MOTION

On motion of Senator Fain, the Senate advanced to the eighth order of business.

MOTION

Senator Becker moved adoption of the following resolution:

SENATE RESOLUTION
8625

By Senators Becker, Dammeier, and Conway

WHEREAS, Tom Seigel, a 25-year veteran of the United States Navy, became superintendent of the Bethel School District in 2001 after serving in a similar capacity in Colorado; and

WHEREAS, During Superintendent Seigel's tenure, the academic achievements of Bethel students have improved in every category; and

WHEREAS, Superintendent Seigel is the driving force behind the very successful Pierce County Skill Center; and

WHEREAS, As a testament to Superintendent Seigel's vision for education, his belief in building bridges and partnerships within the Bethel community, and his tenacious efforts to gain support from other agencies, the Bethel district has seen the passage of construction bonds and other legislative measures needed to modernize or replace half of the facilities in his purview; and

WHEREAS, Superintendent Seigel encourages innovation and efficiency within the Bethel district, leading it to

become one of first school districts in Washington to use propane-fueled buses; and

WHEREAS, Superintendent Seigel's strong belief in putting kids first has made the Bethel School District one of the few districts in the nation to provide shelter to homeless youth; and

WHEREAS, In addition to being an effective school administrator, Superintendent Seigel can be found routinely accompanying his wife on evenings and weekends delivering bread to those in need, including deliveries on Christmas Eve and on the weekend of his birthday; and

WHEREAS, Superintendent Seigel also fills an essential and important role in his community by acting as the *de facto* 'mayor' of unincorporated, south Pierce County, serving in numerous civic organizations and as an accomplished, longtime spokesperson, advocate, and representative for that area's 100,000 plus residents;

NOW, THEREFORE, BE IT RESOLVED, That the Washington state Senate recognize Bethel School District Superintendent Tom Seigel for his dedication to fostering a healthy educational environment and inspiring colleagues, peers, and neighbors to serve their community; and

BE IT FURTHER RESOLVED, That a copy of this resolution be immediately transmitted by the Secretary of the Senate to Superintendent Tom Seigel in recognition and appreciation of the work he has done to improve the lives of children.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 54.04.190 and 2007 c 348 s 210 are each amended to read as follows:

(1) In addition to any other authority provided by law, public utility districts are authorized to produce and distribute biodiesel, ethanol, and ethanol blend fuels, including entering into crop purchase contracts for a dedicated energy crop for the purpose of generating electricity or producing biodiesel produced from Washington feedstocks, cellulosic ethanol, and cellulosic ethanol blend fuels for use in internal operations of the electric utility and for sale or distribution.

(2) In addition to any other authority provided by law:

(a) Public utility districts are authorized to produce renewable natural gas and utilize the renewable natural gas they produce for internal operations.

FIFTY FIRST DAY, MARCH 3, 2015

2015 REGULAR SESSION

(b) Public utility districts may sell renewable natural gas that is delivered into a gas transmission pipeline located in the state of Washington or delivered in pressurized containers:

(i) At wholesale; or

(ii) To an end-use customer if delivered in a pressurized container, or if the end-use customer takes delivery of the renewable natural gas through a pipeline, and the end-use customer is an eligible purchaser of natural gas from sellers other than the gas company from which that end-use customer takes transportation service and:

(A) When the sale is made to an end-use customer in the state of Washington, the sale is made pursuant to a transportation tariff approved by the Washington utilities and transportation commission; or

(B) When the sale to an end-use customer is made outside of the state of Washington, the sale is made pursuant to a transportation tariff approved by the state agency which regulates retail sales of natural gas.

(c) Public utility districts may sell renewable natural gas at wholesale or to an end-use customer through a pipeline directly from renewable natural gas production facilities to facilities that compress, liquefy, or dispense compressed natural gas or liquefied natural gas fuel for end use as a transportation fuel.

(3) Except as provided in subsection (2)(b)(ii) of this section, nothing in this section authorizes a public utility district to sell renewable natural gas delivered by pipeline to an end-use customer of a gas company.

