congress makes an appropriation to the United States forest service for a Washington state forest inventory and timber supply study, the department of natural resources shall conduct an inventory and prepare a report on the timber supply in Washington state. The report shall identify the quantity of timber present now and the quantity of timber that may be available from forest lands in the future using various assumptions of landowner management, including changes in the forest land base, amount of capital invested in timber management, and expected harvest age. This report shall categorize the results according to region of the state, land ownership, land productivity, and according to major timber species.

The report shall contain an estimate of the acreage and volume of old growth and other timber on lands restricted from commercial timber harvesting due to state or federal decisions, such as national parks, wilderness areas, national recreation areas, scenic river designations, natural areas, geologic areas, or other land allocations which restrict or limit timber harvesting activities. The department shall determine the definition of old growth for the purposes of this section.

State appropriations for these purposes in the 1989-91 budget may be expended if needed for project planning and design. The report shall be submitted to the appropriate committees of the senate and the house of representatives by June 1, 1991.

NEW SECTION. Sec. 9. The board of natural resources shall offer for sale the sustainable harvest as identified in the 1984-1993 forest land management program, or as subsequently revised. In the event that decisions made by entities other than the department cause a decrease in the sustainable harvest the department shall offer additional timber sales from state-managed lands.

NEW SECTION. Sec. 10. By September 1, 1989, and quarterly thereafter, the office of the governor and the commissioner of public lands shall jointly report to the appropriate committees of the senate and the house of representatives on the response of the state to any decisions by the federal government, the court system, or other developments affecting the availability of timber for harvest or processing in Washington state.

NEW SECTION. Sec. 11. By August 1, 1989, the governor and the commissioner of public lands shall jointly develop an official state response on United States forest service management plans for the national forests within the state, as required by the national environmental policy act. Such response shall be submitted to the United States forest service immediately and would supersede any previously submitted agency positions. The responses shall also be submitted to the appropriate standing committees of the senate and the house of representatives.

NEW SECTION. Sec. 12. (1) A joint select committee on domestic timber processing is established consisting of six members appointed in the following manner:

(a) Three members shall be from the senate, two from the majority caucus and one from the minority caucus, appointed by the president of the senate; and

(b) Three members shall be from the house of representatives, two from the majority caucus and one from the minority caucus, appointed by the speaker of the house of representatives. The chair shall be selected by the committee from among its members.

Committee members shall receive no compensation, but shall, to the extent funds are available, be reimbursed for their expenses while attending any meetings in the same manner as legislators engaged in interim committee business as specified in RCW 44.04.120. The committee shall be staffed by senate committee services and the office of program research.

(2) The joint select committee on domestic timber processing shall:

(f) Review present federal policy of permitting substitution of state logs for private logs;

(g) Analyze the impact of log exports on timber supply as well as on all aspects of finished timber products and the supply of wood chips;

(h) Request the department of natural resources to provide upon request, all available information relating to state timber harvest, timber bidding procedures, export sales, and market analyses;

(i) Study all aspects of domestic timber processing;

(j) Analyze the effect of domestic timber processing on timber supply;

(k) Analyze the effect of domestic timber processing on the state's economy;

(l) Recommend methods to encourage greater domestic timber processing; and

(m) Prepare legislation for introduction to the legislature for the 1990 legislative session.

The committee shall report its findings and any recommendations for legislation to the appropriate legislative committees of the senate and house of representatives by January 1, 1990.

(3) This section shall expire June 30, 1991.

NEW SECTION, Sec. 13. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1989."

MESSAGE FROM THE HOUSE

April 22, 1989

Mr. President:

The House has adopted the Second Report of the Conference Committee on ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1793 and has granted said committee the powers of Free Conference.

ALAN THOMPSON, Chief Clerk

SECOND REPORT OF FREE CONFERENCE COMMITTEE

RE: E2SHB 1793

Creating the Omnibus Alcohol and Controlled Substance Act of 1989.

April 22, 1989

Mr. President:

Mr. Speaker:

We of your Free Conference Committee, have had the same under consideration and we recommend that the measure be amended as proposed under the request for Free Conference and that the bill do pass as amended by the Free Conference Committee.

(See Second Report of Conference Committee on Engrossed Second Substitute House Bill No. 1793 and the request for powers of Free Conference read in earlier today.)

Signed by Senators Newhouse, Niemi, Nelson: Representatives Hine, Ebersole, Patrick.

MOTION

Senator Newhouse moved that the Second Report of the Free Conference Committee on Engrossed Second Substitute House Bill No. 1793 be adopted.

Debate ensued.

POINT OF INQUIRY

Senator Pullen: "Senator Newhouse, my question concerns Sections 244 through 247 dealing with student searches. These particular sections in sub-part J allow school officials to search student lockers and the student himself or herself. For example, in Section 246 the language states, 'A school principal, a vice-principal or principal's designee may search a student, the student's possessions and the student's locker if the principal, vice-principal or principal's designee has reasonable grounds to suspect that the search will yield evidence of the student's violation of the law or school rules.' That sounds rather broad to me and rather draconian. I was wondering if the Conference Committee had considered the full ramifications of that language?"

Senator Newhouse: "We didn't go over language in detail. As a matter of fact, this section, to my understanding, was fairly close between the House and Senate. If you know different, I—"

Senator Pullen: "My understanding was that was not in the original task force recommendations and it was not in the bill as it passed the Senate. The Senate had stripped the language on the House Bill and put our own language in it."

REMARKS BY SENATOR TALMADGE

Senator Talmadge: "Thank you, Mr. President, members of the Senate. In response to Senator Pullen's question, I believe this language about searches was in the original version of House Bill No. 1793, so it is an issue with which the House had been dealing. I don't believe it is inconsistent with the existing pronouncements of the federal courts at least on the subject of searches of student lockers or persons in the school setting. I think they tried to be as careful as they could to

make sure the language was consistent with the constitutional principles that were announced in the case law."

The President declared the question before the Senate to be the motion by Senator Newhouse that the Second Report of the Free Conference Committee on Engrossed Second Substitute House Bill No. 1793 be adopted.

The motion by Senator Newhouse carried and the Second Report of the Free Conference Committee was adopted.

The President declared the question before the Senate to be the roll call on the final passage of Engrossed Second Substitute House Bill No. 1793, as amended by the Free Conference Committee.

Debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Senator Nelson, is the prohibition against giving away free needles still in this bill?"

Senator Nelson: "Yes, it is, Senator Rasmussen."

Senator Rasmussen: "And if the Governor chooses to veto that out, we still have the original law that makes it illegal?"

Senator Nelson: "That is correct, Senator Rasmussen."

Senator Rasmussen: "And maybe in his wisdom, he will leave this in as good direction for the drug bill."

Senator Nelson: "Let us hope so, Senator Rasmussen."

Senator Rasmussen: "Thank you, Senator Nelson."

POINT OF INQUIRY

Senator Rasmussen: "Senator Talmadge, it's rather hard to read these bills, as they come through so fast, to find the points you are looking for. The police department complained because the various city lights and PUDs will not reveal the records of electricity consumption, which would indicate if you suddenly went from one hundred fifty dollars a month up to four hundred--you'd have halide lights in your attic or your basement. Is there anything in this bill that says that they may have access to those records?"

Senator Talmadge: "I don't believe so, Senator, but that was an issue that we dealt with, I believe, a year or two ago in the context of the two state supreme court decisions that came down on that subject and I believe we modified the Public Disclosure Act to address that particular concern that was first identified by the Snohomish PUD."

Senator Rasmussen: "But, we still can't have access to those records."

Senator Talmadge: "I believe they can."

Senator Rasmussen: "They can? Thank you. One other question. In sub-part C, it says that juvenile driver licenses requires and I presume anybody that would be involved in peddling drugs at the age of thirteen, they would notify the License Department and the driving license would be revoked. I didn't know thirteen year olds could have a license, but at least a notice would be there and they would not be able to get a license until after they were sixteen."

Senator Talmadge: "Senator, this was meant to modify the legislation that was passed last year, I believe, that was sponsored by Representative Rasmussen, coincidentally, dealing with the issue of the revocation of juvenile drivers licenses--"

Senator Rasmussen: "For driving, right?"

Senator Talmadge: "That's right and I believe this is merely clarifying language with respect to that legislation. I believe it deals with driving while intoxicated which would be both for driving under the influence of alcohol and driving under the influence of controlled substances."

Senator Rasmussen: "My question would be, if they were arrested as a juvenile for peddling drugs, could this revocation of drivers licenses apply?"

Senator Talmadge: "I believe that's the case, Senator, in Section 1, sub A. 6950 is the controlled substance section of the code."

Senator Rasmussen: "So, they then would lose their license if they were peddling drugs as a juvenile and then if further provides they'll lose their license up to the age of seventeen?"

Senator Talmadge: "I believe they would, Senator. That was the intent of Representative Rasmussen's legislation last year and this merely clarifies that intention."

Senator Rasmussen: "Real good, thank you. Well, I think that's important that juveniles become aware of that even before they are arrested for it."

Senator Talmadge: "I agree and I always admire, Senator, your skills at leading the witnesses."

Further debate ensued.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Second Substitute House Bill No. 1793, as amended by the Free Conference Committee, and the bill passed the Senate by the following vote: Yeas, 38; nays, 10; excused, 1.

Voting yea: Senators Amondson, Anderson, Bailey, Barr, Bauer, Bender, Benitz, Bluechel, Cantu, Fleming, Gaspard, Hayner, Johnson, Kreidler, Lee, Madsen, Matson, McCaslin, McDonald, McMullen, Metcalf, Nelson, Newhouse, Owen, Pullen, Rasmussen, Saing, Smith, Smitherman, Stratton, Sutherland, Talmadge, Thorsness, Vognild, von Reichbauer, Warnke, West, Wojahn - 38.

Voting nay: Senators Conner, Craswell, Hansen, Moore, Murray, Niemi, Patterson, Rinehart, Sellar, Williams - 10.

Excused: Senator DeJarnatt - 1.

ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1793, as amended by the Free Conference Committee, having received the constitutional majority was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

Senator Gaspard moved that the Committee on Children and Family Services be relieved of further consideration of Initiative 102, the Children's Initiative.

POINT OF ORDER

Senator Newhouse: "A point of order, Mr. President. I believe the motion is under the wrong order of business."

RULING BY THE PRESIDENT

President Pritchard: "Correct. The point of order is well taken."

POINT OF INQUIRY

Senator Gaspard asked Senator Newhouse to yield to a question.
Senator Newhouse would not yield.

MOTION

Senator Gaspard moved that the Senate advance to the ninth order of business.

The President declared the question before the Senate to be the motion by Senator Gaspard that the Senate advance to the ninth order of business.

The motion by Senator Gaspard failed.

REPORT OF CONFERENCE COMMITTEE

RE: ESHB 1968

Establishing a plan for long-term care services.

April 21, 1989

Mr. President:

Mr. Speaker:

We of your Conference Committee to whom the above measure was referred, have had the same under consideration and we report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

(1) That the Senate Committee on Ways and Means striking amendment adopted on April 19, 1989, be rejected, and

(2) That the following amendment be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that:

Washington's chronically functionally disabled population is growing at a rapid pace. This growth, along with economic and social changes and the coming age wave, presents opportunities for the development of long-term care community services networks and enhanced volunteer participation in those networks, and creates a need for different approaches to currently fragmented long-term care programs. The legislature further recognizes that persons with functional disabilities should receive long-term care services that encourage individual dignity, autonomy, and development of their fullest human potential.

NEW SECTION, Sec. 2. The purpose of this chapter is to:

(1) Establish a balanced range of community-based health, social, and supportive services that deliver long-term care services to chronically, functionally disabled persons of all ages;

(2) Ensure that functional disability shall be the determining factor in defining long-term care service needs and that these needs will be determined by a uniform system for comprehensively assessing functional disability;

(3) Ensure that services are provided in the most independent living situation consistent with individual needs;

(4) Ensure that long-term care service options shall be developed and made available that enable functionally disabled persons to continue to live in their homes or other community residential facilities while in the care of their families or other volunteer support persons;

(5) Ensure that long-term care services are coordinated in a way that minimizes administrative cost, eliminates unnecessarily complex organization, minimizes program and service duplication, and maximizes the use of financial resources in directly meeting the needs of persons with functional limitations;

(6) Develop a systematic plan for the coordination, planning, budgeting, and administration of long-term care services now fragmented between the division of developmental disabilities, division of mental health, aging and adult services administration, division of children and family services, division of vocational rehabilitation, office on AIDS, division of health, and bureau of alcohol and substance abuse;

(7) Encourage the development of a state-wide long-term care case management system that effectively coordinates the plan of care and services provided to eligible clients;

(8) Ensure that individuals and organizations affected by or interested in long-term care programs have an opportunity to participate in identification of needs and priorities, policy development, planning, and development, implementation, and monitoring of state supported long-term care programs;

(9) Support educational institutions in Washington state to assist in the procurement of federal support for expanded research and training in long-term care; and

(10) Facilitate the development of a coordinated system of long-term care education that is clearly articulated between all levels of higher education and reflective of both in-home care needs and institutional care needs of functionally disabled persons.

NEW SECTION, Sec. 3. A valuable option available to Washington state to achieve the goals of sections 1 and 2 of this act is the flexibility in personal care and other long-term care services encouraged by the federal government under Title XIX of the federal social security act. These services include options to expand community-based long-term care services, such as adult family homes, congregate care facilities, respite, chore services, hospice, and case management.

I. CHORE SERVICES

Sec. 4. Section 17, chapter 6, Laws of 1981 1st ex. sess. as last amended by section 1, chapter 222, Laws of 1986 and RCW 74.08.541 are each amended to read as follows:

(1) "Department" as used in this chapter, means the department of social and health services.

(2) "Long-term care facility" as used in this chapter, means a nursing home licensed under chapter 18.51 RCW or a residential habilitation center licensed under chapter 71A.20 RCW.

(3) "Chore services," as used in this chapter, means services in performing (~~tight work and household and other~~) personal care and related tasks (~~which eligible persons are unable to do for themselves because of frailty or handicapping conditions~~) as provided in the department's medical assistance state plan provision addressing personal care.

~~((#))~~ (4) Persons eligible for chore services are adult (~~individuals~~) persons having resources less than a level determined by the department, (~~and~~) whose need for chore services and risk of being placed in a (~~residential~~) long-term care facility have been determined by the department, and who are not eligible to receive medical assistance personal care benefits under RCW 74.09.520.

(a) Persons are eligible for the level (~~or amount~~) of services determined by the department under RCW 74.08.545 if the persons (~~are: (i) Adult recipients of supplemental security income or state supplementation; (ii) eligible at the time their eligibility for chore services is determined or redetermined; for limited casualty program medical care as defined by RCW 74.09.010; or (iii)~~) have an income at or below thirty percent of the state median income.

(b) For other persons, the department shall develop a scale which progressively reduces the level (~~or amount~~) of chore services provided by the department based on the ability of

applicants and ~~((recipients))~~ clients to purchase the chore services. ~~((To determine the ability of applicants and recipients to purchase chore services.))~~ The department shall not consider income below thirty percent of the state median income.

(c) Effort shall be made to obtain chore services from volunteer chore service providers under the senior citizens services act, chapter 74.38 RCW, for those individuals at risk of being placed in a residential care facility and who are age sixty or over but eligible for five hours of chore services per month or less, rather than have those services provided by paid providers. Any individual at risk of being placed in a residential care facility and who is age sixty or over but not eligible for chore services or eligible for a reduced amount of service shall be referred to a volunteer chore service program under the senior citizens services act, chapter 74.38 RCW, where available for needed services not authorized by the department.

(d) ~~((individuals))~~ Persons determined by the department to be eligible for adult protective services are eligible to receive emergency chore services without regard to income if the services are essential to, and a subordinate part of, the adult protective services plan. Emergency chore services under adult protective services shall be provided only until the situation necessitating the services has stabilized, not to exceed ninety days.

~~((3))~~ (5) The department shall establish a monthly dollar lid on chore services expenditures as necessary to maintain such expenditures within the legislative appropriation. To maintain expenditures for chore services within the limits of funds appropriated for this purpose, the department may reduce the level ~~((or amount))~~ of services authorized below the level of need assessed pursuant to RCW 74.08.545 for some or all ~~((recipients, but))~~ clients. The reductions shall be done in a manner which maintains state-wide uniformity of eligibility and service authorization standards and which considers the level of need for services and the degree of risk of being placed in a ~~((residential))~~ long-term care facility of all applicants for, and recipients of, chore services: PROVIDED, That the department may implement a ratable reduction of hours or payment for some or all clients receiving chore services.

(6) The department may continue providing chore services for those clients who were receiving assistance only with household tasks prior to December 14, 1987, provided that those clients are receiving this same service as of June 1989.

(7) The department may continue providing chore services to clients who were receiving attendant care services prior to April 1, 1988, provided that those clients are receiving the same services as of June 1989.

Sec. 5. Section 16, chapter 6, Laws of 1981 1st ex. sess. and RCW 74.08.545 are each amended to read as follows:

It is the intent of the legislature that chore services be provided to eligible persons within the limits of funds appropriated for that purpose. Therefore, the department shall provide services only to those persons identified as at risk of being placed in a ~~((residential))~~ long-term care facility in the absence of such services. Chore services shall be provided ~~((only))~~ to the extent necessary to maintain a safe and healthful living environment. It is the policy of the state to encourage the development of volunteer chore services in local communities as a means of meeting chore care service needs and directing financial resources. In determining ~~((an individual's))~~ eligibility for chore services, the department shall consider the following:

- (1) The kind of services needed;
- (2) The degree of service need, and the extent to which an individual is dependent upon such services to remain in his or her home or return to his or her home;
- (3) The availability of personal or community resources which may be utilized to meet the individual's need; and
- (4) Such other factors as the department considers necessary to insure service is provided only to those persons whose chore service needs cannot be met by relatives, friends, nonprofit organizations, or other persons.

In determining the level of services to be provided under this chapter, ~~((the department shall utilize a client review questionnaire designed))~~ client shall be assessed using an instrument designed by the department to determine ~~((both))~~ the ~~((degree and level of service))~~ level of functional disability, the need for service and the ~~((individual's))~~ person's risk of ~~((institutionalization if such needs are not met by this chapter))~~ long-term care facility placement.

Sec. 6. Section 3, chapter 51, Laws of 1973 1st ex. sess. as last amended by section 189, chapter 3, Laws of 1983 and RCW 74.08.550 are each amended to read as follows:

(1) The department ~~((of social and health services))~~ is authorized to develop a program to provide for those services enumerated in RCW 74.08.541.

~~((The department shall endeavor to assure that, for each individual receiving in-home services, a single caseworker is responsible for coordinating the delivery of all necessary in-home services for which the recipient is eligible.~~

~~((3))~~ The department may provide assistance in the recruiting of providers of the services enumerated in RCW 74.08.541 and seek to assure the timely provision of services in emergency situations.

~~((4))~~ (3) The department shall assure that all providers of the services enumerated in RCW 74.08.541 are compensated for the delivery of the services on a prompt and regular basis.

Sec. 7. Section 3, chapter 137, Laws of 1980 and RCW 74.08.570 are each amended to read as follows:

(1) An otherwise eligible disabled person shall not be deemed ineligible for chore services under this chapter if the person's gross income from employment, adjusted downward by the cost of the chore services to be provided and the disabled person's work expenses, does not exceed the maximum eligibility standard established by the department for such chore services. The department shall establish a sliding scale fee schedule for such disabled persons, taking into consideration the person's ability to pay and work expenses.

(2) If a disabled person arranges for chore services through an individual provider arrangement, the ~~((recipient's))~~ client's contribution shall be counted as first dollar toward the total amount owed to the provider for chore services rendered.

(3) As used in this section:

(a) "Gross income" means total earned wages, commissions, salary, and any bonus;

(b) "Work expenses" includes:

(c) "Employment" means any work activity for which a recipient receives monetary compensation;

(d) "Disabled" means:

(i) Permanently and totally disabled as defined by the department and as such definition is approved by the federal social security ~~((agency))~~ administration for federal matching funds;

II. RESPITE SERVICES

Sec. 8. Section 5, chapter 158, Laws of 1984 as amended by section 4, chapter 409, Laws of 1987 and RCW 74.41.050 are each amended to read as follows:

The department shall ~~((select))~~ contract with area agencies on aging or other appropriate agencies to conduct respite care projects to the extent of available funding. The responsibilities of the ~~((selected area))~~ agencies ~~((on aging))~~ shall include but not be limited to: Negotiating rates of payment, administering sliding-fee scales to enable eligible participants to participate in paying for respite care, and arranging for respite care services. Rates of payment to respite care service providers shall not exceed, and may be less than, rates paid by the department to providers for the same level of service. In evaluating the need for respite services, consideration shall be given to the mental and physical ability of the caregiver to perform necessary caregiver functions.

III. TITLE XIX COMMUNITY-BASED LONG-TERM CARE SERVICES

NEW SECTION. Sec. 9. V. ADULT FAMILY HOME LICENSING

NEW SECTION. Sec. 14. The legislature finds that adult family homes are an important part of the state's long-term care system. Adult family homes provide an alternative to institutional care and promote a high degree of independent living for residents.

NEW SECTION. Sec. 15. The purposes of this chapter are to:

(1) Encourage the establishment and maintenance of adult family homes that provide a humane, safe, and homelike environment for persons with functional limitations who need personal and special care;

(2) Establish standards for regulating adult family homes that adequately protect residents, but are consistent with the abilities and resources of an adult family home so as not to discourage individuals from serving as adult family home providers; and

(3) Encourage consumers, families, providers, and the public to become active in assuring their full participation in development of adult family homes that provide high quality care.

NEW SECTION. Sec. 16. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Adult family home" means a regular family abode of a person or persons who are providing personal care, room, and board to more than one but not more than four adults who are not related by blood or marriage to the person or persons providing the services; except that a maximum of six adults may be permitted if the department determines that the home is of adequate size and that the home and the provider are capable of meeting standards and qualifications as provided for in this act.

(2) "Provider" means any person who is licensed under this chapter to operate an adult family home. The provider shall reside at the adult family home, except that exceptions may be authorized by the department for good cause, as defined in rule.

(4) "Resident" means an adult in need of personal or special care in an adult family home who is not related to the provider.

NEW SECTION. Sec. 18. (1) The department shall adopt rules and standards with respect to all adult family homes and the operators thereof to be licensed under this chapter to carry out the purposes and requirements of this chapter. In developing rules and standards the department shall recognize the residential family-like nature of adult family homes and not develop rules and standards which by their complexity serve as an overly restrictive barrier to the development of the adult family homes in the state. Procedures and forms established by the department shall be developed so they are easy to understand and comply with. Paper work requirements shall be minimal. Easy to understand materials shall be developed for homes explaining licensure requirements and procedures.

(2) During the initial stages of development of proposed rules, the department shall provide notice of development of the rules to organizations representing adult family homes and their residents, and other groups that the department finds appropriate. The notice shall state the subject of the rules under consideration and solicit written recommendations regarding their form and content.

(3) Except where provided otherwise, chapter 34.05 RCW shall govern all department rule-making and adjudicative activities under this chapter.

NEW SECTION. Sec. 19. After July 1, 1990, no person shall operate or maintain an adult family home in this state without a license under this chapter.

NEW SECTION. Sec. 20. (1) An application for license shall be made to the department upon forms provided by it and shall contain such information as the department reasonably requires.

(2) The department shall issue a license to an adult family home if the department finds that the applicant and the home are in compliance with this chapter and the rules adopted under this chapter; and that the applicant has no prior violations of this chapter relating to the adult family home subject to the application or any other adult family home, or of any other law regulating residential care facilities within the past five years that resulted in revocation or nonrenewal of a license.

(3) The license fee shall be submitted with the application.

(4) The department shall serve upon the applicant a copy of the decision granting or denying an application for a license. An applicant shall have the right to contest denial of his or her application for a license as provided in chapter 34.05 RCW by requesting a hearing in writing within ten days after receipt of the notice of denial.

(5) A provider shall not be licensed for more than one adult family home. Exceptions may be authorized by the department for good cause, as defined in rule. The department shall submit to appropriate committees of the legislature, by December 1, 1991, a report on the number and type of good cause exceptions granted.

(6) The license fee shall be set at fifty dollars per year for each home. A fifty dollar processing fee shall also be charged each home when the home is initially licensed.

NEW SECTION. Sec. 21. An adult family home shall have readily available for review:

(1) Its license to operate; and

(2) A copy of each inspection report received by the home from the department for the past three years.

NEW SECTION. Sec. 22. (1) A license shall be valid for one year.

(2) At least ninety days prior to expiration of the license, the provider shall submit an application for renewal of a license. The department shall have the authority to investigate any information included in the application for renewal of a license.

(3)(a) Homes applying for a license shall be inspected at the time of licensure.

(b) Homes licensed by the department shall be inspected every eighteen months subject to available funds.

(c) Licensed homes where a complaint has been received by the department may be inspected at any time.

(4) If the department finds that the home is not in compliance with this chapter, it shall require the home to correct any violations as provided in this chapter. If the department finds that the home is in compliance with this chapter and the rules adopted under this chapter, the department shall renew the license of the home.

NEW SECTION. Sec. 23. (1) No public agency contractor or employee shall place, refer, or recommend placement of a person into an adult family home that is operating without a license.

(2) Any public agency contractor or employee who knows that an adult family home is operating without a license shall report the name and address of the home to the department. The department shall investigate any report filed under this section.

NEW SECTION. Sec. 24. An adult family home provider shall have the following minimum qualifications:

- (1) Twenty-one years of age or older;
- (2) Good moral and responsible character and reputation;
- (3) Literacy; and
- (4) Management and administrative ability to carry out the requirements of this chapter.

NEW SECTION. Sec. 25. The department shall promulgate a list of residents' rights for adult family homes, by rule, which shall be equal to those in rule as of January 1, 1989.

NEW SECTION. Sec. 26. (1) Adult family homes shall be maintained internally and externally in good repair and condition. Such homes shall have safe and functioning systems for heating, cooling, hot and cold water, electricity, plumbing, garbage disposal, sewage, cooking, laundry, artificial and natural light, ventilation, and any other feature of the home.

(6) Adult family homes shall establish health care procedures for the care of residents including medication administration and emergency medical care.

(a) Adult family home residents shall be permitted to self-administer medications.

(b) Adult family home providers may administer medications and deliver special care only to the extent that the provider is a licensed health care professional for whom the administration of medications is within the scope of practice under Washington law.

NEW SECTION. Sec. 27. Each adult family home shall meet applicable local licensing, zoning, building, and housing codes, and state and local fire safety regulations. It is the responsibility of the home to check with local authorities to ensure all local codes are met.

NEW SECTION. Sec. 28. Whenever possible adult family homes are encouraged to contact and work with local quality assurance projects such as the volunteer ombudsman with the goal of assuring high quality care is provided in the home.

NEW SECTION. Sec. 29. The department shall develop written training material to distribute to adult family home providers. The material shall explain licensure requirements established by this chapter and cover other areas to include issues affecting the health, mental health, nutrition, and hygiene of residents as well as other areas pertinent to the care of residents or of the home. The department of social and health services shall provide a report to the long-term care commission by December 1, 1991, on the appropriate provider training and education on adult family homes.

