Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) In any felony case initially charged as a violent or sex offense, as defined in RCW 9.94A.030, a governmental entity shall preserve any DNA work product that has been secured in connection with the criminal case according to the following guidelines:

(a) Except as provided in (b) of this subsection, where a defendant has been charged and convicted in connection with the case, the DNA work product must be maintained throughout the length of the sentence, including any period of community custody extending through final discharge;

(b) Where a defendant has been convicted and sentenced under RCW 9.94A.507 in connection with the case, the DNA work product must be maintained for ninety-nine years or until the death of the defendant, whichever is sooner; and

(c) Where no conviction has been made in connection with the case, the DNA work product must be maintained for

ninety-nine years or throughout the period of the statute of limitations pursuant to RCW 9A.04.080, whichever is sooner.

(2) Notwithstanding subsection (1) of this section, in any felony case regardless of whether the identity of the offender is known and law enforcement has probable cause sufficient to believe the elements of a violent or sex offense as defined in RCW 9.94A.030 have been committed, a governmental entity shall preserve any DNA work product, including a sexual assault examination kit, secured in connection with the criminal case for ninety-nine years or throughout the period of the statute of limitations pursuant to RCW 9A.04.080, whichever is sooner.

(3) For purposes of this section:

(a) "Amplified DNA" means DNA generated during scientific analysis using a polymerase chain reaction.

(b) "DNA work product" means (i) product generated during the process of scientific analysis of such material, except amplified DNA, material that had been subjected to DNA extraction, and DNA extracts from reference samples; or (ii) any material contained on a microscope slide, swab, in a sample tube, cutting, DNA extract, or some other similar retention method used to isolate potential biological evidence that has been collected by law enforcement as part of its investigation and prepared for scientific analysis, whether or not it is submitted for scientific analysis and derived from:

(A) The contents of a sexual assault examination kit;

(B) Blood;

(C) Semen;

(D) Hair;

(E) Saliva;

(F) Skin tissue;

(G) Fingerprints;

(H) Bones;

(I) Teeth; or

(J) Any other identifiable human biological material or physical evidence.

Notwithstanding the foregoing, "DNA work product" does not include a reference sample collected unless it has been shown through DNA comparison to associate the source of the sample with the criminal case for which it was collected.

(c) "Governmental entity" means any general law enforcement agency or any person or organization officially acting on behalf of the state or any political subdivision of the state involved in the collection, examination, tracking, packaging, storing, or disposition of biological material collected in connection with a criminal investigation relating to a felony offense.

(d) "Reference sample" means a known sample collected from an individual by a governmental entity for the purpose of comparison to DNA profiles developed in a criminal case.

(4) The failure of a law enforcement agency to preserve DNA work product does not constitute grounds in any criminal proceeding for challenging the admissibility of other DNA work product that was preserved in a case, and any evidence offered may not be excluded by a court on those grounds. The court may not set aside the conviction or sentence or order the reversal of a conviction under this section on the grounds that the DNA work product is no longer available. Unless the court finds that DNA work product was destroyed with malicious intent to violate this section, a person accused of committing a crime against a person has no cause of action against a law enforcement agency for failure to comply with the requirements of this section. If the court finds that DNA work product was destroyed with malicious intent to violate this section, the court may impose appropriate sanctions. Nothing in this section may be construed to create a private right of action on the part of any individual or entity

against any law enforcement agency or any contractor of a law enforcement agency.

NEW SECTION. Sec. 2. (1) Nothing in this chapter precludes the trial court from ordering the destruction of DNA reference samples contributed by a defendant who was charged and acquitted or whose conviction was overturned in connection with a violent or sex offense as defined in RCW 9.94A.030.

(2)(a) A person may submit an application to the Washington state patrol to have his or her DNA reference sample data expunged from the Washington state patrol's DNA identification system in cases where: (i) The person's DNA reference sample was collected and entered into the system and (ii) the charges against the person were dismissed with prejudice or the person was found not guilty.

(b) The Washington state patrol must expunge the person's DNA reference sample data if he or she meets the criteria established in law or by rule.

NEW SECTION. Sec. 3. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 4. Sections 1 and 2 of this act constitute a new chapter in Title 5 RCW."

"NEW SECTION. **Sec. 1.** (1) The legislature intends to reduce the number of lives lost to drug overdoses by encouraging

EIGHTY SEVENTH DAY, APRIL 8, 2015

2015 REGULAR SESSION

the prescription, dispensing, and administration of opioid overdose medications.

(2) Overdoses of opioids, such as heroin and prescription painkillers, cause brain injury and death by slowing and eventually stopping a person's breathing. Since 2012, drug poisoning deaths in the United States have risen six percent, and deaths involving heroin have increased a staggering thirty-nine percent. In Washington state, the annual number of deaths involving heroin or prescription opiates increased from two hundred fifty-eight in 1995 to six hundred fifty-one in 2013. Over this period, a total of nine thousand four hundred thirty-nine people died from opioid-related drug overdoses. Opioid-related drug overdoses are a statewide phenomenon.