(4)(a) Except as provided in this subsection (4), nothing in this section authorizes a public utility district to own or operate natural gas distribution pipeline systems used to serve retail customers.

(b) For the purposes of subsection (2)(b) of this section, public utility districts are authorized to own and operate interconnection pipelines that connect renewable natural gas production facilities to gas transmission pipelines.

(c) For the purposes of subsection (2)(c) of this section, public utility districts may own and/or operate pipelines to supply, and/or compressed natural gas or liquefied natural gas facilities to provide, renewable natural gas for end use as a transportation fuel if all such pipelines and facilities are located in the county in which the public utility district is authorized to provide utility service.

(5) Exercise of the authorities granted under this section to public utility districts does not subject them to the jurisdiction of the utilities and transportation commission, except that public utility districts are subject only to administration and enforcement by the commission of state and federal requirements related to pipeline safety and fees payable to the commission that are applicable to such administration and enforcement.

(6) For purposes of this subsection:

(a) "Renewable natural gas" means a gas consisting largely of methane and other hydrocarbons derived from the decomposition of organic material in landfills, wastewater treatment facilities, and anaerobic digesters.

(b) "Gas company" has the same meaning as in RCW 80.04.010."

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 80.36 RCW to read as follows:

(1) A wireless telecommunications provider must provide information in its possession concerning the current or most recent location of a telecommunications device and call information of a user of the device when requested by a law enforcement agency. A law enforcement agency must meet the following requirements:

(a) A law enforcement agency may only request this information when, in the law enforcement officer's exercise of reasonable judgment, he or she believes that the individual is in an emergency situation that involves the risk of death or serious physical harm and requires disclosure without a delay of information relating to the emergency.

(b) Concurrent to making a request, the responding law enforcement agency must check the federal bureau of investigation's national crime information center and any other available databases to identify if either the person requesting the call location information or the person for whom the call location information is being requested has any history of domestic violence or any court order restricting contact by a respondent.

(c) Concurrent to making a request, the responding law enforcement agency must also check with the Washington state patrol to identify if either the person requesting the call location information or the person for whom the call location information is being requested is participating in the address confidentiality program established in chapter 40.24 RCW. The secretary of state must make name information available to the Washington state patrol from the address confidentiality program as required under RCW 40.24.070. The Washington state patrol must not further disseminate list information except on an individual basis to respond to a request under this section.

(d) If the responding law enforcement agency identifies or has reason to believe someone has a history of domestic violence or stalking, has a court order restricting contact, or if the Washington state patrol identifies someone as participating in the address confidentiality program, then the law enforcement agency must not provide call location information to the individual who requested the information, unless pursuant to the order of a court of competent jurisdiction.

(e) A law enforcement agency may not request information under this section for any purpose other than responding to a call for emergency services or in an emergency situation that involves the risk of death or serious physical harm.

(2) A wireless telecommunications provider may establish protocols by which the carrier voluntarily discloses call location information to law enforcement.

(3) No cause of action may be brought in any court against any wireless telecommunications provider, its officers, employees, agents, or other specified persons for providing call location information while acting in good faith and in accordance with the provisions of this section.

(4) All wireless telecommunications providers registered to do business in the state of Washington and all resellers of wireless telecommunications services shall submit their emergency contact information to the Washington state patrol in order to facilitate requests from a law enforcement agency for call location information in accordance with this section. Any change in contact information must be submitted immediately.

(5) The Washington state patrol must maintain a database containing emergency contact information for all wireless telecommunications providers registered to do business in the state of Washington and must make the information immediately available upon request to facilitate a request from law enforcement for call location information under this section.

(6) The Washington state patrol may adopt by rule criteria for fulfilling the requirements of this section.