NEW SECTION. Sec. 30. (1) During inspections of an adult family home, the department shall have access and authority to examine areas and articles in the home used to provide care or support to residents, including residents' records, accounts, and the physical premises, including the buildings, grounds, and equipment. The department also shall have the authority to interview the provider and residents of an adult family home.

(2) Whenever an inspection is conducted, the department shall prepare a written report that summarizes all information obtained during the inspection, and if the home is in violation of this chapter, serve a copy of the inspection report upon the provider at the same time as a notice of violation. If the home is not in violation of this chapter, a copy of the inspection report shall be mailed to the provider within ten days of the inspection of the home. All inspection reports shall be made available to the public at the department during business hours.

(3) The inspection report shall describe any corrective measures on the part of the provider necessary to pass a reinspection. If the department finds upon reinspection of the home that the corrective measures have been satisfactorily implemented, the department shall cease any actions taken against the home. Nothing in this section shall require the department to license or renew the license of a home where serious physical harm or death has occurred to a resident.

NEW SECTION. Sec. 31. (1) The department is authorized to take one or more of the actions listed in subsection (2) of this section in any case in which the department finds that an adult family home provider has:

(a) Failed or refused to comply with the requirements of this chapter or the rules adopted under this chapter;

(b) Operated an adult family home without a license or under a revoked license;

(c) Knowingly or with reason to know made a false statement of material fact on his or her application for license or any data attached thereto, or in any matter under investigation by the department; or

(d) Willfully prevented or interfered with any inspection or investigation by the department.

(2) When authorized by subsection (1) of this section, the department may take one or more of the following actions:

(a) Refuse to issue a license;

(b) Suspend, revoke, or refuse to renew a license; or

(c) Suspend admissions to the adult family home.

NEW SECTION. Sec. 32. The department has the authority to immediately suspend a license if it finds that conditions there constitute an imminent danger to residents.

NEW SECTION. Sec. 33. Nothing in this chapter or the rules adopted under it may be construed as authorizing the supervision, regulation, or control of the remedial care or treatment of residents in any adult family home conducted by and for the adherents of a church or religious denomination who rely upon spiritual means alone through prayer for healing in accordance with the tenets and practices of such church or religious denomination and the bona fide religious beliefs genuinely held by such adherents.

NEW SECTION. Sec. 34. Section 11, chapter 172, Laws of 1969 ex. sess., section 1, chapter 52, Laws of 1975-'76 2nd ex. sess. and RCW 74.08.044 are each repealed.

"Sec. 1. Section 2, chapter 204, Laws of 1982 as amended by section 1, chapter 274, Laws of 1986 and RCW 71.24.015 are each amended to read as follows:

It is the intent of the legislature to establish a community mental health program which shall help people experiencing mental illness to retain a respected and productive position in the community. This will be accomplished through programs which provide((s)) for:

(1) Access to mental health services for adults and children of the state who are acutely mentally ill, seriously disturbed, or chronically mentally ill, which services recognize the special needs of underserved populations, including minorities, children, the elderly, disabled, and low-income persons. It is also the purpose of this chapter to ensure that children in need of mental health care and treatment receive the care and treatment appropriate to their developmental level, and to enable treatment decisions to be made in response to clinical needs and in accordance with sound professional judgment while also recognizing parents' rights to participate in treatment decisions for their children;

(2) Accountability of services through state-wide standards for ((management)) monitoring((:)) and reporting of information;

(3) Minimum service delivery standards;

(4) Priorities for the use of available resources for the care of the mentally ill;

(5) Coordination of services within the department, including those divisions within the department that provide services to children, between the department and the office of the superintendent of public instruction, and among state mental hospitals, county authorities, community mental health services, and other support services, which ((may)) shall to the maximum extent feasible also include the families of the mentally ill, and other service providers; and

(6) Coordination of services aimed at reducing duplication in service delivery and promoting complementary services among all entities that provide mental health services to adults and children.

It is the policy of the state to encourage the provision of a full range of treatment and rehabilitation services in the state for mental disorders. The legislature intends to encourage the development of county-based services with adequate local flexibility to assure eligible people in need of care access to the least-restrictive treatment alternative appropriate to their needs, and the availability of treatment components to assure continuity of care. To this end, counties are encouraged to enter into joint operating agreements with other counties to form regional systems of care which integrate planning, administration, and service delivery duties assigned to counties under chapters 71.05 and 71.24 RCW to consolidate administration, reduce administrative layering, and reduce administrative costs.

It is further the intent of the legislature to integrate the provision of services to provide continuity of care through all phases of treatment. To this end the legislature intends to promote active engagement with mentally ill persons and collaboration between families and service providers.

The implementation of regional support networks, or the secretary's assumption of all responsibilities under chapters 71.05 and 71.24 RCW, shall be included in all state and federal plans affecting the state mental health program including at least those required by this chapter, the medicaid program, and P.L. 99-660. Nothing in these plans shall be inconsistent with the intent and requirements of this chapter.

(16) The secretary shall:

(b) Enter into biennial contracts with regional support networks to begin implementation between January 1, 1990, and March 1, 1990, and complete implementation by June 1995. The contracts shall be consistent with available resources and plans submitted by participating regional support networks, and approved by the department.

(c) By July 1, 1993, allocate one hundred percent of available resources to regional support networks created by January 1, 1990, in a single grant. Regional support networks created by January 1, 1993, shall receive a single block grant by July 1, 1995. The grants shall include funds currently provided for all residential services, all services pursuant to chapter 71.05 RCW, and all community support services and shall be distributed in accordance with a formula submitted to the legislature by January 1, 1993, in accordance with subsection (14) of this section.

(d) By January 1, 1990, allocate available resources to regional support networks for community support services, resource management services, and residential services excluding evaluation and treatment facilities provided pursuant to chapter 71.05 RCW in a single grant using the distribution formula established in subsection (14) of this section.

(e) By March 1, 1990, or within sixty days of approval of the contract continuing through July 1, 1993, provide grants as specifically appropriated by the legislature to regional support networks for evaluation and treatment facilities for persons detained or committed for periods up to seventeen days according to chapter 71.05 RCW. (f) Notify regional support networks of their allocation of available resources at least sixty days prior to the start of a new biennial contract period.

(g) Study and report to the legislature by December 1, 1989, on expanding the use of federal Title XIX funds and the definition of institutions for mental diseases to provide services to persons who are acutely mentally ill, chronically mentally ill, or at risk of becoming so. The study shall also include an assessment of the impact of Title XIX funds and the definition of institutions for mental diseases on the use of state funds to provide needed mental health services to the chronically mentally ill.

(h) Deny funding allocations to regional support networks based solely upon formal findings of noncompliance with the terms of the regional support network's contract with the department. Written notice and at least thirty days for corrective action must precede any such action. In such cases, regional support networks shall have full rights to appeal under chapter 34.05 RCW.

(i) Identify in its departmental biennial operating and capital budget requests the funds requested by regional support networks to implement their responsibilities under this chapter.

(j) Contract to provide or, if requested, make grants to counties to provide technical assistance to county authorities or groups of county authorities to develop regional support networks.

(17) The department of social and health services, in cooperation with the state congressional delegation, shall actively seek waivers of federal requirements and such modifications of federal regulations as are necessary to allow federal medicaid reimbursement for services provided by free-standing evaluation and treatment facilities certified under chapter 71.05 RCW. The department shall periodically report its efforts to the health care and corrections committee of the senate and the human services committee of the house of representatives.

(18) The secretary shall establish a task force to examine the recruitment, training, and compensation of qualified mental health professionals in the community, which shall include the advantages and disadvantages of establishing a training academy, loan forgiveness program, or educational stipends offered in exchange for commitments of employment in mental health. The task force shall report back to the appropriate committees of the legislature by January 1, 1990.

The county authority shall:

(1) Submit biennial needs assessments beginning January 1, 1983, and mental health service plans which incorporate all services provided for by the county authority consistent with state minimum standards and which provide access to treatment for the county's residents including children and other underserved populations who are acutely mentally ill, chronically mentally ill, or seriously disturbed. The county program shall provide:

(a) Outpatient services;

(b) Emergency care services for twenty-four hours per day;

(c) Day treatment for mentally ill persons which includes training in basic living and social skills, supported work, vocational rehabilitation, and day activities. Such services may include therapeutic treatment. The county shall develop the biennial needs assessment based on clients to be served, services to be provided, and the cost of those services, and may include input from the public, clients, and licensed service providers. Each county authority may appoint a county mental health advisory board which shall review and provide comments on plans and policies developed by the county authority under this chapter. The composition of the board shall be broadly representative of the demographic character of the county and the mentally ill persons served therein. Length of terms of board members shall be determined by the county authority;

(2) Contract as needed with licensed service providers. The county authority may, in the absence of a licensed service provider entity, become a licensed service provider entity pursuant to minimum standards required for licensing by the department for the purpose of providing services not available from licensed service providers;

(3) Operate as a licensed service provider if it deems that doing so is more efficient and cost effective than contracting for services. When doing so, the county authority shall comply with rules promulgated by the secretary that shall provide measurements to determine when a county provided service is more efficient and cost effective. ~~((Whenever a county authority chooses to operate as a licensed service provider, the secretary shall act as the county authority for that service.))~~

(4) Monitor and perform biennial fiscal audits of licensed service providers who have contracted with the county to provide services required by this chapter. The monitoring and audits

shall be performed by means of a formal process which insures that the licensed service providers and professionals designated in this subsection meet the terms of their contracts, including the minimum standards of ~~((management and))~~ service delivery as established by the department:

PROVIDED, That county authorities serving a county or combination of counties whose population is equal to or greater than that of a county of the first class may be entitled to sufficient state-appropriated community mental health funds to employ up to one full-time employee or the equivalent thereof in addition to the two percent limit established in this subsection when such employee is providing staff services to a county mental health advisory board;

(8) Coordinate services for individuals who have received services through the community mental health system and who become patients at a state mental hospital.

NEW SECTION. Sec. 5. A new section is added to chapter 71.24 RCW to read as follows:

A county authority or a group of county authorities whose combined population is no less than forty thousand may enter into a joint operating agreement to form a regional support network. The roles and responsibilities of county authorities shall be determined by the terms of that agreement and the provisions of law. The state mental health authority may not determine the roles and responsibilities of county authorities as to each other under regional support networks by rule, except to assure that all duties required of regional support networks are assigned and that a single authority has final responsibility for all available resources and performance under the regional support network's contract with the secretary.

(1) Regional support networks shall within three months of recognition submit an overall six-year operating and capital plan, timeline, and budget and submit progress reports and an updated two-year plan biennially thereafter, to assume within available resources all of the following duties by July 1, 1995, instead of those presently assigned to counties under RCW 71.24.045(1):

MESSAGE FROM THE HOUSE

Mr. President:

The House has adopted the Report of the Conference Committee on SECOND SUBSTITUTE SENATE BILL NO. 5372 and has granted said committee the powers of Free Conference.

ALAN THOMPSON, Chief Clerk

REPORT OF CONFERENCE COMMITTEE

RE: 2SSB 5372

Relating to marina pumpouts and boater safety and education.

April 22, 1989

Mr. President:

Mr. Speaker:

We of your Conference Committee to whom the above measure was referred, have had the same under consideration and we report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

Reject all previous amendments, and adopt the following striking amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that the waters of Washington state provide a unique and valuable recreational resource to large and growing numbers of boaters. Proper stewardship of, and respect for, these waters requires that, while enjoying them for their scenic and recreational benefits, boaters must exercise care to assure that such activities do not contribute to the despoliation of these waters, and that watercraft be operated in a safe and responsible manner. The legislature has specifically addressed the topic of access to clean and safe waterways by requiring the 1987 boating safety study and by establishing the Puget Sound water quality authority.

The legislature finds that there is a need to educate Washington's boating community about safe and responsible actions on our waters and to increase the level and visibility of the enforcement of boating laws. To address the incidence of fatalities and injuries due to recreational boating on our state's waters, local and state efforts directed towards safe boating must be stimulated. To provide for safe waterways and public enjoyment, portions of the watercraft excise tax and boat registration fees should be made available for boating safety and other boating recreation purposes.

In recognition of the need for clean waterways, and in keeping with the Puget Sound water quality authority's 1987 management plan, the legislature finds that adequate opportunities for responsible disposal of boat sewage must be made available. There is hereby established a five-year initiative to install sewage pumpout or sewage dump stations at appropriate marinas.

To assure the use of these sewage facilities, a boater environmental education program must accompany the five-year initiative and continue to educate boaters about boat wastes and aquatic resources.

The legislature also finds that, in light of the increasing numbers of boaters utilizing state waterways, a program to acquire and develop sufficient waterway access facilities for boaters must be undertaken.

To support boating safety, environmental protection and education, and public access to our waterways, the legislature declares that a portion of the income from boating-related activities, as specified in RCW 82.49.030 and 88.02.040, should support these efforts.

NEW SECTION. Sec. 2. As used in this chapter, the following terms have the meanings indicated unless the context clearly requires otherwise.

(1) "Boat wastes" shall include, but are not limited to, sewage, garbage, marine debris, plastics, contaminated bilge water, cleaning solvents, paint scrapings or discarded petroleum products associated with the use of vessels.

(2) "Boater" means any person on a vessel on waters of the state of Washington.

(3) "Commission" means the Washington state parks and recreation commission.

(4) "Environmentally sensitive area" means a restricted body of water where discharge of untreated sewage from boats is especially detrimental because of limited flushing, shallow water, commercial or recreational shellfish, swimming areas, diversity of species, the absence of other pollution sources, or other characteristics.

(5) "Marina" means a facility providing boat moorage space, fuel, or commercial services. Commercial services include but are not limited to overnight or live-aboard boating accommodations.

(6) "Polluted area" means a body of water used by boaters that is contaminated by boat wastes at unacceptable levels, based on applicable water quality and shellfish standards.

(7) "Public entities" means all elected or appointed bodies, including tribal governments, responsible for collecting and spending public funds.

(8) "Sewage dump station" means any receiving chamber or tank designed to receive vessel sewage from a "porta-potty" or a portable container.

(9) "Sewage pumpout station" means a mechanical device, generally stationed on a dock, pier, float, barge, or other location convenient to boaters, designed to remove sewage waste from holding tanks on vessels.

(10) "Vessel" means every watercraft used or capable of being used as a means of transportation on the water, other than a seaplane.

NEW SECTION. Sec. 3. The commission, in consultation with the departments of ecology, fisheries, wildlife, natural resources, social and health services, and the Puget Sound water quality authority shall conduct a literature search and analyze pertinent studies to identify areas which are polluted or environmentally sensitive within the state's waters. Based on this review the commission shall designate appropriate areas as polluted or environmentally sensitive, for the purposes of this act only.

NEW SECTION. Sec. 4. (1) A marina which meets one or more of the following criteria shall be designated by the commission as appropriate for installation of a sewage pumpout or sewage dump station:

(a) The marina is located in an environmentally sensitive or polluted area; or

(b) The marina has one hundred twenty-five slips or more and there is a lack of sewage pumpouts within a reasonable distance.

(2) In addition to subsection (1) of this section, the commission may at its discretion designate a marina as appropriate for installation of a sewage pumpout or sewage dump station if there is a demonstrated need for a sewage pumpout or sewage dump station at the marina based on professionally conducted studies undertaken by federal, state, or local government, or the private sector; and it meets the following criteria:

(a) The marina provides commercial services, such as sales of food, fuel or supplies, or overnight or live-aboard moorage opportunities;

(b) The marina is located at a heavily used boating destination or on a heavily traveled route, as determined by the commission; or

(c) There is a lack of adequate sewage pumpout station capacity within a reasonable distance.

(3) Exceptions to the designation made under this section may be made by the commission if no sewer, septic, water, or electrical services are available at the marina.

(4) In addition to marinas, the commission may designate boat launches or boater destinations as appropriate for installation of a sewage pumpout or sewage dump station based on the criteria found in subsections (1) and (2) of this section.

NEW SECTION. Sec. 5. (1) Marinas and boat launches designated as appropriate for installation of a sewage pumpout or sewage dump station under section 4 of this act shall be eligible for funding support for installation of such facilities from funds specified in section 11 of this act. The commission shall notify owners or operators of all designated marinas and boat launches of the designation, and of the availability of funding to support installation of appropriate sewage disposal facilities. The commission shall encourage the owners and operators to apply for available funding.

(2) The commission shall contract with, or enter into an interagency agreement with another state agency to contract with, applicants based on the criteria specified below:

(a)(i) Contracts may be awarded to publicly owned, tribal, or privately owned marinas or boat launches.

(ii) Contracts may provide for state reimbursement to cover eligible costs as deemed reasonable by commission rule. Eligible costs include purchase, installation, or major renovation of the sewage pumpout or sewage dump stations, including sewer, water, electrical connections, and those costs attendant to the purchase, installation, and other necessary appurtenances, such as required pier space, as determined by the commission.

(iii) Ownership of the sewage pumpout or sewage dump station will be retained by the state through the commission in privately owned marinas. Ownership of the sewage pumpout or sewage dump station in publicly owned marinas will be held by the public entity.

(iv) Operation, normal and expected maintenance, and ongoing utility costs will be the responsibility of the marina or boat launch operator. The sewage pumpout or sewage dump station must be kept in operating condition and available for public use at all times during operating hours of the facility, excluding necessary maintenance periods.

(v) The marina owner agrees to allow the installation, existence and use of the sewage pumpout or sewage dump station by granting an easement at no cost for such purposes.

(b) Contracts awarded pursuant to (a) of this subsection shall be subject, for a period of at least ten years, to the following conditions:

(i) Any facility entering into a contract under this section must allow the boating public access to the sewage pumpout or sewage dump station during operating hours.

(ii) The applicant must agree to monitor and encourage the use of the sewage pumpout or sewage dump station, and to cooperate in any related boater environmental education program administered or approved by the commission.

(iii) The applicant must agree not to charge a fee for the use of the sewage pumpout or sewage dump station.

(iv) The applicant must agree to arrange and pay a reasonable fee for a periodic inspection of the sewage pumpout facility by the local health department or appropriate authority.

(v) Use of a free sewage pumpout or sewage dump station by the boating public shall be deemed to be included in the term "outdoor recreation" for the purposes of chapter 4.24 RCW.

NEW SECTION. Sec. 6. The department of ecology, in consultation with the commission, shall, for initiation of the state-wide program only, develop criteria for the design, installation, and operation of sewage pumpout and sewage dump stations, taking into consideration the ease of access to the station by the boating public. The department of ecology may adopt rules to administer the provisions of this section.

NEW SECTION. Sec. 7. The commission shall undertake a state-wide boater environmental education program concerning the effects of boat wastes. The boater environmental education program shall provide informational materials on proper boat waste disposal methods, environmentally safe boat maintenance practices, locations of sewage pumpout and sewage dump stations, and boat oil recycling facilities.

NEW SECTION. Sec. 8. The commission shall award grants to local government entities for boater environmental education or boat waste management planning. Grants shall be allocated according to criteria developed by the commission.

NEW SECTION. Sec. 9. The commission shall, in consultation with interested parties, review progress on installation of sewage pumpout and sewage dump stations, the boater environmental education program, and the boating safety program. The commission shall report its findings to the legislature by December 1994.

Sec. 10. Section 10, chapter 7, Laws of 1983 and RCW 82.49.030 are each amended to read as follows:

(1) The excise tax imposed under this chapter is due and payable to the department of licensing or its agents at the time of registration of a vessel. The department of licensing shall not issue or renew a registration for a vessel until the tax is paid in full.

(2) The excise tax collected under this chapter shall be deposited in the general fund.

(3) Until June 30, 1995, the watercraft excise tax revenues exceeding five million dollars in each fiscal year, but not exceeding six million dollars, may, subject to appropriation by the legislature, be used for the purposes specified in section 11 of this act.

NEW SECTION. Sec. 11. The amounts allocated in accordance with RCW 82.49.030(3) shall be expended upon appropriation in accordance with the following limitations:

(1) Thirty percent of the funds shall be appropriated to the interagency committee for outdoor recreation and be expended for use by state and local government for public recreational waterway boater access and boater destination sites. Priority shall be given to critical site acquisition. The interagency committee for outdoor recreation shall administer such funds as a competitive grants program. The amounts provided for in this subsection shall be evenly divided between state and local governments.

(2) Thirty percent of the funds shall be expended by the commission exclusively for sewage pumpout or sewage dump stations at publicly and privately owned marinas as provided for in sections 4 and 5 of this act.

(3) Twenty-five percent of the funds shall be expended for grants to state agencies and other public entities to enforce boating safety and registration laws and to carry out boating safety programs. The commission shall administer such grant program.

(4) Fifteen percent shall be expended for instructional materials, programs or grants to the public school system, public entities, or other nonprofit community organizations to support boating safety and boater environmental education or boat waste management planning. The commission shall administer this program.

Sec. 12. Section 17, chapter 7, Laws of 1983 and RCW 88.02.040 are each amended to read as follows:

The department shall provide for the issuance of vessel registrations and may appoint agents for collecting fees and issuing registration numbers and decals. Fees for vessel registrations collected by the director shall be deposited in the general fund; PROVIDED, That any amount above one million one hundred thousand dollars per fiscal year shall be allocated to counties by the state treasurer for boating safety/education and law enforcement programs. Eligibility for such allocation shall be contingent upon approval of the local boating safety program by the state parks and recreation commission. Fund allocation shall be based on the numbers of registered vessels by county of moorage. Each benefiting county shall be responsible for equitable distribution of such allocation to other jurisdictions with approved boating safety programs within said county. Any fees not allocated to counties due to the absence of an approved boating safety program, shall be allocated to the commission for awards to local governments to offset law enforcement and boating safety impacts of boaters recreating in jurisdictions other than where registered.

Sec. 13. Section 16, chapter 7, Laws of 1983 as last amended by section 1, chapter 452, Laws of 1985 and RCW 88.02.030 are each amended to read as follows:

Vessel registration is required under this chapter except for the following:

(1) Military or public vessels of the United States, except recreational-type public vessels;
 (2) Vessels owned by a state or subdivision thereof, used principally for governmental purposes and clearly identifiable as such;

(3) Vessels owned by a resident of a country other than the United States if the vessel is not physically located upon the waters of this state for a period of more than sixty days;

(11) Vessels primarily engaged in commerce which are owned by a resident of a country other than the United States.

NEW SECTION. Sec. 14. The commission shall adopt rules as are necessary to carry out all sections of this act except for sections 6, 10, and 11(1)(a) of this act. The commission shall comply with all applicable provisions of chapter 34.05 RCW in adopting the rules.

MOTION

On motion of Senator Newhouse, the Report of the Free Conference Committee on Engrossed Substitute Senate Bill No. 5911 was adopted.

The President Pro Tempore declared the question before the Senate to be the roll call on the final passage of Engrossed Substitute Senate Bill No. 5911, as amended by the Free Conference Committee.

Debate ensued.

POINT OF INQUIRY

Senator McMullen: "Senator Amondson, does this bill provide for school trusts in the event court decisions remove some of these state lands from this use?"

Senator Amondson: "Yes, it does. Should the sustainable harvest be decreased due to decisions by others, the DNR shall offer additional timber sales from state lands."

Senator McMullen: "Does this bill affect the flow of timber from the state lands?"

Senator Amondson: "It will maintain those harvest levels as a sustained yield."

Senator McMullen: "The timber industry and state economy is being negatively impacted by the management program in the national forests. How does this bill help that?"

Senator Amondson: "National forest timber sales currently provide less wood fibre volume than is available to maintain a sustainable yield. With forty-six percent of our state's national forest lands already unavailable for harvesting, commercial timberlands must be managed for a true sustained yield. This bill instructs the joint select committee to develop responses to U.S. Forest Service management plans."

Senator McMullen: "Again, how will the state government respond to timber set asides?"

Senator Amondson: "This bill instructs the Governor and the DNR to prepare a joint response to U.S. Forest Service management plans that provides them with a single response from the state. Also, the Governor and DNR are to report quarterly to the appropriate legislative committees on how ongoing decisions outside state control affect our forest lands."

Further debate ensued.

MESSAGE FROM THE HOUSE

April 21, 1989

Mr. President:

The House has passed ENGROSSED SENATE BILL NO. 6106 with the following amendments:

Strike everything after the enacting clause and insert the following:

***NEW SECTION.** Sec. 1. This act may be known and cited as the "maternity care access act of 1989."

NEW SECTION. Sec. 2. (1) The legislature finds that Washington state and the nation as a whole have a high rate of infant illness and death compared with other industrialized nations. This is especially true for minority and low-income populations. Premature and low weight births have been directly linked to infant illness and death. The availability of adequate maternity care throughout the course of pregnancy has been identified as a major factor in reducing infant illness and death. Further, the investment in preventive health care programs, such as maternity care, contributes to the growth of a healthy and productive society and is a sound approach to health care cost containment. The legislature further finds that access to maternity care for low-income women in the state of Washington has declined significantly in recent years and has reached a crisis level.

(2) It is the purpose of this chapter to provide, consistent with appropriated funds, maternity care necessary to ensure healthy birth outcomes for low-income families. To this end, a maternity care access system is established based on the following principles:

(a) The family is the fundamental unit in our society and should be supported through public policy.

(b) Access to maternity care for eligible persons should be made readily available in an expeditious manner through a single service entry point.

(c) Unnecessary barriers to maternity care for eligible persons should be removed.

(d) Access to preventive and other health care services should be available for low-income children.

(e) Each woman should be encouraged to and assisted in making her own informed decisions about her maternity care.

(f) Unnecessary barriers to the provision of maternity care by qualified health professionals should be removed.

(g) The system should be sensitive to cultural differences among eligible persons.

(h) To the extent possible, decisions about the scope, content, and delivery of services should be made at the local level involving a broad representation of community interests.

(i) The maternity care access system should be evaluated at appropriate intervals to determine effectiveness and need for modification.

(j) Maternity care services should be delivered in a cost-effective manner.

NEW SECTION. Sec. 3. The legislature reserves the right to amend or repeal all or any part of this chapter at any time and there shall be no vested private right of any kind against such amendment or repeal. All rights, privileges, or immunities conferred by this chapter or any acts done pursuant thereto shall exist subject to the power of the legislature to amend or repeal this chapter at any time.

NEW SECTION. Sec. 4. Unless the context clearly requires otherwise, the definitions in this section apply throughout sections 1 through 8 of this act:

(1) "At-risk eligible person" means an eligible person determined by the department to need special assistance in applying for and obtaining maternity care, including pregnant women who are substance abusers, pregnant and parenting adolescents, pregnant minority women, and other eligible persons who need special assistance in gaining access to the maternity care system.

(2) "County authority" means the board of county commissioners, county council, or county executive having the authority to participate in the maternity care access program or its designee. Two or more county authorities may enter into joint agreements to fulfill the requirements of this chapter.

(3) "Department" means the department of social and health services.

(4) "Eligible person" means a woman in need of maternity care or a child, who is eligible for medical assistance pursuant to chapter 74.09 RCW or the prenatal care program administered by the department.

(5) "Maternity care services" means inpatient and outpatient medical care, case management, and support services necessary during prenatal, delivery, and postpartum periods.

(6) "Support services" means, at least, public health nursing assessment and follow-up, health and childbirth education, psychological assessment and counseling, outreach services,

nutritional assessment and counseling, needed vitamin and nonprescriptive drugs, transportation, and child care. Support services may include alcohol and substance abuse treatment for pregnant women who are addicted or at risk of being addicted to alcohol or drugs to the extent funds are made available for that purpose by House Bill No. 1793, if enacted.