(3) When administered to a person experiencing an opioid-related drug overdose, an opioid overdose medication can save the person's life by restoring respiration. Increased access to opioid overdose medications reduced the time between when a victim is discovered and when he or she receives lifesaving assistance. Between 1996 and 2010, lay people across the country reversed over ten thousand overdoses.

(4) The legislature intends to increase access to opioid overdose medications by permitting health care practitioners to administer, prescribe, and dispense, directly or by collaborative drug therapy agreement or standing order, opioid overdose medication to any person who may be present at an overdose - law enforcement, emergency medical technicians, family members, or service providers - and to permit those individuals to possess and administer opioid overdose medications prescribed by an authorized health care provider.

NEW SECTION. Sec. 2. A new section is added to chapter 69.41 RCW to read as follows:

(1)(a) A practitioner may prescribe, dispense, distribute, and deliver an opioid overdose medication: (i) Directly to a person at risk of experiencing an opioid-related overdose; or (ii) by collaborative drug therapy agreement, standing order, or protocol to a first responder, family member, or other person or entity in a position to assist a person at risk of experiencing an opioid-related overdose. Any such prescription or protocol order is issued for a legitimate medical purpose in the usual course of professional practice.

(b) At the time of prescribing, dispensing, distributing, or delivering the opioid overdose medication, the practitioner shall inform the recipient that as soon as possible after administration of the opioid overdose medication, the person at risk of experiencing an opioid-related overdose should be transported to a hospital or a first responder should be summoned.

(2) A pharmacist may dispense an opioid overdose medication pursuant to a prescription issued in accordance with this section and may administer an opioid overdose medication to a person at risk of experiencing an opioid-related overdose. At the time of dispensing an opioid overdose medication, a pharmacist shall provide written instructions on the proper response to an opioid-related overdose, including instructions for seeking immediate medical attention.

(3) Any person or entity may lawfully possess, store, deliver, distribute, or administer an opioid overdose medication pursuant to a prescription or order issued by a practitioner in accordance with this section.

(4) The following individuals, if acting in good faith and with reasonable care, are not subject to criminal or civil liability or disciplinary action under chapter 18.130 RCW for any actions authorized by this section or the outcomes of any actions authorized by this section:

(a) A practitioner who prescribes, dispenses, distributes, or delivers an opioid overdose medication pursuant to subsection (1) of this section;

(b) A pharmacist who dispenses an opioid overdose medication pursuant to subsection (2) of this section;

(c) A person who possesses, stores, distributes, or administers an opioid overdose medication pursuant to subsection (3) of this section.

(5) For purposes of this section, the following terms have the following meanings unless the context clearly requires otherwise:

(a) "First responder" means: (i) A career or volunteer firefighter, law enforcement officer, paramedic as defined in RCW 18.71.200, or first responder or emergency medical technician as defined in RCW 18.73.030; and (ii) an entity that employs or supervises an individual listed in (a)(i) of this subsection, including a volunteer fire department.

(b) "Opioid overdose medication" means any drug used to reverse an opioid overdose that binds to opioid receptors and blocks or inhibits the effects of opioids acting on those receptors. It does not include intentional administration via the intravenous route.

(c) "Opioid-related overdose" means a condition including, but not limited to, extreme physical illness, decreased level of consciousness, respiratory depression, coma, or death that: (i) Results from the consumption or use of an opioid or another substance with which an opioid was combined; or (ii) a lay person would reasonably believe to be an opioid-related overdose requiring medical assistance.

(d) "Practitioner" means a health care practitioner who is authorized under RCW 69.41.030 to prescribe legend drugs.

(e) "Standing order" or "protocol" means written or electronically recorded instructions, prepared by a prescriber, for distribution and administration of a drug by designated and trained staff or volunteers of an organization or entity, as well as other actions and interventions to be used upon the occurrence of clearly defined clinical events in order to improve patients' timely access to treatment.

Sec. 3. RCW 69.41.040 and 2003 c 53 s 324 are each amended to read as follows:

(1) A prescription, in order to be effective in legalizing the possession of legend drugs, must be issued for a legitimate medical purpose by one authorized to prescribe the use of such legend drugs. Except as provided in section 2 of this act, an order purporting to be a prescription issued to a drug abuser or habitual user of legend drugs, not in the course of professional treatment, is not a prescription within the meaning and intent of this section; and the person who knows or should know that he or she is filling such an order, as well as the person issuing it, may be charged with violation of this chapter. A legitimate medical purpose shall include use in the course of a bona fide research program in conjunction with a hospital or university.

(2) A violation of this section is a class B felony punishable according to chapter 9A.20 RCW.

Sec. 4. RCW 69.50.315 and 2010 c 9 s 2 are each amended to read as follows:

(1)((~~+~~)) A person acting in good faith who seeks medical assistance for someone experiencing a drug-related overdose shall not be charged or prosecuted for possession of a controlled substance pursuant to RCW 69.50.4013, or penalized under RCW 69.50.4014, if the evidence for the charge of possession of a controlled substance was obtained as a result of the person seeking medical assistance.