Sec. 2. RCW 40.24.070 and 2008 c 18 s 5 are each amended to read as follows:

The secretary of state may not make any records in a program participant's file available for inspection or copying, other than the address designated by the secretary of state, except under the following circumstances:

(1) If requested by a law enforcement agency, to the law enforcement agency; and

(a) The participant's application contains no indication that he or she has been a victim of domestic violence, sexual assault, or stalking perpetrated by a law enforcement employee; and

(b) The request is in accordance with official law enforcement duties and is in writing on official law enforcement letterhead stationery and signed by the law enforcement agency's chief officer, or his or her designee; or

(2) If directed by a court order, to a person identified in the order; and

(a) The request is made by a nonlaw enforcement agency; or

(b) The participant's file indicates he or she has reason to believe he or she is a victim of domestic violence, sexual assault, or stalking perpetrated by a law enforcement employee.

(3) To the Washington state patrol solely for the use authorized in section 1 of this act, provided that participant information must clearly distinguish between those participants requesting disclosure to a law enforcement agency of the location of a telecommunications device and call information of the user, and those participants who request nondisclosure to a law enforcement agency of the location of a telecommunications device and call information of the user. The Washington state patrol may not use the information or make the information available for inspection and copying for any other purpose than authorized in section 1 of this act. The secretary of state may adopt rules to make available the information required for the purposes of this section and section 1 of this act. The secretary of state and the secretary of state's officers, employees, or custodian, are not liable, nor shall a cause of action exist, for any loss or damage based upon the release of information, or the nondisclosure of information, from the address confidentiality program to the Washington state patrol if the agency, officer, employee, or custodian acted in good faith in attempting to comply with the provisions of this section and section 1 of this act.

NEW SECTION. Sec. 3. This act may be known and cited as the Kelsey Smith act."

(1) The definitions in this subsection apply throughout this section and RCW 28A.655.235 unless the context clearly requires otherwise.

(a) "Basic" means a score on the statewide student assessment at a level two in a four-level scoring system.

(b) "Below basic" means a score on the statewide student assessment at a level one in a four-level scoring system.

(c) "Not meet the state standard" means a score on the statewide student assessment at either a level one or a level two in a four-level scoring system.

(2) ((Beginning in the 2014-15 school year, for any student who receives a score of)) Prior to the return of the results of the statewide student assessment in English language arts, elementary schools shall require meetings between teachers and parents of students in third grade who are reading below grade-level or who, based on formative or diagnostic assessment, and other indicators, are likely to score in the below basic level on the third grade statewide student assessment in English language arts ((, a meeting must be scheduled before the end of the school year between the student's parent or guardian, teacher, and the principal of the school the student attends or the principal's designee to discuss appropriate grade placement and recommended intensive strategies to improve the student's reading skills)). At the meeting, the teacher shall inform the parents or guardians of the requirements of this section and the intensive reading improvement strategies that will be available to students before fourth grade. The teacher also shall inform the parents and guardians of the school district's grade placement policy for the following year. Schools that have regularly scheduled parent teacher conferences may use those meetings to comply with this section.

(3) For students to be placed in fourth grade, the strategies ((discussed)) provided by the school district must include an intensive improvement strategy provided, supported, or contracted by the school district that includes a summer program or other options ((identified by the parents, teacher, principal, or principal's designee as appropriately meeting the student's need)) developed to meet the needs of students to prepare for fourth grade. ((The parents or guardians must be fully informed about the strategies and))

(4) If a student in third grade scores below grade level on the third grade statewide student assessment in English language arts, and there was no meeting under subsection (2) of this section, the principal or his or her designee shall notify the student's parents or guardians of the following:

(a) The below basic score;

(b) An explanation of the requirements of this section;

(c) The intensive improvement strategy options that are available;

(d) The school district's grade placement policy;

(e) Contact information for a school district employee who can respond to questions and provide additional information; and

(f) A reasonable deadline for obtaining the parent's consent regarding the student's intensive improvement strategies that will be implemented and the student's grade placement.