NEW SECTION. Sec. 5. In an effort to provide for healthy births, the department shall, consistent with the state budget act, develop a maternity care access program as follows:

(1) Provide maternity care services to low-income pregnant women and health care services to children in poverty to the maximum extent allowable under the medical assistance program, Title XIX of the federal social security act;

(2) Provide maternity care services to low-income women who are not eligible to receive such services under the medical assistance program, Title XIX of the federal social security act;

(3) By January 1, 1990, have the following procedures in place to improve access to maternity care services and eligibility determinations for pregnant women applying for maternity care services under the medical assistance program, Title XIX of the federal social security act:

(a) Use of a shortened and simplified application form;

(b) Outstationing department staff to make eligibility determinations;

(c) Establishing local plans at the county and regional level, coordinated by the department; and

(d) Conducting an interview for the purpose of determining medical assistance eligibility within five working days of the date of an application by a pregnant woman and making an eligibility determination within fifteen working days of the date of application by a pregnant woman;

(4) Establish a maternity care case management system that shall assist at-risk eligible persons with obtaining medical assistance benefits and receiving maternity care services, including transportation and child care services;

(5) Within available resources, establish appropriate reimbursement levels for maternity care providers;

(6) Implement a broad-based public education program that stresses the importance of obtaining maternity care early during pregnancy; and

(7) Study the desirability and feasibility of implementing the presumptive eligibility provisions set forth in section 9407 of the federal omnibus budget reconciliation act of 1986 and report to the appropriate committees of the legislature by December 1, 1989.

NEW SECTION. Sec. 6. (1) The department shall establish an alternative maternity care service delivery system, if it determines that a county or a group of counties is a maternity care distressed area. A maternity care distressed area shall be defined by the department, in rule, as a county or a group of counties where eligible women are unable to obtain adequate maternity care. The department shall include the following factors in its determination:

(a) Higher than average percentage of eligible persons in the distressed area who receive late or no prenatal care;

(b) Higher than average percentage of eligible persons in the distressed area who go out of the area to receive maternity care;

(c) Lower than average percentage of obstetrical care providers in the distressed area who provide care to eligible persons;

(d) Higher than average percentage of infants born to eligible persons per obstetrical care provider in the distressed area; and

(e) Higher than average percentage of infants that are of low birth weight, five and one-half pounds or two thousand five hundred grams, born to eligible persons in the distressed area.

(2) If the department determines that a maternity care distressed area exists, it shall notify the relevant county authority. The county authority shall, within one hundred twenty days, submit a brief report to the department recommending remedial action. The report shall be prepared in consultation with the department and its local community service offices, the local public health officer, community health clinics, health care providers, hospitals, the business community, labor representatives, and low-income advocates in the distressed area. A county authority may contract with a local nonprofit entity to develop the report. If the county authority is unwilling or unable to develop the report, it shall notify the department within thirty days, and the department shall develop the report for the distressed area.

(3) The department shall review the report and use it, to the extent possible, in developing strategies to improve maternity care access in the distressed area. The department may contract with or directly employ qualified maternity care health providers to provide maternity care services, if access to such providers in the distressed area is not possible by other means. In such cases, the department is authorized to pay that portion of the health care providers' malpractice liability insurance that represents the percentage of maternity care provided to eligible persons by that provider through increased medical assistance payments.

NEW SECTION. Sec. 7. To the extent that federal matching funds are available, the department or the department of health if one is created shall establish, in consultation with the health science programs of the state's colleges and universities, and community health clinics, a loan

repayment program that will encourage maternity care providers to practice in medically underserved areas in exchange for repayment of part or all of their health education loans.

Sec. 8. Section 4, chapter 30, Laws of 1967 ex. sess. as last amended by section 2, chapter 5, Laws of 1985 and RCW 74.09.510 are each amended to read as follows:

Medical assistance may be provided in accordance with eligibility requirements established by the department of social and health services, including the prohibition under RCW 74.09.532 through 74.09.536 against the knowing and willful assignment of property or cash for the purpose of qualifying for such assistance, as defined in the social security Title XIX state plan for mandatory categorically needy persons and: (1) Individuals who would be eligible for cash assistance except for their institutional status; (2) individuals who are under twenty-one years of age, who would be eligible for aid to families with dependent children, but do not qualify as dependent children and who are in (a) foster care, (b) subsidized adoption, (c) an intermediate care facility or an intermediate care facility for the mentally retarded, or (d) inpatient psychiatric facilities; (3) the aged, blind, and disabled who: (a) Receive only a state supplement, or (b) would not be eligible for cash assistance if they were not institutionalized; (4) individuals who would be eligible for but choose not to receive cash assistance; (5) ~~((pregnant women who would be eligible for aid to families with dependent children if the child had been born and was living with the mother during the month of the payment, and the pregnancy has been medically verified; (6)))~~ individuals who are enrolled in managed health care systems, who have otherwise lost eligibility for medical assistance, but who have not completed a current six-month enrollment in a managed health care system, and who are eligible for federal financial participation under Title XIX of the social security act; (6) children and pregnant women allowed by federal statute for whom funding is appropriated; and (7) other individuals eligible for medical services under RCW 74.09.035 and 74.09.700 for whom federal financial participation is available under Title XIX of the social security act.

NEW SECTION. Sec. 9. The department shall contract with an independent nonprofit entity to evaluate the effectiveness of the maternity care access program set forth in sections 1 through 7 of this act based on the principles set forth in section 2 of this act. The evaluation shall also address:

- (1) Characteristics of women receiving services, including health risk factors;

- (3) Birth outcomes of women receiving services;
- (4) Birth outcomes of women receiving services, by type of practitioner; and
- (5) Services utilized by eligible infants.

NEW SECTION. Sec. 10. Sections 1 through 7 of this act shall be added to chapter 74.09 RCW and codified with the subchapter heading of "maternity care access program."

On page 1, line 1 of the title, after "services;" strike the remainder of the title and insert "amending RCW 74.09.510; adding new sections to chapter 74.09 RCW; and creating a new section."

and the same are herewith transmitted.

MOTIONS

Senator McDonald moved that the following Committee on Ways and Means amendment be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The purpose of this act is to create a system that: (1) Assists the courts in sentencing felony offenders regarding the offenders' legal financial obligations; (2) holds offenders accountable to victims, counties, cities, the state, municipalities, and society for the assessed costs associated with their crimes; and (3) provides remedies for an individual or other entities to recoup or at least defray a portion of the loss associated with the costs of felonious behavior.

Sec. 2. Section 11, chapter 145, Laws of 1988, section 1, chapter 153, Laws of 1988, section 2, chapter 154, Laws of 1988 and section 1, chapter 157, Laws of 1988 and RCW 9.94A.030 are each reenacted and amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Commission" means the sentencing guidelines commission.

(2) "Community corrections officer" means an employee of the department who is responsible for carrying out specific duties in supervision of sentenced offenders and monitoring of sentence conditions.

(3) "Community custody" means that portion of an inmate's sentence of confinement in lieu of earned early release time served in the community subject to controls placed on the inmate's movement and activities by the department of corrections.

(4) "Community placement" means a one-year period during which the offender is subject to the conditions of community custody and/or postrelease supervision, which begins either upon completion of the term of confinement (postrelease supervision) or at such time as the offender is transferred to community custody in lieu of earned early release. Community placement may consist of entirely community custody, entirely postrelease supervision, or a combination of the two.

(5) "Community service" means compulsory service, without compensation, performed for the benefit of the community by the offender.

(6) "Community supervision" means a period of time during which a convicted offender is subject to crime-related prohibitions and other sentence conditions imposed pursuant to this chapter by a court. For first-time offenders, the supervision may include crime-related prohibitions and other conditions imposed pursuant to RCW 9.94A.120(5). For purposes of the interstate compact for out-of-state supervision of parolees and probationers, RCW 9.95.270, community supervision is the functional equivalent of probation and should be considered the same as probation by other states.

(7) "Confinement" means total or partial confinement as defined in this section.

(8) "Conviction" means an adjudication of guilt pursuant to Titles 10 or 13 RCW and includes a verdict of guilty, a finding of guilty, and acceptance of a plea of guilty.

The legal financial obligation including those that are imposed on behalf of victims may be collected by the department of corrections and remitted to the court.

(10) "Crime-related prohibition" means an order of a court prohibiting conduct that directly relates to the circumstances of the crime for which the offender has been convicted, and shall not be construed to mean orders directing an offender affirmatively to participate in rehabilitative programs or to otherwise perform affirmative conduct.

~~((+))~~ (11) (a) "Criminal history" means the list of a defendant's prior convictions, whether in this state, in federal court, or elsewhere. The history shall include, where known, for each conviction (i) whether the defendant has been placed on probation and the length and terms thereof; and (ii) whether the defendant has been incarcerated and the length of incarceration.

(b) "Criminal history" includes a defendant's prior convictions in juvenile court if: (i) The conviction was for an offense which is a felony or a serious traffic offense and is criminal history as defined in RCW 13.40.020(6)(a); (ii) the defendant was fifteen years of age or older at the time the offense was committed; and (iii) with respect to prior juvenile class B and C felonies or serious traffic offenses, the defendant was less than twenty-three years of age at the time the offense for which he or she is being sentenced was committed.

~~((+))~~ (14) "Disposable earnings" means that part of the earnings of an individual remaining after the deduction from those earnings of any amount required by law to be withheld. For the purposes of this definition, "earnings" means compensation paid or payable for personal

services, whether denominated as wages, salary, commission, bonuses, or otherwise, and, notwithstanding any other provision of law making the payments exempt from garnishment, attachment, or other process to satisfy a court-ordered legal financial obligation, specifically includes periodic payments pursuant to pension or retirement programs, or insurance policies of any type, but does not include payments made under Title 50 RCW, except as provided in RCW 50.40.020 and 50.40.050, or Title 74 RCW.

(15) "Drug offense" means:

(a) Any felony violation of chapter 69.50 RCW except possession of a controlled substance (RCW 69.50.401(d)) or forged prescription for a controlled substance (RCW 69.50.403);

(b) Any offense defined as a felony under federal law that relates to the possession, manufacture, distribution, or transportation of a controlled substance; or

((17)) (19) (a) "First-time offender" means any person who is convicted of a felony (i) not classified as a violent offense or a sex offense under this chapter, or (ii) that is not the manufacture, delivery, or possession with intent to manufacture or deliver a controlled substance classified in schedule I or II that is a narcotic drug, and except as provided in (b) of this subsection, who previously has never been convicted of a felony in this state, federal court, or another state, and who has never participated in a program of deferred prosecution for a felony offense.

(b) For purposes of (a) of this subsection, a juvenile adjudication for an offense committed before the age of fifteen years is not a previous felony conviction.

((18)) (20) "Nonviolent offense" means an offense which is not a violent offense.

((19)) (21) "Offender" means a person who has committed a felony established by state law and is eighteen years of age or older or is less than eighteen years of age but whose case has been transferred by the appropriate juvenile court to a criminal court pursuant to RCW 13.40.110. Throughout this chapter, the terms "offender" and "defendant" are used interchangeably.

((20)) (22) "Partial confinement" means confinement for no more than one year in a facility or institution operated or utilized under contract by the state or any other unit of government, or, if home detention has been ordered by the court, in the residence of either the defendant or a member of the defendant's immediate family, for a substantial portion of each day with the balance of the day spent in the community. Partial confinement includes work release and home detention as defined in this section.

((21)) (23) "Postrelease supervision" is that portion of an offender's community placement that is not community custody.

((22)) (24) "Restitution" means the requirement that the offender pay a specific sum of money over a specific period of time to the court as payment of damages. The sum may include both public and private costs. The imposition of a restitution order does not preclude civil redress.

NEW SECTION. Sec. 3. (1) Whenever a person is convicted of a felony, the court may order the payment of a legal financial obligation as part of the sentence. The court must on either the judgment and sentence or on a subsequent order to pay, designate the total amount of a legal financial obligation and segregate this amount among the separate assessments made for restitution, costs fines, and other assessments required by law. On the same order, the court is also to set a sum that the offender is required to pay on a monthly basis towards satisfying the legal financial obligation.

(2) All legal financial obligations that are ordered as a result of a conviction for a felony, may also be enforced in the same manner as a judgment in a civil action by the party or entity to whom the legal financial obligation is owed. Independent of the department, the party or entity to whom the legal financial obligation is owed shall have the authority to utilize any other remedies available to the party or entity to collect the legal financial obligation after the department's responsibility for collection has ceased.

(3) In order to assist the court in setting a monthly sum that the offender must pay during the period of supervision, the offender is required to report to the department for purposes of preparing a recommendation to the court. When reporting, the offender is required, under oath, to truthfully and honestly respond to all questions concerning present, past, and future earning capabilities and the location and nature of all property or financial assets. The offender is further required to bring any and all documents as requested by the department.

(4) After completing the investigation, the department shall make a report to the court on the amount of the monthly payment that the offender should be required to make towards a satisfied legal financial obligation.

(5) During the period of supervision, the department may make a recommendation to the court that the offender's monthly payment schedule be modified so as to reflect a change in financial circumstances. Also, during the period of supervision, the offender may be required at the request of the department to report to the department for the purposes of reviewing the

appropriateness of the collection schedule for the legal financial obligation. During this reporting, the offender is required under oath to truthfully and honestly respond to all questions concerning earning capabilities and the location and nature of all property or financial assets. Also, the offender is required to bring any and all documents as requested by the department in order to prepare the collection schedule.

(6) After the judgment and sentence or payment order is entered, the department shall for any period of supervision be authorized to collect the legal financial obligation from the offender. After the funds are collected by the department, the funds shall be remitted to the county clerk's office for the purposes of disbursement. The department is authorized to accept credit cards as payment for a legal financial obligation.

(7) The department or any obligee of the legal financial obligation may seek a mandatory wage assignment for the purposes of obtaining satisfaction for the legal financial obligation pursuant to section 9 of this act.

(8) The requirement that the offender pay a monthly sum towards a legal financial obligation constitutes a condition and term of community supervision and the offender is subject to the penalties as provided in RCW 9.94A.200 for noncompliance.

Sec. 4. Section 21, chapter 143, Laws of 1988, section 2, chapter 153, Laws of 1988 and section 3, chapter 154, Laws of 1988 and RCW 9.94A.120 are each reenacted and amended to read as follows:

When a person is convicted of a felony, the court shall impose punishment as provided in this section.

(1) Except as authorized in subsections (2), (5), and (7) of this section, the court shall impose a sentence within the sentence range for the offense.

(2) The court may impose a sentence outside the standard sentence range for that offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(3) Whenever a sentence outside the standard range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard range shall be a determinate sentence.

(4) An offender convicted of the crime of murder in the first degree shall be sentenced to a term of total confinement not less than twenty years. An offender convicted of the crime of assault in the first degree where the offender used force or means likely to result in death or intended to kill the victim shall be sentenced to a term of total confinement not less than five years. An offender convicted of the crime of rape in the first degree shall be sentenced to a term of total confinement not less than three years, and shall not be eligible for furlough, work release or other authorized leave of absence from the correctional facility during such minimum three year term except for the purpose of commitment to an inpatient treatment facility. The foregoing minimum terms of total confinement are mandatory and shall not be varied or modified as provided in subsection (2) of this section.

(5) In sentencing a first-time offender the court may waive the imposition of a sentence within the sentence range and impose a sentence which may include up to ninety days of confinement in a facility operated or utilized under contract by the county and a requirement that the offender refrain from committing new offenses. The sentence may also include up to two years of community supervision, which, in addition to crime-related prohibitions, may include requirements that the offender perform any one or more of the following:

(a) Devote time to a specific employment or occupation;

(b) Undergo available outpatient treatment for up to two years, or inpatient treatment not to exceed the standard range of confinement for that offense;

(c) Pursue a prescribed, secular course of study or vocational training;

(d) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;

(e) Report as directed to the court and a community corrections officer; or

(f) Pay ~~((a fine))~~ all court-ordered legal financial obligations as provided in RCW 9.94A.030 and/or ~~((accomplish some))~~ perform community service work.

(6) If a sentence range has not been established for the defendant's crime, the court shall impose a determinate sentence which may include not more than one year of confinement, community service work, a term of community supervision not to exceed one year, and/or ~~((a fine))~~ other legal financial obligations. The court may impose a sentence which provides more than one year of confinement if the court finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(7) (a) When an offender is convicted of a sex offense other than a violation of RCW 9A.44.040 or RCW 9A.44.050 and has no prior convictions for a sex offense or any other felony sexual offenses in this or any other state, the sentencing court, on its own motion or the motion of the state or the defendant, may order an examination to determine whether the defendant is amenable to treatment.

After receipt of the reports, the court shall then determine whether the offender and the community will benefit from use of this special sexual offender sentencing alternative. If the

court determines that both the offender and the community will benefit from use of this provision, the court shall then impose a sentence within the sentence range and, if this sentence is less than six years of confinement, the court may suspend the execution of the sentence and place the offender on community supervision for up to two years. As a condition of the suspended sentence, the court may impose other sentence conditions including up to six months of confinement, not to exceed the sentence range of confinement for that offense, crime-related prohibitions, and requirements that the offender perform any one or more of the following:

- (i) Devote time to a specific employment or occupation;
- (ii) Undergo available outpatient sex offender treatment for up to two years, or inpatient sex offender treatment not to exceed the standard range of confinement for that offense. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment;
- (iii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;
- (iv) Report as directed to the court and a community corrections officer;
- (v) Pay ~~((a fine, accomplish some;))~~ all court-ordered legal financial obligations as provided in RCW 9.94A.030, perform community service work, or any combination thereof; or
- (vi) Make recoupment to the victim for the cost of any counseling required as a result of the offender's crime.

If the offender violates these sentence conditions the court may revoke the suspension and order execution of the sentence. All confinement time served during the period of community supervision shall be credited to the offender if the suspended sentence is revoked.

(b) When an offender is convicted of any felony sexual offense committed before July 1, 1987, and is sentenced to a term of confinement of more than one year but less than six years, the sentencing court may, on its own motion or on the motion of the offender or the state, order the offender committed for up to thirty days to the custody of the secretary of social and health services for evaluation and report to the court on the offender's amenability to treatment at these facilities. If the secretary of social and health services cannot begin the evaluation within thirty days of the court's order of commitment, the offender shall be transferred to the state for confinement pending an opportunity to be evaluated at the appropriate facility. The court shall review the reports and may order that the term of confinement imposed be served in the sexual offender treatment program at the location determined by the secretary of social and health services or the secretary's designee, only if the report indicates that the offender is amenable to the treatment program provided at these facilities. The offender shall be transferred to the state pending placement in the treatment program. Any offender who has escaped from the treatment program shall be referred back to the sentencing court.

If the offender does not comply with the conditions of the treatment program, the secretary of social and health services may refer the matter to the sentencing court. The sentencing court shall commit the offender to the department of corrections to serve the balance of the term of confinement.

If the offender successfully completes the treatment program before the expiration of the term of confinement, the court may convert the balance of confinement to community supervision and may place conditions on the offender including crime-related prohibitions and requirements that the offender perform any one or more of the following:

- (i) Devote time to a specific employment or occupation;
- (ii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;
- (iii) Report as directed to the court and a community corrections officer;
- (iv) Undergo available outpatient treatment.

If the offender violates any of the terms of community supervision, the court may order the offender to serve out the balance of the community supervision term in confinement in the custody of the department of corrections.

After June 30, 1993, this subsection (b) shall cease to have effect.

(c) When an offender commits any felony sexual offense on or after July 1, 1987, and is sentenced to a term of confinement of more than one year but less than six years, the sentencing court may, on its own motion or on the motion of the offender or the state, request the department of corrections to evaluate whether the offender is amenable to treatment and the department may place the offender in a treatment program within a correctional facility operated by the department.

Except for an offender who has been convicted of a violation of RCW 9A.44.040 or 9A.44.050, if the offender completes the treatment program before the expiration of his term of confinement, the department of corrections may request the court to convert the balance of confinement to community supervision and to place conditions on the offender including crime-related prohibitions and requirements that the offender perform any one or more of the following:

- (i) Devote time to a specific employment or occupation;
- (ii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;

- (iii) Report as directed to the court and a community corrections officer;
- (iv) Undergo available outpatient treatment.

If the offender violates any of the terms of his community supervision, the court may order the offender to serve out the balance of his community supervision term in confinement in the custody of the department of corrections.

Nothing in (c) of this subsection shall confer eligibility for such programs for offenders convicted and sentenced for a sexual offense committed prior to July 1, 1987.

(8) (a) When a court sentences a person to a term of total confinement to the custody of the department of corrections for an offense categorized as a sex offense, a serious violent offense, assault in the second degree, any crime against a person where it is determined in accordance with RCW 9.94A.125 that the defendant or an accomplice was armed with a deadly weapon at the time of commission, or any felony offense under chapter 69.50 or 69.52 RCW, committed on or after July 1, 1988, the court shall in addition to the other terms of the sentence, sentence the offender to a one-year term of community placement beginning either upon completion of the term of confinement or at such time as the offender is transferred to community custody in lieu of earned early release in accordance with RCW 9.94A.150(1). When the court sentences an offender under this section to the statutory maximum period of confinement then the community placement portion of the sentence shall consist entirely of such community custody to which the offender may become eligible, in accordance with RCW 9.94A.150(1). Any period of community custody actually served shall be credited against the community placement portion of the sentence.

(b) When a court sentences a person to a term of total confinement to the custody of the department of corrections for an offense categorized as a sex offense, a serious violent offense, assault in the second degree, any crime against a person where it is determined in accordance with RCW 9.94A.125 that the defendant or an accomplice was armed with a deadly weapon at the time of commission, or any felony offense under chapter 69.50 or 69.52 RCW, committed on or after July 1, 1988, unless a condition is waived by the court, the sentence shall include, in addition to the other terms of the sentence, a one-year term of community placement on the following conditions:

- (i) The offender shall report to and be available for contact with the assigned community corrections officer as directed;
- (ii) The offender shall work at department of corrections-approved education, employment, and/or community service;
- (iii) The offender shall not consume controlled substances except pursuant to lawfully issued prescriptions;
- (iv) An offender in community custody shall not unlawfully possess controlled substances; and
- (v) The offender shall pay ~~((community placement))~~ supervision fees as determined by the department of corrections.

(c) The court may also order any of the following special conditions:

- (i) The offender shall remain within, or outside of, a specified geographical boundary;
 - (ii) The offender shall not have direct or indirect contact with the victim of the crime or a specified class of individuals;
 - (iii) The offender shall participate in crime-related treatment or counseling services;
 - (iv) The offender shall not consume alcohol;
 - (v) The residence location and living arrangements of a sex offender shall be subject to the prior approval of the department of corrections; or
 - (vi) The offender shall comply with any crime-related prohibitions.
- (d) Prior to transfer to, or during, community placement, any conditions of community placement may be removed or modified so as not to be more restrictive by the sentencing court, upon recommendation of the department of corrections.

(9) If the court imposes a sentence requiring confinement of thirty days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A sentence requiring more than thirty days of confinement shall be served on consecutive days. Local jail administrators may schedule court-ordered intermittent sentences as space permits.

(10) If a sentence imposed includes ~~((a fine or restitution))~~ payment of a legal financial obligation, the sentence shall specify ~~((a reasonable manner and time in which the fine or restitution shall be paid. Restitution to victims shall be paid prior to any other payments of monetary obligations. In any sentence under this chapter the court may also require the offender to make such monetary payments, on such terms as it deems appropriate under the circumstances, as are necessary (a) to pay court costs, including reimbursement of the state for costs of extradition if return to this state by extradition was required. (b) to make recoupment of the cost of defense attorney's fees if counsel is provided at public expense. (c) to contribute to a county or interlocal drug fund, and (d) to make such other payments as provided by law))~~ the total amount of the legal financial obligation owed, and shall require the offender to pay a specified monthly sum toward that legal financial obligation. Restitution to victims shall be paid prior to any other payments of monetary obligations. Any legal financial obligation that is imposed by the court may be collected by the department, which shall deliver the amount

paid to the county clerk's office for credit. The offender's compliance with payment of ((monetary)) legal financial obligations shall be supervised by the department((The rate of payment shall be determined by the court or, in the absence of a rate determined by the court, the rate shall be set by the department)) for a period of ten years. All monetary payments ordered shall be paid no later than ten years after the ((most recent of either the)) last date of release from confinement pursuant to a felony conviction or the date the sentence was entered. Independent of the department, the party or entity to whom the legal financial obligation is owed shall have the authority to utilize any other remedies available to the party or entity to collect the legal financial obligation after the department's responsibility for collection has ceased. Nothing in this section makes the department, the state, or any of its employees, agents, or other persons acting on their behalf liable under any circumstances for the payment of these legal financial obligations. If an order includes restitution as one of the monetary assessments, the county clerk shall make disbursements to victims named in the order. ((The restitution to victims named in the order shall be paid prior to any payment for other penalties or monetary assessments.))

(1) Except as provided under RCW 9.94A.140(1) and 9.94A.142(1), a court may not impose a sentence providing for a term of confinement or community supervision or community placement which exceeds the statutory maximum for the crime as provided in chapter 9A.20 RCW.

(12) All offenders sentenced to terms involving community supervision, community service, ((restitution, or fines)) or legal financial obligation shall be under the supervision of the secretary of the department of corrections or such person as the secretary may designate and shall follow explicitly the instructions of the secretary including reporting as directed to a community corrections officer, remaining within prescribed geographical boundaries, and notifying the community corrections officer of any change in the offender's address or employment.

(13) The sentencing court shall give the offender credit for all confinement time served before the sentencing if that confinement was solely in regard to the offense for which the offender is being sentenced.

(14) A departure from the standards in RCW 9.94A.400(1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in subsections (2) and (3) of this section, and may be appealed by the defendant or the state as set forth in RCW 9.94A.210(2) through (6).

(15) The court shall order restitution whenever the offender is convicted of a felony that results in injury to any person or damage to or loss of property, whether the offender is sentenced to confinement or placed under community supervision, unless extraordinary circumstances exist that make restitution inappropriate in the court's judgment. The court shall set forth the extraordinary circumstances in the record if it does not order restitution.

(16) As a part of any sentence, the court may impose and enforce an order that relates directly to the circumstances of the crime for which the offender has been convicted, prohibiting the offender from having any contact with other specified individuals or a specific class of individuals for a period not to exceed the maximum allowable sentence for the crime, regardless of the expiration of the offender's term of community supervision.

(17) In any sentence of partial confinement, the court may require the defendant to serve the partial confinement in work release or in a program of home detention.

(18) All court-ordered legal financial obligations collected by the department and remitted to the county clerk shall be credited and paid where restitution is ordered. Restitution shall be paid prior to any other payments of monetary obligations.