~~((b) A person acting in good faith may receive a naloxone prescription, possess naloxone, and administer naloxone to an individual suffering from an apparent opiate related overdose.))~~

(2) A person who experiences a drug-related overdose and is in need of medical assistance shall not be charged or prosecuted for possession of a controlled substance pursuant to RCW 69.50.4013, or penalized under RCW 69.50.4014, if the evidence for the charge of possession of a controlled substance was obtained as a result of the overdose and the need for medical assistance.

(3) The protection in this section from prosecution for possession crimes under RCW 69.50.4013 shall not be grounds for suppression of evidence in other criminal charges.

NEW SECTION. Sec. 5. (1)(a) A legislative task force on opioid addiction is established, with members as provided in this subsection.

(i) The secretary of the senate shall appoint two members from each of the two largest caucuses of the senate;

(d) Other addiction issues deemed appropriate by the task force.

(3) Staff support for the task force must be provided by the senate committee services and the house of representatives office of program research.

(4) Legislative members of the task force must be reimbursed for travel expenses in accordance with RCW 44.04.120. Nonlegislative members, except those representing an employer or organization, are entitled to be reimbursed for travel expenses in accordance with RCW 43.03.050 and 43.03.060.

(5) The expenses of the task force must be paid jointly by the senate and the house of representatives. Task force expenditures are subject to approval by the senate facilities and operations committee and the house of representatives executive rules committee, or their successor committees.

(6) This section expires August 1, 2017.

Unless a different meaning is plainly required by the context, the following words and phrases as hereinafter used in this chapter shall have the following meanings:

(1) "Debt adjuster," which includes any person known as a debt pooler, debt manager, debt consolidator, debt prorater, or credit counselor, is any person engaging in or holding himself or herself out as engaging in the business of debt adjusting for compensation. The term shall not include:

(a) Attorneys-at-law, escrow agents, accountants, broker-dealers in securities, or investment advisors in securities, while performing services solely incidental to the practice of their professions;

(b) Any person, partnership, association, or corporation doing business under and as permitted by any law of this state or of the United States relating to banks, consumer finance businesses, consumer loan companies, trust companies, mutual savings banks, savings and loan associations, building and loan associations, credit unions, crop credit associations, development credit corporations, industrial development corporations, title insurance companies, insurance companies, or third-party account administrators;

(c) Persons who, as employees on a regular salary or wage of an employer not engaged in the business of debt adjusting, perform credit services for their employer;

(d) Public officers while acting in their official capacities and persons acting under court order;

(e) Any person while performing services incidental to the dissolution, winding up or liquidation of a partnership, corporation, or other business enterprise;

(f) Nonprofit organizations dealing exclusively with debts owing from commercial enterprises to business creditors;

(g) Nonprofit organizations engaged in debt adjusting and which do not assess against the debtor a service charge in excess of fifteen dollars per month.

(2) "Debt adjusting" means the managing, counseling, settling, adjusting, prorating, or liquidating of the indebtedness of a debtor, or receiving funds for the purpose of distributing said funds among creditors in payment or partial payment of obligations of a debtor.

(3) "Debt adjusting agency" is any partnership, corporation, or association engaging in or holding itself out as engaging in the business of debt adjusting.

(4) "Financial institution" means any person doing business under the laws of any state or the United States relating to commercial banks, bank holding companies, savings banks, savings and loan associations, trust companies, or credit unions.

services from the debt adjusters and pay down their debt accordingly. "Fair share" does not include grants received by debt adjusters for services unrelated to debt adjusting.

Sec. 2. RCW 18.28.080 and 2012 c 56 s 2 are each amended to read as follows:

(1) By contract a debt adjuster may charge a reasonable fee for debt adjusting services. The total fee for debt adjusting services, including, but not limited to, any fee charged by a financial institution or a third-party account administrator, may not exceed fifteen percent of the total debt listed by the debtor on the contract. The fee retained by the debt adjuster from any one payment made by or on behalf of the debtor may not exceed fifteen percent of the payment not including fair share. The debt adjuster may make an initial charge of up to twenty-five dollars which shall be considered part of the total fee. If an initial charge is made, no additional fee may be retained which will bring the total fee retained to date to more than fifteen percent of the total payments made to date. No fee whatsoever shall be applied against rent and utility payments for housing.

In the event of cancellation or default on performance of the contract by the debtor prior to its successful completion, the debt adjuster may collect in addition to fees previously received, six percent of that portion of the remaining indebtedness listed on said contract which was due when the contract was entered into, but not to exceed twenty-five dollars.

(2) A debt adjuster who receives fair share must disclose this in writing, along with an explanation of fair share, to the debtor prior to accepting any fair share.

(3) A debt adjuster shall not be entitled to retain any fee until notifying all creditors listed by the debtor that the debtor has engaged the debt adjuster in a program of debt adjusting.

~~((3))~~ (4) The department of financial institutions has authority to enforce compliance with this section.