(5) The parent's or guardian's consent must be obtained regarding the appropriate grade placement and the intensive improvement strategy to be implemented. The school district must implement the strategy selected in consultation with the student's parents or guardians. If the school district does not receive a response from a parent by the deadline or a reasonable time thereafter, the principal or his or her designee shall make a decision on the student's grade placement for the following year and the intensive improvement strategies that will be implemented during the following school year.

(6) If the school principal and parent cannot agree on the appropriate grade placement and improvement strategies from the list of available options, the parent's request will be honored.

~~((3))~~ (7) If a student does not have a score in English language arts on the third grade statewide student assessment but the district determines, or is able to anticipate from, using district or classroom-based formative or diagnostic assessments or another standardized assessment, that the student's performance is equivalent to below basic in English language arts, the policy in subsections (2) through (6) of this section applies.

~~((4))~~ (8) Students participating in the transitional bilingual instruction program are exempt from the policy in subsections (2) through (6) of this section, unless the student has participated in the transitional bilingual instruction program for three school years and receives a score of below basic on the third grade statewide student assessment in English language arts.

~~((5))~~ (9) Students with disabilities whose individualized education program includes specially designed instruction in reading or English language arts are exempt from subsections (2) ~~((3), and (4))~~ through (8) of this section. Communication and consultation with parents or guardians of such students shall occur through the individualized education program process required under chapter 28A.155 RCW and associated administrative rules.

(c) A significant percentage of community residents who are minorities, foreign-born, or who have limited proficiency in the English language; or

(d) Disproportionate environmental burdens based, at a minimum, on data generated from the United States environmental protection agency's risk-screening environmental indicators tool, and any appropriate environmental, scientific, or public health data.

(2) The list must be revised as necessary to include communities located near any project of statewide significance designated under RCW 43.157.030, when the community has one or more of the characteristics under subsection (1) of this section.

(3) When developing the initial list of highly impacted communities, the department of ecology must rely on existing environmental, economic, scientific, or public health data and may use existing environmental justice mapping tools.

(4) The department of ecology must:

(a) Consider any person's request to add his or her community to the list of highly impacted communities and determine whether to add the community based on the criteria in subsection (3) of this section;

(b) Maintain a list of individuals and organizations that request to be notified when the agency is considering a major agency action within a highly impacted community, including a project of statewide significance designated under RCW 43.157.030;

(c) Provide the public with notice and an opportunity to comment on the list of highly impacted communities before publishing the initial list or making any changes to the list; and

(d) Update the list of highly impacted communities as new information and data become available.

NEW SECTION. Sec. 6. A new section is added to chapter 43.21A RCW to read as follows:

(1) Prior to considering a major agency action within a highly impacted community, as identified in the list required by section 5 of this act, the department must develop a communications plan that:

(a) Integrates with other department policies, procedures, or rules for soliciting comments on agency actions;

(b) Is tailored to meet the specific needs of the highly impacted community;

(c) Ensures that, to the extent practicable, members of the highly impacted community have the opportunity to review and comment on the proposed major agency action; and

(d) Provides members of the highly impacted community with the earliest practicable notice that the agency is considering a major agency action within their community.

(2) The department must provide notice to individuals and organizations requesting notice under section 5(4)(b) of this act.

(3) For the purposes of this section, major agency actions are:

(a) State and local permits required for a project of statewide significance designated under RCW 43.157.030;

(b) A major stationary source permit or part of a new or modified major stationary source permit, as those terms are utilized in Title I of the federal clean air act;

(c) New or major modification permits for treatment, storage, and disposal facilities, or permit renewals, issued by the department, under chapter 70.105 RCW, that necessitate demonstrating compliance with siting criteria;

(d) Waste disposal permits, issued by the department under RCW 90.48.160, that the department categorizes as a new individual industrial permit; or

(e) Other agency actions that are likely to change the characteristic, culture, or environmental health of a highly impacted community, as determined by the department.

NEW SECTION. Sec. 7. Nothing in sections 5 and 6 of this act create a new cause of action or eliminate or restricts any existing cause of action."