Sec. 5. Section 14, chapter 137, Laws of 1981 as last amended by section 3, chapter 281, Laws of 1987 and RCW 9.94A.140 are each amended to read as follows:

(1) If restitution is ordered, the court shall determine the amount of restitution due at the sentencing hearing or within sixty days ((and may set the terms and conditions under which the defendant shall make restitution)). The court shall then set a minimum monthly payment that the offender is required to make towards the restitution that is ordered. The court should take into consideration the total amount of the restitution owed, the offender's present, past, and future ability to pay, as well as any assets that the offender may have. During the period of supervision, the community corrections officer may examine the offender to determine if there has been a change in circumstances that warrants an amendment of the monthly payment schedule. The community corrections officer may recommend a change to the schedule of payment and shall inform the court of the recommended change and the reasons for the change. The sentencing court may then reset the monthly minimum payments based on the report from the community corrections officer of the change in circumstances. Restitution ordered by a court pursuant to a criminal conviction shall be based on easily ascertainable damages for injury to or loss of property, actual expenses incurred for treatment for injury to persons, and lost wages resulting from injury. Restitution shall not include reimbursement for damages for mental anguish, pain and suffering, or other intangible losses, but may include the costs of counseling reasonably related to the offense. The amount of restitution shall not exceed double the amount of the offender's gain or the victim's loss from the commission of the crime. For the purposes of this section, the offender shall remain under the court's jurisdiction for a maximum term of ten years subsequent to the imposition of sentence. The portion of the

sentence concerning restitution may be modified as to amount, terms and conditions during the ten-year period, regardless of the expiration of the offender's term of community supervision and regardless of the statutory maximum for the crime. The offender's compliance with the restitution shall be supervised by the department for a maximum period of ten years.

(2) Restitution may be ordered whenever the offender is convicted of an offense which results in injury to any person or damage to or loss of property. In addition, restitution may be ordered to pay for an injury, loss, or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor's recommendation that the offender be required to pay restitution to a victim of an offense or offenses which are not prosecuted pursuant to a plea agreement.

(3) In addition to any sentence that may be imposed, a defendant who has been found guilty of an offense involving fraud or other deceptive practice or an organization which has been found guilty of any such offense may be ordered by the sentencing court to give notice of the conviction to the class of persons or to the sector of the public affected by the conviction or financially interested in the subject matter of the offense by mail, by advertising in designated areas or through designated media, or by other appropriate means.

(4) This section does not limit civil remedies or defenses available to the victim or defendant.

Sec. 6. Section 10, chapter 443, Laws of 1985 as amended by section 4, chapter 281, Laws of 1987 and RCW 9.94A.142 are each amended to read as follows:

(1) When restitution is ordered, the court shall determine the amount of restitution due at the sentencing hearing or within sixty days (~~and shall set the terms and conditions under which the defendant shall make restitution~~). The court shall then set a minimum monthly payment that the offender is required to make towards the restitution that is ordered. The court should take into consideration the total amount of the restitution owed, the offender's present, past, and future ability to pay, as well as any assets that the offender may have. During the period of supervision, the community corrections officer may examine the offender to determine if there has been a change in circumstances that warrants an amendment of the monthly payment schedule. The community corrections officer may recommend a change to the schedule of payment and shall inform the court of the recommended change and the reasons for the change. The sentencing court may then reset the monthly minimum payments based on the report from the community corrections officer of the change in circumstances. Restitution ordered by a court pursuant to a criminal conviction shall be based on easily ascertainable damages for injury to or loss of property, actual expenses incurred for treatment for injury to persons, and lost wages resulting from injury. Restitution shall not include reimbursement for damages for mental anguish, pain and suffering, or other intangible losses, but may include the costs of counseling reasonably related to the offense. The amount of restitution shall not exceed double the amount of the offender's gain or the victim's loss from the commission of the crime. For the purposes of this section, the offender shall remain under the court's jurisdiction for a maximum term of ten years subsequent to the imposition of sentence. The portion of the sentence concerning restitution may be modified as to amount, terms and conditions during the ten-year period, regardless of the expiration of the offender's term of community supervision and regardless of the statutory maximum for the crime. The offender's compliance with the restitution shall be supervised by the department for a maximum period of ten years.

(2) Restitution shall be ordered whenever the offender is convicted of an offense which results in injury to any person or damage to or loss of property unless extraordinary circumstances exist which make restitution inappropriate in the court's judgment and the court sets forth such circumstances in the record. In addition, restitution shall be ordered to pay for an injury, loss, or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor's recommendation that the offender be required to pay restitution to a victim of an offense or offenses which are not prosecuted pursuant to a plea agreement.

(3) In addition to any sentence that may be imposed, a defendant who has been found guilty of an offense involving fraud or other deceptive practice or an organization which has been found guilty of any such offense may be ordered by the sentencing court to give notice of the conviction to the class of persons or to the sector of the public affected by the conviction or financially interested in the subject matter of the offense by mail, by advertising in designated areas or through designated media, or by other appropriate means.

(4) This section does not limit civil remedies or defenses available to the victim, survivors of the victim, or defendant.

(5) This section shall apply to offenses committed after July 1, 1985.

Sec. 7. Section 20, chapter 137, Laws of 1981 as last amended by section 11, chapter 153, Laws of 1988 and by section 2, chapter 155, Laws of 1988 and RCW 9.94A.200 are each re-enacted and amended to read as follows:

(1) If an offender violates any condition or requirement of a sentence, the court may modify its order of judgment and sentence and impose further punishment in accordance with this section.

(2) If an offender fails to comply with any of the requirements or conditions of a sentence the following provisions apply:

(a) The court, upon the motion of the state, or upon its own motion, shall require the offender to show cause why the offender should not be punished for the noncompliance. The court may issue a summons or a warrant of arrest for the offender's appearance;

(b) The state has the burden of showing noncompliance by a preponderance of the evidence. If the court finds that the violation has occurred, it may order the offender to be confined for a period not to exceed sixty days for each violation, and may (i) convert a term of partial confinement to total confinement, (ii) convert community service obligation to total or partial confinement, or (iii) convert monetary obligations, except restitution and the crime victim penalty assessment, to community service hours at the rate of the state minimum wage as established in RCW 49.46.020 for each hour of community service. Any time served in confinement awaiting a hearing on noncompliance shall be credited against any confinement order by the court; and

(c) If the court finds that the violation was not willful, the court may modify its previous order regarding payment of (~~fines or other monetary payments~~) legal financial obligations and regarding community service obligations.

(3) Nothing in this section prohibits the filing of escape charges if appropriate.

Sec. 8. Section 2, chapter 207, Laws of 1982 as amended by section 15, chapter 209, Laws of 1984 and RCW 9.94A.270 are each amended to read as follows:

(1) Whenever a punishment imposed under this chapter requires community supervision services to be provided, the sentencing court shall require that the offender pay to the department of corrections the monthly assessment, prescribed under subsection (2) of this section, which shall be for the duration of the probation and which shall be considered as payment or part payment of the cost of providing probation supervision to the probationer. The court may exempt a person from the payment of all or any part of the assessment based upon any of the following factors:

(a) The offender has diligently attempted but has been unable to obtain employment that provides the offender sufficient income to make such payments.

(b) The offender is a student in a school, college, university, or a course of vocational or technical training designed to fit the student for gainful employment.

(c) The offender has an employment handicap, as determined by an examination acceptable to or ordered by the court.

(d) The offender's age prevents him from obtaining employment.

(e) The offender is responsible for the support of dependents and the payment of the assessment constitutes an undue hardship on the offender.

(f) Other extenuating circumstances as determined by the court.

(2) The department of corrections shall adopt a rule prescribing the amount of the assessment. The department may, if it finds it appropriate, prescribe a schedule of assessments that shall vary in accordance with the intensity or cost of the supervision. The department may not prescribe any assessment that is less than ten dollars nor more than fifty dollars.

(3) All amounts required to be paid under this section shall be collected by the department of corrections and deposited by the department in the (~~state general~~) dedicated fund established pursuant to section 26 of this act.

(4) This section shall not apply to probation services provided under an interstate compact pursuant to chapter 9.95 RCW or to probation services provided for persons placed on probation prior to June 10, 1982.

NEW SECTION. Sec. 9. A petition or motion seeking a mandatory wage assignment in a criminal action may be filed by the department or any obligee if the offender is more than thirty days past due in monthly payments in an amount equal to or greater than the amount payable for one month. The petition or motion shall include a sworn statement by the secretary or designee, or if filed solely by an obligee, by such obligee, stating the facts authorizing the issuance of the wage assignment order, including: (1) That the offender, stating his or her name and last known residence, is more than thirty days past due in payments in an amount equal to or greater than the amount payable for one month; (2) a description of the terms of the judgment and sentence and/or payment order requiring payment of a court-ordered legal financial obligation, the total amount remaining unpaid, and the amount past due; (3) the name and address of the offender's employer; (4) that notice by personal service, or any form of mail requiring a return receipt, has been provided to the offender at least fifteen days prior to the filing of a mandatory wage assignment, unless the judgment and sentence or the order for payment states that the department or obligee may seek a mandatory wage assignment without notice to the defendant. A copy of the judgment and sentence or payment order shall be attached to the petition or motion seeking the wage assignment.

NEW SECTION. Sec. 10. Upon receipt of a petition or motion seeking a mandatory wage assignment that complies with section 9 of this act, the court shall issue a wage assignment order as provided in section 12 of this act and including the information required in section 9 of this act, directed to the employer, and commanding the employer to answer the order on the forms served with the order that comply with section 14 of this act within twenty days after service of the order upon the employer.

NEW SECTION. Sec. 11. (1) The wage assignment order in section 10 of this act shall include: (a) The maximum amount or current amount owed on a court-ordered legal financial obligation, if any, to be withheld from the defendant's earnings each month, or from each earnings disbursement; and (b) the total amount of the arrearage or reimbursement judgment previously entered by the court, if any, together with interest, if any.

(2) The total amount to be withheld from the defendant's earnings each month, or from each earnings disbursement, shall not exceed twenty-five percent of the disposable earnings of the defendant. If the amounts to be paid toward the arrearage are specified in the payment order, then the maximum amount to be withheld is the sum of the current amount owed and the amount ordered to be paid toward the arrearage, or twenty-five percent of the disposable earnings of the defendant, whichever is less.

(3) If the defendant is subject to two or more attachments for payment of a court-ordered legal financial obligation on account of different obligees, the employer shall, if the nonexempt portion of the defendant's earnings is not sufficient to respond fully to all the attachments, apportion the defendant's nonexempt disposable earnings between or among the various obligees equally. Any obligee may seek a court order reapportioning the defendant's nonexempt disposable earnings upon notice to all interested parties. Notice shall be by personal service, or in the manner provided by the civil rules of superior court or applicable statute.

NEW SECTION. Sec. 12. The department shall develop a form and adopt rules for the wage assignment order.

NEW SECTION. Sec. 13. (1) An employer upon whom service of a wage assignment order has been made shall answer the order by sworn affidavit within twenty days after the date of service. The answer shall state whether the offender is employed by or receives earnings from the employer, whether the employer will honor the wage assignment order, and whether there are multiple attachments against the offender.

(2) If the employer possesses any earnings due and owing to the offender, the earnings subject to the wage assignment order shall be withheld immediately upon receipt of the wage assignment order. The employer shall deliver the withheld earnings to the department of corrections pursuant to the wage assignment order. The department will then remit the money to the clerk of the court from which the order originated. The employer shall make the first delivery no sooner than twenty days after receipt of the wage assignment order.

(3) The employer shall continue to withhold the ordered amounts from nonexempt earnings of the offender until notified that the wage assignment has been modified or terminated. The employer shall promptly notify the clerk of the court who entered the order when the employee is no longer employed.

(4) The employer may deduct a processing fee from the remainder of the employee's earnings after withholding under the wage assignment order, even if the remainder is exempt under section 11 of this act. The processing fee may not exceed: (a) Ten dollars for the first disbursement made by the employer to the clerk of the court; and (b) one dollar for each subsequent disbursement made under the wage assignment order.

(5) An order for wage assignment entered under this chapter shall have priority over any other wage assignment or garnishment, except for a wage assignment or garnishment for child support, or an order to withhold and deliver under chapter 74.20A RCW or any other collection action under chapter 26.18 or 26.23 RCW.

(6) An employer who fails to withhold earnings as required by a wage assignment order issued under this chapter may be held liable for the amounts disbursed to the offender in violation of the wage assignment order, and may be found by the court to be in contempt of court and may be punished as provided by law.

(7) No employer who complies with a wage assignment order issued under this chapter may be liable to the employee for wrongful withholding.

(8) No employer may discharge, discipline, or refuse to hire an employee because of the entry or service of a wage assignment order issued and executed under this chapter. A person who violates this subsection may be found by the court to be in contempt of court and may be punished as provided by law.

(9) An employer shall deliver a copy of the wage assignment order to the obligor as soon as is reasonably possible.

NEW SECTION. Sec. 14. The department shall develop a form and adopt rules for the wage assignment answer.

NEW SECTION. Sec. 15. (1) Service of the wage assignment order on the employer is invalid unless it is served with five answer forms in substantial conformance with section 14 of this act, together with stamped envelopes addressed to, respectively, the clerk of the court where the order was issued, the obligee's attorney, the petitioner, the department, and the obligor. The petitioner shall also include an extra copy of the wage assignment order for the employer to deliver to the obligor. Service on the employer shall be in person or by any form of mail requiring a return receipt.

(2) On or before the date of service of the wage assignment order on the employer, the petitioner shall mail or cause to be mailed by certified mail a copy of the wage assignment order to the obligor at the obligor's last known post office address; or, in the alternative, a copy

of the wage assignment order shall be served on the obligor in the same manner as a summons in a civil action on, before, or within two days after the date of service of the order on the employer. This requirement is not jurisdictional, but if the copy is not mailed or served as this subsection provides, or if any irregularity appears with respect to the mailing of service, the superior court, in its discretion, may quash the wage assignment order, upon motion of the obligor promptly made and supported by an affidavit showing that the defendant has suffered substantial injury due to the failure to mail or serve the copy.

NEW SECTION, Sec. 16. In a hearing to quash, modify, or terminate the wage assignment order, the court may grant relief only upon a showing that the wage assignment order causes extreme hardship or substantial injustice. Satisfaction by the defendant of all past-due payments subsequent to the issuance of the wage assignment order is not grounds to quash, modify, or terminate the wage assignment order. If a wage assignment order has been in operation for twelve consecutive months and the obligor's payment towards a court-ordered legal financial obligation is current, the court may terminate the order upon motion of the obligor unless the obligee or the department can show good cause as to why the wage assignment order should remain in effect.

NEW SECTION, Sec. 17. In any action to enforce legal financial obligations under this chapter, the prevailing party is entitled to a recovery of costs, including an award for reasonable attorneys' fees. An obligor may not be considered a prevailing party under this section unless the obligee has acted in bad faith in connection with the proceeding in question.

NEW SECTION, Sec. 18. For those individuals who, as a condition and term of their sentence imposed on or before July 1, 1989, have had financial obligations imposed, and who are not in compliance with the court order requiring payment of that legal financial obligation, no action shall be brought before the court from July 1, 1989, through and including December 31, 1989, to impose a penalty for their failure to pay. All individuals who, after December 31, 1989, have not taken the opportunity to bring their legal financial obligation current, shall be proceeded against pursuant to RCW 9.94A.200.

NEW SECTION, Sec. 19. Sections 3 and 9 through 18 of this act are each added to chapter 9.94A RCW.

Sec. 20. Section 1, chapter 207, Laws of 1982 and RCW 72.04A.120 are each amended to read as follows:

(1) Any person placed on parole shall be required to pay the monthly assessment, prescribed under subsection (2) of this section, which shall be for the duration of the parole and which shall be considered as payment or part payment of the cost of providing parole supervision to the parolee. The board may exempt a person from the payment of all or any part of the assessment based upon any of the following factors:

(a) The offender has diligently attempted but has been unable to obtain employment which provides the offender sufficient income to make such payments.

(b) The offender is a student in a school, college, university, or a course of vocational or technical training designed to fit the student for gainful employment.

(c) The offender has an employment handicap, as determined by an examination acceptable to or ordered by the board.

(d) The offender's age prevents him from obtaining employment.

(e) The offender is responsible for the support of dependents and the payment of the assessment constitutes an undue hardship on the offender.

(f) Other extenuating circumstances as determined by the board.

(2) The department of corrections shall adopt a rule prescribing the amount of the assessment. The department may, if it finds it appropriate, prescribe a schedule of assessments which shall vary in accordance with the intensity or cost of the supervision. The department may not prescribe any assessment which is less than ten dollars nor more than fifty dollars.

(3) Payment of the assessed amount shall constitute a condition of parole for purposes of the application of RCW 72.04A.090.

(4) All amounts required to be paid under this section shall be collected by the department of corrections and deposited by the department in the ~~((state general))~~ dedicated fund established pursuant to section 26 of this act.

(5) This section shall not apply to parole services provided under an interstate compact pursuant to chapter 9.95 RCW or to parole services provided for offenders paroled before June 10, 1982.

Sec. 21. Section 6, chapter 17, Laws of 1967 and RCW 72.65.060 are each amended to read as follows:

The earnings of a work release participant shall not be subject to garnishment, attachment, or execution while such earnings are either in the possession of the employer or any state officer authorized to hold such funds, except for payment of a court-ordered legal financial obligation as that term is defined in section 22 of this act.

NEW SECTION, Sec. 22. Unless a different meaning is plainly required by the context, the following words and phrases as hereafter used in this chapter shall have the following meanings:

(1) "Court-ordered legal financial obligation" means a sum of money that is ordered by a superior court of the state of Washington for payment of restitution to a victim, statutorily imposed crime victims compensation fee, court costs, a county or interlocal drug fund, court-appointed attorneys' fees and costs of defense, fines, and any other legal financial obligation that is assessed as a result of a felony conviction.

(2) "Department" means the department of corrections.

(3) "Offender" means an individual who is currently under the jurisdiction of the Washington state department of corrections, and who also has a court-ordered legal financial obligation as a result of a felony conviction.

(4) "Secretary" means the secretary of the department of corrections or the secretary's designee.

(5) "Superintendent" means the superintendent of a correctional facility under the jurisdiction of the Washington state department of corrections.

NEW SECTION. Sec. 23. The secretary shall be custodian of all funds of a convicted person that are in his or her possession upon admission to a state institution, or that are sent or brought to the person, or earned by the person while in custody, or that are forwarded to the superintendent on behalf of a convicted person. All such funds shall be deposited in the personal account of the convicted person within the institutional resident deposit account as established by the office of financial management pursuant to RCW 43.88.195, and the secretary shall have authority to disburse money from such person's personal account for the purposes of satisfying a court-ordered legal financial obligation. Unless specifically granted authority herein, at no time shall the withdrawal of funds for the payment of a legal financial obligation result in reducing the inmate's account to an amount less than the defined level of indigency to be determined by the department.

Further, unless specifically altered herein, court-ordered legal financial obligations shall be paid.

NEW SECTION. Sec. 24. (1) Except as otherwise provided herein, all court-ordered legal financial obligations shall take priority over any other statutorily imposed mandatory withdrawals from inmate's accounts.

(2) For those inmates who are on work release pursuant to chapter 72.65 RCW, before any legal financial obligations are withdrawn from the inmate's account, the inmate is entitled to payroll deductions that are required by law, or such payroll deductions as may reasonably be required by the nature of the employment unless any such amount which his or her work release plan specifies should be retained to help meet the inmate's needs, including costs necessary for his or her participation in the work release plan such as travel, meals, clothing, tools, and other incidentals.

(3) Before the payment of any court-ordered legal financial obligation is required, the department is entitled to reimbursement for any expenses advanced for vocational training pursuant to RCW 72.65.020(2), for expenses incident to a work release plan pursuant to RCW 72.65.090, payments for board and room charges for the work release participant, and payments that are necessary for the support of the work release participant's dependents, if any.

NEW SECTION. Sec. 25. Sections 22 through 24 of this act shall constitute a new chapter in Title 72 RCW.

NEW SECTION. Sec. 26. The cost of supervision fund is created in the custody of the state treasurer. All receipts from assessments made under RCW 9.94A.270 and 72.04A.120 shall be deposited into the fund. Expenditures from the fund may be used only to support the collection of legal financial obligations. Only the secretary of the department of corrections or the secretary's designee may authorize expenditures from the fund. The fund is subject to allotment procedures under chapter 43.88 RCW, but no appropriation is required for expenditures.

NEW SECTION. Sec. 27. Except for sections 18, 22, 23, and 24 of this act, this act applies prospectively only and not retrospectively. It applies only to offenses committed on or after the effective date of this act.

NEW SECTION. Sec. 28. The department of corrections and the county clerks association shall develop compatible management and accounting systems that will result in increased collections of legal financial obligations and report their proposed systems to the senate health care and corrections committee and the house health care committee by December 1, 1989.

Sec. 29. Section 10, chapter 302, Laws of 1977 ex. sess. as last amended by section 1, chapter 281, Laws of 1987 and RCW 7.68.035 are each amended to read as follows:

(1) Whenever any person is found guilty in any superior court of having committed a crime, except as provided in subsection (2) of this section, there shall be imposed by the court upon such convicted person a penalty assessment. The assessment shall be in addition to any other penalty or fine imposed by law and shall be ~~(seventy)~~ one hundred dollars for each case or cause of action that includes one or more convictions of a felony or gross misdemeanor and ~~(forty-five)~~ seventy-five dollars for any case or cause of action that includes convictions of only one or more misdemeanors.

(2) The assessment imposed by subsection (1) of this section shall not apply to motor vehicle crimes defined in Title 46 RCW except those defined in the following sections: RCW 46.61.520, 46.61.522, 46.61.024, 46.52.090, 46.70.140, 46.65.090, 46.61.502, 46.61.504, 46.52.100, 46.20.410,

46.52.020, 46.10.130, 46.09.130, 46.61.525, 46.61.685, 46.61.530, 46.61.500, 46.61.015, 46.52.010, 46.44.180, 46.10.090(2), and 46.09.120(2).

(3) Whenever any person accused of having committed a crime posts bail in superior court pursuant to the provisions of chapter 10.19 RCW and such bail is forfeited, there shall be deducted from the proceeds of such forfeited bail a penalty assessment, in addition to any other penalty or fine imposed by law, equal to the assessment which would be applicable under subsection (1) of this section if the person had been convicted of the crime.

(4) Such penalty assessments shall be paid by the clerk of the superior court to the county treasurer who shall monthly transmit the money as provided in RCW 10.82.070. Each county shall deposit not less than one and seventy-five one-hundredths percent of the money it retains under RCW 10.82.070 and chapter 3.62 RCW and all money it receives under subsection (8) of this section into a fund maintained exclusively for the support of comprehensive programs to encourage and facilitate testimony by the victims of crimes and witnesses to crimes. A program shall be considered "comprehensive" only after approval of the department upon application by the county prosecuting attorney. The department shall approve as comprehensive only programs which:

(a) Provide comprehensive services to victims and witnesses of all types of crime with particular emphasis on serious crimes against persons and property. It is the intent of the legislature to make funds available only to programs which do not restrict services to victims or witnesses of a particular type or types of crime and that such funds supplement, not supplant, existing local funding levels;

(b) Are administered by the county prosecuting attorney either directly through the prosecuting attorney's office or by contract between the county and agencies providing services to victims of crime;

(c) Make a reasonable effort to inform the known victim or his surviving dependents of the existence of this chapter and the procedure for making application for benefits;

(d) Assist victims in the restitution and adjudication process; and

(e) Assist victims of violent crimes in the preparation and presentation of their claims to the department of labor and industries under this chapter.

Before a program in any county west of the Cascade mountains is submitted to the department for approval, it shall be submitted for review and comment to each city within the county with a population of more than one hundred fifty thousand. The department will consider if the county's proposed comprehensive plan meets the needs of crime victims in cases adjudicated in municipal, district or superior courts and of crime victims located within the city and county.

(5) Upon submission to the department of a letter of intent to adopt a comprehensive program, the prosecuting attorney shall retain the money deposited by the county under subsection (4) of this section until such time as the county prosecuting attorney has obtained approval of a program from the department. Approval of the comprehensive plan by the department must be obtained within one year of the date of the letter of intent to adopt a comprehensive program. The county prosecuting attorney shall not make any expenditures from the money deposited under subsection (4) of this section until approval of a comprehensive plan by the department. If a county prosecuting attorney has failed to obtain approval of a program from the department under subsection (4) of this section or failed to obtain approval of a comprehensive program within one year after submission of a letter of intent under this section, the county treasurer shall monthly transmit one hundred percent of the money deposited by the county under subsection (4) of this section to the state treasurer for deposit in the public safety and education account established under RCW 43.08.250.

(6) County prosecuting attorneys are responsible to make every reasonable effort to insure that the penalty assessments of this chapter are imposed and collected.

(7) Penalty assessments under this section shall also be imposed in juvenile offense dispositions under Title 13 RCW. Upon motion of a party and a showing of good cause, the court may modify the penalty assessment in the disposition of juvenile offenses under Title 13 RCW.

(8) Every city and town shall transmit monthly one and seventy-five one-hundredths percent of all money, other than money received for parking infractions, retained under RCW 3.46.120, 3.50.100, and 35.20.220 to the county treasurer for deposit as provided in subsection (4) of this section.

NEW SECTION. Sec. 30. (1) Sections 1 through 17, 19 through 21, 25, 26, and 28 of this act shall take effect July 1, 1990 unless otherwise directed by law.

(2) Sections 18, 22, 23, and 24 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1989.

NEW SECTION. Sec. 31. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

Senator Pullen moved that the following amendment by Senators Pullen, West, Hayner, Wojahn and Talmadge to the Committee on Ways and Means amendment be adopted:

On page 1, beginning on line 14, strike all of sections 2 through 31 and insert the following:
 "Sec. 2. Section 11, chapter 145, Laws of 1988, section 1, chapter 153, Laws of 1988, section 2, chapter 154, Laws of 1988 and section 1, chapter 157, Laws of 1988 and RCW 9.94A.030 are each reenacted and amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department of corrections, means that the department is responsible for monitoring and enforcing the offender's sentence with regard to the legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

(2) "Commission" means the sentencing guidelines commission.

~~((2))~~ (3) "Community corrections officer" means an employee of the department who is responsible for carrying out specific duties in supervision of sentenced offenders and monitoring of sentence conditions.

~~((3))~~ (4) "Community custody" means that portion of an inmate's sentence of confinement in lieu of earned early release time served in the community subject to controls placed on the inmate's movement and activities by the department of corrections.

~~((4))~~ (5) "Community placement" means a one-year period during which the offender is subject to the conditions of community custody and/or postrelease supervision, which begins either upon completion of the term of confinement (postrelease supervision) or at such time as the offender is transferred to community custody in lieu of earned early release. Community placement may consist of entirely community custody, entirely postrelease supervision, or a combination of the two.

~~((5))~~ (6) "Community service" means compulsory service, without compensation, performed for the benefit of the community by the offender.

~~((6))~~ (7) "Community supervision" means a period of time during which a convicted offender is subject to crime-related prohibitions and other sentence conditions imposed pursuant to this chapter by a court. For first-time offenders, the supervision may include crime-related prohibitions and other conditions imposed pursuant to RCW 9.94A.120(5). For purposes of the interstate compact for out-of-state supervision of parolees and probationers, RCW 9.95-.270, community supervision is the functional equivalent of probation and should be considered the same as probation by other states.

~~((7))~~ (8) "Confinement" means total or partial confinement as defined in this section.

~~((8))~~ (9) "Conviction" means an adjudication of guilt pursuant to Titles 10 or 13 RCW and includes a verdict of guilty, a finding of guilty, and acceptance of a plea of guilty.

~~((9))~~ (10) "Court-ordered legal financial obligation" means a sum of money that is ordered by a superior court of the state of Washington for legal financial obligations which may include restitution to the victim, statutorily imposed crime victims' compensation fees as assessed pursuant to RCW 7.68.035, court costs, county or interlocal drug funds, court-appointed attorneys' fees, and costs of defense, fines, and any other financial obligation that is assessed to the offender as a result of a felony conviction.

(11) "Crime-related prohibition" means an order of a court prohibiting conduct that directly relates to the circumstances of the crime for which the offender has been convicted, and shall not be construed to mean orders directing an offender affirmatively to participate in rehabilitative programs or to otherwise perform affirmative conduct.

~~((10))~~ (12) (a) "Criminal history" means the list of a defendant's prior convictions, whether in this state, in federal court, or elsewhere. The history shall include, where known, for each conviction (i) whether the defendant has been placed on probation and the length and terms thereof; and (ii) whether the defendant has been incarcerated and the length of incarceration.

(b) "Criminal history" includes a defendant's prior convictions in juvenile court if: (i) The conviction was for an offense which is a felony or a serious traffic offense and is criminal history as defined in RCW 13.40.020(6)(a); (ii) the defendant was fifteen years of age or older at the time the offense was committed; and (iii) with respect to prior juvenile class B and C felonies or serious traffic offenses, the defendant was less than twenty-three years of age at the time the offense for which he or she is being sentenced was committed.

~~((11))~~ (13) "Department" means the department of corrections.

~~((12))~~ (14) "Determinate sentence" means a sentence that states with exactitude the number of actual years, months, or days of total confinement, of partial confinement, of community supervision, the number of actual hours or days of community service work, or dollars or terms of a ~~(time or restitution)~~ legal financial obligation. The fact that an offender through "earned early release" can reduce the actual period of confinement shall not affect the classification of the sentence as a determinate sentence.

~~((+3))~~ (15) "Disposable earnings" means that part of the earnings of an individual remaining after the deduction from those earnings of any amount required by law to be withheld. For the purposes of this definition, "earnings" means compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonuses, or otherwise, and, notwithstanding any other provision of law making the payments exempt from garnishment, attachment, or other process to satisfy a court-ordered legal financial obligation, specifically includes periodic payments pursuant to pension or retirement programs, or insurance policies of any type, but does not include payments made under Title 50 RCW, except as provided in RCW 50.40.020 and 50.40.050, or Title 74 RCW.

(16) "Drug offense" means:

(a) Any felony violation of chapter 69.50 RCW except possession of a controlled substance (RCW 69.50.401(d)) or forged prescription for a controlled substance (RCW 69.50.403);

(b) Any offense defined as a felony under federal law that relates to the possession, manufacture, distribution, or transportation of a controlled substance; or

(b) Any federal or out-of-state conviction for an offense that under the laws of this state would be a felony classified as an escape under (a) of this subsection.

~~((+5))~~ (18) "Felony traffic offense" means:

(a) Vehicular homicide (RCW 46.61.520), vehicular assault (RCW 46.61.522), eluding a police officer (RCW 46.61.024), or felony hit-and-run injury-accident (RCW 46.52.020(4)); or

(b) Any federal or out-of-state conviction for an offense that under the laws of this state would be a felony classified as a felony traffic offense under (a) of this subsection.

~~((+6))~~ (19) "Fines" means the requirement that the offender pay a specific sum of money over a specific period of time to the court.

~~((+7))~~ (20) (a) "First-time offender" means any person who is convicted of a felony (i) not classified as a violent offense or a sex offense under this chapter, or (ii) that is not the manufacture, delivery, or possession with intent to manufacture or deliver a controlled substance classified in schedule I or II that is a narcotic drug, and except as provided in (b) of this subsection, who previously has never been convicted of a felony in this state, federal court, or another state, and who has never participated in a program of deferred prosecution for a felony offense.

(b) For purposes of (a) of this subsection, a juvenile adjudication for an offense committed before the age of fifteen years is not a previous felony conviction.

~~((+8))~~ (21) "Nonviolent offense" means an offense which is not a violent offense.

~~((+9))~~ (22) "Offender" means a person who has committed a felony established by state law and is eighteen years of age or older or is less than eighteen years of age but whose case has been transferred by the appropriate juvenile court to a criminal court pursuant to RCW 13.40.110. Throughout this chapter, the terms "offender" and "defendant" are used interchangeably.

~~((20))~~ (23) "Partial confinement" means confinement for no more than one year in a facility or institution operated or utilized under contract by the state or any other unit of government, or, if home detention has been ordered by the court, in the residence of either the defendant or a member of the defendant's immediate family, for a substantial portion of each day with the balance of the day spent in the community. Partial confinement includes work release and home detention as defined in this section.

~~((21))~~ (24) "Postrelease supervision" is that portion of an offender's community placement that is not community custody.

~~((22))~~ (25) "Restitution" means the requirement that the offender pay a specific sum of money over a specific period of time to the court as payment of damages. The sum may include both public and private costs. The imposition of a restitution order does not preclude civil redress.

~~((23))~~ (26) "Serious traffic offense" means:

(a) Driving while intoxicated (RCW 46.61.502), actual physical control while intoxicated (RCW 46.61.504), reckless driving (RCW 46.61.500), or hit-and-run an attended vehicle (RCW 46.52.020(5)); or

(b) Any federal, out-of-state, county, or municipal conviction for an offense that under the laws of this state would be classified as a serious traffic offense under (a) of this subsection.

NEW SECTION. Sec. 3. (1) Whenever a person is convicted of a felony, the court may order the payment of a legal financial obligation as part of the sentence. The court must on either the judgment and sentence or on a subsequent order to pay, designate the total amount of a legal financial obligation and segregate this amount among the separate assessments made for restitution, costs fines, and other assessments required by law. On the same order, the court is also to set a sum that the offender is required to pay on a monthly basis towards satisfying the legal financial obligation.

(2) All legal financial obligations that are ordered as a result of a conviction for a felony, may also be enforced in the same manner as a judgment in a civil action by the party or entity to whom the legal financial obligation is owed. These obligations may be enforced at any time during the ten-year period following the offender's release from total confinement or within ten years of entry of the judgment and sentence, whichever period is longer. Independent of the department, the party or entity to whom the legal financial obligation is owed shall have the authority to utilize any other remedies available to the party or entity to collect the legal financial obligation.

(3) In order to assist the court in setting a monthly sum that the offender must pay during the period of supervision, the offender is required to report to the department for purposes of preparing a recommendation to the court. When reporting, the offender is required, under oath, to truthfully and honestly respond to all questions concerning present, past, and future earning capabilities and the location and nature of all property or financial assets. The offender is further required to bring any and all documents as requested by the department.

(4) After completing the investigation, the department shall make a report to the court on the amount of the monthly payment that the offender should be required to make towards a satisfied legal financial obligation.

(5) During the period of supervision, the department may make a recommendation to the court that the offender's monthly payment schedule be modified so as to reflect a change in financial circumstances. Also, during the period of supervision, the offender may be required at the request of the department to report to the department for the purposes of reviewing the appropriateness of the collection schedule for the legal financial obligation. During this reporting, the offender is required under oath to truthfully and honestly respond to all questions concerning earning capabilities and the location and nature of all property or financial assets. Also, the offender is required to bring any and all documents as requested by the department in order to prepare the collection schedule.

(6) After the judgment and sentence or payment order is entered, the department shall for any period of supervision be authorized to collect the legal financial obligation from the offender. Any amount collected by the department shall be remitted daily to the county clerk for the purposes of disbursements. The department is authorized to accept credit cards as payment for a legal financial obligation, and any costs incurred related to accepting credit card payments shall be the responsibility of the offender.

(7) The department or any obligee of the legal financial obligation may seek a mandatory wage assignment for the purposes of obtaining satisfaction for the legal financial obligation pursuant to section 9 of this act.

(8) The requirement that the offender pay a monthly sum towards a legal financial obligation constitutes a condition and term of community supervision and the offender is subject to the penalties as provided in RCW 9.94A.200 for noncompliance.

(9) The county clerk shall provide the department with individualized monthly billings for each offender with an unsatisfied legal financial obligation and shall provide the department with written notice of payments by such offenders no less frequently than weekly.

Sec. 4. Section 21, chapter 143, Laws of 1988, section 2, chapter 153, Laws of 1988 and section 3, chapter 154, Laws of 1988 and RCW 9.94A.120 are each reenacted and amended to read as follows:

When a person is convicted of a felony, the court shall impose punishment as provided in this section.

(1) Except as authorized in subsections (2), (5), and (7) of this section, the court shall impose a sentence within the sentence range for the offense.

(2) The court may impose a sentence outside the standard sentence range for that offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(3) Whenever a sentence outside the standard range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard range shall be a determinate sentence.

(4) An offender convicted of the crime of murder in the first degree shall be sentenced to a term of total confinement not less than twenty years. An offender convicted of the crime of assault in the first degree where the offender used force or means likely to result in death or intended to kill the victim shall be sentenced to a term of total confinement not less than five years. An offender convicted of the crime of rape in the first degree shall be sentenced to a term of total confinement not less than three years, and shall not be eligible for furlough, work release or other authorized leave of absence from the correctional facility during such minimum three year term except for the purpose of commitment to an inpatient treatment facility. The foregoing minimum terms of total confinement are mandatory and shall not be varied or modified as provided in subsection (2) of this section.

(5) In sentencing a first-time offender the court may waive the imposition of a sentence within the sentence range and impose a sentence which may include up to ninety days of confinement in a facility operated or utilized under contract by the county and a requirement that the offender refrain from committing new offenses. The sentence may also include up to two years of community supervision, which, in addition to crime-related prohibitions, may include requirements that the offender perform any one or more of the following:

(a) Devote time to a specific employment or occupation;

(b) Undergo available outpatient treatment for up to two years, or inpatient treatment not to exceed the standard range of confinement for that offense;

(c) Pursue a prescribed, secular course of study or vocational training;

(d) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;

(e) Report as directed to the court and a community corrections officer; or

(f) Pay ~~((a fine))~~ all court-ordered legal financial obligations as provided in RCW 9.94A.030 and/or ((accomplish some)) perform community service work.

(6) If a sentence range has not been established for the defendant's crime, the court shall impose a determinate sentence which may include not more than one year of confinement, community service work, a term of community supervision not to exceed one year, and/or ((a

fine) other legal financial obligations. The court may impose a sentence which provides more than one year of confinement if the court finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(7) (a) When an offender is convicted of a sex offense other than a violation of RCW 9A.44-.040 or RCW 9A.44.050 and has no prior convictions for a sex offense or any other felony sexual offenses in this or any other state, the sentencing court, on its own motion or the motion of the state or the defendant, may order an examination to determine whether the defendant is amenable to treatment.

After receipt of the reports, the court shall then determine whether the offender and the community will benefit from use of this special sexual offender sentencing alternative. If the court determines that both the offender and the community will benefit from use of this provision, the court shall then impose a sentence within the sentence range and, if this sentence is less than six years of confinement, the court may suspend the execution of the sentence and place the offender on community supervision for up to two years. As a condition of the suspended sentence, the court may impose other sentence conditions including up to six months of confinement, not to exceed the sentence range of confinement for that offense, crime-related prohibitions, and requirements that the offender perform any one or more of the following:

- (i) Devote time to a specific employment or occupation;
- (ii) Undergo available outpatient sex offender treatment for up to two years, or inpatient sex offender treatment not to exceed the standard range of confinement for that offense. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment;
- (iii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;
- (iv) Report as directed to the court and a community corrections officer;
- (v) Pay ~~((a fine, accomplish some-))~~ all court-ordered legal financial obligations as provided in RCW 9.94A.030, perform community service work, or any combination thereof; or
- (vi) Make recoupment to the victim for the cost of any counseling required as a result of the offender's crime.

If the offender violates these sentence conditions the court may revoke the suspension and order execution of the sentence. All confinement time served during the period of community supervision shall be credited to the offender if the suspended sentence is revoked.

(b) When an offender is convicted of any felony sexual offense committed before July 1, 1987, and is sentenced to a term of confinement of more than one year but less than six years, the sentencing court may, on its own motion or on the motion of the offender or the state, order the offender committed for up to thirty days to the custody of the secretary of social and health services for evaluation and report to the court on the offender's amenability to treatment at these facilities. If the secretary of social and health services cannot begin the evaluation within thirty days of the court's order of commitment, the offender shall be transferred to the state for confinement pending an opportunity to be evaluated at the appropriate facility. The court shall review the reports and may order that the term of confinement imposed be served in the sexual offender treatment program at the location determined by the secretary of social and health services or the secretary's designee, only if the report indicates that the offender is amenable to the treatment program provided at these facilities. The offender shall be transferred to the state pending placement in the treatment program. Any offender who has escaped from the treatment program shall be referred back to the sentencing court.

If the offender does not comply with the conditions of the treatment program, the secretary of social and health services may refer the matter to the sentencing court. The sentencing court shall commit the offender to the department of corrections to serve the balance of the term of confinement.

If the offender successfully completes the treatment program before the expiration of the term of confinement, the court may convert the balance of confinement to community supervision and may place conditions on the offender including crime-related prohibitions and requirements that the offender perform any one or more of the following:

- (i) Devote time to a specific employment or occupation;
- (ii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;
- (iii) Report as directed to the court and a community corrections officer;
- (iv) Undergo available outpatient treatment.

If the offender violates any of the terms of community supervision, the court may order the offender to serve out the balance of the community supervision term in confinement in the custody of the department of corrections.

After June 30, 1993, this subsection (b) shall cease to have effect.

(c) When an offender commits any felony sexual offense on or after July 1, 1987, and is sentenced to a term of confinement of more than one year but less than six years, the sentencing court may, on its own motion or on the motion of the offender or the state, request the department of corrections to evaluate whether the offender is amenable to treatment and the

department may place the offender in a treatment program within a correctional facility operated by the department.

Except for an offender who has been convicted of a violation of RCW 9A.44.040 or 9A.44.050, if the offender completes the treatment program before the expiration of his term of confinement, the department of corrections may request the court to convert the balance of confinement to community supervision and to place conditions on the offender including crime-related prohibitions and requirements that the offender perform any one or more of the following:

- (i) Devote time to a specific employment or occupation;
- (ii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;
- (iii) Report as directed to the court and a community corrections officer;
- (iv) Undergo available outpatient treatment.

If the offender violates any of the terms of his community supervision, the court may order the offender to serve out the balance of his community supervision term in confinement in the custody of the department of corrections.

Nothing in (c) of this subsection shall confer eligibility for such programs for offenders convicted and sentenced for a sexual offense committed prior to July 1, 1987.

(8) (a) When a court sentences a person to a term of total confinement to the custody of the department of corrections for an offense categorized as a sex offense, a serious violent offense, assault in the second degree, any crime against a person where it is determined in accordance with RCW 9.94A.125 that the defendant or an accomplice was armed with a deadly weapon at the time of commission, or any felony offense under chapter 69.50 or 69.52 RCW, committed on or after July 1, 1988, the court shall in addition to the other terms of the sentence, sentence the offender to a one-year term of community placement beginning either upon completion of the term of confinement or at such time as the offender is transferred to community custody in lieu of earned early release in accordance with RCW 9.94A.150(1). When the court sentences an offender under this section to the statutory maximum period of confinement then the community placement portion of the sentence shall consist entirely of such community custody to which the offender may become eligible, in accordance with RCW 9.94A.150(1). Any period of community custody actually served shall be credited against the community placement portion of the sentence.

(b) When a court sentences a person to a term of total confinement to the custody of the department of corrections for an offense categorized as a sex offense, a serious violent offense, assault in the second degree, any crime against a person where it is determined in accordance with RCW 9.94A.125 that the defendant or an accomplice was armed with a deadly weapon at the time of commission, or any felony offense under chapter 69.50 or 69.52 RCW, committed on or after July 1, 1988, unless a condition is waived by the court, the sentence shall include, in addition to the other terms of the sentence, a one-year term of community placement on the following conditions:

(i) The offender shall report to and be available for contact with the assigned community corrections officer as directed;

(ii) The offender shall work at department of corrections-approved education, employment, and/or community service;

(iii) The offender shall not consume controlled substances except pursuant to lawfully issued prescriptions;

(iv) An offender in community custody shall not unlawfully possess controlled substances; and

(v) The offender shall pay ~~((community placement))~~ supervision fees as determined by the department of corrections.

(c) The court may also order any of the following special conditions:

(i) The offender shall remain within, or outside of, a specified geographical boundary;

(ii) The offender shall not have direct or indirect contact with the victim of the crime or a specified class of individuals;

(iii) The offender shall participate in crime-related treatment or counseling services;

(iv) The offender shall not consume alcohol;

(v) The residence location and living arrangements of a sex offender shall be subject to the prior approval of the department of corrections; or

(vi) The offender shall comply with any crime-related prohibitions.

(d) Prior to transfer to, or during, community placement, any conditions of community placement may be removed or modified so as not to be more restrictive by the sentencing court, upon recommendation of the department of corrections.

(9) If the court imposes a sentence requiring confinement of thirty days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A sentence requiring more than thirty days of confinement shall be served on consecutive days. Local jail administrators may schedule court-ordered intermittent sentences as space permits.

(10) If a sentence imposed includes ~~((a fine or restitution))~~ payment of a legal financial obligation, the sentence shall specify ~~((a reasonable manner and time in which the fine or restitution shall be paid. Restitution to victims shall be paid prior to any other payments of monetary obligations. In any sentence under this chapter the court may also require the offender to make such monetary payments, on such terms as it deems appropriate under the circumstances, as are necessary (a) to pay court costs, including reimbursement of the state for costs of extradition if return to this state by extradition was required, (b) to make recoupment of the cost of defense attorney's fees if counsel is provided at public expense, (c) to contribute to a county or interlocal drug fund, and (d) to make such other payments as provided by law))~~ the total amount of the legal financial obligation owed, and shall require the offender to pay a specified monthly sum toward that legal financial obligation. Restitution to victims shall be paid prior to any other payments of monetary obligations. Any legal financial obligation that is imposed by the court may be collected by the department, which shall deliver the amount paid to the county clerk for credit. The offender's compliance with payment of ((monetary)) legal financial obligations shall be supervised by the department((The rate of payment shall be determined by the court or, in the absence of a rate determined by the court, the rate shall be set by the department)). All monetary payments ordered shall be paid no later than ten years after the ((most recent of either the)) last date of release from confinement pursuant to a felony conviction or the date the sentence was entered. Independent of the department, the party or entity to whom the legal financial obligation is owed shall have the authority to utilize any other remedies available to the party or entity to collect the legal financial obligation. Nothing in this section makes the department, the state, or any of its employees, agents, or other persons acting on their behalf liable under any circumstances for the payment of these legal financial obligations. If an order includes restitution as one of the monetary assessments, the county clerk shall make disbursements to victims named in the order. ((The restitution to victims named in the order shall be paid prior to any payment for other penalties or monetary assessments:))

(11) Except as provided under RCW 9.94A.140(1) and 9.94A.142(1), a court may not impose a sentence providing for a term of confinement or community supervision or community placement which exceeds the statutory maximum for the crime as provided in chapter 9A.20 RCW.

(12) All offenders sentenced to terms involving community supervision, community service, ~~((restitution, or fines))~~ or legal financial obligation shall be under the supervision of the secretary of the department of corrections or such person as the secretary may designate and shall follow explicitly the instructions of the secretary including reporting as directed to a community corrections officer, remaining within prescribed geographical boundaries, and notifying the community corrections officer of any change in the offender's address or employment.

(13) The sentencing court shall give the offender credit for all confinement time served before the sentencing if that confinement was solely in regard to the offense for which the offender is being sentenced.

(14) A departure from the standards in RCW 9.94A.400(1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in subsections (2) and (3) of this section, and may be appealed by the defendant or the state as set forth in RCW 9.94A.210(2) through (6).

(15) The court shall order restitution whenever the offender is convicted of a felony that results in injury to any person or damage to or loss of property, whether the offender is sentenced to confinement or placed under community supervision, unless extraordinary circumstances exist that make restitution inappropriate in the court's judgment. The court shall set forth the extraordinary circumstances in the record if it does not order restitution.

(16) As a part of any sentence, the court may impose and enforce an order that relates directly to the circumstances of the crime for which the offender has been convicted, prohibiting the offender from having any contact with other specified individuals or a specific class of individuals for a period not to exceed the maximum allowable sentence for the crime, regardless of the expiration of the offender's term of community supervision.

(17) In any sentence of partial confinement, the court may require the defendant to serve the partial confinement in work release or in a program of home detention.

(18) All court-ordered legal financial obligations collected by the department and remitted to the county clerk shall be credited and paid where restitution is ordered. Restitution shall be paid prior to any other payments of monetary obligations.

Sec. 5. Section 14, chapter 137, Laws of 1981 as last amended by section 3, chapter 281, Laws of 1987 and RCW 9.94A.140 are each amended to read as follows:

(1) If restitution is ordered, the court shall determine the amount of restitution due at the sentencing hearing or within sixty days ~~((and may set the terms and conditions under which the defendant shall make restitution)).~~ The court shall then set a minimum monthly payment that the offender is required to make towards the restitution that is ordered. The court should take into consideration the total amount of the restitution owed, the offender's present, past, and future ability to pay, as well as any assets that the offender may have. During the period of supervision, the community corrections officer may examine the offender to determine if there

has been a change in circumstances that warrants an amendment of the monthly payment schedule. The community corrections officer may recommend a change to the schedule of payment and shall inform the court of the recommended change and the reasons for the change. The sentencing court may then reset the monthly minimum payments based on the report from the community corrections officer of the change in circumstances. Restitution ordered by a court pursuant to a criminal conviction shall be based on easily ascertainable damages for injury to or loss of property, actual expenses incurred for treatment for injury to persons, and lost wages resulting from injury. Restitution shall not include reimbursement for damages for mental anguish, pain and suffering, or other intangible losses, but may include the costs of counseling reasonably related to the offense. The amount of restitution shall not exceed double the amount of the offender's gain or the victim's loss from the commission of the crime. For the purposes of this section, the offender shall remain under the court's jurisdiction for a maximum term of ten years subsequent to the imposition of sentence. The portion of the sentence concerning restitution may be modified as to amount, terms and conditions during the ten-year period, regardless of the expiration of the offender's term of community supervision and regardless of the statutory maximum for the crime. The offender's compliance with the restitution shall be supervised by the department.

(2) Restitution may be ordered whenever the offender is convicted of an offense which results in injury to any person or damage to or loss of property. In addition, restitution may be ordered to pay for an injury, loss, or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor's recommendation that the offender be required to pay restitution to a victim of an offense or offenses which are not prosecuted pursuant to a plea agreement.

(3) In addition to any sentence that may be imposed, a defendant who has been found guilty of an offense involving fraud or other deceptive practice or an organization which has been found guilty of any such offense may be ordered by the sentencing court to give notice of the conviction to the class of persons or to the sector of the public affected by the conviction or financially interested in the subject matter of the offense by mail, by advertising in designated areas or through designated media, or by other appropriate means.

(4) This section does not limit civil remedies or defenses available to the victim or defendant.

Sec. 6. Section 10, chapter 443, Laws of 1985 as amended by section 4, chapter 281, Laws of 1987 and RCW 9.94A.142 are each amended to read as follows:

(1) When restitution is ordered, the court shall determine the amount of restitution due at the sentencing hearing or within sixty days (~~and shall set the terms and conditions under which the defendant shall make restitution~~). The court shall then set a minimum monthly payment that the offender is required to make towards the restitution that is ordered. The court should take into consideration the total amount of the restitution owed, the offender's present, past, and future ability to pay, as well as any assets that the offender may have. During the period of supervision, the community corrections officer may examine the offender to determine if there has been a change in circumstances that warrants an amendment of the monthly payment schedule. The community corrections officer may recommend a change to the schedule of payment and shall inform the court of the recommended change and the reasons for the change. The sentencing court may then reset the monthly minimum payments based on the report from the community corrections officer of the change in circumstances. Restitution ordered by a court pursuant to a criminal conviction shall be based on easily ascertainable damages for injury to or loss of property, actual expenses incurred for treatment for injury to persons, and lost wages resulting from injury. Restitution shall not include reimbursement for damages for mental anguish, pain and suffering, or other intangible losses, but may include the costs of counseling reasonably related to the offense. The amount of restitution shall not exceed double the amount of the offender's gain or the victim's loss from the commission of the crime. For the purposes of this section, the offender shall remain under the court's jurisdiction for a maximum term of ten years subsequent to the imposition of sentence. The portion of the sentence concerning restitution may be modified as to amount, terms and conditions during the ten-year period, regardless of the expiration of the offender's term of community supervision and regardless of the statutory maximum for the crime. The offender's compliance with the restitution shall be supervised by the department.

(2) Restitution shall be ordered whenever the offender is convicted of an offense which results in injury to any person or damage to or loss of property unless extraordinary circumstances exist which make restitution inappropriate in the court's judgment and the court sets forth such circumstances in the record. In addition, restitution shall be ordered to pay for an injury, loss, or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor's recommendation that the offender be required to pay restitution to a victim of an offense or offenses which are not prosecuted pursuant to a plea agreement.

(3) In addition to any sentence that may be imposed, a defendant who has been found guilty of an offense involving fraud or other deceptive practice or an organization which has been found guilty of any such offense may be ordered by the sentencing court to give notice of the conviction to the class of persons or to the sector of the public affected by the conviction or

financially interested in the subject matter of the offense by mail, by advertising in designated areas or through designated media, or by other appropriate means.

(4) This section does not limit civil remedies or defenses available to the victim, survivors of the victim, or defendant.

(5) This section shall apply to offenses committed after July 1, 1985.

Sec. 7. Section 20, chapter 137, Laws of 1981 as last amended by section 11, chapter 153, Laws of 1988 and by section 2, chapter 155, Laws of 1988 and RCW 9.94A.200 are each reenacted and amended to read as follows:

(1) If an offender violates any condition or requirement of a sentence, the court may modify its order of judgment and sentence and impose further punishment in accordance with this section.

(2) If an offender fails to comply with any of the requirements or conditions of a sentence the following provisions apply:

(a) The court, upon the motion of the state, or upon its own motion, shall require the offender to show cause why the offender should not be punished for the noncompliance. The court may issue a summons or a warrant of arrest for the offender's appearance:

(b) The state has the burden of showing noncompliance by a preponderance of the evidence. If the court finds that the violation has occurred, it may order the offender to be confined for a period not to exceed sixty days for each violation, and may (i) convert a term of partial confinement to total confinement, (ii) convert community service obligation to total or partial confinement, or (iii) convert monetary obligations, except restitution and the crime victim penalty assessment, to community service hours at the rate of the state minimum wage as established in RCW 49.46.020 for each hour of community service. Any time served in confinement awaiting a hearing on noncompliance shall be credited against any confinement order by the court; and

(c) If the court finds that the violation was not willful, the court may modify its previous order regarding payment of ~~((fines or other monetary payments))~~ legal financial obligations and regarding community service obligations.

(3) Nothing in this section prohibits the filing of escape charges if appropriate.

Sec. 8. Section 2, chapter 207, Laws of 1982 as amended by section 15, chapter 209, Laws of 1984 and RCW 9.94A.270 are each amended to read as follows:

(1) Whenever a punishment imposed under this chapter requires community supervision services to be provided, the sentencing court shall require that the offender pay to the department of corrections the monthly assessment, prescribed under subsection (2) of this section, which shall be for the duration of the probation and which shall be considered as payment or part payment of the cost of providing probation supervision to the probationer. The court may exempt a person from the payment of all or any part of the assessment based upon any of the following factors:

(a) The offender has diligently attempted but has been unable to obtain employment that provides the offender sufficient income to make such payments.

(b) The offender is a student in a school, college, university, or a course of vocational or technical training designed to fit the student for gainful employment.

(c) The offender has an employment handicap, as determined by an examination acceptable to or ordered by the court.

(d) The offender's age prevents him from obtaining employment.

(e) The offender is responsible for the support of dependents and the payment of the assessment constitutes an undue hardship on the offender.

(f) Other extenuating circumstances as determined by the court.

(2) The department of corrections shall adopt a rule prescribing the amount of the assessment. The department may, if it finds it appropriate, prescribe a schedule of assessments that shall vary in accordance with the intensity or cost of the supervision. The department may not prescribe any assessment that is less than ten dollars nor more than fifty dollars.

(3) All amounts required to be paid under this section shall be collected by the department of corrections and deposited by the department in the ~~((state general))~~ dedicated fund established pursuant to section 26 of this act.

(4) This section shall not apply to probation services provided under an interstate compact pursuant to chapter 9.95 RCW or to probation services provided for persons placed on probation prior to June 10, 1982.

NEW SECTION. Sec. 9. A petition or motion seeking a mandatory wage assignment in a criminal action may be filed by the department or any obligee if the offender is more than thirty days past due in monthly payments in an amount equal to or greater than the amount payable for one month. The petition or motion shall include a sworn statement by the secretary or designee, or if filed solely by an obligee, by such obligee, stating the facts authorizing the issuance of the wage assignment order, including: (1) That the offender, stating his or her name and last known residence, is more than thirty days past due in payments in an amount equal to or greater than the amount payable for one month; (2) a description of the terms of the judgment and sentence and/or payment order requiring payment of a court-ordered legal financial obligation, the total amount remaining unpaid, and the amount past due; (3) the name

and address of the offender's employer; (4) that notice by personal service, or any form of mail requiring a return receipt, has been provided to the offender at least fifteen days prior to the filing of a mandatory wage assignment, unless the judgment and sentence or the order for payment states that the department or obligee may seek a mandatory wage assignment without notice to the defendant. A copy of the judgment and sentence or payment order shall be attached to the petition or motion seeking the wage assignment.

NEW SECTION. Sec. 10. Upon receipt of a petition or motion seeking a mandatory wage assignment that complies with section 9 of this act, the court shall issue a wage assignment order as provided in section 12 of this act and including the information required in section 9 of this act, directed to the employer, and commanding the employer to answer the order on the forms served with the order that comply with section 14 of this act within twenty days after service of the order upon the employer.

NEW SECTION. Sec. 11. (1) The wage assignment order in section 10 of this act shall include: (a) The maximum amount or current amount owed on a court-ordered legal financial obligation, if any, to be withheld from the defendant's earnings each month, or from each earnings disbursement; and (b) the total amount of the arrearage or reimbursement judgment previously entered by the court, if any, together with interest, if any.

(2) The total amount to be withheld from the defendant's earnings each month, or from each earnings disbursement, shall not exceed twenty-five percent of the disposable earnings of the defendant. If the amounts to be paid toward the arrearage are specified in the payment order, then the maximum amount to be withheld is the sum of the current amount owed and the amount ordered to be paid toward the arrearage, or twenty-five percent of the disposable earnings of the defendant, whichever is less.

(3) If the defendant is subject to two or more attachments for payment of a court-ordered legal financial obligation on account of different obligees, the employer shall, if the nonexempt portion of the defendant's earnings is not sufficient to respond fully to all the attachments, apportion the defendant's nonexempt disposable earnings between or among the various obligees equally. Any obligee may seek a court order reapportioning the defendant's nonexempt disposable earnings upon notice to all interested parties. Notice shall be by personal service, or in the manner provided by the civil rules of superior court or applicable statute.

NEW SECTION. Sec. 12. The department shall develop a form and adopt rules for the wage assignment order.

NEW SECTION. Sec. 13. (1) An employer upon whom service of a wage assignment order has been made shall answer the order by sworn affidavit within twenty days after the date of service. The answer shall state whether the offender is employed by or receives earnings from the employer, whether the employer will honor the wage assignment order, and whether there are multiple attachments against the offender.

(2) If the employer possesses any earnings due and owing to the offender, the earnings subject to the wage assignment order shall be withheld immediately upon receipt of the wage assignment order. The employer shall deliver the withheld earnings to the clerk of the court pursuant to the wage assignment order. The employer shall make the first delivery no sooner than twenty days after receipt of the wage assignment order.

(3) The employer shall continue to withhold the ordered amounts from nonexempt earnings of the offender until notified that the wage assignment has been modified or terminated. The employer shall promptly notify the clerk of the court who entered the order when the employee is no longer employed.

(4) The employer may deduct a processing fee from the remainder of the employee's earnings after withholding under the wage assignment order, even if the remainder is exempt under section 11 of this act. The processing fee may not exceed: (a) Ten dollars for the first disbursement made by the employer to the clerk of the court; and (b) one dollar for each subsequent disbursement made under the wage assignment order.

(5) An employer who fails to withhold earnings as required by a wage assignment order issued under this chapter may be held liable for the amounts disbursed to the offender in violation of the wage assignment order, and may be found by the court to be in contempt of court and may be punished as provided by law.

(6) No employer who complies with a wage assignment order issued under this chapter may be liable to the employee for wrongful withholding.

(7) No employer may discharge, discipline, or refuse to hire an employee because of the entry or service of a wage assignment order issued and executed under this chapter. A person who violates this subsection may be found by the court to be in contempt of court and may be punished as provided by law.

(8) An employer shall deliver a copy of the wage assignment order to the obligor as soon as is reasonably possible.

NEW SECTION. Sec. 14. The department shall develop a form and adopt rules for the wage assignment answer, and instructions for employers for preparing such answer.

NEW SECTION. Sec. 15. (1) Service of the wage assignment order on the employer is invalid unless it is served with five answer forms in substantial conformance with section 14 of this act, together with stamped envelopes addressed to, respectively, the clerk of the court where the

order was issued, the obligee's attorney, the petitioner, the department, and the obligor. The petitioner shall also include an extra copy of the wage assignment order for the employer to deliver to the obligor. Service on the employer shall be in person or by any form of mail requiring a return receipt.

(2) On or before the date of service of the wage assignment order on the employer, the petitioner shall mail or cause to be mailed by certified mail a copy of the wage assignment order to the obligor at the obligor's last known post office address; or, in the alternative, a copy of the wage assignment order shall be served on the obligor in the same manner as a summons in a civil action on, before, or within two days after the date of service of the order on the employer. This requirement is not jurisdictional, but if the copy is not mailed or served as this subsection provides, or if any irregularity appears with respect to the mailing of service, the superior court, in its discretion, may quash the wage assignment order, upon motion of the obligor promptly made and supported by an affidavit showing that the defendant has suffered substantial injury due to the failure to mail or serve the copy.

NEW SECTION. Sec. 16. In a hearing to quash, modify, or terminate the wage assignment order, the court may grant relief only upon a showing that the wage assignment order causes extreme hardship or substantial injustice. Satisfaction by the defendant of all past-due payments subsequent to the issuance of the wage assignment order is not grounds to quash, modify, or terminate the wage assignment order. If a wage assignment order has been in operation for twelve consecutive months and the obligor's payment towards a court-ordered legal financial obligation is current, the court may terminate the order upon motion of the obligor unless the obligee or the department can show good cause as to why the wage assignment order should remain in effect. The department shall notify the employer of any modification or termination of the wage assignment order.

NEW SECTION. Sec. 17. In any action to enforce legal financial obligations under this chapter, the prevailing party is entitled to a recovery of costs, including an award for reasonable attorneys' fees. An obligor may not be considered a prevailing party under this section unless the obligee has acted in bad faith in connection with the proceeding in question.

NEW SECTION. Sec. 18. For those individuals who, as a condition and term of their sentence imposed on or before July 1, 1989, have had financial obligations imposed, and who are not in compliance with the court order requiring payment of that legal financial obligation, no action shall be brought before the court from July 1, 1989, through and including December 31, 1989, to impose a penalty for their failure to pay. All individuals who, after December 31, 1989, have not taken the opportunity to bring their legal financial obligation current, shall be proceeded against pursuant to RCW 9.94A.200.

NEW SECTION. Sec. 19. Sections 3 and 9 through 18 of this act are each added to chapter 9.94A RCW.

Sec. 20. Section 1, chapter 207, Laws of 1982 and RCW 72.04A.120 are each amended to read as follows:

(1) Any person placed on parole shall be required to pay the monthly assessment, prescribed under subsection (2) of this section, which shall be for the duration of the parole and which shall be considered as payment or part payment of the cost of providing parole supervision to the parolee. The board may exempt a person from the payment of all or any part of the assessment based upon any of the following factors:

(a) The offender has diligently attempted but has been unable to obtain employment which provides the offender sufficient income to make such payments.

(b) The offender is a student in a school, college, university, or a course of vocational or technical training designed to fit the student for gainful employment.

(c) The offender has an employment handicap, as determined by an examination acceptable to or ordered by the board.

(d) The offender's age prevents him from obtaining employment.

(e) The offender is responsible for the support of dependents and the payment of the assessment constitutes an undue hardship on the offender.

(f) Other extenuating circumstances as determined by the board.

(2) The department of corrections shall adopt a rule prescribing the amount of the assessment. The department may, if it finds it appropriate, prescribe a schedule of assessments which shall vary in accordance with the intensity or cost of the supervision. The department may not prescribe any assessment which is less than ten dollars nor more than fifty dollars.

(3) Payment of the assessed amount shall constitute a condition of parole for purposes of the application of RCW 72.04A.090.

(4) All amounts required to be paid under this section shall be collected by the department of corrections and deposited by the department in the ~~((state general))~~ dedicated fund established pursuant to section 26 of this act.

(5) This section shall not apply to parole services provided under an interstate compact pursuant to chapter 9.95 RCW or to parole services provided for offenders paroled before June 10, 1982.

Sec. 21. Section 6, chapter 17, Laws of 1967 and RCW 72.65.060 are each amended to read as follows:

The earnings of a work release participant shall not be subject to garnishment, attachment, or execution while such earnings are either in the possession of the employer or any state officer authorized to hold such funds, except for payment of a court-ordered legal financial obligation as that term is defined in section 22 of this act.

NEW SECTION. Sec. 22. Unless a different meaning is plainly required by the context, the following words and phrases as hereafter used in this chapter shall have the following meanings:

(1) "Court-ordered legal financial obligation" means a sum of money that is ordered by a superior court of the state of Washington for payment of restitution to a victim, statutorily imposed crime victims compensation fee, court costs, a county or interlocal drug fund, court-appointed attorneys' fees and costs of defense, fines, and any other legal financial obligation that is assessed as a result of a felony conviction.

(2) "Department" means the department of corrections.

(3) "Offender" means an individual who is currently under the jurisdiction of the Washington state department of corrections, and who also has a court-ordered legal financial obligation as a result of a felony conviction.

(4) "Secretary" means the secretary of the department of corrections or the secretary's designee.

(5) "Superintendent" means the superintendent of a correctional facility under the jurisdiction of the Washington state department of corrections.

NEW SECTION. Sec. 23. The secretary shall be custodian of all funds of a convicted person that are in his or her possession upon admission to a state institution, or that are sent or brought to the person, or earned by the person while in custody, or that are forwarded to the superintendent on behalf of a convicted person. All such funds shall be deposited in the personal account of the convicted person within the institutional resident deposit account as established by the office of financial management pursuant to RCW 43.88.195, and the secretary shall have authority to disburse money from such person's personal account for the purposes of satisfying a court-ordered legal financial obligation to the court. Unless specifically granted authority herein, at no time shall the withdrawal of funds for the payment of a legal financial obligation result in reducing the inmate's account to an amount less than the defined level of indigency to be determined by the department.

Further, unless specifically altered herein, court-ordered legal financial obligations shall be paid.

NEW SECTION. Sec. 24. (1) Except as otherwise provided herein, all court-ordered legal financial obligations shall take priority over any other statutorily imposed mandatory withdrawals from inmate's accounts.

(2) For those inmates who are on work release pursuant to chapter 72.65 RCW, before any legal financial obligations are withdrawn from the inmate's account, the inmate is entitled to payroll deductions that are required by law, or such payroll deductions as may reasonably be required by the nature of the employment unless any such amount which his or her work release plan specifies should be retained to help meet the inmate's needs, including costs necessary for his or her participation in the work release plan such as travel, meals, clothing, tools, and other incidentals.

(3) Before the payment of any court-ordered legal financial obligation is required, the department is entitled to reimbursement for any expenses advanced for vocational training pursuant to RCW 72.65.020(2), for expenses incident to a work release plan pursuant to RCW 72.65.090, payments for board and room charges for the work release participant, and payments that are necessary for the support of the work release participant's dependents, if any.

NEW SECTION. Sec. 25. Sections 22 through 24 of this act shall constitute a new chapter in Title 72 RCW.

NEW SECTION. Sec. 26. The cost of supervision fund is created in the custody of the state treasurer. All receipts from assessments made under RCW 9.94A.270 and 72.04A.120 shall be deposited into the fund. Expenditures from the fund may be used only to support the collection of legal financial obligations. Only the secretary of the department of corrections or the secretary's designee may authorize expenditures from the fund. The fund is subject to allotment procedures under chapter 43.88 RCW, but no appropriation is required for expenditures.

NEW SECTION. Sec. 27. Except for sections 18, 22, 23, and 24 of this act, this act applies prospectively only and not retrospectively. It applies only to offenses committed on or after the effective date of this act.

NEW SECTION. Sec. 28. The department of corrections and the county clerks association shall develop compatible management and accounting systems that will result in increased collections of legal financial obligations and report their proposed systems to the senate health care and corrections committee and the house health care committee by December 1, 1989.

Sec. 29. Section 10, chapter 302, Laws of 1977 ex. sess. as last amended by section 1, chapter 281, Laws of 1987 and RCW 7.68.035 are each amended to read as follows:

(1) Whenever any person is found guilty in any superior court of having committed a crime, except as provided in subsection (2) of this section, there shall be imposed by the court upon such convicted person a penalty assessment. The assessment shall be in addition to any

other penalty or fine imposed by law and shall be ((seventy)) one hundred dollars for each case or cause of action that includes one or more convictions of a felony or gross misdemeanor and ((forty-five)) seventy-five dollars for any case or cause of action that includes convictions of only one or more misdemeanors.

(2) The assessment imposed by subsection (1) of this section shall not apply to motor vehicle crimes defined in Title 46 RCW except those defined in the following sections: RCW 46.61.520, 46.61.522, 46.61.024, 46.52.090, 46.70.140, 46.65.090, 46.61.502, 46.61.504, 46.52.100, 46.20.410, 46.52.020, 46.10.130, 46.09.130, 46.61.525, 46.61.685, 46.61.530, 46.61.500, 46.61.015, 46.52.010, 46.44.180, 46.10.090(2), and 46.09.120(2).

(3) Whenever any person accused of having committed a crime posts bail in superior court pursuant to the provisions of chapter 10.19 RCW and such bail is forfeited, there shall be deducted from the proceeds of such forfeited bail a penalty assessment, in addition to any other penalty or fine imposed by law, equal to the assessment which would be applicable under subsection (1) of this section if the person had been convicted of the crime.

(4) Such penalty assessments shall be paid by the clerk of the superior court to the county treasurer who shall monthly transmit the money as provided in RCW 10.82.070. Each county shall deposit not less than one and seventy-five one-hundredths percent of the money it retains under RCW 10.82.070 and chapter 3.62 RCW and all money it receives under subsection (8) of this section into a fund maintained exclusively for the support of comprehensive programs to encourage and facilitate testimony by the victims of crimes and witnesses to crimes. A program shall be considered 'comprehensive' only after approval of the department upon application by the county prosecuting attorney. The department shall approve as comprehensive only programs which:

(a) Provide comprehensive services to victims and witnesses of all types of crime with particular emphasis on serious crimes against persons and property. It is the intent of the legislature to make funds available only to programs which do not restrict services to victims or witnesses of a particular type or types of crime and that such funds supplement, not supplant, existing local funding levels;

(b) Are administered by the county prosecuting attorney either directly through the prosecuting attorney's office or by contract between the county and agencies providing services to victims of crime;

(c) Make a reasonable effort to inform the known victim or his surviving dependents of the existence of this chapter and the procedure for making application for benefits;

(d) Assist victims in the restitution and adjudication process; and

(e) Assist victims of violent crimes in the preparation and presentation of their claims to the department of labor and industries under this chapter.

Before a program in any county west of the Cascade mountains is submitted to the department for approval, it shall be submitted for review and comment to each city within the county with a population of more than one hundred fifty thousand. The department will consider if the county's proposed comprehensive plan meets the needs of crime victims in cases adjudicated in municipal, district or superior courts and of crime victims located within the city and county.

(5) Upon submission to the department of a letter of intent to adopt a comprehensive program, the prosecuting attorney shall retain the money deposited by the county under subsection (4) of this section until such time as the county prosecuting attorney has obtained approval of a program from the department. Approval of the comprehensive plan by the department must be obtained within one year of the date of the letter of intent to adopt a comprehensive program. The county prosecuting attorney shall not make any expenditures from the money deposited under subsection (4) of this section until approval of a comprehensive plan by the department. If a county prosecuting attorney has failed to obtain approval of a program from the department under subsection (4) of this section or failed to obtain approval of a comprehensive program within one year after submission of a letter of intent under this section, the county treasurer shall monthly transmit one hundred percent of the money deposited by the county under subsection (4) of this section to the state treasurer for deposit in the public safety and education account established under RCW 43.08.250.

(6) County prosecuting attorneys are responsible to make every reasonable effort to insure that the penalty assessments of this chapter are imposed and collected.

(7) Penalty assessments under this section shall also be imposed in juvenile offense dispositions under Title 13 RCW. Upon motion of a party and a showing of good cause, the court may modify the penalty assessment in the disposition of juvenile offenses under Title 13 RCW.

(8) Every city and town shall transmit monthly one and seventy-five one-hundredths percent of all money, other than money received for parking infractions, retained under RCW 3.46.120, 3.50.100, and 35.20.220 to the county treasurer for deposit as provided in subsection (4) of this section.

NEW SECTION. Sec. 30. (1) Sections 1 through 17, 19 through 21, 25, 26, and 28 of this act shall take effect July 1, 1990 unless otherwise directed by law.

(2) Sections 18, 22, 23, and 24 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1989.

NEW SECTION. Sec. 31. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

POINT OF INQUIRY

Senator Rasmussen: "Senator Pullen, on page 26, line 13, it says, 'no employer who complies with the wage assignment order issued under this chapter may be liable to the employee for wrongful withholding.' My first question is, what chance does the employee have if a wrong notice is sent out--to recover?"

Senator Pullen: "Well, that's, of course, a difficult question to answer. I would think it would be very unlikely a wrong notice would be sent out and if a wrong notice were sent out, certainly the employee would have a number of options open to recover. This particular language simply says that the employer is not liable, but the employee would still have a number of options to make sure the recovery is made. For example, the employee would simply go to the department and point out that an error had been made and like most agencies, it would take a few days or a bit longer to get the paper work straightened out, but eventually it would be."

Senator Rasmussen: "You're an optimist, which is good. The other question I have is on line 16, it says, 'no employer may discharge, discipline, or refuse to hire an employee because of the entry or service of a wage assignment order issued and executed under this chapter. A person who violates this subsection, may be found guilty by the court or to be in contempt of court and may be punished provided by law.' How many times can they--employers--fire people once they were garnished? This, in effect, would be that they can't fire them at all. Of course, when you fire them the department can't collect any money."

Senator Pullen: "Yes, that's the intent of the language--to try to insure that the offender meets his financial obligations to the state and the taxpayers and victims of crimes. So, the intent of that language was to try to encourage the employer to keep the employee in a productive capacity."

Senator Rasmussen: "That says he has to. It doesn't say that they encourage him. He would be in contempt of court if he doesn't. Did the employers agree to that?"

Senator Pullen: "I have not heard of any objections to that language from any of the parties."

Senator Rasmussen: "Well, if they have no objection, I shouldn't. Thank you."

The President declared the question before the Senate to be the adoption of the amendment on page 1, beginning on line 14, to the striking Committee on Ways and Means amendment to Engrossed Substitute House Bill No. 1542.

Debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Senator McMullen, if this was a request of the Department of Labor and Industries and they are following the same rules that the Department of Labor and Industries does for injured workers, is the difference because we don't

have the money for the crime victims? They can't deviate, as I read the law, from the way it is handled for an injured worker or his survivors."

Senator McMullen: "Under the Workmen's Compensation Act of this state, if you are injured, you are entitled to those benefits, regardless of any other factor. You are entitled as an injured worker. Under this amendment, if you are a victim, you are entitled to those benefits if there is any money. If there is no money left in the fund, you are entitled to nothing under this bill."

Senator Rasmussen: "Why would the Governor request this then?"

Senator McMullen: "I don't speak for the Governor, Senator."

Senator Rasmussen: "Did the Governor request this and Joe Dear from the Department of Labor and Industries? The reason I'm asking is that I am confused."

Senator McMullen: "If the director chooses to make this a non-entitlement program, that is his prerogative. We should decide if that is good social policy and I submit it is not good social policy."

Senator McMullen demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on the adoption of the striking amendment by Senator McDonald to Engrossed Substitute House Bill No. 1737.

MESSAGE FROM THE HOUSE

April 23, 1989

Mr. President:

The House has adopted the Second Report of the Conference Committee on SUBSTITUTE SENATE BILL NO. 5289 and has granted said committee the powers of Free Conference.

ALAN THOMPSON, Chief Clerk

SECOND REPORT OF CONFERENCE COMMITTEE

RE: SSB 5289

Relating to regional fisheries groups.

April 22, 1989

Mr. President:

Mr. Speaker:

We of your Conference Committee to whom the above measure was referred, have had the same under consideration and we report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

Reject all previous amendments, and

Adopt the following striking amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. The legislature finds that it is in the best interest of the salmon resource of the state to encourage the development of regional fisheries enhancement groups. The accomplishments of one existing group, the Grays Harbor fisheries enhancement task force, have been widely recognized as being exemplary. The legislature recognizes the potential benefits to the state that would occur if each region of the state had a similar group of dedicated citizens working to enhance the salmon resource.

The legislature authorizes the formation of regional fisheries enhancement groups. These groups shall be eligible for state financial support and shall be actively supported by the department of fisheries. The regional groups shall be operated on a strictly nonprofit basis, and shall seek to maximize the efforts of volunteer and private donations to improve the salmon resource for all citizens of the state.

NEW SECTION, Sec. 2. Any interested person may become a member of a regional fisheries enhancement group. To obtain funding from the regional fisheries enhancement group account, the membership of each group shall select its board members and chair by a democratic process. It is desirable for the group to have representation from all categories of fishermen that have interest in salmon within the region, as well as the general public.

The director shall appoint a department employee to serve as a liaison between the department and the group. The department liaison shall actively participate in the activities of the group and facilitate its operation in any way possible.

NEW SECTION, Sec. 3. Eight regional fisheries enhancement groups are authorized:

- (1) Columbia river, and its tributaries, above Bonneville dam;
- (2) Columbia river, and its tributaries, below Bonneville dam;
- (3) Grays Harbor;
- (4) Willapa Bay;
- (5) North Coast and the Straits of Juan de Fuca;
- (6) Puget Sound, and adjacent rivers and lakes, north of Everett;
- (7) Central Puget Sound between Everett and Tacoma; and
- (8) South Puget Sound, and adjacent rivers and lakes, south of Tacoma.

NEW SECTION, Sec. 4. Regional fisheries enhancement groups, consistent with the long-term regional policy statements developed under RCW 75.50.020, shall seek to:

- (1) Enhance the salmon resource of the state;
- (2) Maximize volunteer efforts and private donations to improve the salmon resource for all citizens;

(3) Assist the department in achieving the goal to double the state-wide salmon catch by the year 2000 under chapter 214, Laws of 1988; and

(4) Develop projects designed to supplement the fishery enhancement capability of the department of fisheries.

NEW SECTION, Sec. 5. The director shall cooperate fully with the regional fisheries enhancement groups authorized by this chapter. The director shall supply salmon eggs, technical information, surplus equipment, professional consultation, and any other assistance that can be provided to the group.

NEW SECTION, Sec. 6. The chair of each regional fisheries enhancement group shall coordinate with the department to assure that the department and the group are working in harmony toward mutually agreeable goals.

NEW SECTION, Sec. 7. (1) The legislature finds that the wise management and economic health of the state's recreational and commercial fishing industries are of paramount importance to the people of the state and to the economy of the state as a whole. The legislature finds that it is in the best social, economic, and cultural interest of the state to provide, maintain, and enhance recreational fishing opportunities in the state and offshore waters while maintaining and encouraging a healthy commercial fishing industry.

(2) Funding for regional fisheries enhancement groups shall be from a variety of funding sources.

(a) Start up grant - Each group is authorized to apply for a one time grant of eight thousand dollars per group. The grant will be administered by the director and shall be utilized for initial organizational and planning expenses.

(b) State loan - Each group may apply for state-funded enhancement loans. Loan applications shall be submitted to the salmon advisory council for initial recommendations. The director shall further review loan applications and then submit the applications to the legislature for approval. Payback of said loans shall be structured to coincide with probable income generated from the group's cost recovery program. Funds for enhancement loans shall be appropriated from the regional fisheries enhancement group account.

(c) Cost recovery - Sale of salmon carcasses and eggs under RCW 75.52.035 that return to group facilities.

(d) Operational grants - A surcharge of one dollar shall be collected annually on every recreational salmon license sold in the state. The revenues derived from this surcharge shall be placed in the regional fisheries enhancement group account hereby created in the state treasury. A surcharge of fifty dollars shall be collected annually on every commercial salmon fishing license and charter boat license sold in the state. The revenue from this surcharge shall be placed in the regional fisheries enhancement group account.

The director shall administer the regional fisheries enhancement group account. Operational grants are to be made to regional groups of up to ninety percent of the project costs to match direct and in-kind contributions secured by the regional group. The director may utilize up to ten percent of the account for department expenses.

(e) Private contributions - The groups are encouraged to conduct periodic fundraising activities.

NEW SECTION, Sec. 8. A new section is added to chapter 75.08 RCW to read as follows:

The director shall report annually to the senate environment and natural resources committee and the house fisheries and wildlife committee or their successor committees on the catch by commercial and sport fishers of the fishery resource resulting from enhancement efforts both by the department and volunteer cooperative projects. The first report shall be submitted by January 1, 1990.

NEW SECTION, Sec. 9. The sum of sixty-four thousand dollars, or as much thereof as may be necessary, is appropriated from the general fund to the department of fisheries for the biennium ending June 30, 1991, to carry out the purposes of start up grants to regional fisheries enhancement groups.

NEW SECTION, Sec. 10. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION, Sec. 11. Sections 1 through 7 of this act shall constitute a new chapter in Title 75 RCW."

On page 1, line 1 of the title, after "enhancement;" strike the remainder of the title and insert "adding a new chapter to Title 75 RCW; adding a new section to chapter 75.08 RCW; and making an appropriation."

Signed by Senators Metcalf, Owen, Anderson; Representatives R. King, Basich, S. Wilson.

MOTION

On motion of Senator Newhouse, the Second Report of the Conference Committee on Substitute Senate Bill No. 5289 was adopted and the committee was granted the powers of Free Conference.

SECOND REPORT OF FREE CONFERENCE COMMITTEE

RE: SHB 2011

Changing provisions regulating commercial fishing licenses.

April 20, 1989

Mr. President:

Mr. Speaker:

We of your Free Conference Committee, have had the same under consideration and we recommend that the measure be amended as proposed under the request for Free Conference and that the bill do pass as amended by the Free Conference Committee.

(See Second Report of Conference Committee on Substitute House Bill No. 2011 and the request for powers of Free Conference read in April 22, 1989.)

Signed by Senators Metcalf, Owen; Representatives R. King, Morris, S. Wilson.

MOTION

On motion of Senator Metcalf, the Report of the Second Free Conference Committee on Substitute House Bill No. 2011 was adopted.

POINT OF INQUIRY

Senator Sutherland: "Senator Metcalf, this piece of legislation repeals RCW 75.28.123, which deals with the Columbia River sturgeon setline licenses. Can you explain what has occurred since the current law was adopted and what is your understanding of the Washington Department of Fisheries authority's intent for the future related to Columbia River sturgeon setline fisheries?"

Senator Metcalf: "Yes, Senator Sutherland that is a good question and a valid one. The Department of Fisheries has sought to eliminate the sturgeon setline commercial fishing on the Columbia River pursuant to RCW 75.28.123. The sturgeon setline commercial fishery has been eliminated through department action in conjunction with the Columbia River Compact, which includes the state of Oregon.

"The repeal of RCW 75.28.123 by Substitute House Bill No. 2011 results in the elimination of the sturgeon commercial fishing setline endorsement because a setline sturgeon commercial fishery no longer exists. The repeal of RCW 75.28.123 does not authorize the reestablishment of a sturgeon setline commercial fishery in the Columbia River or anywhere else in the state of Washington. It is the intent of the Legislature that the sturgeon setline commercial fishery no longer occur in Washington State."

Further debate ensued.

The President declared the question before the Senate to be the roll call on the final passage of Substitute House Bill No. 2011, as amended by the Free Conference Committee.

ROLL CALL

The Secretary called the roll on the final passage of Substitute House Bill No. 2011, as amended by the Free Conference Committee, and the bill passed the Senate by the following vote: Yeas, 32; nays, 14; absent, 2; excused, 1.

Voting yea: Senators Amondson, Bailey, Barr, Bauer, Bender, Benitz, Bluechel, Conner, Fleming, Gaspard, Hansen, Johnson, Kreidler, Lee, Matson, McCaslin, McDonald, Metcalf, Murray, Newhouse, Niemi, Owen, Patterson, Saling, Sellar, Stratton, Sutherland, Talmadge, Thorsness, Vognild, Warnke, West - 32.

Voting nay: Senators Anderson, Cantu, Craswell, Madsen, McMullen, Moore, Nelson, Pullen, Rasmussen, Rinehart, Smitherman, von Reichbauer, Williams, Wojahn - 14.

MESSAGE FROM THE HOUSE

April 23, 1989

Mr. President:

The House has adopted the Report of the Free Conference Committee on SECOND SUBSTITUTE SENATE BILL NO. 5372 and has passed the bill as amended by the Free Conference Committee.

ALAN THOMPSON, Chief Clerk

REPORT OF FREE CONFERENCE COMMITTEE

RE: 2SSB 5372

Relating to marina pumpouts and boater safety and education.

April 22, 1989

Mr. President:

Mr. Speaker:

We of your Free Conference Committee, have had the same under consideration and we recommend that the measure be amended as proposed under the request for Free Conference and that the bill do pass as amended by the Free Conference Committee.

(See Report of Conference Committee on Second Substitute Senate Bill No. 5372 and the request for powers of Free Conference read in earlier today.)

Signed by Senators Nelson, Talmadge, Bluechel: Representatives Belcher, G. Fisher.

MOTION

Senator Newhouse moved that the twenty-four hour rule be suspended and the Report of the Free Conference Committee on Second Substitute Senate Bill No. 5372 be adopted.

POINT OF ORDER

Senator Rasmussen: "Mr. President, a point of order. I'd like to raise scope and object on the Free Conference Committee Report on Second Substitute Senate Bill No. 5372. I call the President's attention to Section 16, a new section was added to Chapter 75 which says, 'Fisheries patrol officers are authorized to enforce all provisions of Chapter 88.02 RCW and any rules adopted thereunder, and provisions of RCW 43.51.400 and any rules adopted thereunder.' This is enlarging the scope of the fisheries patrol officers. It should not be in this bill which is related to the Department of Ecology and the cleaning of the Clean Waters Act. At the present time, Mr. President, fisheries patrol officers have no authority to board on the high seas except to enforce fisheries violations. This would give them the authority to enforce all of 88.02 RCW which is related to navigation and so it enlarges the scope entirely out of the Department of Ecology and shouldn't be in this bill."

REMARKS BY SENATOR BLUECHEL

Senator Bluechel: "Mr. President, speaking in opposition to the scope and object. What Senator Rasmussen is referring to was in the Senate bill as it passed here originally. It would be pretty hard to scope something that was already in the Senate Bill. The issue that he directs himself to, is the one of granting authority for the Fisheries Department to board vessels. The issue in this case is simply that the fisheries patrol officers are authorized under the original bill--under this version of it--no changes to inspect for boater registration and safety. What is called 88.02 that Senator Rasmussen is referring to, is called Watercraft 88.02. It is watercraft registration and deals with enforcement of registration and safety. I think we're arguing a moot point when the Senate Bill already had it in it."

RULING BY THE PRESIDENT

President Pritchard: "Senator Rasmussen, the President believes that Senator Bluechel's comments are correct. It was in the Senate Bill, therefore, the President is going to rule that your point of order is not well taken."

The Report of the Free Conference Committee on Second Substitute Senate Bill No. 5372 was ruled in order.

The President declared the question before the Senate to be the motion by Senator Newhouse to suspend the twenty-four hour rule and adopt the Report of the Free Conference Committee on Second Substitute Senate Bill No. 5372.

The motion by Senator Newhouse carried and the twenty-four hour rule was suspended and the Report of the Free Conference Committee on Second Substitute Senate Bill No. 5372 was adopted.

The President declared the question before the Senate to be the roll call on the final passage of Second Substitute Senate Bill No. 5372, as amended by the Free Conference Committee.

Debate ensued.

ROLL CALL

The Secretary called the roll on the final passage of Second Substitute Senate Bill No. 5372, as amended by the Free Conference Committee, and the bill passed the Senate by the following vote: Yeas, 46; absent, 2; excused, 1.

Voting yea: Senators Amondson, Anderson, Bailey, Barr, Bauer, Bender, Benitz, Bluechel, Cantu, Conner, Craswell, Fleming, Gaspard, Hansen, Johnson, Kreidler, Lee, Madsen, Matson, McCaslin, McMullen, Metcalf, Moore, Murray, Nelson, Newhouse, Niemi, Owen, Patterson, Pullen, Rasmussen, Rinehart, Saling, Sellar, Smith, Smitherman, Stratton, Sutherland, Talmadge, Thorsness, Vognild, von Reichbauer, Warnke, West, Williams, Wojahn - 46.

Absent: Senators Hayner, McDonald - 2.

Excused: Senator DeJarnatt - 1.

MESSAGE FROM THE HOUSE

Mr. President:

REPORT OF FREE CONFERENCE COMMITTEE

RE: 2SSB 5400

Relating to mental health systems.

April 21, 1989

Mr. President:

Mr. Speaker:

We of your Free Conference Committee, have had the same under consideration and we recommend that the measure be amended as proposed under the request for Free Conference and that the bill do pass as amended by the Free Conference Committee.

(See Report of Conference Committee on Second Substitute Senate Bill No. 5400 and the request for powers of Free Conference read in earlier today.)

Signed by Senators West, Niemi: Representatives Bristow, Moyer, Raiter.

MOTION

On motion of Senator Nelson, the Report of the Free Conference Committee on Second Substitute Senate Bill No. 5400 was adopted.

The President declared the question before the Senate to be the roll call on the final passage of Second Substitute Senate Bill No. 5400, as amended by the Free Conference Committee.

Debate ensued.

POINT OF INQUIRY

Senator West: "Senator Niemi, there are still some concerns about this bill on the part of some people and I would like to clear those up. Section 9 of the bill adds new language which reads, 'The duty of a state hospital to accept persons for evaluation and treatment under this section shall be limited to Chapter 71.24 RCW.' My question is, if regional support networks are not created statewide does that mean patients from counties, not part of regional support networks, cannot be admitted to the state hospitals and have to be assumed by the counties regardless?"

Senator Niemi: "No, that language is intended to apply only to regional support networks which have been created. If a regional support network is not in place for a given county, the state hospitals have an obligation to accept persons from that county."

Further debate ensued.

POINT OF INQUIRY

Senator Talmadge: "Senator Niemi, the Governor's office has taken the position that the monies that are provided for in the reform of mental health would be driven out to the counties who reduce the number of people that they were sending to the state hospitals for their care. Is that policy or that position of the Governor reflected anywhere in this bill?"

Senator Niemi: "Well, the difference between the Governor's position and the counties and Senator West's and mine and the Representatives has been the subject of negotiations over the last two or three weeks and I'm pleased to say that there's nothing in the bill that refers to bed distribution. Specifically, that language was finally agreed upon where the contracts for regional support networks will be approved by the department. Those contracts have to reflect a plan and the plan will be progress toward taking care of the short term acute care, taking care of residential needs and crisis intervention. Everyone is now happy with the language in the bill. There is no specific bed reduction formula in it."

Further debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Senator Niemi, what provisions are made regarding zoning? I see it proposes county regional. Are the county regional hospitals using present hospitals, building new ones, or does it relate to using congregate care homes as we have now?"

Senator Niemi: "I'm not sure I understand your question, Senator Rasmussen."

Senator Rasmussen: "The reason I'm asking is, we've lived through the time when Western State and Northern State were pretty good operating institutions, but they dissolved the farm out at Western State and abandoned Northern State. They were doing a job for the individuals that were there and much better than they are now, I might say. Now, you are going to take the patients that used to go to Western State out into the community. How do you propose to handle them?"

Senator Niemi: "Well, let me, if I do understand, and I'm still not sure I do, let me try to explain the intent of the bill. We have short term acute residential need and at present we are inundating both Western and Eastern, because the law mandates that Western and Eastern accept these people. With these people, it's a total of seventy-two hours plus fourteen days which is a total of a seventeen day stay. Those people more properly belong in the community. One of the big thrusts of this bill is to keep those people in the community--to give them funds and directions toward building up their own evaluation and treatment centers and contracting with their own hospitals to take care of these short term needs. These people don't belong in the state hospitals. Long term needs do. That's one of the inter-relationships. We aren't moving people from the hospitals to the community that belong in the community. We're just trying to help the communities keep the short term people that shouldn't be in the hospitals there. Was there another part to your question?"

Senator Rasmussen: "Well, yes, is it going to require new facilities? Does this present bill make changes like we tried to do in the day care so that the zoning could not keep them out?"

Senator Niemi: "Well, let me give you an example of the facilities that those communities that have done this have. King County for example, has what we call an Evaluation and Treatment Facility. They're from a private contractor. They have rehabilitated or rented another facility and for those people who cannot be held in these facilities, they contract with the hospitals for it. In the case of Pierce County, they probably would have some of those short term in Western if they wished to contract with Western or they could contract with local hospitals, or they could contract as King County does, with free standing local facilities.

"Possibly, they'd want to have some bonding within their community to build these things and then be reimbursed by the state for the care of them. There are many, many ways to solve this and what we are trying to say is that there isn't a way for everybody in the state to solve it. You can do it as you wish and as it suits your community. Pierce and Spokane are in different situations because they have state hospitals there and we expect a different solution."

Senator Rasmussen: "Thank you, Senator Niemi."

Further debate ensued.

MOTIONS

On motion of Senator Bender, Senator Gaspard was excused.

On motion of Senator Anderson, Senators Hayner and McDonald were excused.

ROLL CALL

The Secretary called the roll on the final passage of Second Substitute Senate Bill No. 5400, as amended by the Free Conference Committee, and the bill passed the Senate by the following vote: Yeas, 43; nays, 2; excused, 4.

Voting yea: Senators Amondson, Anderson, Bailey, Barr, Bauer, Bender, Benitz, Bluechel, Cantu, Conner, Craswell, Fleming, Hansen, Johnson, Kreidler, Lee, Madsen, Matson, McCaslin, McMullen, Metcalf, Moore, Murray, Nelson, Newhouse, Niemi, Owen, Patterson, Rinehart, Saling, Sellar, Smith, Smitherman, Stratton, Sutherland, Talmadge, Thorsness, Vognild, von Reichbauer, Warnke, West, Williams, Wojahn - 43.

Voting nay: Senators Pullen, Rasmussen - 2.

Excused: Senators DeJarnatt, Gaspard, Hayner, McDonald - 4.

POINT OF INQUIRY

Senator Nelson: "Senator Talmadge, knowing that this is another bill, if you would care to look at your amendment, could we possibly clarify language on what would be the fourth page of your amendment which you now have as Section 9, line 24. Your citation of Section 2, paragraph 5, for the record, could we clarify that that should be Section 4, paragraph 5?"

Senator Talmadge: "Yes, that is absolutely correct, Senator Nelson."

Senator Nelson: "If we're going to pass these things, I would like to have them be somewhat correct when we insert them on a bill."

Senator Talmadge: "Certainly, that was certainly our intention in response to Senator Bluechel's concern. We voted for this bill unanimously as Substitute Senate Bill No. 5450 and sent it over to the House."

The President declared the question before the Senate to be the adoption of the amendment by Senator Talmadge on page 2, after line 3, to House Bill No. 2129.

The motion by Senator Talmadge carried and the amendment was adopted on a rising vote.

MOTIONS

On motion of Senator Talmadge, the following title amendments were considered simultaneously and were adopted:

On page 1, line 1, strike "and"

On page 1, line 2, after "sections;" insert "reenacting and amending RCW 28A.70.005; adding a new section to chapter 28A.03 RCW; adding new sections to chapter 28B.80 RCW; and declaring an emergency"

On motion of Senator Pullen, the rules were suspended, House Bill No. 2129, as amended by the Senate, was advanced to third reading; the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Senator Saling: "Senator Pullen, I'm delighted with parts of this bill where it talks about foreign trade and international exchange and particularly that part which indicates that all citizens should become proficient in English, but I am concerned about the last paragraph in the first section of the bill that talks about requiring the state of Washington to encourage the use of diverse languages in government. I'm wondering about the intent of that particular section. Does that mean that we should have jury trials in a foreign language or does Section 2 take care of that particular problem?"

Senator Pullen: "Section 2 would take care of the concern that you just raised."

Senator Saling: "Thank you very much."

Further debate ensued.

The President declared the question before the Senate to be the roll call on the final passage of House Bill No. 2129, as amended by the Senate.

The Secretary called the roll on the final passage of House Bill No. 2129, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 30; nays, 14; absent, 1; excused, 4.

The director may require all persons issued such permits to maintain records as to the use of all the restricted use pesticides;

All pesticide registrations expire on December 31st of each year.

(2) Any registration approved by the director and in effect on the 31st day of December for which a renewal application has been made and the proper fee paid, continues in full force and effect until the director notifies the applicant that the registration has been renewed, or otherwise denied in accord with the provision of RCW 15.58.110.

The additional fee shall be paid by the applicant before the registration renewal for that pesticide shall be issued unless the applicant furnishes an affidavit certifying that ~~((he))~~ the applicant did not distribute the unregistered pesticide during the period of nonregistration. (1) If it does not appear to the director that the pesticide is such as to warrant the proposed claims for it or if the pesticide and its labeling and other material required to be submitted do not comply with the provisions of this chapter or ~~((regulations))~~ rules adopted ~~((thereunder he shall notify))~~ under this chapter, the registrant shall be notified of the manner in which the pesticide, labeling, or other material required to be submitted fails to comply with the provisions of this chapter so as to afford the applicant an opportunity to make the necessary corrections. If, upon receipt of such notice, the applicant does not make the corrections the director shall refuse to register the pesticide. The applicant may request a hearing as provided for in chapter ~~((34.04))~~ 34.05 RCW.

(2) The director may, when ~~((he))~~ the director determines that a pesticide or its labeling does not comply with the provisions of this chapter or the ~~((regulations))~~ rules adopted ~~((thereunder))~~ under this chapter, cancel the registration of a pesticide after a hearing in accordance with the provisions of chapter ~~((34.04))~~ 34.05 RCW.

(5) A user of a pesticide may distribute a properly labelled pesticide to another user who is legally entitled to use that pesticide without obtaining a pesticide dealer's license if the exclusive purpose of distributing the pesticide is keeping it from becoming a hazardous waste as defined in chapter 70.105 RCW.

(2) If application for renewal of any license provided for in this chapter other than the pesticide dealer license is not filed on or before the expiration date of the license, a penalty equivalent to the license fee shall be assessed and added to the original fee, and shall be paid by the applicant before the renewal license is issued: PROVIDED, That such penalty shall not apply if the applicant furnishes an affidavit certifying that he or she has not acted as a licensee subsequent to the expiration of the license.

(b) Any model or written description of the physical characteristics of the condominium at the time the purchase agreement is executed, including plans and specifications of or for improvements, creates an express warranty that the condominium will conform to the model or description except pursuant to RCW 64.____ (section 4-103(1)(v), chapter 43, Laws of 1989):

(c) Any written description of the quantity or extent of the real property comprising the condominium, including plats or surveys, creates an express warranty that the condominium will conform to the description, subject to customary tolerances; and

(d) A written provision that a buyer may put a unit only to a specified use is an express warranty that the specified use is lawful.

(2) Neither formal words, such as "warranty" or "guarantee," nor a specific intention to make a warranty are necessary to create an express warranty of quality, but a statement purporting to be merely an opinion or commendation of the real estate or its value does not create a warranty. A purchaser may not rely on any representation or express warranty unless it is contained in the public offering statement or made in writing signed by the declarant or declarant's agent identified in the public offering statement.

(3) Any conveyance of a unit transfers to the purchaser all express warranties of quality made by previous sellers.

NEW SECTION. Sec. 3. STATUTE OF LIMITATIONS FOR WARRANTIES. (1) A judicial proceeding for breach of any obligation arising under RCW 64.____ or 64.____ (section 4-111 or 4-112, chapter 43, Laws of 1989) must be commenced within four years after the cause of action accrues.

(2) Subject to subsection (3) of this section, a cause of action for breach of warranty of quality, regardless of the purchaser's lack of knowledge of the breach, accrues:

(a) As to a unit, at the time the purchaser to whom the warranty is first made enters into possession if a possessory interest was conveyed or at the time of acceptance of the instrument of conveyance if a nonpossessory interest was conveyed; and

(b) As to each common element, at the time the common element is completed or, if later: (i) As to a common element that may be added to the condominium or portion thereof, at the time the first unit therein is conveyed to a bona fide purchaser; or (ii) as to a common element within any other portion of the condominium, at the time the first unit in the condominium is conveyed to a bona fide purchaser.

(3) If a warranty of quality explicitly extends to future performance or duration of any improvement or component of the condominium, the cause of action accrues at the time the breach is discovered or at the end of the period for which the warranty explicitly extends, whichever is earlier.

NEW SECTION. Sec. 4. SUBSTANTIAL COMPLETION OF UNITS. In the case of a sale of a unit where delivery of a public offering statement is required, a contract of sale may be executed, but no interest in that unit may be conveyed until the declaration is recorded.

NEW SECTION. Sec. 5. STUDY COMMITTEE. A statutory committee is created to:

(1) Review the Washington condominium act, and consider comments concerning the act;
 (2) Draft recommended revisions to the act; and
 (3) Prepare written comments on the act to be included in the Senate or House Journals. The committee shall consist of the following members:

(a) One member each of the majority and minority parties of the senate, appointed by the president of the senate;

(b) One member each of the majority and minority parties of the house of representatives, appointed by the speaker of the house of representatives;

(c) Four members of the drafting subcommittee of the senate judiciary condominium task force;

(d) One member appointed by the Washington land title association;

(e) One member appointed by the Washington mortgage bankers association;

(f) One member appointed by the Washington association of realtors;

(g) One member appointed by the Washington chapter of the community associations institute;

(h) One member appointed by the homebuilders association of Washington state;

(i) One member appointed by the Washington state bar association;

(j) One member appointed by the Washington association of county officials; and

(k) Two members appointed by the governor.

The committee shall report to the senate law and justice committee and the house judiciary committee before March 1, 1990.

This section shall expire March 1, 1990.

NEW SECTION. Sec. 6. CAPTIONS. Section captions as used in this act do not constitute any part of the law.

NEW SECTION. Sec. 7. EFFECTIVE DATE. Sections 1 through 4 of this act shall take effect July 1, 1990."

MOTION

Senator Smitherman moved that the following resolution be adopted:

SENATE RESOLUTION 1989-8660

by Senator Smitherman

WHEREAS, Small issue bonds are the cornerstone of state and local government economic development efforts to create and retain jobs and to promote growth in the economy; and

WHEREAS, Small issue bonds have stimulated the creation of five hundred seventy-one jobs in the state of Washington's economy that otherwise would not exist; and

WHEREAS, Small issue bonds provide needed capital at rates and terms vital to small and medium size businesses in their efforts to modernize and expand manufacturing facilities; and

WHEREAS, Small issue bonds support growth in the manufacturing sector, with seventy percent of all United States manufactured goods subject to foreign competition; and

WHEREAS, Small issue bonds are now only available to smaller manufacturers, a sector which accounted for eighty-seven percent of manufacturing job growth from 1976-1982 and for a disproportionately high level of product innovations; and

WHEREAS, Recent tax law provisions controlling federal expenditures through volume cap limitations have substantially addressed concerns about the uses of this financing tool; and

WHEREAS, Recent tax law provisions have also reduced the market incentives available to support the purchase of these issues, thereby increasing the need for state and local efforts to "match" the tax exemption with market support programs, such as guarantees or other credit enhancement measures, and other programs; and

WHEREAS, This federal, state, and local partnership is advancing important national priorities by facilitating capital formation for the smaller manufacturing sector through small issue bonds;

NOW, THEREFORE, BE IT RESOLVED, That the Legislature of the state of Washington urges the Congress and the Administration to extend the December 31, 1989, sunset on small issue bonds; and

BE IT FURTHER RESOLVED, That the Legislature of the state of Washington is continuing its efforts to ensure that small issue bonds are used effectively and are supported by other state and local programs and efforts to achieve these same objectives.

POINT OF INQUIRY

Senator Rasmussen: "Senator Smitherman, I was not aware that Congress had put a limit on small issue bonds. I thought that anybody could issue bonds that wanted to, if they could convince the people to pay for them. My understanding that the limit Congress put on was tax free--industrial bonds--with the deficit they have, they were trying to curb the deficit a little bit. We have some of those small companies like Weyerhaeuser, Simpson, Exxon, and a few of those small companies who were issuing industrialization bonds and tax exempt. That's what Congress attempted to slow up a little bit by putting a cap on them. Is that correct?"

Senator Smitherman: "That is correct. I wasn't speaking to the fact that Congress had said we should not do small issue bonds. Well, there is a sunset on small issue bonds per se that would be coming up December 31 of this year. What I'm trying to do is say that we need to continue. It did come up--what we need to do is continue the program, because it is proven so worthy in terms of providing for expansion and for modernization of small manufacturing firms. Now, you were speaking to another type of issue for the larger companies and that's something that's quite aside. You're talking about the tax exempt bonds. We aren't talking about the same thing here."

Senator Rasmussen: "That's my question. I'm not aware that Congress has put any limit on the bonds of any company that wants to issue them or even attempt to as long as they are ordinary bonds. Is that correct?"

Senator Smitherman: "Senator, these are a little different from ordinary bonds. These are for the people who normally wouldn't be able to participate in getting bonding for small issues. The larger issue types of things are taken care of. What

this simply does, I'll put it this way, there have been caps. There have been all types of fences put around the program of small issue bonds to assure that they are not issued to people who are going to be failing in business and that type of thing. I think that is your major concern. What this tries to do is make a reasonable program. Congress has attempted to make a reasonable program out of what is left of small issue bonds, but they have also sunsetted the program. I'm asking them not to sunset it and that's what this particular resolution is about."

Senator Rasmussen: "Thank you, Senator Smitherman. I just didn't want it to get out that these companies couldn't issue whatever bonds they wanted to, as long as they issue them on their own credit, not ours."

The President declared the question before the Senate to be the adoption of Senate Resolution 1989-8660.

The motion by Senator Smitherman carried and the resolution was adopted.

There being no objection, the President returned the Senate to the fourth order of business.

PARTIAL VETO MESSAGE ON SECOND SUBSTITUTE SENATE BILL NO. 5011

April 20, 1989

To the Honorable, the Senate
of the State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to section 6, Second Substitute Senate Bill No. 5011, entitled:

"AN ACT Relating to providing for allocation of assets of an institutionalized spouse."

Section 6 requires the submission of a biennial report on the number of persons impacted by the laws relating to transfer of assets between spouses. This section imposes new duties for which no funds have been appropriated, and would

require the Department of Social and Health Services to reformat information already available to the legislative fiscal committees.

With the exception of section 6, Second Substitute Senate Bill No. 5011 is approved.

Respectfully submitted,
Booth Gardner, Governor

PARTIAL VETO MESSAGE ON SUBSTITUTE SENATE BILL NO. 5127

April 20, 1989

To the Honorable, the Senate
of the State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to sections 1 and 2, Substitute Senate Bill No. 5127, entitled:

"AN ACT Relating to boundary review boards."

Sections 1 and 2 of Substitute Senate Bill No. 5127 would eliminate the authority of boundary review boards to disapprove a proposed city or town incorporation or disincorporation.

I recognize there are some communities in the state that are dissatisfied with recent incorporation decisions of boundary review boards. However, I am not convinced that the answer to this problem is simply to eliminate the board's authority in this critical area. One of the purposes of Chapter 36.93, which created boundary review boards, was to provide a method to guide and control the creation and growth of municipalities in metropolitan areas. By deleting the boards' authority over incorporations, the purpose of this act would be frustrated.

The State has a legitimate interest in ensuring that municipal boundaries are rational and that statutory objectives are adhered to in the incorporation process. The authority of boundary review boards to review and act on incorporations is the established method of achieving that goal. Without such authority, there is some risk of proliferation of small municipalities and governmental fragmentation at the local level. Additionally, annexations often need to be amended to ensure they do not just include the property tax rich area while excluding poorer valuation residential areas which require public services.

Neighboring jurisdictions are usually affected directly by municipal incorporations. Review of these actions by boundary review boards ensures that multi-jurisdictional issues are considered before a vote is taken.

Notwithstanding the concerns with sections 1 and 2 of the bill, I recognize that boundary review boards may not be the best approach for all counties to address these important growth issues. For that reason, I requested legislation this session

(House Bill No. 1174) that would provide a mechanism for the dissolution of boundary review boards if a local government service agreement is in place. That bill has not yet been acted upon by the Legislature.

With the exception of sections 1 and 2, Substitute Senate Bill No. 5127 is approved.

Respectfully submitted,
Booth Gardner, Governor

PARTIAL VETO MESSAGE ON SENATE BILL NO. 5156

April 20, 1989

To the Honorable, the Senate
of the State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to sections 8 and 12, Senate Bill No. 5156, entitled:

"AN ACT Relating to Cedar River sockeye salmon."

The concept behind this bill is to provide a mechanism to mitigate for the sockeye salmon habitat losses caused by the Landsburg diversion dam. Embodied in the concept of mitigation is that the complete cost, including the long-term operation and maintenance of the mitigation project, shall be borne by the party with the responsibility to mitigate. In this case, the City of Seattle has agreed not only to fund all phases leading up to and including construction, but also to deposit \$2.5 million in a trust account so that interest can be used to fund operation and maintenance.

The acceptability of this project to the State to fully mitigate for the sockeye losses caused by the diversion dam shall be judged not only on the success of the spawning channel but also on whether the trust account is adequate to fully finance the long-term operation and maintenance of the channel. It is in the best interest of the City of Seattle to negotiate with the State on methods which could reduce the expenditures from this trust account, so that in the future the fund is sufficient to cover inflationary costs as well as unanticipated costs.

I feel strongly that the decision-making process leading up to the construction of the spawning channel must recognize the relationship between the State and the Muckleshoot Tribe. The process must involve the Tribe in the planning, design, construction and operation of the spawning channel. This project can proceed only so long as consistent with the protection of treaty fishing rights. Finally, it should be noted that any decision made by the State pursuant to this legislation does not affect claims the Muckleshoot Tribe may have against the City of Seattle for damages to the Cedar River fisheries resources.

The expedition of permits in section 8 implies that state agencies are somehow above the permitting processes. This policy sends an inappropriate message that the review should be preferential or incomplete. The emergency clause in section 12 is not warranted by any exigent circumstances.

I believe this legislation, with the exception of sections 8 and 12, is an example of a process, that if successful, will enhance fishing opportunities in this state and will address a current impediment to increasing the Cedar River sockeye run.

Therefore, with the exception of sections 8 and 12, Senate Bill No. 5156 is approved.

Respectfully submitted,
Booth Gardner, Governor

RALPH MUNRO, Secretary of State

PARTIAL VETO MESSAGE ON SUBSTITUTE SENATE BILL NO. 5208

April 18, 1989

To the Honorable, the Senate
of the State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to sections 4-105, 4-111, 4-114, 4-118, and 4-121, Substitute Senate Bill No. 5208 entitled:

"AN ACT Relating to Condominiums."

The Washington Condominium Act (WCA) sets forth in statute a single and comprehensive body of law governing the development, ownership and management of condominiums. In doing this, the interests of lenders, developers, builders, realtors and local governments have been adequately protected. The interests of purchasers have not fared as well.

For example, Substitute Senate Bill No. 5208 expands warranties of quality. However, section 4-111 is written in such a way that the "express" warranty of quality purports to give much more protection than it does. This provision is substantially less protective than the uniform act already in law. One limitation in this section takes away a purchaser's right to rely on the promoter's reservation of development rights, even though it is made in the public offering statement. Therefore, I have vetoed this section.

Although I support increased flexibility and certainty for developers, these changes must be accompanied by requirements for full disclosure and protection for consumers. Condominium purchasers have a right to rely on information they receive and to know if new buildings or subdivisions may be developed, or if certain portions of the development may be withdrawn from the project. For this reason, I am not approving section 4-105, which exempts condominium promoters from important disclosure requirements.

Section 4-114 specifies the statute of limitations for warranties regarding condominium quality. Under this section, purchasers would receive less time to seek

relief for breach of warranty than under existing law. This section allows warranties to expire within four years of the original purchase, regardless of whether the defect is apparent. Under current law, the statute of limitations runs for warranties three years after discovery of the defect, rather than from the date of the first purchase.

Section 4-118 of the Act removes the requirement that a unit be "substantially completed" before the conveyance is completed. This allows the seller to have use of the funds before the purchaser is able to use the property, detracting from the rights of individual purchasers.

Section 4-121 recreates the 1987 statutory committee, which presented the first draft to the legislature. I am vetoing this section because there is no apparent need for a group such as this, and consumer representation is clearly inadequate. The state has far too many boards, commissions and committees already and creation of yet another one for such a questionable purpose is unnecessary.

Substitute Senate Bill No. 5208 clarifies Washington State law on condominiums. Recent changes in lifestyle have increased the prevalence of this type of real estate transaction, thereby increasing the need for more certainty in the law regarding these transactions. However, it is not in the public's interest to use this bill as a vehicle to reduce important consumer protection rights granted through existing law. For this reason I have vetoed the above mentioned sections of Substitute Senate Bill No. 5208.

With the exception of sections 4-105, 4-111, 4-114, 4-118, and 4-121, Substitute Senate Bill No. 5208 is approved.

Respectfully submitted,
Booth Gardner, Governor

Mr. President:

We respectfully transmit for your consideration the following bill which has been partially vetoed by the Governor, together with the official veto message of the Governor setting forth his objections to the sections or items of the bill as required by Article III, section 12, of the Washington State Constitution.

PARTIAL VETO MESSAGE ON SENATE BILL NO. 5874

April 19, 1989

To the Honorable, the Senate
of the State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to section 5, Senate Bill No. 5874, entitled:

"AN ACT Relating to maritime commemorative observance."

This bill transfers authority for planning celebrations of certain maritime historical events from the Centennial Commission to the Washington State Historical Society. Section 5 contains an emergency clause requiring the Act to take effect immediately.

The emergency clause eliminates the possibility of a smooth transition as planning authority shifts from one entity to another. I am advised that the Washington State Historical Society intends to work with all interested parties and to build on

the planning activities begun by the Centennial Commission. Removal of the emergency clause facilitates this coordination.

With the exception of section 5, Senate Bill No. 5874 is approved.

By DONALD F. WHITING, Assistant
Secretary of State

PARTIAL VETO MESSAGE ON SENATE BILL NO. 6012

April 20, 1989

To the Honorable, the Senate
of the State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to section 1, Senate Bill No. 6012, entitled:

"AN ACT Relating to the leasing of surplus school property."

Section 1 of this bill would remove the restriction requiring school districts to "include provisions which permit the recapture of the leased or rented surplus property of the district should such property be needed for school purposes in the future." The stated intent of this bill is to clarify the law so school districts can enter into long-term leases of surplus property to be used for condominiums or office buildings.

The restriction in existing law is good public policy. It should not be repealed. We should not be encouraging school districts to be in the real estate business when there are current demands for school district buildings and funding of school projects.

Each year the Legislature struggles with providing enough capital funding to school districts to keep up with demands for new construction. It seems inconsistent to allow districts to lock up buildings and property in long-term leases, when there is apparently no intent nor ability to ever reclaim these for school purposes. If there is no foreseeable school use, the district should surplus and sell the properties so the funds are available for other district uses.

The existing statute provides enough flexibility so school districts can rent or lease property when it is not needed immediately. However, the existing law wisely prohibits long-term commitments which bind future school boards and limit their ability to meet the changing needs of the community.

With the exception of section 1, Senate Bill No. 6012 is approved.

Respectfully submitted,
Booth Gardner, Governor

There being no objection, the President advanced the Senate to the fourth order of business.

PERSONAL PRIVILEGE

Senator Talmadge: "A point of personal privilege, Mr. President. This is a combination of a point of personal privilege and information for the members. There apparently is an oil tanker, the Exxon Philadelphia, adrift on the coast off the state of Washington with some five hundred and thirty-two thousand barrels of oil contained in it. I am hopeful that our budget conferees will be able to consider perhaps adding some money for oil spill response capability in light of circumstances like this and the apparent disinterest of some people in the Department of Ecology about responding to circumstances of this sort."

Mitigation of aviation hazard in Lake Washington/Cedar River		
The appropriation in this section is subject to the following conditions and limitations: This appropriation is provided solely for efforts to mitigate against aviation hazards posed by birds frequented a sandbar north of the runway at Renton municipal airport.		

(1) \$40,000 of this appropriation may be used to investigate the gravity of the aviation hazard, and to investigate alternative methods of reducing the hazard, including low-cost techniques such as netting or other deterrents to the birds, and also including dredging of all or a portion of the sandbar. The amount provided in this subsection may also be used to assist the city of Renton in obtaining necessary permits or obtaining information necessary for permits for mitigating measures.

(3) The department is authorized to lease lands containing the sandbar to the city of Renton, if necessary to secure the grant described in subsection (2) of this section, or if necessary to implement another method of reducing flight hazards.

Public school building construction: 1989 (90-2-001)

The appropriation in this section is subject to the following conditions and limitations:

(1) A maximum of \$1,050,000 may be spent for state administration of school construction funding.

(2) \$66,136,000 is provided solely for modernization projects approved by the state board of education.

(3) The appropriation in this section includes proceeds of the issuance of bonds authorized for deposit in the common school construction fund by chapter 3, Laws of 1987 1st ex. sess., and ten million dollars in additional state bonds authorized by chapter ____, Laws of 1989 (HB ____). Of the proceeds of bonds authorized by chapter ____, Laws of 1989 (HB ____), \$8,000,000, or as much thereof as may be necessary, shall be compensation to the common school construction fund for the sale of timber from common school trust lands sold to the parks and recreation commission pursuant to RCW 43.51.270, and authorized for sale by the legislature prior to January 1, 1989.

(4) If Initiative 102 is not enacted by December 31, 1989, or if Engrossed Substitute Senate Bill No. 5352 as enacted does not contain a transfer of \$45,000,000 from the children's initiative fund—K-12 education account to the common school construction fund, \$45,000,000 of this appropriation shall lapse.

(5) The state board shall review current rules and administrative procedures, and shall amend or revise these rules and procedures to address the following concerns:

(a) The discrepancy between the forecasted enrollments used for determining state funding for school construction, and the state-wide growth trends predicted by the office of financial management;

(b) The infrequency of cooperative use of surplus space available in neighboring districts;

(c) The creation of new construction needs by school districts by selling or demolishing schools, or by redesignating grade space or administrative use of school buildings;

(d) The incentive to condemn useable schools to secure state funding, rather than awaiting uncertain support for modernization;

(e) Greater needs for replacement of decaying schools caused by deferral of modernization, at a higher long-term cost to the state and local districts;

(f) The potential of district boundary changes for the purpose of achieving more efficient use of facilities; and

(g) The potential of the state to recover its share of the value of old school buildings that were built with state matching moneys.

Prior to September 15, 1989, the state board of education shall report to the capital facilities and financing committee of the house of representatives and the ways and means committee of the senate on the actions taken or rules adopted by the board to address these concerns.

Common school disbursement limit

The appropriations in sections 701 through 708 of this act are subject to the following conditions and limitations: A maximum of \$276,890,000 from the total of these appropriations may be disbursed during the 1989-91 biennium. If Initiative 102 is not enacted by December 31,

1989, or if Engrossed Substitute Senate Bill No. 5352 as enacted does not contain a transfer of \$45,000,000 from the children's initiative fund—K-12 education account to the common school construction fund, the amount provided under this subsection shall be reduced to \$231,890,000.

NEW SECTION. Sec. 710. FOR THE SUPERINTENDENT OF PUBLIC INSTRUCTION
School housing emergencies

The appropriation in this section is subject to the following conditions and limitations:

(1) This appropriation is provided solely to provide portable classrooms for school districts that have experienced an unanticipated school housing emergency. Portable classrooms provided under this section shall be leased by the superintendent of public instruction to school districts at fair market rates, and the lease payments shall be deposited into the common school construction fund. School districts may qualify for assistance under this section only as a result of events barring students from occupying a school or a portion of a school, and portables shall not be provided under this section to address needs attributable to enrollment growth. The superintendent of public instruction shall provide assistance to a school district under this section only if satisfied that the district has considered other available options and that portable classrooms are the most feasible solution to school housing needs.

(2) Districts receiving assistance under this section shall submit a plan to replace or reopen their closed facilities prior to the end of the lease period, and shall certify that local levy funds or other resources are available and adequate to complete the plan and meet all terms of the lease.

(2) The advisory committee shall consist of the following persons who shall be appointed by and serve at the pleasure of the governor:

- (a) Two architects;

From among these members, the governor shall appoint the chair and vice-chair of the committee from among the members specified in this subsection. NEW SECTION, Sec. 904. FOR THE ARTS COMMISSION—ART WORK ALLOWANCE
POOLING

The appropriations in this act are subject to the following conditions and limitations: One-half of one percent of moneys appropriated in this act are provided solely for the purposes of RCW 28A.58.055, 28B.10.027, and 43.17.200.

NEW SECTION, Sec. 905. The amounts shown under the headings "Prior Biennia," "Future Biennia," and "Total" in this act are for informational purposes only and do not constitute legislative approval of these amounts.

NEW SECTION, Sec. 906. "Reappropriations" in this act are appropriations and are subject to the relevant conditions and limitations applicable to appropriations. Reappropriations shall be limited to the unexpended balances remaining June 30, 1989, in the current appropriation for each project.

NEW SECTION, Sec. 907. To carry out the provisions of this act, the governor may assign responsibility for planning, engineering, construction, and other related activities to any appropriate agency.

NEW SECTION, Sec. 908. In order to provide for consistent and comparable asbestos survey data, and to ensure that the chain-of-evidence requirements for asbestos samples and survey data are met in regard to pending asbestos manufacturer litigation:

(1) No state agency shall expend new funds appropriated in the 1989-91 biennium for asbestos surveys prior to approval by the department of general administration of the agency's asbestos survey policies and procedures. At the completion of each survey, state agencies shall submit the findings to the department in a format to be determined by the department.

(2) The department of general administration shall distribute to all state agencies chain-of-evidence requirements, as developed by the department and the office of the attorney general. State agencies expending appropriated funds for asbestos survey and abatement projects shall make every effort to conform with chain-of-evidence requirements.

NEW SECTION, Sec. 909. As part of the annual six-year update to the State Facilities and Capital Plan, agencies shall provide information on lease development projects to the office of financial management.

NEW SECTION, Sec. 910. If any federal moneys appropriated by this act for capital projects are not received by the state, the department or agency to which the moneys were appropriated may replace the federal moneys with any moneys available from private or local sources. No replacement may occur under this section without the prior approval of the director of financial management in consultation with the committees on ways and means of the senate and house of representatives.

NEW SECTION, Sec. 911. Any appropriation in this act that involves appropriated and non-appropriated funds shall comply with RCW 43.88.150. The office of financial management shall report to the legislature by January 1990 all instances where compliance with RCW 43.88.155 has delayed or precluded the completion of any capital project included in this act.

NEW SECTION. Sec. 912. Notwithstanding any other provisions of law, for the 1989-91 biennium, transfers of reimbursement by the state treasurer to the general fund from the community college capital projects account for debt service payments made under the provisions of Title 28B RCW shall occur only after such debt service payment has been made and only to the extent that funds are actually available in the account. Any unpaid reimbursements shall be a continuing obligation against the community college capital projects account until paid. The state board for community college education need not accumulate any specific balance in the community college capital projects account in anticipation of transfers to reimburse the general fund.

NEW SECTION. Sec. 913. Any capital improvements or capital project involving construction or major expansion of a state office facility, including district headquarters, detachment offices, and off-campus faculty offices, shall be reviewed by the department of general administration for possible consolidation and compliance with state office standards prior to allotment of funds. The intent of the requirement imposed by this section is to eliminate duplication and reduce total office space requirements where feasible, while ensuring proper service to the public.

NEW SECTION. Sec. 914. The governor, through the director of financial management, may authorize a transfer of appropriation authority provided for a capital project which is in excess of the amount required for the completion of such project to another capital project for which the appropriation is insufficient. No such transfer shall be used to expand the capacity of any facility beyond that intended by the legislature in making the appropriation. Such transfers may be effected only between capital appropriations to a specific department, commission, agency, or institution of higher education and only between capital projects which are funded from the same fund or account.

For the purposes of this section, the governor may find that an amount is in excess of the amount required for the completion of a project only if (1) the project as defined in the notes to the budget document is substantially complete and there are funds remaining or (2) bids have been let on a project and it appears to a substantial certainty that the project as defined in the notes to the budget document can be completed within the biennium for less than the amount appropriated herein.

For the purposes of this section, the legislature intends that each project be defined as proposed to the legislature in the governor's budget document, unless it clearly appears from the legislative history that the legislature intended to define the scope of a project in a different way.

A report of any transfer effected under this section shall be filed with the legislative fiscal committees of the senate and house of representatives by the director of financial management within thirty days of the date the transfer is effected.

NEW SECTION. Sec. 915. (1) The legislature finds:

(a) Estimates of capital project costs are prepared in a manner to ensure sufficient funds are available for the completion of projects.

(b) Actual project costs are influenced by variations in cost factors, changing unit price levels, available inventories, inflation rates, gross construction volume at the time of project bid, and other factors that cannot be predicted at the time of estimating capital project costs.

(c) Due to funding limitations, necessary capital projects are deferred to ensuing biennia.

(d) The deferral of capital projects results in increased project costs due to the effects of inflation and increased deterioration of facilities.

(e) No statutory authority currently exists to allow project cost savings to be used to implement necessary capital projects that were deferred to ensuing biennia due to lack of funds.

(2) There is hereby authorized a capital projects cost control incentive program for the 1989-91 biennium.

(3) Appropriations not required by an agency to complete capital projects authorized in this act, may be expended to implement, in priority sequence, those capital projects of the agency listed in the Governor's Six-Year Capital and Facility Plan for the 1991-93 Biennium, as that list exists in the Governor's final 1990 update of the six-year plan. Expenditures under this section are subject to the following conditions:

(a) No expenditure may be made without the prior allotment approval of the office of financial management.

(b) The office of financial management shall notify the senate and house ways and means committees prior to authorizing any project for implementation under this section.

(c) No project may be authorized under this section by the office of financial management unless sufficient funds are available to complete a project's design phase, construction phase, or both.

(d) Appropriations in this act for a capital project shall not be expended under this section unless:

(i) All contracts associated with the performance of the project have been completed and accepted by the state of Washington;

(ii) The statutory thirty-day lien period for each project has expired;

(iii) All claims of lien against project contracts have been satisfied;

(iv) There are no outstanding claims against the state of Washington by any contracted party to the project construction contract; and

(v) Any and all negotiated settlements or settlements arising from the findings of an arbitration board or court of jurisdiction have been satisfied.

NEW SECTION. Sec. 916. The department of information services will act as lead agency in coordinating video telecommunications services for state agencies. As lead agency, the department shall develop standards and common specifications for leased and purchased telecommunications equipment and assist state agencies in developing a video telecommunications expenditure plan. No agency may spend any portion of any appropriation in this act for new video telecommunication equipment, new video telecommunication transmission, or new video telecommunication programming, or for expanding current video telecommunication systems without first complying with chapter 43.105 RCW, including but not limited to RCW 43.105.041(2), and without first submitting a video telecommunications expenditure plan, in accordance with the policies of the department of information services, for review and assessment by the department of information services under RCW 43.105.052. Prior to any such expenditure by a public school, a video telecommunications expenditure plan shall be approved by the superintendent of public instruction. The office of the superintendent of public instruction shall coordinate the use of video telecommunications in public schools by providing educational information to local school districts and shall assist local school districts and educational service districts in telecommunications planning and curriculum development. Prior to any such expenditure by a public institution of postsecondary education, a telecommunications expenditure plan shall be approved by the higher education coordinating board. The higher education coordinating board shall coordinate the use of video telecommunications for instruction and instructional support in postsecondary education, including the review and approval of instructional telecommunications course offerings.

NEW SECTION. Sec. 917. To ensure that major construction projects are carried out in accordance with legislative and executive intent, capital projects for renovation or additional space contained in this act that exceed two million five hundred thousand dollars for which a program document is not completed prior to September 1, 1988, shall not expend funds for planning and construction until the office of financial management has reviewed the agency's programmatic document and approved continuation of the project. The program document shall include but not be limited to projected workload, site conditions, user requirements, current space available, and an overall budget and cost estimate breakdown.

NEW SECTION. Sec. 918. The appropriations contained in this act are maximum expenditure authorizations. Pursuant to RCW 43.88.037, moneys disbursed from the treasury on the basis of a formalized loan agreement with another governmental entity shall be treated as a loan and are to be recorded as loans receivable and not as expenditures for accounting purposes. To the extent that moneys are disbursed on a loan basis, the corresponding appropriation shall be reduced by the amount of loan moneys disbursed from the treasury during the 1989-91 biennium.

NEW SECTION. Sec. 919. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 920. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

On page 1, line 1 of the title, after "capital budget;" strike the remainder of the title and insert "making appropriations and authorizing expenditures for capital improvements; authorizing certain projects; and declaring an emergency."

and the same are herewith transmitted.

The legislature intends that the state hospitals will continue to play an important role in the mental health system. It is also intended that networks gradually reduce their reliance on the state hospitals for routine short term evaluation and treatment.

(ii) Beginning July 1, 1989, the department of social and health services shall track by county and by region the use and cost of state hospital and local evaluation and treatment facilities, including the use of local hospitals under medicaid. Reports shall include information on seventy-two hour detentions and fourteen-day, ninety-day, and one hundred eighty-day commitments. In addition, the report shall include information on voluntary inpatient care at state hospitals and in the community. To the extent feasible, reports shall reflect client county of residence. Reports shall be made available to regional support networks and counties at six-month intervals.

(iii) Contracts with regional support networks and service providers shall include provisions requiring such data, statistics, schedules, and information as the secretary of the department of social and health services may reasonably require. The contracts shall provide that failure to meet contract reporting requirements without good cause shall result in penalties, which may include termination of the contract, or withholding of payment. The contracts shall provide for written notice of failure to comply with reporting requirements and a thirty-day period for corrective action.

(iv) Counties or groups of counties wishing to enter into regional support network contracts with the secretary of the department of social and health services for the 1989-91 biennium, shall notify the secretary and submit a preliminary plan by October 30, 1989. The networks shall submit an overall six-year plan (including operating and capital budgets, and a timeline) in a format specified by the secretary no later than sixty days prior to the proposed contract implementation date. The secretary shall negotiate and finalize contracts with regional support networks for implementation of approved plans no later than March 1, 1990. Consistent with legislative intent in (i) above, the secretary shall ensure that contracts reflect plans which implement the transition to local responsibility for comprehensive services. Transition steps may include but are not limited to development of local resource management, development of local evaluation and treatment programs, and development of local housing and support systems.

(v) The secretary of the department of social and health services, in consultation with affected parties, shall develop a distribution formula for the funds appropriated in this section. The secretary shall report on the formula to the appropriations and human services committees of the house of representatives and the ways and means and health care and corrections committees of the senate by October 1, 1989.

(vi) The department, in cooperation with the state congressional delegation, shall actively seek waivers of federal requirements and such modifications of federal regulations as are necessary to allow federal medicaid reimbursement for services provided by free-standing evaluation and treatment facilities certified under chapter 71.05 RCW. The department shall periodically report its efforts to the ways and means and health care and corrections committees of the senate and the appropriations and human services committees of the house of representatives.

(vii) The department shall study and report to the legislature by December 2, 1989, on expanding the use of federal Title XIX funds and the definition of institutions for mental diseases to provide services to persons who are acutely mentally ill, chronically mentally ill, or at risk of becoming so. The study shall also include an assessment of the impact of Title XIX funds and the definition of institutions for mental diseases on the use of state funds to provide needed mental health services to the chronically mentally ill.

(b) A maximum of \$33,012,000 of the general fund—state appropriation and \$16,057,000 of the general fund—federal appropriation are provided for approved regional network plans through contracts negotiated with the secretary of the department of social and health services.

(i) Contracts shall include financial plans which ensure that the ongoing cost of programs initiated during state fiscal year 1991 can be sustained by approximately the same level of resources, adjusted for inflation, in state fiscal year 1992. It is the intent of the legislature that contracting for new resources in subsequent biennia not be unduly restricted by "bow wave" costs from 1989-91 contracts. Of the amounts provided in this subsection, a maximum of

\$500,000 from the general fund—state appropriation may be used for planning and technical assistance grants to counties or regions wishing to form networks. The amounts in this subsection include moneys needed to implement the omnibus budget and reconciliation act of 1987 ("OBRA"). First priority for necessary mental health services shall be given to individuals transferred from nursing homes because of OBRA. Such services shall be consistent with an individual's discharge plan and shall include residential services, if needed. Assumptions regarding the number of transfers from the nursing homes shall be incorporated into each contract and shall be consistent with the state-wide plan. The department shall coordinate OBRA transfers consistent with the provisions of each contract. The secretary shall negotiate contracts with networks from areas comprising no more than two-thirds of the state's population. Contracts shall be negotiated in at least two competitive rounds. The first round of contracts shall be effective no later than January 1, 1990. The last round of contracts shall be effective no later than March 1, 1990.

During the contract period, all eligible involuntary treatment referrals for Kitsap county residents shall be made to the project. No involuntary referrals shall be made to western state hospital except when the following conditions are met: The Kitsap residential treatment facility is filled to capacity; and the mental health division and the Kitsap county mental health coordinator concur with the referral. Priority for referral to western state hospital shall be given to individuals under ninety-day or one hundred eighty-day commitments and individuals who have exhausted all community placement options.

(iii) Chartley house may be continued as a part of a network contract or funded directly by the department.

The secretary of the department of social and health services shall transfer funds from the reserve to the state hospitals in any quarter in which hospital census exceeds the December 1988 forecast. Any amount remaining after March 1991 may be used for one-time grants. In making grants, the secretary shall give priority to proposals that facilitate network development, demonstrate integration with other mental health services and that are designed to reduce involuntary treatment.

(b) The number of classified staff units determined in subsection (3) of this section multiplied by 1.152. This factor is intended to adjust allocations so that, for the purposes of distributing insurance benefits, full time equivalent classified employees may be calculated on the basis of 1440 hours of work per year, with no individual employee counted as more than one full time equivalent.

(6)(a) For nonemployee related costs associated with each certificated staff unit allocated under subsection (2) (a), (b), and (d) through (h) of this section, there shall be provided a maximum of \$6,355 per certificated staff unit in the 1989-90 school year and a maximum of \$6,654 per certificated staff unit in the 1990-91 school year.

(7) Allocations for substitute costs for classroom teachers shall be distributed at a maximum rate of \$290 per year for ninety-two percent of the certificated instructional staff units allocated under subsection (2) of this section.

(8) The superintendent may distribute a maximum of \$3,925,000 outside the basic education formula during fiscal years 1990 and 1991 as follows:

(a) For fire protection for school districts located in a fire protection district as now or hereafter established pursuant to chapter 52.04 RCW, a maximum of \$358,000 may be expended in fiscal year 1990 and a maximum of \$375,000 in fiscal year 1991.

(9) For the purposes of RCW 84.52.0531, the increase per full time equivalent student in state basic education appropriations provided under this act, including appropriations for salary and benefits increases, is 6.78 percent from the 1988-89 school year to the 1989-90 school year, and 9.81 percent from the 1989-90 school year to the 1990-91 school year. However, if Initiative 102 is not enacted, the increase from the 1989-90 school year to the 1990-91 school year is 5.97 percent.

(10) The K-12 education account appropriation includes moneys to provide the increased staffing allocations funded from this account at the salary and benefits levels attained for the 1990-91 school year under sections 503 and 505 of this act.

For the purposes of this subsection, "instructional staff" includes certificated instructional employees as defined in RCW 28A.41.140(3) and classified classroom assistants.
